Official Media Guide of the BUY.COM TOUR

## MESSAGE TO THE MEDIA

On behalf of the members and staff of the BUY.COM TOUR, it is my pleasure to welcome you to the 2001 season.

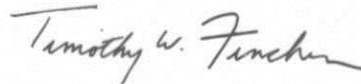

We begin our 12th year with the strongest lineup of tournaments, courses and players in our history and we welcome your coverage.

The BUY.COM TOUR will visit 21 states and Mexico in 2001 and we are excited about making our first venture into Canada. Not only has this TOUR become more international, so have its players, as up-and-coming professionals from around the world are traveling to the United States to play the BUY.COM TOUR.

In addition to offering substantial financial opportunities for our membership, the BUY.COM TOUR follows in the tradition of all PGA TOUR-sponsored events and contributes significant charitable dollars to each community it visits. All told, the BUY.COM TOUR has raised more than \$20 million for charity since its inception in 1990.

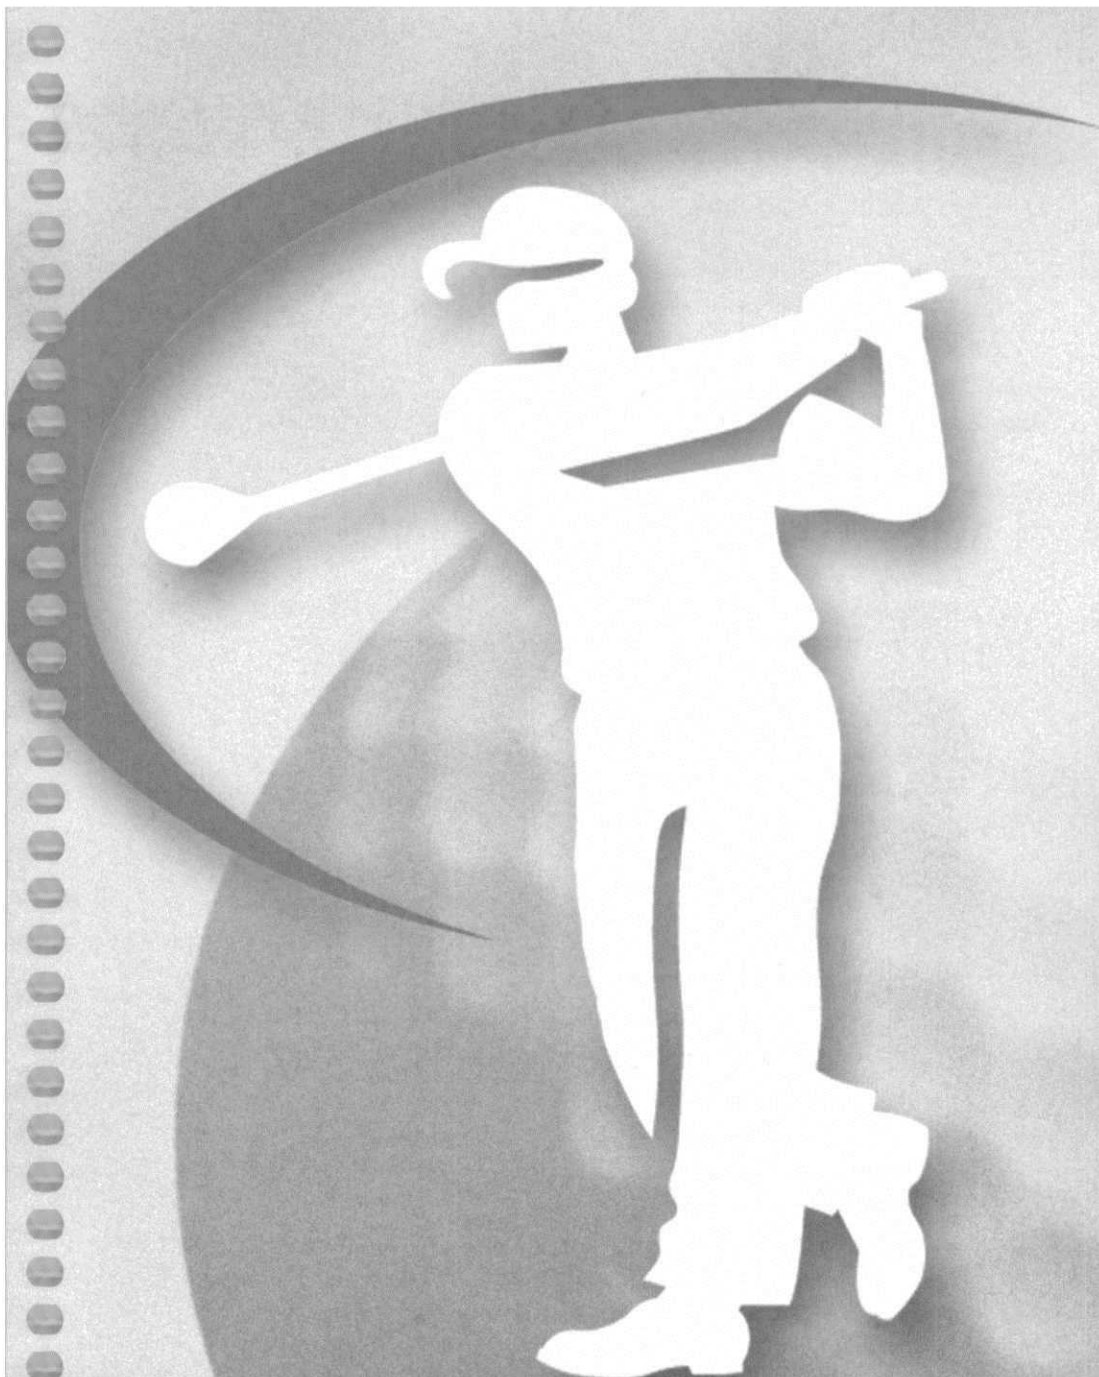

We hope this publication will be a useful tool in helping your coverage of the BUY.COM TOUR. Our Media Officials are available on site at each event to assist you, as are the other members of the Communications Department staff in our headquarters.

Thanks again for your coverage of the BUY.COM TOUR and we wish you the very best in 2001.

Timothy W. Finchem  
Commissioner  
PGA TOUR

### BUY.COM TOUR

buy.com, The Internet Superstore™, has been the title sponsor of the BUY.COM TOUR, formerly the NIKE TOUR, since January 2000. buy.com offers more than one million SKUs in 12 categories, including a golf and sports store.

#### Why sponsor a golf tour?

The sponsorship of the BUY.COM TOUR was a natural fit for the mainly male, well-educated, high-income demographic of buy.com. The TOUR presents a strong branding opportunity for buy.com, as well as a vehicle to promote the buy.com online golf store. Golf is the second highest spending sports category next to fitness.

#### How are you driving the buy.com brand through the TOUR?

buy.com is leveraging the sponsorship through a mix of traditional advertising, public relations and on-site visibility at every event. Select TOUR events are televised on The Golf Channel. Event scores are posted in daily newspapers as well as on the Internet. There have been several stories on the TOUR in national golf publications, including *GolfWeek*, *Golf Digest* and *Sports Illustrated*.

#### How are you utilizing the TOUR to drive traffic to the buy.com Web site?

In addition to well-placed signage at each event, there is a buy.com booth and representative at most events distributing buy.com coupons and company information. In addition, there is a sweepstakes run at select events for attendees to enter and win a Palm Pilot or a computer.

## A HISTORY OF THE BUY.COM TOUR

Even the most optimistic person couldn't have foreseen the success of the BUY.COM TOUR when it kicked off its inaugural season on Thursday, Feb. 2, 1990 at 7:30 a.m. PST at Bakersfield Country Club in Bakersfield, CA.

The BUY.COM TOUR began under corporate sponsorship of the Ben Hogan Company as the Ben Hogan Tour. The idea of former PGA TOUR Commissioner Deane R. Beman, the BUY.COM TOUR was designed as a proving ground for up-and-coming golfers, as well as a place for PGA TOUR veterans to hone their skills as they prepared for the SENIOR PGA TOUR. It has become so much more than that.

For the first two years of the TOUR, the top five money winners were awarded PGA TOUR membership. Beginning in 1992, the PGA TOUR Tournament Policy Board voted that, due to the success graduating players had on the PGA TOUR, that number would be increased to 10; and in 1997 the number was increased to 15.

That first event in 1990 was won by Mike Springer, who went on to win two more times that year and finish fourth on the money list. He was joined by Jim McGovern, Dick Mast, Ed Humenik and Jeff Maggert, who was leading money-winner and Player of the Year, in the first graduating class.

However, the player who made the biggest impact on the PGA TOUR from the 1990 TOUR was John Daly, winner of the only Ben Hogan Tour Qualifying Tournament. Daly won the PGA Championship as a rookie and went on to finish 17th on the 1991 PGA TOUR money list. Since then, he has added three more victories, including another major championship, the 1995 British Open.

Tom Lehman first established himself as a topflight player on the 1991 TOUR. After two nondescript years on the PGA TOUR in the early 1980s, Lehman won a tournament on the 1990 TOUR. But 1991 was the breakthrough season in his comeback. He won three times that year and was the circuit's leading money-winner.

Californian John Flannery was the dominant player on the 1992 TOUR, winning three times and leading the TOUR in earnings with \$164,114. His successful campaign made him the TOUR's third Player of the Year.

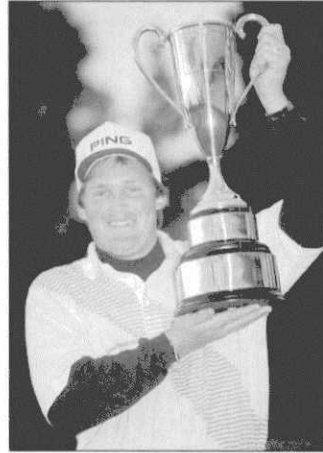

The big news of 1992 didn't happen on the golf course. It was announced on August 26, 1992 that Nike Inc. would take over sponsorship of the TOUR beginning with the 1993 season.

Sean Murphy was the star of the 1993 TOUR. He set records for wins in a season with four, career victories with five, and single-season earnings with \$166,293. He added a sixth title in 1995.

While Murphy was busy setting records, his fellow TOUR alumni were busy making a name for themselves on the PGA TOUR. Daly had already collected his second career win in the 1992 B.C. Open, and others were beginning to earn their own hardware. McGovern, Mike Standly and Maggert all collected PGA TOUR titles in 1993, while Springer and Greg Kraft grabbed a pair of unofficial wins.

The TOUR Championship also was established in 1993 as a climax to the season. Rookie David Duval won the first TOUR Championship, which featured only the top 50 money-winners during the year.

On the 1994 TOUR, Chris Perry showed that consistency has its own rewards. Although six players collected multiple victories that year, Perry's lone title in the Utah Classic and his consistent strong play over the course of the season earned TOUR Player of the Year honors. He set a single-season earnings record with \$167,148 and collected 10 top-10 finishes. He made every cut that season.

*Mike Springer won the Bakersfield Open, the first-ever TOUR event, on Feb. 5, 1990.*

## A HISTORY OF THE BUY.COM TOUR (CON'T)

The 1994 TOUR season saw a number of firsts. In June, Tommy Armour III became the first player to win back-to-back tournaments, the Miami Valley Open and Cleveland Open. During the second round of the 1994 Shreveport Open, Omar Uresti set a record with nine consecutive birdies. That not only stands as the BUY.COM TOUR standard, it is better than the records on the PGA TOUR, SENIOR PGA TOUR or European Tour.

In May, Vic Wilk became the first left-hander to win a BUY.COM TOUR event, the Knoxville Open.

Jerry Kelly continued the trend of the leading money-winner setting an earnings record in 1995, when he earned \$188,878 to better Perry's year-old record. Besides winning twice, Kelly posted 15 top-10 finishes.

Celebrated amateur Allen Doyle played the TOUR after turning professional in the spring. He won his second event, the Mississippi Gulf Coast Classic and added two more titles on his way to a second-place finish on the 1995 money list. In 1996, he was the oldest rookie in PGA TOUR history at age 47.

Stewart Cink was the top story of the 1996 TOUR season. The 1995 College Player of the Year became the first player in BUY.COM TOUR history to earn more than \$200,000 in a single season with \$251,699. He won three times, including the season-ending TOUR Championship, and collected 14 top-10 finishes in only 21 events.

Michael Christie also was dominant in 1996, collecting three wins. In his win in Greenville, SC, he matched the BUY.COM TOUR record for lowest score in a 72-hole tournament. He matched the 54-hole tournament record as well when he won the Utah Classic.

The 1997 season began with the announcement that the PGA TOUR Policy Board had increased the number of TOUR exemptions onto the PGA TOUR from 10 to 15, further enhancing the TOUR's reputation as a proving ground for the next generation of PGA TOUR champions.

The 1997 season also marked the first year of the "Battlefield Promotion," which grants immediate access to the PGA TOUR for any player who wins three TOUR events in a season. Chris Smith was the first BUY.COM TOUR player to earn this promotion. He immediately made his presence felt on the PGA TOUR by making the cut in each of his six PGA TOUR events and finishing in fourth place at the CVS Charity Classic.

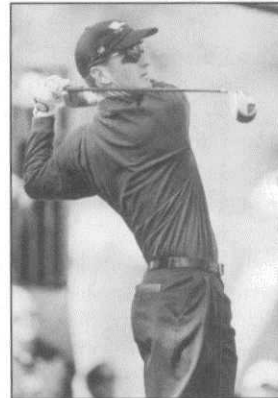

On the TOUR, Smith had a record-breaking season. He won at the Upstate Classic, the Dakota Dunes Open and Omaha Classic in back-to-back weeks. With the wins at Dakota Dunes and Omaha, he joined Armour and Jerry Haas as the only players to win consecutive tournaments. He also became the first player to win the same tournament twice, having won the Dakota Dunes Open in 1995.

Smith's victory in Omaha was a record-setting affair. His 26-under-par 258 total was the record for most strokes under par and low total. His 11-stroke margin of victory is also the BUY.COM TOUR record.

In October, Steve Flesch joined Wilk as the only left-handed champions with a win in the TOUR Championship. That victory vaulted him from 24th on the money list to fourth, earning him PGA TOUR membership for 1998.

The 1998 season saw more of the kind of action for which the BUY.COM TOUR has become known. During a three-week period late in the spring, Notah Begay III and Doug Dunakey caught the attention of the golf world when each recorded a 59 in competition.

Begay's 13-under-par 59 came in the second round of the Dominion Open and was highlighted by a five-hole stretch that saw him go birdie, birdie, eagle, birdie, ace (eagle). He shot a 9-under-par 27 on

*David Duval has won 12 PGA TOUR titles to lead all former BUY.COM TOUR players.*

## A HISTORY OF THE BUY.COM TOUR (CON'T)

his incoming nine to ensure his place in the record books.

Three weeks later, Dunakey turned his own 27, this one 8-under-par, into a place in the BUY.COM TOUR record book alongside Begay. Amazingly, Dunakey could have had the record on his own, with only a three-putt bogey on his final hole keeping him from posting an incredible 58.

Begay was involved in another piece of BUY.COM TOUR history when he and Eric Booker engaged in the longest playoff in BUY.COM TOUR history, a nine-hole affair at the Lehigh Valley Open that Booker finally won by with a par.

Not only were there personal milestones on the 1998 TOUR, but the TOUR itself celebrated one when the Cleveland Open played host to the 250th event in TOUR history.

Bob Burns was named 1998 Player of the Year after leading in earnings with \$178,664 and winning at the Dominion Open and TOUR Championship.

The 1999 season saw Carl Paulson establish a new BUY.COM TOUR record for consecutive starts with 83. The 83rd start was a significant one as Paulson recorded his first-ever BUY.COM TOUR victory at the Utah Classic. That win, and one another two weeks later in Boise, vaulted Paulson to the top of the money list. He was rewarded for his efforts when his peers selected him as the BUY.COM TOUR Player of the Year.

Seven players won twice on the TOUR in 1999, and a record 22 players earned more than \$100,000.

One of the top players on the 1999 TOUR was Marco Dawson, who began the season without playing privileges. He eventually played his way onto the TOUR and, while he did not win a tournament, finished third on the money list with more than \$200,000. He also led the TOUR in Scoring Average and recorded 11 top-10 finishes in 21 starts.

The season-ending TOUR Championship was a thrilling affair played at the Robert Trent Jones Trail Highland Oaks GC in Dothan, AL. Bob Heintz won his second event of the season in a playoff with Dawson to take home the largest first-place prize in TOUR history—\$72,000.

The most significant news of the 1999 season, however, took place off the golf course when buy.com signed on in late October as the new umbrella sponsor. With buy.com's financial contribution, BUY.COM TOUR purses rose to a record \$13.1 million in 2000, with the minimum weekly purses jumping from \$225,000 to \$400,000.

On the course, the 2000 season saw Spike McRoy earn Player of the Year honors after winning twice and earning a BUY.COM TOUR record \$300,638. He was one of 53 players to earn \$100,000 or more.

Along the way, Tim Clark made a little history of his own when he collected the first \$100,000 payday on the BUY.COM TOUR by winning the BUY.COM Boise Open.

The 2000 season was also notable for the emergence of international players who captured nine titles and claimed four of the top 15 spots on the money list.

## ABOUT THE COMMISSIONER

### **Timothy W. Finchem** Commissioner

Timothy W. Finchem, 53, is the third Commissioner of the PGA TOUR.

Finchem succeeded Deane R. Beman as Commissioner on June 1, 1994. Beman had served for 20 years, replacing the late Joseph C. Dey, who had been the TOUR's Commissioner in its first five years, 1969-74.

Finchem, Deputy Commissioner and Chief Operating Officer of the TOUR under Beman since 1989, had joined the TOUR staff as Vice President of Business Affairs in 1987.

As Commissioner, Finchem has greatly expanded the earnings opportunities for PGA TOUR players domestically and internationally. He also has taken leadership roles in the formation of the International Federation of PGA Tours and the World Golf Foundation, Inc.

His personal dedication to the success of the World Golf Foundation's First Tee initiative has helped that program achieve its initial objectives in developing facilities that will have an impact on the game for years to come.

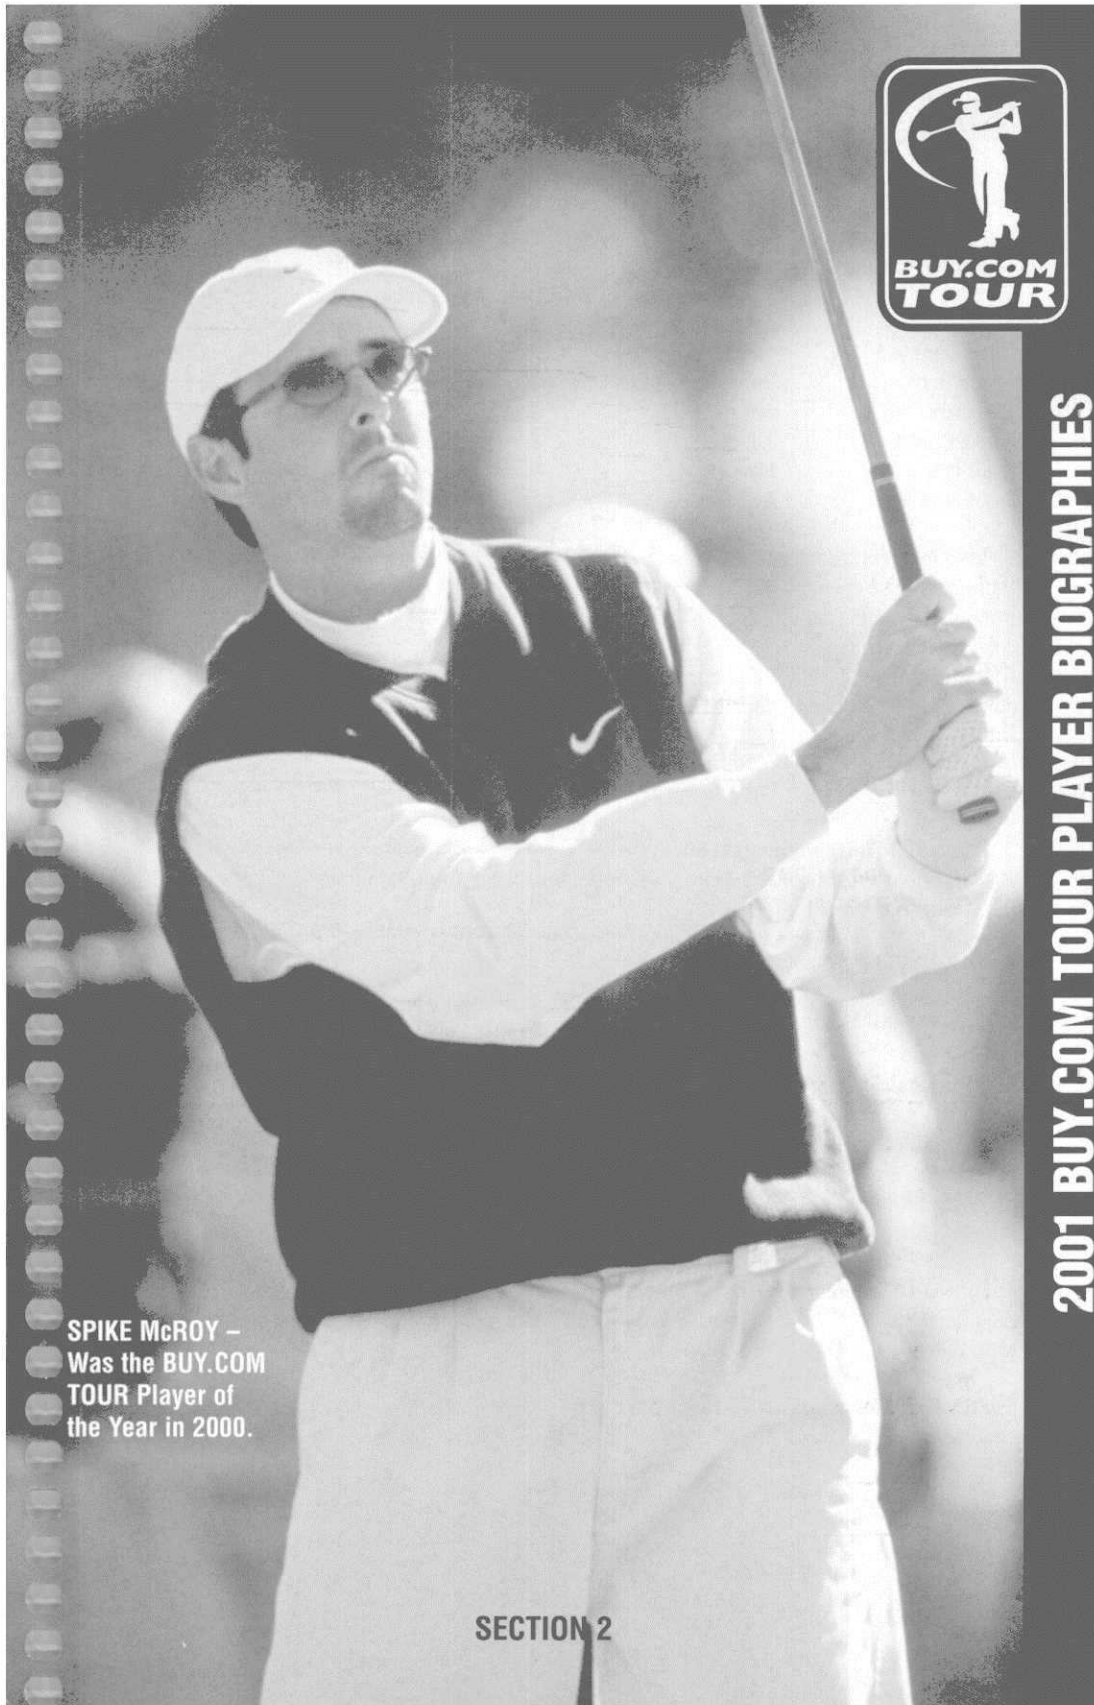

"Our primary purpose as a membership organization is to create outstanding playing and earnings opportunities for our players," Finchem says, "and we are proud of what our tournaments do for charity (more than \$500 million raised) and the active role we have been able to take as an organization in growing the game for future generations."

Born in Ottawa, IL on April 19, 1947, Finchem was graduated from Princess Anne High School in Virginia Beach. He attended the University of Richmond on a debate scholarship, receiving his Bachelor of Arts degree in 1969. He was graduated from the University of Virginia Law School in 1973.

After practicing law in Virginia Beach for three years, Finchem served in the White House as Deputy Advisor to the President in the Office of Economic Affairs in 1978 and 1979. In the early 1980s Finchem co-founded the National Marketing and Strategies Group in Washington, D.C.

A physical fitness advocate, Finchem is a member of the President's Council on Physical Fitness. He also is recipient of the Golf Course Superintendents Association of America's Old Tom Morris Award for 2001.

Married to the former Holly Bachand, Finchem is a father of four. The Finchems live in Ponte Vedra Beach, FL.

## BUY.COM LAKELAND CLASSIC NOTES

**Donnie Hammond** earned his third career win at the 2000 BUY.COM Lakeland Classic, but his first on the BUY.COM TOUR. Hammond earned the title when **Jeff Gallagher** 3-putted the final green from 25 feet to drop into a tie for second. Hammond collected his first career title at the 1986 Bob Hope Chrysler Classic, beating **John Cook** in a playoff, and then came within one stroke of the all-time PGA TOUR scoring record when he posted a 258 total to win the 1989 Texas Open by seven strokes.

TOUR veteran **Bob Lohr** injured his left thumb following Saturday's round and chose to play the final round using only his right hand, rather than withdraw. Playing as a single in the first group off the tee, Lohr hit mostly 3-woods and 5-irons en route to a 46-52-98 final-round score. Lohr did not make a par, but did manage to hit 9 of 14 fairways on the final day and needed only 28 putts. For the week, Lohr tied for first in putting.

**Mark Hensby** may have run out of energy during last year's tournament. Following a runner-up finish at the season-opening Florida Classic, Hensby flew home to Phoenix, AZ where his wife, **Jill**, gave birth to their first child on Monday. Hensby then flew back to Florida late Wednesday. He posted rounds of 74-68-64 to move into a tie for fifth place heading into the final round, but his Sunday 73 dropped him into a T18.

## BUY.COM LOUISIANA OPEN NOTES

**Rob McKelvey** proved that a little local knowledge can go a long way. McKelvey earned his first career title at Le Triomphe, a course he often played during his collegiate days at the University of Louisiana-Lafayette. McKelvey began the final round in a five-way tie for second place, four strokes back of 54-hole leader Guy Hill.

The 452-yard, par-4, 13th hole was again among the most difficult on TOUR. The hole known as "Gator's Jaw" played to a stroke average of 4.482 in 2000, making it the fourth toughest hole of the year. Gator's Jaw was ranked as the most difficult hole in both 1998 (4.684) and 1999 (4.512).

The BUY.COM Louisiana Open is one of the few tournaments that have never required a playoff to determine its champion. **Rob McKelvey's** one-stroke victory in 2000 marked only the third time in nine years that the winning margin has been a single shot.

**Rob McKelvey** combined distance and touch to collect his first win last year. The Conyers, GA resident ranked in the top 10 in both driving distance (7th) and putting (T8) for his four trips around Le Triomphe CC.

**Guy Hill's** 4-stroke lead after three rounds matched the largest 54-hole lead on TOUR in 2000. Three others also enjoyed a four-shot advantage heading into the final round: **Darron Stiles** at the BUY.COM Tri-Cities Open, **Pat Perez** at the BUY.COM Monterey Peninsula Classic and **Spike McRoy** at the BUY.COM TOUR Championship. Only Stiles and McRoy went on to win those tournaments.

### BUY.COM SHREVEPORT OPEN NOTES

**Kent Jones'** victory at Shreveport rocketed him up the season money list. Jones, who earned a career-best \$72,000 for his first win, vaulted from No. 58 to No. 6 on the money list. Jones would later add the BUY.COM Greensboro Open title to his list of credits and finish the year No. 7 on the final money list.

Tournament winner **Kent Jones** shot himself into contention in Friday's second-round play. Jones, who started play on the back in the afternoon, was eight-under for his last 10 holes, including a birdie-birdie-eagle finish for a back nine total of 29. Jones eagled the par-4, 18th hole using a 5-iron from 183 yards. Jones' 7-under-par 29 tied the second lowest 9-hole score on TOUR last year, topped only by **Chris Zambri's** 7-under 28 at the BUY.COM Boise Open.

**Kent Jones'** steady play over the weekend was part of the reason he was able to win in Shreveport. Jones played the final 29 holes without a bogey and was just one of two players to negotiate the final round at Southern Trace Country Club without a bogey.

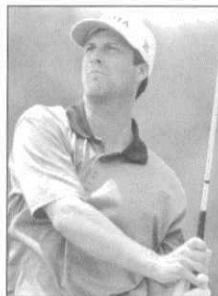

First-round leader **Larry Rinker** carded an 8-under-par 64 last year, matching the lowest opening round in the 10-year history of the tournament. It was also Rinker's best round since the 1997 Bob Hope Chrysler Classic, a span of 100 tournaments.

### BUY.COM SOUTH CAROLINA CLASSIC NOTES

**Jeff Gallagher's** second victory on the BUY.COM TOUR came almost nine years after his first at the 1991 Cleveland Open. Gallagher's initial victory on TOUR came in his 45th event and his next did not come until his 189th event, which means he played in 143 events between without a victory.

**Jeff Gallagher's** come-from-behind victory was the fifth of the season through the first seven events. He overcame a two-stroke deficit to defeat **Lee Porter** by a stroke. Earlier in the season, Gallagher lead the Lakeland Classic after three rounds, but was not able to keep the lead as **Donnie Hammond** came away victorious.

**Mark Hensby** recorded the only hole-in-one of the tournament. After recording a seven on the par-5 second hole, Hensby took aim at the flag on No. 3 and knocked a 6-iron 178 yards into the hole for the ninth ace in tournament history.

**Jace Bugg**, a Monday qualifier, found himself three shots off the lead after his first round on the BUY.COM TOUR. He finished the tournament at 1-under-par 278 (T23) and qualified for the next event.

## BUY.COM RICHMOND OPEN NOTES

**Steve Runge** became the sixth first-time winner on TOUR in 2000 with his playoff victory over **Chris Smith**. Runge, whose previous best career finish was a T13 at the 1995 Tri-Cities Open, had earned only \$8,640 for his first eight starts before winning at Stonehenge.

In collecting his first TOUR win, **Steve Runge** defeated former Ohio State University roommate **Chris Smith** on the first hole of their playoff. Runge and Smith roomed together for four years during their days in Columbus. Both players finished regulation play at 8-under-par 272 after Runge birdied the final hole and Smith bogeyed the 72nd hole. In the playoff, Runge holed out from the front, right bunker for birdie and then watched as Smith missed a 25-foot birdie putt to tie.

While **Steve Runge** was spending the week in Richmond, his wife **Kathy** was home in Delray Beach, FL expecting the birth of their first child. Five days after Runge collected \$72,000 for the win, Kathy and Steve welcomed **Cole Steven** to the world.

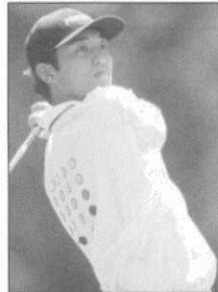

**Steve Runge** used a critical eagle-2 on the 465-yard, par-4, 12th hole in Sunday's final round to put himself in position to win last year. Runge's 6-iron from 184 yards landed about 15 feet from the hole before rolling into the cup. It was the second time in the week he holed a 6-iron for an eagle. The 12th hole played to a stroke average of 4.397 and was ranked as the second toughest hole on TOUR through the Richmond event. For the year, that hole was 23rd most difficult on the BUY.COM TOUR.

## BUY.COM VIRGINIA BEACH OPEN NOTES

The 2000 BUY.COM Virginia Beach Open marked the first visit to a Tournament Players Club course in the 11-year history of the TOUR. The TPC of Virginia Beach proved an especially stern test on the opening round as only 17 players broke par-72 on the 7,432-yard Pete Dye-designed layout. The first day scoring average for the field of 144 players was 75.448.

**Ryuji Imada** became the first of five rookies to win on the BUY.COM TOUR last year when he cruised to a five-stroke win at the BUY.COM Virginia Beach Open. Imada also became the first Japanese-born player to win in the 11-year history of the TOUR.

The BUY.COM TOUR's first visit to a TPC course proved a formidable task. The 7,432-yard TPC of Virginia Beach, the longest course on TOUR in 2000, played to a scoring average of 73.615 for the week, making it fifth most difficult on the 2000 BUY.COM TOUR.

**Jim Johnson** established a course record at the Tournament Players Club of Virginia Beach, posting a bogey-free, 7-under-par 65 in last year's third round. Johnson hit 17 greens in regulation while playing nearly perfect golf on Saturday. Johnson needed a 25-putt birdie putt on the 18th Friday just to make the 36-hole cut on the number.

36-hole co-leader **Mike Heinen** didn't get word of his playing status until Tuesday night of the tournament week. The 1994 Shell Houston Open winner walked the TPC of Virginia Beach during Wednesday's Pro-Am for his first look at the layout. Heinen posted rounds of 71-68 to join **Ryuji Imada** and **David Berganio, Jr.** at the top of the second-round leader board.

## BUY.COM STEAMTOWN CLASSIC NOTES

**Jeff Hart's** victory at the inaugural Steamtown Classic came in his 209th professional start (129 PGA TOUR, 80 BUY.COM TOUR) dating back to 1985. The victory was worth \$81,000 to the 40-year old Hart and vaulted him from No. 31 to No. 8 on the money list. Hart went on to finish 15th on the final money list and earn his 2001 PGA TOUR card.

**Jeff Hart's** winning score of 5-under-par 275 was the highest winning score on TOUR in 2000 and the highest since **Bob Heintz'** winning 5-under score at the 1999 TOUR Championship.

**Paul Gow** and **Ian Leggatt** both missed chances to force a possible playoff at Scranton last year. Gow was 5-under through 71 holes, but double-bogeyed the final hole after hitting his second shot into the water hazard that guarded the front of the 18th green. Leggatt was also 5-under with one hole to play but a 3-putt bogey on No. 18 dropped him into second place. Leggatt went on to win the following week, capturing the BUY.COM Dayton Open title when he defeated **Chris Smith** in a playoff.

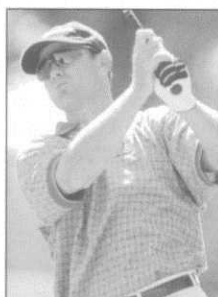

Third-round co-leader **Jeff Hart** missed only one fairway in his first 54 holes.

*Ian Leggatt's \$72,000 winner's check propelled him past the \$200,000 mark in just the 12th event last season. That's the quickest anyone has ever reached that mark on the BUY.COM TOUR. Only five players had even earned \$200,000 in the previous ten years of the TOUR.*

*Not only did Ian Leggatt become the ninth first-time winner of the season with his victory at the BUY.COM Dayton Open but he became the fourth Canadian-born player to win on the BUY.COM TOUR. The previous winners include **Jerry Anderson**, **Glen Hnatiuk** and **Rick Todd**.*

***Chris Smith** recorded a double eagle at the Golf Club at Yankee Trace. Smith used a driver and a gap wedge from 141-yards on the 504-yard, first hole to nab his first-ever double eagle during the second round of play.*

*The par-4 17th hole at the Golf Club at Yankee Trace played the hardest of any hole on this TOUR last season. The 462-yard hole played to an average of 4.631 or .631 strokes above par. The hole allowed just 16 birdies while making 209 golfers record scores above par on the hole during the tournament.*

## BUY.COM GREENSBORO OPEN NOTES

**Kent Jones'** winning score of 17-under-par 263 broke the tournament record by three strokes. Jones' bogey at the final hole only reduced his winning margin. Jones became the first player to win twice in 2000, adding the Greensboro trophy to the one he collected for winning the BUY.COM Shreveport Open in April.

**Dennis Zinkon** registered a rare double-eagle on the 491-yard, par-5 6th hole during Friday's second round. Zinkon hit driver and a 4-iron from 201 yards for his deuce. The double-eagle jumped Zinkon from even-par to 3-under through 24 holes. He posted rounds of 69-68-66-69 and tied for 21st.

Amateur **Charles Howell**, the College Player of the Year, shared the first-round lead with **Chris Starkjohann** at 7-under-par 63. Playing in his first BUY.COM event, the Augusta, GA native carded a back-nine 5-under-par 30 to get to the top of the leader board. Howell turned 21 years of age on Tuesday. Howell, a junior at Oklahoma State, won the 2000 NCAA individual title and led the Cowboys to the team victory in a playoff over Georgia Tech.

**Charles Howell's** tie for second place was the best finish ever by an amateur in a BUY.COM TOUR event. Howell, the reigning NCAA individual champion and collegiate Player of the Year from Oklahoma State, put together a bogey-free, 7-under 63 in the final round to jump into a tie for second. Howell bettered **Sergio Garcia's** tie for third at the 1998 Greensboro Open. Greensboro was Howell's final tournament as an amateur. The Augusta, GA native turned pro the following week at the PGA TOUR's Canon Greater Hartford Open.

### BUY.COM CAROLINA CLASSIC NOTES

**Mark Hensby** and **Manny Zerman** tied at 18-under par after 72 holes and then needed to go another seven holes to determine a winner. Hensby was nearly perfect in the playoff, hitting every fairway and six greens in the extra session. When Zerman lipped out a five-foot par putt on the 18th green, Hensby tapped in to win \$72,000 and end the third longest playoff in TOUR history. Hensby's first-place check pushed him to No. 1 on the season money list, a position he would hold for the next 17 weeks.

**Matt Peterson** moved into contention with an 8-under-par 63 in Saturday's third round. Peterson's round was highlighted by a 6-under-par 29 on the back nine, which included six birdies on the first seven holes. Entering Sunday's final round, Peterson had gone 42 holes without a bogey on the Raleigh Country Club course.

**Mark Hensby** celebrated his 29th birthday Thursday with an opening round 7-under-par 64, good for a one stroke lead. Hensby needed only 24 putts to complete his tour of the Raleigh Country Club course.

**Mike Heinen** recorded the seventh ace in tournament history when he knocked a 4-iron into the cup on the 201-yard 6th hole during last year's opening round. Heinen's ace was only the second hole-in-one since the event moved to Raleigh CC in 1998.

### BUY.COM HERSHEY OPEN NOTES

*Paul Gow* became the second Australian in as many weeks to capture a victory on the BUY.COM TOUR and the fifth international player through 16 events. **Mark Hensby** won the previous week at the BUY.COM Carolina Classic. The last time two Australians won back-to-back was in 1998 when **Anthony Painter** took home the Ozarks Open and Hensby won the Ft. Smith Classic.

The Country Club of Hershey, PA's east course was the toughest course on the BUY.COM TOUR for the second consecutive year. The course played to a scoring average of 74.234 or 3.234 strokes above par. Over the last three seasons, the level of difficulty has increased from 2.309 to 3.150 to 3.234. The course had six out of top 25 toughest holes.

The 3-under-par 281 score carded by **Paul Gow** was the highest ever in the four-year history of the event. It also tied him with **Richard Johnson** (3-under 285, BUY.COM Monterey Peninsula Open) for the high-winning score in relation to par on the BUY.COM TOUR last season.

The cut, which came at 5-over-par 147, was the second-highest on the BUY.COM TOUR in 2000 behind the 6-over par at the BUY.COM Tri-Cities Open. It was the second year-in-a-row that the cut at the Country Club of Hershey came in at that figure.

## BUY.COM CHARITY PRO-AM AT THE CLIFFS NOTES

**Shane Bertsch** recorded 26 birdies throughout the four days at the BUY.COM Upstate Classic enroute to his first TOUR victory. The 26 birdies was second to **Ahmad Bateman's** 28 at the BUY.COM Omaha Classic during the 2000 season.

**Shane Bertsch** became the first winner in the 10-year history of the tournament to not graduate to the PGA TOUR the following season by virtue of his standing on the money list.

**Timothy Straub**, a member of the BUY.COM TOUR in 1992 and 1996, shot a 63 during the third round of the event to tie the course record in just his first event of the season. The record was set by Mike Small in 1996 and later tied by Michael Christie (1996) and Eric Booker (1998).

The 10th and 11th holes-in-one in the history of this nine-year event were recorded during rounds one and three. **Greg Gregory's** came first on hole No. 2 as he used a 5-iron from 191 yards. **John Elliott** followed with pitching wedge from 139 yards on the 11th hole. Elliott led the tournament in eagles with three after recording two during Friday's second round. He was the 20th person to record two eagles in the same round through the first 17 events.

### BUY.COM WICHITA OPEN NOTES

**Ben Crane** became the 12th Monday qualifier in TOUR history to reach the winner's circle on Sunday. Crane, a second-year pro from the University of Oregon, was the first qualifier to go on to win since **Darron Stiles** won the 1999 Dominion Open.

**Ben Crane's** winning total of 25-under par is the second lowest winning score in the history of the BUY.COM TOUR. Crane posted rounds of 67-63-66-67 to earn his first victory and collect the \$72,000 first-place check. **Chris Smith** set the record with his 26-under par score in winning the 1997 BUY.COM Omaha Classic.

**Rocky Walcher** set a BUY.COM TOUR record by starting his third round with seven consecutive birdies. No player has ever had a better start to a single round. Walcher's seven straight birdies matched the second-longest streak ever, topped only by **Omar Uresti's** record 9 in a row at the 1994 Shreveport Open.

### BUY.COM SIOUXLAND OPEN NOTES

The 56 players who made the cut was the fewest number of players to make the cut in 2000. The 36-hole cut at last year's tournament came at 4-under-par 140, marking the third straight year the cut was at 4-under.

**Briny Baird** had a 7-under-par 29 on his opening nine holes en route to an 8-under-par 64 and a share of the first-round lead. Baird started his round with five consecutive birdies, then added two more on No. 7 and 8. Baird broke the front-nine tournament record with his score of 29. The previous mark of 30 was first set by **Karl Zoller** in 1996 and later tied by **Tim Conley** in 1997 and **Tim Petrovic** in 1999.

**Brad Ball's** 14-under-par score for the first two days matched the lowest opening 36-hole score at the Dakota Dunes Country Club since the tournament moved to that course in 1993.

**Jason Gore** had two eagles in the opening round at last year's BUY.COM Siouxland Open. It was the second time in three rounds that Gore had two eagles. Gore had a pair of eagles in the third round of the BUY.COM Wichita Open the previous week.

## BUY.COM FORT SMITH OPEN NOTES

Former North Carolina State All-American **Tim Clark** posted a steady, bogey-free 66 in Sunday's final round and earned his first BUY.COM TOUR title. Clark finished the week in Fort Smith No. 1 in greens in regulation (80.6%) but No. 45 in putting as his total putts increased by one each day, starting with 29 on Thursday.

**Tim Clark's** first career win was worth \$72,000 and vaulted him from No. 45 to No. 14 on the season money list. The first-place check nearly doubled his season earnings to \$145,806. Clark would later add the BUY.COM Boise Open title to his collection and finish No. 3 on the final money list and earn his 2001 PGA TOUR card.

36-year old **Jim Benepe** returned to the headlines by grabbing the second-round lead at last year's event. Benepe's 9-under-par 131 total was two strokes better than six others. Benepe first made headlines when he won his very first PGA TOUR start, the 1988 Beatrice Western Open. Benepe is the only player ever to win his initial PGA TOUR start. Since winning in Chicago, Benepe had made only 35 cuts in 112 tournaments and recorded three top-10 finishes.

**Zoran Zorkic** tied the Hardscrabble Country Club course record with his 8-under-par 62 in last year's third round. Zorkic moved up from a T35 to a T5 following his lowest round of the year.

A total of six players were deadlocked atop the leader board after posting 6-under-par 64's in last year's opening round. The six-way tie for the lead was one shy of the BUY.COM TOUR record of seven, which has happened four times, most recently after the first round of the 1998 Wichita Open.

## BUY.COM PERMIAN BASIN OPEN NOTES

**Mark Hensby's** runner-up check of \$43,200 pushed his season earnings to a TOUR-record \$284,943, breaking **Stewart Cink's** 1997 single-season record of \$251,699.

**Kevin Johnson's** 64-64-128 total of 16-under par established a 36-hole tournament record and was the best opening 36 on TOUR since **Emlyn Aubrey's** 17-under total at the 1998 Wichita Open. Johnson's 16-under-par score was also a career best for the 1999 South Carolina Classic winner.

Monday qualifier **Dan Olsen** grabbed a share of the first-round lead last year with an 8-under-par 64 at The Club at Mission Dorado. Olsen, a 1990 Indiana University graduate, hit only three of 14 fairways during his first round and averaged 342.5 yards on his measured drives for the opening day.

**Kevin Johnson, Guy Boros** and **Todd Barranger** exchanged the final-round lead a half-dozen times before Johnson finally took charge with consecutive birdies at Nos. 13, 14 and 15. For the week, No. 13 was the fourth most difficult hole and No. 14 was ranked as the hardest hole on the course. Johnson finished with a 2-under 70 to become the TOUR's 26th three-time winner. The victory was worth \$72,000 and moved Johnson from No. 58 to No. 16 on the money list with \$130,617.

## BUY.COM BOISE OPEN NOTES

**Tim Clark** collected the richest prize in BUY.COM TOUR history when he captured last year's event. Clark, who picked up \$72,000 for his victory at the BUY.COM Fort Smith Classic four weeks earlier, added \$100,080 to his bank account with a six-stroke win at Boise. Clark dusted the year's strongest field which contained 58 of the top 60 money-winners by six strokes, matching the fifth largest winning margin in TOUR history and the biggest since **Carl Paulson** won the 1999 Utah Classic.

**Chris Zambri** threatened all kinds of records in Thursday's opening round last year. The Camarillo, CA resident birdied nine of his first 11 holes before settling back for an 8-under-par 63 and a three-stroke lead over three others. Zambri turned the front side in 7-under 28, the lowest 9-hole score on TOUR last year. His three-stroke lead was also the largest 18-hole lead on TOUR in 2000.

Tournament champion **Tim Clark** used solid ball-striking en route to his second title of the year. Clark finished the week at the Hillcrest Country Club ranked tied for first in fairways hit and second in greens in regulation.

## BUY.COM OREGON CLASSIC NOTES

**Keoke Cotner** posted his third straight bogey-free round on Sunday and earned his first career title with a two-stroke victory over **Jody Bellflower** and **Tommy Biershenk**. Cotner ran his string of bogey-free holes to 65 by the end of the week as he equaled the tournament record with 16-under par total. The victory was worth \$72,000 to Cotner, who moved from No. 94 to No. 35 on the season money list.

**Keoke Cotner** put together his best week as a pro last year at Shadow Hills. Cotner finished the BUY.COM Oregon Classic ranked No. 2 in driving accuracy, T7 in greens in regulation and T8 in putting. Cotner became the fifth rookie to win on the BUY.COM TOUR in 2000, joining **Ryuji Imada**, **Ian Leggatt**, **Ben Crane** and **Pat Perez**.

29-year old **Keoke Cotner** matched the Shadow Hills CC course record with his bogey-free, 7-under-par 65 in Saturday's third round. Cotner birdied six of his first eight holes to jump into contention and needed only 22 putts for his round.

Former Lake Oswego, OR resident **Craig Kanada** matched his best sub-par round of the year, a 7-under 65, en route to a share of the first-round lead at last year's event. Kanada eagled par-5's on both the front and back nines during his opening round.

Second-round leader **Todd Barranger** and **Jody Bellflower** each posted 5-under-par 67's in Friday's second round last year. The scores are even more impressive, given the steady, 15-25 mph winds which pushed the second-round scoring average at Shadow Hills Country Club to 74.375.

## BUY.COM NEW MEXICO CLASSIC NOTES

The BUY.COM New Mexico Classic gets a date and course change beginning in 2001. The tournament, which has been held at the Santa Ana Golf Club in October the past two years, will now be held at Twin Warriors Golf Course in August.

**Jason Gore's** final score of 14-under-par 266 established a new tournament record. The old mark was 267 set by **Dick Mast** in 1999. Also, the 14-under-par 130 recorded by **Jason Gore** during the last 36 holes tied him with **Vance Veazey** (BUY.COM Wichita Open) for best low final 36-hole score.

Runner-up **Mike Grob** had hip replacement surgery in January 2000. As a result, he secured a medical exemption that allowed him to play in 12 events last season. His 12th was the BUY.COM New Mexico Classic, and his second-place finish propelled him into the top 55 on the money list and qualified him for one more event - the BUY.COM TOUR Championship.

**Mike Grob**, the second- and third-round leader, established new marks for the 36- and 54-hole records. His 9-under 131 bested **Darron Stiles'** old mark of 135, while his 11-under 199 erased the 204 set by **Dick Mast** and **Joel Edwards** in 1999.

## BUY.COM INLAND EMPIRE OPEN NOTES

**Scott Petersen** became the last of 19 first-time winners on the BUY.COM TOUR in 2000. His victory also jumped him from No. 155 on the money list to No. 60.

**Sonny Skinner** opened the event with an 8-under-par 64, which established a course record for the new tournament course. The mark was later matched by **Tripp Isenhour** and **Tommy Biershenk** during the second round.

**Brian Tennyson** recorded a hole-in-one on the 14th hole during round two. He used an 8-iron from 150 yards to record the fifth ace in the seven-year history of the event and the first since the tournament moved to Empire Lakes Golf Course in 2000. **John Wilson** followed that up with an ace on the ninth hole during round four. He used an 4-iron from 216 yards. He picked the right hole on Sunday as his ace was worth \$10,000 thanks to an on-course promotion.

## BUY.COM TOUR CHAMPIONSHIP NOTES

**Spike McRoy** double-bogeyed his first hole of the tournament then shot 18-under par the remainder of the way to finish with a new tournament record of 16-under-par 272. It was his first professional win in his home state of Alabama since the 1992 Alabama Open.

**Spike McRoy's** second victory of the season made him the third player to accomplish the feat in 2001. The victory not only gave him enough money to become the first player in BUY.COM TOUR history to surpass \$300,000 (\$300,636) in earnings but propelled him to BUY.COM TOUR Player of the Year honors.

As has been the case in every year but the first, there was at least one change to the names in the Top 15 money list after the tournament. This year it was **John Riegger**, who bounced **Rob McKelvey** from the list after his T3 finish allowed him to jump from No. 16 to No. 10 on the final money list.

**Spike McRoy** set a new tournament course record with his 8-under-par 64 during Friday's second round. He bettered the mark of 65 set by **Michael Clark III** during the 1998 event held at the Robert Trent Jones Trail Magnolia Grove Crossings Course in Mobile, AL.

# **PGA TOUR MEDIA REGULATIONS**

## **GENERAL REGULATIONS**

The following regulations are to be followed by all members of the media:

1. A daily decal is necessary to walk inside the gallery ropes. Remain not more than an arm's length from the ropes, so as to blend into the gallery and appear to be a part of the gallery at all times.
2. Players are not to be distracted during play. Do not interview players or ask them to pose for photographs during their rounds.
3. Do not interview players or ask them to pose for photographs during their practice sessions before a round, except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player, up against the ropes and not in the middle of the areas where it could be distracting to other players.
5. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards. Media are not allowed in the scoring tent.

## **WORKING PRESS REGULATIONS**

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day — and others requested — will be interviewed following their rounds in the Press Room interview area.

## **TAPE RECORDER REGULATIONS**

1. All tape recorder work should be done in the proximity of the Press Room and/or clubhouse.
2. Tape recorders are not permitted in the locker room.
3. Tape recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

## **WEATHER DELAY GUIDELINES**

1. During weather delay situations, no one other than players and essential staff will be permitted in the locker room. This means the media are not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media will be welcome in the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are not permitted in the locker room.)

## PHOTOGRAPHY REGULATIONS

Photo credentials will be issued only to personnel on assignment from recognized and accredited publications or news services. Requests for credentials must be made by the appropriate news agency, not by the photographer. PGA TOUR reserves the right to refuse photo credentials in its sole discretion.

Photographic likenesses of PGA TOUR, SENIOR PGA TOUR and BUY.COM TOUR players and tournament courses may be used only by the news agency which the photographer represents. Any other use must be approved in advance in writing by the PGA TOUR.

Commercial exploitation of player or course photographs without the written consent of the players or courses and PGA TOUR is prohibited.

A limited number of photo decals will be issued daily by the PGA TOUR Media Official on site and will permit the wearer access inside the ropes. Photographers who do not have a photographic decal must stay outside the gallery ropes. Photographic assistants will not be issued decals. On occasion, an outside the ropes access decal may be granted on a daily basis.

Cameras must have at least a 300mm lens, and may be used only by accredited media representatives who have been issued photo credentials, and such use is subject to the following conditions:

1. Photographers with photo decals must stay within one arm's length of the ropes at all time. Photographers without decals are not permitted inside the ropes at any time.
2. Photographers are not permitted on the teeing ground.
3. The use of carts is prohibited at all times.
4. Photographers must not position themselves in the line of play. If requested to move by a player, his caddie or an official, the photographer will do so without delay or discussion.
5. No photograph shall be taken until a player has completed his stroke.
6. Players should not be asked to pose during a round.
7. Noise-free equipment must be used at all times.
8. Cameras are not permitted in the scoring tent or in the locker rooms.

The Photographer shall indemnify, defend and hold the Tournament and the PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with (1) the unauthorized use of photographs taken by the Photographer, whether such unauthorized use is by the Photographer, the company designating the Photographer to use the credential on its behalf, or some third party to whom the photographs are distributed; (2) any injuries resulting from acts or omissions by the Photographer or some third party to whom the Photographer directly or indirectly distributed the material; (3) any cameras, wires, cables or other equipment brought to the premises by the Photographer, or (4) the use of any photographs of any matter other than coverage of the Tournament.

2. All highlights coverage must be part of regularly scheduled news and/or sports programs.
3. Highlights from any day's play may not be broadcast or used for any other purpose after seven days from the conclusion of play each day.
4. No action footage of any day's play may be broadcast until that day's live or tape-delayed coverage by the television network is concluded.
5. No footage may be inserted into any commercial announcement or sold to any other broadcast entity or agency.
6. As the exclusive rights holder, PGA TOUR is the absolute owner of all footage shot at the tournament site (golf action or other footage) and may request copies of any footage shot at PGA TOUR, SENIOR PGA TOUR and BUY.COM TOUR events. Such footage will be provided to the TOUR at cost upon request.
7. The use of golf carts is prohibited at all times.
8. Only personnel with appropriate credentials will be allowed inside the gallery ropes, and they must stay within one arm's length of the ropes at all times. All support personnel must remain outside the ropes.

## **BUY.COM TOUR PARTNERS IN CHARITY**

### **BUY.COM TOUR DONATIONS REACH \$20 MILLION**

In just 11 seasons, events on the BUY.COM TOUR have generated approximately \$20 million for local charities. This past year, the BUY.COM TOUR contributed \$2.3 million for local charitable concerns.

The success of the BUY.COM TOUR in raising substantial funds for local charities is one of the cornerstones of the TOUR's overall mission. The BUY.COM TOUR seeks to not only provide a place for its members to play, but also to provide local fans with outstanding competition while leaving significant dollars in the community to assist those in need.

"We are very proud of the fact that the BUY.COM TOUR has been able to create more than \$20 million for local charities," said Bill Calfee, Chief of Operations for the BUY.COM TOUR. "It is a great reward for the thousands of people who work hard behind the scenes to make this TOUR possible.

"Just as our purses have grown tremendously through the years, so have our charitable contributions – and we feel very good about that," added Calfee.

The PGA TOUR, SENIOR PGA TOUR and BUY.COM TOUR combined to distribute \$64 million in 2000.

Since the first donation from a PGA TOUR event to charity in 1938 at the Palm Beach Invitational, PGA TOUR events have raised nearly \$475 million. SENIOR PGA TOUR events have contributed \$85 million, while the BUY.COM TOUR has added another \$20 million. Overall, the three TOURs have combined to raise more than \$575 million for charity.

## TOUR WIVES ASSOCIATION

TOUR Wives Association, Inc. is a Florida not-for-profit corporation organized to render support for and provide assistance to needy children and their families through the means of charitable events. The Association is comprised of the wives of professional golfers on the PGA TOUR and BUY.COM TOUR, as well as individuals and corporations that support the TOUR Wives Association's many charitable endeavors.

Since its incorporation in 1988, the TOUR Wives Association has supported children's charities across the country by raising money for child-related charities and given much back to the game of golf through personal and monetary contributions. In addition to the funds that are raised, the wives visit different charities in the communities where golf tournaments are held, spending time and playing with children supported by the charities.

The TOUR Wives Association conducts numerous fundraisers to support their charities. These include tasting events, concerts, live and silent auctions and other activities.

The Association's favorite (and longest-running) fundraiser is the biannual TOUR Wives Golf Classic, a nine-hole tournament at which the wives play golf—and their husbands act as caddies. The TOUR Wives Golf Classic, first played in 1987, has been held at different courses around the country.

This year, the TOUR Wives Association begins selling its long-awaited cookbook. The cookbook features favorite recipes of player families.

While its membership varies from year to year, the commitment of the TOUR Wives Association to making a difference in the lives of needy children stands strong. The Association's dedicated members, past and present, have reached deep into their resources to balance the demands of family, work and travel and have given generously of themselves to realize their ideals.

## TOURNAMENT PLAYERS CLUBS

The PGA TOUR's Tournament Players Club Network has maintained a reputation for operating high-quality clubs since its inception 21 years ago.

The TPC Network continues to grow, with 30 facilities currently open or under construction, including several overseas. By the end of 2000, five domestic Tournament Players Clubs either were in the planning or construction stage.

TPCs encompass all forms of golf-related operations — resort facilities, corporate/private membership clubs and daily fee courses — and, as such, PGA TOUR Golf Course Properties, Inc. is able to match the type of facility with the demands of each market in which a club operates.

The Network represents the highest standard in the golf course industry, commensurate with the members of the organization it represents, the players of the PGA TOUR. Each Tournament Players Club embodies the trademark of excellence first established with the flagship TPC at Sawgrass in Ponte Vedra Beach, FL, which opened its world-famous Stadium Course in the fall of 1980.

This commitment to overall excellence serves as the foundation for the Network's overall success.

The TPC Network was born through former PGA TOUR Commissioner Deane Beman's desire to provide TOUR players with quality golf courses that also would offer spectators enhanced viewing areas.

Beman also reasoned that development of quality facilities would alleviate the TOUR's dependency on the television dollar, while providing rent-free venues for tournaments. The savings in rent, in turn, would generate both increased purses and greater charitable contributions by the tournaments held at TPCs.

The TPC at Sawgrass was the first Tournament Players Club to hold a PGA TOUR event, becoming the permanent home of THE PLAYERS Championship in 1982. Today, a growing number of PGA TOUR and SENIOR PGA TOUR events are held at TPC facilities each year. In 2000, 17 tournaments were conducted on TPC courses. The first BUY.COM TOUR event played on a Tournament Players course, the BUY.COM Virginia Beach Open, was held at the TPC of Virginia Beach.

Many of the top golf course architects are connected with Tournament Players Club projects, including Pete Dye, Tom Fazio, Arnold Palmer, Jack Nicklaus, Gary Player, Arthur Hills, Jay Morrish, Tom Weiskopf, Greg Norman and Bob Von Hagge. Palmer's most recent design involvements have been with the TPC of the Twin Cities (opened in 2000), the TPC at River's Bend in Cincinnati (opening in 2001) and the TPC of Boston (scheduled to open in 2002).

Moreover, in recognizing the importance of player input for tournament courses, TOUR members have served as design consultants, working closely with the lead architect. Tom Lehman served as player consultant to Palmer at the TPC of the Twin Cities.

Two others that opened in 2000 are the TPC at Deere Run (Silvis, IL), designed by D.A. Weibring, and the TPC at Wakefield Plantation (Raleigh, NC), designed by Hale Irwin. Wakefield Plantation will be the new site of the BUY.COM Carolina Classic in 2001.

## WORLD GOLF VILLAGE

**Bruce Lucker**

Chief Operating Officer  
World Golf Hall of Fame

World Golf Village is the sport's international showcase, where visitors travel through golf's rich history and experience the finest in present-day play.

The World Golf Village features a carefully planned mix of upscale residential, retail and commercial uses, golf courses, other recreation amenities and extensive nature preserves. The result is an extraordinary place that celebrates golf in a village setting on 6,300 wooded acres in northeast Florida, between Jacksonville and St. Augustine.

The Village's centerpiece is the 75,000-square-foot World Golf Hall of Fame, which pays tribute to the game's greatest players – the male and female legends who are Hall of Fame members – as well as providing the experience of golf's exciting past and present. Adjacent to the Hall of Fame is the World Golf Village IMAX Theater. Outside the Hall of Fame, the Walk of Champions is a half-mile brick path encircling Kelly Lake, linking the components within the heart of World Golf Village.

World Golf Village features two championship golf courses, encompassing nearly 400 acres, with first-rate clubhouse facilities and services operated by Honours Golf. The World Golf Village includes The Slammer & The Squire golf course, built by architect Bobby Weed with player design consultants Sam Snead and Gene Sarazen. The second championship golf course, The King & The Bear, the first-ever collaboration by Arnold Palmer and Jack Nicklaus, was completed in the fall of 2000. It will host the 2001 SENIOR PGA TOUR event, the Liberty Mutual Legends of Golf. A third course also is scheduled to be built.

Additional amenities include a variety of luxurious accommodations, fine dining and excellent shopping choices. The World Golf Village Renaissance Resort and adjacent St. Johns County Convention Center, designed and operated by John Q. Hammons, feature 300 rooms and premier resort amenities. Sheraton's Vistana Resort offers upscale vacation villas with a wide selection of vacation options, from a brief stay to an interval ownership. The Comfort Suites hotel offers 162 luxurious, well-equipped suites and many recreational amenities.

World Golf Village also includes The Shops at World Golf Village, an upscale shopping area; the headquarters for PGA TOUR Productions and the national headquarters for The First Tee.

Shell Oil Company is Founding Partner of the World Golf Village. The phone number to call for World Golf Village information is 1-800-WGV-GOLF; the website is [www.wgv.com](http://www.wgv.com).

## WORLD GOLF HALL OF FAME

The support the World Golf Hall of Fame has received from the world's major golf organization distinguishes it as a unique partnership that reflects the universality of the game and promise for further growth.

The Hall of Fame and accompanying exhibits honor the great players and contributors to the game, and entertain and inform the public about the rich history and tradition of golf internationally.

Artifacts from the former World Golf Hall of Fame in Pinehurst, NC were incorporated into the museum exhibits. But the overall experience is intended to interest golfers and non-golfers alike by introducing modern technology and interactive displays that continually are being enhanced.

The building also features an IMAX Theater, with a screen 80 feet high and 60 feet wide, for which a special film about golf is being developed.

The 71 players and contributors inducted into the former Hall of Fame in Pinehurst and/or the LPGA Hall of Fame were "grandfathered" into the new facility. Annual induction ceremonies for newly elected Hall of Fame members are held each year, bringing together dignitaries from throughout the golf world.

The first elections for the PGA TOUR and International Ballots were conducted in 1996 and 1997. Johnny Miller was the only player elected in 1996, receiving the necessary 75 percent of votes on the PGA TOUR Ballot. Seve Ballesteros of Spain and Nick Faldo of England became the first players elected through the International Ballot in 1997, their first year of eligibility.

Faldo was inducted in 1998. Ballesteros was inducted in 1999 with the late Lloyd Magrum, who was admitted in 1998 via the PGA TOUR Ballot, and LPGA star Amy Alcott.

The 2000 ceremony welcomed eight new members: the first Veterans Category inductee, Jack Burke, Jr.; and the first Lifetime Achievement inductees, Deane Beman, Sir Michael Bonallack, Neil Coles and John Jacobs. Other inductees were LPGA players Beth Daniel, who was elected in 1999, and 2000 electee Juli Inkster. Judy Rankin was elected through the LPGA Veterans category.

The next World Golf Hall of Fame Induction Ceremony will be in the fall of 2001.

## PGA TOUR PIONEERS/ MEMBERS IN WORLD GOLF HALL OF FAME

### **Willie Anderson**

The son of a Scottish greenkeeper, Anderson emigrated to the U.S. at age 15 and became the first dominant player in America. He won the U.S. Open four times before age 27, including three consecutively from 1903 to 1905. Anderson finished in the top five 11 of the 14 times that he competed in the national championship.

### **Tommy Armour**

A native of Edinburgh, the "Silver Scot" won the 1927 U.S. Western Open, the 1930 PGA Championship and the 1931 British Open. One of golf's most respected instructors, Armour excelled despite injuries suffered in World War I that left him with one eye and with metal plates in his head and arm.

### **Jim Barnes**

An assistant pro in England at age 15, Barnes came to America at 19, and between 1916 and 1925 won all the major tournaments of his day: the Western Open in 1914, 1917 and 1919; the first two PGA Championships in 1916 and 1919; the 1921 U.S. Open; and the 1925 British Open.

### **Deane Beman**

Commissioner of the PGA TOUR from 1974-1994, he created the SENIOR PGA TOUR, the Ben Hogan Tour (now the BUY.COM TOUR) and developed the "stadium golf" concept. As a player, Beman won the 1959 British Amateur, the 1960 and 1963 U.S. Amateurs, competed on four U.S. Walker Cup Teams and captured four PGA TOUR titles.

### **Julius Boros**

An accountant by trade, Boros turned professional at age 30. Just two years later, in 1952, he won the U.S. Open and was named PGA Player of the Year. He claimed a second U.S. Open in 1963 at The Country Club in Brookline, MA, and in 1968 captured the PGA Championship at age 48.

### **Jack Burke, Jr.**

A member of five U.S. Ryder Cup teams, serving as captain twice, Burke captured 15 PGA TOUR titles, including the 1956 Masters Tournament and 1956 PGA Championship. He won four consecutive tournaments in 1952. Burke is co-founder and president of the Champions Club in Houston, TX.

### **Billy Casper**

A brilliant putter, Casper won the Vardon Trophy for lowest scoring average five times and was a member of eight Ryder Cup teams. Of his 60 career victories, three were major championships, including the 1966 U.S. Open, when he came from seven strokes back with nine holes to play to tie Arnold Palmer, then won their playoff.

### **Harry Cooper**

Known as "Lighthorse Harry" for the speed at which he played, Cooper won more than 30 professional tournaments between 1926 and 1942. He was never able to capture a major championship, finishing second on three occasions. In 1937, he won nine tournaments and was the first winner of the Vardon Trophy for lowest scoring average.

### **Fred Corcoran**

As tournament manager of the PGA from 1936 to 1947, Corcoran more than doubled the number of Tour events. Working with Babe Zaharias and Patty Berg, and with financial support from Wilson, he was instrumental in forming the LPGA Tour in 1949. Also a promoter and agent, he founded the Golf Writers Association of America in 1946.

### **Jimmy Demaret**

With a personality as colorful as his wardrobe, Demaret was one of golf's most popular figures for four decades. The Texas native once quit professional golf to become a nightclub singer, but returned in 1938 and won the 1940 Masters. After serving in the Navy during World War II, he won the Masters in 1947 and 1950.

## PGA TOUR PIONEERS/ MEMBERS IN WORLD GOLF HALL OF FAME

### **Roberto De Vincenzo**

De Vincenzo, a native of Argentina, turned professional in 1938 at age 15. He joined the USPGA in 1947 and collected nine career tour victories. A truly international champion, he won more than 200 tournaments worldwide, most notably the 1967 British Open. In 1980 at Winged Foot, De Vincenzo won the inaugural U.S. Senior Open.

### **Joseph C. Dey**

Golf's most respected administrator, Dey was named Executive Secretary of the USGA in 1934, a position he held for 34 years. As the first commissioner of what became the PGA TOUR, he guided the tournament players in their split from the PGA of America. In 1975 he became the second American to captain the Royal and Ancient.

### **Nick Faldo**

Faldo compiled an astounding record prior to his 1997 election to the Hall of Fame. In 20 years he won more than 40 tournaments worldwide, including three British Opens and three Masters Tournaments, and competed on 11 European Ryder Cup Teams. In 1990, Faldo was the first international player to be named PGA of America Player of the Year.

### **Raymond Floyd**

With the 1969 and 1982 PGA Championships and the 1976 Masters Tournament to his credit, Floyd was already a player of renown when he won his fourth major championship title. In 1986, at age 43, he captured the U.S. Open at Shinnecock Hills. His steely competitiveness carried over to a successful career on the SENIOR PGA TOUR.

### **Ralph Guldahl**

In 1938, Guldahl quit tournament golf in frustration to sell cars in Dallas. He returned one year later and, with victories at Oakland Hills in 1937 and Cherry Hills in 1938, became one of the few players to capture consecutive U.S. Open titles. He also won three consecutive Western Opens and the 1939 Masters Tournament.

### **Walter Hagen**

Flamboyant and charismatic, Hagen was the first professional to make a living playing golf, rather than teaching it. Wild off the tee, but superb at recovery, his fame mirrored his lifestyle. Captain of the first six American Ryder Cup teams, he won two U.S. Opens, four British Opens and five PGA Championships, including four consecutively.

### **Bob Harlow**

Harlow, a newspaperman from Massachusetts, was best known as the founder of Golf World Magazine. As manager for Walter Hagen from 1921 to 1929, and later for Joe Kirkwood, he arranged exhibitions both nationally and abroad. From 1930 to 1935, he served as tournament manager for the PGA TOUR.

### **Ben Hogan**

Hogan was legendary for his intensity and dedication to perfection. Having already claimed two PGA Championships and the U.S. Open by 1948, he suffered a life-threatening auto accident in 1949. Miraculously, he returned to win the U.S. Open in 1950, 1951 and 1953; the Masters Tournament in 1951 and 1953; and the 1953 British Open.

### **Hale Irwin**

An All-America in golf and All-Conference in football at the University of Colorado, Irwin won the 1967 NCAA Golf Championship. Between 1974 and 1990, he captured three U.S. Open titles, the last at age 45 in a 19-hole playoff. After 1995, he devoted himself to golf course design and the SENIOR PGA TOUR.

## PGA TOUR PIONEERS/ MEMBERS IN WORLD GOLF HALL OF FAME

### **Lawson Little**

Stocky and powerful, but renowned for his short game, Little's greatest achievements came as an amateur. In 1934 and 1935, he captured the "Little Slam," winning both the U.S. and British Amateur Championships. After turning professional in 1936, he won seven events, most notably the 1940 U.S. Open in a playoff with Gene Sarazen.

### **Gene Littler**

Littler's first PGA TOUR win came in 1954 as an amateur. His last was in 1977 at age 47. He won the U.S. Amateur in 1953 and the U.S. Open in 1961, but lost both the Masters Tournament and the PGA Championship in playoffs. Littler amassed a total of 29 career PGA TOUR victories.

### **Lloyd Mangrum**

Known as a tough competitor with an aggressive style of play, Mangrum competed in an era that also included Hall of Famers Ben Hogan, Byron Nelson, Jimmy Demaret and Sam Snead. He counted the 1946 U.S. Open among his 36 career victories.

### **Cary Middlecoff**

After becoming the first amateur to win the North and South Open, Dr. Middlecoff abandoned a career in dentistry and turned professional in 1947. A brilliant analyst of the game and the golf swing, he won the U.S. Open in 1949 and 1956 and the Masters Tournament in 1955. He retired with 37 career victories.

### **Johnny Miller**

Miller dominated international golf in the early 1970s, winning 20 tournaments in six years. A remarkable 63 in the final round secured his victory in the 1973 U.S. Open at Oakmont. Winner of the 1976 British Open at Royal Birkdale, Miller gained renown as a television commentator before joining the SENIOR PGA TOUR in 1997.

### **Byron Nelson**

"Lord Byron" won two Masters Tournaments, two PGA Championships and the 1939 U.S. Open. He is best remembered for his 1945 season, when he won 19 tournaments, including 11 consecutively, finished second seven times and compiled a remarkable stroke average of 68.33. In 1947, at age 34, Nelson retired to his ranch in Texas.

### **Jack Nicklaus**

The legendary Bobby Jones said of him: "He plays a game with which I am not familiar." In his monumental career, Nicklaus amassed 18 professional major championship victories, far surpassing any golfer before or since. With more than 100 victories around the world, "The Golden Bear" is arguably the best golfer of the modern era.

### **Arnold Palmer**

The most charismatic player in history, Palmer's emergence in the late 1950s coincided with televised golf to generate unprecedented interest in the game. Arnie won the U.S. Amateur in 1954 and the U.S. Open in 1960. Also among the more than 80 professional victories he collected were four Masters Tournaments, two British Opens and five major championships on the SENIOR PGA TOUR.

### **Gary Player**

South African Gary Player made up for his diminutive size with a rigorous schedule of fitness training and persistent practice unequalled in golf. His career victories numbered more than 120 worldwide and included all four major championships. Player found later success as a dominant force on the SENIOR PGA TOUR.

### **Chi Chi Rodriguez**

Rodriguez won eight PGA TOUR events and collected more than 20 SENIOR PGA TOUR titles in his career. But it is his charitable work that will be best remembered. His pro-am tournament helped fund the Children's Hospital in his native Puerto Rico, and his Youth Foundation raised millions for disadvantaged children in Florida.

## PGA TOUR PIONEERS/ MEMBERS IN WORLD GOLF HALL OF FAME

### **Paul Runyan**

Although one of the shortest hitters of his time, Runyan won more than 50 professional tournaments. After joining the Tour in 1933, he captured 16 events in two years and was leading money-winner in 1933 and 1934. A highly regarded short game and putting instructor, he won the PGA Championship twice, in 1934 and 1938.

### **Gene Sarazen**

Sarazen was the first golfer to win all four major championships. He won the U.S. Open in 1922 and 1932; the PGA in 1922, 1923, and 1933; and the British Open in 1932. But his victory in the 1935 Masters Tournament is best remembered for a remarkable final-round double-eagle on the 15th hole at Augusta National.

### **Horton Smith**

In 1929, at age 21, Smith played in 19 professional events, winning eight and finishing second four times. He remained a top professional throughout the 1930s, winning the first and third Masters Tournaments in 1934 and 1936. His last tournament win came in 1941, the year before he left golf to join the army.

### **Sam Snead**

"Slammin' Sam" Snead is renowned for his classical swing and the longevity of his career. The winner of three PGA Championships, three Masters Tournaments and the British Open, he made eight Ryder Cup appearances and was captain of the U.S. Team three times. Snead recorded 81 Tour victories, his last in 1965 at age 52.

### **Peter Thomson**

One of the most intriguing players the game has known, the Australian-born Thomson captured five British Open titles between 1954 and 1965, including three consecutively from 1954 to 1956. With wide interests that ranged from politics to music, Thomson maintained successful careers as a writer and golf course architect outside of competition.

### **Lee Trevino**

The ultimate self-made champion, Trevino made the transition from assistant professional at a Texas driving range to U.S. Open champion. He captured that title twice, in 1968 and 1971. With two British Opens, two PGA Championships and six Ryder Cup appearances to his credit, he later had a dominant career on the SENIOR PGA TOUR.

### **Tom Watson**

Watson's major championship victories included five British Opens and two Masters Tournaments. His victory in the 1982 U.S. Open featured a dramatic chip-in on the 17th hole at Pebble Beach. Arguably the most consistent player for a decade, he was the PGA TOUR's leading money-winner and Player of the Year four consecutive times from 1977 to 1980.

## CHARITABLE MISSION OF THE WORLD GOLF FOUNDATION

World Golf Foundation, Inc. is a nonprofit organization that has received the support of all major golf organizations throughout the world. The responsibilities of the World Golf Foundation include managing the World Golf Hall of Fame, the IMAX Theater and various charitable initiatives.

As the Founding Partner of World Golf Village, Shell Oil Company provides financial support and plays a lead role in the World Golf Hall of Fame and its charities.

One of the World Golf Foundation's charitable missions, on behalf of the supporting golf organizations, is to introduce golf to those who otherwise may not have an opportunity to experience the game, and through the golf experience promote scholastic achievement, community service, and the values of honesty, integrity and sportsmanship.

To this end, The First Tee was introduced in Nov. 1997 as an initiative to create new facilities and affordable access to golf. This initiative has the support and participation of various key sectors, including leading golf organizations and foundations, and a wide range of public sector constituencies.

"We want to create affordable entry points to golf for everyone who is interested in playing the game," said former President George Bush, Honorary Chairman of The First Tee.

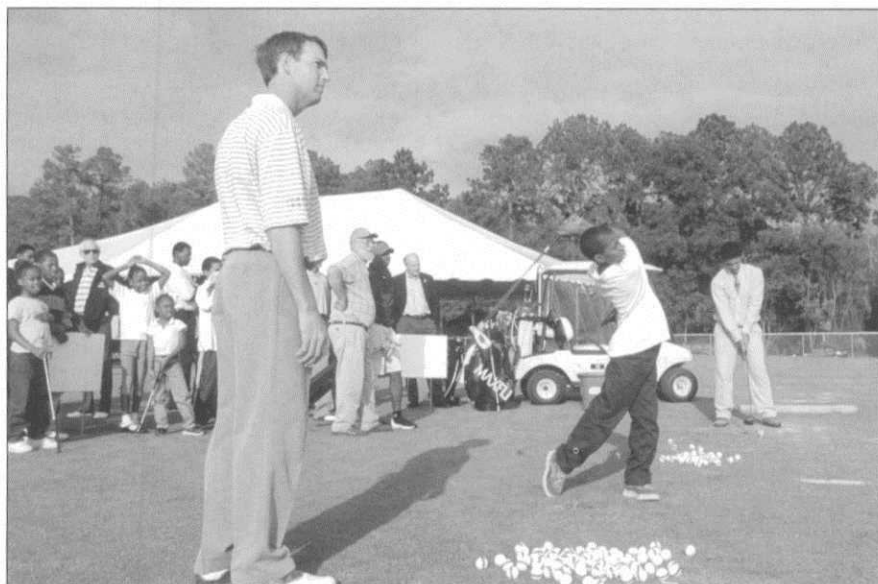

The vision is to create hundreds of facilities and programs throughout the United States over the next 10 years, impacting those who have not had exposure to the game, particularly youth.

"Those of us who believe in the values of golf want to see the opportunity to play the game extended to all segments of our population," said Tim Finchem, PGA TOUR Commissioner and Chairman of the World Golf Foundation Board of Directors. "This program, The First Tee, can have a tremendous impact on golf – but, more importantly, it can have a real impact on the lives of young people who are attracted to the game."

A menu of model programs can be implemented in communities based on land availability, existing golf facilities, area needs and the level of support of municipalities and other youth programs.

The First Tee provides golf management expertise, consulting services and land planning to communities and organizations interested in having The First Tee in their areas. While proceeds from the World Golf Hall of Fame benefit The First Tee, public-private partnerships in each community are the primary funding source for each facility.

"With the support of the public and private sectors, and with the expertise of so many golf organizations available to this program, golf will find its way into new communities and new segments of the population," Finchem said.

*The learning process continues through The First Tee*

## THE FIRST TEE

The First Tee is a World Golf Foundation initiative that has as its mission *to impact the lives of young people around the world by creating affordable and accessible golf facilities to primarily serve those who have not previously had exposure to the game and its positive values.* It has the active support of The First Tee's Oversight Committee, which includes representatives of five organizations that serve on the World Golf Foundation

Board: the PGA TOUR, PGA of America, LPGA, United States Golf Association and Augusta National Golf Club. Former President George Bush is Honorary Chairman of the initiative.

The Phase I goal of The First Tee was to have 100 facilities in development by the end of the year 2000. On August 27, 2000, it was announced that The First Tee had surpassed this initial goal with 129 facilities in some stage of development, spanning 38 states, Canada and Puerto Rico.

The true value of The First Tee is based on golf's unique ability to instill and nurture essential values, such as honesty, integrity, sportsmanship and a solid work ethic in young people who are introduced to the game. These values are enhanced through The First Tee's Life Skills program developed to provide an opportunity for The First Tee participants to learn valuable skills such as goal setting, decision-making and mentoring, skills that can be used both on and off the golf course.

In addition to The First Tee's Oversight Committee, this initiative has the support and participation of a variety of key sectors:

- A wide range of public sector constituencies, including the U.S. Department of Housing and Urban Development, Bureau of Land Management, National Association of Parks and Recreation, National League of Cities, U.S. Conference of Mayors and the National Association of County Officials.
- A variety of groups and organizations, including the YMCA of the USA, the National Minority Golf Foundation, the Tiger Woods Foundation and the Golf Course Superintendents Association of America.

Under the direction of Joe Louis Barrow, Jr., National Director of The First Tee and Senior Vice President of the World Golf Foundation, The First Tee turns its focus to Phase II.

In Nov. 2000, The First Tee held its third annual National Meeting at the World Golf Village in St. Augustine, FL, and announced its Phase II business strategy with the primary goal of impacting the lives of 500,000 young people cumulatively through 2005. In addition, the plan calls for The First Tee to expand to 250 facilities and establish 500 affiliate relationships during the same time period.

Also announced during this meeting was the beginning of a capital campaign titled More Than A Game. This campaign is designed to raise \$50 million over the next three to five years and is co-chaired by World Golf Hall of Famers Jack Nicklaus and Juli Inkster.

As The First Tee continues to grow and gain support, more and more young people will be introduced to the game of golf and its inherent values.

Joe Louis Barrow, Jr., Executive Director of the First Tee, and Honorary Chairman George Bush receive a check from Dottie Wackerman of CertainTeed

## PGATOUR.COM

PGATOUR.COM has become the No. 1 golf site on the World Wide Web – offering a comprehensive look at the game of golf, the pros on TOUR and the varied people around the globe who play.

The PGA TOUR's official website was launched on Jan. 8, 1997. Two years later, PGA-TOUR.COM partnered with SportsLine USA, Inc., publisher of CBS Sportsline and GolfWeb, to create the total package for golf fans – complete tournament coverage, enlightening player profiles, a thriving e-commerce site and an interactive community.

The growth has been dramatic. PGATOUR.COM had more than 69,000,000 page views in July 2000 – more than three times the traffic for July of 1999. As the game flourishes, so does PGATOUR.COM.

The reasons are obvious. PGATOUR.COM gets up close with the players and tournaments on the PGA TOUR, SENIOR PGA TOUR and BUY.COM TOUR. The latest news and statistics from the European Tour, LPGA Tour and other international golf organizations also are featured.

But PGATOUR.COM has so much more to entice viewers. A robust instruction area, featuring video tips from the immensely talented professionals on the PGA TOUR and SENIOR TOUR, coupled with information on travel and recreational golf and interactive elements like the course guide and gear guide, delights the fans.

Real-time scoring, a staple of PGATOUR.COM since its inception, will be augmented this year by the debut of ShotLink, making it a "must-have" for golf fans. Not only will fans be able to chart their favorite pro's hole-by-hole progress, they'll receive information on yardages and club selection in real-time, as well.

PGATOUR.COM averages more than 1.5-million page views per day. The TOUR's website continues to explore cutting-edge technology and interactive features that enhance the viewer's experience while enabling PGATOUR.COM to maintain its No. 1 position.

Regular chat sessions held twice weekly allow fans to get in touch with the players, ask questions of rules officials and fitness gurus or talk to course architects and the administrators of the game. PGATOUR.COM's on-line show makes its debut this year with video features recapping the previous week's action and looking forward to the week ahead, as well as an opportunity for fans to weigh in on various topics.
