A BRIEF HISTORY OF THE PGA TOUR

It is not always easy to discover the exact beginning of something. So it is with the PGA TOUR. Certainly there were professionals who competed against each other from the earliest days of the

In 1895, 10 professional golfers and one amateur played in the first U.S. Open in Newport, RI. Shortly thereafter, tournaments began to pop up across the country. There was the Western Open in

1899. But this was not "tour" golf. The events lacked continuity.

Interest in the game, however, continued to grow. American professionals were rapidly improving. And when John McDermott became the first American-born player to win the U.S. Open, enthusiasm

for the game blossomed.

Adding to this growth was a commercially backed exhibition by Englishmen Harry Vardon and Ted Ray. The duo travelled across the country and attracted good crowds wherever they stopped during the warmer months of 1913. A 20-year-old, Francis Ouimet, defeated the pair in a playoff for the United States Open Championship at Brookline, MA. Suddenly golf became front page news and a game for

In the early 1920s, the PGA TOUR saw its first development. Tournaments were held on the West Coast, Texas and Florida. These events were held in the winter, and the golfers played their way east and up to Pinehurst in the spring. By the middle of the decade, the TOUR was doing relatively well--

offering \$77,000 in total prize money.

The TOUR became more structured following World War II and exploded in the late 1950s and early '60s. Flip through the Facts and Figures and All-Time Records sections of this book and look at such areas as leading money-winners and rising tournament purses to witness the continuing growth

When television became a player in the game, the eyes of the world were on golf. This exposure inspired millions to try the game and, at the same time, TV rights fees sent purses soaring. The bulk of these rights fees, which are distributed by the PGA TOUR to all co-sponsors, have gone back into

the purses, accounting for the tripling of prize money in the last decade.

The touring professionals began to gain control of the TOUR in late 1968. Joseph C. Dey was the first Commissioner of what was then called the Tournament Players Division. He served from early 1969 through February 28, 1974, and was succeeded by Deane R. Beman, who took office March 1, 1974.

During Beman's administration, the value of tournament purses escalated at an unprecedented rate: PGA TOUR assets grew from \$730,000 in 1974 to more than \$200 million, and total revenues

increased from \$3.9 million to \$229 million in 1993.

Timothy W. Finchem, previously the TOUR's Deputy Commissioner and Chief Operating Officer, became third Commissioner on June 1, 1994. In 1995, Finchem undertook a restructuring program designed to strengthen the PGA TOUR's core business, which is its competitions; expand the TOUR's international scope and prepare it to enter the 21st Century. In 1996, Finchem helped to spearhead formation of the PGA Tours International Federation, as golf's five world governing bodies laid the groundwork for taking competition into the 21st Century. In 1997, the Federation announced the World Golf Championships, which will begin with three events—The Andersen Consulting World Match Play, The NEC Invitational and The Stroke Play—in 1999, followed by The World Cup Team in 2000.

Since 1938, PGA TOUR events have donated almost \$340 million to charity. Of that total, almost \$200 million has been raised in the 1990s. One-year charity giving records have been produced

annually since 1992, reaching the high of \$32.9 million in 1997

The competitive scope of the PGA TOUR also is much broader today. The Senior PGA TOUR is considered by many the sports success story of the 1980s. In 1998, the NIKE TOUR will enjoy its ninth season as a proving ground for professionals, taking golf to 30 additional markets and paving the way for the future John Dalys, Jeff Maggerts, Tom Lehmans and David Duvals of the PGA TOUR.

Also continuing to grow is the Tournament Players Club Network. When the PGA TOUR opened the Tournament Players Club at Sawgrass in 1980, it introduced the era of Stadium Golf and recordbreaking attendance. Owned and/or operated by the TOUR, the concept means these courses are the only major league sports arenas owned by the players themselves.

The TPC Network now includes facilities in Japan, Thailand and China, as well as the United

States. And the growth continues.

ED FIORI...continued

1997 SEASON: Finished year 200th on PGA TOUR money list, but will be exempt in 1998 as result of 1996 Quad City Classic victory...after T24 at season-opening Mercedes Championships, made next two cuts...shot 70-68-71-70--279 at Phoenix Open for T34, followed by 77th-place finish at Buick Invitational...opened with 67 at MasterCard Colonial, finishing tied for 68th...shot 70-69-69-70--268, T63 in defense at Quad City Classic title...15th on TOUR in putts per round (28.56).

CAREER HIGHLIGHTS: After enjoying three wins in a four-year span early in his career, had to wait another 14 years, 8 months and 2 days for his fourth, the 1996 Quad City Classic...only Butch Baird, who went 15 years, 5 months and 10 days between his first and second TOUR victories, had a longer drought...stood one stroke out of lead after each of first three rounds...shot closing 67 for two-stroke victory over Andrew Magee...\$216,000 first-prize check was more than he had won in any previous season on TOUR...scored first victory in second season, winning playoff over Tom Weiskopf at 1979 Southern Open...after opening with 74 at 1981 Western Open, closed with 67-69-67 for four-stroke victory over Jim Colbert, Jim Simons and Greg Powers...defeated Tom Kite in playoff to win 1982 Bob Hope Desert Classic...held 36-hole lead at 1994 New England Classic and shared 54-hole lead with David Feherty...finished third after closing 70, four strokes behind winner Kenny Perry...All-American at University of Houston in 1977, the year team won national championship.

PERSONAL: Nicknamed "The Grip" because of his unusally strong grip on the club...while growing up, would sneak onto nine-hole course near home...victory at Quad Cities postponed plans to retire from game and become charter-boat captain.

MERCEDES CHAMPIONSHIPS NOTES

Last year, **Tiger Woods** became the first player to win the Mercedes Championships in his first appearance in the event since **Steve Jones** in 1989.

Jack Nicklaus has won the Mercedes Championships five times (1963-64, 1971, 1973, 1977). Only Sam Snead, with eight Greater Greensboro Open titles and six Miami Open crowns, and Nicklaus, with six Masters Tournament victories, have won a single tournament more often.

Tom Watson won the 1979 and 1980 Mercedes Championships wire-to-wire. Only one player since has won the same tournament wire-to-wire in consecutive years: **Ernie Els**, the 1996 and 1997 Buick Classic champion.

PHOENIX OPEN NOTES

Steve Jones not only set tournament scoring records for 36, 54 and 72 holes but also touched some all-time PGA TOUR records on his way to a 26-under-par 258 in winning the 1997 Phoenix Open. His 16-under 126 tied the TOUR record for the first 36 holes. His 191 total by Saturday night was the second lowest for 54 holes in TOUR history, two shy of John Cook's 189 at the 1996 FedEx St. Jude Classic.

Tiger Woods aced the par-3 16th hole during Round 3 of the 1997 Phoenix Open. It was Woods' second hole-in-one on the PGA TOUR. In 1996, during his professional debut at the Greater Milwaukee Open, Woods recorded an ace during the fourth round.

BUICK INVITATIONAL NOTES

Gene Littler won the 1954 Buick Invitational as an amateur after tying for fourth the year before. It wasn't until 1985 that another amateur won a PGA TOUR event — Scott Verplank at the Western Open.

There have been three wire-to-wire winners of the Buick Invitational, but none since the fourth playing of the tournament in 1955. In 1952, the event's first year, **Ted Kroll** led after each round as he shot 65-69-72-70—276, defeating **Jimmy Demaret** by three strokes. **Tommy Bolt** went wire-to-wire twice, in a three-stroke victory over **Doug Ford** in 1953 and a two-stroke win over **Johnny Palmer** in 1955.

NISSAN OPEN NOTES

Nick Faldo collected his sixth PGA TOUR victory at last year's event. The win marked the third consecutive year in which Faldo has claimed a TOUR title.

The first Nissan Open was held at Riviera CC in 1929. The tournament is the oldest civic-sponsored event on TOUR. Riviera, which has been the venue for 34 Nissan Opens, will return in 1999 after serving as host course for the U.S. Senior Open this year.

The rain-shortened 1993 edition is the only 54-hole Nissan Open. On the other hand, there have been 11 playoffs in tournament history.

The Nissan Open gave Jack Nicklaus an exemption in 1962, when he picked up the first check of his career— \$33.33. In 1992, 16-year-old Tiger Woods shot a 72-75 to miss the cut in his first PGA TOUR start.

Several players have had success in the Nissan Open, but Fred Couples and Corey Pavin always seem to be among the leaders on Sunday. As a professional, Couples has broken par 37 of 63 times, while Pavin is under par in 26 of 50 rounds.

DORAL-RYDER OPEN NOTES

His victory in the 1997 Doral-Ryder Open was Steve Elkington's seventh on the PGA TOUR and also marked the fifth time he had come from behind to win. Elkington trailed by two strokes heading into Sunday's round before closing with a 3-under-par 69. Through that Sunday, Elkington's final-round scoring average in his victories was 67.50.

Elkington took the lead for good early Sunday. He birdied the par-5, 515-yard first hole, then holed a 6-iron from 150 yards for an eagle-2 on the 430-yard third hole. After the eagle, Elkington never trailed.

Robert Floyd, son of Raymond Floyd, beat his father by three strokes over the course of 72 holes at last year's Doral-Ryder Open.

MASTERCARD COLONIAL NOTES

There have been nine wire-to-wire winners at Colonial Country Club. The last was **Ian Baker-Finch**, who led after every round in 1989.

Ben Hogan's five titles at the MasterCard Colonial are tied for fourth among most victories in a single event on the PGA TOUR's all-time records list. Sam Snead won eight Greater Greensboro Chrysler Classics and six Miami Opens. Jack Nicklaus has captured six Masters Tournaments. Walter Hagen, Arnold Palmer, Nicklaus and Hogan all had five wins in individual events.

The greatest come-from-behind victory in Colonial history occurred in the 1994 MasterCard Colonial, when **Nick Price**, trailing **Scott Simpson** by seven strokes Saturday evening, fired a Sunday 64, then beat Simpson in a Monday playoff.

Other than Ben Hogan, no player has won more than two MasterCard Colonial titles. Two-time winners are Billy Casper, Julius Boros, Al Geiberger, Ben Crenshaw, Bruce Lietzke, Lee Trevino and Corey Pavin.

MEMORIAL TOURNAMENT NOTES

The third and final round of the 1997 Memorial Tournament was played over three days, the first round to take that long to complete since the third round of the 1985 Texas Open, which also began on a Saturday and didn't conclude until Monday.

Only four times in PGA TOUR history has a player gone through an entire tournament without missing a fairway, and three of those have occurred at the Memorial Tournament. In 1986 and 1987, Calvin Peete hit 56 of 56 fairways on his way to finishing tied for 57th and tied for 46th, respectively. In 1992, Brian Claar hit all 56 fairways and tied for 26th.

U.S. OPEN NOTES

With his two U.S. Open victories (1994, 1997), Ernie Els became the first foreign-born golfer to win two U.S. Opens since Alex Smith of Scotland won the title in 1906 and 1910.

Last year, **Ernie Els** won the U.S. Open and followed it up with a victory the following week at the Buick Classic, duplicating the feat of **Hale Irwin** seven years earlier.

In the first 94 U.S. Opens, no one shot less than 30 for nine holes. In the next two U.S. Opens, **Neal Lancaster** did it twice — the second nine of the fourth round at Shinnecock Hills GC in 1995 and, the following year, the second nine of the second round at Oakland Hills CC.

FEDEX ST. JUDE CLASSIC NOTES

The last player to win three consecutive starts on the PGA TOUR was Nick Price. In 1993, Price won the Canon Greater Hartford Open, the Motorola Western Open and the FedEx St. Jude Classic in consecutive appearances.

Greg Norman's victory at the 1997 FedEx St. Jude Classic extended the PGA TOUR's longest active winning streak to six years. Norman has at least one TOUR win every year since 1992.

When **Greg Norman** rolled in a 30-foot birdie putt on the 72nd hole to win the 1997 FedEx St. Jude Classic, it marked the third time Norman closed with the dramatic in 18 PGA TOUR victories. Previously, he won the 1990 Doral-Ryder Open and the 1995 NEC World Series of Golf with chip-ins. Both occurred in playoffs.

MOTOROLA WESTERN OPEN NOTES

Mike Brady holds the record for the largest winning margin in Western Open history. He defeated Jock Hutchison, Jr. and Laurie Ayton by 10 strokes at Oakland Hills Country Club in Birmingham, Mich., in 1922. Brady also holds the distinction of being the only host professional to win the tournament.

MacDonald Smith's victory at the 1933 Western Open at Olympia Fields (IL) Country Club was big news. Even bigger news came during the second round, when police arrested one of the competitors, Vincent Garibaldi, while he was playing. Garibaldi was better known — at least to the local authorities - as "Machine Gun Jack" McGurn, who was a hit man for Al Capone.

The last player to win his first PGA TOUR start was Jim Benepe, who defeated Peter Jacobsen by one stroke at the 1988 Western Open.

BRITISH OPEN NOTES

In winning last year's British Open, **Justin Leonard** made up five strokes to **Jesper Parnevik** in the final round, matching the championship record for best comeback by a champion after 54 holes, set by **Jim Barnes** in 1925.

The only player to post a nine-hole score of 28 in British Open history was **Denis Durnian**, who accomplished the feat in 1983 on the front nine at Royal Birkdale.

Harry Vardon (1896, 1903, 1911), J.H. Taylor (1894, 1900, 1913) and Gary Player (1959, 1968, 1974) are the only players to win British Open titles in three different decades.

Jack Nicklaus and Nick Faldo share the record for most rounds in the British Open in the 60s with 33. Although both made the cut at Royal Troon last year, neither player broke 70 in any round.

Henry Cotton set the record for the largest 54-hole lead in British Open history when he took a 10-stroke lead into the final round at Sandwich in 1934. He shot a closing 79, but still defeated **Sidney Brews** by five.

SPRINT INTERNATIONAL NOTES

The Sprint International is the only PGA TOUR event with a "second cut" after the third round. Steve Pate has had the most success in making the second cut, having played in eight Sprint International final rounds. Bruce Lietzke and Tom Watson have reached the final round six times.

Two eight-point double eagles have been recorded at the Sprint International, both in the final round in 1990. Steve Pate used a driver and a 2-iron at the eighth hole; Jim Gallagher, Jr. used a driver and 5-iron at the 17th.

Since 1993, when the 72-hole total first was used to determine the winner, only twice has the champion led entering the final round, and both times it was **Phil Mickelson**. In 1993, Mickelson led by three over **Phil Blackmar** and, last year, he led **Skip Kendall** by five. **Steve Lowery** was four points behind in 1994. **Lee Janzen**, in 1995, and **Clarence Rose**, in 1996, each trailed by three points.

BUICK OPEN NOTES

In the history of the Buick Open, there has been only one wire-to-wire winner. That was **Julius Boros** in 1963, who grabbed a two-stroke lead after an opening-round 66, then posted rounds of 71-68-69 to earn a five-stroke victory over **Dow Finsterwald**.

At the 1987 Buick Open, **Dewey Arnette** tied the PGA TOUR record for most consecutive birdies with eight. **Bob Goalby**, at the 1961 St. Petersburg Open, and **Fuzzy Zoeller**, at the 1976 Quad Cities Open, also posted eight consecutive birdies.

Last year, Vijay Singh trailed by four after three rounds before shooting a closing 66 to win by four. The record for the biggest final-round comeback in Buick Open history is held by Chip Beck. In 1990, he trailed Hale Irwin by eight strokes after 54 holes. A final-round 65 gave Beck a one-stroke victory over Irwin, Fuzzy Zoeller and Mike Donald.

The last player to win a tournament in which he scored a hole in one was **Justin Leonard** at the 1996 Buick Open.

Tom Byrum, who established the Northview G&CC course record with a closing 64 in the inaugural Greater Vancouver Open in 1996, broke his own record with an opening 63 in last year's tournament. P.H. Horgan III matched Byrum with a second-round 63. But their share of the record was short-lived. Joel Edwards closed with a 9-under-par 62, which lifted him into a tie for 12th worth \$27,643.

BELL CANADIAN OPEN NOTES

Don Massengale and Tommy Aaron share the record for the biggest final-round comeback in Bell Canadian Open history. In 1966, Massengale trailed Chi Chi Rodriguez by six strokes after 54 holes. A final-round 66 earned Massengale a three-stroke victory over Rodriguez, who shot 75 and finished second. In 1969, Aaron trailed Sam Snead by six strokes entering the final round. Aaron forced a playoff with Snead with a final-round 64 and won the 18-hole playoff.

Since 1920, the Bell Canadian Open has had four wire-to-wire winners— Leo Diegel (1925), Lawson Little (1936), E.J. Harrison (1949) and Lee Trevino (1977).

In 1919, J. Douglas Edgar won the Canadian Open by 16 strokes over James Barnes, Robert T. Jones, Jr., and Karl Keffer, establishing a PGA TOUR record for largest margin of victory that twice has been equalled, but never has been broken. More recently, Joe Kirkwood, Sr., won the 1924 Corpus Christi Open and Bobby Locke won the 1948 Chicago Victory National Championship by 16 strokes.

CVS CHARITY CLASSIC NOTES

1997 marked the 31st playing of a PGA TOUR event at Pleasant Valley CC. The first TOUR event held there was the Carling World Open, won by **Tony Lema** in 1965.

Every playing of the CVS Charity Classic has been at Pleasant Valley CC. Only 12 events on the PGA TOUR have had every playing on the same course.

With the exception of the U.S. Open, which has an 18-hole playoff, the longest playoff on the PGA TOUR since 1983 occurred at the CVS Charity Classic in 1991. **Bruce Fleisher** defeated **lan Baker-Finch** in a seven-hole playoff. Baker-Finch went on to win the British Open the next week.

Pleasant Valley is one of only two courses on the PGA TOUR to begin with a par-3 hole. Westchester CC (home of the Buick Classic) is the other.

No one has won the CVS Charity Classic twice.

In 1993, Paul Azinger became the first Massachusetts native to win the CVS Charity Classic.

1997 PGA TOUR QUALIFYING TOURNAMENT

Grenelefe Golf and Tennis Resort, Grenelefe, FL West Course - Par: 36-36—72 Yards: 7,301 South Course - Par: 36-35—71 Yards: 6,717

December 3-8, 1997

Approximately 1,200 applications were received, with 11 first-stage regionals and six secondstage regionals held to reduce the field to 168 players for the final qualifying stage, which was six rounds with no cut.

There were two weather delays during the tournament. The second-round start time on Thursday was delayed from 8:30 a.m. until noon due to rain, and the 8:30 a.m. start time for Sunday's fifth round was delayed 30 minutes due to frost.

The top-35 players and ties (a total of 38) received their PGA TOUR cards for 1998. The next 77 finishers earned fully exempt NIKE TOUR cards for 1998, and the balance of the field earned conditional NIKE TOUR status for 1998.

1997 PGA TOUR SENIOR PGA TOUR LPGA Tour

PGA TOURS INTERNATIONAL FEDERATION / WORLD GOLF CHAMPIONSHIPS

At the 1996 Presidents Cup, golf's five world governing bodies — the PGA TOUR, PGA European Tour, Southern Africa PGA Tour, PGA Tour of Australasia and PGA Tour of Japan — reached agreement on several key elements of professional golf designed to create new international events post-1998.

Three major initiatives were outlined at Robert Trent Jones Golf Club, site of the second Presidents Cup:

- Formation of the PGA Tours International Federation
- Joint sanctioning by the members of the PGA Tours International Federation of significant competitions, including some at the world championship level, for the game's top players
- A structure for a generally accepted worldwide ranking system

Those "significant competitions" were announced last October when the Federation introduced four World Golf Championships, three of which will start in 1999.

The jointly sanctioned championships — The Andersen Consulting Match Play, The NEC Invitational, The Stroke Play and The World Cup Team — will feature players from around the world competing against each other. The events will have premier purse levels and will rotate through a variety of outstanding venues worldwide, roughly half in the United States and half in other venues represented by PGA Tours International Federation member tours.

The World Golf Championships have been developed to enhance the competitive structure of professional golf worldwide while preserving the traditions and strengths of the individual tours and their events.

NEC USA and Andersen Consulting were the first two major sponsors to become affiliated with the World Golf Championships.

Fields in the World Golf Championships will be filled primarily through the Official World Golf Ranking, which is endorsed by all of the sport's major professional organizations and governing bodies. Also part of the equation is the PGA Tours World Money List, a compilation of money won on all five tours, expressed in U.S. dollars (an end-of-1997 World Money List appears on page 4-4).

Events of the World Golf Championships

Coverage in more than 120 countries worldwide for each event

Prize Money

Prize money awarded will be considered official on the respective money lists of each of the five tours. In addition, contestants will earn world ranking points.

THE PRESIDENTS CUP

The Presidents Cup Match was developed to give many of the world's best (non-European) players an opportunity to compete in international team match play competition.

A biennial event played in non-Ryder Cup years, the first Presidents Cup Match was contested in 1994 at Robert Trent Jones Golf Club on Lake Manassas in Prince William County, VA. The United States Team, captained by Hale Irwin, defeated the International side of David Graham, 20-12.

The United States also won the second Presidents Cup, held September 13-15, 1996, again at Robert Trent Jones GC. Arnold Palmer, no stranger to high-level international competition, had the reins as the U.S. edged Peter Thomson's International Team, 16 1/2-15 1/2. Thomson was assisted by Australian countryman Ian Baker-Finch.

The 1998 Presidents Cup will be staged in Australia, with the event returning to Robert Trent Jones GC in 2000. The 1998 competition will be held at Royal Melbourne Golf Club in Melbourne, Australia the week of December 7-13. Jack Nicklaus will serve as Captain of the U.S. Team, while Thomson returns for the Internationals.

Former President Gerald R. Ford presided over the first Presidents Cup Match as Honorary Chairman. Former President George Herbert Walker Bush, like Ford an avid golfer, served as Honorary Chairman for the 1996 Presidents Cup. Australian Prime Minister John Howard is Honorary Chairman for the 1998 event.

Members of the 1998 U.S. Team will be selected based on official earnings from the start of the 1997 season through the 1998 TOUR Championship. All 1998 money will be doubled.

International Team players for the 1998 Presidents Cup will be chosen on the basis of the Official World Golf Ranking at the conclusion of THE TOUR Championship. The International Team does not include players eligible for the European Ryder Cup Team.

The eligibility rankings are used to select 10 members of each squad. Two Captain's Choices round out the 12-man teams.

The Presidents Cup competition consists of 10 matches—five foursomes and five four-ball matches—each of the first two days. Every member of the two 12-man squads must play each day. All matches are worth one point each, for a total of 32 points.

There are 12 singles matches involving all players on the final Sunday. Each singles match is played to conclusion as needed. No singles matches will be halved until one team has won 16 1/2 points and the overall victory, after which the remaining singles matches may be halved after 18 holes and result in one-half point for each team.

If, at any time, a Presidents Cup Match is deadlocked at the end of singles play, there will be a sudden-death playoff between two players designated in advance by the respective captains.

As is the case with virtually all activity involving the PGA TOUR, charity is the ultimate winner of The Presidents Cup.

There is no purse for the players. Net revenues are divided into equal shares that the players and captains designate for charities or golf-related projects of their choice. Contributions in their names are made through PGA TOUR Charities, Inc.

The 1996 Presidents Cup produced net revenues of \$810,000, or \$30,000 per man for charity.

RYDER CUP MATCHES

The Ryder Cup Matches developed from a match played between representatives of the American and British Professional Golfers' Association in England in 1926. That unofficial match was won by the British $13\frac{1}{2}$ to $1\frac{1}{2}$.

Following this highly successful exhibition, Samuel A. Ryder, a wealthy British seed merchant, offered to donate a solid gold trophy bearing his name to be competed for in a series of matches between professionals of the two nations.

From the start of the series through the 1959 Ryder Cup matches,

the competition was comprised of four foursome matches one day and eight singles matches the other day, each at 36 holes.

RYDER CUP

In 1961, the format was changed to provide for four 18-hole foursomes the morning of the first day and four more that afternoon, then for eight 18-hole singles the morning of the second day and eight more that afternoon. As in the past, one point was at stake in each match, so the total number of points was doubled.

In 1963, for the first time, a day of four-ball matches augmented the program to add new interest to the overall competition. This brought the total number of points to 32.

In 1977, the format was altered once again. This time there were five four-somes on the opening day, five four-ball matches on the second day, and 10 singles matches on the final day. This reduced the total number of points to 20.

For 1979, eligibility for the Great Britain-Ireland side was expanded to include all PGA European Tour members who are residents of European nations.

The 1999 Ryder Cup Matches will be played at The Country Club in Brookline, MA. Ben Crenshaw is Captain of the 1999 U.S. Ryder Cup Team.

THE RYDER CUP

The 1999 U.S. Ryder Cup Team will be selected by Ryder Cup points earned from the beginning of 1998 through the 1999 PGA Championship. The top 10 point-getters qualify for the 12-man team. U.S. Captain Ben Crenshaw will choose two players to complete the team. The first 10 players for the European side will be selected on the basis of points accumulated over a yet-to-be specified time frame. The European captain also had not been announced at press time, but he also will make two captain's choices.

Points for the U.S. team will be awarded to the first 10 positions in each PGA TOUR event on the following basis, with points weighted toward the 1999 season:

PGA Championship, U.S. Open, Masters Tournament and the British Open (1998/1999): 1st—225/300; 2nd—135/180; 3rd—120/160; 4th—105/140; 5th—90/120; 6th—75/100; 7th—60/80; 8th—45/60; 9th—30/40; 10th—15/20.

All other PGA TOUR events (1998/1999): 1st—75/150; 2nd—45/90; 3rd—40/80; 4th—35/70; 5th—30/60; 6th—25/50; 7th—20/40; 8th—15/30; 9th—10/20; 10th—5/10.

If a player who is ineligible finishes in one of those positions, no points will be awarded for that position. In order to be eligible, a player must be a U.S. citizen and a member of the PGA of America.

WORLD CUP OF GOLF

Padraig Harrington and Paul McGinley, representing Ireland, won their country's second World Cup of Golf championship by five strokes at The Ocean Course on Kiawah Island, SC. Harrington and McGinley's victory in the 1997 competition followed by 29 years Harry Bradshaw and Christy O'Connor's win in 1958.

Colin Montgomerie and Raymond Russell of Scotland finished second, while Davis Love III and Justin Leonard of the United States were third, six strokes behind the winners.

The World Cup of Golf features competition among 32 teams from around the globe. Fred Couples and Davis Love III won a record four consecutive World Cups for the United States from 1992-95. Jack Nicklaus and Arnold Palmer also won four times, in 1963-64 and 1966-67.

The 44th World Cup of Golf will be played this year at Gulf Harbour Resort and Country Club in Auckland, New Zealand. Dates of the 1998 competition are November 19-22.

ANDERSEN CONSULTING WORLD CHAMPIONSHIP OF GOLF

The winner of the third Andersen Consulting World Championship of Golf will be determined January 3-4, 1998 at Grayhawk Golf Club in Scottsdale, AZ.

The four semifinalists (and their regions) are Davis Love III (United States), Ernie Els (International), Hajime Meshiai (Japan) and Colin Montgomerie (Europe). The champion will earn \$1 million from the total purse of \$3.65 million.

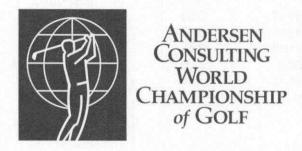

England's Barry Lane, the first Andersen Consulting World Championship of Golf champion, was crowned at Grayhawk on December 31, 1995. Lane prevailed over a field that included David Frost (International), Massy Kuramoto (Japan) and Mark McCumber (United States).

International champion Greg Norman won the second Andersen Consulting World Championship on January 5, 1997 at Grayhawk. Norman defeated Scott Hoch (United States), 1-up. The other members of the championship field were Hisayuki Sasaki (Japan) and Sam Torrance (Europe).

The January 1998 competition marks the final edition of the Andersen Consulting World Championship of Golf, an international match-play event designed to determine "the best professional golfer in the world."

Eight players from each of the four regions comprised its 32-man field. Seven players from each region were invited based on the Official World Golf Ranking. The eighth competitor in each region, a sponsor's invitation, was seeded eighth.

The Andersen Consulting World Championship of Golf has been sanctioned by all five of the world's major tours—the PGA TOUR, PGA European Tour, PGA Tour of Japan, PGA Tour of Australasia and Southern Africa PGA Tour.

OFFICIAL WORLD GOLF RANKING

The Official World Golf Ranking, which is endorsed by the four major championships and five professional tours that make up the PGA Tours International Federation, is issued every Monday following the completion of the previous week's tournaments from around the world.

The events from the five professional tours — the PGA TOUR, PGA European Tour, Southern Africa PGA Tour, PGA Tour of Australasia and PGA Tour of Japan — all are taken into account and points generally are awarded according to the players' finishing positions and are related to the number and ranking of the players in respective tournament fields (event "ratings"). However, the four major championships are rated separately to reflect the higher quality of the events, together with THE PLAYERS Championship in the United States. In addition, the Volvo PGA Championship in Europe and the Australian and Japan Open Championships are allocated higher minimum points levels to reflect their status.

The World Ranking points for each player are accumulated over a two-year "rolling" period, with the points awarded in the most recent 52-week period doubled. Each player then is ranked according to his average points per tournament, which is determined by dividing his total number of points by the tournaments he has played over that two-year period. There is a minimum requirement of 20 tournaments for each 52-week period.

The winners of the Masters Tournament, U.S. Open, British Open and PGA Championship are awarded 50 points (30 points for second place, 20 for third, 15 for fourth, down to a single point for a player completing the final round), and the winner of THE PLAYERS Championship is awarded 40 points (points are awarded down to 50th place). The Volvo PGA Championship has a minimum 32 points for the winner (points down to 40th place). Minimum points levels for the winners of official Tour events have been set at six points for Southern Africa (points to ninth place), eight points for Australasia and Japan (points to 12th place), and 10 points for Europe and the United States (points to 14th place). In addition, the Open Championships of Australia and Japan have a minimum of 16 points for the winner (down to a single point for 21st place).

Points are reduced proportionately for tournaments reduced to 36 or 54 holes because of inclement weather or other reasons.

The Official World Golf Ranking is available each week at PGA TOUR sites. The top 20 as of December 15, 1997 was as follows:

PGA TOUR VICTORIES BY NIKE TOUR ALUMNI

When David Duval won his final three PGA TOUR events of the 1997 season, he became the 24th NIKE TOUR alumnus to win on the PGA TOUR. John Daly started the trend. A member of the inaugural NIKE TOUR (then called the Ben Hogan Tour) in 1990, Daly won the 1991 PGA Championship as a PGA TOUR rookie. Through 1997, NIKE TOUR alumni have won 39 times, including 10 times last year.

BYRON NELSON AWARD

The Byron Nelson Award was presented on the PGA TOUR for the first time in 1995 to honor the PGA TOUR's scoring leader. It also was presented retroactively to those who have led in scoring since 1980, when the PGA TOUR began charting statistics.

The Byron Nelson Award is based on the same adjusted scoring average as the PGA's Vardon Trophy for scoring excellence. The adjusted score is computed from the average score of the field at each tournament. As a result, a player's score may be higher or lower than his actual score.

In order to qualify for the Byron Nelson Award, a player must compete in a minimum of 50 official rounds on the PGA TOUR. Should a player be disqualified or withdraw from a tournament during a round, he is not dropped from the standings (as is the case with the Vardon Trophy). The PGA of America's requirement is a minimum of 60 rounds for Vardon Trophy consideration.

The Byron Nelson Award also has been given each year since 1983 to the scoring leader on the Senior PGA TOUR.

VARDON TROPHY

The Vardon Trophy, named in honor of famed British golfer Harry Vardon, was placed in competition among American professionals in 1937. It was the successor to the Harry E. Radix Trophy, which had been awarded annually to the professional having the finest tournament record in the U.S. The Vardon Trophy is a bronze-colored plaque measuring 39" by 27" and features sculpted hands replicating Vardon's famed overlapping grip.

From 1947 to 1987, the Vardon Trophy was awarded to the professional golfer with the lowest scoring average. In 1988, the criteria was adjusted to award the Vardon Trophy to the touring professional with the lowest adjusted scoring average. It is based on a minimum of 60 official rounds in events cosponsored or approved by the PGA TOUR, with no incomplete rounds (i.e. stipulated rounds as defined by the Rules of Golf, as approved by the USGA and the Royal & Ancient Golf Club of St. Andrews, Scotland).

The adjusted score is computed from the average score of the field at each tournament. As a result, a player's adjusted score may be higher or lower than his actual score. For example, a player shoots 70 each day at a tournament while the field average was 73. His 280 total would then be adjusted to 268, since he actually played 12 strokes better than the field during the tournament.

Any player with an incomplete round will be ineligible to win the Vardon Trophy.

Publications

BUSINESS WEEK

Business Week publishes two special supplements dealing with PGA TOUR and SENIOR PGA TOUR. SENIOR TOUR Journal appears in the April issue and The Business of the PGA TOUR appears in the June issue.

GOLF MAGAZINE

GOLF Magazine covers the PGA TOUR in TOUR Magazine. This special insert appears in the magazine's January issue and is distributed at most PGA TOUR events.

Starting in 1998, GOLF Magazine also will produce SENIOR TOUR Magazine to appear in the March issue and be distributed at most SENIOR PGA TOUR events.

GOLF Magazine entertains clients at TOUR events and supports "Inside the PGA TOUR."

TENET PLAYER FITNESS CENTERS

Through recent acquisitions, Tenet Healthcare Corporation has become a corporate partner with the PGA TOUR. Redefining Healthcare with the TOUR, the Tenet Player Fitness Centers (TPFC) have continued to be one of the TOUR's most popular innovations: the TPFC is a mobile gymnasium that includes state-of-the-art exercise equipment, television, stereo, three treatment tables and various physical therapy modalities.

Staffed by qualified physical therapists, the TPFCs travel to over 95 percent of both the PGA TOUR's and SENIOR TOUR's events across the country, providing both rehabilitative and preventive care for TOUR members.

During their 13 years on TOUR, the Player Fitness Centers have attracted the interest of nearly all the players on a regular basis. Housed in a 45-food-long trailer (expandable to 24 feet wide when parked), the Tenet Player Fitness Centers enable TOUR professionals to maintain peak levels of performance, at absolutely no cost to the individual players.

According to Dr. Frank Jobe, Medical Director of the PGA TOUR and team physician of the Los Angeles Dodgers, "The Tenet Player Fitness Centers provide each player with a personal physical conditioning program based on that individual's current level of conditioning." Dr. Jobe works with Dr. Lewis Yocum, Assistant Medical Director of the PGA TOUR and orthopedic consultant for the Anaheim Angels.

The TPFC has made its impact, with many players finding the center and available technicians an invaluable aid to their success on TOUR. In fact, players have commented that they would have been unable to compete in some tournaments without the facility.

Dr. Jobe and Dr. Yocum have done much research and testing on professional golfers' swings and, based on the results, developed scientific exercise programs that are available through book and videotapes. These programs have helped countless golfers stretch their potentials while minimizing the risk of injury.

GILLETTE TOUR CHALLENGE

The Gillette Tour Challenge, a season-long series of competitions on the PGA TOUR, SENIOR PGA TOUR and LPGA, made its debut in 1997. The series climaxed in the inaugural Gillette Tour Challenge Championship, which was won by the team of Jim Colbert, Nick Price and Kelly Robbins on Oct. 7 at Bermuda's Mid Ocean Club.

Gillette Tour Challenges were scheduled at 18 PGA TOUR events and 17 SENIOR PGA TOUR tournaments in 1997. Similar totals are set for this year.

The six-hole, alternate-shot competitions, played primarily on the Tuesdays of tournament weeks, consist of eight players (10 on the SENIOR TOUR) randomly selected as two-member teams. A total of \$20,000 is awarded at each event, with the earnings added to each competitor's season-long Gillette Tour Challenge money list total.

Eight players from each tour advanced to the 1997 Gillette Tour Challenge Championship, which offered a purse of \$1.8 million. Eight three-person teams consisting of one member of each tour played at the Mid Ocean Club in a one-day, best-ball, 18-hole tournament.

With a team score of 11-under-par 59, each member of the Colbert-Price-Robbins team collected \$150,000. The teams of Karrie Webb/Walter Morgan/Payne Stewart and Barb Mucha/Bob Murphy/Lee Janzen tied for second at 9-under-par 61.

In conjunction with the 1997 Gillette Tour Challenge Championship, Gillette donated \$500,000 to the Susan G. Komen Breast Cancer Foundation.

CHARITY DONATIONS SET RECORD FOR SIXTH CONSECUTIVE YEAR

After surpassing \$30 millon for the first time in 1996, when the figure for all-time charity giving rose to more than \$300 million, PGA TOUR tournaments topped \$30 million again in 1997 — combining for a record donation of \$33,190,472.

That marked the sixth consecutive year a charity record has been established, as well as the 19th time in the last 20 years that tournament-generated donations have increased.

"PGA TOUR events can be justifiably proud of themselves for what they give back to their local communities," said Commissioner Tim Finchem. "The fact that they went over \$300 million in all-time charity donations two seasons ago speaks volumes. The fact that \$30 million has now been surpassed two years running is significant, because it sets a standard the tournaments will be out to surpass again this year."

The overall total since the first charity donation was made — \$10,000 by the Palm Beach Invitational in 1938 — now stands close to \$340 million. The previous single-year record of \$30,122,841 was established in 1996.

"The members of the PGA TOUR Tournaments Association are proud to be part of the TOUR's long-term tradition of charity giving," said PGATTA president Dwight Drinkard, who is tournament director of the FedEx St. Jude Classic. "But none of this would have happened if it hadn't been for the thousands of hard-working volunteers who make our events possible."

The pace definitely has picked up in the decade of the '90s, when almost \$200 million — \$198,009,125 — has been generated for charity through PGA TOUR events.

TOUR WIVES ASSOCIATION

TOUR Wives Association, Inc. is a Florida notfor-profit corporation organized to render support for and provide assistance to needy children and their families through the means of charitable events. The Association is comprised of the wives of professional golfers on the PGA TOUR and NIKE TOUR, as well as individuals and corporations that support the TOUR Wives Association's many charitable endeavors.

Since its inception in 1988, the TOUR Wives Association has supported children's charities across the country by raising money for child-related charities and given much back to the game of golf through personal and monetary contributions. In addition to the funds that are raised, the wives visit different charities in the communities where golf tournaments are held, spending time and playing with children supported by the charities.

While its membership varies from year to year, the commitment of the TOUR Wives Association to making a difference in the lives of needy children stands strong. The Association's dedicated members, past and present, have reached

deep into their resources to balance the demands of family, work and travel and have given generously of themselves to realize their ideals.

Phil Mickelson won twice in 1997, at the Bay Hill Invitational and Sprint International, giving him 10 victories in the last five seasons.

SECTION 10

TOURNAMENT PLAYERS CLUBS

The PGA TOUR's Tournament Players Club Network has maintained a reputation for operating high-quality clubs since its inception nearly 20 years ago.

The TPC Network continues to grow, with nearly 30 facilities currently open or under construction, including several overseas.

By the end of 1997, seven domestic Tournament Players Clubs either were in the planning or construction stage.

TPCs encompass all forms of golf-related operations — resort facilities, corporate/private membership clubs and daily fee courses — and, as such, PGA TOUR Golf Course Properties, Inc. is able to match the type of facility with the demands of each market in which a club operates.

The Network represents the highest standard in the golf course industry, commensurate with the members of the organization it represents, the players of the PGA TOUR. Each Tournament Players Club embodies the trademark of excellence first established with the flagship TPC at Sawgrass in Ponte Vedra Beach, FL, which opened its world-famous Stadium Course in the fall of 1980.

This commitment to overall excellence serves as the foundation for the Network's overall success.

The TPC Network was born through former PGA TOUR Commissioner Deane Beman's desire to provide TOUR players with quality golf courses that also would offer spectators enhanced viewing areas.

Beman also reasoned that development of quality facilities would alleviate the TOUR's dependency on the television dollar, while providing rent-free venues for tournaments. The savings in rent, in turn, would generate both increased purses and greater charitable contributions by the tournaments held at TPCs.

The TPC at Sawgrass was the first Tournament Players Club to hold a PGA TOUR event, becoming the permanent home of THE PLAYERS Championship in 1982. Today, a growing number of PGA TOUR and SENIOR PGA TOUR events are held at TPC facilities each year. In 1997, 15 tournaments were conducted on TPC courses. NIKE TOUR events will be played at TPCs in the future.

Many of the top golf course architects are connected with TPC projects, including Pete Dye, Tom Fazio, Arnold Palmer, Jack Nicklaus, Gary Player, Arthur Hills, Jay Morrish, Tom Weiskopf, Greg Norman and Bob Von Hagge.

Scheduled to open in 1998 are TPC courses designed by Player (TPC at Jasna Polana in Princeton, NJ), Fazio (TPC of Myrtle Beach) and Dye (TPC of Virginia Beach). Palmer will be designing his second Tournament Players Club course, the TPC of The Twin Cities.

Moreover, in recognizing the importance of player input for tournament courses, TOUR members — including Ben Crenshaw, Raymond Floyd, Fuzzy Zoeller, Chi Chi Rodriguez and Lanny Wadkins — have served as design consultants.

Most recently, Hale Irwin was introduced as design consultant for the TPC at Wakefield Plantation in Raleigh, NC, Curtis Strange at the TPC of Virginia Beach, D.A. Weibring at the TPC at Deere Run in Moline, IL, Tom Lehman at the TPC of the Twin Cities and Mark O'Meara at the TPC of Valencia in California.

PGA TOUR PRODUCTIONS

PGA TOUR Productions is the television, film and video production company of the PGA TOUR.

Most people know PGA TOUR Productions by its award-winning programs, "Inside The PGA TOUR" and "Inside The

SENIOR PGA TOUR," which are broadcast each week on ESPN and are celebrating their 14th and eighth seasons, respectively. Additionally, PGA TOUR Productions produces "This Is The PGA TOUR" for FOX Sports Net.

In addition to the "Inside" shows, Productions has developed an expertise in delivering live and live-to-tape golf events, including the Gillette TOUR Challenge Championship, North American ReMax Long Drive, NIKE TOUR Championship and Compaq World Putting Championship.

PGA TOUR Productions also serves a worldwide clientele by producing, in conjunction with the networks, international live telecasts of PGA TOUR events. PGA TOUR Productions' programming is distributed to more than 120 countries, translated into 17 languages and available to more than 240 million homes worldwide.

In the fall of 1997, PGA TOUR Productions moved to a new, 32,000-square-foot, all-digital facility at the World Golf Village in St. Augustine, FL. Along with the latest in television and communications technology, PGA TOUR Productions houses the world's most extensive golf footage library. The World Golf Village is located adjacent to Interstate 95, southwest of PGA TOUR Headquarters in Ponte Vedra Beach, FL.

pgatour.com

(On the Internet at http://www.pgatour.com)

The PGA TOUR entered cyberspace on January 8, 1997, and the response has exceeded all expectations — making pgatour.com one of the most popular sports sites on the World Wide Web.

Within a few months of operation, pgatour.com was delivering an average of 1.2-million hits — or 120,000 page views — each day. Original projections had centered around 1-million hits a week.

Those numbers will only grow this year as pgatour.com enhances exisiting features and expands with a host of new opportunities to build the PGA TOUR brand. The number of hits is expected to increase by 30 to 50 percent in 1998.

The heart of pgatour.com remains the comprehensive information it provides about players and tournaments on the PGA TOUR, SENIOR PGA TOUR and NIKE TOUR.

Real-time scoring has proven one of the more popular features — offering fans the opportunity to track their favorite player's progress on a hole-by-hole basis. Audio links to PGA TOUR Radio Network broadcasts further place visitors to pgatour.com in the heart of the action.

With the support of Foundation Sponsors Michelob, IBM, Titleist and Buick, pgatour.com will take on a new look this year.

The statistical database will be expanded to allow comparisons to previous years. Players and fans will be able to participate in chat sessions and listen to press conferences live. E-commerce will allow customers to buy PGA TOUR merchandise and tournament tickets on-line, then have them delivered right to their homes.

Children and adults alike wil continue to enjoy the games produced by TOUR licensee EA Sports. A pro-am challenge also will make its debut in 1998.

The World Wide Web is only going to grow, and the PGA TOUR plans to take advantage of the many facets of the medium to broaden its fan base around the world.

PGA TOUR RADIO NETWORK

Since March 1997, the PGA TOUR RADIO NET-WORK has been providing Saturday and Sunday stroke-by-stroke tournament coverage. The PGA TOUR RADIO NETWORK also produces a national weekly one-hour magazine show that spotlights players, personalities and stories on the PGA TOUR,

SENIOR PGA TOUR and NIKE TOUR. Tournament leaderboard updates are included Thursday through Sunday for each TOUR event throughout the season.

A PGA TOUR RADIO NETWORK schedule can be found in local listings.

WORLD GOLF VILLAGE

Ruffin Beckwith Executive Director

World Golf Village is one of the most ambitious projects ever undertaken in golf. Scheduled to open in May 1998 along Interstate 95 in Northeast Florida, it will be a major international focal point for the game, as well as a premier tourism, business and golf destination.

The Village will create an environment that not only honors the game of golf and its great players, but also provides an entertaining and educational experience for golfers and non-golfers from around the world.

WORLD GOLF VILLAGE

Its centerpiece is the 75,000-square-foot World Golf Hall of Fame, museum and IMAX Theater. Circling the Village Lake will be the Walk of Champions, honoring each member of the World Golf Hall of Fame.

Overall, World Golf Village promises to be a celebration of a game rich in history and tradition. a theme that will be carried beyond the actual Hall of Fame building and into other components of the Village.

The complex also includes one of the three courses for the Saint Johns Development, of which World Golf Village is a part. The course, developed by Scratch Golf, is named "The Slammer and The Squire" after Hall of Fame design consultants Sam Snead and Gene Sarazen, who worked with architect Robert Weed. A golf academy will be adjacent to the course.

Additional amenities at World Golf Village include the 10-story, 300-room World Golf Resort Hotel and Conference Center, developed by John Q. Hammons, Inc.; The Residences corporate villas by EcoGroup; the Vistana World Golf Village Resort, a complex of interval vacation villas; The Shops at World Golf Village, an upscale shopping area; plus the new headquarters for PGA TOUR Productions and a Mayo Clinic facility.

World Golf Village will be as much an educational experience as it is an entertainment attraction, particularly after the World Golf Library and Resource Center opens in several years. Housed in an independent 11,000-square-foot building, it will become the preeminent source for golf literature, research and information.

Shell Oil Company is the Founding Partner of the World Golf Village.

WORLD GOLF HALL OF FAME

The support the World Golf Hall of Fame has received from the world's major golf organizations distinguishes it as a unique partnership that reflects the universality of the game and promise for further growth.

The Hall of Fame and accompanying exhibits will honor the great players and contributors to the game, and will entertain and inform the public about the rich

history and tradition of golf internationally.

Artifacts from the former World Golf Hall of Fame in Pinehurst, NC are being incorporated into the museum exhibits. But the overall experience is intended to interest golfers and non-golfers alike by introducing modern technology and interactive displays that will be continually enhanced.

The building also features an IMAX Theater, with a screen 80 feet high and 60 feet wide, for which a special film about golf is being developed.

The 71 players and contributors inducted into the former Hall of Fame in Pinehurst and/or the LPGA Hall of Fame have been "grandfathered" into the new facility. Annual induction ceremonies for newly elected Hall of Fame members will commence upon the facility's opening, prom-

ising to bring together dignitaries from throughout the golf world.

The first two elections for the newly created PGA TOUR and International Ballots were conducted in 1996 and 1997. Johnny Miller was the only player elected in 1996, receiving the necessary 75 percent of votes on the PGA TOUR Ballot. Seve Ballesteros of Spain and Nick Faldo of England became the first players elected through the International Ballot in 1997, their first year of eligibility.

CHARITABLE MISSION OF THE WORLD GOLF FOUNDATION

World Golf Foundation, Inc. is a nonprofit organization that has received the support of all major golf organizations throughout the world. The responsibilities of the World Golf Foundation include managing the World Golf Hall of Fame and IMAX Theater, World Golf Library and various charitable initiatives.

As the Founding Partner of World Golf Village, Shell Oil Company will provide financial support and play a lead role in the World Golf Foundation.

The World Golf Foundation's charitable mission, on behalf of the supporting golf organizations, is to introduce golf to those who otherwise may not have an opportunity to experience the game, and through the golf experience promote scholastic achievement, community service and the values of honesty, integrity and sportsmanship.

To this end, The First Tee was introduced in November 1997 as an initiative to create new facilities and affordable access to golf. This initiative has the support and participation of leading golf organizations and foundations and a wide range of public sector constituencies.

"We want to create affordable entry points to golf for everyone who is interested in playing the game," said former President George Bush, Honorary Chairman of The First Tee.

The vision is to create hundreds of facilities and programs throughout the United States over the next 10 years, impacting those who have not had exposure to the game, particularly youths.

"Those of us who believe in the values of golf want to see the opportunity to play the game extended to all segments of our population," said Tim Finchem, PGA TOUR Commissioner and Chairman of the World Golf Foundation Board of Directors. "This program, The First Tee, can have a tremendous impact on golf — but, more importantly, it can have a real impact on the lives of young people who are attracted to the game."

A menu of model programs can be implemented in communities based on land availability, existing golf facilities, area needs and the level of support of municipalities and other youth programs.

The First Tee will provide golf management expertise, consulting services and land planning to communities and organizations interested in having The First Tee in their areas. While proceeds from the World Golf Hall of Fame will benefit The First Tee, public-private partnerships in each community will be the primary funding source for each facility.

"With the support of the public and private sectors, and with the expertise of so many golf organizations available to this program, golf will find its way into new communities and new segments of the population," Finchem said.

THE FIRST TEE

The First Tee is a World Golf Foundation initiative to create new facilities and affordable access to golf with a special emphasis on youngsters who otherwise may not have an opportunity to experience the game.

The initial two-year goal of The First Tee is to identify sites for 100 golf facilities in various stages of planning, development and operation. Each of these facilities will have the capability of introducing golf to as many as

1,000 children and adults annually.

The true value of the program is based on golf's unique ability to instill and nurture essential values, such as honesty, integrity, sportsmanship and a solid work ethic in young people who are introduced to the game.

This initiative has the support and participation of a variety of key sectors:

- The leading U.S. golf organizations, including the PGA TOUR, United States Golf Association, PGA of America, Ladies Professional Golf Association and Augusta National Golf Club, which are represented on the First Tee Oversight Committee.
- A wide range of public sector constituencies, including the U.S. Department of Housing and Urban Development, National Association of Parks and Recreation, National League of Cities, U.S. Conference of Mayors and the National Association of County Officials.
- A variety of groups, including the Tiger Woods Foundation and the National Minority Golf Foundation, dedicated to extending the reach of golf to new segments of the population.

The initial focus of The First Tee will be on developing financial support and acquiring locations for these golf facilities. Common types of facilities will be a three-hole course, a pitch-and-putt course, a nine-hole executive length course and a full-scale 18-hole course. All of these facilities will feature extensive teaching and practice areas.

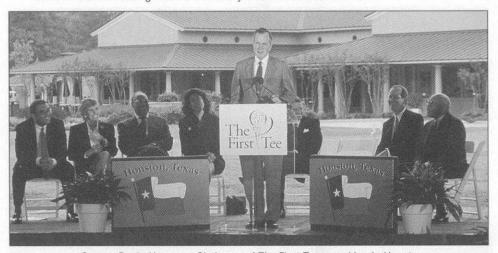

The development effort will depend on support from prominent individuals and organizations who appreciate the values instilled by golf and the game's ability to positively influence young people's lives.

The primary contribution of the initiative will be the provision of expertise and consulting advice, land planning services and other services to reduce the total cost of each project.

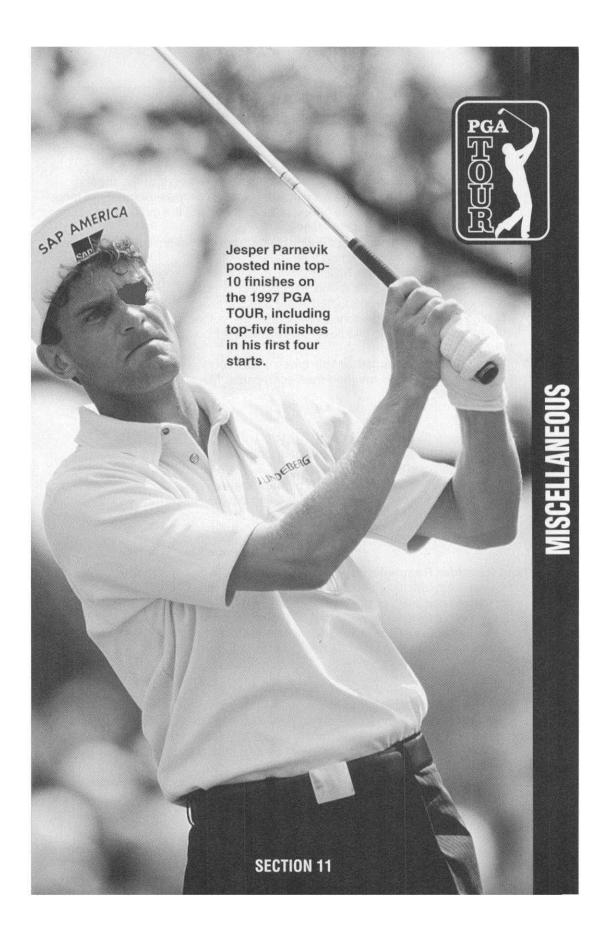

Funds raised will be leveraged through public-private partnerships to significantly increase the impact of the initial contributions. Proceeds from the World Golf Hall of Fame will be donated to The First Tee.

The First Tee Board of Trustees will oversee the fundraising, budget and program functions of The First Tee.

Former President George Bush is Honorary Chairman of the initiative.

- 3. Highlights from any day's play may not be broadcast or used for any other purpose after seven days from the conclusion of play each day.

Individuals representing multiple interests (such as a recognized golf magazine and an internet site) must be separately credentialed for each interest. If you are not specifically credentialed for an on-line service, you may not use any information obtained for that service.

PGA TOUR retains exclusive broadcast rights (including but not limited to network, cable, internet, home video) to all events on the PGA TOUR, SENIOR PGA TOUR and NIKE TOUR. No live or tape-delayed delivery of any event is permitted without the prior written consent of PGA TOUR. Scores and statistics may be distributed only in accordance with these regulations.

- 1. Coverage must be part of the news portion of the site and must not purport to be live, play-by-play, or real time coverage from the course.
- 2. Scoring information appearing on a site may be provided no sooner than thirty minutes after the actual occurrence of the shots.
