A MESSAGE FROM Nike

THE PARTNERSHIP CONTINUES

In August 1996, Nike, Inc. Chairman and CEO Philip H. Knight faced the media and exclaimed, "Anybody who has questioned Nike's commitment to the game of golf ought to think again!"

Knight was, of course, referring to the news that Nike had come to terms with Tiger Woods, arguably the greatest amateur golfer ever.

But Knight just as easily could have been referring to Nike's allegiance to the game itself and the tremendously successful NIKE TOUR. The NIKE TOUR was founded in 1990, and Nike began its title sponsorship with the 1993 season.

The NIKE TOUR started as a collective effort to offer quality competition and raise money for local charities. It now has grown into a very competitive tour with high-quality players, many of whom are just a single stroke from joining the PGA TOUR.

A pair of NIKE TOUR graduates finished in the top five on the 1997 PGA TOUR money list. David Duval, a graduate of the 1994 NIKE TOUR, finished second on the money list with more than \$1.8 million after winning his final three events of the year. Jim Furyk, a NIKE TOUR member in 1993, set the PGA TOUR record for earnings in a season without a victory at \$1,619,480.

Entering 1998, 24 former NIKE TOUR players have won on the PGA TOUR: Stuart Appleby, Woody Austin, Guy Boros, Stewart Cink, John Daly, David Duval, Ernie Els, Jim Furyk, Paul Goydos, Mike Heinen, Brian Henninger, Tim Herron, Tom Lehman, Steve Lowery, Jeff Maggert, Jim McGovern, John Morse, Clarence Rose, Mike Springer, Paul Stankowski, Mike Standly, David Toms, Ted Tryba and Willie Wood.

Recognizing the top quality of players on the NIKE TOUR, the PGA TOUR Policy Board increased from 10 to 15 the number of positions on the final NIKE TOUR money list to earn PGA TOUR cards the following year.

"We believe in the spirit of competition as represented by the NIKE TOUR," said Knight. "Our focus, as it is in other sports, is leveling the playing fields and providing playing opportunities. We want to help the PGA TOUR continue to do the right thing for golf."

Purses on the NIKE TOUR have grown from \$3 million in 1990 to \$7.4 million in 1998. Additionally, charitable donations from the NIKE TOUR total \$11.7 million since 1990, with \$1.85 million raised in 1997 alone.

On a national level, charities that benefit from the NIKE TOUR are the Boys and Girls Clubs of America and Special Olympics. Local charities also benefit from each of the 30 tournaments throughout the year.

The NIKE TOUR will sport a new look this year as the original NIKE TOUR logo has been replaced by a more stylish design: fresher, simplified and more practical for TOUR officials and consumers alike.

The NIKE TOUR has experienced an increase in success since Nike became involved in 1993, and the partnership is set through the year 2000. Nike would like to acknowledge the players, corporate sponsors, media members and community groups throughout the TOUR for the continued growth and success of the NIKE TOUR.

A HISTORY OF THE NIKE TOUR

Even the most optimistic person couldn't have foreseen the success of the NIKE TOUR when the tour kicked off its inaugural season on Thursday, February 2, 1990 at 7:30 a.m. PST at Bakersfield CC in Bakersfield, CA.

The NIKE TOUR began under corporate sponsorship of the Ben Hogan Company as the Ben Hogan Tour. The idea of former PGA TOUR Commissioner Deane R. Beman, the NIKE TOUR was designed as a proving ground for up-and-coming golfers, as well as a place for PGA TOUR veterans to hone their skills as they prepared for the SENIOR PGA TOUR.

That first event was won by Mike Springer, who went on to win two more times that year and finish fourth on the money list. For the first two years of the tour, the top five money-winners were awarded PGA TOUR membership. Beginning in 1992, the PGA TOUR Policy Board voted that, due to the success graduating players had on the PGA TOUR, that number would be increased to 10.

In 1990, Springer was joined by Jim McGovern, Dick Mast, Ed Humenik and leading money-winner and Player of the Year Jeff Maggert in the first graduating class.

However, the player who made the quickest impact on the PGA TOUR from the 1990 Ben Hogan Tour was John Daly, winner of the only Ben Hogan Tour Qualifying Tournament. Daly won the 1991 PGA Championship as a rookie and went on to finish 17th on the PGA TOUR money list. Since then he has added three more victories,

including another major championship, the 1995 British Open.

1994 NIKE TOUR graduate David Duval finished second on the 1997 PGA TOUR money list

It was on the 1991 Ben Hogan Tour that Tom Lehman first established himself as a top-flight player. After two non-descript years on the PGA TOUR in the early 1980s, Lehman won a tournament on the 1990 Ben Hogan Tour. But 1991 was his breakthrough season. He won three times that year and was the circuit's leading money-winner. Graduating to the PGA TOUR in 1992, Lehman has been one of the TOUR's most spectacular performers over the past six seasons. In 1996, he won the British Open and THE TOUR Championship on his way to a then-PGA TOUR record for single-season earnings with \$1,780,159.

Californian John Flannery was the dominant player on the 1992 Ben Hogan Tour, winning three times and leading the tour in earnings with \$164,114. His successful campaign made him the Ben Hogan Tour's third Player of the Year.

The big news of 1992 didn't happen on the golf course. It was announced on August 26, 1992 that Nike, Inc. would take over sponsorship of the Ben Hogan Tour, beginning with the 1993 season.

Sean Murphy was the star of the 1993 NIKE TOUR. He set records for wins in a season with four, career victories with five and single-season earnings with \$166,293.

While Sean Murphy was busy setting records, his fellow NIKE TOUR alumni were busy making names for themselves on the PGA TOUR. Daly already had collected his second career win in the 1992 B.C. Open, and others were beginning to earn their own hardware. Jim McGovern, Mike Standly and Jeff Maggert all captured PGA TOUR titles

A HISTORY OF THE NIKE TOUR (continued)

in 1993, while Mike Springer and Greg Kraft grabbed a pair of unofficial wins.

Since 1994, a minimum of six NIKE TOUR alumni have won each year on the PGA TOUR, including Lehman and Daly's three combined major championships.

The NIKE TOUR Championship also was established in 1993 as a climax to the season. Rookie David Duval won the first NIKE TOUR Championship, which features only the top 50 money-winners during the year.

On the 1994 NIKE TOUR, Chris Perry showed that consistency has its own rewards. Although six players collected multiple victories that year to Perry's lone title in the NIKE Utah Classic, his peers recognized his consistent strong play over the course of the season by selecting him NIKE TOUR Player of the Year. Perry upped the single-season earnings record to \$167,148 and collected 10 top-10 finishes. He made every cut that season, and began 1998 with a streak of 31 consecutive finishes in the money.

The 1994 NIKE TOUR season saw a number of firsts. In June, Tommy Armour III became the first player to win back-to-back tournaments when he captured the NIKE Miami Valley Open and NIKE Cleveland Open in consecutive weeks. Jerry Haas accomplished the same feat later in the year when he followed the NIKE Tri-Cities Open with a victory in the NIKE Sonoma County Open.

During the second round of the 1994 NIKE Shreveport Open, Omar Uresti set a record with nine consecutive birdies that not only stands as the NIKE TOUR standard, but also is better than the records on the PGA TOUR, SENIOR PGA TOUR and PGA European Tour.

In May, Vic Wilk became the first left-hander to win a NIKE TOUR event when he was victorious in the NIKE Knoxville Open.

Jerry Kelly continued the trend of the leading money-winner, setting an earnings record in 1995 when he won \$188,878 to better Perry's year-old record. Besides winning twice, Kelly posted 15 top-10 finishes.

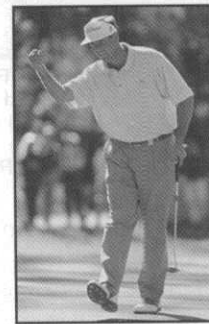

Celebrated amateur Allen Doyle played the NIKE TOUR after turning professional in the spring of 1995. Doyle won his second event, the NIKE Mississippi Gulf Coast Classic, and added two more titles on his way to a second-place finish on the money list. In 1996 he became the oldest rookie in PGA TOUR history at age 47.

The 1995 season also saw Franklin Langham set the record for earnings in a single season without a victory. Langham earned \$158,990.

Hugh Royer III won twice in 1995, making him the first player in NIKE TOUR history to have multiple victories in two separate seasons.

As the 1996 season began, there was, once again, big news off the golf course, as Nike, Inc. and the PGA TOUR announced in January that their agreement for sponsorship of the NIKE TOUR had been extended through the year 2000.

Stewart Cink was the on-course story of the 1996 NIKE TOUR season. The 1995 College Player of the Year became the first

player in NIKE TOUR history to earn more than \$200,000 in a single season when he won \$251,699. He captured three titles, including the season-ending NIKE TOUR Championship, and collected 14 top-10 finishes in only 21 events.

Cink made an immediate impact on the PGA TOUR in 1997, winning the Canon Greater Hartford Open and earning more than \$800,000.

Michael Christie also was dominant in 1996, collecting three victories. In his win in Greenville, SC, Christie matched the NIKE TOUR record for most strokes under par in a 72-hole tournament. He equaled the 54-hole tournament record when he won the NIKE Utah Classic. Christie's win at the NIKE Permian Basin Open, his second of the year, ended a NIKE TOUR-record streak of 22 different winners to start the season.

P.H. Horgan III, seventh on the 1996 money list, and Skip Kendall, ninth, joined Olin Browne and Sean Murphy to finish in the top-10 of the money list twice. In 1997, Chris DiMarco was added to that list.

Prior to the 1997 season, the PGA TOUR Policy Board voted to increase NIKE TOUR exemptions on the PGA TOUR from 10 to 15, further enhancing the NIKE TOUR's reputation as a proving ground for the next generation of PGA TOUR champions.

Winner

Last year also marked the first year of the "battlefield promotion," which grants any player who wins three NIKE TOUR events in a season immediate access to the PGA TOUR. Chris Smith was the first NIKE TOUR player to earn this promotion. He immediately made his presence felt on the PGA TOUR by making the cut in each of his six PGA TOUR events and finishing fourth at the CVS Charity Classic.

Smith had a record-breaking season. He won the NIKE Upstate Classic in May and the NIKE Dakota Dunes Open and NIKE Omaha Classic in back-to-back weeks in July. With the wins in Dakota Dunes and Omaha, he joined Tommy Armour III and Jerry Haas as the only players to win consecutive tournaments. Smith also became the first player to win the same tournament twice, having won the NIKE Dakota Dunes Open in 1995, as well.

Smith's victory in Omaha was a record-setting affair. His 26-under-par 258 was the record for most strokes under par and low total. His 11-stroke margin of victory also was the NIKE TOUR record.

Mark Carnevale got off to the best start in NIKE TOUR history, finishing third or better in each of his first four tournaments. He opened the year by finishing second to Ryan Howison at the NIKE Lakeland Classic. After a victory in the NIKE Inland Empire Open, he tied for second in the NIKE Monterrey Open and finished third at the NIKE Louisiana Open. That scorching start allowed him to surpass \$100,000 faster than any other player in NIKE TOUR history. The four tournaments it took were seven fewer than the record of 11 set by Joe Durant in 1996.

In October, Steve Flesch joined Wilk as the only lefthanded winners when he was victorious in the NIKE TOUR Championship. That victory vaulted him from 24th place on the money list to fourth, earning PGA TOUR membership for 1998.

NIKE LAKELAND CLASSIC NOTES

Ryan Howison just missed being a wire-to-wire champion at last year's inaugural NIKE Lakeland Classic. Howison shot an opening-round 66 to trail the leaders by a single stroke and was the leader after the second and third rounds.

*Four players had two eagles during a round at last year's NIKE Lakeland Classic. **Michael Clark** and **Mark Hensby** had two in the opening round and **Eric Frishette** and **Jeff Julian** had a pair in Round 2.*

***Dan Pelczarski's** course-record 64 came in the third round of last year's NIKE Lakeland Classic.*

*Quote of the week? "This reminds me of the **Gary Koch** of old instead of the old Gary Koch," said the six-time PGA TOUR champion and NBC-TV golf broadcaster after posting scores of 67-66-131 to trail **Ryan Howison** by two strokes after the first two rounds of last year's NIKE Lakeland Classic. Koch eventually tied for sixth, five strokes behind Howison.*

NIKE INLAND EMPIRE OPEN NOTES

Mark Carnevale's victory in last year's NIKE Inland Empire Open came in the midst of the hottest start to a NIKE TOUR season. In addition to his victory, Carnevale posted two seconds and a tie for third in his first four tournaments. He topped \$100,000 in just four tournaments, easily surpassing the previous best of 11 by **Joe Durant** in 1996.

David Jackson made three eagles during last year's final round of the NIKE Inland Empire Open, becoming only the second player in NIKE TOUR history to accomplish that feat. **Tom Lehman** was the first at the 1991 Reno Open. **Harry Rudolph** matched Lehman and Jackson later in 1997 at the NIKE Monterrey Open.

Gary Webb set the Moreno Valley Ranch GC course record with his 9-under-par 63 in the third round of the 1997 NIKE Inland Empire Open, bettering by one stroke **Ryan Howison's** 8-under-par 64 in the 1995 tournament.

In 1997, **Mark Carnevale** became the fourth consecutive winner of the NIKE Inland Empire Open to make that tournament his first NIKE TOUR victory.

NIKE MONTERREY OPEN NOTES

Harry Rudolph became only the third player in NIKE TOUR history to record three eagles during a round when he accomplished the feat during the second round of the 1997 NIKE Monterrey Open. Two of the eagles came on par-5s, the other on a par-4.

Pat Bates and **Chris DiMarco** became the first players of the 1997 NIKE TOUR season to post eagles on consecutive holes during the opening round of the NIKE Monterrey Open on the par-5 ninth and 10th holes. DiMarco eagled those same two holes during the 1993 tournament and was the only NIKE TOUR player to post consecutive eagles that year.

Garrett Willis and **Rick Cramer** each had a hole-in-one at the 1997 NIKE Monterrey Open. Willis' ace came on the second hole of the opening round, while Cramer aced the 16th hole on Saturday. Other players making a hole-in-one at this event are **Robert Hill** and **David Toms**, both in 1995.

Brian Kamm shot himself into contention with a tournament-record, front-nine 29 during the final round of last year's NIKE Monterrey Open. Kamm had five birdies after eight holes and closed out the front side with an eagle. He finished with a 64 for a 271 total, one stroke behind the winning 270 posted by **Mike Small**.

NIKE LOUISIANA OPEN NOTES

*Weather was the only thing that could slow 1997 NIKE Louisiana Open champion **Joe Daley**. Daley won in wire-to-wire fashion, either setting or tying tournament records after each of the first three rounds. Daley tied the course record with a 10-under-par 62 in the first round. He added a 5-under-par 67, for a 15-under 129 total, for the 36-hole record, and set the tournament record for 54 holes at 18-under-par 198. Daley had **Paul Stankowski**'s tournament record of 22-under-par 266 squarely in his sights before rain washed out the final round.*

***Paul Stankowski** became the first player to win a NIKE TOUR and PGA TOUR event in the same year when he accomplished the feat in consecutive weeks in 1996. Not eligible for THE PLAYERS Championship, PGA TOUR member Stankowski competed in and won the NIKE Louisiana Open. The next week, he got into the field as the sixth and final alternate and won the PGA TOUR's BellSouth Classic.*

***Stan Utley**'s final-round 62 led to his NIKE Louisiana Open victory in 1995 and is the second-lowest closing score by a winner in NIKE TOUR history. **Jeff Woodland** holds the record with a 12-under-par 60 in winning the 1991 Dakota Dunes Open.*

*The NIKE Louisiana Open is one of the few tournaments to never require a playoff to determine its champion. Only once has the winning margin been one stroke, that coming in 1992 when **Sean Murphy** edged **Tony Grimes**. The winning margin was two strokes from 1993-95, four strokes in 1996 and three last year.*

1997 NIKE GREATER AUSTIN OPEN

Hills CC, Austin, TX
Par: 36-36—72 Yards: 6,954

Purse: \$200,000
April 3-6, 1997

NOTE: The tournament was shortened to 36 holes due to severe rains Wednesday through Friday. The normal Thursday-Friday format of starting 144 players off both tees was conducted on Saturday-Sunday. This was only the second event in the eight-year NIKE TOUR history to lose two rounds to weather, the other being the 1995 NIKE Shreveport Open.

LEADERS: First Round—Eric Booker and Barry Conser, at 3-under-par 69, held a one-stroke lead over Ben Bates, Joe Daley and Cliff Kresge.

CUT: 57 players at 5-over-par 149 from a field of 144. With only two rounds of play, the top-55 players and ties were paid following completion of play.

PRO-AM: \$2,500. All players received \$50, as only 25 of the 50 teams completed play due to darkness.

WEATHER: Thursday's play began at 7:30 a.m., playing the ball down, and was suspended at 9:43 a.m. due to rain. Rain also prohibited play Friday, and Saturday morning officials announced the tournament was being shortened to 36 holes. The decision was made to restart the opening round under lift, clean and place rule. Sunny with highs near 80 Saturday and Sunday.

NIKE GREATER AUSTIN OPEN NOTES

The inaugural NIKE Greater Austin Open was shortened to 36 holes due to severe rains Wednesday-Friday. The only NIKE TOUR event to lose two rounds to weather prior to this tournament was the 1995 NIKE Shreveport Open.

***Ben Bates** saw a brilliant Thursday start wash away at last year's NIKE Greater Austin Open. Bates was four under par after seven holes before rain halted play at 9:43 a.m. When play finally resumed on Saturday, the round had to be restarted because of the implementation of lift, clean and place rules. "I'm not at all angry about the restart," said Bates. "They had to do it." After play resumed, Bates carded rounds of 70-74-144 to finish tied for eighth, four shots behind winner **Eric Booker**.*

***Eric Booker's** first professional victory did not come as he had dreamed. When play got underway Saturday, Booker shot a 3-under-par 69 to share the lead with **Barry Conser**. Booker completed play Sunday at 1:00 p.m. and waited to see if any player from the afternoon groupings would top his 140 total. "I pictured a long winning putt on the 18th green with my caddie jumping on me," said Booker. Booker spent the afternoon having lunch away from the course and going to a workout facility. He returned to hit range balls in the event of a playoff, which was not needed as he won by one stroke.*

NIKE MISSISSIPPI GULF COAST CLASSIC NOTES

At the 1991 NIKE Mississippi Gulf Coast Classic, **Tom Lehman** defeated **Tim Straub** and **John Wilson** in the longest playoff in NIKE TOUR history. That playoff took eight holes before Lehman emerged victorious. Since then, there has been a seven-hole playoff and two that lasted six holes on the NIKE TOUR.

Jim Furyk won his first professional tournament at the 1993 NIKE Mississippi Gulf Coast Classic. Furyk has been one of the more successful NIKE TOUR alums, winning two PGA TOUR events.

Jeff Brehaut's six-stroke victory in last year's NIKE Mississippi Gulf Coast Classic went against the character of the tournament. There have been five playoffs in the history of the event, more than any other on the NIKE TOUR. The two other years the winning margin was one stroke.

Jeff Brehaut's course-record-tying 7-under-par 65 in the third round of the 1997 NIKE Mississippi Gulf Coast Classic was one of only eight rounds in the 60s that day and was the best by three strokes.

NIKE HUNTSVILLE OPEN NOTES

The *NIKE Alabama Classic* was played 1994-1997 at Cherokee Ridge CC in Union Grove, AL, which is approximately 30 miles south of Huntsville. The tournament was restructured with a new contracting entity and charity and begins play in 1998 as the *NIKE Huntsville Open*. The site of the new event will be Hampton Cove Golf Course on Alabama's Robert Trent Jones Golf Trail. The season-ending *NIKE TOUR Championship* is also held on Alabama's famous golf trail.

Tim Loutstalot set the Cherokee Ridge CC course record in the opening round of the 1997 *NIKE Alabama Classic* with a 10-under-par 62. Loutstalot closed with a 72-75 to finish T12 in the event.

Weather plagued the 1997 *NIKE Alabama Classic* when for the second consecutive year rain washed out Sunday's final round and Saturday's third-round leader was declared the champion. **John Elliott** got his wish for rain and won the event in 1997 and **P.H. Horgan III** was the winner of the weather-shortened event in 1996.

Tommy Tolles and **Jerry Kelly** are the only former champions to complete all four scheduled rounds of the event. Tolles won by a single stroke over **Clark Burroughs** in the 1994 *NIKE Alabama Classic*, and Kelly defeated **Buddy Gardner** in a playoff in 1995.

NIKE SOUTH CAROLINA CLASSIC NOTES

Harrison Frazar was forced to work overtime on Sunday of last year's NIKE South Carolina Classic. Saturday's third round was postponed due to rain, and for the first time in NIKE TOUR history 36 holes were played on Sunday. Frazar, a NIKE TOUR rookie last year, shot 68-67 in the opening rounds and matching 67s in Sunday's two rounds. "I played a lot of 36-hole days in college that were tougher than this," said Frazar. "In college, you have five-hour rounds, carry your own bag and the assistant coach gives you a bag lunch between rounds. Today I had a caddie and got to rest for over an hour after lunch between rounds."

Frazar's tournament record of 271 in last year's NIKE South Carolina Classic is one stroke better than the previous record of 272 shot by John Flannery in 1992.

The first two champions of the NIKE South Carolina Classic, Tom Lehman (1991) and John Flannery (1992), went on to win Player of the Year honors in the year in which they won in Florence.

NIKE CAROLINA CLASSIC NOTES

Dan Bateman made the only eagle of the final round in winning last year's NIKE Carolina Classic by one stroke. Bateman's eagle came when he holed a bunker shot on the par-5 13th hole.

Jeff Julian set the Prestonwood CC course record with a 9-under-par 63 in Round 2 after soaring to an 82 in the first round of last year's NIKE Carolina Classic. While not an official record, the 19-stroke improvement equals what is believed to be the best in PGA TOUR history. In the 1985 Bing Crosby National Pro-Am (now the AT&T Pebble Beach National Pro-Am), Bob Murphy opened with rounds of 89-69. Julian closed with rounds of 76-76, and his 297 total tied for 45th. Julian won the NIKE Dominion Open in the week that followed the NIKE Carolina Classic.

When **Michael Christie** won the 1995 NIKE Carolina Classic on his 26th birthday, he became the eighth player in NIKE TOUR history to Monday qualify for a tournament, then go on to win it.

Michael Christie's winning 22-under-par 266 in the 1995 NIKE Carolina Classic was the lowest 72-hole score that year and one off the NIKE TOUR record (at that time) for strokes under par.

Glen Hnatiuk became the sixth player to win tournaments in three separate years when he defeated **Craig Perks** to win the 1996 NIKE Carolina Classic. Hnatiuk also won the 1993 Mississippi Gulf Coast Classic and the 1995 NIKE Utah Classic.

NIKE DOMINION OPEN NOTES

*Hugh Royer III's victory in the 1995 NIKE Dominion Open was one of his two that year. With two wins in 1993, Royer was the first player in NIKE TOUR history with two multiple-win seasons. **Chris Smith** accomplished that feat with his three wins in 1997.*

Angel Franco of Paraguay, the winner of the 1993 NIKE Dominion Open, was in the United States attempting to qualify for the U.S. Open. On May 24th, he was successful at the Monday qualifier for the NIKE Dominion Open. After his victory at The Dominion Club, he was successful in Monday qualifying at the Buick Classic on the PGA TOUR. The next day, Franco was unsuccessful in 36-hole sectional qualifying for the U.S. Open. In the Buick Classic, he played two rounds before missing the cut. That was 10 rounds of competition in 12 days.

*In 1994, the NIKE Dominion Open was the site of **Tom Scherrer's** NIKE TOUR-record third consecutive week in a playoff. Scherrer won the NIKE Knoxville Open and lost at the NIKE Greater Greenville Classic before losing to **Sonny Skinner** in Richmond.*

NIKE UPSTATE CLASSIC NOTES

Chris Smith's win at the 1997 NIKE Upstate Classic was his first of three NIKE TOUR wins last year, making Smith the first player to earn a "Battlefield Promotion" to the PGA TOUR. Any player winning three NIKE TOUR events in a single season immediately gains PGA TOUR access. Smith also won the NIKE Dakota Dunes Open and the NIKE Omaha Classic in consecutive weeks.

Michael Christie turned the 1996 NIKE Greater Greenville Classic (NIKE Upstate Classic in 1997) into quite a homecoming. The Greenville native shot a final-round 63 to equal what was then the NIKE TOUR record for a 72-hole tournament at 23-under-par 265.

Chris Couch and **Ron Philo, Jr.** each had a hole-in-one during the 1997 NIKE Upstate Classic. Philo's ace came during the first round and Couch's the fourth. **Andrew Meeks** (1993), **Bob Groff** (1994), **Sig Holcomb** (1995), **Barry Jaeckel** (1995), **Jerry Haas** (1996) and **Jerry Wood** (1996) also have aces in this event.

The only playoff in NIKE Upstate Classic history came in 1995, when **David Toms** defeated **Tom Scherrer** with a birdie on the first extra hole.

NIKE KNOXVILLE OPEN NOTES

Dave Rummells made the most of his return from an injury by winning the 1997 NIKE Knoxville Open. The veteran PGA TOUR member injured his back during the third round of the 1997 AT&T Pebble Beach National Pro-Am and was forced to withdraw from that event. Rummells' first tournament after that injury was in Knoxville, and he birdied six of his final 10 holes on Sunday to win by two strokes over **Matt Gogel** and **Terry Price**.

Terry Price had six consecutive birdies during the third round of the 1997 NIKE Knoxville Open. That streak was three shy of the NIKE TOUR record set by **Omar Uresti** at the 1994 NIKE Shreveport Open.

Tim Conley's 23-under-par 261 to win the 1993 NIKE Knoxville Open at Willow Creek CC was the 72-hole NIKE TOUR scoring record until **Chris Smith's** incredible 26-under-par 258 at the 1997 NIKE Omaha Classic.

Joe Cioe and **Kent Jones** each had an ace during the third round of the 1997 NIKE Knoxville Open. **Joel Padfield** (1990) and **Uly Grisette** (1993) are the only other players to make a hole-in-one in the NIKE Knoxville Open.

NIKE MIAMI VALLEY OPEN NOTES

Trevor Dodds gave himself a big Father's Day gift by posting a wire-to-wire win at the 1997 NIKE Miami Valley Open. Dodds' 16-month-old daughter Audrey ran onto the 18th green following the winning putt to help dad celebrate. Dodds' 262 gave him the tournament record for 72 holes and a comfortable six-stroke victory.

Trevor Dodds followed his win at the 1997 NIKE Miami Valley Open with a tie for third at the NIKE Cleveland Open the following week. Dodds then went home to St. Louis, where he was diagnosed with testicular cancer. Following successful surgery and radiation treatment, he returned at the NIKE Omaha Classic after missing five tournaments.

Tommy Armour III became the first NIKE TOUR player to post victories in consecutive weeks when he won the 1994 NIKE Miami Valley and Cleveland Opens. **Jerry Haas** (1994) and **Chris Smith** (1997) have since posted back-to-back NIKE TOUR wins.

Craig Kanada's course-record 61 at Heatherwoode GC was recorded in the second round of the 1994 NIKE Miami Valley Open. Kanada's 61 equaled the lowest 18-hole score of the year and was matched by **J.P. Hayes** and **Woody Austin** in the 1994 NIKE Boise Open.

Eric Booker and **Rick Stallings** each had aces during the 1997 NIKE Miami Valley Open. Booker's hole-in-one came on the eighth hole in the first round, while Stallings aced the 17th hole in the second round. **Emlyn Aubrey** rode the momentum from the tournament's first ace to victory in 1993. **Jim Kane** (1995) and **Ivan Smith** (1996) are the other players to record holes-in-one at this event.

NIKE CLEVELAND OPEN NOTES

Pat Bates set the course record at Quail Hollow Resort's Devlin Course during the first round of last year's tournament. His 11-under-par 61 bettered the 62 recorded by **Rick Dalpos** during the 1992 event.

Mike Small's victory in last year's NIKE Cleveland Open made him the first multiple winner on the 1997 NIKE TOUR. The season began with different champions in each of the first 13 events. The record for most tournaments played before the first two-time champion was crowned is 22 in 1996.

The NIKE Cleveland Open was one of the 30 original tournaments when the NIKE TOUR made its debut in 1990.

When **Karl Zoller** won the 1995 NIKE Cleveland Open, he did it in front of family and friends. Zoller was born in the Cleveland area.

NIKE HERSHEY OPEN NOTES

Barry Cheesman won the inaugural NIKE Hershey Open by a single stroke over **Billy Downes** and **Greg Leshner**. Cheesman, who entered the final round three shots behind **Steve Lamontagne**, picked up his first NIKE TOUR victory since winning the 1990 Quail Hollow Open (now NIKE Cleveland Open).

The cut at last year's NIKE Hershey Open — 3-over-par 145 — was the highest 36-hole cut on the 1997 NIKE TOUR.

Michael Allen tied the Country Club of Hershey's course record in the final round of last year's NIKE Hershey Open with a 6-under-par 65. Allen's low round of the year came on one of the toughest courses on the NIKE TOUR.

Barry Conser recorded the first hole-in-one in NIKE Hershey Open history during last year's third round, when he aced the eighth hole with a 4-iron from 195 yards. It was Conser's first hole-in-one in a competitive round.

Only 11 players completed 72 holes under par at the 1997 NIKE Hershey Open. The events with the fewest players under par were the NIKE Carolina Classic (72 holes) and the NIKE Greater Austin Open (shortened to 36 holes due to weather), where only seven players finished under par.

NIKE ST. LOUIS GOLF CLASSIC NOTES

Clark Dennis tied the 18-hole NIKE TOUR scoring record at the 1997 NIKE St. Louis Golf Classic and shattered the course record with an 11-under-par 60 in Sunday's final round. **Dennis'** attempt at a 59 and a place in golf history fell just shy when his 25-foot birdie try on the final hole came up short. "There wasn't any way you can be more nervous than I was standing over that putt," Dennis said afterward.

A birdie on that final hole would have allowed Dennis to join **Al Geiberger** and **Chip Beck** as the only players to shoot a 59. Dennis now shares the NIKE TOUR's 18-hole record with **Jeff Woodland**, who shot an 11-under-par 60 at the 1991 Dakota Dunes Open.

Todd Gleaton's winning score of 23-under-par 261 at the 1997 NIKE St. Louis Golf Classic tied the NIKE TOUR 72-hole scoring record. **Gleaton's** time in the record book was short-lived, however, as **Chris Smith** won the NIKE Omaha Classic three weeks later with a record-setting 26-under-par 258.

This year's NIKE St. Louis Golf Classic will be contested for the second time at Missouri Bluffs GC in St. Charles, MO. This tournament was played as the NIKE Gateway Classic from 1994-96 at Lake Forest G&CC in Lake Saint Louis, MO.

NIKE WICHITA OPEN NOTES

Ben Bates' victory in last year's *NIKE Wichita Open* came in his 179th start on the *NIKE TOUR*. Bates' 190 career events are second only to **R.W. Eaks'** 196. Both players graduated to the *PGA TOUR* by finishing in the top 15 on last year's money list. Bates finished 12th, while Eaks finished ninth.

Ben Bates' playoff victory over **Jeff Brehaut**, **Carl Paulson** and **Chris Smith** in last year's *NIKE Wichita Open* was the first of the year on the 1997 *NIKE TOUR*. It ended a streak of 25 consecutive tournaments without a playoff.

When **David Duval** won the 1993 *NIKE Wichita Open* in only his second *NIKE TOUR* start at the age of 21 years, 9 months, he became the youngest winner of a *NIKE TOUR* event.

NIKE DAKOTA DUNES OPEN NOTES

The tournament and course records were set during last year's tournament. **Rocky Walcher** shot an 11-under-par 61 during the second round to better the previous record by three strokes. **Chris Smith's** 20-under-par 268 total topped his old record of 270 set in 1995. Smith's victory made him the first player in NIKE TOUR history to win the same tournament twice. He first won in 1995. He missed the 1996 tournament while he was playing on the PGA TOUR.

In 1993, Dakota Dunes CC was played as a par-69, and the tournament was shortened to 68 holes, when flood waters from the Missouri River made the par-3 eighth hole unplayable for the week.

From the "did you know?" department: The first two NIKE Dakota Dunes Opens were held at the old Dakota Dunes CC course, then known as the Boat Club Course. The clubhouse was in Sioux City, IA, but one had to cross a bridge into South Dakota to reach the course. The current site first served as host for the Dakota Dunes Open in 1992 and took the Dakota Dunes CC name upon completion. This explains the change in course yardage for the 1992 event. The original course, now called Two Rivers GC, is the site of Monday open qualifying for the Dakota Dunes Open.

NIKE OMAHA CLASSIC NOTES

The 1997 NIKE Omaha Classic forever will be remembered as the "Chris Smith Show." **Chris Smith** rewrote the record book in claiming his third NIKE TOUR victory of 1997. He set records in the following categories: lowest 72-hole score—258; most strokes under-par by winner—26; widest victory margin—11 strokes; lowest 54-hole score—192; and most under-par after 54 holes—21. Smith also became only the third player in NIKE TOUR history to capture consecutive events after winning the previous week in Dakota Dunes. **Tommy Armour III** and **Jerry Haas** won in consecutive weeks during the 1994 season.

In 1997, **Chris Smith** became the first player to earn the NIKE TOUR's "battlefield promotion," which states that a player, upon winning three NIKE TOUR events in the same year, shall gain immediate access to the PGA TOUR as the final player in the preceding year's Qualifying Tournament category. More importantly, his "battlefield promotion" earned Smith a full exemption on the PGA TOUR in 1998. His 1997 wins came at the NIKE Upstate Classic, NIKE Dakota Dunes Open and NIKE Omaha Classic. Smith also won the NIKE Gateway Classic and the NIKE Dakota Dunes Open in 1995, and his five career victories are one shy of the record of six held by **Sean Murphy**.

Three players had scores of 8-under-par 63 in 1997 to tie **Skip Kendall's** 1996 course record at The Champions Club. **Chris Smith** and **Bobby Wadkins** posted that score in the first round of last year's event, and **Matt Gogel** equaled the record in the second round.

NIKE OZARKS OPEN NOTES

Chris DiMarco captured his first NIKE TOUR win at the 1997 NIKE Ozarks Open, which lost a round to weather for the first time since joining the TOUR in 1990. Rain forced delays both Thursday and Friday, and a scheduled 36-hole Sunday finish was shortened to 18 holes when play was again delayed until noon Sunday due to rain.

Brian Kamm had a hole-in-one during the opening round of the 1997 NIKE Ozarks Open. Other players with an ace in this event are **Dale Fuller** (1990), **David Ogrin** (1991), **Jerry Haas** (1994), **David Toms** (1995) and **Jon Hough** (1996).

Carl Paulson's six consecutive birdies during the first round of the 1997 NIKE Ozarks Open was matched by **Terry Price** (NIKE Knoxville Open) and **Curt Byrum** (NIKE Miami Valley Open) the longest streak of the year on the NIKE TOUR. The all-time NIKE TOUR record of nine consecutive birdies is held by **Omar Uresti** (second round of the 1994 NIKE Shreveport Open).

John Connelley's course-record 61 in the opening round of the 1995 NIKE Ozarks Open was the lowest 18-hole score on the NIKE TOUR that year.

NIKE SAN JOSE OPEN NOTES

R.W. Eaks' victory in last year's NIKE San Jose Open made him the first player in NIKE TOUR history to surpass \$400,000 in career earnings.

In last year's NIKE San Jose Open, five players—**Mark Carnevale**, **Chris DiMarco**, **Steve Lamontagne**, **J.L. Lewis** and **Iain Steel**—tied for second. That was second most on the NIKE TOUR in 1997, after the six players who finished tied for second behind **Todd Gleaton** in the NIKE Tri-Cities Open.

Ben Bates had a short-lived course record at Almaden CC during the 1997 tournament. His 7-under-par 65 held up only one day, as **Jay Synkelma** recorded the new standard with his 9-under-par 63 during the third round.

In 1996, the NIKE San Jose Open was the site of the last NIKE TOUR event that needed to go until Monday to finish. Play concluded on Sunday, but the playoff won by **Larry Silveira** over **Stewart Cink** and **Bobby Elliott** was conducted on Monday.

NIKE BOISE OPEN NOTES

Iain Steel collected his first NIKE TOUR career victory in record-setting fashion by winning the 1997 NIKE Boise Open with a 17-under-par 267 total. That broke the record of 270 set by **Matt Gogel** in 1996. Steel's \$49,500 share of the \$275,000 purse was his largest check as a professional.

Dan Pelczarski had a 29 on the back side of Hillcrest CC en route to a 62 during the third round of the 1997 NIKE Boise Open. The 29 equaled the lowest nine-hole score on the 1997 NIKE TOUR, and is one shy of the record of 28 shared by **Jeff Woodland** (1991), **Tom Lehman** (1991) and **Tommy Tolles** (1993).

Rocky Walcher recorded a hole-in-one during the opening round of play at the 1997 NIKE Boise Open. There have only been two other aces in the history of the event, which first was played in 1990. Those holes-in-one were recorded by **Mike Brisky** (1991) and **J.P. Hayes** (1994).

J.P. Hayes set the course record of 10-under-par 61 in the second round of the 1994 NIKE Boise Open, only to have **Woody Austin** tie his mark the next day. Austin had a much bigger moment in his career during 1995, when he won the Buick Open and later was named the PGA TOUR's Rookie of the Year.

NIKE TRI-CITIES OPEN NOTES

Todd Gleaton's win at the 1997 NIKE Tri-Cities Open was a very emotional one. "My father had a heart attack in August and had five-way bypass surgery. I told him I was going to win one for him — and I did. This is the greatest feeling in the world." Gleaton also won the NIKE St. Louis Golf Classic to join **Chris Smith** (three victories) and **Mike Small** as the only multiple winners on the NIKE TOUR last year.

Phil Tataurangi holds the tournament record for the NIKE Tri-Cities Open with a score of 267 for a six-stroke victory in 1996. Tataurangi's record wasn't challenged in 1997 as players had to deal with wind gusts of 48 mph Friday and 28 mph Saturday. **Todd Gleaton's** winning score last year was a 5-under-par 283.

Rob Moss' fourth career hole-in-one helped push him to the top of the leaderboard as he tied the Meadow Springs CC course record with an opening-round 9-under-par 63 at the 1997 NIKE Tri-Cities Open. Moss' effort came in late afternoon, after most of the strong early-morning winds had subsided. **Kelly Gibson** (1991) and **Tim Simpson** (1996) share the record.

NIKE PUGET SOUND OPEN NOTES

Kevin Johnson's playoff victory in the 1997 NIKE Puget Sound Open came in perhaps the most unusual tournament in NIKE TOUR history. Because of steady rain, standing water on the green prevented play on the first hole. That, in turn, forced officials to call for a 17-hole, par-67 course during the opening two rounds, which required three days to complete. The first hole was playable during Sunday's third and final round, producing a 52-hole event. It marked the second time in NIKE TOUR history that a course had been shortened to 17 holes (1993 NIKE Dakota Dunes Open).

Michael Clark, a four-stroke winner in the inaugural NIKE Puget Sound Open, was in position last year to become the first player in NIKE TOUR history to successfully defend his title. Clark found himself in a three-way playoff with **Kevin Johnson** and **Steve Jurgensen**. A bogey on the first extra hole eliminated Jurgensen, after which Johnson and Clark returned to the par-4 18th for the second playoff hole, where Johnson won with a birdie to claim his first NIKE TOUR title.

The course record at Indian Summer G&CC is 64, established by **Michael Clark** in the final round of the 1996 NIKE Olympia Open (now NIKE Puget Sound Open). In his first visit to the course since winning, Clark shot a 61 in the opening round of last year's tournament. But that score was posted on a par-67 course, and therefore was not an official record.

NIKE SHREVEPORT OPEN NOTES

The 1997 NIKE Shreveport Open was rescheduled from April 10-13 to Oct. 9-12 due to spring floods, making the event the final full-field tournament before the season-ending NIKE TOUR Championship (NTC). **Mark Wurtz**, playing in only his fifth NIKE TOUR event of the year, won the tournament and \$36,000 to jump from 138th on the money list to 46th place and into a berth in the NTC, which features the top-50 available players on the money list.

Mark Wurtz shot a second-round 63 in the 1997 NIKE Shreveport Open to tie the Southern Trace CC course record. **Omar Uresti** (1995) and **Tim Loustalot** (1996) recorded 63s en route to tournament victories.

Southern Trace CC was the site of one of the longest birdie binges in professional golf history. During the second round of the 1994 NIKE Shreveport Open, **Omar Uresti** birdied nine consecutive holes, bettering by one the longest streaks recorded on the PGA TOUR, SENIOR PGA TOUR and PGA European Tour. In the 1996 tournament, **Joe Durant** put together the second-longest streak in NIKE TOUR history, birdieing seven holes in a row.

NIKE TOUR CHAMPIONSHIP NOTES

Steve Flesch established several records in winning the 1997 NIKE TOUR Championship (NTC). Flesch's leads of three strokes after 36 holes and four after 54 are NTC records, while his four-stroke margin of victory equals that of **Stewart Cink** in 1996. Flesch became the first player in the tournament's five-year history to make the NTC his first NIKE TOUR victory. His \$54,000 check vaulted Flesch from 24th on the NIKE TOUR money list to fourth place with a total of \$133,190. Flesch joins **Vic Wilk** as the only lefthanders to win on the NIKE TOUR (Wilk won the 1994 NIKE Knoxville Open).

Chris Smith finished second at the 1997 NIKE TOUR Championship, earning \$34,050. That payday allowed Smith to clinch the money title with \$225,201, the second highest total in NIKE TOUR history. The record of \$251,699 is held by **Stewart Cink** (1996).

Stewart Cink won the 1996 NIKE TOUR Championship after posting earlier victories at the NIKE Ozarks Open and the NIKE Colorado Classic. Largely on the strength of his convincing four-stroke win at the NTC, Cink was selected by his peers as the NIKE TOUR Player of the Year for 1996.

NIKE TOUR Championship winners **David Duval** (1993) and **Stewart Cink** (1996) earned their first PGA TOUR titles in 1997. Duval won consecutive playoffs at the Michelob Championship at Kingsmill and the Walt Disney World/Oldsmobile Classic and won THE TOUR Championship by one stroke, while Cink captured the Canon Greater Hartford Open (see Section 6 for a complete list of NIKE TOUR players with PGA TOUR victories).

NIKE TOUR PLAYERS OF THE YEAR

The 1997 NIKE TOUR Player of the Year will be announced on January 9, 1998 at the annual PGA TOUR Awards Dinner at La Costa Resort and Spa in Carlsbad, CA.

Following is a list of all previous recipients of the NIKE TOUR Player of the Year Award:

1990	Jeff Maggert	1995	Jerry Kelly
1991	Tom Lehman	1996	Stewart Cink
1992	John Flannery		
1993	Sean Murphy		
1994	Chris Perry		

1997 NIKE TOUR PLAYERS OF THE MONTH

The first NIKE TOUR Player of the Month award was given in August 1996. Voted by a national media panel, the NIKE TOUR Player of the Month is awarded each month of the NIKE TOUR season from February through October. Each recipient gets a special medal commemorating his achievement. The following are the 1997 NIKE TOUR Players of the Month:

FEBRUARY—Mark Carnevale

Got off to the best start in NIKE TOUR history, finishing in second place at the season-opening NIKE Lakeland Classic and followed that with a two-stroke victory at the NIKE Inland Empire Open. All eight of his rounds in February were under par.

MARCH—Mark Carnevale

Continued his fine play into March. Posted four sub-par rounds to tie for second in the NIKE Monterrey Open, then added three more to finish third at the NIKE Louisiana Open. The \$24,750 he earned in Louisiana pushed him over the \$100,000 plateau in only four events, seven faster than the previous record of 11 set by Joe Durant in 1996.

APRIL—Jeff Brehaut

Broke Mark Carnevale's hold on the award after winning the NIKE Mississippi Gulf Coast Classic by six strokes. His 7-under-par 65 in the third round was the key. It was the low round of the day by three strokes.

MAY—Dan Bateman

After tying for second behind Jeff Brehaut in Mississippi, he wasted little time in earning his own victory. Made the only eagle of the final round at the 13th hole to win the NIKE Carolina Classic by one stroke. The week before, he tied for seventh at the NIKE South Carolina Classic.

1997 NIKE TOUR PLAYERS OF THE MONTH

JUNE—Trevor Dodds

Had four top-10 finishes in June, including a six-stroke victory at the NIKE Miami Valley Open. Began the month with a third-place finish in the NIKE Upstate Classic. Followed that by tying for ninth in the NIKE Knoxville Open. The week following his victory, tied for third in the NIKE Cleveland Open.

JULY—Ben Bates

Won for the first time in his 179th NIKE TOUR event. Birdied the first playoff hole to defeat three other players at the NIKE Wichita Open. Tied for seventh in the NIKE St. Louis Golf Classic the week preceding his victory.

AUGUST—Chris Smith

Rewrote the record book in August. After winning the NIKE Dakota Dunes Open, came back the next week to win the NIKE Omaha Classic by a NIKE TOUR-record 11 strokes. His 26-under-par 258 total also was a record. His third victory of the season earned him an instant pass to the PGA TOUR through the NIKE TOUR's "battlefield promotion."

SEPTEMBER—Iain Steel

After struggling for much of the year, put it all together in consecutive weeks in September. Tied for second at the NIKE San Jose Open, then captured the NIKE Boise Open by three strokes for his first NIKE TOUR title.

OCTOBER—Steve Flesch

Improved from 24th to fourth place on the NIKE TOUR money list with his four-stroke victory in the NIKE TOUR Championship. Tied for seventh in the NIKE Puget Sound Open and tied for fifth in the NIKE Shreveport Open in the two weeks leading up to his victory.

NIKE TOUR MEDIA REGULATIONS

General Regulations:

The following regulations are to be followed by *all* members of the media:

1. A daily decal is necessary to walk inside the gallery ropes. Remain not more than an arm's length from the ropes, so as to blend into the gallery and appear to be a part of the gallery at all times.
2. Players are not to be distracted during play. Do not interview players or ask them to pose for photographs during their rounds.
3. Do not interview players or ask them to pose for photographs during their practice sessions before a round, except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player, up against the ropes and not in the middle of the areas where it could be distracting to other players.
5. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards. Media are not allowed in the scoring tent.

Working Press Regulations:

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day — and others requested — will be interviewed following their rounds in the Press Room interview area.

Tape Recorder Regulations:

1. All tape recorder work should be done in the proximity of the Press Room and/or clubhouse.
2. Tape recorders are not permitted in the locker room.
3. Tape recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

Weather Delay Guidelines:

1. During weather delay situations, no one other than players and essential staff will be permitted in the locker room. This means the media are not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media will be welcome in the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are not permitted in the locker room.)

PHOTOGRAPHY REGULATIONS

Photo credentials will be issued only to personnel on assignment from recognized and accredited publications or news services. Requests for credentials must be made by the appropriate news agency, not by the photographer. PGA TOUR reserves the right to refuse photo credentials in its sole discretion.

Photographic likenesses of PGA TOUR, SENIOR PGA TOUR and NIKE TOUR players and tournament courses may be used only by the news agency which the photographer represents. Any other use must be approved in advance in writing by the PGA TOUR.

Commercial exploitation of player or course photographs without the written consent of the players or courses and PGA TOUR is prohibited.

A limited number of photo decals will be issued daily by the PGA TOUR Media Official on site and will permit the wearer access inside the ropes. Photographers who do not have a photographic decal must stay outside the gallery ropes. Photographic assistants will not be issued decals.

Cameras must have at least a 300mm lens and may be used only by accredited media representatives who have been issued photo credentials. Such use is subject to the following conditions:

1. Photographers with photo decals must stay within one arm's length of the ropes at all time. Photographers without decals are not permitted inside the ropes at any time.
2. Photographers are not permitted on the teeing ground.
3. The use of carts is prohibited at all times.
4. Photographers must not position themselves in the line of play. If requested to move by a player, his caddie or an official, the photographer will do so without delay or discussion.
5. No photograph shall be taken until a player has completed his stroke.
6. Players should not be asked to pose during a round.
7. Noise-free equipment must be used at all times.
8. Cameras are not permitted in the scoring tent or in the locker rooms.

The Photographer shall indemnify, defend and hold the Tournament and the PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with (1) the unauthorized use of photographs taken by the Photographer, whether such unauthorized use is by the Photographer, the company designating the Photographer to use the credential on its behalf, or some third party to whom the photographs are distributed; (2) any injuries resulting from acts or omissions by the Photographer or some third party to whom the Photographer directly or indirectly distributed the material; (3) any cameras, wires, cables or other equipment brought to the premises by the Photographer, or (4) the use of any photographs of any matter other than coverage of the Tournament.

TELEVISION COVERAGE REGULATIONS

The PGA TOUR retains exclusive television rights (including but not limited to broadcast, cable, home video) to all events on the PGA TOUR, SENIOR PGA TOUR and NIKE TOUR. No live or tape-delayed broadcast of any portion of any PGA TOUR, SENIOR PGA TOUR or NIKE TOUR event is permitted without the prior written consent of PGA TOUR.

In most cases, play-by-play television rights have been sold for network broadcast.

Stations or networks that have not purchased the rights to originate play-by-play coverage of events from the PGA TOUR are permitted to broadcast highlights coverage of such events only under the following conditions:

1. Televised coverage shall not be in excess of three minutes of highlights daily from each TOUR (and six minutes total for all three TOURs) and may not purport to be live, play-by-play coverage from the course. Requests for expanded coverage must be submitted in writing to PGA TOUR.
2. All highlights coverage must be part of regularly scheduled news and/or sports programs.
3. Highlights from any day's play may not be broadcast or used for any other purpose after seven days from the conclusion of play each day.
4. No action footage of any day's play may be broadcast until that day's live or tape-delayed coverage by the television network is concluded.
5. No footage may be inserted into any commercial announcement or sold to any other broadcast entity or agency.
6. As the exclusive rights holder, PGA TOUR is the absolute owner of all footage shot at the tournament site (golf action or other footage) and may request copies of any footage shot at PGA TOUR, SENIOR PGA TOUR and NIKE TOUR events. Such footage will be provided to the TOUR at cost upon request.
7. The use of golf carts is prohibited at all times.
8. Only personnel with appropriate credentials will be allowed inside the gallery ropes, and they must stay within one arm's length of the ropes at all times. All support personnel must remain outside the ropes.

RADIO COVERAGE REGULATIONS

The PGA TOUR retains exclusive national radio rights to all events on the PGA TOUR, SENIOR PGA TOUR and NIKE TOUR.

No live or tape-delayed broadcast of any portion of any PGA TOUR, SENIOR PGA TOUR or NIKE TOUR event is permitted without the prior written consent of the PGA TOUR.

In some cases, play-by-play radio rights have been sold for network broadcast.

Stations or networks that have not purchased the rights to originate play-by-play coverage of events from the PGA TOUR are permitted to broadcast highlights coverage of such events only under the following conditions:

1. Coverage shall not be in excess of three minutes of highlights and may not purport to be live, play-by-play coverage from the course.
2. All highlights coverage must be part of regularly scheduled news and/or sports programs and may not be broadcast after seven days from the conclusion of play on that day.
3. As the exclusive rightsholder, PGA TOUR may request copies of any coverage of PGA TOUR, SENIOR PGA TOUR and NIKE TOUR events. Such coverage will be provided to the TOUR at cost upon request.
4. The use of golf carts is prohibited at all times.
5. Only personnel with appropriate credentials will be permitted into the media center and locker room areas.
6. Tape recorders are not permitted in the locker room.
7. Radio broadcasters are not permitted inside the gallery ropes at any time.
8. Broadcasters are not permitted to talk to players during play or after the round until the player has signed his scorecard.

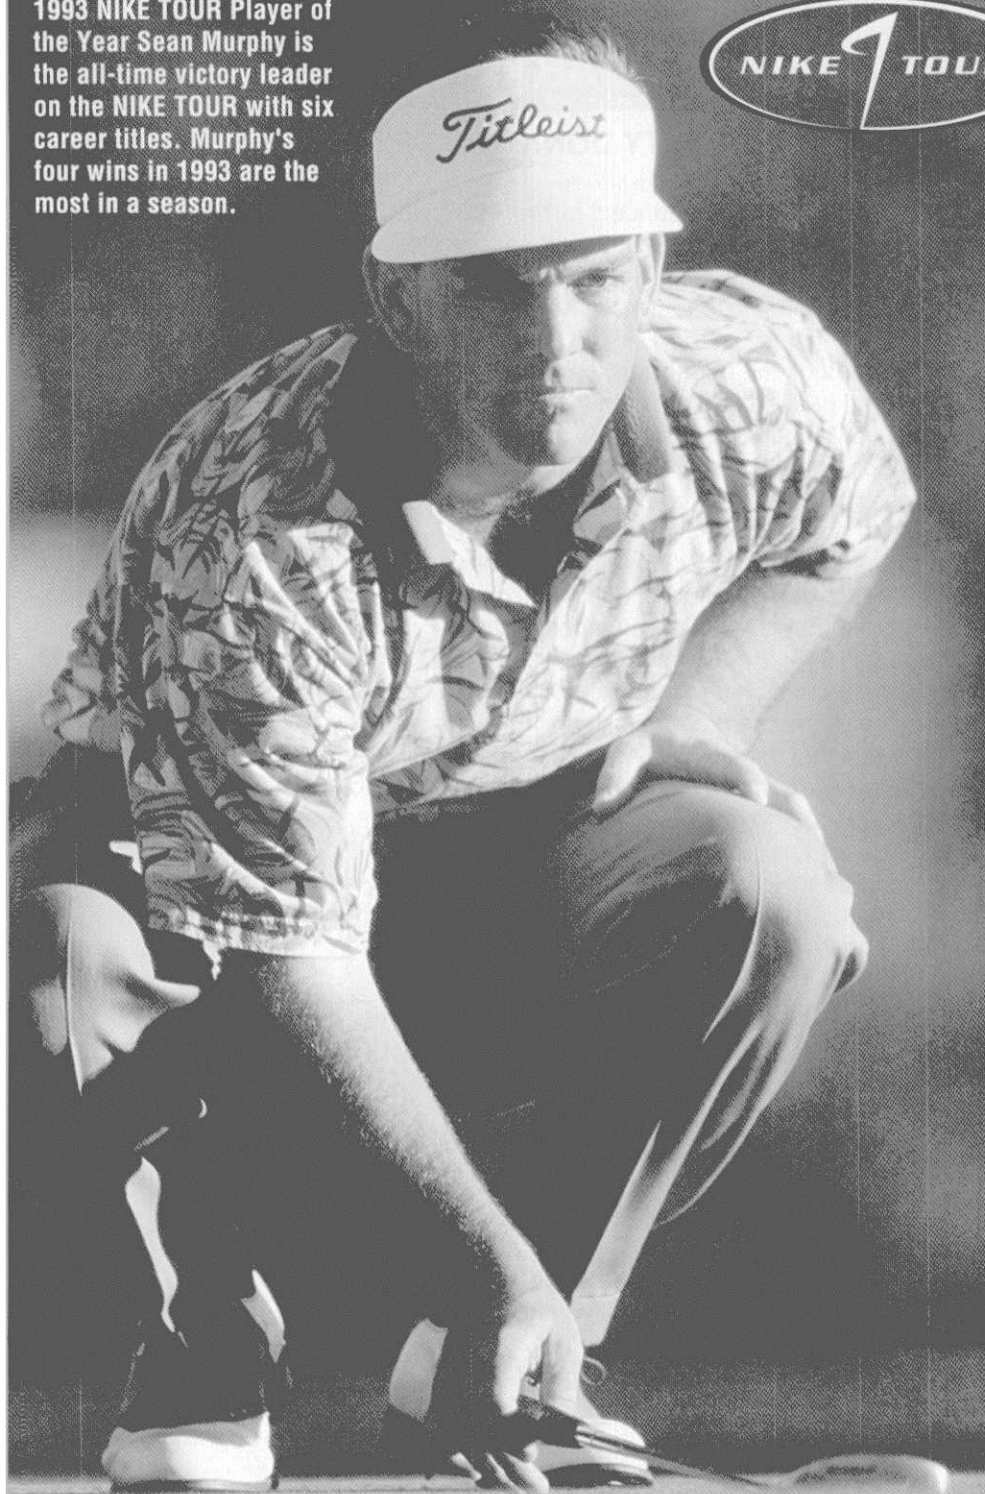

ON-LINE SERVICE REGULATIONS

Media credentials will only be issued to personnel on assignment from recognized golf internet sites, as determined by PGA TOUR in its sole discretion. Individuals representing multiple interests (such as a recognized golf magazine and an internet site) must be separately credentialed for each interest. If you are not specifically credentialed for an on-line service, you may not use any information obtained for that service.

PGA TOUR retains exclusive broadcast rights (including but not limited to network, cable, internet, home video) to all events on the PGA TOUR, SENIOR PGA TOUR and NIKE TOUR. No live or tape-delayed delivery of any event is permitted without the prior written consent of PGA TOUR. Scores and statistics may be distributed only in accordance with these regulations.

1. Coverage must be part of the news portion of the site and must not purport to be live, play-by-play, or real time coverage from the course.
2. Scoring information appearing on a site may be provided no sooner than thirty minutes after the actual occurrence of the shots.
3. Photographic images of PGA TOUR, SENIOR PGA TOUR and NIKE TOUR players may be used for legitimate news coverage only, and may only be used at the conclusion of the day's play. Commercial exploitation of these images without written consent of the players and PGA TOUR is prohibited.

NIKE TOUR PARTNERS IN CHARITY

NIKE TOUR CHARITY DONATIONS EXCEED \$10 MILLION

The NIKE TOUR announced at the 1997 NIKE Knoxville Open that it had reached \$10 million in total charitable donations since its inception in 1990. The total rose to \$11.4 million by the end of the season.

"We are pleased to reach this milestone, and to achieve it at one of our inaugural events is only fitting," said PGA TOUR Commissioner Tim Finchem.

Finchem took the opportunity to repeat comments he made when PGA TOUR tournaments passed \$300 million for charity in 1996.

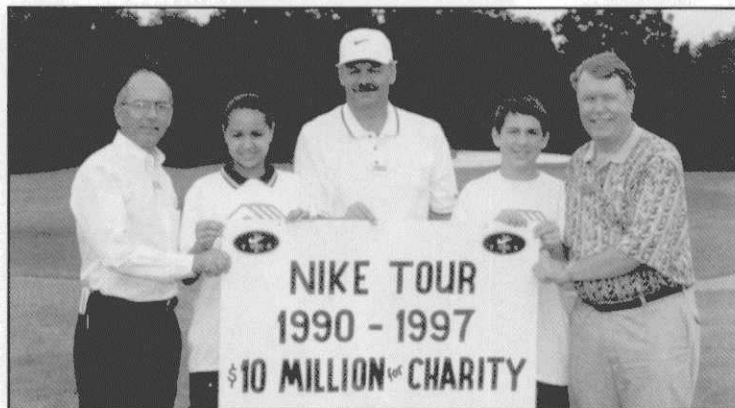

"The contributions TOUR events make to worthy local causes have put our organization in a unique position among professional sports," Finchem said. "Our players and tournaments take a great deal of pride in this milestone because it is evidence of a true commitment to help people less fortunate than ourselves.

"Putting something back into the communities in which our events are played is at the very heart of our structure," Finchem continued. "Golf is very successful, and we are happy to share that success."

Prior to 1998, the overall total raised by PGA TOUR events was nearly \$338 million. The charity dollars generated by NIKE TOUR tournaments in 1997 topped \$1.8 million, a one-season record.

"The fact that the NIKE TOUR reached \$10 million in less than eight years is a tribute to the hard work of thousands of volunteers," Finchem said. "Additionally, our partners at Nike, Inc. and all of the local sponsors deserve a tremendous amount of gratitude for their assistance."

On a national level, charities that benefit from the NIKE TOUR are the Boys & Girls Clubs of America and Special Olympics. Local charities also benefit from the tournaments throughout the year.

TOUR WIVES ASSOCIATION

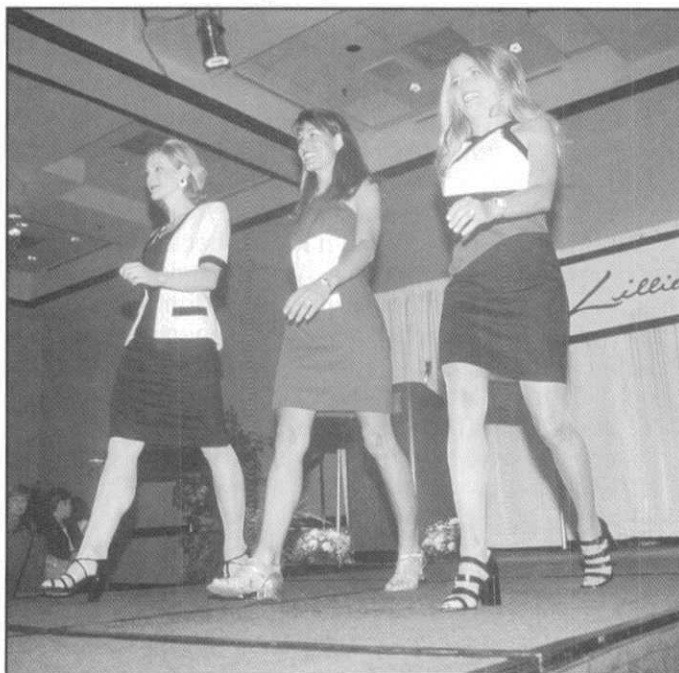

TOUR Wives Association, Inc. is a Florida not-for-profit corporation organized to render support for and provide assistance to needy children and their families through the means of charitable events. The Association is comprised of the wives of professional golfers on the PGA TOUR and NIKE TOUR, as well as individuals and corporations that support the TOUR Wives Association's many charitable endeavors.

Since its inception in 1988, the TOUR Wives Association has supported children's charities across the country by raising money for child-related charities and given much back to the game of golf through personal and monetary contributions. In addition to the funds that are raised, the wives visit different charities in the communities where golf tournaments are held, spending time and playing with children supported by the charities.

While its membership varies from year to year, the commitment of the TOUR Wives Association to making a difference in the lives of needy children stands strong. The Association's dedicated members, past and present, have reached deep into their resources to balance the demands of family, work and travel and have given generously of themselves to realize their ideals.

TOURNAMENT PLAYERS CLUBS

Tournament Players Club

The PGA TOUR's Tournament Players Club Network has maintained a reputation for operating high-quality clubs since its inception nearly 20 years ago.

The TPC Network continues to grow, with nearly 30 facilities currently open or under construction, including several overseas.

By the end of 1997, seven domestic Tournament Players Clubs either were in the planning or construction stage.

TPCs encompass all forms of golf-related operations — resort facilities, corporate/private membership clubs and daily fee courses — and, as such, PGA TOUR Golf Course Properties, Inc. is able to match the type of facility with the demands of each market in which a club operates.

The Network represents the highest standard in the golf course industry, commensurate with the members of the organization it represents, the players of the PGA TOUR. Each Tournament Players Club embodies the trademark of excellence first established with the flagship TPC at Sawgrass in Ponte Vedra Beach, FL, which opened its world-famous Stadium Course in the fall of 1980.

This commitment to overall excellence serves as the foundation for the Network's overall success.

The TPC Network was born through former PGA TOUR Commissioner Deane Beman's desire to provide TOUR players with quality golf courses that also would offer spectators enhanced viewing areas.

Beman also reasoned that development of quality facilities would alleviate the TOUR's dependency on the television dollar, while providing rent-free venues for tournaments. The savings in rent, in turn, would generate both increased purses and greater charitable contributions by the tournaments held at TPCs.

The TPC at Sawgrass was the first Tournament Players Club to hold a PGA TOUR event, becoming the permanent home of THE PLAYERS Championship in 1982. Today, a growing number of PGA TOUR and SENIOR PGA TOUR events are held at TPC facilities each year. In 1997, 15 tournaments were conducted on TPC courses. NIKE TOUR events will be played at TPCs in the future.

Many of the top golf course architects are connected with TPC projects, including Pete Dye, Tom Fazio, Arnold Palmer, Jack Nicklaus, Gary Player, Arthur Hills, Jay Morrish, Tom Weiskopf, Greg Norman and Bob Von Hagge.

Scheduled to open in 1998 are TPC courses designed by Player (TPC at Jasna Polana in Princeton, NJ), Fazio (TPC of Myrtle Beach) and Dye (TPC of Virginia Beach). Palmer will be designing his second Tournament Players Club course, the TPC of The Twin Cities.

Moreover, in recognizing the importance of player input for tournament courses, TOUR members — including Ben Crenshaw, Raymond Floyd, Fuzzy Zoeller, Chi Chi Rodriguez and Lanny Wadkins — have served as design consultants.

Most recently, Hale Irwin was introduced as design consultant for the TPC at Wakefield Plantation in Raleigh, NC, Curtis Strange at the TPC of Virginia Beach, D.A. Weibring at the TPC at Deere Run in Moline, IL, Tom Lehman at the TPC of the Twin Cities and Mark O'Meara at the TPC of Valencia in California.

WORLD GOLF VILLAGE

Ruffin Beckwith
Executive
Director

World Golf Village is one of the most ambitious projects ever undertaken in golf. Scheduled to open in May 1998 along Interstate 95 in Northeast Florida, it will be a major international focal point for the game, as well as a premier tourism, business and golf destination.

The Village will create an environment that not only honors the game of golf and its great players, but also provides an entertaining and educational experience for golfers and non-golfers from around the world.

Its centerpiece is the 75,000-square-foot World Golf Hall of Fame, museum and IMAX Theater. Circling the Village Lake will be the Walk of Champions, honoring each member of the World Golf Hall of Fame.

Overall, World Golf Village promises to be a celebration of a game rich in history and tradition, a theme that will be carried beyond the actual Hall of Fame building and into other components of the Village.

The complex also includes one of the three courses for the Saint Johns Development, of which World Golf Village is a part. The course, developed by Scratch Golf, is named "The Slammer and The Squire" after Hall of Fame design consultants Sam Snead and Gene Sarazen, who worked with architect Robert Weed. A golf academy will be adjacent to the course.

Additional amenities at World Golf Village include the 10-story, 300-room World Golf Resort Hotel and Conference Center, developed by John Q. Hammons, Inc.; The Residences corporate villas by EcoGroup; the Vistana World Golf Village Resort, a complex of interval vacation villas; The Shops at World Golf Village, an upscale shopping area; plus the new headquarters for PGA TOUR Productions and a Mayo Clinic facility.

World Golf Village will be as much an educational experience as it is an entertainment attraction, particularly after the World Golf Library and Resource Center opens in several years. Housed in an independent 11,000-square-foot building, it will become the preeminent source for golf literature, research and information.

Shell Oil Company is the Founding Partner of the World Golf Village.

WORLD GOLF HALL OF FAME

The support the World Golf Hall of Fame has received from the world's major golf organizations distinguishes it as a unique partnership that reflects the universality of the game and promise for further growth.

The Hall of Fame and accompanying exhibits will honor the great players and contributors to the game, and will entertain and inform the public about the rich history and tradition of golf internationally.

Artifacts from the former World Golf Hall of Fame in Pinehurst, NC are being incorporated into the museum exhibits. But the overall experience is intended to interest golfers and non-golfers alike by introducing modern technology and interactive displays that will be continually enhanced.

The building also features an IMAX Theater, with a screen 80 feet high and 60 feet wide, for which a special film about golf is being developed.

The 71 players and contributors inducted into the former Hall of Fame in Pinehurst and/or the LPGA Hall of Fame have been "grandfathered" into the new facility. Annual induction ceremonies for newly elected Hall of Fame members will commence upon the facility's opening, promising to bring together dignitaries from throughout the golf world.

The first two elections for the newly created PGA TOUR and International Ballots were conducted in 1996 and 1997. Johnny Miller was the only player elected in 1996, receiving the necessary 75 percent of votes on the PGA TOUR Ballot. Seve Ballesteros of Spain and Nick Faldo of England became the first players elected through the International Ballot in 1997, their first year of eligibility.

CHARITABLE MISSION OF THE WORLD GOLF FOUNDATION

World Golf Foundation, Inc. is a nonprofit organization that has received the support of all major golf organizations throughout the world. The responsibilities of the World Golf Foundation include managing the World Golf Hall of Fame and IMAX Theater, World Golf Library and various charitable initiatives.

As the Founding Partner of World Golf Village, Shell Oil Company will provide financial support and play a lead role in the World Golf Foundation.

The World Golf Foundation's charitable mission, on behalf of the supporting golf organizations, is to introduce golf to those who otherwise may not have an opportunity to experience the game, and through the golf experience promote scholastic achievement, community service and the values of honesty, integrity and sportsmanship.

To this end, The First Tee was introduced in November 1997 as an initiative to create new facilities and affordable access to golf. This initiative has the support and participation of leading golf organizations and foundations and a wide range of public sector constituencies.

"We want to create affordable entry points to golf for everyone who is interested in playing the game," said former President George Bush, Honorary Chairman of The First Tee.

The vision is to create hundreds of facilities and programs throughout the United States over the next 10 years, impacting those who have not had exposure to the game, particularly youths.

"Those of us who believe in the values of golf want to see the opportunity to play the game extended to all segments of our population," said Tim Finchem, PGA TOUR Commissioner and Chairman of the World Golf Foundation Board of Directors. "This program, The First Tee, can have a tremendous impact on golf — but, more importantly, it can have a real impact on the lives of young people who are attracted to the game."

A menu of model programs can be implemented in communities based on land availability, existing golf facilities, area needs and the level of support of municipalities and other youth programs.

The First Tee will provide golf management expertise, consulting services and land planning to communities and organizations interested in having The First Tee in their areas. While proceeds from the World Golf Hall of Fame will benefit The First Tee, public-private partnerships in each community will be the primary funding source for each facility.

"With the support of the public and private sectors, and with the expertise of so many golf organizations available to this program, golf will find its way into new communities and new segments of the population," Finchem said.

THE FIRST TEE

The First Tee is a World Golf Foundation initiative to create new facilities and affordable access to golf with a special emphasis on youngsters who otherwise may not have an opportunity to experience the game.

The initial two-year goal of The First Tee is to identify sites for 100 golf facilities in various stages of planning, development and operation. Each of these facilities will have the capability of introducing golf to as many as 1,000 children and adults annually.

The true value of the program is based on golf's unique ability to instill and nurture essential values, such as honesty, integrity, sportsmanship and a solid work ethic in young people who are introduced to the game.

This initiative has the support and participation of a variety of key sectors:

- The leading U.S. golf organizations, including the PGA TOUR, United States Golf Association, PGA of America, Ladies Professional Golf Association and Augusta National Golf Club, which are represented on the First Tee Oversight Committee.
- A wide range of public sector constituencies, including the U.S. Department of Housing and Urban Development, National Association of Parks and Recreation, National League of Cities, U.S. Conference of Mayors and the National Association of County Officials.
- A variety of groups, including the Tiger Woods Foundation and the National Minority Golf Foundation, dedicated to extending the reach of golf to new segments of the population.

The initial focus of The First Tee will be on developing financial support and acquiring locations for these golf facilities. Common types of facilities will be a three-hole course, a pitch-and-putt course, a nine-hole executive length course and a full-scale 18-hole course. All of these facilities will feature extensive teaching and practice areas.

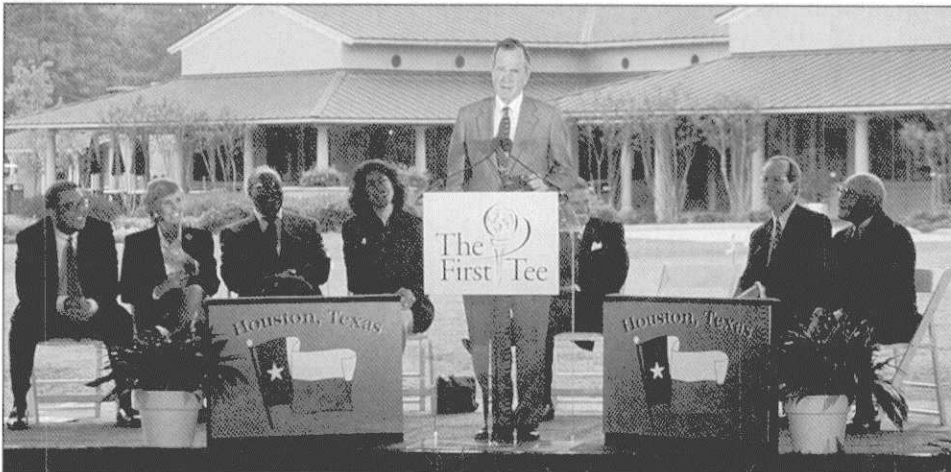

The development effort will depend on support from prominent individuals and organizations who appreciate the values instilled by golf and the game's ability to positively influence young people's lives.

The primary contribution of the initiative will be the provision of expertise and consulting advice, land planning services and other services to reduce the total cost of each project.

Funds raised will be leveraged through public-private partnerships to significantly increase the impact of the initial contributions. Proceeds from the World Golf Hall of Fame will be donated to The First Tee.

The First Tee Board of Trustees will oversee the fundraising, budget and program functions of The First Tee.

Former President George Bush is Honorary Chairman of the initiative.

(On the Internet at <http://www.pgatour.com>)

The PGA TOUR entered cyberspace on January 8, 1997, and the response has exceeded all expectations — making pgatour.com one of the most popular sports sites on the World Wide Web.

Within a few months of operation, pgatour.com was delivering an average of 1.2-million hits — or 120,000 page views — each day. Original projections had centered around 1-million hits a week.

Those numbers will only grow this year as pgatour.com enhances existing features and expands with a host of new opportunities to build the PGA TOUR brand. The number of hits is expected to increase by 30 to 50 percent in 1998.

The heart of pgatour.com remains the comprehensive information it provides about players and tournaments on the PGA TOUR, SENIOR PGA TOUR and NIKE TOUR.

Real-time scoring has proven one of the more popular features — offering fans the opportunity to track their favorite player's progress on a hole-by-hole basis. Audio links to PGA TOUR Radio Network broadcasts further place visitors to pgatour.com in the heart of the action.

With the support of Foundation Sponsors Michelob, IBM, Titleist and Buick, pgatour.com will take on a new look this year.

The statistical database will be expanded to allow comparisons to previous years. Players and fans will be able to participate in chat sessions and listen to press conferences live. E-commerce will allow customers to buy PGA TOUR merchandise and tournament tickets on-line, then have them delivered right to their homes.

Children and adults alike will continue to enjoy the games produced by TOUR licensee EA Sports. A pro-am challenge also will make its debut in 1998.

The World Wide Web is only going to grow, and the PGA TOUR plans to take advantage of the many facets of the medium to broaden its fan base around the world.

PGA TOUR RADIO NETWORK

Since March 1997, the PGA TOUR RADIO NETWORK has been providing Saturday and Sunday stroke-by-stroke tournament coverage. The PGA TOUR RADIO NETWORK also produces a national weekly one-hour magazine show that spotlights players, personalities and stories on the PGA TOUR, SENIOR PGA TOUR and NIKE TOUR. Tournament leaderboard updates are included Thursday through Sunday for each TOUR event throughout the season.

A PGA TOUR RADIO NETWORK schedule can be found in local listings.
