Official Media Guide of the SENIOR PGA TOUR

## A MESSAGE TO THE MEDIA

The SENIOR PGA TOUR enters its 22nd season in 2001 with momentum and several exciting developments.

Player of the Year Larry Nelson is coming off one of the most productive years ever on the SENIOR TOUR. Doug Tewell bested Tom Kite, Tom Watson and Lanny Wadkins in a very competitive Rookie of the Year race. Multiple victors Bruce Fleisher, Hale Irwin, Gil Morgan and Hubert Green continued their winning ways and "Super Seniors" George Archer and Lee Trevino proved they can still compete with the younger guys by capturing victories. A record 15 SENIOR TOUR members won in excess of \$1 million in official prize money.

The 2001 schedule features 38 official money events plus seven unofficial money events in the United States, Mexico, Canada, Puerto Rico and The Bahamas with SENIOR TOUR players competing for official prize money approaching \$59 million.

2001 features the debut of The SENIOR PGA TOUR on CNBC and the Charles Schwab Cup, as well as the debuts of Bruce Lietzke and Mark McCumber. The launch of CNBC marks an exciting and innovative new era in television and promotional opportunities for the SENIOR TOUR, while the Charles Schwab Cup will create a season-long focus for players, fans and the media with its season-ending bonus competition. Both of these developments will significantly enhance the SENIOR TOUR and provide a great deal of excitement. We welcome Bruce and Mark, and the other new players joining the TOUR in 2001.

As the SENIOR TOUR continues to grow so does its appeal internationally, which is evidenced by the TOUR's 17 international members.

We welcome the Siebel Classic in Silicon Valley to the 2001 schedule and look forward to the new format in St. Louis at the Enterprise Rent-A-Car Match Play Championship. The schedule also features better spacing of dates for the four senior major championships.

Charity continues to drive the SENIOR TOUR as evidenced by a record \$11.58 million in charitable donations in 2000. We thank our tournaments, sponsors and fans for their devotion and commitment.

We appreciate the outstanding coverage the media gives the SENIOR TOUR, its players and tournaments throughout the year and thank you for helping us tell our story.

The Communications Department at the PGA TOUR welcomes the opportunity to assist you throughout the year. Please do not hesitate to contact any member of our headquarters staff for further assistance.

## WELCOME CHARLES SCHWAB CUP

This year marks an extraordinary milestone in the relationship between the PGA TOUR and Charles Schwab & Co., Inc.

Charles Schwab, the Official Investment Firm of the PGA TOUR and SENIOR PGA TOUR, has always been a strong supporter of the PGA TOUR. By providing retirement plan services to PGA TOUR players and staff, as well as investment services to TOUR players and their families, Schwab has been committed to the promotion and support of professional golf. Beginning in 2001, Schwab and the TOUR have enhanced the relationship by developing a landmark program in golf.

The Charles Schwab Cup, a season-long, points-based program for SENIOR TOUR players, is the first of its kind for the SENIOR PGA TOUR.

"Schwab's commitment through the Charles Schwab Cup is unprecedented in its size and scope, and reflects the strength of the SENIOR TOUR in the sports marketplace," PGA TOUR Commissioner Tim Finchem said. "Charles Schwab & Co. has been an outstanding marketing supporter of the TOUR and has also done a tremendous job in handling our investments. We're extremely pleased in the creation of the Charles Schwab Cup program and what it will do for Schwab, the SENIOR TOUR and our new broadcast partner, CNBC."

The Charles Schwab Cup rewards the top performers and participation over the course of the season. Beginning with the season-opening MasterCard Championship, SENIOR TOUR players will compete to earn Charles Schwab Cup points based on official money won by top-10 finishers, including ties, in every official money tournament, with points rounded off to a three - or two-digit numeral.

For example, the points breakdown for a \$1.4 million full-field event will include:

Position	Earnings	Charles Schwab Cup Points
First	\$210,000	210
Second	\$123,200	123
Third	\$100,800	101
Fourth	\$84,000	84
Fifth	\$67,200	67
Sixth	\$56,000	56
Seventh	\$50,400	50

## WELCOME CHARLES SCHWAB CUP

The 2001 Charles Schwab Cup winner will be announced at the season-ending SENIOR TOUR Championship and will be presented by Schwab co-CEO and Chairman, Charles R. Schwab. In keeping with Schwab's commitment to smarter investing, the winner will receive the Charles Schwab Cup's grand prize of \$1 million dollars in a tax-deferred annuity, with payments made in annual installments over 10 years. Similar annuity programs will be awarded for second place (\$500,000), third place (\$300,000), fourth place (\$200,000) and fifth place (\$100,000).

"With one million dollars at stake, the Charles Schwab Cup provides SENIOR TOUR players an incredible incentive to compete even harder and a reason to play more tournaments," SENIOR TOUR player Tom Kite said. "It's also a huge incentive to never let up through the end of the SENIOR TOUR Championship, given the yearlong structure of the competition."

The relationship between Charles Schwab and the TOUR also helped paved the way for an additional milestone - the broadcast of Charles Schwab Cup events on CNBC. As a new partner to the PGA TOUR, CNBC is committed to helping Charles Schwab and THE TOUR further promote SENIOR PGA TOUR golf and the exceptional personalities who participate in SENIOR PGA TOUR events. Throughout the season, CNBC will keep golf fans up-to-date with weekly Charles Schwab Cup standings.

## HISTORICAL HIGHLIGHTS OF THE SENIOR PGA TOUR

The SENIOR PGA TOUR, called by many the most successful professional sports venture of the 1980s, sprang from discussions in late 1978 and 1979 in which leading senior players expressed interest in playing several "senior" events, provided sponsors could be found and if the PGA TOUR would administer the tournaments. Prior to that time, only certain special events for tournament professionals over the age of 50 were held, most notably the Legends of Golf and the PGA Seniors' Championship.

When the SENIOR TOUR debuted in 1980, there were two co-sponsored events and \$250,000 in prize money. In 2001, the SENIOR TOUR has 45 total events and 38 official events, with purses approaching \$59 million. It enters its 22nd season.

Much of the upswing in interest in forming the SENIOR TOUR can be attributed to the Legends of Golf tournament, a two-man, better-ball event which began in 1978 at Onion Creek Country Club in Austin, Texas. The response of the 17 two-man teams, the gallery and television spectators dictated that the focus on older golfers was a natural. The Liberty Mutual Legends of Golf continues annually, played now at The Slammer & The Squire at World Golf Village in St. Augustine, FL.

Senior professional golf began in 1937 with the start of the PGA Seniors' Championship. The first two events were held at the Augusta National Golf Club, home of the Masters Tournament. Bobby Jones, the co-founder of Augusta National, gave his blessing to playing host to the event, specifically with the idea of honoring professionals who were too old to contend against younger players in the Masters. Jock Hutchinson won the first event.

Today, the SENIOR TOUR has four major championships. They include the PGA Seniors' (now PGA Seniors Championship); The Countrywide Tradition, which began in 1989; the U.S. Senior Open, which began in 1980 and the Ford SENIOR PLAYERS Championship, which began in 1983.

In order to be eligible for a SENIOR TOUR event, a player must be at least age 50 prior to the first tournament obligation. The Georgia-Pacific Super Seniors is for players age 60 and over who compete over the first 36 holes of a 54-hole tournament and the first 54 holes of a 72-hole event.

Listed below are some significant highlights that have made it one of the most exciting, lucrative and fastest-growing sports enterprises in the world.

Palmer becomes the first player to win both a U.S. Open and U.S. Senior Open crown in his career. **October 17** — Art Wall makes the first hole-in-one on the SENIOR TOUR, during the second round of the Suntree Seniors Classic in Melbourne, FL.

With 27 events worth more than \$6 million in total purses, the SENIOR TOUR is large enough to merit its establishment as a division of the PGA TOUR and its own logo. The SENIOR TOUR also becomes a distinct and separate operating and financial entity, with net revenue going to fund a newly created Senior Player Retirement Plan. A cable television package with ESPN allows seven events to enjoy national cable exposure. With the production costs partially funded by Mazda Motors of America, Mazda helps create the SENIOR TOUR's first-ever, season-long bonus pool (\$300,000) and sponsors a \$1 million season-ending team event in conjunction with the LPGA. **March 17** — Australian Peter Thomson, a five-time British Open winner, wins the first of a record nine tournaments at The Vintage Invitational. **June 23** — Arnold Palmer cruises to an easy 11-stroke win at the Senior Tournament Players Championship at Canterbury GC near Cleveland. ## ABOUT THE COMMISSIONER

### Timothy W. Finchem

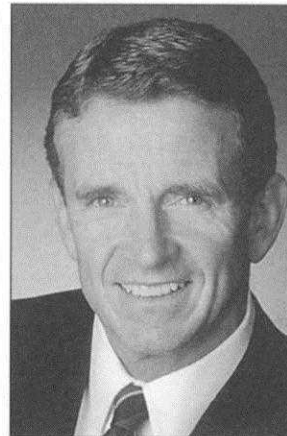

Commissioner

Timothy W. Finchem, 53, is the third Commissioner of the PGA TOUR.

Finchem succeeded Deane R. Beman as Commissioner on June 1, 1994. Beman had served for 20 years, replacing the late Joseph C. Dey, who had been the TOUR's Commissioner in its first five years, 1969-74.

Finchem, Deputy Commissioner and Chief Operating Officer of the TOUR under Beman since 1989, had joined the TOUR staff as Vice President of Business Affairs in 1987.

As Commissioner, Finchem has greatly expanded the earnings opportunities for PGA TOUR players domestically and internationally. He also has taken leadership roles in the formation of the International Federation of PGA Tours and the World Golf Foundation, Inc.

His personal dedication to the success of the World Golf Foundation's First Tee initiative has helped that program achieve its initial objectives in developing facilities that will have an impact on the game for years to come.

"Our primary purpose as a membership organization is to create outstanding playing and earnings opportunities for our players," Finchem says, "and we are proud of what our tournaments do for charity (more than \$500 million raised) and the active role we have been able to take as an organization in growing the game for future generations."

Born in Ottawa, IL on April 19, 1947, Finchem was graduated from Princess Anne High School in Virginia Beach. He attended the University of Richmond on a debate scholarship, receiving his Bachelor of Arts degree in 1969. He was graduated from the University of Virginia Law School in 1973.

After practicing law in Virginia Beach for three years, Finchem served in the White House as Deputy Advisor to the President in the Office of Economic Affairs in 1978 and 1979. In the early 1980s, Finchem co-founded the National Marketing and Strategies Group in Washington, D.C.

A physical fitness advocate, Finchem is a member of the President's Council on Physical Fitness. He also is the recipient of the Golf Course Superintendents Association of America's Old Tom Morris Award for 2001.

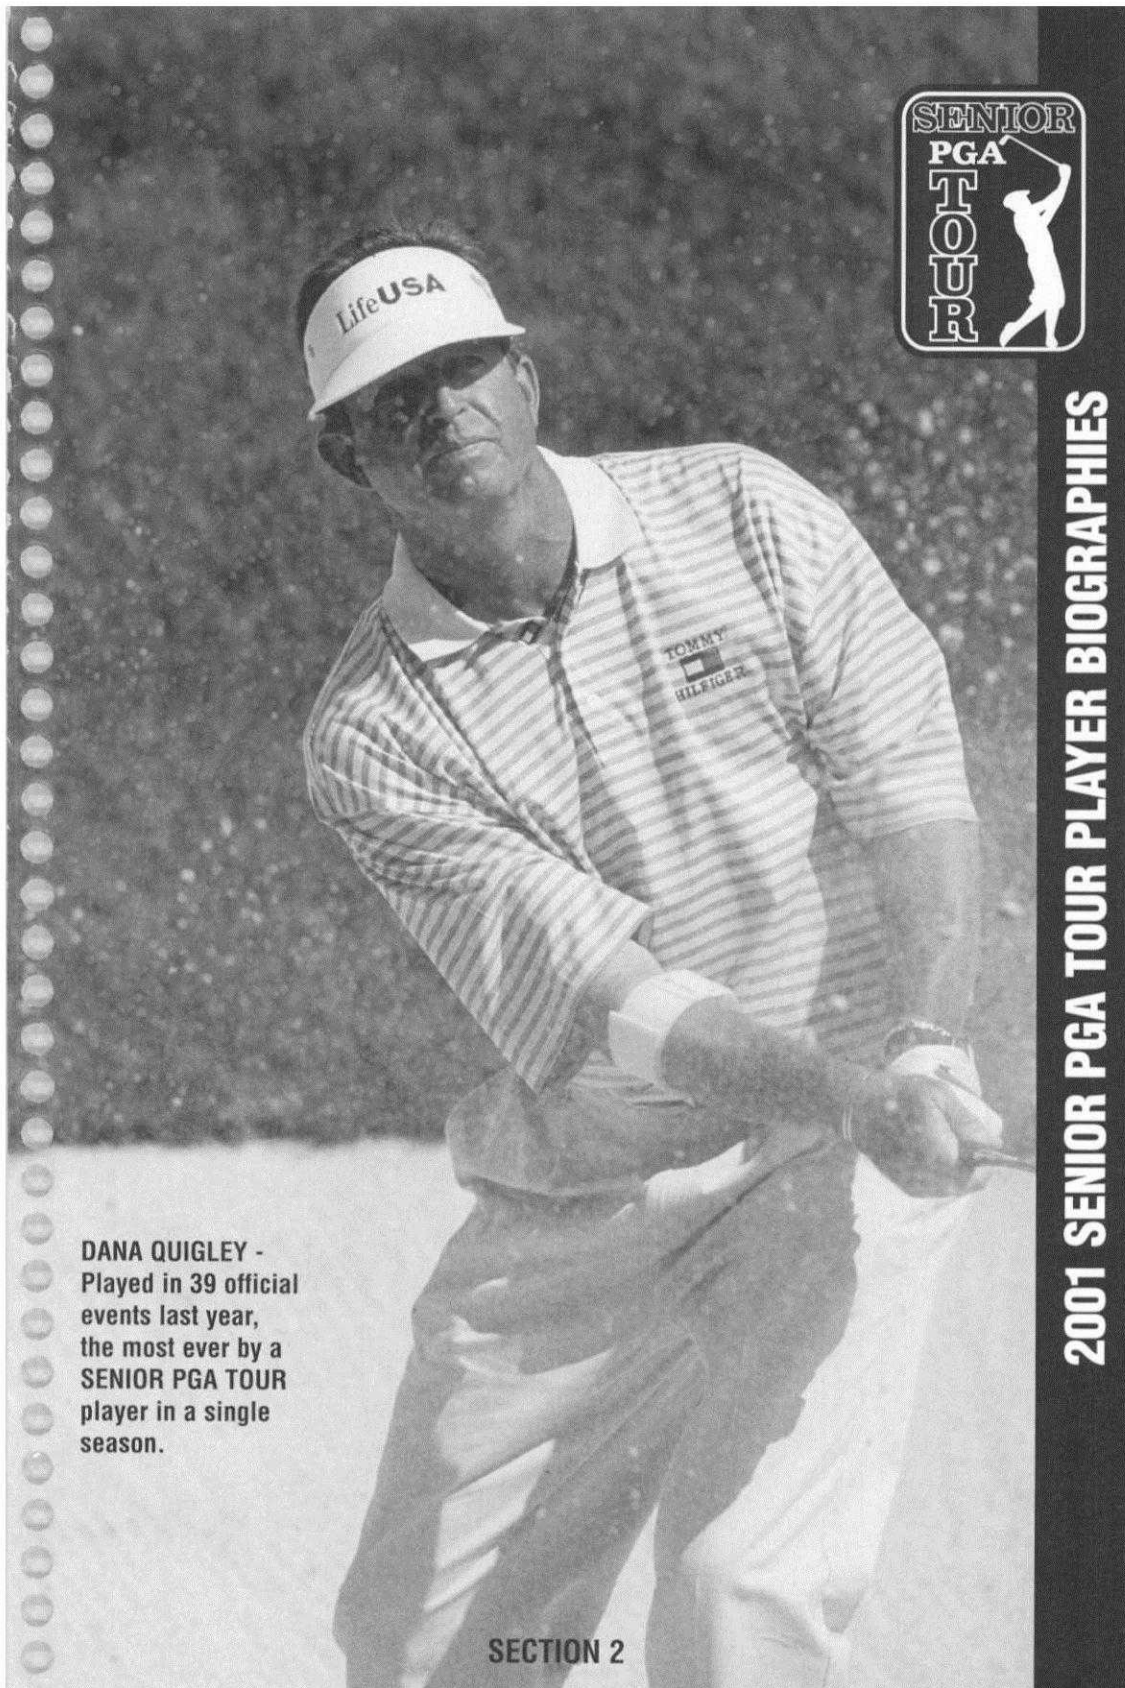

Married to the former Holly Bachand, Finchem is a father of four. The Finchems live in Ponte Vedra Beach, FL.

## THINGS TO LOOK FOR IN 2001

- The SENIOR TOUR will have two new events on the schedule and several others will play at new courses. New to the schedule this year are both The Siebel Classic in Silicon Valley and the Allianz Championship in Des Moines. The SBC Senior Classic will move to Valencia CC in the Los Angeles area. The Liberty Mutual Legends of Golf moves to The King & The Bear course at World Golf Village. The State Farm Senior Classic will be played at The Hayfields Club just north of Baltimore and the 3M Championship in Minnesota will be played on the Tournament Players Club of the Twin Cities layout. The Boone Valley event, the Enterprise Rent-A-Car Match Play Championship, features a new format.
- Bruce Lietzke becomes eligible to join the SENIOR TOUR at the SBC Senior Open in Chicago, while Don Pooley can start his SENIOR TOUR career at the Kroger Senior Classic in Cincinnati. Mark McCumber becomes eligible at the Vantage Championship. All three players are immediately exempt on the SENIOR TOUR by virtue of their Combined Career Earnings.
- Jim Dent is looking to finish among the top-31 money-winners for a 13th consecutive year. He's been among this elite group every season since joining the SENIOR TOUR in 1989.
- Hale Irwin and Lee Trevino have a chance to become the first player to reach 30 all-time victories on the SENIOR TOUR. They start this season with 29 wins each. Don January was the first player to reach the 20-win plateau on the SENIOR TOUR when he triumphed at the 1986 Greenbrier/American Express Championship.
- Irwin also will be seeking to win at least one official tournament for a seventh consecutive season and will try to extend his run of consecutive \$2-million seasons to five straight years.
- Should he earn the Arnold Palmer Award again, Larry Nelson would become the seventh player to repeat as the leading money-winner on the SENIOR TOUR. Irwin was the last to claim back-to-back money titles in 1997-1998.
- Gil Morgan will be looking for a fifth consecutive All-Around statistical title.
- Harold Henning is just eight starts short of his 500th appearance on the SENIOR TOUR while Orville Moody needs to play in 18 more events to reach the 500 mark. Gene Littler is just 14 starts shy of 1,000 PGA TOUR/SENIOR PGA TOUR appearances in his career.
- Even though there is a change of venue, three-time SBC Senior Classic champion Joe Inman can become the first player to win the same tournament four years in a row. Hale Irwin was the last of four other players to attempt the quad at the 1999 Senior PGA Championship, but finished T11 at PGA National Golf Club.
- Mike McCullough starts the season having played in 147 straight tournaments he's been eligible for. Dana Quigley has played in 129 consecutive events he's been eligible for and 115 straight tournaments overall.
- Gibby Gilbert (January), Jim Colbert (March), Walter Morgan (May) and Kermit Zarley (September) all join the ranks of the Georgia-Pacific Super Seniors program.

**BEST 2000 SENIOR PGA TOUR FINISHES:** 2 — Comfort Classic; T8 — PGA Seniors' Championship.

**2000 SEASON:** Was hampered by back problems in the middle of the year and was forced to miss a month in the summer...Returned to defend his AT&T Canada Senior Open title and was par/better in the opening round of 10 straight tournaments from mid-August through mid-October. Only had two sub-70 Sunday rounds during that stretch, but managed to finish second to Gil Morgan by a stroke at the rain-shortened Comfort Classic in Indianapolis. Moved into contention at the Brickyard Crossing on Saturday with a sizzling 8-under 64, his SENIOR TOUR career-low and the low round of the day, but never had the opportunity to challenge Morgan as bad weather moved into the area and washed out the final round...Also T8 at the rain-shortened PGA Seniors' Championship...Was the first-round leader at The Countrywide Tradition, but finished 19th after a 77 on Sunday...Was also tied for the opening-round lead at the Audi Senior Classic in Mexico, but was even par on the weekend in Puebla and eventually T18...One of the SENIOR TOUR's longest hitters, finishing the season ranked 4th in Driving Distance at 283.8 yards-per-drive...Inducted into the South Dakota Sports Hall of Fame during the season.

**SENIOR TOUR CAREER HIGHLIGHTS: 1999:** Captured his first SENIOR TOUR event in just his seventh start, defeating Hale Irwin in a playoff at the AT&T Canada Senior Open Championship. Made par on the second extra hole for the win after holing a clutch 30-foot birdie putt on the 18th green in regulation to force the overtime session. Canadian triumph at Richelieu Valley near Montreal earned him an immediate full exemption for a calendar year. Had successfully open qualified to get into the tournament and thus became just the seventh Monday qualifier in history to win a SENIOR TOUR event and the first since Dana Quigley at the 1997 Northville Long Island Classic...Selected by the PGA of America as the Senior Club Professional Player of the Year in 1999.

**OTHER CAREER HIGHLIGHTS:** Was a member of the PGA TOUR between 1973 and 1975...Played a total of 60 PGA TOUR events...Won the 1973 Yuma Open, a satellite tour event...Played in the 1971 U.S. Amateur and finished in the top-20 at Wilmington CC...Also played in the 1972 U.S. Open at Pebble Beach, but missed the cut...Best career finish was a T9 at the 1973 Quad Cities Open...Biggest check of his PGA TOUR career was \$2,400 for a T13 at the 1975 Phoenix Open...Has had two career holes-in-one during competitive rounds.

**PERSONAL:** Owns and operates Executive Golf Ltd., a company specializing in corporate golf outings...Played collegiately at Oklahoma State with fellow SENIOR TOUR players Mark Hayes and Doug Tewell...Was the head teaching professional from 1980 to 1985 at Des Moines Golf and Country Club, site of the 1999 U.S. Senior Open.

## Ed DOUGHERTY...continued

**BEST 2000 SENIOR PGA TOUR FINISHES:** 1 — Coldwell Banker Burnet Classic; 2 — Gold Rush Classic.

**2000 SEASON:** Was one of the SENIOR TOUR's busiest players with 37 starts and was the fourth of five first-time winners on the circuit last year...Pocketed over \$950,000 for the first time and registered his first victory in 69 SENIOR TOUR starts at the Coldwell Banker Burnet Classic near Minneapolis...Defeated Hale Irwin and Gil Morgan with a tournament record of 19-under-par at Bunker Hills. The \$240,000 first-place check in Minnesota was more than he made in his best year on the PGA TOUR (1992-\$237,525)...Backed up his triumph in Minnesota with a T6 at both the AT&T Canada Senior Open Championship and the Novell Utah Showdown and easily earned August Player of the Month honors...Coldwell Banker Burnet win also came during a summer run when he was above par in just two of 24 rounds over an eight-tournament stretch...Shot 19-under 197 again at the Gold Rush Classic but finished second to Jim Thorpe by two strokes at Serrano CC, tying the lowest 54-hole total ever in relation to par that didn't win an event (Dana Quigley, 1999 Novell Utah Showdown)...Had his first hole-in-one on the SENIOR TOUR in the opening round of the SBC Championship.

**SENIOR TOUR CAREER HIGHLIGHTS: 1999:** Took full advantage of his first full year on the SENIOR TOUR by earning over \$900,000 in official money and a spot among the top-20 money-winners...Was one of the SENIOR TOUR's top players in the second half of the year and starting in mid-July, had par/better scores in 36 of 42 rounds...Made headlines by being the 18-, 36- and 54-hole leader at the U.S. Senior Open at Des Moines G & CC. Lost out to Dave Eichelberger on the final day by three strokes...Took a one-stroke lead into the final round of the TD Waterhouse Championship but finished two shots back of Allen Doyle despite a final-round 68...Was again the runner-up the next week at the Comfort Classic, falling two strokes short of Gil Morgan...Was also the 36-hole leader at the Kroger Senior Classic, but lost out to Morgan again by two strokes despite posting a final-round 67. **1998:** Debuted on the SENIOR TOUR in May at the Saint Luke's Classic and placed T19...Best finish in 19 events came near his home in the Philadelphia area...Playing on a sponsor exemption, he closed with a SENIOR TOUR career-best 64 at Hartefeld National and was T3 at the Bell Atlantic Classic.

**OTHER CAREER HIGHLIGHTS:** Long-time player on the PGA TOUR, where he competed from 1975-97...Had 457 starts in his career and made 242 cuts...No doubt the high point of his golf career came in 1995, when he prevailed at the Deposit Guaranty Golf Classic. Idled much of the early portion of the year by a shoulder injury suffered while lifting one of his vintage pinball machines, he shot rounds of 68-68-70 and stood in seventh place, three behind Dickey Thompson after 54 holes...He finished with a 66, which included 32 on the second nine and that was good enough to give him a two-stroke win over Gil Morgan. The victory, at age 47, made him the oldest first-time winner on the PGA TOUR since John Barnum captured the 1962 Cajun Classic at age 51...Lost in a playoff to Jim Gallagher, Jr. at the 1990 Greater Milwaukee Open and was also second at the Anheuser-Busch Golf Classic and the Chattanooga Classic in back-to-back weeks in 1992...Best year on the TOUR was in 1992, when he made \$237,525...Made three successful trips to the PGA TOUR National Qualifying Tournament in 1983, 1986 and 1989...Named PGA of America's Club Professional of the Year in 1985 after winning the Club Professional Championship at Mission Hills CC in Rancho Mirage, CA...Has had six holes-in-one during competitive rounds.

**PERSONAL:** Is a serious model train enthusiast who has a vast collection of Lionel trains. Usually makes it a point to visit train stores in cities while on TOUR...In recent years, has also begun refurbishing old pinball machines...Served a tour in Vietnam and joins a host of players on the SENIOR TOUR that served in the military...Returned from Southeast Asia and took up golf seriously at Fort Lewis, WA when he wasn't allowed to play baseball...Nickname is "Doc."

**2000 SEASON:** Suffered a bone chip in his right elbow while playing a shot from a hazard during the Emerald Coast Classic title and was forced to withdraw from the event despite being the defending champion. Honored by the Golf Writers Association of America with the 1962 Ben Hogan Award for his amazing comeback from injuries sustained in a serious automobile accident in high school. Suffered a broken pelvis, concussion, back and internal injuries, was paralyzed from the waist down and unconscious for 13 days. Released from the hospital after 96 days, he later regained the use of his legs, then subsequently discovered he still could play golf. After winning junior golf titles in Kentucky, he met the legendary Bear Bryant, then coach of the University of Kentucky, who, after taking the Texas A&M helm, offered him a football scholarship to play for the Aggies. Experienced another scary moment when he, Lee Trevino and Jerry Heard were struck by lightning at the 1975 Western Open.

Fleisher, who scored just six points the first day, added 16 more on Saturday and led Walter Hall by one point heading into Sunday's final round. His eight points on Sunday were good enough to help him defend his 1999 title. Fleisher picked up 22 of his 30 points on the back nine and also enjoyed success on the par-5s, earning 18 of his 30 points via that route.

**Tournament Notes:** Fleisher's Saturday total of 16 points was the best single-day total at last year's event...Lee Trevino remains the leading money winner in this event with \$361,043 in career earnings...Both Trevino ('90) and Bruce Fleisher ('99) posted their first SENIOR TOUR victories at this event...Ray Floyd had the season's first ace at the third hole in the opening round.

## ACE GROUP CLASSIC RECAP

**Keys to Victory:** Trailing by three strokes heading into the final round, Wadkins strong closing round helped set up a four-man playoff with Tom Watson, Jose Maria Canizares and Walter Hall. After Watson and Hall dropped out of the playoff on the first extra hole, Wadkins and Canizares went two more before Wadkins prevailed with a par after Canizares had hit his second shot in the water and missed a 40-foot par putt.

**Tournament Notes:** Wadkins became the ninth player to win his first start on the SENIOR PGA TOUR, joining Don January, Roberto de Vicenzo, Arnold Palmer, Rod Funseth, Gary Player, George Archer, Jack Nicklaus and Bruce Fleisher...It was also his first playoff victory since he defeated Craig Stadler at the 1985 Bob Hope Desert Classic...Walter Hall had consecutive eagles in the opening round, becoming just the seventh SENIOR TOUR player to accomplish that feat.

### GTE CLASSIC RECAP

**Keys to victory:** Bruce Fleisher withstood a challenge from Dana Quigley, who cut a five-stroke deficit at the start of the final round, to just one with a birdie on the 14th hole. But a bogey on No. 15 and a double-bogey on No 18 — after his tee shot went in the water — ended Quigley's hopes.

**Tournament Notes:** Fleisher became the first GTE Classic winner to record three rounds under 70 and win. He also won his ninth senior title in just one year and 15 days, the fastest anyone has reached that mark in SENIOR TOUR history...Fleisher played the first 36 holes without making a bogey and only had one blemish in the entire 54-hole event. His 11-under 131 score after two rounds was a tournament record.

## LIQUIDGOLF.COM INVITATIONAL RECAP

**Keys to victory:** Tom Wargo made a 20-foot birdie putt on the third hole of a playoff with Gary McCord. McCord had a chance to extend the overtime session, but missed a six-foot birdie putt. J.C. Snead was eliminated from the playoff after a bogey on the first extra hole.

**Tournament Notes:** Wargo ended a winless streak dating back to the 1995 Dallas Reunion Pro-Am — a span of 120 tournaments...The playoff was the first in tournament history and the second of the Florida swing. In the previous 20 years of play on the SENIOR TOUR, there had never been more than one playoff during that early stretch of the season...Bruce Summerhays shot a TPC at Prestancia course-record 62 in the opening round.

## TOSHIBA SENIOR CLASSIC RECAP

**Keys to Victory:** Allen Doyle shot a 4-under-par 67 on Saturday, including a birdie on the final hole which gave him a one-stroke advantage over Jim Thorpe and Howard Twitty. That birdie on the final hole on Saturday would prove to be critical on Sunday, however. Heavy rains forced cancellation of the round and Doyle was declared the winner when the event was called at 8:30 a.m. Doyle's up-and-down round on Saturday included birdies on three of the first four holes, bogeys on four of the next six holes and birdies on five of the last eight.

**Tournament Notes:** The par-4 sixth hole was the fourth most difficult on the SENIOR TOUR in 2000 with an average score of 4.391...Close finishes continue to be the norm at the event. In the previous six events, two have ended in playoffs and three others have been decided by one stroke. Jim Colbert's two-stroke victory in 1996 is the largest margin of victory...This event was the first rain-shortened event since the 1998 Kroger Senior Classic.

### AUDI SENIOR CLASSIC RECAP

**Keys to Victory:** Hubert Green birdied eight of the first 10 holes in the final round on his way to a 10-under-par 62. Green trailed by two strokes when he started the final round, but fired a 7-under-par 29 on the front nine and was on his way. He finished the day with 11 birdies and just one bogey in his five-stroke victory over Jim Colbert and Dean Overturf. Eight of Green's birdies on Sunday came from putts of 10 feet or less.

**Tournament Notes:** Green's final round 62 was the lowest by a 2000 tournament winner and it also was the best on Sunday by a winner since Hale Irwin fired a 62 at the 1998 Toshiba Senior Classic...Green made a killing on the par-4s at LaVista CC, going 11-under-par on those during the event...Green's 62 also matched his low score on the PGA TOUR, an 8-under-par 62 at the 1978 Texas Open...Green earned \$225,000, the largest check of his professional career.

## LIBERTY MUTUAL LEGENDS OF GOLF RECAP

**Keys to victory:** Jim Colbert and Andy North held a three-stroke lead for most of the final round. The tournament tightened when they bogeyed the par-5 16th hole and David Graham and Bruce Fleisher, playing two groups ahead, birdied No. 18 to close the margin to one. But North made a par on No. 17, then Colbert sank a tense four-foot par putt on No. 18 for the win.

**Tournament Notes:** Andy North made his SENIOR TOUR debut at this event last year and ended up winning his first tournament since the 1985 U.S. Open...Jim Colbert captured his fourth team-title on the SENIOR TOUR. He won the 1995/1996 Diner's Club Matches with Bob Murphy and the 1998 Lexus Challenge with actor Kevin Costner...This year's event will be played at the new King & The Bear golf course at World Golf Village and not surprisingly, Arnold Palmer and Jack Nicklaus will join forces in the better-ball team event for the first time. Palmer last played in the Legends event with Tom Wargo in 1996, while Nicklaus played the Legends with Raymond Floyd last year and with Gary Player in 1996.

## EMERALD COAST CLASSIC RECAP

**Keys to victory:** *Gil Morgan became the first wire-to-wire winner in the 2000 season. He took a two-stroke lead into the rain-delayed final round, but Larry Nelson trimmed the margin to one shot after a birdie at No. 10. Morgan increased his lead to three strokes with consecutive birdies on the 13th and 14th. Nelson bogeyed No. 15 and Morgan breezed over the final three holes for his 16th career win on the SENIOR TOUR.*

**Tournament Notes:** *Morgan's win at The Moors came in his first official start of the year. He was not able to play competitive golf after pulling a rib muscle lifting weights at home in December...The victory extended to five, his streak of years with at least one SENIOR TOUR victory...Defending champion Bob Duval withdrew from the tournament after play on Saturday. He aggravated a bone in his elbow playing a shot from a hazard in Friday's opening round.*

## THE COUNTRYWIDE TRADITION RECAP

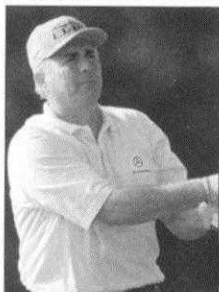

**Keys to Victory:** Tom Kite's 6-iron to within six inches of the sixth playoff hole earned him his first SENIOR TOUR victory in just his fifth start. He followed with a birdie to end the longest SENIOR TOUR playoff since the 1997 Pittsburgh Senior Classic. Kite held off Tom Watson, whose bid for a birdie came up short when his chip hit the flag and bounced away. Larry Nelson was eliminated on the second extra hole.

**Tournament Notes:** The par-3 7th hole was the sixth most difficult on the SENIOR TOUR IN 2000 with a scoring average of 3.386...The par-3 17th ranked ninth overall with an average score of 4.380.. Kite's 8-under-par 280 was the highest winning score in tournament history. The previous high was 277 by Jack Nicklaus in 1991.

**LEADERS: First Round**—Seiji Ebihara and Doug Tewell matched 4-under-par 68s and led Dana Quigley, Hubert Green, Gibby Gilbert and Allen Doyle by a stroke. **Second Round**—Tewell added a 6-under 66 for a 36-hole total of 10-under 134. He was one stroke up on Quigley and four shots ahead of Gilbert and Larry Nelson.

**CUT:** 76 players at 6-over-par 150 from a starting field of 144.

**WEATHER:** Numerous delays for thunderstorms forced the event to be concluded on Monday morning. Play was suspended on Thursday from 11:36 a.m.-12:40 p.m. and again from 1:52 p.m.-3:40 p.m. The first round was eventually suspended at 7:45 p.m. due to darkness with 50 players still on the course. There was no play on Friday due to continuous rain and lightning in the area. The remainder of the first round was suspended for the day at 1:52 p.m. The first round resumed Saturday morning at 7:45 a.m. and was completed at 11:45 a.m. Second round play was stopped from 1:44 p.m.-3:47 p.m. and was again halted at 4:39 p.m. Play was called for the day at 5:44 p.m. with 91 players left to complete the second round. Resumption of play in the second round on Sunday morning was delayed due to heavy overnight rains. The round finally resumed at 9:30 a.m. and was completed at 2:40 p.m. The third round began at 3:15 p.m., but was suspended for the day at 5:29 p.m. with 75 players on the course. The tournament was then reduced to a 54-hole event and the final round resumed Monday morning at 7:45 a.m.

## PGA SENIORS' CHAMPIONSHIP RECAP

**Keys to victory:** Doug Tewell took a one-shot lead into the last 18 holes, but after the front nine, was four strokes ahead and cruised from there. His seven-stroke bulge at the end was the largest winning margin in the 2000 season.

**Tournament Notes:** This was the first 72-hole event shortened to 54 holes on the SENIOR TOUR since the 1990 Tradition... Tewell's victory was his first on TOUR since the 1987 Pensacola Open and his winner's check of \$324,000 was more than he won in any year on the PGA TOUR. He also became the 10th player to make his first senior victory a major championship... This year's championship will be played at Ridgewood Country Club in Paramus, N.J. In 1990, Lee Trevino outdueled Jack Nicklaus at that venue for the U.S. Senior Open title.

## BRUNO'S MEMORIAL CLASSIC RECAP

**Keys to Victory:** John Jacobs came from six strokes behind with a final-round 64. Jacobs made a 20-foot eagle putt on the final hole of regulation to earn a spot in the playoff with Gil Morgan. Jacobs used four birdies and a 20-foot eagle putt on the back nine to erase a four-shot deficit. His two-putt par on the first extra hole earned him his third SENIOR TOUR win after Morgan hit his approach shot into the water.

**Tournament Notes:** Jacobs' final round 64 was the best Sunday score in tournament history, breaking the old mark of 65 by Dana Quigley and Tom Shaw in 1999...Jacobs comeback from six strokes down was the best on the SENIOR TOUR since 1997 when Bruce Summerhays came back from the same margin to win the Saint Luke's Classic in Kansas City...Bob Murphy ('93), Graham Marsh ('95) and Hubert Green ('98) all posted their first SENIOR TOUR wins at this event...Bob Lenzion had the fifth hole-in-one in tournament history with an ace the final day at the 14th hole.

He led the field in putting for the week with just 74 strokes in 54 holes...During the second round, Allen Doyle made the first double eagle in the 20-year history of the event when his 3-wood, second shot from 204 yards found the cup on No. 2...Green's 9-under-par 63 on Saturday was a TPC at Piper Glen course record.

## TD WATERHOUSE CHAMPIONSHIP RECAP

**Keys to victory:** With local legend Tom Watson waiting to tap in an 18-inch birdie putt on the final hole, Dana Quigley made a 12-foot birdie of his own. Quigley's clutch effort gave him a dramatic one-stroke victory over Watson, his first win since the 1998 Raley's Gold Rush Classic. Jim Colbert, another hometown favorite, started the final round as the leader, but lost his advantage after a double-bogey at the par-4 13th hole.

**Tournament Notes:** Watson played in his first competitive event in his hometown since he won his fourth Missouri Amateur in 1971...Colbert shot a Tiffany Greens course-record 61 in the opening round. He made eight straight birdies on the back nine, equalling a SENIOR TOUR record for best birdie streak (Chi Chi Rodriguez/1987 Silver Pages Classic). Colbert's 8-under 28 was the low 9-hole score on the SENIOR TOUR in 2000 and just one stroke short of the all-time mark.

**GEORGIA-PACIFIC SUPER SENIORS:** George Archer won his third over-60 title of year, defeating Rocky Thompson and Jim Dent with a birdie on the first playoff hole. Archer's 36-hole total of 1-under-par 143 earned him \$34,000.

### BOONE VALLEY CLASSIC RECAP

**Key to Victory:** *Larry Nelson answered Tom Watson's charge at the critical 17th hole. After Watson chipped in for an eagle from 100 feet away to grab a one-stroke margin, Nelson returned Watson's stunning shot with an eagle of his own to quickly regain a lead he would never relinquish. Nelson parred the final hole while Watson had a double bogey giving Nelson a three-stroke win and his second in this event in the last three years. Nelson helped his cause by hitting 48 of 54 greens in regulation (89%).*

**Tournament Notes:** *The 2001 event will be played under a match-play format for the first time after five years as a stroke-play event...Nelson's 16-under-par total of 200 tied the 54-hole tournament record that he shared with Hale Irwin. His three-stroke victory also was the largest in tournament history...It has been the Irwin-Nelson show at Boone Valley. Irwin, with two wins, has won more money than any other player (\$572,350). Nelson is second (\$467,673)...Nelson made his SENIOR TOUR debut at this event in 1997.*

### BELLSOUTH SENIOR CLASSIC AT OPRYLAND RECAP

**Key to Victory:** Hale Irwin birdied seven of the first 10 holes and held off a late charge by Gil Morgan with pars on the final eight holes. It was Irwin's putter that paid dividends on Sunday and got him off to his torrid start. He made a 15-footer on the first hole, a 30-footer on the second and then an eight-footer on the third. Two holes later, he nailed a 20-footer for another birdie and needed just 28 putts in his final round. Irwin also hit 48 of 54 greens in regulation (89%) to lead all players.

**Tournament Notes:** Gary Player's 8-under-par 64 in the opening round made him the youngest player in SENIOR TOUR history to shoot his age, topping Charlie Sifford and Joe Jimenez, who both fired their age or better at 65...David Lundstrom played all three rounds without a bogey...Sixty-nine year-old Miller Barber fired a 68 in the opening round to better his age by one stroke...Hale Irwin has won the most money at the event (\$509,191) in six appearances. Gil Morgan is second with \$468,200 in four starts.

## SBC SENIOR OPEN RECAP

**Keys to victory:** Tom Kite trailed Bruce Fleisher by two strokes with five holes to play, but ended up winning the tournament by two. He birdied the 14th and 15th holes, saved par from the greenside bunkers at No. 16 and No. 17, and holed a 28-foot birdie putt at the 18th. Fleisher, playing one group ahead of Kite, had a share of the lead going into the final hole. He went for the pin in the tight back right of the 18th green, but hit his approach shot long and into the bunker. Fleisher then pulled his 10-foot par putt left.

**Tournament Notes:** Kite's victory was his second on the SENIOR TOUR. He also joined Hale Irwin as the only other player to claim both a PGA TOUR and SENIOR TOUR title in the Chicago area. Kite won the 1986 Western Open in a playoff at Butler National...Irwin, the event's only three-time winner, is 53-under-par as a senior in the Windy City after recording his fifth top 10 in six years. He also has won the most money in SBC Senior Open history, \$696,780.

## SBC CHAMPIONSHIP RECAP

**Keys to victory:** Doug Tewell made a three-foot birdie putt on the last hole to edge Larry Nelson and Walter Hall at The Dominion. Trailing by one entering the final round, Tewell took the lead when he hit a 5-wood close to the 9th hole for a tap-in eagle. After Hall tied Tewell for the lead at the 10th with a 40-foot birdie putt, the two battled throughout the back nine, along with Nelson and Gil Morgan. Tewell and Hall both birdied the 17th hole to share the lead again. After Hall missed his 15-foot birdie effort at the 18th, Tewell holed his putt for the title.

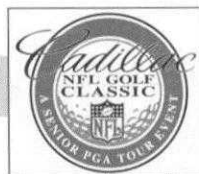

**Tournament Notes:** Hall equalled his best finish ever on the SENIOR TOUR despite being hospitalized earlier in the week with kidney stones...Tewell's second victory on the SENIOR TOUR gave him his first multiple-win season on TOUR since 1980...Ed Dougherty made his first hole-in-one on the SENIOR TOUR when he aced the 17th hole with a 6-iron in the opening round.

### CADILLAC NFL GOLF CLASSIC RECAP

**Keys to Victory:** Lee Trevino led all players in driving accuracy, hitting 35 of 42 fairways (83%) and had the most birdies during the three-day event (17). His up-and-down birdie from a greenside bunker on the final hole was the difference in his two-stroke win over Walter Hall. His 54-hole total of 202 tied Bob Murphy's tournament record set in 1996.

**Tournament Notes:** No player has enjoyed the success Trevino has at the Upper Montclair Country Club. In eight appearances at the event, he owns two wins (1993 and 2000) and has won \$583,550, the most by any player. He has finished in the top 10 in all eight starts...When Trevino won last year's event, he became the second player in eight years over the age of 60 to claim the title. Bruce Crampton did so in 1997...Ray Floyd (1994) is the only wire-to-wire winner in tournament history...Trevino's win made him the second player in TOUR history to win an official event in five decades. Gary Player was the first. The win also made him the ninth player (and 10th overall) to claim a victory after his 60th birthday (60 years, 6 months, 24 days).

## STATE FARM SENIOR CLASSIC RECAP

**Keys to victory:** Leonard Thompson won his second SENIOR TOUR event in much the same way he won his first two years ago. Thompson defeated Isao Aoki in a playoff just as he had done at the 1998 Coldwell Banker Burnet Classic in Minnesota. After Aoki birdied three of the final four holes in regulation, Thompson made a birdie of his own at the 18th hole to force the overtime session. After both players birdied the 18th hole as the first playoff hole, they played it again. Aoki missed a 15-foot birdie putt before Thompson made a 2-footer for the victory.

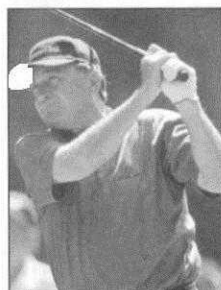

**Tournament Notes:** Thompson credited sports psychologist Deborah Graham as a contributor to his victory. After failing to finish better than 15th in his first 13 events, Thompson sought Graham's help and landed in the top 10 in six of eight tournaments...Jose Maria Canizares' 8-under-par 64 in the opening round was a Hobbit's Glen course record...Hubert Green made his second hole-in-one on the SENIOR TOUR when he holed a 7-iron shot on the 11th hole at Hobbit's Glen during the final round.

## FORD SENIOR PLAYERS CHAMPIONSHIP RECAP

**Keys to victory:** Ray Floyd completed the largest-come-from behind win in the history of the event and the first come-from-behind effort since 1992, when he came from six shots back to edge both Larry Nelson and Dana Quigley. Floyd capped his final-round 66 with a clutch 20-foot birdie putt on the last hole. Quigley had been up by two strokes with six holes to play. He hooked his drive into the hazard left of the 18th fairway and eventually made bogey.

**Tournament Notes:** The 57-year-old Floyd became the oldest champion in tournament history and joined Arnold Palmer and Dave Stockton as multiple winners of the event. His victory also gave him a fourth senior major championship, equalling his total number of majors from the PGA TOUR...Brian Barnes recorded a double-eagle in the first round, holing a 3-wood from 263 yards at the seventh hole. It was the second in tournament history and the second on the SENIOR TOUR in 2000.

## LIGHTPATH LONG ISLAND CLASSIC RECAP

**Keys to Victory:** Bruce Fleisher went wire-to-wire at the event for the second consecutive year and won for the fourth time in 2000. He led all players by hitting 39 of 42 fairways (93%) and with 19 birdies. In the process he defended his 1999 title, the third title defense in 2000. Earlier in the season he won for the second straight year at the Royal Caribbean Classic and The Home Depot Invitational. Fleisher opened with a course-record 63, the lowest start by a winner in 2000.

**Tournament Notes:** Fleisher remains the only player to go wire-to-wire at the event, having done it the last two years. He also was the third repeat winner at the event. His opening round 63 and his 54-hole total of 198 were both tournament records. Fleisher's 18-under-par 198 was the first sub-200 effort at the event since Butch Baird's 183 in 1989. Baird won when the course was shortened to 16 holes...Dana Quigley won the event in 1997 as an open qualifier.

**Keys to victory:** *Ed Dougherty notched his first SENIOR TOUR title, shooting a record-setting 19-under 197. Dougherty had gone 69 starts on the senior circuit without a victory. His \$240,000 first-place check was more than he won in his best year on the PGA TOUR (1992 — \$237,525). Dougherty went wire-to-wire for the win. He clinched the victory when Hale Irwin missed a nine-foot eagle putt on the final hole.*

**Tournament Notes:** *This year's event will be played at the new Arnold Palmer/Tom Lehman-designed TPC of the Twin Cities...Hale Irwin will be sad to leave Bunker Hills GC. In five appearances there, Irwin won twice, finished second once and third once. He had 13 sub-par scores in 14 rounds and had a stroke average of 67.5 on the layout...Harold Henning made the second hole-in-one of his SENIOR TOUR career in the second round. It mark the third straight year that an ace has been made at the Minnesota stop on the circuit...Hubert Green played all 54 holes without making a bogey.*

### AT&T CANADA SENIOR OPEN CHAMPIONSHIP RECAP

**Keys to victory:** Tom Jenkins holed a 10-foot birdie putt at the last hole to nip Kermit Zarley for his second SENIOR TOUR career title. After battling back and forth on the final nine holes, both players were tied for the lead as they played the 18th. Jenkins then watched Zarley make a par up ahead of him before he hit a wedge from 72 yards to set up the winning putt. The victory put him over the \$1 million mark in single-season earnings for the second straight year.

**Tournament Notes:** This year's event will be played at Mississauga Golf & Country Club outside of Toronto...The win was extra special for Jenkins as his wife, Martha, gave birth to a son, Tom Jr., five weeks earlier...Zarley's runner-up performance in Winnipeg was his best effort on the SENIOR TOUR since a T2 at the 1998 GTE Classic...George Burns made his first hole-in-one as a senior, holing a 6-iron shot on No. 2 at St. Charles CC during the opening round.

## FLEETBOSTON CLASSIC RECAP

**Keys to victory:** Larry Nelson used a putting tip before the final round from both his son, Drew, and Dave Stockton to claim his third SENIOR TOUR event of the year. **Tournament Notes:** The FleetBoston Classic is the oldest official 54-hole event on the SENIOR TOUR schedule dating back to 1981...Hubert Green stretched his bogey-free streak to 72 holes before he bogeyed the sixth hole at Nashawtuc in the first round...Hale Irwin has been under par in all 18 rounds he's played at Nashawtuc and has a scoring average of 68.56...70-year-old Arnold Palmer broke his age for the first time ever when he carded a 3-under 69 in the second round.

### FOREMOST INSURANCE CHAMPIONSHIP RECAP

**Keys to victory:** Larry Nelson won his second consecutive tournament for the first time in his career, closing with a course-record 9-under 63 for a wire-to-wire three-stroke victory over Dave Stockton. Nelson's 18-under 198 total was also a tournament record. He found himself locked in a tight battle with Stockton at the turn on Sunday, but pulled away after shooting 6-under-par on the back nine. For the week, Nelson topped the circuit in greens hit in regulation (46 of 54/85%) and ranked second in driving distance (301.5).

**Tournament Notes:** Nelson's fourth win of the season tied him with Bruce Fleisher for the most on the SENIOR TOUR at the time...Stockton has become a huge fan of the state of Michigan. In addition to his win at the Foremost Championship in 1996, Stockton has finished second three times. He's also won the FORD SENIOR PLAYERS Championship in Dearborn twice.

## COMFORT CLASSIC RECAP

**Keys to victory:** *Gil Morgan's 183-yard, 4-iron approach shot to within five feet of the 18th hole on Saturday turned out to be a bold stroke of brilliance. He holed the birdie putt to complete a birdie-birdie finish that yielded a 67 and left him at 13-under, one shot ahead of Jim Ahern. When the expected rain and threat of lightning caused final-round play to be suspended at 10:31 a.m. on Sunday and cancelled two hours later, Morgan picked up his third win of the season and 18th in four years on the SENIOR TOUR.*

**Tournament Notes:** *Morgan became the first since Gary Player in 1988-89 to successfully defend a SENIOR TOUR title in Indianapolis...David Lundstrom had a pair of eagles in the opening round of the event including his first hole-in-one on the SENIOR TOUR, the sixth ace in tournament history...The cancellation of the final round marked the fifth time in 13 years that the event was shortened to 36 holes by inclement weather.*

## KROGER SENIOR CLASSIC RECAP

**Keys to Victory:** After consecutive bogeys on the 16th and 17th holes, Hubert Green righted the ship with a birdie on the final hole to hold off Larry Nelson by one stroke. Green closed with a 6-under-par 64 that included eight birdies, with five of those coming on the front nine when he shot a 5-under-par 30. Two key stats for Green. He was second in both driving accuracy (34 of 42 fairways hit) and greens in regulation (40 of 54).

**Tournament Notes:** Larry Nelson fired a 12-under-par 58 in the Thursday pro-am...The event will move to the new TPC at River's Bend in 2002...Nelson also went over \$2 million in season earnings with his second place finish...Green was the first player in the 11-year history of the tournament to win with a round in the 70s...Gene Littler bettered his age by one stroke with a final round 69 one day after Miller Barber matched his...Green's win gave him his first multiple-victory season since 1979 and it also pushed him past \$1 million in yearly earnings for the first time.

## VANTAGE CHAMPIONSHIP RECAP

**Keys to Victory:** Trailing Jim Dent by three strokes with three holes to play, Larry Nelson made just one birdie on the 16th but Dent bogeyed both 16 and 17 to help set up a playoff which also included Gil Morgan. After Dent was eliminated on the first extra hole, the survivors went five additional holes. Nelson's five-foot birdie putt was the difference after Morgan twice found the rough. It was Nelson's fourth win in his last five starts.

**Tournament Notes:** Nelson set a new SENIOR TOUR record when he recorded his 28th consecutive round of par-or-better at the event. He would extend that to 29 on Sunday...Dent has finished second three times in this event...Morgan also set a new record when he posted his 27th straight sub-par round on Sunday. He held the previous record set in 1997. It also was his 15th consecutive sub-par round in this event.

## THE TRANSAMERICA RECAP

**Keys to victory:** Jim Thorpe held off a late charge by Bruce Fleisher to win his first SENIOR TOUR event. Thorpe finished in style, making eagle on the final hole to set a tournament scoring record. Thorpe made just two bogeys in 54 holes but the one on the 16th hole Sunday allowed Fleisher to pull within a stroke. Thorpe made a par on the 17th hole and sealed the victory when he reached the par-5 18th hole with a booming drive and a 5-iron.

**Tournament Notes:** Thorpe had finished second five times before picking up his first win at Silverado CC. It was his first tournament victory since the 1986 Seiko/Tucson Match Play Championship...Chi Chi Rodriguez had three consecutive rounds in the 60s for the first time since the 1997 Emerald Coast Classic...69-year-old Miller Barber matched his age in the opening round of the event, the last of five times in 2000 he shot his age or better.

## GOLD RUSH CLASSIC RECAP

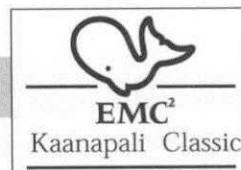

**Keys to victory:** Jim Thorpe completed the Northern California double, winning again in Sacramento in record style. Thorpe bested Ed Dougherty by two strokes and shattered David Graham's old tournament mark of 199 by four strokes. Thorpe fired a Serrano CC course-record 62 on Saturday and took a four-stroke lead into the final round with four birdies on the front nine. When Ed Dougherty and John Jacobs threatened late in the day, Thorpe birdied the 15th and 16th holes to protect his lead.

**Tournament Notes:** Thorpe became the first player since Gibby Gilbert in 1992 to win back-to-back 54-hole events with sub-200 totals. His 21-under 195 total was the lowest on the SENIOR TOUR since Gil Morgan fired the same score at the 1998 Vantage Championship...Dougherty matched Dana Quigley's 19-under score as the lowest in relation to par that didn't win the event. Quigley shot 19-under 199 at the 1999 Novell Utah Showdown but lost in a playoff to Dave Eichelberger...Jacobs' 9-under 63 on Sunday included nine birdies in an 11-hole stretch and matched his career low round on the SENIOR TOUR. He had 63 in the second round of the 1999 EMC Kaanapali Classic.

### EMC<sup>2</sup> KAA NAPALI CLASSIC RECAP

**Keys to Victory:** After a slow start (he was T29 after Friday's opening round following a 71), Hale Irwin bounced back with rounds of 62-65 to win by four strokes. He helped his cause with a front-nine 32 on Sunday and consecutive birdies on holes 12-15. Jim Thorpe contended much of Sunday but bogeyed 16 and had a double bogey at 18 to take himself out of contention.

**Tournament Notes:** With his win, Irwin climbed over the \$2 million mark in season earnings for the fourth straight year...Irwin has won more money (\$420,225) than any other player at the event...Second-round leader Jose Maria Canizares tied the tournament mark with a second-round 61. It also was his low round as a senior player...Three consecutive rounds in the 60s at the tournament gave Thorpe 10 straight for the year...The 79.205 scoring average in the final round of the 1990 GTE Kaanapali Classic is still the highest final-round scoring average in SENIOR TOUR history.

## SBC SENIOR CLASSIC RECAP

**Keys to Victory:** Joe Inman made just one bogey during the event and he won the event for the third straight time, becoming the fifth player in SENIOR TOUR history to accomplish the feat. Inman had just one birdie on the front nine on Sunday but added five on the back nine to earn a career-best check of \$210,000 in his wire-to-wire win, the last of four wire-to-wire winners in 2000.

**Tournament Notes:** Inman's lone bogey came in Friday's opening round at the fourth hole. The blemish stopped his streak of holes without a bogey at 94, three shy of the SENIOR TOUR record of 97 set in 1994 by the late Jack Kiefer...Inman and Gil Morgan have owned this event the last five years. Morgan won consecutive titles in 1996-97 before Inman's current three-year run...The event will have a new home in 2001 when Valencia CC hosts the event for the first time. That was the site of the 1998 Nissan Open won by Billy Mayfair in a playoff with Tiger Woods...Inman became the first player since Hale Irwin to win the same tournament three years in succession and just the fifth in the history of the circuit to three-peat. Irwin's three straight came at the PGA Seniors' Championship from 1996-98...Morgan's SENIOR TOUR record of consecutive sub-par rounds ended at 31 when he shot a 73 in the second round last year, while Nelson's record for consecutive rounds par-or-better ended at 32 with an opening round 1-over-par 71.

## IR SENIOR TOUR CHAMPIONSHIP RECAP

**Keys to victory:** Tom Watson used a final-round 66 to outlast John Jacobs down the stretch to win his only official event of the 2000 season. Watson started Sunday two shots behind Leonard Thompson, but vaulted into the lead with birdies on Nos. 2, 5, 6 and 8. With Jacobs creeping closer to the lead early on the back nine, Watson hit driver, 3-iron to 50 feet on No. 14 and drained the left breaking putt for eagle that put him ahead by three. Jacobs made a 12-foot putt for eagle at the 18th, forcing Watson to two-putt for par and the win.

**Tournament Notes:** Watson became the first player to win both a TOUR Championship and a SENIOR TOUR Championship. In 1987, he defeated Chip Beck in the old Nabisco Championships of Golf at Oak Hills CC in San Antonio...Watson's 18-under 270 total was a 72-hole tournament record, besting Gil Morgan's 16-under 272 score at The Dunes Club in 1997...Allen Doyle tied the SENIOR TOUR record with his five-stroke first-round lead.

## GLOSSARY OF STATISTICAL LEADERS

### **Total Driving**

Total Driving is computed by totalling a players rank in both driving distance and driving accuracy.

### **Driving Distance\***

The average number of yards per measured drive. Driving distance is measured on two holes per round. Care is taken to select two holes which face in opposite direction to counteract the effects of wind. Drives are measured to the point they come to rest regardless of whether they are in the fairway or not.

### **Driving Accuracy**

The percent of time a player is able to hit the fairway with his tee shot.

### **Greens in Regulation**

The percent of time a player was able to hit the green in regulation (greens hit in regulation/holes played). Note: A green is considered hit in regulation if any part of the ball is touching the putting surface and the number of strokes taken is 2 or less than par.

### **Putting Average**

Measures putting performance on greens hit in regulation. For each green hit in regulation the total number of putts is divided by the number of greens hit in regulation. By using greens hit in regulation we are able to eliminate the effects of chipping close and one putting in the computation.

### **Sand Saves Percentage**

The percent of time a player was able to get "up and down" once in a greenside sand bunker. Note: This up and down is computed regardless of score on the hole.

### **Eagles (holes per)**

The average number of holes between each eagle.

### **Birdie Leaders**

The average number of birdies made per round played.

### **All Around**

This statistic is computed by totalling a player's rank in each of the following statistics: Scoring Leaders, Putting Leaders, Eagle Leaders, Birdie Leaders, Sand Saves, Greens in Regulation, Driving Distance and Driving Accuracy.

\* All par fours and par fives will be measured upon introduction of "ShotLink" in 2001.

### ANHEUSER-BUSCH

One of golf's most enduring corporate supporters, Anheuser-Busch – through its Michelob brand family and O'Doul's brands – also is one of the PGA TOUR's leading sponsors.

### MICHELOB & MICHELOB LIGHT

Now in its eighth year of association with the PGA TOUR, the Michelob brand family has been a leading example of how a consumer brand can benefit from a strong and integrated relationship with the PGA TOUR. The Michelob brand family's involvement with golf dates back more than 30 years and escalated following the 1994 signing of a long-term sponsorship agreement with the TOUR. Michelob Light currently serves as "Official Beer of the PGA TOUR and SENIOR PGA TOUR."

Golf and the Michelob brand family are a perfect match. Golf sets strict standards for the caliber of its players and its level of sportsmanship. So, too, do premium Michelob and Michelob Light set the strict standard for excellence in the brewing industry. With the brands' non-alcohol partner O'Doul's, Michelob and Michelob Light have the perfect opportunity to reach an important and similar demographic, applying grassroots retail promotions, golf-themed packaging and advertising, PGA TOUR tournament sponsorships and national programs.

The Michelob brand family also is a founding sponsor of PGATOUR.com, the PGA TOUR's official website. This interactive source for TOUR information features news coverage, live tournament coverage, player bios and TOUR merchandise, as well as links to Michelob Light promotional games and trivia contests.

As title sponsor of the Michelob Championship at Kingsmill and support sponsor of several events on the PGA TOUR and SENIOR PGA TOUR, the Michelob brand family continues to emphasize its commitment to golf. Its association with the game is a pivotal element in the Michelob brand family's fully integrated golf marketing strategy and establishes Michelob and Michelob Light as the beers for golf.

## GEORGIA-PACIFIC SUPER SENIORS

Georgia-Pacific, one of the world's leading forest products companies, enters its third year as title sponsor of the Super Seniors at selected tournaments on the SENIOR PGA TOUR.

The Georgia-Pacific Super Seniors competition is for players age 60 and older who are entered in the full-field tournament. The winner of each designated Georgia-Pacific Super Seniors "tournament within a tournament" is determined by scores posted during the first two rounds of competition. The Super Seniors compete for a purse of \$200,000 per event, with the winning golfer collecting \$34,000. Each Georgia-Pacific Super Seniors event is kicked off with a pro-am played Thursday of tournament week at a nearby golf course.

The Super Seniors competition started in 1987 when Howie Johnson topped an eight-man field at the Vintage Chrysler Invitational with a 54-hole score of 216. Since then, Georgia-Pacific Super Seniors competitions have featured legendary professionals such as Tommy Aaron, Miller Barber, Billy Casper, Gary Player and Lee Trevino competing for the Super Seniors' money and title.

The Georgia-Pacific Super Seniors competition concludes one round prior to the end of the overall tournament (36 holes in a typical 54-hole SENIOR TOUR event). While Super Senior earnings are unofficial, the players also are eligible to collect prize money for their finish in the regular tournament. A player can win both the Georgia-Pacific Super Seniors and the overall tournament in the same week. Five times within the past six years a player has won both the Super Seniors and regular tournament title in the same week. Gary Player was the last to do it at the 1998 Northville Long Island Classic. The others include Jimmy Powell (1995 First of America Classic and 1996 Brickyard Crossing Championship), Bob Charles (1996 Hyatt Regency Maui Kaanapali Classic) and Dale Douglass (1996 Bell Atlantic Classic).

The Georgia-Pacific Super Seniors season culminates at the SENIOR TOUR Championship on October 25-28. The purse at this season-ending championship is \$675,000 with \$142,000 going to the winner. Eligibility for the season-ending, three-round championship is determined by players' positions on the Georgia-Pacific Super Seniors season money list. The top 16 on this year's money list heading into the SENIOR TOUR Championship are eligible to compete in the Georgia-Pacific Super Seniors Championship.

Al Geiberger won the Championship in 2000 and its accompanying \$138,000 paycheck.

Georgia-Pacific is the "Official Forest Products Provider of the PGA TOUR and SENIOR PGA TOUR". Atlanta-based Georgia-Pacific is one of the world's leading manufacturers and distributors of pulp, paper and building products and related chemicals. The company manufactures thousands of items - ranging from bath tissue and office paper to boxes and lumber - used every day across North America.

## CADILLAC

Cadillac enters its eleventh year as the "official vehicle" of the SENIOR PGA TOUR. In that capacity, Cadillac provides vehicles to 15 SENIOR TOUR events. It also entertains numerous customers at these tournaments.

Team Cadillac continues to be represented by Arnold Palmer and Tom Watson. They wear the Cadillac wreath and crest on their shirts during all TOUR events, participate in Cadillac advertising, and represent Cadillac at various dealer functions and special events throughout the year.

Bruce Fleisher was the winner of the final Cadillac SENIOR PGA TOUR Series in 2000 for the second year in a row. The 1999 Rookie of the Year and Player of the Year was awarded two Cadillacs, a 2001 Escalade & 2001 Catera Sport, after edging Larry Nelson for the award at the official season-ending IR SENIOR TOUR Championship.

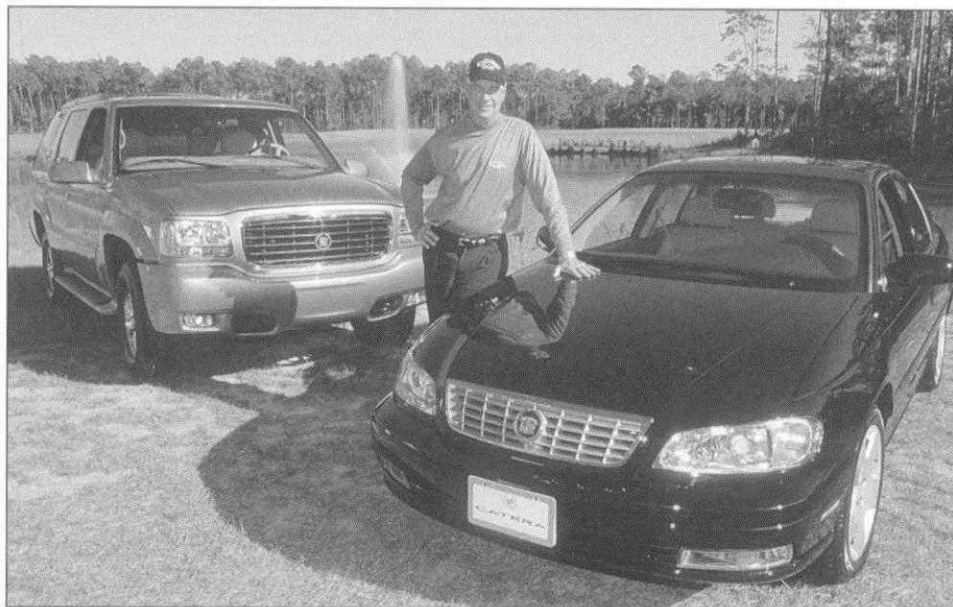

Cadillac has been involved in national sports sponsorships since 1968, when it became one of two exclusive television sponsors of golf's premier event, the Masters Tournament.

## BANK OF AMERICA CHARITY CUP

Bank of America sponsors the Bank of America Charity Cup, a season-long competition for SENIOR PGA TOUR tournaments that began in 2000. The Foremost Insurance Championship won the inaugural Bank of America SENIOR TOUR Charity Cup, receiving \$50,000 to share with local charities.

In the Bank of America Charity Cup, participating tournaments choose — via PGATOUR.COM — a different player every week for each of the 38 SENIOR TOUR official money events. Over the course of the season, a player may be selected once only by participants. Total official money won by a tournament's selected players determines the event's standing.

Each year, participating tournaments collectively receive more than \$1 million from Bank of America to distribute to local charities.

## TOURNAMENT PLAYERS CLUBS

### Tournament Players Club

The PGA TOUR's Tournament Players Club Network has maintained a reputation for operating high-quality clubs since its inception 21 years ago.

The TPC Network continues to grow, with 30 facilities currently open or under construction, including several overseas. By the end of 2000, five domestic Tournament Players Clubs either

were in the planning or construction stage.

TPCs encompass all forms of golf-related operations — resort facilities, corporate/private membership clubs and daily fee courses — and, as such, PGA TOUR Golf Course Properties, Inc. is able to match the type of facility with the demands of each market in which a club operates.

The Network represents the highest standard in the golf course industry, commensurate with the members of the organization it represents, the players of the PGA TOUR. Each Tournament Players Club embodies the trademark of excellence first established with the flagship TPC at Sawgrass in Ponte Vedra Beach, FL, which opened its world-famous Stadium Course in the fall of 1980.

This commitment to overall excellence serves as the foundation for the Network's overall success.

The TPC Network was born through former PGA TOUR Commissioner Deane Beman's desire to provide TOUR players with quality golf courses that also would offer spectators enhanced viewing areas.

Beman also reasoned that development of quality facilities would alleviate the TOUR's dependency on the television dollar, while providing rent-free venues for tournaments. The savings in rent, in turn, would generate both increased purses and greater charitable contributions by the tournaments held at TPCs.

The TPC at Sawgrass was the first Tournament Players Club to hold a PGA TOUR event, becoming the permanent home of THE PLAYERS Championship in 1982. Today, a growing number of PGA TOUR and SENIOR PGA TOUR events are held at TPC facilities each year. In 2000, 17 tournaments were conducted on TPC courses. The first BUY.COM TOUR event played on a Tournament Players course, the BUY.COM Virginia Beach Open, was held at the TPC of Virginia Beach.

Many of the top golf course architects are connected with Tournament Players Club projects, including Pete Dye, Tom Fazio, Arnold Palmer, Jack Nicklaus, Gary Player, Arthur Hills, Jay Morrish, Tom Weiskopf, Greg Norman and Bob Von Hagge. Palmer's most recent design involvements have been with the TPC of the Twin Cities (opened in 2000), the TPC at River's Bend in Cincinnati (opening in 2001) and the TPC of Boston (scheduled to open in 2002).

Moreover, in recognizing the importance of player input for tournament courses, TOUR members have served as design consultants, working closely with the lead architect. Tom Lehman served as player consultant to Palmer at the TPC of the Twin Cities, the site of this year's 3M Championships.

Two others that opened in 2000 are the TPC at Deere Run (Silvis, IL), designed by D.A. Weibring, and the TPC at Wakefield Plantation (Raleigh, NC), designed by Hale Irwin.

## SHOTLINK

The PGA TOUR ShotLink System is an exciting new platform for collecting and disseminating scoring and statistical data on every shot, by every player, real-time, during every tournament round.

ShotLink is scheduled to debut on the PGA TOUR and SENIOR PGA TOUR during the first quarter of 2001, following a final series of tournament tests.

The accumulation, packaging and presentation of expanded shot and course information will provide a clearer picture of and better appreciation for the skill level and strategy through enhanced television broadcasts, more engaging on-site experiences, increased statistical data for the media, and significantly broadened Internet and new media opportunities.

IBM, IDS, EA Sports, GeoGolf and Geodetic Services also are technology partners in the development of the ShotLink System. Shot data will be collected by volunteers utilizing a combination of Palm handheld devices and laser range finders.

The development of ShotLink started more than two years ago when the TOUR decided to update its current scoring system, which is based on 1987 technology.

The ShotLink Intranet at tournament sites is designed to be an engaging, user-friendly interface with the ShotLink data displaying a wealth of information such as multiple leaderboard presentations; hole and player shot charts, graphs and tendencies; detailed information on the golf course; breaking news; a comprehensive statistical center, including historical data; and weather information.

All information will be instantaneous and be available in corporate hospitality areas, the media center, to television broadcasters and other locations around the tournament venue. A variety of information also will be presented on the electronic scoreboards.

Moreover, some of the Intranet presentation will be reapplied to the Internet via PGATOUR.COM and be available on TOUR Links, the player laptop information system developed by IBM, the TOUR's Official Worldwide Information Technology Partner.

## HUALALAI: FIRST PGA TOUR RESORT

### A PGA TOUR RESORT

A designated PGA TOUR Resort provides the highest quality in a total resort facility: five-star accommodations, a championship golf course capable of holding a TOUR event and other outstanding amenities, such as tennis facilities, health spa and beach.

A PGA TOUR Resort will receive special promotion by the TOUR and be utilized as a destination for certain TOUR business functions.

The first facility to be designated a PGA TOUR Resort, Hualalai on the Big Island of Hawaii embodies the absolute quality and character that has become synonymous with the TOUR.

Hualalai is as unique as it is exclusive, an oceanside resort that provides the total vacation experience. Featuring a five-star Four Seasons hotel, its amenities include an outstanding Jack Nicklaus-designed golf course carved from the dramatic lava landscape, a tennis facility with eight championship courts, a health and wellness center and white-sand beach. Complementing the quality of facilities is the quality of service, preserving the warm ambiance of "Old Hawaii."

The exclusivity of Hualalai is consistent with the very nature of the MasterCard Championship. This SENIOR PGA TOUR tournament, held for the first time at Hualalai in January 1997, is an elite gathering of SENIOR TOUR champions from recent seasons.

Hualalai features a beautiful Jack Nicklaus-designed golf course.

## PGATOUR.COM

PGATOUR.COM has become the No. 1 golf site on the World Wide Web – offering a comprehensive look at the game of golf, the pros on TOUR and the varied people around the globe who play.

The PGA TOUR's official website was launched on Jan. 8, 1997. Two years later, PGATOUR.COM partnered with SportsLine USA, Inc., publisher of CBS Sportsline and GolfWeb, to create the total package for golf fans – complete tournament coverage, enlightening player profiles, a thriving e-commerce site and an interactive community.

The growth has been dramatic. PGATOUR.COM had more than 69,000,000 page views in July 2000 – more than three times the traffic for July of 1999. As the game flourishes, so does PGATOUR.COM.

The reasons are obvious. PGATOUR.COM gets up close with the players and tournaments on the PGA TOUR, SENIOR PGA TOUR and BUY.COM TOUR. The latest news and statistics from the European Tour, LPGA Tour and other international golf organizations also are featured.

But PGATOUR.COM has so much more to entice viewers. A robust instruction area, featuring video tips from the immensely talented professionals on the PGA TOUR and SENIOR TOUR, coupled with information on travel and recreational golf and interactive elements like the course guide and gear guide, delights the fans.

Real-time scoring, a staple of PGATOUR.COM since its inception, will be augmented this year by the debut of ShotLink, making it a "must-have" for golf fans. Not only will fans be able to chart their favorite pro's hole-by-hole progress, they'll receive information on yardages and club selection in real-time, as well.

PGATOUR.COM averages more than 1.5-million page views per day. The TOUR's website continues to explore cutting-edge technology and interactive features that enhance the viewer's experience while enabling PGATOUR.COM to maintain its No. 1 position.

Regular chat sessions held twice weekly allow fans to get in touch with the players, ask questions of rules officials and fitness gurus or talk to course architects and the administrators of the game. PGATOUR.COM's on-line show makes its debut this year with video features recapping the previous week's action and looking forward to the week ahead, as well as an opportunity for fans to weigh in on various topics.

## PGA TOUR RADIO

## WORLD GOLF HALL OF FAME

The support the World Golf Hall of Fame has received from the world's major golf organizations distinguishes it as a unique partnership that reflects the universality of the game and promise for further growth.

The Hall of Fame and accompanying exhibits honor the great players and contributors to the game, and entertain and inform the public about the rich history and tradition of golf internationally.

Artifacts from the former World Golf Hall of Fame in Pinehurst, NC were incorporated into the museum exhibits. But the overall experience is intended to interest golfers and non-golfers alike by introducing modern technology and interactive displays that continually are being enhanced.

The building also features an IMAX Theater, with a screen 80 feet high and 60 feet wide, for which a special film about golf is being developed.

The 71 players and contributors inducted into the former Hall of Fame in Pinehurst and/or the LPGA Hall of Fame were "grandfathered" into the new facility. Annual induction ceremonies for newly elected Hall of Fame members are held each year, bringing together dignitaries from throughout the golf world.

The first elections for the PGA TOUR and International Ballots were conducted in 1996 and 1997. Johnny Miller was the only player elected in 1996, receiving the necessary 75 percent of votes on the PGA TOUR Ballot. Seve Ballesteros of Spain and Nick Faldo of England became the first players elected through the International Ballot in 1997, their first year of eligibility.

Faldo was inducted in 1998. Ballesteros was inducted in 1999 with the late Lloyd Magrum, who was admitted in 1998 via the PGA TOUR Ballot, and LPGA star Amy Alcott.

The 2000 ceremony welcomed eight new members: the first Veterans Category inductee, Jack Burke, Jr.; and the first Lifetime Achievement inductees, Deane Beman, Sir Michael Bonallack, Neil Coles and John Jacobs. Other inductees were LPGA players Beth Daniel, who was elected in 1999, and 2000 electee Juli Inkster. Judy Rankin was elected through the LPGA Veterans category.

The next World Golf Hall of Fame Induction Ceremony will be in the fall of 2001.

## CHARITABLE MISSION OF THE WORLD GOLF FOUNDATION

World Golf Foundation, Inc. is a nonprofit organization that has received the support of all major golf organizations throughout the world. The responsibilities of the World Golf Foundation include managing the World Golf Hall of Fame, the IMAX Theater and various charitable initiatives.

As the Founding Partner of World Golf Village, Shell Oil Company provides financial support and plays a lead role in the World Golf Hall of Fame and its charities.

One of the World Golf Foundation's charitable missions, on behalf of the supporting golf organizations, is to introduce golf to those who otherwise may not have an opportunity to experience the game, and through the golf experience promote scholastic achievement, community service, and the values of honesty, integrity and sportsmanship.

To this end, The First Tee was introduced in Nov. 1997 as an initiative to create new facilities and affordable access to golf. This initiative has the support and participation of various key sectors, including leading golf organizations and foundations, and a wide range of public sector constituencies.

"We want to create affordable entry points to golf for everyone who is interested in playing the game," said former President George Bush, Honorary Chairman of The First Tee.

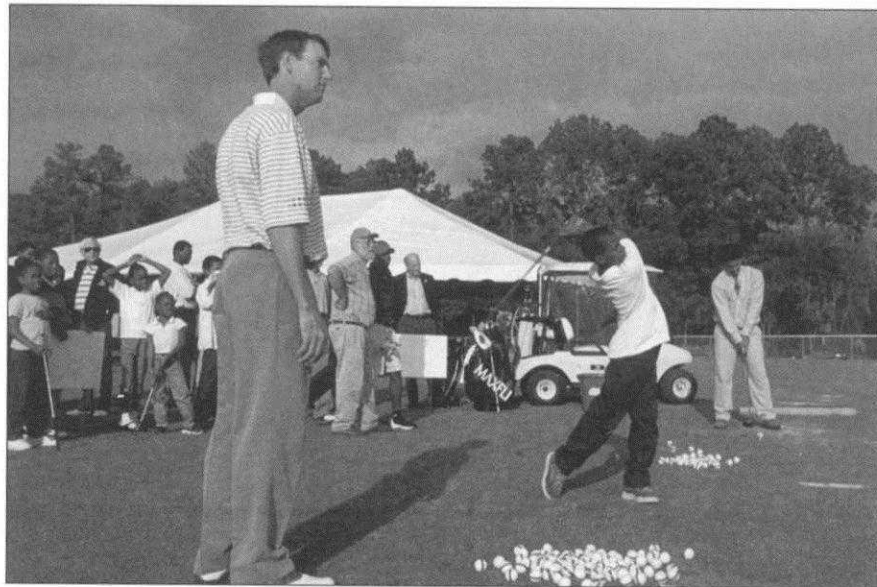

The vision is to create hundreds of facilities and programs throughout the United States over the next 10 years, impacting those who have not had exposure to the game, particularly youth.

"Those of us who believe in the values of golf want to see the opportunity to play the game extended to all segments of our population," said Tim Finchem, PGA TOUR Commissioner and Chairman of the World Golf Foundation Board of Directors. "This program, The First Tee, can have a tremendous impact on golf – but, more importantly, it can have a real impact on the lives of young people who are attracted to the game."

A menu of model programs can be implemented in communities based on land availability, existing golf facilities, area needs and the level of support of municipalities and other youth programs.

The First Tee provides golf management expertise, consulting services and land planning to communities and organizations interested in having The First Tee in their areas. While proceeds from the World Golf Hall of Fame benefit The First Tee, public-private partnerships in each community are the primary funding source for each facility.

"With the support of the public and private sectors, and with the expertise of so many golf organizations available to this program, golf will find its way into new communities and new segments of the population," Finchem said.

The learning process continues through The First Tee

## THE FIRST TEE

The First Tee is a World Golf Foundation initiative that has as its mission ***to impact the lives of young people around the world by creating affordable and accessible golf facilities to primarily serve those who have not previously had exposure to the game and its positive values.*** It has the active support of The First Tee's Oversight Committee, which includes representatives of five organizations that serve on the World Golf Foundation Board: the

PGA TOUR, PGA of America, LPGA, United States Golf Association and Augusta National Golf Club. Former President George Bush is Honorary Chairman of the initiative.

The Phase I goal of The First Tee was to have 100 facilities in development by the end of the year 2000. On August 27, 2000, it was announced that The First Tee had surpassed this initial goal with 129 facilities in some stage of development, spanning 38 states, Canada and Puerto Rico.

The true value of The First Tee is based on golf's unique ability to instill and nurture essential values, such as honesty, integrity, sportsmanship and a solid work ethic in young people who are introduced to the game. These values are enhanced through The First Tee's Life Skills program developed to provide an opportunity for The First Tee participants to learn valuable skills such as goal setting, decision-making and mentoring, skills that can be used both on and off the golf course.

In addition to The First Tee's Oversight Committee, this initiative has the support and participation of a variety of key sectors:

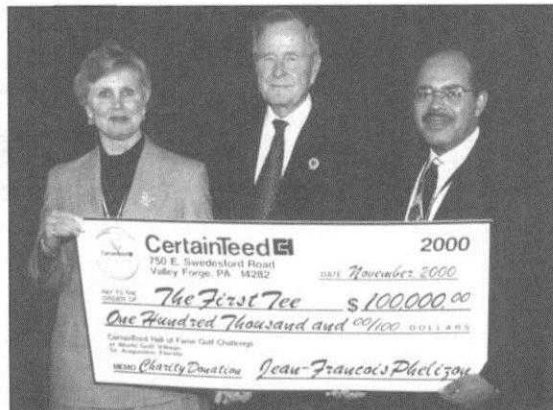

- A wide range of public sector constituencies, including the U.S. Department of Housing and Urban Development, Bureau of Land Management, National Association of Parks and Recreation, National League of Cities, U.S. Conference of Mayors and the National Association of County Officials.
- A variety of groups and organizations, including the YMCA of the USA, the National Minority Golf Foundation, the Tiger Woods Foundation and the Golf Course Superintendents Association of America.

Under the direction of Joe Louis Barrow, Jr., National Director of The First Tee and Senior Vice President of the World Golf Foundation, The First Tee turns its focus to Phase II.

In Nov. 2000, The First Tee held its third annual National Meeting at the World Golf Village in St. Augustine, FL. and announced its Phase II business strategy with the primary goal of impacting the lives of 500,000 young people cumulatively through 2005. In addition, the plan calls for The First Tee to expand to 250 facilities and establish 500 affiliate relationships during the same time period.

Also announced during this meeting was the beginning of a capital campaign titled *More Than A Game*. This campaign is designed to raise \$50 million over the next three to five years and is co-chaired by World Golf Hall of Famers Jack Nicklaus and Juli Inkster.

As The First Tee continues to grow and gain support, more and more young people will be introduced to the game of golf and its inherent values.

## GOLF 20/20: VISION FOR THE FUTURE

*Golf 20/20: Vision for the Future*, held in Nov. 2000 at World Golf Village, was an unprecedented gathering of 200 golf and business leaders to explore ways to grow participation and interest over the next 20 years.

Organized by the World Golf Foundation, *Golf 20/20* focused on five specific areas that the Executive Board and 44-person Steering Committee determined to be the most logical resources for driving this growth: The First Tee, Youth Golf, College Experience, Facility Development and Link Up 2 Golf, involving the growth and retention issue by connecting with people discovering or rediscovering the game.

PGA TOUR Commissioner Tim Finchem, Chairman of the World Golf Foundation, set the tone for the conference by offering two very aggressive goals in terms of where golf can be in 20 years – surpassing the National Football League to achieve the No. 1 sports fan base, and reaching one billion rounds per year, which would include growing the number of participants to more than 55 million.

Based on feedback from breakout sessions, the Executive Board presented the following objectives for this year:

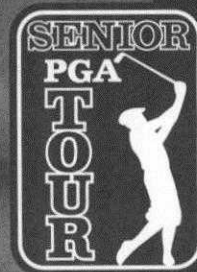

- Conduct appropriate consumer and segmentation research and analysis.
- Assemble an industry fan base task force to develop a strategy on using the Internet, interactivity and other technology vehicles.
- Support the mission and goals of The First Tee.
- Create a junior golf task force charged with developing and implementing a communications and audit strategy.
- Conduct additional research at the college level.
- Conduct analysis of successful alternative facilities and their impact on the golf economy.
- Develop a program, implementation and pilot strategy for a nationwide "Link Up" program.

The Executive Board further determined a second *Golf 20/20* conference should be scheduled in Nov. 2001 at World Golf Village.

Joining Finchem on the Executive Board are Jim Awtrey, CEO of the PGA of America; Joe Beditz, President of the National Golf Foundation; David Fay, Executive Director of the USGA; Michael Hughes, Executive Director of the National Golf Course Owners Association; Steve Mona, CEO of the Golf Course Superintendents Association of America; and Ty Votaw, Commissioner of the LPGA.
