## A MESSAGE FROM Nike

### THE PARTNERSHIP CONTINUES

As we move into the 1999 golf season, Nike is proud to begin our seventh year as title sponsor of the NIKE TOUR. Over this period, the NIKE TOUR has become a critical proving ground for tomorrow's PGA TOUR champions. The NIKE TOUR continues to grow each year in prize money, attendance levels, network television exposure and most importantly, in charitable contributions to local communities. Over the seven years we've been associated with the NIKE TOUR, we too have grown and committed more focus to building more opportunities for golfers to view and play the great game of golf. For us, the intense level of commitment and drive that NIKE TOUR players embody is one of the key reasons we value our partnership with the PGA TOUR.

"We believe in the spirit of competition as represented by the NIKE TOUR," says Phil Knight, Nike, Inc. Chairman and CEO. "Our focus, as it is in other sports, is leveling the playing fields and providing playing opportunities. We want to help the PGA TOUR continue to do everything possible to build the game of golf."

Last year was historic for the NIKE TOUR. National attention was drawn to record rounds of 59 shot by both Notah Begay III and Doug Dunakey. As we begin 1999, we expect more of this kind of exciting action to capture the imagination of America's golfers. We wish everyone involved with the NIKE TOUR another record-setting season in 1999.

## A HISTORY OF THE NIKE TOUR

Even the most optimistic person couldn't have foreseen the success of the NIKE TOUR when the tour kicked off its inaugural season on Thursday, Feb. 2, 1990 at 7:30 a.m. PST at Bakersfield CC in Bakersfield, CA.

The NIKE TOUR began under corporate sponsorship of the Ben Hogan Company as the Ben Hogan Tour. The idea of former PGA TOUR Commissioner Deane R. Beman, the NIKE TOUR was designed as a proving ground for up-and-coming golfers, as well as a place for PGA TOUR veterans to hone their skills as they prepared for the Senior PGA TOUR.

That first event was won by Mike Springer, who went on to win two more times that year and finish fourth on the money list. For the first two years of the tour, the top-5 money winners were awarded with PGA TOUR membership. Beginning in 1992, the PGA TOUR Tournament Policy Board voted that, due to the success graduating players had on the PGA TOUR, that number would be increased to 10.

In 1990, Springer was joined by Jim McGovern, Dick Mast, Ed Humenik and leading money winner and Player of the Year, Jeff Maggert, in the first graduating class.

However, the player who made the biggest impact on the PGA TOUR from the 1990 Ben Hogan Tour was John Daly, winner of the only Ben Hogan Tour Qualifying Tournament. Daly won the PGA Championship as a rookie and went on to finish 17th on the 1991 PGA TOUR money list. Since then he has added three more victories, including another major championship, the 1995 British Open.

It was on the 1991 Ben Hogan Tour that Tom Lehman first established himself as a topflight player. After two nondescript years on the PGA TOUR in the early-1980s, Lehman won a tournament on the 1990 Ben Hogan Tour. But it was 1991 that was the breakthrough season in his comeback. He won three times that year and was the circuit's leading money winner.

Graduating to the PGA TOUR in 1992, he has been one of the TOUR's most spectacular performers since then. In 1996 he won the British Open and THE TOUR Championship on his way to a PGA TOUR record for single-season earnings with \$1,780,159.

Californian John Flannery was the dominant player on the 1992 Ben Hogan Tour winning three times and leading the tour in earnings with \$164,114. His successful campaign made him the Ben Hogan Tour's third Player of the Year.

The big news of 1992 didn't happen on the golf course. It was announced on August 26, 1992 that NIKE Inc., would take over sponsorship of the Ben Hogan Tour beginning with the 1993 season.

Sean Murphy was the star of the 1993 NIKE TOUR. He set records for wins in a season with four, career victories with five, and single-season earnings with \$166,293. He added a sixth title in 1995.

While Sean Murphy was busy setting records, his fellow NIKE TOUR alumni were busy making a name for themselves on the PGA TOUR. Daly had already collected his second career win in the 1992 B.C. Open, and others were beginning to earn their own hardware. Jim McGovern, Mike Standly and Jeff Maggert all collected PGA TOUR titles in 1993, while Mike Springer and Greg Kraft grabbed a pair of unofficial wins.

Mike Springer won the Bakersfield Open, the first-ever NIKE TOUR event, on Feb. 5, 1990.

## A HISTORY OF THE NIKE TOUR (continued)

Since 1994, a minimum of six NIKE TOUR alumni have won each year on the PGA TOUR, including Lehman and Daly's three combined major championships.

The NIKE TOUR Championship also was established in 1993 as a climax to the season. Rookie David Duval won the first NIKE TOUR Championship, which features only the top-50 money winners during the year.

On the 1994 NIKE TOUR, Chris Perry showed that consistency has its own rewards. Although six players collected multiple victories that year, to Perry's lone title in the NIKE Utah Classic, his peers recognized his consistent strong play over the course of the season and selected him NIKE TOUR Player of the Year. He set the single-season earnings record with \$167,148 and collected 10 top-10 finishes. He made every cut that season, and began 1997 with a current streak of 31 consecutive finishes in the money.

The 1994 NIKE TOUR season saw a number of firsts. In June, Tommy Armour III became the first player to win back-to-back tournaments when he won the NIKE Miami Valley Open and NIKE Cleveland Open in consecutive weeks. Jerry Haas accomplished the same feat later in the year when he won the NIKE Tri-Cities Open and followed it with a victory in the NIKE Sonoma County Open.

During the second round of the 1994 NIKE Shreveport Open, Omar Uresti set a record with nine consecutive birdies that not only stands as the NIKE TOUR standard, but is better than the records on the PGA TOUR, Senior PGA TOUR and PGA European Tour.

In May, Vic Wilk became the only left-hander to win a NIKE TOUR event when he was victorious in the NIKE Knoxville Open.

Jerry Kelly continued the trend of the leading money winner setting an earnings record in 1995 when he earned \$188,878 to better Perry's year-old record. Besides winning twice, Kelly posted 15 top-10 finishes.

Celebrated amateur Allen Doyle played the NIKE TOUR after turning professional in the Spring. He won his second event, the NIKE Mississippi Gulf Coast Classic and added two more titles on his way to a second-place finish on the 1995 money list. In 1996 he was the oldest rookie in PGA TOUR history at age 47.

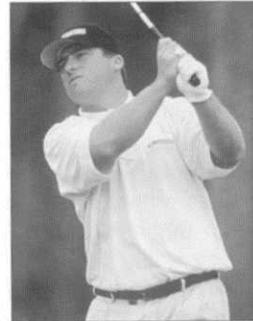

The 1995 season also saw Franklin Langham set the record for earnings in a single season without a victory. Langham earned \$158,990.

Hugh Royer III won twice in 1995, making him the only player in NIKE TOUR history to have multiple victories in two separate seasons.

Stewart Cink was the story of the 1996 NIKE TOUR season. The 1995 College Player of the Year became the only player in NIKE TOUR history to earn more than \$200,000 in a single season when he earned \$251,699. He won three times, including the season-ending NIKE TOUR Championship, and collected 14 top-10 finishes in only 21 events.

Michael Christie was also dominant in 1996 collecting three wins. In his win in Greenville, SC he matched the NIKE TOUR record for lowest score in a 72-hole tournament. He matched the 54-hole tournament record as well when he won the NIKE Utah Classic. His win at the NIKE Permian Basin Open, his second of the year, ended a NIKE TOUR-record streak of 22 different winners to start the season.

P.H. Horgan III, 7th on the money list, and Skip Kendall, 9th, joined Olin Browne and Sean Murphy to finish in the top-10 of the money list twice. In 1997, Chris DiMarco was added to that list.

Chris Smith became the only player to earn a "Battlefield Promotion" to the PGA TOUR with three victories in 1997.

## A HISTORY OF THE NIKE TOUR (continued)

As the 1997 season began, there was, once again, big news off the golf course as NIKE and the PGA TOUR announced in January that their agreement for sponsorship of the NIKE TOUR had been extended through the year 2000.

Another big announcement came when the PGA TOUR Tournament Policy Board voted to increase NIKE TOUR exemptions on the PGA TOUR from 10 to 15, further enhancing the NIKE TOUR's reputation as a proving ground for the next generation of PGA TOUR champions.

1997 also marked the first year of the "Battlefield Promotion," which grants immediate access to the PGA TOUR for any player who wins three NIKE TOUR events in a season. Chris Smith was the first NIKE TOUR player to earn this promotion. He immediately made his presence felt on the PGA TOUR by making the cut in each of his six PGA TOUR events and finishing in fourth place at the CVS Charity Classic.

On the NIKE TOUR, Smith had a record breaking season. He won at the NIKE Upstate Classic and the NIKE Dakota Dunes Open and NIKE Omaha Classic in back-to-back weeks. With the wins in Dakota Dunes and Omaha he joined Tommy Armour III and Jerry Haas as the only players to win consecutive tournaments. He also became the first player to win the same tournament twice, having won the NIKE Dakota Dunes Open in 1995 as well.

Smith's victory in Omaha was a record-setting affair. His 26-under-par 258 total was the record for most strokes under par and low total. His 11-stroke margin of victory was also the NIKE TOUR record.

Mark Carnevale got off to the best start in NIKE TOUR history, finishing third or better in each of his first four tournaments. He opened the year finishing second to Ryan Howison at the NIKE Lakeland Classic. After a victory in the NIKE Inland Empire Open, he finished tied for second in the NIKE Monterrey Open and in third place at the NIKE Louisiana Open. That scorching start allowed him to surpass \$100,000 faster than any other player in NIKE TOUR history. The four tournaments it took were seven less than the record first set by Joe Durant in 1996.

In October, Steve Flesch joined Wilk as the only left-handed winners when he was victorious in the NIKE TOUR Championship. That victory vaulted him from 24th on the money list to fourth, earning him PGA TOUR membership for 1998.

The 1998 season saw more of the kind of action the NIKE TOUR has become known for. During a three-week period late in the spring, Notah Begay III and Doug Dunakey caught the attention of the golf world when each recorded a 59 in competition.

Begay's 13-under-par 59 came in the second round of the NIKE Dominion Open and was highlighted by a five-hole stretch that saw him go birdie, birdie, eagle, birdie, ace. He shot a 9-under-par 27 on his incoming nine to insure his place in the record books.

Three weeks later, Doug Dunakey turned his own 27, this one being 8-under-par, into a place in the NIKE TOUR record book alongside Begay. Amazingly, Dunakey could have had the record on his own, with only a three-putt bogey on his final hole keeping him from posting an incredible 58.

Begay was involved in another piece of NIKE TOUR history when he and Eric Booker engaged in the longest playoff in NIKE TOUR history, a nine-hole affair that was finally won by Booker with a par.

Not only were there personal milestones on the 1998 NIKE TOUR, the tour itself celebrated one when the NIKE Cleveland Open played host to the 250th event in NIKE TOUR history.

Bob Burns was named 1998 NIKE TOUR Player of the Year after leading in earnings with \$178,664 and winning at the NIKE Dominion Open and NIKE TOUR Championship.

## ABOUT THE COMMISSIONER

### Timothy W. Finchem

Commissioner

Timothy W. Finchem became only the third Commissioner in PGA TOUR history on June 1, 1994.

Finchem, 51, succeeded Deane R. Beman, who had served as Commissioner for 20 years. The late Joseph C. Dey was the first Commissioner of the PGA TOUR, serving from 1969 until 1974.

A 7-handicapper, Finchem has been the architect of a restructuring dedicated to expanding earnings opportunities and other benefits for PGA TOUR members domestically and internationally.

He has taken a leadership role in the creation of the World Golf Foundation and its "First Tee" initiative, World Golf Village and World Golf Hall of Fame. He also has spearheaded development of the International Federation of PGA Tours and its World Golf Championships, which begin this year.

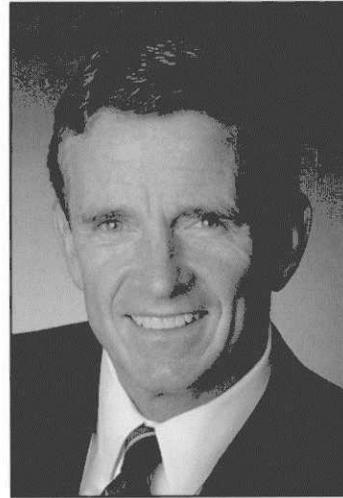

Born in Ottawa, IL on April 19, 1947, Finchem was graduated from Princess Anne High School in Virginia Beach. He attended the University of Richmond on a debate scholarship and received his Bachelor of Arts degree from the school in 1969. He was graduated from the University of Virginia Law School in 1973.

After practicing law in Virginia Beach for three years, Finchem served in the White House as Deputy Advisor to the President for Economic Affairs in 1978 and 1979, then became National Staff Director of the Carter-Mondale Presidential Campaign in 1980. In 1981, Finchem co-founded National Strategies and Marketing Group in Washington, D.C.

Finchem joined the TOUR staff as Vice President of Business Affairs in December 1987 and became Deputy Commissioner and Chief Operating Officer in 1989.

When **Deane Pappas** fired a 6-under-par 64 in the final round of last year's NIKE South Florida Classic to finish tied for sixth, it marked his first top-10 finish of the year. After missing the cut in his next tournament, he ran off five consecutive top-10s to begin the year with six in his first seven events.

**Eric Johnson**, who won his second career NIKE TOUR title at last year's NIKE South Florida Classic, set the Palm-Aire CC Palm Course record for 18 holes with a 7-under-par 63 in the third round.

Palm-Aire CC's second hole, a 470-yard, par-4, was the third toughest hole on the 1998 NIKE TOUR, playing to a stroke average of 4.401. For the week, there were only 13 birdies recorded, compared to 149 bogeys and 15 double-bogeys.

### NIKE GREATER AUSTIN OPEN NOTES

*The final round of the 1998 NIKE Greater Austin Open was played in 50-degree temperatures and 40-m.p.h winds causing the wind chill factor to fall into the low-20s. The trying conditions resulted in a stroke average of 78.540, making it the third toughest round in the history of the NIKE TOUR in terms of scoring average. The second round of the 1991 South Texas Open was the toughest at 81.136, while the third round of that same tournament was third toughest at 80.891. A total of 21 players shot 80 or higher, while the lowest round of the day was 2-over-par 74.*

*The course record of 7-under-par 65 was recorded three times during last year's tournament. **Charlie Rymer** and amateur **Brad Elder** each shot 65 during the second round to better the 5-under-par 67 recorded by **Esteban Toledo** in 1997. **Gene Sauers** fired a matching 65 in the third round.*

***Eric Booker's** first professional victory in the 1997 NIKE Greater Austin Open did not come as he had expected. When play got underway Saturday, Booker shot a 3-under-par 69 to share the lead with **Barry Conser**. Booker completed play Sunday at 1:00 p.m. and waited to see if any player from the afternoon groupings would top his 140 total. "I pictured a long winning putt on the 18th green with my caddie jumping on me," said Booker. Booker spent the afternoon having lunch away from the course and going to a workout facility. He returned to hit range balls in the event of a playoff, which was not needed as he won by one stroke.*

## NIKE SHREVEPORT OPEN NOTES

Every runner-up of the NIKE Shreveport Open from 1993-1997 went on to finish among the top money winners on the NIKE TOUR and earn an exemption onto the PGA TOUR. **Bob May**, second to **Sonny Skinner** in 1993, began the trend by finishing fourth on the money list. He was followed in turn by **Pat Bates** (3rd in 1994), **Chris Smith** (7th in 1995), **Joe Durant** (3rd in 1996) and **Brian Kamm** 7th in 1997). **John Wilson**, who finished second last year after losing in a playoff to **Vance Veazey**, ended the trend by finishing 17th on the 1998 money list.

Southern Trace CC was the site of one of the longest birdie binges in professional golf history. During the second round of the 1994 NIKE Shreveport Open, **Omar Uresti** birdied nine consecutive holes, bettering by one the longest streaks record on the PGA TOUR, SENIOR PGA TOUR and PGA European Tour. In the 1996 tournament, **Joe Durant** put together the second-longest streak in NIKE TOUR history, birdieing seven holes in a row.

**Vance Veazey's** 3-under-par 69 was one of only five rounds in the 60s during last year's final round. **John Wilson**, **Craig Spence** and **Steve Haskins** all recorded the low round of the day with 68s in windy conditions that saw gusts reach 30 m.p.h.

## NIKE UPSTATE CLASSIC NOTES

*Tom Scherrer* was able to do what he had come close to doing two times before—win the NIKE Upstate Classic. In 1994, he finished tied for fourth. The following year he lost in a playoff to **David Toms** after firing an 8-under-par 64 in the final round. After missing the cut in 1997, he came back with a 16-under-par 200 total in the rain-shortened event to defeat **J.L. Lewis** by one stroke.

**Chris Smith's** win at the 1997 NIKE Upstate Classic was his first of three NIKE TOUR victories that year, making Smith the first player to earn a "Battlefield Promotion" to the PGA TOUR. Any player winning three NIKE TOUR events in a single season immediately gains PGA TOUR access. Smith also won the NIKE Dakota Dunes Open and the NIKE Omaha Classic in consecutive weeks.

**Michael Christie** turned the 1996 NIKE Greater Greenville Classic (now NIKE Upstate Classic) into quite a homecoming. The Greenville native shot a final-round 63 to equal what was then the NIKE TOUR record for a 72-hole tournament at 23-under-par 265.

## NIKE HUNTSVILLE OPEN NOTES

*The NIKE Huntsville Open replaced the NIKE Alabama Classic on the NIKE TOUR's 1998 schedule. And while its predecessor was played for four years at Cherokee Ridge CC in Union Grove, the NIKE Huntsville Open initially was slated to be held on the River Course at Hampton Cove Golf Course, part of the Robert Trent Jones Golf Trail. However, spring flooding forced a change of venue as the tournament moved to the Highlands Course, the second layout at Hampton Cove.*

***Dennis Paulson** earned his first NIKE TOUR victory with a par on the first hole of a playoff with rookie **Brent Schwarzrock**. Schwarzrock went over the green on No. 18, the playoff hole, was stymied by a pine tree and went on to make double bogey. Having earned just \$720 entering the NIKE Huntsville Open, Schwarzrock's \$25,538 payday was his largest of the season. **Perry Moss**, the 54-hole leader, just missed the Paulson-Schwarzrock playoff by bogeying the final hole.*

***Dennis Paulson**, whose \$40,500 paycheck for winning the NIKE Huntsville Open jumped him to second place on the NIKE TOUR money list with \$61,397, made a 15-foot putt on the 72nd hole to salvage par and force a playoff with **Brent Schwarzrock**.*

NOTE: The NIKE Huntsville Open is not on the 1999 NIKE TOUR schedule.

### NIKE SOUTH CAROLINA CLASSIC NOTES

*Harrison Frazar was forced to work overtime on Sunday of the 1997 NIKE South Carolina Classic. Saturday's third round was postponed due to rain, and for the first time in NIKE TOUR history 36 holes were played on Sunday. Frazar, a NIKE TOUR rookie at the time, shot 68-67 in the opening rounds and matching 67s on Sunday. "I played a lot of 36-hole days in college that were tougher than this," said Frazar. "In college, you have five-hour rounds, carry your own bag and an assistant coach gives you a bag lunch between rounds. Today, I had a caddie and got to rest for over an hour after lunch between rounds."*

*The first two champions of the NIKE South Carolina Classic, Tom Lehman (1991) and John Flannery (1992), went on to win Player of the Year honor in the year in which they won in Florence.*

*With his victory in last year's NIKE South Carolina Classic, Gene Sauers became the first former PGA TOUR champion to win on the NIKE TOUR since Mark Carnevale won the NIKE Inland Empire Open in January of 1997. Sauers won the 1986 Bank of Boston Classic and 1989 Hawaiian Open on the PGA TOUR.*

## NIKE CAROLINA CLASSIC NOTES

*Jimmy Green set a course and tournament record with an 11-under-par 60 in the opening round of last year's event. Green's record-setting round included a 3-putt bogey on the 230-yard, par-3 14th hole. Green broke the previous course record of 64, set in 1996 by club member John Lang.*

*At the time, Green's 60 tied the low score in the nine-year history of the NIKE TOUR, set by **Jeff Woodland** (1991 NIKE Dakota Dunes Open) and **Clark Dennis** (1997 NIKE St. Louis Golf Classic).*

*The Raleigh Country Club is the first **Donald Ross**-designed course to host a NIKE TOUR event. The 6,724-yard layout was the last course designed by Ross prior to his death in 1948. The course was refurbished, but not redesigned, in 1994.*

*Jimmy Green made only two bogeys in the 1998 event. The first came on the 14th hole of his record-setting opening round 60. Green held the lead throughout the tournament until he bogeyed the 18th hole in the final round to fall out of a tie with winner **Brian Bateman**.*

## NIKE DOMINION OPEN NOTES

**Notah Begay III** was the major story at the 1998 NIKE Dominion Open. The Native American, who is half Pueblo and half Navajo, recorded the first 59 in NIKE TOUR history. Begay's round featured a NIKE TOUR record 27 on his back nine, the front nine at The Dominion Club. After an opening 70, he held a four-stroke lead following his historic round, which broke the NIKE TOUR record of 60 set by **Jeff Woodland** at the 1991 Dakota Dunes Open and equaled by **Clark Dennis** at the 1997 NIKE St. Louis Golf Classic and by **Jimmy Green** earlier in the year at the NIKE Carolina Classic.

**Bob Burns**, whose best previous NIKE TOUR finishes were seconds in the 1992 South Texas Open and the 1993 Ozarks Open, earned his first NIKE TOUR victory by shooting a final-round 72 to win the 1998 NIKE Dominion Open. Burns shared the 54-hole lead with **Mike Sullivan** after posting a third-round 66, matching the day's best round.

**Tom Scherrer** played in his third consecutive playoff, a NIKE TOUR record, at the 1994 NIKE Dominion Open. Scherrer won the NIKE Knoxville Open and lost at the NIKE Greater Greenville Classic the two weeks before losing a playoff with **Sonny Skinner** in Richmond.

### NIKE MIAMI VALLEY OPEN NOTES

**Michael Clark** recorded the sixth hole-in-one in the tournament's history when he used a 7-iron to ace the 152-yard, par-3 8th hole during Sunday's final round. Clark, who fired a bogey-free 65 on Sunday to jump into 4th place, also had a hole-in-one at the 1997 Laurel Creek Classic in New Jersey.

**Doug Dunakey** tied the NIKE TOUR record for lowest 18-hole score with his 59 in the second round of last year's event. Dunakey missed a chance for golfing history when he three-putted the final green from 25 feet. Dunakey also tied the NIKE TOUR record for lowest nine-hole score with an 8-under-par 27 on his opening nine holes.

**Doug Dunakey** set a NIKE TOUR record for the lowest 36-hole score (126) with rounds of 59 and 67 in the second and third rounds of the 1998 tournament. The previous low for 36 holes was 127, and shared by four players, including 1997 NIKE Miami Valley Open champion **Trevor Dodds**.

**Ryan Howison**, who shared the lead during Sunday's final round, capped off a solid two-week stretch by finishing tied for second at the NIKE Miami Valley Open after a runner-up finish at the NIKE Knoxville Open. Howison's good play vaulted him from 85th to 13th on the money list at the time.

NOTE: The NIKE Miami Valley Open is not on the 1999 NIKE TOUR schedule.

## NIKE GREENSBORO OPEN NOTES

Tournament winner **Joe Ogilvie** recorded his first career double-eagle during Sunday's final round, holing out his pitching wedge from 137 yards on the 489-yard, par-5 14th hole. The shot lifted Ogilvie into a four-stroke lead over playing partner and eventual runner-up **Chris Zambri**.

**Matthew Lane** broke the Sedgefield CC course record with his 10-under-par 60 in Friday's second round. Lane, who started his round on the back nine, turned his front side in 7-under 28 after two eagles, including one on the par-4 17th hole. Lane needed only 23 putts to better the previous course mark of 63.

Ogilvie's winning score of 266 established a new record on the famed Donald Ross-designed course. **George Archer** (1967) and **Billy Casper** (1968) each fired a 13-under-par 267 in winning the Greater Greensboro Open (par-70) and **Chi Chi Rodriguez** also posted a 17-under-par 267 (par-71) in capturing the 1973 GGO.

Sedgefield Country Club was the second Donald Ross-designed course to host a NIKE TOUR event. The Raleigh Country Club was the first to do it, hosting the NIKE Carolina Classic seven weeks earlier in the year.

**Sergio Garcia's** tie for third place was the best finish ever by an amateur in a NIKE event. Garcia finished at 8-under-par (272) for the week. The previous best finish by an amateur was **Michael Combs'** 5th-place at the 1991 Tri-Cities Open.

## NIKE ST. LOUIS GOLF CLASSIC NOTES

*Jimmy Green* recorded a hole-in-one on his second hole of the 1998 tournament. Using a seven-iron, he aced the 11th hole, a 196-yard, par-3. The next day, *Jay Davis* recorded a hole-in-one with a 3-iron on the 224-yard, par-3, 15th hole. The only other tournament in 1998 that had two players record aces in the same week was the NIKE Lakeland Classic, the first tournament of the year. There were three aces recorded at the NIKE Ozajks Open.

*Clark Dennis* fired an 11-under-par 60 in the final round of the 1997 NIKE St. Louis Golf Classic, shattering the course record. Dennis' attempt at a 59 and a place in golf history fell shay when his 25-foot birdie putt on the final hole came up short. "There wasn't any way you can be more nervous that I was standing over that putt," Dennis said afterward.

*Todd Gleaton's* winning score of 23-under-par 261 at the 1997 NIKE St. Louis Golf Classic tied the NIKE TOUR 72-hole scoring record. Gleaton's time in the record book was short-lived, however, as *Chris Smith* won the NIKE Omaha Classic three weeks later with a record-setting 26-under-par 258.

## NIKE DAKOTA DUNES OPEN NOTES

**Robin Freeman** recorded his 10th career hole-in-one during Thursday's opening round. Freeman aced the 171-yard, par-3 14th hole with a 7-iron. It was third hole-in-one in tournament history.

**Don Walsworth** registered a pair of eagles in Thursday's opening round. Walsworth, who started play on the back nine, chipped in from 25 yards for an eagle on the 585-yard, par-5 1st hole and then canned a four-foot putt for an eagle three on the 520-yard, par-5 7th hole.

**John Maginnes'** wire-to-wire win at the Dakota Dunes Open was just the second wire-to-wire victory on the NIKE TOUR in 1998. Maginnes joined **Michael Clark**, winner of the NIKE Hershey Open, as the year's only wire-to-wire winners. Both players' winning scores were 14-under-par.

**John Maginnes** playoff victory over **Sean Murphy** and **Ryan Howison** marked the second time in three years that the NIKE Dakota Dunes Open went to extra holes to determine a champion, and the third time in the nine-year history of the event. **Rick Todd** defeated **David Jackson** to win the 1992 tournament, while **Gary Webb** defeated **Chad Magee** to win in 1996 at the Dakota Dunes Country Club.

### NIKE OMAHA CLASSIC NOTES

*Don Walsworth* fired a 10-under-par 61 in Thursday's opening round at the NIKE Omaha Classic, shattering the course record held by five other players, including **Gene Sauers**, who fired an 8-under-par 63 in the morning round on Thursday, before Walsworth even stepped onto the course. **Marco Gortana** came close to matching Walsworth's record when he fired a 9-under-par 62 in the second round.

**Matt Gogel** and **Jay Williamson** are such good friends that Gogel and his in-laws hosted Williamson and his wife during the 1998 NIKE Omaha Classic at The Champions Club. After both men finished the 72-hole tournament at 13-under 271, Gogel and Williamson staged a match-play standoff to secure the \$45,000 paycheck. It wasn't over until Gogel's 17-foot birdie attempt on the fourth playoff hole rolled short of the cup and he tapped in. Moments later, Williamson couldn't connect on his 15-foot effort to match par.

## NIKE OZARKS OPEN NOTES

The NIKE Ozarks Open never had more than one hole-in-one in any of its previous eight events. The 1998 edition had three. After **Greg Twiggs**, a native of Greensboro, North Carolina, recorded a hole-in-one during the opening round, two more players joined in the fun on Friday. **Eric Johnson** recorded the second hole-in-one of the week and **Casey Brown**, recorded the third hole-in-one. Brown's hole-in-one is the ninth in the nine-year history of the NIKE Ozarks Open. The NIKE TOUR record for most holes-in-one in a single event is four set at the 1994 NIKE Cleveland Open.

**Anthony Painter** sank a 20-foot birdie putt on the 72nd hole to earn his first NIKE TOUR title by one stroke over Scott Dunlap at the 1998 NIKE Ozarks Open. Painter's 21-under-par 267 broke the tournament record of 271 set by Tommy Tolles in 1993 and matched by **Mike Schuchart**, **Stuart Appleby** and **P.H. Horgan III** two years later.

**Arden Knoll** recorded back-to-back eagles in the opening round of the 1998 NIKE Ozarks Open. Knoll, who started the day on hole 10, eagled the par-5, 18th and followed by making a three on the par-5 first hole. He is one of only 14 players in the history of the NIKE TOUR to accomplish the feat.

### NIKE FORT SMITH OPEN NOTES

**John Kernohan** and **Mark Hensby** each broke the Hardscrabble Country Club course record with 8-under par 62's on Saturday. The previous course record was 63, set prior to the course renovations a year earlier.

**David Kirkpatrick** recorded back-to-back eagles during Thursday's opening round. Kirkpatrick canned a 35-foot putt for eagle on the 510-yard 11th hole and then holed a 115-yard wedge shot on the 370-yard 12th hole.

**Jaime Gomez**, **David Berganio** and **Woody Austin** each registered two eagles in a single round. Gomez eagled two par-5's (No. 3 and No. 11) during his round on Friday, while Berganio eagled two par-5's (No. 6 and No. 11) on Saturday and Austin eagled No.3 and No. 11 on Sunday.

**Mark Hensby's** win in 1998 was his first professional victory since winning the 1996 Illinois Open. His first-place check of \$40,500 more than doubled his previous earnings for the year (\$27,461) and vaulted him from 65th to 28th on the money list at the time.

**Mark Hensby** joined fellow Australian **Anthony Painter** in the winner's circle in back-to-back weeks. Painter won the week prior to the NIKE Fort Smith Classic at the NIKE Ozarks Open.

**Nick O'Hern** accomplished something very players do - putting four 2's on his scorecard for nine holes. O'Hern birdied all three par 3's and eagled a par 4 on the front nine of his round on Friday and finished six-under par for the nine holes.

## NIKE BOISE OPEN NOTES

**J.P. Hayes** set the course record of 10-under-par 61 in the second round of the 1994 NIKE Boise Open, only to have **Woody Austin** tie his mark the next day. Austin had a much bigger moment in his career during 1995, when he won the Buick Open and later was named the PGA TOUR's Rookie of the Year

**Mike Sposa** set the NIKE Boise Open record with a 19-under-par 265 (63-71-66-65) total, breaking the previous mark of 267 set in 1997 by champion **Iain Steel**. Sposa collected his first NIKE TOUR career victory by winning the 1998 NIKE Boise Open. Sposa's \$54,000 share of the \$300,000 purse was the largest check as a professional.

**Rocky Walcher** recorded a hole-in-one during the opening round of play at the 1997 NIKE Boise Open. There have only been two other aces in the history of the event, which first was played in 1990. Those holes-in-one were recorded by **Mike Brisky** (1991) and **J.P. Hayes** (1994).

## NIKE SAN JOSE OPEN NOTES

**Gene Sauers** fired a course-record 11-under-par 61 in Friday's second round to move to the top of the leaderboard at 13-under-par 131. Sauers had an eagle and nine birdies en route to breaking the Almaden Country Club course record of 63, set by **Jay Synkelma** during the third round of the 1997 tournament.

**Gene Sauers'** course-record 61 was also a competitive career best for him. In his 15-year professional career, he had shot 62 twice, the last time coming at the 1990 Southwestern Bell Colonial on the PGA TOUR.

**Robin Freeman** became the second player in 1998 to register two wins via playoffs. Freeman won the NIKE Knoxville Open by defeating **Ryan Howison** with a three-foot birdie putt on the third extra hole. Freeman needed a four-footer for birdie on the fourth playoff hole to beat **Tom Scherrer** and **Sean Murphy** at San Jose. **Matt Gogel's** two wins in 1998, at the NIKE Omaha Classic and the NIKE Tri-Cities Open, also came by way of playoffs.

NOTE: The NIKE San Jose Open is not on the 1999 NIKE TOUR schedule.

### NIKE INLAND EMPIRE OPEN NOTES

*David Berganio had two eagles in the opening of the 1998 event. Berganio eagled the par-5 6th and 12th holes en route to a first-round 66, which was one stroke off the lead set by **Matt Gogel**.*

*Charles Raulerson established a new tournament scoring with his score of 20-under-par 268. Raulerson put together rounds of 66-70-66-66 to better the previous 72-hole mark of 16-under-par (272) set by **Jim Estes** in 1996.*

*Charles Raulerson completed a red-hot stretch with his win at the 1998 NIKE Inland Empire Open, his second victory in three weeks. Raulerson registered his first career win two weeks earlier at the NIKE Oregon Classic. The last person to win twice in a short stretch was **Chris Smith**, who had back-to-back wins at the 1997 NIKE Dakota Dunes Open and the NIKE Omaha Classic.*

*The 1998 NIKE Inland Empire Open enjoyed a significant change on the NIKE TOUR's schedule. From its inaugural event in 1994, the tournament was either the first or second event on the NIKE TOUR calendar. Last year's tournament was the last full-field event on the NIKE schedule, the 29th of 30 overall.*

## NIKE TOUR CHAMPIONSHIP NOTES

The 1998 NIKE TOUR Championship purse of \$350,000 was the largest in the history of the NIKE TOUR, as was the \$63,000 first-place check collected by **Bob Burns**, who vaulted from No. 14 to No. 1 on the final money list after his three-stroke victory.

Hometown favorite **Jimmy Green** of nearby Daphne, AL needed to finish in the top three in order to move far enough up the money list to gain his 1999 PGA TOUR card. Green began the week at No. 21 and jumped all the way to No. 11 on the 1998 final money list with a third-place finish and a check for \$29,750.

**Michael Clark** set a course record with his 7-under-par 65 in the third round of the 1998 NIKE TOUR Championship. Clark, winner of the NIKE Hershey Open earlier in the season, enjoyed the only bogey-free round of the 72-hole tournament in bettering Magnolia Grove's Crossings Course record by one stroke.

## 1998 NIKE TOUR PLAYERS OF THE MONTH

The first NIKE TOUR Player of the Month was given in August 1996. Voted by a national media panel, the NIKE TOUR Player of the Month is awarded each month of the NIKE TOUR season from March through October. Each recipient gets a special medal commemorating his achievement. The following are the 1998 NIKE TOUR Players of the Month:

### MARCH — John Wilson

Started the month with a tie for 48th at the NIKE Greater Austin Open, which he followed with a tie for second at the NIKE Monterrey Open, two strokes behind winner Joe Ogilvie. He recorded his first NIKE TOUR title with a five-stroke victory at the NIKE Louisiana Open, worth \$54,000, lifting Wilson to the top of the NIKE TOUR money list. He posted six of 12 rounds in the 60s during the month of March.

### APRIL — Dennis Paulson

Following ties for fifth at the NIKE Shreveport Open and 10th at the NIKE Upstate Classic, he finished the month on a strong note with his first NIKE TOUR victory at the NIKE Huntsville Open. His triumph in Huntsville gave him his fourth top-10 finish of the short season. He finished tied for 10th at the NIKE South Florida Open in January.

### MAY — Gene Sauers

Sauers, a two-time winner on the PGA TOUR, captured his first NIKE TOUR title at the NIKE South Carolina Classic, making him the first former PGA TOUR champion to win on the NIKE TOUR since Mark Carnevale won the NIKE Inland Empire Open in February 1997. He followed his victory with a fifth place finish at the NIKE Knoxville Open.

### JUNE — Doug Dunakey

Began the month with a second-place finish in the NIKE Miami Valley Open, after firing a 59 in the second round, matching the NIKE TOUR record for 18 holes first set by Notah Begay III, who shot his 59 three weeks earlier at the NIKE Dominion Open. The following week won his first NIKE TOUR title at the NIKE Cleveland Open. Six strokes off the lead after 36 holes, Dunakey shot consecutive rounds of 65 on the weekend for his first NIKE TOUR victory.

### JULY — John Maginnes

Captured his second NIKE TOUR title at the NIKE Dakota Dunes Open. Maginnes, who won the NIKE San Jose Open in 1995, birdied the 72nd hole at Dakota Dunes CC to force a playoff with Sean Murphy and Ryan Howison. He then chipped-in on the second playoff hole to earn a NIKE TOUR-record \$58,500 first-place check. He also tied for 28th at the NIKE Hershey Open in his only other NIKE TOUR start. In two PGA

TOUR starts in July, he tied for fifth at the Deposit Guaranty Golf Classic and for 29th at the CVS Charity Classic.

### AUGUST — Woody Austin

Consistency won the NIKE TOUR Player of the Month honors for Austin. The former PGA TOUR Rookie of the Year (1995) had four top-20 finishes in August. Austin finished tied for 17th at the NIKE Dakota Dunes Open, tied for 12th at the NIKE Ozarks Open, second at the NIKE Fort Smith Classic and second again, losing in a playoff to Stiles Mitchell in the NIKE Permian Basin Open.

### SEPTEMBER — Notah Begay III

Began the month with a tie for 14th at the NIKE Tri-Cities Open, then finished second at the NIKE Boise Open and the NIKE Oregon Classic, his third and fourth runner-up finishes of the season. All 12 of Begay's rounds for the month were par or better and featured a closing 65 at the NIKE Boise Open. They added up to a stretch of 20 consecutive par-or-better rounds that started at the NIKE Fort Smith Classic.

### OCTOBER — Bob Burns

Bob Burn's season-ending NIKE TOUR Championship victory, worth a record \$63,000, propelled him to the top of the NIKE TOUR money list with \$178,664. His victory finish brought the California native a full exemption on the 1999 PGA TOUR. Burns, who captured his first NIKE TOUR title in May at the NIKE Dominion Open, defeated Jeff Gove by three strokes to join four other players as two-time winners in 1998

# PGA TOUR MEDIA REGULATIONS

## GENERAL REGULATIONS

The following regulations are to be followed by *all* members of the media:

1. A daily "inside the ropes" access sticker is necessary to walk inside the gallery ropes. Remain not more than an arm's length from the ropes, so as to blend into the gallery and appear to be a part of the gallery at all times.
2. Players are not to be distracted during play. Do not interview players or ask them to pose for photographs during their rounds.
3. Do not interview players or ask them to pose for photographs during their practice sessions before a round, except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player, up against the ropes and not in the middle of the areas where it could be distracting to other players.
5. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards. Media are not allowed in the scoring tent.

## WORKING PRESS REGULATIONS

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day—and others requested—will be interviewed following their rounds in the Press Room interview area.

## TAPE RECORDER REGULATIONS

1. All tape recorder work should be done in the proximity of the Press Room and/or clubhouse.
2. Tape recorders are not permitted in the locker room.
3. Tape recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

## WEATHER DELAY GUIDELINES

1. During weather delay situations, no one other than players and essential staff will be permitted in the locker room. This means the media are not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media will be welcome in the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are not permitted in the locker room.)

## PHOTOGRAPHY REGULATIONS

Photo credentials will be issued only to personnel on assignment from recognized and accredited publications or news services. Requests for credentials must be made by the appropriate news agency, not by the photographer. PGA TOUR reserves the right to refuse photo credentials in its sole discretion.

Photographic likenesses of PGA TOUR, SENIOR PGA TOUR and NIKE TOUR players and tournament courses may be used only by the news agency which the photographer represents. Any other use must be approved in advance in writing by PGA TOUR.

Commercial exploitation of player or course photographs without written consent of the players or courses and PGA TOUR is prohibited.

A limited number of photo stickers, which permit the wearer access inside the gallery ropes, may be issued. Photographers who do not have stickers must stay outside the gallery ropes. Photographic assistants will not be issued stickers.

Cameras may be used only by accredited media representatives who have been assigned photo credentials, and such use is subject to the following conditions:

1. Photographers with stickers must stay within one arm's length of the ropes at all times. Photographers without stickers are not permitted inside the ropes at any time.
2. The use of golf carts is prohibited at all times.
3. Photographers must not position themselves in the line of play. If requested to move by a player, his caddie or an official, the photographer will do so without delay or discussion.
4. No photograph shall be taken until a player has completed his stroke.
5. Players should not be asked to pose during a round.
6. Noise-free equipment must be used at all times.
7. Cameras are not permitted in the scoring tent or in the locker rooms.

## **NIKE TOUR PARTNERS IN CHARITY**

### **NIKE TOUR CHARITABLE DONATIONS APPROACH \$14 MILLION**

NIKE TOUR tournaments continue to reach new milestones each year in its charitable donations. Since its inception in 1990, the NIKE TOUR has contributed a total of \$13.9 million to various local and national charities. The charity dollars generated by NIKE TOUR events in 1998 topped \$2.5 million, a one-season record, breaking the previous year's total of \$1.8 million.

We are pleased to continually reach new milestones in our donations to charity," said PGA TOUR Commissioner Tim Finchem. "It is a credit to all the volunteers who work so hard each year to make each event a successful tournament."

Finchem noted that PGA TOUR tournaments passed \$38.5 million for charity in 1998.

"The contributions TOUR events make to worthy local causes have put our organization in a unique position among professional sports," Finchem said. "Our players and tournaments take a great deal of pride in the milestones because it is evidence of a true commitment to help people less fortunate than ourselves.

"Putting something back into the communities in which our events are played is at the very heart of our structure," Finchem continued. "Golf is very successful, and we are happy to share that success."

Prior to 1999, the overall total, since the first charity donation of \$10,000 by the 1938 Palm Beach Invitational, raised by PGA TOUR events topped \$392 million. The SENIOR PGA TOUR has generated \$63 million for charity since 1989. Added to the NIKE TOUR donations, the total amount generated by all three tours now reaches \$479 million.

"The NIKE TOUR continues to exceed all of our projections regarding charitable donations. It is a tribute to the hard work of the thousands of volunteers," Finchem said. "Additionally, our partners at NIKE, Inc. and all of the local sponsors deserve a tremendous amount of gratitude for their assistance."

On a national level, charities that benefit from the NIKE TOUR are the Boys & Girls Clubs of America and Special Olympics. Local charities also benefit from the tournaments throughout the year.

## TOUR WIVES ASSOCIATION

TOUR Wives Association, Inc. is a Florida not-for-profit corporation organized to render support for and provide assistance to needy children and their families through the means of charitable events. The Association is comprised of the wives of professional golfers on the PGA TOUR and NIKE TOUR, as well as individuals and corporations that support the TOUR Wives Association's many charitable endeavors.

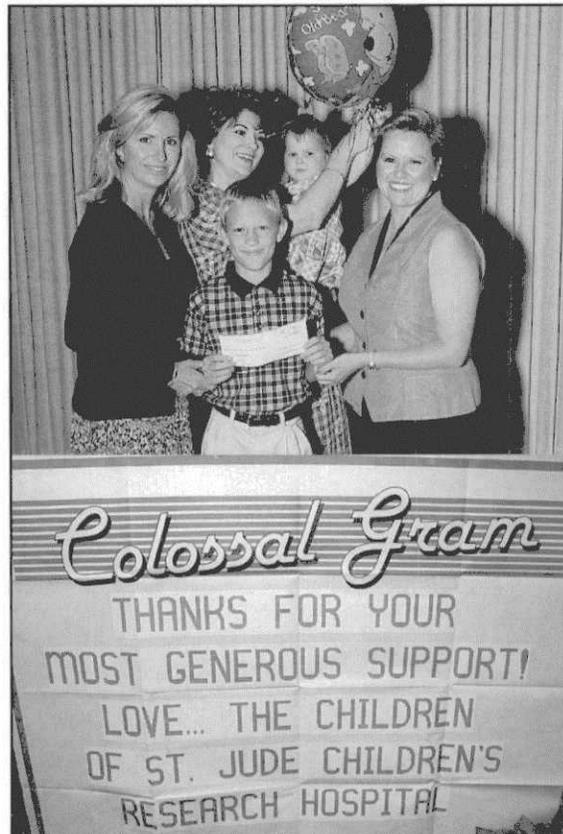

Since its inception in 1988, the TOUR Wives Association has supported children's charities across the country by raising money for child-related charities and given much back to the game of golf through personal and monetary contributions. In addition to the funds that are raised, the wives visit different charities in the communities where golf tournaments are held, spending time and playing with children supported by the charities.

While its membership varies from year to year, the commitment of the TOUR Wives Association to making a difference in the lives of needy children stands strong. The Association's dedicated members, past and present, have reached deep into their resources to balance the demands of family, work and travel and have given generously of themselves to realize their ideals.

The TOUR Wives Association celebrated its 10th anniversary during the 1998 season with a luncheon in Memphis hosted by ALSAC/St. Jude Children's Research Hospital. After the luncheon, the Wives Association presented a \$10,000 check to the hospital, which is the official charity of the FedEx St. Jude Classic.

## TOURNAMENT PLAYERS CLUBS

### Tournament Players Club

The PGA TOUR's Tournament Players Club Network has maintained a reputation for operating high-quality clubs since its inception nearly 20 years ago.

The TPC Network continues to grow, with nearly 30 facilities currently open or under construction, including several overseas.

By the end of 1998, nine domestic Tournament Players Clubs either were in the planning or construction stage.

TPCs encompass all forms of golf-related operations — resort facilities, corporate/private membership clubs and daily fee courses — and, as such, PGA TOUR Golf Course Properties, Inc. is able to match the type of facility with the demands of each market in which a club operates.

The Network represents the highest standard in the golf course industry, commensurate with the members of the organization it represents, the players of the PGA TOUR. Each Tournament Players Club embodies the trademark of excellence first established with the flagship TPC at Sawgrass in Ponte Vedra Beach, FL, which opened its world-famous Stadium Course in the fall of 1980.

This commitment to overall excellence serves as the foundation for the Network's overall success.

The TPC Network was born through former PGA TOUR Commissioner Deane Beman's desire to provide TOUR players with quality golf courses that also would offer spectators enhanced viewing areas.

Beman also reasoned that development of quality facilities would alleviate the TOUR's dependency on the television dollar, while providing rent-free venues for tournaments. The savings in rent, in turn, would generate both increased purses and greater charitable contributions by the tournaments held at TPCs.

The TPC at Sawgrass was the first Tournament Players Club to hold a PGA TOUR event, becoming the permanent home of THE PLAYERS Championship in 1982. Today, a growing number of PGA TOUR and SENIOR PGA TOUR events are held at TPC facilities each year. In 1998, 15 tournaments were conducted on TPC courses. NIKE TOUR events will be played at TPCs in the future.

Many of the top golf course architects are connected with Tournament Players Club projects, including Pete Dye, Tom Fazio, Arnold Palmer, Jack Nicklaus, Gary Player, Arthur Hills, Jay Morrish, Tom Weiskopf, Greg Norman and Bob Von Hagge. Palmer is designing his second Tournament Players Club course, the TPC of The Twin Cities.

The TPC at Jasna Polana (Princeton, NJ), designed by Player, opened in 1998. Scheduled to open in 1999 are the TPC of Myrtle Beach, designed by Fazio; the TPC of Virginia Beach, designed by Dye; and the TPC at Deere Run (Moline, IL), designed by D.A. Weibring.

Moreover, in recognizing the importance of player input for tournament courses, TOUR members — including Ben Crenshaw, Raymond Floyd, Fuzzy Zoeller, Chi Chi Rodriguez and Lanny Wadkins — have served as design consultants.

Others are Hale Irwin for the TPC at Wakefield Plantation in Raleigh, NC, Curtis Strange at the TPC of Virginia Beach, Tom Lehman at the TPC of the Twin Cities and Mark O'Meara at the TPC at Valencia in California.

## WORLD GOLF VILLAGE

**Ruffin Beckwith**  
Executive  
Director

World Golf Village is one of the most ambitious projects ever undertaken in golf. Situated along Interstate 95 in Northeast Florida, it is a major international focal point for the game, as well as a premier tourism, business and golf destination.

The Village offers an environment that not only honors the game of golf and its great players, but also provides an entertaining and educational experience for golfers and non-golfers from around the world.

Its centerpiece is the 75,000-square-foot World Golf Hall of Fame, museum and IMAX Theater. Circling the Village Lake is the Walk of Champions, honoring each member of the World Golf Hall of Fame.

Overall, World Golf Village is a celebration of a game rich in history and tradition, a theme that carries beyond the actual Hall of Fame building and into other components of the Village.

The complex also includes one of the three courses for the Saint Johns Development, of which World Golf Village is a part. The course, developed by Scratch Golf, is named "The Slammer and The Squire" after Hall of Fame design consultants Sam Snead and Gene Sarazen, who worked with architect Robert Weed. The Slammer and The Squire serves as home for the Liberty Mutual Legends of Golf, which is played the week before THE PLAYERS Championship.

Additional amenities at World Golf Village include the 10-story, 300-room World Golf Resort Hotel and Conference Center, developed by John Q. Hammons, Inc.; The Residences corporate villas by EcoGroup; the Vistana Resort at World Golf Village, a complex of interval vacation villas; The Shops at World Golf Village, an upscale shopping area; plus the new headquarters for PGA TOUR Productions. Future components include a golf academy, Mayo Clinic facility and a spa.

Shell Oil Company is the Founding Partner of the World Golf Village. The number to call for World Golf Village information is 904-940-4000; its web site is [www.wgv.com](http://www.wgv.com).

## WORLD GOLF HALL OF FAME

The support the World Golf Hall of Fame has received from the world's major golf organizations distinguishes it as a unique partnership that reflects the universality of the game and promise for further growth.

The Hall of Fame and accompanying exhibits honor the great players and contributors to the game, and entertain and inform the public about the rich history and tradition of golf internationally.

Artifacts from the former World Golf Hall of Fame in Pinehurst, NC were incorporated into the museum exhibits. But the overall experience is intended to interest golfers and non-golfers alike by introducing modern technology and interactive displays that continually are being enhanced.

The building also features an IMAX Theater, with a screen 80 feet high and 60 feet wide, for which a special film about golf is being developed.

The 71 players and contributors inducted into the former Hall of Fame in Pinehurst and/or the LPGA Hall of Fame were "grandfathered" into the new facility. Annual induction ceremonies for newly elected Hall of Fame members are held each March, bringing together dignitaries from throughout the golf world.

The first elections for the PGA TOUR and International Ballots were conducted in 1996 and 1997. Johnny Miller was the only player elected in 1996, receiving the necessary 75 percent of votes on the PGA TOUR Ballot. Seve Ballesteros of Spain and Nick Faldo of England became the first players elected through the International Ballot in 1997, their first year of eligibility. Faldo was inducted in 1998 while Ballesteros will be inducted this March, joined by the late Lloyd Mangrum, who was admitted in 1998 via the PGA TOUR Ballot.

## CHARITABLE MISSION OF THE WORLD GOLF FOUNDATION

World Golf Foundation, Inc. is a nonprofit organization that has received the support of all major golf organizations throughout the world. The responsibilities of the World Golf Foundation include managing the World Golf Hall of Fame, the IMAX Theater and various charitable initiatives.

As the Founding Partner of World Golf Village, Shell Oil Company provides financial support and plays a lead role in the World Golf Hall of Fame and its charities.

One of the World Golf Foundation's charitable missions, on behalf of the supporting golf organizations, is to introduce golf to those who otherwise may not have an opportunity to experience the game, and through the golf experience promote scholastic achievement, community service, and the values of honesty, integrity and sportsmanship.

To this end, The First Tee was introduced in Nov. 1997 as an initiative to create new facilities and affordable access to golf. This initiative has the support and participation of various key sectors, including leading golf organizations and foundations, and a wide range of public sector constituencies.

"We want to create affordable entry points to golf for everyone who is interested in playing the game," said former President George Bush, Honorary Chairman of The First Tee.

The vision is to create hundreds of facilities and programs throughout the United States over the next 10 years, impacting those who have not had exposure to the game, particularly youth.

"Those of us who believe in the values of golf want to see the opportunity to play the game extended to all segments of our population," said Tim Finchem, PGA TOUR Commissioner and Chairman of the World Golf Foundation Board of Directors. "This program, The First Tee, can have a tremendous impact on golf – but, more importantly, it can have a real impact on the lives of young people who are attracted to the game."

A menu of model programs can be implemented in communities based on land availability, existing golf facilities, area needs and the level of support of municipalities and other youth programs.

The First Tee provides golf management expertise, consulting services and land planning to communities and organizations interested in having The First Tee in their areas. While proceeds from the World Golf Hall of Fame benefit The First Tee, public-private partnerships in each community are the primary funding source for each facility.

"With the support of the public and private sectors, and with the expertise of so many golf organizations available to this program, golf will find its way into new communities and new segments of the population," Finchem said.

## THE FIRST TEE

The First Tee is a World Golf Foundation initiative to create new facilities and affordable access to golf, with special emphasis on youngsters who otherwise may not have an opportunity to experience the game.

The initial two-year goal of The First Tee is to identify sites for 100 golf facilities in various stages of planning, development and operation. Each of these facilities will have the capability of introducing golf to as many as 1,000 children and adults annually.

In November of 1998, nearly one year to the day that the initiative first was announced, the inaugural First Tee National Association meeting was held at World Golf Village. More than 220 civic, business and political leaders attended, representing nearly 50 First Tee Chapters or Chapters in development.

The true value of the program is based on golf's unique ability to instill and nurture essential values, such as honesty, integrity, sportsmanship and a solid work ethic in young people who are introduced to the game.

This initiative has the support and participation of a variety of key sectors:

- The leading U.S. golf organizations, including the PGA TOUR, United States Golf Association, PGA of America, Ladies Professional Golf Association and Augusta National Golf Club, which are represented on the First Tee Oversight Committee.
- A wide range of public sector constituencies, including the U.S. Department of Housing and Urban Development, Bureau of Land Management, National Association of Parks and Recreation, National League of Cities, U.S. Conference of Mayors and the National Association of County Officials.
- A variety of groups, including the Tiger Woods Foundation and the National Minority Golf Foundation, dedicated to extending the reach of golf to new segments of the population.

The First Tee currently is focused on developing financial support and acquiring locations for these golf facilities. Common types of facilities include a three-hole course, a nine-hole executive length course, a full-scale 18-hole course and a 21-hole facility. All of these facilities will feature extensive teaching and practice areas and a multi-use clubhouse.

The development effort depends on support from prominent individuals and organizations who appreciate the values instilled by golf and the game's ability to positively influence young people's lives.

Primary contributions of the initiative include the provision of expertise and consulting advice, land planning services and other services to reduce the total cost of each project.

Funds raised will be leveraged through public-private partnerships to significantly increase the impact of the initial contributions. Proceeds from the World Golf Hall of Fame are being donated to The First Tee.

The First Tee Board of Trustees oversees the fundraising, budget and program functions of The First Tee. President George Bush is Honorary Chairman of the initiative.

**(On the Internet at <http://www.pgatour.com>)**

The PGA TOUR entered cyberspace on January 8, 1997, and the response has exceeded all expectations — making pgatour.com one of the most popular sports sites on the World Wide Web.

Since its launch, pgatour.com has grown to well over one-and-one-half-million page views per day. Those numbers will only grow this year as pgatour.com again enhances existing features and expands with new content areas. Growth in 1999 is projected at an additional 50 percent.

The heart of pgatour.com remains the comprehensive information it provides about players and tournaments on the PGA TOUR, SENIOR PGA TOUR and NIKE TOUR.

Real-time scoring has proven one of the more popular features — offering fans the opportunity to track their favorite player's progress on a hole-by-hole basis. The Broadcast Booth provides regular early-round coverage for "in-office" listening. Audio links to PGA TOUR Radio broadcasts further place visitors to pgatour.com in the heart of the action. Video, instruction and special features round out the site.

With the support of Foundation Sponsors Michelob, IBM, Titleist and Buick, pgatour.com launched a new, more versatile look.

Players and fans can participate in chat sessions and listen to press conferences live. E-commerce allows customers to buy PGA TOUR merchandise on-line, then have them delivered right to their homes.

Games and contests abound, as do interactive opportunities.

The World Wide Web is only going to grow, and the PGA TOUR plans to take advantage of the many facets of the medium to broaden its fan base around the world.
