We Are...the PGA TOUR

The name of our organization is the PGA TOUR. The organization known as the PGA is the PGA of America, which is located in Palm Beach Gardens, FL. The PGA TOUR is in Ponte Vedra Beach, FL, south of Jacksonville.

Also, our registered marks use our name in all caps: PGA TOUR. We aren't the PGA Tour (caps and lower case). On second reference, you can just call us the TOUR.

A BRIEF HISTORY OF THE PGA TOUR

It is not always easy to discover the exact beginning of something. So it is with the PGA TOUR. Certainly there were professionals who competed against each other from the earliest days of the game.

In 1895, 10 professional golfers and one amateur played in the first U.S. Open in Newport, RI. Shortly thereafter, tournaments began to pop up across the country. There was the Western Open in 1899. But this was not "tour" golf. The events lacked continuity.

Interest in the game, however, continued to grow. American professionals were rapidly improving. And when John McDermott became the first American-born player to win the U.S. Open, enthusiasm for the game blossomed.

Adding to this growth was a commercially backed exhibition by Englishmen Harry Vardon and Ted Ray. The duo travelled across the country and attracted good crowds wherever they stopped during the warmer months of 1913. A 20-year-old, Francis Ouimet, defeated the pair in a playoff for the United States Open Championship at Brookline, MA. Suddenly golf became front page news and a game for everyone.

In the early 1920s, the PGA TOUR saw its first development. Tournaments were held on the West Coast, Texas and Florida. These events were held in the winter, and the golfers played their way east and up to Pinehurst in the spring. By the middle of the decade, the TOUR was doing relatively well--offering \$77,000 in total prize money.

The TOUR became more structured following World War II and exploded in the late 1950s and early '60s. Flip through the **Facts and Figures** and **All-Time Records** sections of this book and look at such areas as leading money-winners and rising tournament purses to witness the continuing growth.

When television became a player in the game, the eyes of the world were on golf. This exposure inspired millions to try the game and, at the same time, TV rights fees sent purses soaring. The bulk of these rights fees, which are distributed by the PGA TOUR to all co-sponsors, have gone back into the purses, accounting for the tripling of prize money in the last decade.

The touring professionals began to gain control of the TOUR in late 1968. Joseph C. Dey was the first Commissioner of what was then called the Tournament Players Division. He served from early 1969 through February 28, 1974, and was succeeded by Deane R. Beman, who took office March 1, 1974.

During Beman's administration, the value of tournament purses escalated at an unprecedented rate: PGA TOUR assets grew from \$730,000 in 1974 to more than \$200 million, and total revenues increased from \$3.9 million to \$229 million in 1993.

Timothy W. Finchem, previously the TOUR's Deputy Commissioner and Chief Operating Officer, became third Commissioner on June 1, 1994. In 1995, Finchem undertook a restructuring program designed to strengthen the PGA TOUR's core business, which is its competitions; expand the TOUR's international scope and prepare it to enter the 21st Century. In 1996, Finchem helped to spearhead formation of the PGA Tours International Federation, as golf's five world governing bodies laid the groundwork for taking competition into the 21st Century.

Since 1938, PGA TOUR events have donated more than \$300 million to charity. Of that total, more than \$164 million has been raised in the 1990s. One-year charity giving records have been produced annually since 1992, reaching the high of \$29.3 million in 1996.

The competitive scope of the PGA TOUR also is much broader today. The Senior PGA TOUR is considered by many the sports success story of the 1980s. In 1997, the NIKE TOUR will enjoy its eighth season as a proving ground for professionals, taking golf to 30 additional markets and paving the way for the future John Dalys, Jeff Maggerts, Tom Lehmans and David Duvals of the PGA TOUR.

Also continuing to grow is the Tournament Players Club Network. When the PGA TOUR opened the Tournament Players Club at Sawgrass in 1980, it introduced the era of Stadium Golf and record-breaking attendance. Owned and/or operated by the TOUR, the concept means these courses are the only major league sports arenas owned by the players themselves.

The TPC Network now includes facilities in Japan, Thailand and China, as well as the United States. And the growth continues.

Timothy W. Finchem

A graduate of the University of Virginia School of Law, Finchem began his career as an associate of the Norfolk, VA law firm of Babalas & Ermlich in 1973 and became a partner in the firm of Croshaw, Finchem and Williams in Virginia Beach, VA in 1976.

In 1981, Finchem became President of Beckel, Finchem, Torricelli and Associates before becoming co-founder of National Strategies and Marketing Group, a Washington, DC consulting and marketing firm, in 1984. He was a consultant to the PGA TOUR while with NSMG.

Finchem joined the TOUR staff as Vice President of Business Affairs in 1987 and became Deputy Commissioner and Chief Operating Officer in 1989.

Born in Ottawa, IL on April 19, 1947, Finchem was graduated from Princess Anne High School in Virginia Beach. He attended the University of Richmond on a debate scholarship and received his Bachelor of Arts degree from the school in 1969. He received his degree from the University of Virginia Law School in 1973.

A physical fitness devotee, Finchem is a member of the President's Council on Physical Fitness.

Married to the former Holly Bachand, Finchem is the father of four. The Finchems live in Ponte Vedra Beach, FL.

Phil Mickelson led the 1996 PGA TOUR in victories with four, including two of the season's first four events: the Nortel Open and Phoenix Open.

Did You Know?

Brad Faxon found himself on the unfortunate end of two playoffs in 1996, losing to Jim Furyk at the United Airlines Hawaiian Open and to Clarence Rose at the Sprint International. The same thing happened to Faxon in 1992. He lost a playoff to Steve Elkington at the Mercedes Championships and, along with Elkington, fell to Dan Forsman at the Buick Open. By the way, Elkington appeared in three playoffs in 1992, winning one and losing two.

1996 SEASON: Not a typical season for the 24-year TOUR veteran...saw his earnings and money-list rank fall to their lowest level since 1985...ended streak of winning at least one tournament a year since 1992...began season by finishing 11th at Mercedes Championships...followed with missed cuts at Phoenix Open and Buick Invitational...withdrew from Nissan Open with back problems, diagnosed as slight bulging disk in lower back, treatable by exercise and muscle relaxers...returned to finish 19th at Doral-Ryder Open...put up good weekend fight in front of a hometown crowd when he shot 70-66 under windy conditions to finish T6 at MasterCard Colonial, his only top-10 finish of the year...after making cut and finishing T69 at PGA Championship, took rest of season off...named recipient of Old Tom Morris Award for 1997 by GCSAA.

CAREER HIGHLIGHTS: His proudest and most emotional moment in golf came after winning his second Masters Tournament in 1995...earlier in the week, served as pall bearer at funeral of his long-time teacher and friend, Harvey Penick...shot rounds of 70-67-69-68--274 to defeat Davis Love III by one stroke at Augusta National...until 1996, had produced win-a-year since turning 40...prior to Masters victory, fortysomething titles include 1992 Western Open, 1993 Nestle Invitational and 1994 Freeport-McMoRan Classic...from July 1992 through April 1994, his only three top-10 finishes were victories...one of his biggest victories wins at 1984 Masters, where final-round 68 for 277 gave him two-stroke decision over Tom Watson and major championship he had long sought...first triumph came in first start as member of PGA TOUR, 1973 San Antonio-Texas Open...winner of two events at Colonial CC 13 years apart, 1977 Colonial National Invitation and 1990 Southwestern Bell Colonial...most recent of three multiple victory seasons 1986, when he claimed Buick Open and Vantage Championship, precursor of TOUR Championship...winner of 1983 Byron Nelson Classic...won 1973 Qualifying Tournament by then-record 12 strokes...won 1995 PGA Grand Slam of Golf by holing a 60-yard wedge shot for eagle on final hole...winner 1971-72-73 NCAA Championships, co-winner with Tom Kite 1972...winner of Fred Haskins Award as nation's outstanding collegiate golfer each of those years...won William Richardson Award in 1989, Bob Jones Award in 1991.

BEST 1996 FINISH: T10--Kemper Open

1996 SEASON: Had a couple bright moments during the season, but didn't find the consistency he strived for...was encouraged by positive signs toward the end of the year...best stretch of the season came during early summer, when he made seven consecutive cuts...started with T10 at the Kemper Open...after 69-67-68 start was only three strokes out of the lead...1-over-par 72 in final round dropped him into tie for 10th for his only top-10 performance of the year...unveiled his virtually loft-free zero-iron at TPC at Avenel...had a T17 at the Nissan Open, his first full-field event of the season...a final-round 69 at Riviera CC his lowest fourth-round score of the year...led driving distance category on TOUR for fifth time in last six years with 288.8 average...won Australian Skins Game.

Open by six strokes...after serving a suspension early in 1994, earned his third TOUR victory at 1994 BellSouth Classic...grabbed the lead with a second-round 64, then fought off challenges from Nolan Henke and Brian Henninger...played Ben Hogan Tour (now NIKE TOUR) in 1990 after winning the only Hogan Tour Qualifying Tournament...won 1990 Ben Hogan Utah Classic...finished ninth on money list with more than \$64,000...won several events on South African Tour...winner 1987 Missouri Open...his 289.0-yard driving distance average in 1995 was longest since record-keeping began in 1980.

PERSONAL: Served as non-paid assistant coach for University of Arkansas golf team during hiatus between 1994-95 TOUR seasons...started playing as youngster after father gave him full-sized set of clubs.

Open shot 67-64 and held two-stroke advantage after 36 holes...second-round 64 featured five consecutive birdies...added 66 on Saturday...an 18th-hole bogey produced a tie with Fred Funk...the tournament was reduced to 54 holes after heavy rains washed out the final round, creating playoff with Funk...after Pete's 7-iron flew the green, Funk birdied from 10 inches to win...second-place check of \$108,000 brought him enough to move into top 125 (97th place), from where he went on to retain his card...ranked 163rd in money before the B.C. Did You Know?

In each of the last two years, the PGA TOUR has crowned first-time winners in three consecutive weeks. In 1995, Brad Bryant, Jim Furyk and Duffy Waldorf each earned his first TOUR victory consecutively. Last year, Tim Herron, Paul Goydos and Scott McCarron repeated the feat, then late in the season Michael Bradley, Tiger Woods and David Orgin did likewise. In all, 13 first-time winners were crowned in 1996, one shy of the all-time record set in 1991.

TOUR VICTORIES (1): 1994 Federal Express St. Jude Classic

BEST 1996 FINISHES: T3-Canon Greater Hartford Open; 6-Michelob Championship at Kingsmill

1996 SEASON: Dicky made the cut in only one of his last seven events in 1996, but his winnings of \$4,440 at the LaCantera Texas Open earned him 125th place on the money list and exempt status in 1997...through first 15 events of year, had made nine cuts, but best finish was T31 at Buick Classic...fortunes changed dramatically in next three events...at Canon Greater Hartford Open, shot 70-70-68-67—275 to tie Mark Calcavecchia for third place, five strokes behind D.A. Weibring, worth \$78,000...that finish, his best since winning the 1994 FedEx St. Jude Classic, also capped string of five consecutive cuts made...two weeks later, he was in second place through three rounds of Michelob Championship at Kingsmill...fell to sixth after closing 71, but still earned \$45,000.

CAREER HIGHLIGHTS: Won 1994 FedEx St. Jude Classic in rookie season...rounds of 66-67-67-67--267, including dramatic 20-foot birdie putt on 72nd hole, earned spot in playoff with Hal Sutton and Gene Sauers...holed 25-foot birdie putt on first extra hole to win...earned \$225,000 for victory...first top-10 finish of PGA TOUR career came at 1994 Deposit Guaranty Golf Classic two weeks earlier, a T8...in 1995, had only one finish in top 10, another T8 at Deposit Guaranty...semifinalist in 1991 U.S. Amateur...twice an all-Southeastern Conference pick while at Alabama.

PERSONAL: Early in 1994, rescheduled his wedding day so it wouldn't conflict with PGA TOUR Qualifying Tournament...that year's victory at FedEx St. Jude Classic made qualifying unnecessary...later that season won a Buick for soon-to-be wife Kim with a hole-in-one at the Buick Challenge...despite not playing golf as a freshman at Alabama, and not seeing any action as a sophomore walk-on, still was twice named All-Southeastern Conference.

1996 SEASON: Again one of the busiest player on TOUR, competing in 36 tournaments...posted one top-10 finish, but finished outside the top 125 for the first time since 1990...\$162,944 placed 131st...best performance came in defense of his title at Michelob Championship at Kingsmill...after opening with rounds of 70-70, shot 65-67 on weekend to tie for third...65 was low round of year...as is his wont, had slow start, but warmed up with the summer heat...string of 11 missed cuts in 12 events ended in June at Memorial Tournament (T69)...two weeks later, shot 69-66-68-70—273 to finish tied for 16th at FedEx St. Jude Classic.

PERSONAL: Knew he wanted to be a professional golfer at age seven...in one of the more unusual birthday rituals ever, would hit plastic golf balls out of his grandfather's mouth with a plastic club on his birthday...as to his schedule, the busiest of any TOUR player: "I'm not married. What else am I going to do?"

BEST 1996 FINISHES: T2--Kemper Open; T8--THE PLAYERS Championship

1996 SEASON: Had brush with golf immortality at Phoenix Open when he shot a closing 60...came to his 16th hole needing one birdie to shoot 59, but parred in...it was 10th 60 in PGA TOUR history, first since Davis Love III's at 1994 United Airlines Hawaiian Open...11-under-par final round lifted him to T14...first of year's two top-10 finishes came at THE PLAYERS Championship...shot 68-72-68-68—276 to tie for eighth and earn \$94,500 despite degenerating disc that forced him to sit out following six weeks...after layoff finished T18 at Shell Houston Open...after opening 72 at Kemper Open, shot 66-69-66 to tie for second with Brad Faxon, Scott Hoch and Mark O'Meara, three strokes behind Steve Stricker...\$99,000 Kemper check was largest of year...T34 at Bell Canadian Open and T20 at B.C. Open were only cuts made in last 10 starts.

PERSONAL: Missed defense of first PGA TOUR title when his first child, Osten, was born on eve of 1994 Kemper Open...had registered at tournament site, but left to be with his wife...got to know fellow TOUR player Kelly Gibson at college tournaments — Grant at Oklahoma, Kelly at Lamar — and the two lived on the cheap together while playing the Canadian Tour in the late 1980s..."We'd pick hotels as cheap as possible. As long as they had hot water and two beds, that's all we needed."

Did You Know?

Weather was a hot topic early in the 1996 season and again at the end of the year. The AT&T Pebble Beach National Pro-Am was cancelled after two rounds, marking the first time in 47 years a PGA TOUR event was unable to crown a champion (1949 Colonial National Invitation). At the end of the season, rain extended THE TOUR Championship to Monday, marking the first time since 1983 a full round was played on Monday. During the 1983 season, three consecutive tournaments conducted their fourth round on Monday: THE PLAYERS Championship, the Kmart Greater Greensboro Open and the Masters Tournament.

BEST 1996 FINISHES: T3--Canon Greater Hartford Open; T4--THE PLAYERS Championship; T7--Greater Greensboro Chrysler Classic

1996 SEASON: In 16 starts, Fuzzy earned \$347,629 in 1996, more than double his total of the year before, when he underwent surgery in November on back that bothered him much of 1995...bulk of earnings came at THE PLAYERS Championship...rounds of 66-70-72-67—281 were enough for a tie for fourth place, five strokes behind Fred Couples...he earned \$137,813 for the effort...performance came despite being able to play but six holes day before tournament began due to calcium deposits on knuckle of right ring finger...next top-10 finish came at Greater Greensboro Chrysler Classic, where he tied for seventh...T11 at Memorial Tournament...tied for third at Canon Greater Hartford Open despite opening 75...came back with rounds of 66-66-68...T69 at Las Vegas Invitational featured low round of season, second-round 65 at TPC at Summerlin...tied for fifth with Bob Tway in Greens in Regulation (70.7 percent).

CAREER HIGHLIGHTS: Owner of two major titles, 1979 Masters and 1984 U.S. Open...won Masters on third extra hole of playoff with Ed Sneed and Tom Watson...defeated Greg Norman in 18-hole playoff for U.S. Open victory at Winged Foot...although he has 10 victories to his credit, his most lucrative season came in 1994, a year in which he did not win...set then-TOUR record for earnings without a victory (surpassed by Brad Faxon in 1996) by making \$1,016,804 on strength of five runner-up finishes, the most seconds since Jack Nicklaus and Arnold Palmer had six apiece in 1964...lost playoff to Mark McCumber in season-ending TOUR Championship to earn largest paycheck of career (\$324,000) and eclipse \$1 million mark...first TOUR victory came at 1979 Wickes-Andy Williams San Diego Open...came back from opening 76 to defeat Bill Kratzert, Wayne Levi, Artie McNickle and Tom Watson by five strokes...victory earned invitation to first Masters, which he won...only third player, after Horton Smith (1934) and Gene Sarazen (1935), to win first Masters start...has long history of back trouble, which first became known at 1984 PGA Championship when he was hospitalized before first round...underwent surgery for ruptured discs later that year and was sidelined until Feb. 1985...in third start after return, won Hertz Bay Hill Classic...recorded three wins in 1986: AT&T Pebble Beach National Pro-Am, Sea Pines Heritage Golf Classic and Anheuser-Busch Golf Classic...won 1985 and 1986 Skins Games...winner 1987 Merrill Lynch Shoot-Out Championship...1972 Florida Junior College and 1973 Indiana Amateur champion.

PERSONAL: A gallery favorite for his relaxed approach to the game...known for wearing sunglasses whatever the conditions and whistling...asked if he were looking forward to the Senior TOUR, the 45-year-old said, "Are you kidding? No cut and I get a cart!"...golf course design projects include TPC at Summerlin.

Spyglass Hill GC Par: 36-36—72 Yards: 6,810
Poppy Hills CC Par: 36-36—72 Yards: 6,865

Scheduled for February 1-4, 1996

LEADERS: First Round—Justin Leonard (PH) and John Elliott (PB) each shot 5-under-par 67 to lead 11 players by one stroke. **Second Round**—Jeff Maggert (PB) shot 68 for 8-under-par 136, one stroke better than Steve Jones (SH), Davis Love III (PH) and Loren Roberts (SH). [With only two rounds completed and Spyglass Hill deemed unplayable, the tournament was cancelled Sunday morning, the first since the 1949 Colonial National Invitational to be cancelled and not rescheduled. All players received \$5,000 unofficial money.]

PRO-AM: Called off after two rounds with Howard Clark-Michael Enthoven leading at 20-under-par 124. There was no winning pro-am team.

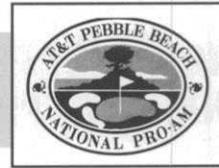

CUT: The tournament was cancelled before the cut could be made. 180 players began competition on Thursday and had completed two rounds prior to the cancellation.

WEATHER: After heavy rain cancelled practice rounds Wednesday, cloudy and cool Thursday and Friday. Rain Friday night and early Saturday left several holes unplayable at Spyglass Hill and Poppy Hills and forced postponement of Saturday's round. After more rain Saturday night and Sunday morning, officials concluded that Spyglass Hill would not be playable Sunday or Monday. The tournament was cancelled.

1996 PGA TOUR QUALIFYING TOURNAMENT

La Purisima GC (Host Course), Lompoc, CA December 4-9, 1996
 Par: 36-36—72 Yards: 7,105
 Sandpiper GC, Goleta, CA
 Par: 36-36—72 Yards: 7,068

A record 1,153 applications were received, with 17 regionals held to reduce the field to 188 players for the final qualifying stage.

The final stage, normally six rounds and 108 holes, was reduced to five rounds. All day rain Monday caused a suspension of play for the day at 10:00 a.m. With La Purisima GC unplayable and rains continuing on Tuesday, the tournament was cancelled and became a 90-hole event.

The top 40 and ties (a total of 49 players) received their PGA TOUR cards for 1997. The remainder became members of the 1997 NIKE TOUR. For seeding purposes, ties were broken based on final-round score. Further ties were broken by matching cards, starting with the 18th hole of the final round.

PGA TOURS INTERNATIONAL FEDERATION

At the 1996 Presidents Cup, golf's five world governing bodies—the PGA TOUR, the PGA European Tour, the PGA TOUR of Southern Africa, the PGA Tour of Australasia and the PGA TOUR of Japan—reached agreement on several key elements of professional golf designed to create new international events post-1998.

Three major initiatives were outlined at Robert Trent Jones Golf Club, site of the second Presidents Cup:

- Formation of the PGA Tours International Federation
- Joint sanctioning by the members of the PGA Tours International Federation of significant competitions, including some at the world championship level, for the game's top players
- A structure for a generally accepted worldwide ranking system

The PGA Tours International Federation is developing a plan for the joint sanctioning of competitions, to be presented to various tours' boards and membership.

The plan will include at least three World Championship events—stroke play, match play and a team competition—all starting in 1999. Dates and details for the three World Championships are to be announced at a later date.

Fields in the World Championship events will be filled primarily through a world ranking system and the PGA Tours International Money List, a compilation of money won on all five tours (expressed in U.S. dollars), which follows on page 4-3.

THE PRESIDENTS CUP

The Presidents Cup Match was conceived as a means of giving many of the world's best (non-European) players an opportunity to compete in international team match play competition.

A biennial event played in non-Ryder Cup years, the first Presidents Cup Match was contested in 1994 at Robert Trent Jones Golf Club on Lake Manassas in Prince William County, VA. The United States Team, captained by Hale Irwin, defeated the International side of David Graham, 20-12.

The United States also won the second Presidents Cup, held September 13-15, 1996, again at Robert Trent Jones GC. Arnold Palmer, no stranger to high-level international competition, had the reins as the U.S. edged Peter Thomson's International Team, 16 1/2-15 1/2. Thomson was assisted by Australian countryman Ian Baker-Finch.

The 1998 Presidents Cup will be staged in Australia, with the event returning to the United States in 2000. At press time, the host city for the third Presidents Cup was expected to be named in early January 1997, with announcement of the 1998 International Team Captain slated to follow later that month. A golf course announcement was anticipated in early February. The Captain of the 1998 U.S. Team and the site for the fourth Presidents Cup were expected to be named prior to or during the 1997 PLAYERS Championship.

Former President Gerald R. Ford presided over the first Presidents Cup Match as Honorary Chairman. Former President George Herbert Walker Bush, like Ford an avid golfer, served as Honorary Chairman for the 1996 Presidents Cup. Australian Prime Minister John Howard has agreed to serve as Honorary Chairman for the 1998 event.

Members of the 1998 U.S. Team will be selected based on official earnings from the start of the 1997 season through the 1998 NEC World Series of Golf and Greater Vancouver Open. All 1998 money will be doubled.

International Team players for the 1998 Presidents Cup will be chosen on the basis of the Sony Ranking at the conclusion of the 1998 NEC World Series and Greater Vancouver Open. International Teams do not include players eligible for the European Ryder Cup Team.

The eligibility rankings are used to select 10 members of each squad. Two Captain's Choices round out the 12-man teams.

The Presidents Cup competition consists of 10 matches—five foursomes and five four-ball matches—each of the first two days. Every member of the two 12-man squads must play each day. All matches are worth one point each, for a total of 32 points.

There are 12 singles matches involving all players on the final Sunday. Each singles match is played to conclusion as needed. No singles matches will be halved until one team has won 16 1/2 points and the overall victory, after which the remaining singles matches may be halved after 18 holes and result in one-half point for each team.

If, at any time, a Presidents Cup Match is deadlocked at the end of singles play, there will be a sudden-death playoff between two players designated in advance by the respective captains.

As is the case with virtually all activity involving the PGA TOUR, charity is the ultimate winner of The Presidents Cup.

There is no purse for the players. Net revenues are divided into equal shares that the players and captains designate for charities or golf-related projects of their choice. Contributions in their names are made through PGA TOUR Charities, Inc.

The 1996 Presidents Cup produced net revenues of \$810,000, or \$30,000 per man for charity.

RYDER CUP MATCHES

The Ryder Cup Matches developed from a match played between representatives of the American and British Professional Golfers' Association in England in 1926. That unofficial match was won by the British 13½ to 1½.

Following this highly successful exhibition, Samuel A. Ryder, a wealthy British seed merchant, offered to donate a solid gold trophy bearing his name to be competed for in a series of matches between professionals of the two nations.

From the start of the series through the 1959 Ryder Cup matches, the competition was comprised of four foursome matches one day and eight singles matches the other day, each at 36 holes.

In 1961, the format was changed to provide for four 18-hole foursomes the morning of the first day and four more that afternoon, then for eight 18-hole singles the morning of the second day and eight more that afternoon. As in the past, one point was at stake in each match, so the total number of points was doubled.

In 1963, for the first time, a day of four-ball matches augmented the program to add new interest to the overall competition. This brought the total number of points to 32.

In 1977, the format was altered once again. This time there were five foursomes on the opening day, five four-ball matches on the second day, and 10 singles matches on the final day. This reduced the total number of points to 20.

For 1979, eligibility for the Great Britain-Ireland side was expanded to include all PGA European Tour members who are residents of European nations.

The 1997 Ryder Cup Matches will be played September 26-28 at Valderrama, Costa del Sol, Spain.

THE RYDER CUP

The 1997 U.S. Ryder Cup Team will be selected by Ryder Cup points earned from the beginning of 1996 through the 1997 PGA Championship. The top 10 point-getters qualify for the 12-man team. U.S. Captain Tom Kite will choose two players to complete the team. Seve Ballesteros is captain of the European side, the first 10 players for which will be selected on the basis of points accumulated from the 1996 Canon European Masters through August 24, 1997. Ballesteros also will make two captain's choices.

Points for the U.S. team will be awarded to the first 10 positions in each PGA TOUR event on the following basis, with points weighted toward the 1997 season:

PGA Championship, U.S. Open, Masters Tournament and the British Open (1996/1997): 1st—225/300; 2nd—135/180; 3rd—120/160; 4th—105/140; 5th—90/120; 6th—75/100; 7th—60/80; 8th—45/60; 9th—30/40; 10th—15/20.

All other PGA TOUR events (1996/1997): 1st—75/150; 2nd—45/90; 3rd—40/80; 4th—35/70; 5th—30/60; 6th—25/50; 7th—20/40; 8th—15/30; 9th—10/20; 10th—5/10.

If a player who is ineligible finishes in one of those positions, no points will be awarded for that position. In order to be eligible, a player must be a U.S. citizen and a member of the PGA of America.

ANDERSEN CONSULTING WORLD CHAMPIONSHIP OF GOLF

The winner of the second Andersen Consulting World Championship of Golf was determined January 4-5, 1997 at Grayhawk Golf Club in Scottsdale, AZ.

The four semifinalists (and their regions) were Scott Hoch (United States), Greg Norman (International), Hisayuki Sasaki (Japan) and Sam Torrance (Europe). The champion earned \$1 million from the total purse of \$3.65 million.

England's Barry Lane, the first Andersen Consulting World Championship of Golf champion, was crowned at Grayhawk on December 31, 1995. Lane prevailed over a field that included David Frost (International), Masy Kuramoto (Japan) and Mark McCumber (United States).

The Andersen Consulting World Championship of Golf is an international match-play competition designed to determine, as was said when the event was announced, "the best professional golfer in the world."

Eight players from each of the four regions comprise its 32-man field. Seven players from each region are invited based on the Sony Ranking. The eighth competitor in each region, a sponsor's invitation, is seeded eighth.

The Andersen Consulting World Championship of Golf is sanctioned by all five of the world's major tours—the PGA TOUR, PGA European Tour, PGA Tour of Japan, PGA Tour of Australasia and the PGA Tour of Southern Africa.

The schedule of matches for 1997 is as follows:

| Dates | Championship | Site |
|-------------------|----------------------------|---|
| March 1-2 | Japan Championship | Golden Palm Country Club Kagoshima, Japan |
| April 21-22 | U.S. Championship | Reynolds Plantation Great Waters Course Lake Oconee, GA |
| May 19-20 | European Championship | Buckinghamshire Golf Club Denham, England |
| July 28-29 | International Championship | Blackwolf Run River Course Kohler, WI |
| January 3-4, 1998 | World Finals | Grayhawk Golf Club Scottsdale, AZ |

ESPN will provide a minimum of 39.5 hours of coverage of the 1997 Andersen Consulting World Championship of Golf. The ESPN slate includes live coverage of the U.S. semifinals/championship, International first round and the World Championship semifinals.

ABC Sports will air the World Championship match live on January 4, 1998.

The Andersen Consulting matches will be seen in 140 countries and territories, with more than 300 hours of worldwide television coverage reaching approximately 210 million homes. In addition to ABC and ESPN, the competition will be shown by Sky Sports (United Kingdom), NBC Super Channel (Pan European), NHK-BS1 (Japan) and ESPN International (Latin America, Middle East, Africa, Australia, New Zealand, Central America and South America).

SONY RANKING

Originally formulated in 1986, the Sony Ranking is a computerized system that provides a reference source to the relative performance of the world's leading professional golfers. The intent is to have a single system under which players on the various tours worldwide can be ranked.

The Sony Ranking is issued every Monday, following completion of the previous week's tournaments from around the world. The official events from the world's leading tours are taken into account.

Points generally are awarded according to the players' finishing positions and are related to the number and ranking of the players in the respective tournament fields. However, the Masters Tournament, U.S. Open, British Open, PGA Championship and THE PLAYERS Championship are rated separately to reflect the higher quality of the events and the stronger fields participating.

The Sony Ranking is based on a two-year "rolling" period, with the points accumulated in the most recent 52-week period doubled.

Each player is then ranked according to his average points per tournament, which is determined by dividing his total number of points by the number of tournaments he has played over that two-year period. There is a minimum requirement of 20 tournaments for each 52-week period.

For example, if a player were in 32 tournaments in the most recent 52 weeks and 15 events in the previous 52 weeks, his divisor would be 52 (32 plus 20). A player who was in 32 tournaments in each year would have a divisor of 64 (32 plus 32).

The winners of the Masters, U.S. Open, British Open and PGA Championship are awarded 50 points (doubled to 100 in current year). THE PLAYERS Championship is among several tournaments at the next level whose winner is awarded 40 points (80 in the current year). The winner of a tournament with a relatively strong field would receive approximately 25-30 points (50-60 in current year).

The Sony Ranking International Advisory Committee, a worldwide panel which includes a representative from the PGA TOUR, meets periodically to review and monitor the Sony Ranking system in order to recommend refinements or modifications for the consideration of the Championship Committee of the Royal and Ancient Golf Club of St. Andrews, the sanctioning body of the Sony Ranking.

The Sony Ranking is available each week at PGA TOUR sites. The top 20 as of December 15, 1996 was as follows:

| POS. | PLAYER | AVERAGE | POS. | PLAYER | AVERAGE |
|------|-------------------|---------|------|-----------------|---------|
| 1. | Greg Norman | 10.78 | 11. | Corey Pavin | 3.94 |

BYRON NELSON AWARD

The Byron Nelson Award was presented on the PGA TOUR for the first time in 1995 to honor the PGA TOUR's scoring leader. It also was presented retroactively to those who have led in scoring since 1980, when the PGA TOUR began charting statistics.

The Byron Nelson Award is based on the same adjusted scoring average as the PGA's Vardon Trophy for scoring excellence. The adjusted score is computed from the average score of the field at each tournament. As a result, a player's score may be higher or lower than his actual score.

In order to qualify for the Byron Nelson Award, a player must compete in a minimum of 50 official rounds on the PGA TOUR. Should a player be disqualified or withdraw from a tournament during a round, he is not dropped from the standings (as is the case with the Vardon Trophy). The PGA of America's requirement is a minimum of 60 rounds for Vardon Trophy consideration.

The Byron Nelson Award also has been given each year since 1983 to the scoring leader on the Senior PGA TOUR.

VARDON TROPHY

The Vardon Trophy, named in honor of famed British golfer Harry Vardon, was placed in competition among American professionals in 1937. It was the successor to the Harry E. Radix Trophy, which had been awarded annually to the professional having the finest tournament record in the U.S. The Vardon Trophy is a bronze-colored plaque measuring 39" by 27" and features sculpted hands replicating Vardon's famed overlapping grip.

From 1947 to 1987, the Vardon Trophy was awarded to the professional golfer with the lowest scoring average. In 1988, the criteria was adjusted to award the Vardon Trophy to the touring professional with the lowest adjusted scoring average. It is based on a minimum of 60 official rounds in events cosponsored or approved by the PGA TOUR, with no incomplete rounds (i.e. stipulated rounds as defined by the Rules of Golf, as approved by the USGA and the Royal & Ancient Golf Club of St. Andrews, Scotland).

The adjusted score is computed from the average score of the field at each tournament. As a result, a player's adjusted score may be higher or lower than his actual score. For example, a player shoots 70 each day at a tournament while the field average was 73. His 280 total would then be adjusted to 268, since he actually played 12 shots better than the field during the tournament.

Any player with an incomplete round will be ineligible to win the Vardon Trophy.

SECTION 8

PGA TOUR LICENSING

Beginning in 1995, the PGA TOUR embarked on a comprehensive licensing program to further expand the presence of the organization.

On the domestic side, a joint venture between **Battle Enterprises** and **The Paradies Shops** resulted in the creation of PGA TOUR Licensing. The goal of PGA TOUR Licensing is to further expand the American public's awareness of the PGA TOUR and to establish the TOUR as a leading golf brand of consumer products.

The 1996 season marked the introduction of merchandise from the PGA TOUR family of licensees, including the debut of PGA TOUR Apparel in conjunction with the 1996 Presidents Cup. PGA TOUR Apparel, manufactured by **Russell Corporation**, was the official uniform supplier for the international competition. Other licensees to come on-line in 1996 included **Fownes, Burton, Team Effort, Sun Mountain, Fort, Mark-It** and **on in two Publications**. Additional licensees for 1997 include **Solargenics, Kingport Luggage** and the launch of the PGA TOUR merchandise catalog.

Correlated to the expansion of the TOUR's licensing activity is the continued growth of the PGA TOUR Shops. Operated by The Paradies Shops, there are now 23 PGA TOUR Shops across the United States, including the flagship location in the Jacksonville (FL) International Airport.

International licensing efforts are in the embryonic stages as the TOUR seeks to capitalize on the appeal of PGA TOUR golf in the international arena. The licensing direction will be specific to each individual international market to assure that the quality image of the TOUR, its tournaments and players is properly communicated. Initial steps have been to expand PGA TOUR Shops into international markets, with further expansion in 1997 of both the shops and consumer products into Europe, the Pacific Rim and South Africa.

ANHEUSER-BUSCH

One of golf's most enduring corporate supporters, Anheuser-Busch—through its Michelob and O'Doul's brands—is one of the PGA TOUR's leading sponsors.

MICHELOB

Michelob's association with golf dates back more than 30 years. Its involvement escalated following the 1994 signing of a five-year sponsorship agreement with the PGA TOUR.

Now in its fourth year as "Official Sponsor of the PGA TOUR and Senior PGA TOUR," Michelob has been a leading example of how a consumer brand can benefit from a strong and integrated relationship with the PGA TOUR. The demographics of golf match well with the premium Michelob brand and provide a perfect opportunity for Michelob to market its product through grassroots retail promotions, golf-themed packaging and advertising, PGA TOUR tournament sponsorships and national programs. The brand also extends its relationship to the tournament level, supporting on-site promotions with its partner O'Doul's, by offering spectators the chance to test their skills on interactive exhibits. Michelob also is a founding sponsor of **pgatour.com**, the PGA TOUR's new Internet site. This interactive web site features links to the "19th Hole," which includes trivia contests, promotional games and much more.

As a title sponsor of the Michelob Championship at Kingsmill and presenting sponsor of the season-ending TOUR Championship, Michelob truly has emphasized its commitment to golf. Its association with the game has been a pivotal factor in Michelob's unprecedented turnaround success in the premium-plus beer category.

CENTINELA FITNESS CENTER

The "Official Hospital of the PGA TOUR" since 1984, Centinela Hospital Medical Center in Inglewood, CA continues to sponsor the Centinela Hospital Player Fitness Center (CHPFC) on TOUR.

One of the TOUR's most popular innovations, the CHPFC is a mobile gymnasium that includes state-of-the-art exercise equipment, television, stereo, three treatment tables, various physical therapy modalities and a full line of vitamins.

Staffed by qualified physical therapists, the CHPFC travels to the vast majority of TOUR events across the country, providing both rehabilitative and preventive care for TOUR members.

During its 14 years on TOUR, the Centinela Hospital Player Fitness Center has attracted the interest of virtually every player, with at least 80 percent using the mobile unit on a regular basis. Housed in a 45-foot-long trailer (expandable to 24 feet wide when parked), the Centinela Hospital Player Fitness Center enables TOUR professionals to maintain peak levels of performance, at absolutely no cost to the individual players.

According to Dr. Frank Jobe, Medical Director of the PGA TOUR and team physician of the Los Angeles Dodgers, "Centinela Hospital Medical Center provides each player with a personal physical conditioning program based on that individual's current level of conditioning." Dr. Jobe works with Dr. Lewis Yocum, Assistant Medical Director of the PGA TOUR and orthopedic consultant for the California Angels.

The CHPFC has made its impact, with many players finding the center and available technicians an invaluable aid to their success on TOUR. In fact, many players have commented that they would have been unable to compete in some tournaments without the facility.

Centinela Hospital Medical Center's Biomechanics Laboratory has done research and testing on professional golfers' swings and, based on the results, developed scientific exercise programs that are available through books and videotapes. These programs, designed by Dr. Jobe and Dr. Yocum, have helped countless golfers stretch their potentials while minimizing the risk of injury. For more information, contact Centinela Hospital Medical Center.

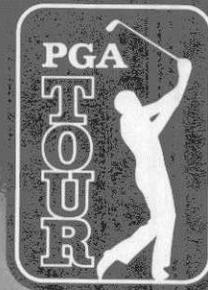

Bayer Aspirin supports the Centinela Hospital Player Fitness Centers by providing players with one of the leading pain-relievers on the market. Bayer conducts consumer sampling at tournaments and explores new ways to provide better healthcare products for golfers. **ReSource**, "the Official Nutritional Drink of the PGA TOUR," also is available for players in the fitness center.

The products contributed by sponsors of the Centinela Hospital Player Fitness Centers have helped make the facility such a success that a similar fitness van has been operating on the Senior PGA TOUR since 1986.

CHARITY AND THE TOUR

SECTION 9

ALL-TIME CHARITY DONATIONS TOPPED \$300 MILLION IN '96

By establishing another one-year record of \$29.3 million in 1996, PGA TOUR tournaments have raised more than \$300 million for charity all-time.

"The contributions TOUR events make to worthy local causes have put our organization in a unique position among professional sports," Commissioner Tim Finchem said. "Our players and tournaments take a great deal of pride in the \$300 million milestone because it is evidence of a true commitment to help people less fortunate than ourselves.

"Putting something back into the communities in which our events are played is at the very heart of our structure. Golf is very successful, and we are happy to share that success," Finchem added.

The overall total since the first charity donation was made in 1938 stands at more than \$305 million. The previous single-year record of nearly \$25.5 million was established in 1995.

"The \$300 million milestone and this most recent season charity record are tributes to the thousands of volunteers who make our events go," said Mike Stevens, president of the Professional Golf Tournaments Association (PGTA). "The tournaments are very proud to be part of this tradition of charitable contributions."

Finchem noted that more than half the all-time total, \$164.3 million, was raised in the decade of the '90s.

"We believe that the old saying, 'success is a journey, not a destination,' is true when it comes to the TOUR and charity," Finchem said. "We are pleased with what we have been able to accomplish for charity while also improving the earnings potential for our players, but we think more is possible in both areas."

TOURNAMENT PLAYERS CLUBS

Tournament Players Club

The PGA TOUR's Tournament Players Club Network represents a commitment to service and excellence unsurpassed in the golf industry.

Owned, operated or licensed by TOUR subsidiary PGA TOUR Golf Course Properties, Inc., the TPC Network continues to grow domestically and overseas, with nearly 25 facilities open and more on the way.

Throughout its brief history, the TPC Network has maintained the high standards that set it apart from other golf facilities. Whether private, daily fee or resort, each Tournament Players Club embodies the traits that have been a trademark since the TPC at Sawgrass opened its world-renowned Stadium Course in the fall of 1980.

As the flagship facility, the TPC at Sawgrass still is recognized as a creative landmark in both concept and design, offering the highest standards not only for tournament golf, but also member and guest services.

The TPC at Sawgrass has remained a leader in operational and environmental achievement, evidenced by the number of awards it receives annually. The subsequent TPCs have followed that lead, regularly earning state and national recognition.

This commitment to excellence serves as the foundation for the Network's overall success. It is reflected not only in the member clubs, which are owned and/or operated by PGA TOUR Golf Course Properties, but also in the three domestic licensed courses (TPC at PGA West, TPC at Las Colinas and TPC at The Woodlands) and licensed facilities overseas. Licensing arrangements provide TPC members with varying degrees of playing privileges, although PGA TOUR Golf Course Properties does not own or operate these facilities.

It was all part of former Commissioner Deane Beman's vision to provide PGA TOUR players with quality golf courses that also would offer the ultimate in viewing pleasure with spectator mounds and grass "bleachers."

Moreover, Beman reasoned, development of quality facilities would alleviate the TOUR's dependency on the television dollar while providing rent-free venues for tournaments. The savings in rent, in turn, would generate greater charitable contributions by the tournaments held at TPCs.

The TPC at Sawgrass became the first Tournament Players Club to hold a PGA TOUR event, becoming the permanent home of THE PLAYERS Championship in 1982. Others soon followed.

Fifteen tournaments on either the PGA TOUR or Senior PGA TOUR were held on TPC courses in 1996. And history was made in November 1995, when the TPC at Mission Hills near Shenzhen became the first facility to play host to a major golf competition in the People's Republic of China, the 41st World Cup of Golf.

Some of the top architects in the business have lent their talents to the design of these facilities, including Pete Dye, Arnold Palmer, Jack Nicklaus, Arthur Hills, Jay Morrish, Tom Weiskopf and Bob Von Hagge. And they continue to do so. Tom Fazio is designing the TPC at Myrtle Beach, future home for the Energizer SENIOR TOUR Championship, and Greg Norman's first solo signature course in the U.S. is the TPC at Sugarloaf, new home for the BellSouth Classic.

Recognizing the importance of player input for tournament courses, the TOUR also has secured the services of its members to serve as design consultants. Ben Crenshaw, Fuzzy Zoeller, Chi Chi Rodriguez, Ed Sneed, Hubert Green, Craig Stadler and Al Geiberger have contributed their insight. Most recently, Raymond Floyd served as design consultant for the TPC at The Canyons, new home for the Las Vegas Senior Classic. And Lanny Wadkins is teaming with Fazio at the TPC at Myrtle Beach.

The success of the concept continues as more opportunities arise for Tournament Players Clubs.

HUALALAI: FIRST PGA TOUR RESORT

A PGA TOUR RESORT

A designated PGA TOUR Resort provides the highest quality in a total resort facility: five-star accommodations, a championship golf course capable of holding a TOUR event and other outstanding amenities, such as tennis facilities, health spa and beach.

A PGA TOUR Resort will receive special promotion by the TOUR and be utilized as a destination for certain TOUR business functions.

The first facility to be designated a PGA TOUR Resort, Hualalai on the Big Island of Hawaii embodies the absolute quality and character that has become synonymous with the TOUR.

Hualalai is as unique as it is exclusive, an oceanside resort that provides the total vacation experience. Featuring a five-star Four Seasons hotel, its amenities include an outstanding Jack Nicklaus-designed golf course carved from the dramatic lava landscape, a tennis facility with eight championship courts, a health and wellness center and white-sand beach. Complementing the quality of facilities is the quality of service, preserving the warm ambiance of "Old Hawaii."

The exclusivity of Hualalai is consistent with the very nature of the MasterCard Championship, the tournament that will call it home for years to come. This Senior PGA TOUR tournament, held for the first time at Hualalai in January 1997, is an elite gathering of Senior TOUR champions from the previous season.

Hualalai features a beautiful Jack Nicklaus-designed golf course.

PGA TOUR PRODUCTIONS

PGA TOUR Productions is the television, film and video production company of the PGA TOUR.

Most people know PGA TOUR Productions by its award-winning "Inside the PGA TOUR" and "Inside the Senior PGA TOUR" programs, which are broadcast each week on ESPN and are celebrating their 13th and seventh seasons, respectively. Two new shows joined the schedule in 1996: "This is the PGA TOUR," on Fox Sports International, and "The PGA TOUR Presents," on ESPN International.

Productions is a diverse company delivering a wide range of creative services to an international clientele. Its film capacity has expanded to include production of the TOUR's "Anything's Possible" public service announcement (PSA) campaign, as well as numerous other commercials, tournament and pro-am highlight programs, corporate and promotional sales videos and home videos.

In addition to the "Inside" shows, Productions has developed an expertise in delivering live and live-to-tape golf events, including the Andersen Consulting World Championship of Golf.

PGA TOUR Productions also serves its worldwide clientele by producing, in conjunction with the networks, international live telecasts of select PGA TOUR events. More than 100 million viewers in more than 100 countries enjoy PGA TOUR events and programming enhanced by PGA TOUR Productions.

Along with the latest in television and communications technology, PGA TOUR Productions houses the world's most extensive library of golf footage. In the near future, PGA TOUR Productions will move its headquarters to the World Golf Hall of Fame complex in Florida's St. Johns County.

pgatour.com

(On the Internet at <http://www.pgatour.com>)

After more than a year of strategic and creative development, 1997 marks the debut of pgatour.com, official site of the PGA TOUR on the Internet's World Wide Web. The TOUR is committed to making this online home the most comprehensive golf site in the industry.

The TOUR's first foray into the world of "New Media" is an ambitious undertaking, one that brings the PGA TOUR even closer to its fans in the online world and provides new exposure for the tournaments, players and sponsors on all three TOURs.

Central to the strategy for pgatour.com is that the web site should be a business opportunity that offers new sources of revenue while building the PGA TOUR brand, supporting tournament sponsors and enhancing the existing businesses of the PGA TOUR. With IBM and Anheuser-Busch as Foundation Sponsors of pgatour.com, the TOUR has launched a new business with guaranteed revenues.

Working in conjunction with Saltmine Creative and IBM, the TOUR has ensured that pgatour.com is a site with high quality image that features ease-of-use and state-of-the-art technology. The site is the exclusive online home for true real-time scoring with a dynamic interface for all tournaments on the PGA TOUR and Senior PGA TOUR. It houses the official site for the tournaments from all three TOURs with in-depth information 52 weeks of the year.

There is detailed information and insight from the players, with photos, text, audio clips and video. Weekly features focus on everything from rising talent to international golf. An extensive database puts statistics at the disposal of fans and the media when and how they want it.

But pgatour.com is not just information. It provides entertainment with games and contests. It provides service for individual tournaments and through PGA TOUR Travel. And fans are able to order PGA TOUR merchandise right from their home or office.

While the upscale demographics of the Internet dovetail with the TOUR's own following, the Internet also provides the TOUR with a new means of reaching a younger audience that represents the largest percentage of online users. Equally important, the Internet is a global medium that allows the PGA TOUR to have instant access to a worldwide audience of more than 50 million that is rapidly growing.

pgatour.com is more than just a web site. It's a step toward putting the TOUR in position to take advantage of future developments in interactive media. In creating its own web site, the PGA TOUR can control its online destiny while working both with existing media partners and new companies to adapt to an ever-changing medium.

PGA TOUR RADIO NETWORK

For the first time, the PGA TOUR has a weekly national radio presence.

Starting in March 1997, the PGA TOUR RADIO NETWORK is providing Saturday and Sunday play-by-play coverage of 20-25 tournaments. The PGA TOUR RADIO NETWORK also produces a national weekly one-hour magazine show that spotlights players, personalities and stories on the PGA TOUR, Senior PGA TOUR and NIKE TOUR. Tournament leader board updates also are included Thursday through Sunday for each TOUR event throughout the season.

A PGA TOUR RADIO NETWORK schedule can be found in local listings.

WORLD GOLF VILLAGE

The unified effort to establish an international shrine for golf moves closer to reality with ongoing construction of the World Golf Village and World Golf Hall of Fame in St. Johns County, FL.

Located on 240 acres along Interstate 95, 22 miles south of Jacksonville and eight miles northwest of St. Augustine, this ambitious project promises to have a major impact on several fronts when it opens in the spring of 1998.

The World Golf Village will become a premier tourism, business and golf destination. But its significance extends far beyond state lines. The World Golf Hall of Fame represents the first time in the game's history that all major golf organizations from around the world have joined together to honor the game's great players and contributors.

"The World Golf Village and Hall of Fame will bond the entire golf community through a shrine that appropriately reflects their common love and respect for the game and its traditions," says World Golf Village Executive Director Ruffin Beckwith.

At the heart of the complex will be the 75,000-square-foot World Golf Hall of Fame building, which will be the ultimate in sports museums and halls of fame. Designed by E. Verner Johnson and Associates of Boston, it will house more than 70 separate exhibits, utilizing the latest in technology for an exciting interactive experience. The exhibit design partner is Ralph Appelbaum Associates of New York, the world's premier exhibit design firm.

The Hall of Fame building also will include a 300-seat IMAX theater and, of course, a tribute to all inductees. Individuals previously enshrined at the World Golf Hall of Fame in Pinehurst, NC will be grandfathered into the new facility.

Three other avenues have been established by which professionals can be enshrined in the World Golf Hall of Fame: the LPGA Hall of Fame and the newly created PGA TOUR Hall of Fame and International Ballot, which will conduct annual elections. Johnny Miller became the first player elected through the PGA TOUR ballot last fall.

In addition, a Special Distinction category has been established for amateurs and others making significant contributions to the game.

Annual induction ceremonies will commence once the facility opens promising to bring together dignitaries from throughout the golf world.

Additional amenities at World Golf Village will include a major hotel and conference center, 54 holes of golf and PGA TOUR-licensed Golf Academy, corporate and vacation villas, an upscale shopping area, spa, the new headquarters for PGA TOUR Productions and a Mayo Clinic facility.

But the World Golf Village is intended to be as much an educational experience as it is an attraction. This theme will be conveyed further once the World Golf Library and Resource Center opens in 1999. It also will be evident through the work of the World Golf Foundation, the charitable branch of World Golf Village, Inc., which will receive all proceeds, after operational expenses and reserves.

The World Golf Foundation's charitable mission, on behalf of the supporting golf organizations, is to introduce youth and minorities to the game, and through the golf experience promote scholastic achievement, community service and the values of honesty, integrity and sportsmanship.

The vision is to establish model programs that can be established in locales throughout the world that have not had exposure to the game.

● CHARITABLE MISSION OF THE WORLD GOLF FOUNDATION

World Golf Village, Inc., is a non-profit organization that has received the support of all major golf organizations throughout the world. The World Golf Foundation is the charitable arm of World Golf Village that will receive all proceeds, after operational expenses and reserves.

The World Golf Foundation's charitable mission, on behalf of the supporting golf organizations, is to introduce youth and minorities to the game, and through the golf experience promote scholastic achievement, community service, and the values of honesty, integrity and sportsmanship.

The vision is to establish model programs that can be established in locales throughout the world that have not had exposure to the game.

"While there are many worthwhile programs addressing the issue of increased access for youth and minorities to golf, the World Golf Foundation holds the promise of making a lasting impact on the game by not only introducing people to golf, but by providing lifetime playing opportunities to those previously excluded from participating," said Tim Finchem, PGA TOUR Commissioner and Chairman of the World Golf Village Board of Directors.

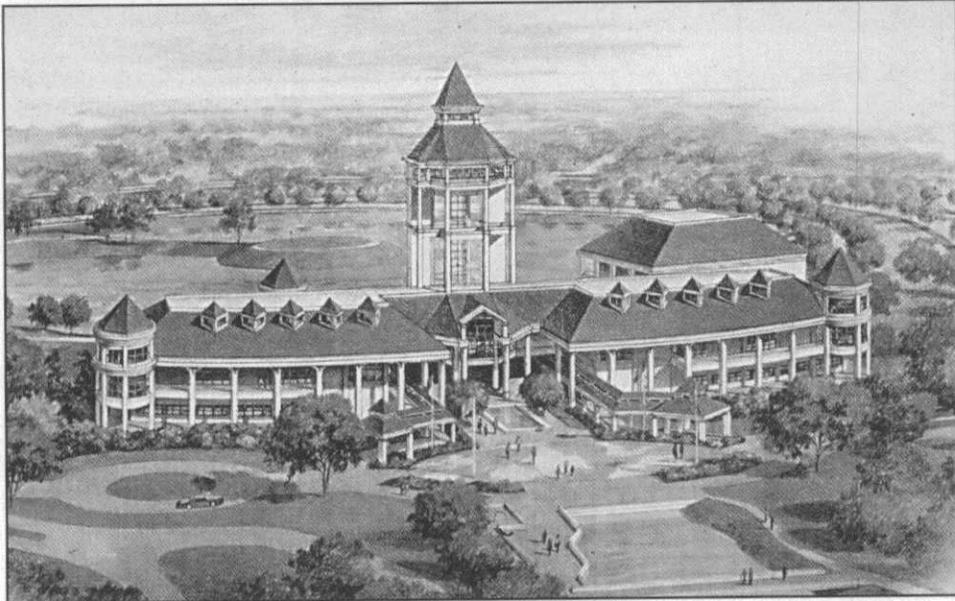

The World Golf Foundation will review existing youth and minority golf programs to determine which models are most effective. It then will develop a menu of model programs that can be implemented in communities based on land availability, existing golf facilities, area needs and the level of support of municipalities and other youth programs.

"Through a fundraising effort, an endowment will be in place where we can add a certain number of these facilities every year and, over a period of time, begin to really impact youth and build in some educational components," explained Ruffin Beckwith, Executive Director of World Golf Village. "We hope to establish internships and scholarships whereby kids are rewarded, not necessarily for being a great player, but for academic commitment and exemplifying the values that golf represents."

SECTION 11

PGA TOUR MEDIA REGULATIONS

General Regulations:

The following regulations are to be followed by *all* members of the media:

1. An armband is necessary to walk inside the gallery ropes. Remain not more than an arm's length from the ropes, so as to blend into the gallery and appear to be a part of the gallery at all times.
2. Players are not to be distracted during play. Do not interview players or ask them to pose for photographs during their rounds.
3. Do not interview players or ask them to pose for photographs during their practice sessions before a round, except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player, up against the ropes and not in the middle of the areas where it could be distracting to other players.
5. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards. Media are not allowed in the scoring tent.

Working Press Regulations:

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day—and others requested—will be interviewed following their rounds in the Press Room interview area.

Tape Recorder Regulations:

1. All tape recorder work should be done in the proximity of the Press Room and/or clubhouse.
2. Tape recorders are not permitted in the locker room.
3. Tape recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

Weather Delay Guidelines:

1. During weather delay situations, no one other than players and essential staff will be permitted in the locker room. This means the media are not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media will be welcome in the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are not permitted in the locker room.)

PHOTOGRAPHY REGULATIONS

Photo credentials will be issued only to personnel on assignment from recognized and accredited publications or news services. Requests for credentials must be made by the appropriate news agency, not by the photographer. PGA TOUR reserves the right to refuse photo credentials in its sole discretion.

Photographic likenesses of PGA TOUR, Senior PGA TOUR and NIKE TOUR players and tournament courses may be used only by the news agency which the photographer represents. Any other use must be approved in advance in writing by PGA TOUR.

Commercial exploitation of player or course photographs without written consent of the players or courses and PGA TOUR is prohibited.

A limited number of photo armbands (or photo bibs), which permit the wearer access inside the gallery ropes, may be issued. Photographers who do not have armbands or bibs must stay outside the gallery ropes. Photographic assistants will not be issued armbands.

Cameras may be used only by accredited media representatives who have been assigned photo credentials, and such use is subject to the following conditions:

6. Noise-free equipment must be used at all times.
7. Cameras are not permitted in the scoring tent or in the locker rooms.

PGA TOUR TRAVEL

Margaret Lewis
Director
PGA TOUR Travel

PGA TOUR Travel was established, with one employee, in 1985. From the beginning, PGA TOUR Travel's function was to assist TOUR players and staff with their numerous travel needs.

Over the years, as the numbers of TOUR staff and members grew, so did PGA TOUR Travel. The TOUR Travel staff now consists of 12 employees, including an agent in the locker room at most tournaments.

Due to weekend demand, PGA TOUR Travel is open seven days a week to help facilitate players' travel needs.

While its primary goal is to serve players and staff, PGA TOUR Travel is a full-service agency open to anyone.

PGA TOUR Travel is located near PGA TOUR Headquarters in Ponte Vedra Beach, FL, in the Sawgrass Village complex. Its street address is 13000 Sawgrass Village Circle, Suite 3.

For service, call PGA TOUR Travel at 904-285-4001.

Nick Faldo came from six strokes off Greg Norman's 54-hole lead to capture his third Masters Tournament.
