A MESSAGE TO THE MEDIA

Welcome to the SENIOR PGA TOUR's 23rd season. On behalf of the players and staff of the SENIOR TOUR, as well as our tournaments and sponsors, we thank you for telling our story to golf fans everywhere. We recognize and fully appreciate the role the media plays in our success.

The SENIOR TOUR enters 2002 with a compelling lineup of tournaments and the most highly-charged competitive atmosphere in our history. Long-time stars Fuzzy Zoeller and Ben Crenshaw will make their SENIOR TOUR debuts this year, intent on making an immediate impact and challenging for the Charles Schwab Cup and other year-end honors against the likes of Allen Doyle, Bruce Lietzke, Bruce Fleisher, Tom Watson, Tom Kite, Hale Irwin, Larry Nelson and a host of others.

We are particularly excited to begin a phase-in this year of a series of initiatives we are calling a "New SENIOR TOUR Experience", designed to engage our spectators, television viewers and sponsors in exciting and dynamic new ways. The objectives of this program are: 1.) to make the SENIOR TOUR experience among the most accessible and fan-friendly in sports; and 2.) to sharpen the SENIOR TOUR product through some changes to the structure of the TOUR. Some of these initiatives will be introduced in 2002, with full implementation scheduled for 2003.

Two prominent new programs – "Inside the Ropes" and the "Game Improvement Platform" – are designed to address the first objective above. "Inside the Ropes" will feature a number of modifications that will elevate the ways in which fans can relate to the SENIOR TOUR, whether it be on television, via the Internet, as on-site spectators or through publications. The "Game Improvement Platform" seeks to provide useful and entertaining instruction to fans, using every medium through which fans come to the SENIOR TOUR.

Sharpening our product to deliver more value to fans and sponsors is the other major area of focus for the future. We believe that by strengthening some of the core structural elements of the SENIOR TOUR, we will better position ourselves for a very competitive sports and entertainment marketplace. For 2002, for example, we are moving all of our telecasts to earlier broadcast times, with the strong majority of telecasts being shown live. Beginning in 2003 we will provide stronger and deeper fields through the addition of new eligibility categories that will bring six more players into the field, each of whom have won at least twice on the PGA TOUR. And we will improve our schedule for 2003 and beyond as we make selective schedule reductions to avoid competing against high-impact weeks on the PGA TOUR. Obviously, we'll have much more to say about the new developments as they are tested and phased-in for the full 2003 launch.

We are indeed proud of the illustrious history the SENIOR TOUR has compiled in its first 22 years, and we are convinced that the best is yet to come. We thank you for your interest in the SENIOR TOUR and for the coverage you provide.

As always, our Communications Department welcomes the opportunity to assist you in your efforts to cover the SENIOR TOUR. Please don't hesitate to contact any of them as the need arises, either at the various tournament sites or at Headquarters.

WE ARE THE PGA TOUR

The name of our organization is the PGA TOUR, a tax-exempt membership group of professional golfers that plays a combined 117 official-money tournaments on three TOURs – the PGA TOUR, SENIOR PGA TOUR and BUY.COM TOUR. Our headquarters are located in Ponte Vedra Beach, FL, southeast of Jacksonville.

We should never be referred to as just the PGA or SENIOR PGA. On second reference, you can just call us the TOUR or the SENIOR TOUR.

The PGA is the Professional Golfers' Association of America, a membership organization for the nation's club professionals. The PGA runs the PGA Championship, Senior PGA Championship and Ryder Cup Matches, among other championships. The PGA headquarters are located in Palm Beach Gardens, FL.

The PGA TOUR and PGA of America were affiliated until 1968, when the tournament players, a small subset of the total PGA membership, broke away to form a Tournament Players Division and gain more control of their finances and tournament schedule. The Tournament Players Division was renamed the PGA TOUR in 1975. While the two organizations still work closely together today, the PGA TOUR and PGA of America are separate entities.

Two other American golf organizations are involved in professional tournament play, independent of the PGA TOUR but with their marquee events included in our schedule as non-PGA TOUR co-sponsored tournaments. The United States Golf Association, with headquarters located in Far Hills, NJ, oversees the national championships (U.S. Open, U.S. Senior Open, U.S. Amateur, etc.) and administers the Rules of Golf, among other duties. The Augusta (GA) National Golf Club plays host to the Masters Tournament.

The Ladies Professional Golf Association runs the LPGA Tour from its office in Daytona Beach, FL.

CHARLES SCHWAB CUP

When Allen Doyle won the first Charles Schwab Cup in 2001 and its \$1-million first prize, he quickly reminded us what the human spirit is all about by donating his entire winnings to charity.

"I thought I had a great year in 1999 (his rookie year on the SENIOR TOUR)," said Doyle. "I still thought I had a pretty good year in 2000, but after what I did this year (2001), as soon as I convinced my wife (Kate) that we were set financially, she was 100 percent behind the decision. I just felt like it was the right thing to do." All of this from a man who just a few years ago was making \$30,000 a year running the Doyle Driving Center in La Grange, GA.

Commissioner Tim Finchem, 2001 Charles Schwab Cup Champion Allen Doyle and Charles Schwab, Chairman and Co-CEO of Charles Schwab & Co., Inc.

The Charles Schwab Cup, designed to recognize the SENIOR TOUR's leading player via a season-long bonus points program, did just that. With 25 top-10 finishes, one off Lee Trevino's all-time SENIOR TOUR record, and two victories, including one major championship in 2001, Allen Doyle exemplified consistency and top performance.

Players are awarded Charles Schwab Cup points for top-10 finishes and ties at all 37 official SENIOR TOUR tournaments based on the money distribution with every \$1,000 earned being the equivalent of one Cup point.

Doyle was presented the Charles Schwab Cup in October 2001 at the season-ending SENIOR TOUR Championship at Gaillardia in Oklahoma City by company Chairman and co-CEO Charles Schwab. Two days earlier Doyle announced his donation to seven national and La Grange charitable organizations over the 10-year period of the tax-deferred annuity via the Schwab Fund For Charitable Giving.

The inaugural competition was close throughout 2001 with Doyle finishing only 216 points ahead of runner-up Bruce Fleisher in the 37-event competition. Fleisher led the race as late as September only to see Doyle charge to the top of pack with two runners-up, a third-place and a fourth-place finish in September and October.

CHARLES SCHWAB CUP

The top five finishers and their earnings in the 2001 Charles Schwab Cup were:

Position	Name (# of events)	Points	Difference	Earnings
First	Allen Doyle (34)	2,382	—	\$1,000,000
Second	Bruce Fleisher (31)	2,166	216	\$500,000
Third	Hale Irwin (26)	1,959	423	\$300,000
Fourth	Larry Nelson (28)	1,930	452	\$200,000
Fifth	Gil Morgan (24)	1,640	742	\$100,000

Similar prize money will be awarded in 2002 when Doyle looks to defend his title against the likes of Fleisher, Irwin, Nelson, Morgan and Tom Kite again, and SENIOR TOUR newcomers Ben Crenshaw and Fuzzy Zoeller.

The Charles Schwab Cup returns to CNBC and PAX TV in 2002 as Charles Schwab & Co., Inc.* continues to partner with the SENIOR TOUR and the two cable networks to present the finest in senior golf on 30 telecasts.

SENIOR TOUR ANNOUNCES NEW INITIATIVES

The SENIOR PGA TOUR announced on Nov. 28, 2001 the development of a significant number of new initiatives that will deliver fans and sponsors an entirely new SENIOR TOUR experience. He was joined on the teleconference by SENIOR TOUR players Allen Doyle, Bruce Fleisher, Dave Stockton and Fuzzy Zoeller.

"For more than two decades the SENIOR TOUR has been one of the best success stories in all of sports, providing great golf and great entertainment value," Finchem said. "Now, we are completing a thorough review of the SENIOR TOUR in order to ensure that we continue to offer the best experience possible for spectators, the audience at home and our sponsors. We're very excited about the results of our evaluation, because we will be implementing changes that will engage our fans and sponsors in an entirely new and dynamic way."

NBC also will have a greater role in the area of talent with Mark Roling, Gary Koch and Roger Maltbie contributing to 2002 telecasts.

HISTORICAL HIGHLIGHTS OF THE SENIOR PGA TOUR

The SENIOR PGA TOUR was a late 1970s brainstorm of several golfers age 50 and over who wanted to play several senior events, provided sponsors could be found and the PGA TOUR would administer the tournaments.

When the SENIOR TOUR debuted in 1980, there were two co-sponsored events and \$250,000 in prize money. The SENIOR TOUR would soon become what many called the most successful sports venture of the 1980s. In 2002, the SENIOR TOUR has 42 events, including 37 official events, with official prize money approaching \$64 million.

Sam Snead, Bob Goalby, Don January, Julius Boros, Gardner Dickinson and Dan Sikes held the first formal SENIOR TOUR meeting with then PGA TOUR Commissioner Deane Beman on Jan. 16, 1980. Sikes was named chairman and Snead honorary chairman of what would become known as the Senior Advisory Council. On Jan. 22, the PGA TOUR's Tournament Policy Board formally approved the SENIOR TOUR to begin play that summer.

January won the first official SENIOR TOUR event, the Atlantic City (NJ) International on June 22, 1980, beating Mike Souchak by two strokes. Charles Sifford won the second event, the Suntree Classic in Melbourne, FL, on Nov. 16, beating January by four strokes.

Much of the upswing in interest in forming the SENIOR TOUR can be attributed to the Legends of Golf tournament, a two-man, better-ball event which began in 1978 at Onion Creek Country Club in Austin, Texas. The response of the 17 two-man teams, the gallery and television spectators dictated that the focus on legendary golfers was a natural. The Liberty Mutual Legends of Golf celebrates its 25th anniversary in 2002 at The King & Bear at World Golf Village in St. Augustine, FL.

Senior professional golf began in 1937 with the start of the PGA Seniors' Championship (now Senior PGA Championship). The first two events were held at the Augusta National Golf Club, home of the Masters Tournament. Bobby Jones, the co-founder of Augusta National, gave his blessing to playing host to the event, specifically with the idea of honoring professionals who were too old to contend against younger players in the Masters. Jock Hutchinson won the first event.

Today, the SENIOR TOUR has four major championships. They include the Senior PGA Championship; The Countrywide Tradition, which began in 1989; the U.S. Senior Open, which began in 1980, and the Ford SENIOR PLAYERS Championship, which began in 1983.

In 2001, the SENIOR TOUR launched the Charles Schwab Cup, a season-long bonus points program awarding \$2.1 million in tax-deferred annuities to the top five finishers. The inaugural winner was Allen Doyle, who donated his entire \$1 million winnings to charity.

The Georgia-Pacific Super Seniors is for players age 60 and over who compete in a "tournament within a tournament" over the first 36 holes of a 54-hole tournament.

In order to be eligible for a SENIOR TOUR event, a player must be at least 50 years of age prior to his first tournament obligation.

Listed below are some significant highlights that have made the SENIOR PGA TOUR one of the most exciting, lucrative and fastest-growing sports enterprises in the world.

1937

First PGA Seniors' Championship held at the Augusta National Golf Club. Jock Hutchison won by eight strokes over George Gordon.

1978

Legends of Golf, created by Fred Raphael, makes debut at Onion Creek Country Club in Austin, TX, with the team of Sam Snead and Gardner Dickinson winning the better-ball event by one stroke.

HISTORICAL HIGHLIGHTS OF THE SENIOR PGA TOUR

1985

With 27 events worth more than \$6 million in total purses, the SENIOR TOUR is large enough to merit its establishment as a division of the PGA TOUR and its own logo. The SENIOR TOUR also becomes a distinct and separate operating and financial entity, with net revenue going to fund a newly created Senior Player Retirement Plan. A cable television package with ESPN allows seven events to enjoy national cable exposure. With the production costs partially funded by Mazda Motors of America, Mazda helps create the SENIOR TOUR's first-ever, season-long bonus pool (\$300,000) and sponsors a \$1 million season-ending team event in conjunction with the LPGA. **March 17** — Australian Peter Thomson, a five-time British Open winner, wins the first of a record nine tournaments at The Vintage Invitational. **June 23** — Arnold Palmer cruises to an easy 11-stroke win at the Senior Tournament Players Championship at Canterbury GC near Cleveland. He becomes the first senior player to win the same tournament three times. **July 27** — Lee Elder fires an 11-under 61 in opening round of the Merrill Lynch/Golf Digest Commemorative in Newport, RI. He becomes the second of only four senior players to claim the first tournament he enters.

The victory at Bent Tree CC is his fourth in a row and establishes the SENIOR TOUR record for most consecutive wins. He goes on to claim a total of seven titles and becomes the first senior over the \$500,000 mark in earnings (\$509,145).

1988

ABOUT THE COMMISSIONER

Timothy W. Finchem

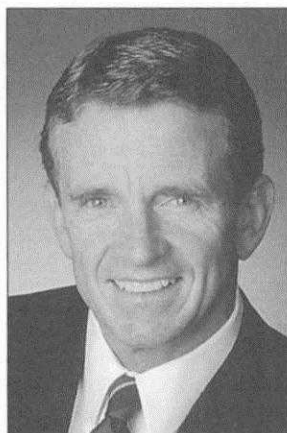

Commissioner

Timothy W. Finchem, 54, is the third Commissioner of the PGA TOUR.

Finchem succeeded Deane R. Beman as Commissioner on June 1, 1994. Beman had served for 20 years, replacing the late Joseph C. Dey, who had been the TOUR's Commissioner in its first five years, 1969-74.

Finchem, Deputy Commissioner and Chief Operating Officer of the TOUR under Beman since 1989, had joined the TOUR staff as Vice President of Business Affairs in 1987.

As Commissioner, Finchem has greatly expanded the earnings opportunities for PGA TOUR players domestically and internationally. He also has taken leadership roles in the formation of the International Federation of PGA Tours and the World Golf Foundation, Inc.

His personal dedication to the success of the World Golf Foundation's First Tee initiative has helped that program achieve its initial objectives in developing facilities that will have an impact on the game for years to come.

"Our primary purpose as a membership organization is to create outstanding playing and earnings opportunities for our players," Finchem says, "and we are proud of what our tournaments do for charity (more than \$650 million raised) and the active role we have been able to take as an organization in growing the game for future generations."

Born in Ottawa, IL on April 19, 1947, Finchem was graduated from Princess Anne High School in Virginia Beach. He attended the University of Richmond on a debate scholarship, receiving his Bachelor of Arts degree in 1969. He was graduated from the University of Virginia Law School in 1973.

After practicing law in Virginia Beach for three years, Finchem served in the White House as Deputy Advisor to the President in the Office of Economic Affairs in 1978 and 1979. In the early 1980s, Finchem co-founded the National Marketing and Strategies Group in Washington, D.C.

A physical fitness advocate, Finchem is a member of the President's Council on Physical Fitness. He also is the recipient of the Golf Course Superintendents Association of America's Old Tom Morris Award for 2001.

Married to the former Holly Bachand, Finchem is a father of four. The Finchems live in Ponte Vedra Beach, FL.

THINGS TO LOOK FOR IN 2002

- The SENIOR TOUR will introduce a series of new initiatives in 2002 that will deliver fans and sponsors an entirely new SENIOR TOUR experience, with full implementation in 2003. Changes will impact virtually every area of the SENIOR TOUR, with emphasis in three areas: 1) structural changes in eligibility, television air times and presentation, event formats, venues and the schedule; 2) bringing fans and sponsors "inside the ropes", allowing them to get more up close and personal with players; and 3) a game improvement platform, designed to deliver instruction in compelling and entertaining ways.
- Ben Crenshaw, Tom Purtzer and Fuzzy Zoeller all become eligible to join the SENIOR TOUR at the first full-field event of the year, the Royal Caribbean Classic. Wayne Levi turns 50 on Feb. 22 and can play his first SENIOR TOUR event at the SBC Senior Classic near Los Angeles. All four players will be immediately exempt on the SENIOR TOUR by virtue of their career earnings from the PGA TOUR.
- Allen Doyle defends the Charles Schwab Cup having earned its first prize of a \$1-million tax-deferred annuity and donated the entire amount to seven charities in its first year. Nos. 2-5 in 2001, Bruce Fleisher, Hale Irwin, Larry Nelson and Gil Morgan, join Doyle and newcomers Crenshaw, Levi, Purtzer and Zoeller and a host of others in the 37-tournament chase for \$2.1 million in annuity prize money.
- Jim Colbert is looking to finish among the top-31 money-winners for the 12th consecutive year. He's been among this elite group every season since joining the SENIOR TOUR in 1991. In 2001, Jim Dent's streak of years among the top 31 was stopped at 12 straight seasons.
- Hale Irwin, the SENIOR TOUR's all-time leader with 32 victories, will be seeking to win at least two official tournaments for an eighth consecutive season and will try to extend his run of consecutive seven-figure earnings seasons to seven. Should he eclipse the million-dollar mark in official money, Irwin will then go for an unprecedented sixth consecutive \$2 million year. One victory will allow him to tie Don January (1980-87) and Chi Chi Rodriguez (1986-93) for second place on the list for consecutive years winning at least one event. Miller Barber is the all-time leader at nine (1981-89).
- Speaking of Irwin, should he finish in the top 10 on the money list, he would tie Miller Barber (1981-88) and Bob Charles (1986-93) for the most consecutive years, eight, in the top 10 on the money list.
- Should he earn the Arnold Palmer Award again, Allen Doyle would become the seventh player to repeat as the leading money-winner on the SENIOR TOUR. Irwin was the last to claim back-to-back money titles in 1997-1998.
- Three-time World Seniors Invitational (formerly The Home Depot Invitational) champion Bruce Fleisher can become the first player to win the same tournament four years in a row. Joe Inman was the last of five other players to attempt the quad at the 2001 SBC Senior Classic, but finished T39 at Valencia Country Club.
- Dana Quigley starts the season having played in 166 consecutive tournaments he's been eligible for and a record 152 straight tournaments overall. Mike McCullough currently holds the mark for consecutive eligible events played with 177 in a row (through 2001 Allianz Championship).
- Dave Stockton (Nov. 2, 2001), Isao Aoki (August 31), Raymond Floyd (September 4), Tom Wargo (September 16) all turn 60 and become eligible to join the ranks of the Georgia-Pacific Super Seniors program.
- Gil Morgan tries for his third straight Byron Nelson Award as the SENIOR TOUR scoring leader. Only three other players have claimed at least three straight scoring titles. Don January had the lowest stroke average on the SENIOR TOUR from 1982-1985, Lee Trevino from 1990-1992 and Hale Irwin from 1996-1998.
- Orville Moody could play in his 500th SENIOR TOUR event during the campaign. He starts the 2002 season with 492 career starts on the SENIOR TOUR.
- Hale Irwin needs \$112,195 to reach the \$20 million mark in all-time PGA TOUR earnings. He'll become just the second player to accomplish that feat, joining Tiger Woods.

Jim Thorpe joined Larry Nelson as the only players to win back-to-back events in 2001. Both Thorpe and Nelson were the only back-to-back winners in 2000 as well.

2001 SEASON: Found a place among the top-31 players on the final money list for the first time in his SENIOR TOUR career...Had nine top-10 performances during the season...Neck problems during the middle of the summer forced him to miss almost a month of action. Returned at the U.S. Senior Open and recorded five top-10 finishes during a six-week stretch. Highlight of this run was a second-place effort at the Farmers Charity Classic near Grand Rapids, MI. Shot rounds of 67-66 on the weekend, but fell one stroke short of Larry Nelson...Turned in a solo third-place performance at the Emerald Coast Classic. SENIOR PGA TOUR CAREER HIGHLIGHTS: 2000: Finished second to Gil Morgan by a stroke at the rain-shortened Comfort Classic in Indianapolis. Made par on the second extra hole for the win after holing a clutch 30-foot birdie putt on the 18th green in regulation to force the overtime session. Canadian triumph at Richelieu Valley near Montreal earned him an immediate full exemption for a calendar year. Had successfully open qualified to get into the tournament and thus became just the seventh Monday qualifier in history to win a SENIOR TOUR event and the first since Dana Quigley at the 1997 Northville Long Island Classic...Selected by the PGA of America as the Senior Club Professional Player of the Year.

2001 SEASON: Returned to a spot among the top 31 on the SENIOR TOUR money list after a two-year absence. Earned almost as much last year as he made in the 1999 and 2000 seasons combined and came close to winning twice...Started the year with a runner-up finish at the Royal Caribbean Classic, one point short of Larry Nelson in the Modified Stableford event. Four-putted the first hole on Sunday, including a whiff for a double-bogey, that cost him either an outright victory or a spot in a playoff. \$123,200 check at the Links at Key Biscayne put him over the \$7-million mark in SENIOR TOUR career money...Was the 36- and 54-hole leader at the U.S. Senior Open and eventually tied for second along with Jim Colbert, one stroke back of Bruce Fleisher. Performance at Salem CC was his best finish in a U.S. Senior Open and best in a SENIOR TOUR major since the 1997 FORD SENIOR PLAYERS Championship...Also T4 at the inaugural Allianz Championship in Des Moines after trailing Jim Thorpe by one stroke entering the final day...Made his 1,000th professional start at the FORD SENIOR PLAYERS Championship...Returned to Japan after the Turtle Bay Championship and did not play in the season-ending SENIOR TOUR Championship at Gaillardia even though he qualified for the event.

SENIOR PGA TOUR CAREER HIGHLIGHTS: 2000: Started the final round of the State Farm Senior Classic four shots behind Leonard Thompson, but forced a playoff with a final-round 65 that included birdies on three of the last four holes. Eventually lost to Thompson for the second time in his SENIOR TOUR career on the second hole of overtime. **1999:** Injured his right shoulder early in the campaign and subsequently developed back problems that curtailed his season after the AT&T Canada Senior Open Championship at the end of August...Had three top-10 finishes highlighted by a runner-up performance to Bruce Fleisher at the Royal Caribbean Classic. **1998:** Climbed past the \$1 million earnings mark (\$1,042,200) and finished in the top-10 on the final money list (9th) for the fourth successive season...One of four players to go wire-to-wire, winning the BellSouth Senior Classic at Opryland in record fashion with an 18-under-par 198, a tournament record. Also in Nashville, his 36-hole total (62-66—128) tied the SENIOR TOUR record in relation to par for the first 36 holes...Lost in a playoff to Leonard Thompson at the Coldwell Banker Burnet Classic, T2 at the Utah Showdown and was solo third at the FORD SENIOR PLAYERS Championship. **1997:** Enjoyed a career year that saw him finish third on the money list with \$1,410,499...Fifth consecutive season he improved his position on the final chart...Finished among the top three 10 times, with lone victory at the Emerald Coast Classic...Fashioned a SENIOR TOUR-record 60 (10-under-par) in the second round, and then, after a birdie on the final hole in regulation to tie Gil Morgan, came back with another birdie on the first playoff hole to claim the title...His 65 on Sunday, coupled with his record 60, helped him establish a SENIOR TOUR mark for best consecutive rounds (60-65-125), breaking the record of 126 by Jim Colbert (62-64/1994) and Bob Murphy (63-63/1995)...Was second five times, with two of those coming in majors — The Tradition and PGA Seniors' Championship...Finished over par in just three events: MasterCard Championship (+4), PGA Seniors' Championship (+4) and the U.S. Senior Open (+16). **1996:** Won the BellSouth Senior Classic at Opryland and the Kroger Senior Classic...Named the SENIOR TOUR Player of the Month in May and June. **1995:** Won over \$1 million for first time in his career, helped by a win at the Bank of Boston Senior Classic, where he birdied the final hole to nip Bob Charles and Hale Irwin...Finished second four times, including playoff loss to Jack Nicklaus at The Tradition...Led the SENIOR TOUR in putting. **1994:** Caught fire in the fall, winning back-to-back events at the Bank One Classic and the rain-shortened Brickyard Crossing Championship...Almost earned a third win at The Transamerica, but lost on the first extra hole to Kermit Zarley...Played his final 10 holes at Silverado in 10-under-par (8 birdies, 1 eagle, 1 par) and carded an 8-under-par 29 on the back nine en route to a 63 that forced the playoff...Player of the Month for September. **1993:** Top showing was a T2 at the GTE West Classic and was in top 10 in

PERSONAL: Was introduced to golf as a caddie at the Abiko Golf Club while attending Abiko Junior High School...Earned the nickname 'Tower' after the Tokyo Tower, because of his height (6 foot)...Uses an unorthodox putting stroke, but considers that to be the strongest part of his game.

Was tied with Larry Nelson for the lead entering the final round and holed an eight-foot birdie putt at the 15th hole to break out of a three-way tie with Canizares and Gary McCord. Became the first player since Mike Hill (1990) to win the event with a round in the 70s and his 12-under total was the same in relation to par as that of Billy Mayfair, the 1998 Nissan Open winner at Valencia on the PGA TOUR. BEST 2001 SENIOR PGA TOUR FINISHES: 1—TD Waterhouse Championship; 2—AT&T Canada Senior Open Championship; 3—Gold Rush Classic, MasterCard Championship, SBC Senior Classic, SBC Senior Open; T4—FORD SENIOR PLAYERS Championship.

2001 SEASON: Enjoyed his finest season in professional golf...Went over the \$1 million mark in earnings for the first time ever thanks to a career-best 10 top-10 finishes...Highlight of his year was a wire-to-wire victory at the TD Waterhouse Championship. Tied the SENIOR TOUR record for lowest 54-hole score in relation to par (Raymond Floyd/1993 Gulfstream Aerospace Invitational) when he blitzed the Tiffany Greens Golf Club course with a 22-under-par 194 total. His 36-hole score of 16-under 128 also tied the SENIOR TOUR's all-time mark in relation to par (Hale Irwin/1997 Vantage Championship) for the first two rounds. His 10-under 62 on Friday was a SENIOR TOUR-career best and was his lowest score since carding the same number at the 1992 Chattanooga Classic on the PGA TOUR. Made a 12-foot birdie putt on the last hole to win by eight strokes over Walter Morgan, Hugh Baiocchi and Dana Quigley, the largest margin of victory in a 54-hole event since Dave Stockton won by nine at 1993 Franklin Quest Championship...Almost won again just outside of Toronto at the AT&T Canada Senior Open. Fired a 6-under 65 on the last day at Mississauga to come from five strokes back and catch Walter Hall in regulation. Fell to Hall on the first playoff hole after making bogey for the second time on Sunday. Had only one round over par in the month of July and was par or better in every second round from July 7 through September 29.

SENIOR PGA TOUR CAREER HIGHLIGHTS: 2000: Was one of the SENIOR TOUR's busiest players with 37 starts...Registered his first victory in 69 SENIOR TOUR starts at the Coldwell Banker Burnet Classic near Minneapolis. Defeated Hale Irwin and Gil Morgan with a tournament record score of 19-under-par at Bunker Hills. The \$240,000 first-place check in Minnesota was more than he made in his best year on the PGA TOUR (1992-\$237,525). Easily earned August Player of the Month honors...Shot 19-under 197 again at the Gold Rush Classic but finished second to Jim Thorpe by two strokes at Serrano CC...Had his first hole-in-one on the SENIOR TOUR in the opening round of the SBC Championship. **1999:** Took full advantage of his first full year on the SENIOR TOUR by earning over \$900,000 in official money and a spot among the top-20 money-winners...Made headlines by being the 18-, 36- and 54-hole leader at the U.S. Senior Open at Des Moines G & CC. Lost out to Dave Eichelberger on the final day by three strokes...Took a one-stroke lead into the final round of the TD Waterhouse Championship, but finished two shots back of Allen Doyle despite a final-round 68...Was again the runner-up the next week at the Comfort Classic, falling two strokes short of Gil Morgan...Was also the 36-hole leader at the Kroger Senior Classic, but lost out to Morgan again by two strokes despite posting a final-round 67. **1998:** Debuted on the SENIOR TOUR in May at the Saint Luke's Classic and placed T19...Best finish in 19 events came near his home in the Philadelphia area...Playing on a sponsor exemption, he closed with a SENIOR TOUR career-best 64 at Hartefeld National and was T3 at the Bell Atlantic Classic.

OTHER CAREER HIGHLIGHTS: Long-time player on the PGA TOUR, where he competed from 1975-97...Had 457 starts in his career and made 242 cuts...No doubt the high point of his golf career came in 1995, when he prevailed at the Deposit Guaranty Golf Classic. Idled much of the early portion of the year by a shoulder injury suffered while lifting one of his vintage pinball machines, he shot rounds of 68-68-70 and stood in seventh place, three behind Dickey Thompson after 54 holes...Finished with a 66, which included 32 on the second nine and that was good enough to give him a two-stroke win over Gil Morgan. The victory, at age 47, made him the oldest first-time winner on the PGA TOUR since John Barnum captured the 1962 Cajun Classic at age 51...Lost in a playoff to Jim Gallagher, Jr. at the 1990 Greater Milwaukee Open and was also second at the Anheuser-Busch Golf Classic and the Chattanooga Classic in back-to-back weeks in 1992...Best year on the TOUR was in 1992, when he made \$237,525...Made three successful trips to the PGA TOUR National Qualifying Tournament in 1983, 1986 and 1989...Named PGA of America's Club Professional of the Year in 1985 after winning the Club Professional Championship at Mission Hills CC in Rancho Mirage, CA...Has had six holes-in-one during competitive rounds.

Friday's even-par round included a pair of eagles...Returned to the SENIOR TOUR National Qualifying Tournament in November and finished in the 11th position thanks in large part to a closing-round 66, the best score by any player that day. The 6-under-par 66 helped him jump from a tie for 33rd after three rounds. One of seven players involved in a playoff for the final two exempt spots. After Mike Smith and Dick Mast earned the final two spots, and R.W. Eaks took the ninth spot, he and Butch Sheehan went four extra holes before Sheehan took the 10th position with a par.

2001 SEASON: Again balanced a hectic schedule that combined 20 appearances on the SENIOR TOUR with his job as an analyst for CBS golf telecasts...Strong play late in the season helped him regain a spot among the SENIOR TOUR's top 31 money-winners. Had six top 10s in his last eight events, including a streak of four top 10s in a row after switching putters. Started the run at the rain-shortened Kroger Senior Classic (T8) and had nine of 11 rounds in the 60s during the month of September. Highlight during this period was a T2 at the inaugural SAS Championship in Raleigh, three strokes back of winner Bruce Lietzke. Along with Allen Doyle and Lietzke, was the only other player to record three consecutive rounds in the 60s at Prestonwood. His \$128,000 payday jumped him into 28th place on the money list and secured a spot in the season-ending SENIOR TOUR Championship at Gaillardia..Seemed to play well in the three SBC-sponsored events. After finishing T7 at the SBC Senior Open in Chicago, was T2 at the SBC Championship in San Antonio thanks to a SENIOR TOUR career-low 9-under 63 in the opening round at The Dominion. Was in contention with Larry Nelson and Bob Gilder on the back nine before finishing two strokes back of Nelson...Had T3 early in the season at the SBC Senior Classic near Los Angeles. Rebounded from a 73 in the first round to shoot 65-68 on the weekend. Had been in a T38 after Friday, but ended up just two strokes short of winner Jim Colbert.

SENIOR PGA TOUR CAREER HIGHLIGHTS: 2000: Fell just short in his late-season push for a spot in the top 31, placing 33rd on the final money list with \$584,477 in 22 events...Best overall performance came in his second start of the year, losing in a three-man playoff at the LiquidGolf.com Invitational in Sarasota with J.C. Snead and eventual winner Tom Wargo. **1999:** Played in only 17 tournaments due to his commitment to CBS golf telecasts, but won his first and last events of the year...Became the third of a record 11 first-time winners when he triumphed at the Toshiba Senior Classic. Received a sponsor's exemption into the event and eventually won the tournament in a four-way playoff. Made a four-foot birdie putt on the fifth extra hole to beat good friend John Jacobs after Al Geiberger and Allen Doyle had been eliminated earlier in the overtime session. Triumph at Newport Beach Country Club allowed him to join Doyle as the only other player to claim both a BUY.COM and a SENIOR TOUR title...Capped his season with a thrilling victory at the Ingersoll-Rand SENIOR TOUR Championship and earned the largest paycheck of his career, \$347,000. Moved into contention with a sizzling 64 at The Dunes Club on Saturday, and then fired a final-round 67 on Sunday to overtake Bruce Fleisher and Larry Nelson by one stroke. Victory at The Dunes came 26 years after he had earned PGA TOUR playing privileges there in the National Q-School. Voted SENIOR TOUR's Player of the Month in March and November. **1998:** Earned a conditional exemption for 1999 by finishing 16th at the SENIOR TOUR National Qualifying Tournament in the fall...Debuted on the SENIOR TOUR at the U.S. Senior Open and T33 at Riviera CC near Los Angeles...Played five other events on sponsor exemptions.

OTHER CAREER HIGHLIGHTS: Played the PGA TOUR from 1974-98 with well over \$600,000 in earnings in 376 tournaments...Made 242 cuts in that span with his best year financially coming in 1984 when he won \$68,213 with a pair of top-10 finishes...Top performances in his PGA TOUR career were a solo second to Art Wall at the 1975 Greater Milwaukee Open and a T2 at the 1977 Greater Milwaukee Open behind Dave Eichelberger...Best finish on the money list was in 1975 when he was 59th with \$43,028...Was a five-stroke victor at the 1991 Ben Hogan Gateway Open...Two-time All-America selection at Cal-Riverside and the winner of the 1970 NCAA Division II championship...Has had four holes-in-one in competition.

BEST 2001 SENIOR PGA TOUR FINISHES: T2—The Instinet Classic; T5—The Countrywide Tradition; T7—FleetBoston Classic; T10—The Home Depot Invitational.

2001 SEASON: Flirted with a top-31 finish once again before ending the year 38th on the money list with \$500,854 in earnings, his best showing since 1999. Best tournament finish came in June in Princeton, NJ, when he T2 at the Instinet Classic, two strokes behind Gil Morgan. The \$120,000 check was his largest since he earned \$225,000 by winning the 1995 FORD SENIOR PLAYERS Championship and put him over the \$6 million mark in SENIOR TOUR career earnings. Initial top-10 effort of the year came at The Countrywide Tradition where he T5 at Desert Mountain. Also T7 at the FleetBoston Classic and T10 at The Home Depot Invitational. Played some of his best golf during the spring with four top-10 finishes in just over a two-month span. Of his 24 rounds during that period, 21 were par or better. Was also among the leading players in the Georgia-Pacific Super Seniors competition, finishing fifth in earnings with \$249,191. Lone victory in the 60-and-over competition came at the Novell Utah Showdown, a two-stroke win over Walter Morgan. Recorded a hole-in-one in the second round of the FleetBoston Classic, his fourth on the SENIOR TOUR and the fourth in tournament history.

SENIOR PGA TOUR CAREER HIGHLIGHTS: 2000: Made a strong bid for his first victory since 1995 when he joined Gary McCord and eventual winner Tom Wargo (won with birdie on third extra hole) in a playoff at the LiquidGolf.com Invitational in February. Other top-10 finishes were a pair of T9s. Sandwiched scores of 67-68 around a second round 74 at the Cadillac NFL Golf Classic and consecutive 68s helped him gain his other top-10 finish at the weather-shortened Comfort Classic. Recorded his third hole-in-one on the SENIOR TOUR (10th overall) in the third round of The Countrywide Tradition in Scottsdale. **1999:** Had his best performances of the campaign during the fall. Was 24-under-par for two tournaments in September and posted back-to-back T4s at the Comfort Classic in Indianapolis and the inaugural Bank One Championship in Dallas. Top outing of the year came when he closed with a final-round 65 at Serrano CC and T3 at the Raley's Gold Rush Classic in mid-October. Went over the \$5 million mark in SENIOR TOUR career earnings at the BellSouth Senior Classic at Opryland. **1998:** Closed with a 67 at The Meadow Brook Club to T2 at the Northville Long Island Classic along with Walter Hall, one stroke short of Gary Player. Recorded the second hole-in-one of his SENIOR TOUR career in the final round of The Home Depot Invitational. **1995:** Enjoyed his most lucrative season with more than \$950,000 in official money. Posted multiple victories in a year for the first time since his 1976 PGA TOUR campaign and was ranked among the top five in earnings for the first time. Defeated Raymond Floyd in a playoff for the Royal Caribbean Classic title, the first full-field event of the season. Holed a four-foot birdie putt on the first hole of sudden death to defeat Jack Nicklaus at the FORD SENIOR PLAYERS Championship. Playoff was the first overtime session in the history of the event and brought him his only major championship on the SENIOR TOUR. **1993:** Broke into the SENIOR TOUR winner's circle when he held on for a one-stroke victory at the Vantage at the Dominion in San Antonio. 54-hole score of two-under-par 214 was impressive, considering a fluke winter storm that moved through south Texas that week. **1990:** Made his debut on the SENIOR TOUR in October at the Transamerica Senior Golf Championship in Napa, site of his victory in the Kaiser International in 1976. T21 at Silverado, but then finished the season with three consecutive top-10s.

OTHER CAREER HIGHLIGHTS: In 1987, he collected the last of his eight PGA TOUR titles at the Manufacturer's Hanover-Westchester Classic, defeating Seve Ballesteros in a playoff. The only player to successfully defend an Andy Williams-San Diego Open crown (1975-1976). Captured his first two TOUR victories in a three-week span, winning the 1971 Tucson Open and the Doral-Eastern Open immediately before and after the PGA Championship. Member of the Ryder Cup teams in 1971, 1973 and 1975. Has had 11 career holes-in-one.

PERSONAL: Nephew of the legendary Sam Snead. Was an excellent all-around athlete as a youngster, winning all-state honors in three sports. Spent nearly four years playing baseball in the Washington Senators farm system before becoming a professional golfer in 1964. Biggest thrill in his career was his first TOUR victory in Tucson.

2001 SEASON: Enjoyed the most lucrative year of his career with over \$1.8 million, good for the sixth on the money list for the second straight year. Among his 13 top-10s were two wins, a pair of seconds and two thirds. Kept alive his record of never winning any TOUR event prior to Sept. 1 when he posted back-to-back victories early in the fall. Won a playoff for the rain-shortened Kroger Senior Classic title and then claimed the inaugural Allianz Championship the following week. Made a dramatic eagle on the final hole of regulation at the Kroger event to set up a playoff with Tom Jenkins and then won with a birdie on the first extra hole. Hit 3-wood from 245 yards for a one-foot tap-in eagle putt. Used seven birdies in an 11-hole stretch to win by two strokes at the Allianz Championship and earned the largest check of his career — \$262,500. Wins late in the campaign capped a four-week run where he finished in the top 10 in every tournament. Started with a T8 at the Novell Utah Showdown and followed with a solo fifth place finish at the AT&T Canada Senior Open prior to his two victories. Contended for his first senior major championship crown before losing by a stroke to Tom Watson at the Senior PGA Championship. Missed an uphill six-foot birdie putt to tie on Ridgewood CC's final hole. Was also a runner-up to Larry Nelson at the MasterCard Championship to start the year. Held the 36-hole lead at the State Farm Senior Classic, but fell one stroke shy of a playoff with Bruce Fleisher and eventual winner Allen Doyle. Selected as the SENIOR TOUR's Player of the Month for September. T3 in Rounds-in-the-60s with 46 and was fourth in sub-par rounds with 66.

SENIOR PGA TOUR CAREER HIGHLIGHTS: 2000: Claimed the first two victories of his SENIOR TOUR career and yearly winnings of \$1.6 million almost matched his entire earnings total in 25 years on the PGA TOUR. Named the Player of the Month for October after posting four straight top-5 finishes that included back-to-back victories in northern California at The Transamerica and the Gold Rush Classic. Win in the Napa Valley ended a victory drought of just over 14 years ('86 Tucson Match Play Championship). 18-under-par 198 score at Silverado was three better than Bruce Fleisher and was a tournament record. Cruised to a two-stroke victory over Ed Dougherty at the Gold Rush Classic with a 21-under 195 total for 54 holes, a tournament record at the time and the lowest 54-hole score on the SENIOR TOUR for the season. Posted back-to-back rounds of 62-66—128 on the final two days at Serrano, the lowest back-to-back scores of the year. 62 in the second round at the Gold Rush event was his low round as a senior player and was a course record at Serrano. Victory near Sacramento allowed him to become the first player since Gibby Gilbert in 1992 to win consecutive starts with sub-200 scores and he also became the first player since Bob Charles (1992) to win consecutive tournaments in northern California. Had a string of 10 straight sub-70 rounds late in the year, sharing the best streak on the SENIOR TOUR with Stewart Ginn. Recorded his second hole-in-one on the SENIOR TOUR in the opening round of the Boone Valley Classic. Had more sub-par rounds (80) than any other player and was third in top-10 finishes with 18. Ranked second to Dana Quigley (475) in Total Birdies with 453. **1999:** Turned in a solid rookie season with nine top-10 finishes and was among the circuit's top-20 money-winners. Came closest to a victory at the Bell Atlantic Classic. Fired a final-round 65 on Sunday at Hartefeld National to come from four strokes off the pace and catch Tom Jenkins, but eventually lost to Jenkins on the first playoff hole. Made the first hole-in-one on the SENIOR TOUR in the final round of the Royal Caribbean Classic. **1998:** Earned full exemption for 1999 by finishing T6 at the 1998 SENIOR TOUR National Qualifying Tournament at the Grenelefe Golf and Tennis Resort. After carding rounds of 67-76-72, fired a 3-under-par 69 on the final day to secure his top-eight finish and a full exemption for the 1999 campaign.

OTHER CAREER HIGHLIGHTS: Played on the PGA TOUR from 1976-98, with 459 tournaments to his credit and nearly \$2 million in career earnings. Enjoyed his greatest success in a two-year span in 1985-86, when he earned three wins and was among the leading money winners on the circuit. Was fourth on the money list in 1985 with \$379,091, including wins at the Greater Milwaukee Open and the Seiko-Tucson Match Play Championship, where he bested Jack Renner in the final. Just missed adding a third victory when he lost in a playoff to Scott Verplank at the Western Open. In 1986, he won \$326,087 and ranked 15th on the money list with a victory at the Seiko Tucson Match Play Championship, besting Scott Simpson in the finals. Was unable to make it three in a row in 1987 when the event switched back to a stroke-play format. Underwent surgery on his left wrist and thumb in September 1987, and missed much of 1988 recuperating. Had runner-up finishes in 1989 (Kemper Open) and 1990 (Phoenix Open). Co-medalist at the Fall 1978 PGA TOUR National Qualifying Tournament with John Fought. First earned card in 1975, but returned home after making just \$2,000 in 1976.

PERSONAL: Is the ninth of 12 children. Grew up next to eighth fairway at Roxboro (NC) CC, where father, Elbert Sr., was the greenskeeper. One of his brothers, Chuck, played for a period on the PGA TOUR and in several events on the SENIOR TOUR in 1998, while another brother, Bill, finished 18th at the 1998 SENIOR TOUR National Qualifying Tournament and reached a playoff for an exempt spot at the 2001 Q-School. Earned a scholarship to Morgan State as a running back.

2001 SEASON: Didn't join the SENIOR TOUR until early August shortly after turning 50, but made his first appearance on the circuit a memorable one. Became the youngest winner in SENIOR TOUR history when he claimed the Lightpath Long Island Classic at 50 years, 10 days. Edged Allen Doyle and Larry Nelson by one stroke and broke Gil Morgan's record as the youngest winner (50 years, 11 days at 1996 Ralphs Senior Classic). A 12-foot birdie putt on the final hole at the Meadow Brook Club was the difference and it gave him his first win in TOUR event in his 778th start. Helped his cause early in the final round when he rebounded from a double-bogey with a double-eagle on the third hole (driver, pitching wedge from 135 yards). Became just the 10th player, and first since brother Lanny, to win in his debut on the SENIOR TOUR. Victory also earned him and Lanny the distinction of becoming just the second set of brothers to triumph on the SENIOR TOUR (Dave and Mike Hill)...Made a strong run for a spot in the season-ending SENIOR TOUR Championship at Gaillardia, even though he played in just 10 events after turning 50. Eventually finished 33rd on the final money list with \$549,657...Long Island victory started a run of 22 consecutive rounds of par or better as a senior player...T7 in his second appearance at the 3M Championship and T4 at the inaugural SAS Championship after being tied with two other players for the 36-hole lead...Other strong performance came in his final event of the year in San Antonio. Opened with a 7-under 65 at The Dominion and T5 at the SBC Championship.

PERSONAL: After attending University of Houston for one year, won All-American honors in 1972-73 at East Tennessee State...Along with older brother Lanny, kept Richmond, VA city junior title in family for six consecutive years (Lanny four, Bobby two)...Biggest thrill in golf was posting first SENIOR TOUR victory at the Lightpath Long Island Classic and biggest thrill outside golf was when his son, Casey, was born. Son now has played in four national baseball tournaments...Was age 8 when his father got him started in golf...Favorite athletes are Mickey Mantle and Arnold Palmer...Favorite golf course is Cypress Point.

ROYAL CARIBBEAN CLASSIC NOTES

Keys to Victory: Larry Nelson started the final round trailing Bob Gilder by one point, but five birdies proved to be enough to give him a one-point win over Isao Aoki. After sinking a 10-foot birdie putt at No. 16, Nelson followed with a three-putt bogey at No. 17, but closed with a par on the final hole to hold off Aoki. Nelson helped his cause with a strong effort on Saturday, when he posted 15 points. Had it been stroke play, Nelson would have shot a 7-under-par 65 in the second round.

Tournament Notes: Larry Nelson's win was significant. He became the first player to win the first two official events of the year since Don January did so in 1981, and it was his sixth win in his last 10 starts dating back to the 2000 season...The win was Nelson's third SENIOR TOUR title in Florida and his seventh overall...Lee Trevino ('90) and Bruce Fleisher ('99) posted their first SENIOR TOUR victories at this event.

ACE GROUP CLASSIC NOTES

Keys to Victory: Gil Morgan and Dana Quigley were engaged in a showdown for most of the back nine on Sunday. The pair matched birdies at the 14th and 16th holes and Morgan led by one at the par-3 17th. Hitting second, Morgan nearly aced the hole, hitting a 7-iron to three feet. The birdie gave Morgan a two-shot cushion going to the watery 18th hole. Morgan's approach shot on No. 18 toyed with the water's edge, but landed a few feet away and rolled to 10 feet from the cup.

Tournament Notes: Gil Morgan's victory was the 19th of his senior career and gave him a win in six consecutive seasons...He joined Lee Trevino (1990-91) and Mike Hill (1993-94) as two-time champions of the Naples event...Morgan's 36-hole score of 6-under 138 was the highest among 36-hole leaders in Naples since the 1991 event...This year's tournament will be played at Jack Nicklaus/Jack Nicklaus II-designed TwinEagles Golf Club, the sixth different venue in the 15-year history of the event.

VERIZON CLASSIC NOTES

Keys to Victory: Bob Gilder had just 22 putts in shooting his final-round 67 at the Tournament Players Club of Tampa Bay. As many as 12 players had a chance to win heading to the back nine, but Gilder proved to be the steadiest. He made his last bogey of the tournament at No. 9, then made birdies on 12 and 13 to take the lead he never relinquished. Gil Morgan and Bruce Fleisher squandered opportunities at the par-3 17th hole. Fleisher three-putted for a bogey that put him three back, and Morgan hit his tee shot in the water.

Tournament Notes: Bob Gilder's victory, in just his third start on the SENIOR TOUR, came 18 years and 18 days after his last triumph on the PGA TOUR, the 1983 Phoenix Open...His win also marked the third straight season a rookie has won in Florida...For the third straight year, the par-4 15th hole at the TPC at Tampa Bay ranked among the top-10 most difficult on the SENIOR TOUR. Last year, the field stroke average on the hole was 4.513, versus 4.389 in 2000 and 4.453 in 1999.

MEXICO SENIOR CLASSIC NOTES

Keys to Victory: Mike McCullough's 12-foot birdie putt on the 17th hole couldn't have come at a more perfect time. Trailing playing partners Jim Colbert and Bob Eastwood by one stroke heading to the 53rd hole, McCullough's birdie resulted in a crucial two-stroke swing after bogeys by Eastwood, who missed the green, and Colbert, who three-putted. McCullough sealed his win with a four-footer for par at the final hole that gave him his first victory after 612 official PGA TOUR-sanctioned events.

Tournament Notes: Jim Colbert's second-round 62 tied the La Vista CC course record set by 2000 winner Hubert Green in the final round...Mike McCullough's check for \$225,000 was the largest of his career...Colbert's runner-up finish was his second in as many tries at the event. He was among three players who finished five strokes behind Green in 2000...Monday qualifier Ed Brooks had a productive week, finishing eighth and earning \$48,000.

TOSHIBA SENIOR CLASSIC NOTES

Keys to Victory: Jose Maria Canizares holed a downhill, left-to-right 20-foot birdie putt on the ninth extra hole to defeat Gil Morgan and win his first SENIOR PGA TOUR title. Morgan appeared to be in the driver's seat after closing with a 7-under-par 64. However, Canizares birdied the final hole in regulation to set up the playoff. Canizares had potential winning putts lip out on the first two extra holes. The duo had pars on the first six holes, and both birdied the seventh hole. After pars on the eighth hole, Canizares ended the second-longest playoff in SENIOR TOUR history with his birdie on the ninth hole.

GIL MORGAN

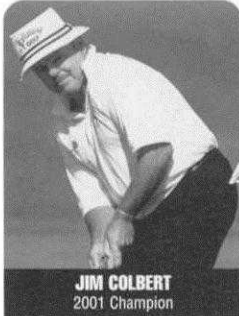

Tournament Notes: The playoff was the second longest in SENIOR TOUR history, matching the nine-hole playoff between Jay Sigel and runner-up Bob Murphy at this event in 1997. The longest remains the 10-hole playoff at the Royal Caribbean Classic between David Graham and Dave Stockton in 1998...There has been a playoff three of the last five years, and close finishes are the norm. In seven years, there have been three playoffs, and three others have been decided by one stroke...With his win, Canizares became the third first-time winner in as many weeks.

SBC SENIOR CLASSIC NOTES

Keys to Victory: Jim Colbert broke a three-way tie with Jose Maria Canizares and Gary McCord by holing an eight-foot birdie putt at the 15th hole on Sunday. Colbert then parred in to defeat Canizares by a stroke. On the long par-4 17th hole, Colbert hit a 238-yard 5-wood from the rough, enabling him to rescue a crucial par. He also holed a three-foot second putt for a par on the final green to avoid a playoff with Canizares.

Tournament Notes: Jim Colbert became the eighth player in SENIOR TOUR history with at least 20 victories...Colbert also became the 10th player to win a SENIOR TOUR event at 60 years of age or older...Walter Morgan's 8-under 64 on Sunday tied the Valencia Country Club course record and was his lowest score since posting the same number in the opening round of the 1997 BellSouth Senior Classic at Opryland...Hugh Baiocchi scored the first ace of the 2001 season when he holed a 5-iron shot from 178 yards on the third hole on Saturday. The ace was Baiocchi's third in competition and was the seventh in tournament history.

EMERALD COAST CLASSIC NOTES

Keys to Victory: Mike McCullough made it two wins in his last five starts with his playoff victory over Andy North. Both players shot closing-round 65s to finish at 10-under-par 200 and set up the playoff. North helped his own cause when he sank a 25-foot birdie putt on the 17th hole to pull into a tie for the lead. In the playoff, North's drive found a bunker and he was never able to recover. McCullough two-putted from 40 feet for a par and the win.

Tournament Notes: Playoffs seem to be the norm at this event. Last year's playoff was the fourth in seven years, but the first since 1997...Andy North's second-place check for \$123,200 was the largest of his professional career. The previous best was \$103,000 when North won the 1985 U.S. Open...The Moors Golf Club was the sixth most difficult course on the SENIOR TOUR in 2001 at 71.140 (+1.400). It also was sixth hardest in 1999...The Moors' most difficult hole was No. 17, which was 38th hardest on the SENIOR TOUR last year.

IN MEMORIAM - FRED RAPHAEL (1921-2001)

The golf world lost one of its brightest innovators in June 2000. Fred Raphael, the founder of the Legends of Golf in 1978, died at age 80 in Bridgehampton, NY after a long battle with liver cancer.

Hall of Famers Gene Sarazen and Jimmy Demaret encouraged the Legends of Golf, which was first played at Onion Creek Country Club in Austin, TX and aired on NBC. Featuring stars who had been out of the public eye for several years and nurtured by Raphael's promotional skills and creativity, the Legends of Golf was successful beyond anyone's expectations. It was so successful, in fact, that it inspired the creation of the SENIOR PGA TOUR in 1980. The event, which has been played in Austin, TX, Palm Springs, CA, Amelia Island, FL and now the World Golf Village in St. Augustine, FL, is the SENIOR TOUR's second-oldest event behind the Senior PGA Championship. It will celebrate its 25th playing this year.

Born in Union City, NJ in 1921, Raphael got his start in the golf business when he developed the long-running "Shell's Wonderful World of Golf" series, which aired from 1962-70. The Emmy-winning show featured 18-hole matches from different countries around the world with the game's greatest players, including Byron Nelson, Sam Snead, Ben Hogan, Arnold Palmer, Jack Nicklaus and Gary Player, with Sarazen and Demaret calling the action.

Raphael launched his business career in 1951 at J. Walter Thompson advertising agency in New York City. In 1958, he joined Filmways, an international television production company. Shortly after his arrival, the Shell Oil Company awarded Filmways a contract to produce Shell's Wonderful World of Golf.

"Fred's vision and creativity were instrumental to the worldwide growth of interest in golf," PGA TOUR Commissioner Tim Finchem said. "He cared deeply about the game and all the people in it. Everyone in golf owes him an important debt of gratitude. We will all miss him."

THE COUNTRYWIDE TRADITION NOTES

Keys to Victory: Doug Tewell offset three bogeys with 22 birdies and two eagles over four rounds to finish a tournament-record 23-under in the first senior major championship of the year. After fretting about a bogey at the 18th hole on Saturday, Tewell started Sunday's final round with a birdie, then added two more birdies at the fourth and eighth holes to boost his lead to five shots over Hale Irwin. He put the title away with birdies at the 10th and 11th holes, followed by an eagle at No. 12. Tewell finished his record-breaking performance with birdies on three of the final four holes.

Tournament Notes: Doug Tewell's course-record 62 on the Cochise layout at Desert Mountain was the lowest final-round score ever shot in a senior major championship...His 72-hole score of 23-under 265 was the lowest on the SENIOR TOUR since Jack Nicklaus won the 1990 FORD SENIOR PLAYERS Championship with an all-time record total of 27-under 261...Tewell's nine-stroke margin of victory was the largest on the SENIOR TOUR since Hale Irwin's all-time record 12-stroke triumph at the 1997 PGA Seniors' Championship...Mike McCullough was the only player in the field to shoot four rounds in the 60s, yet he still finished a distant second.

LAS VEGAS SENIOR CLASSIC NOTES

Keys to Victory: Despite a balky putter, Bruce Fleisher managed to end nearly a nine-month victory drought when his closest pursuers made critical mistakes down the stretch. He began the final round two strokes behind Jerry McGee. McGee lost the lead after Fleisher birdied the par-3 eighth hole, then fell farther back by losing four strokes in three holes starting on No. 11. Walter Hall, the third member of the final group, got to within a shot of Fleisher after making birdie on the par-5 16th hole. But any chance Hall had ended on the par-3 17th, his tee shot landed in the water guarding the left side of the green.

BRUNO'S MEMORIAL CLASSIC NOTES

Keys to Victory: Hale Irwin continued his torrid play. His win in Birmingham was the second in his last four starts (he had a tie for second and a solo third in that span). Irwin flirted with the all-time SENIOR TOUR scoring record of 22-under par, but came up one stroke short. However, it still earned a four-stroke win over Stewart Ginn. Irwin shot three successive 7-under-par 65s for a tournament-record 54-hole total of 195 and led all players in greens in regulation. He distanced himself with consecutive birdies on the eighth and ninth holes and never looked back.

Tournament Notes: Hale Irwin ran his streak of consecutive rounds of par-or-better to 19 with his three straight 65s...The last time a player shot the same score all three days and won was when Gary Player carded three straight 68s at the 1998 Northville Long Island Classic...70-year-old Gene Littler became the first player on the SENIOR TOUR to better his age in 2001 when he fired a 5-under-par 67...Since its inception in 1992, no winner has shot a round higher than 71, and eight of the 10 winners have started with rounds in the 60s...This is a tough title to defend...Of the 10 winners, only two – Graham Marsh (T5/1996) and George Archer (T8/1993) – have finished in the top 10 the next year.

LEADERS: First Round—Jim Colbert fired an 8-under-par 64 and led Bruce Fleisher by two strokes. **Second Round**—Colbert retained a one-stroke margin over Fleisher and Joe Inman after shooting a 4-under-par 68. His total of 12-under-par 132 set a 36-hole tournament scoring record.

GEORGIA-PACIFIC SUPER SENIORS: Jim Colbert earned his second title in as many starts. His 36-hole score of 12-under-par 132 gave him a three-stroke victory over Mike Hill and Rocky Thompson. Colbert earned a \$34,000 check for the victory.

THE HOME DEPOT INVITATIONAL NOTES

Keys to Victory: Consecutive birdies on the eighth and ninth holes proved to be the difference for Bruce Fleisher on Sunday. Fleisher's birdies gained some breathing room and helped him post a three-stroke victory over John Bland. It was Fleisher's third straight win in the event, and he set a tournament scoring record in the process, breaking his old mark of 203 by two strokes. The victory was Fleisher's second in three weeks and his 13th in 74 SENIOR TOUR starts.

Tournament Notes: John Bland's second-place finish was his best effort since a runner-up to Graham Marsh at the 1997 U.S. Senior Open...Since 1990, only two players who have led or shared the lead after 36 holes have won the event.

ENTERPRISE RENT-A-CAR MATCH PLAY CHAMPIONSHIP NOTES

Keys to Victory: Leonard Thompson avenged a loss to Vicente Fernandez at the 2000 Chrysler Senior Match Play Challenge by defeating the Argentinian, 1-up, in the final at Boone Valley Golf Club. With the match all square after 13 holes, Thompson moved ahead at the par-5 14th after Fernandez hit his drive into the right rough and took two strokes to get out. Thompson won the 15th to move 2-up, but Fernandez birdied the 17th to force the match to the par-4 18th hole. When Fernandez hit his second shot into the water, he subsequently conceded the match to Thompson.

VICENTE FERNANDEZ

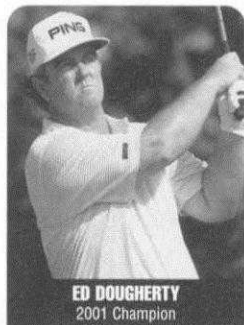

Tournament Notes: Leonard Thompson (104), Vicente Fernandez (103) and Bob Gilder (103) played more than 100 holes in the four-day event...Thompson played his last 41 holes without making a bogey...Bob Charles bettered his age for the first time when he fired an 8-under 64 on Friday. It was the 65-year-old New Zealander's best round since posting a 64 on Saturday at the 1998 Kroger Senior Classic.

TD WATERHOUSE CHAMPIONSHIP NOTES

Keys to Victory: Ed Dougherty got off to a fast start each day and left everyone in his rear view mirror by the end of the weekend. He used birdies on the first five holes Friday and Saturday to build a five-stroke cushion entering the final round. The 53-year-old Vietnam veteran didn't let up, making birdie on the first two holes on Sunday. After Dana Quigley trimmed his margin to five strokes at the turn, Dougherty iced the tournament with short birdie putts at the 10th and 11th hole. After three-putting for only his second bogey of the week at the par-4 13th, Dougherty finished in style with a tap-in birdie at the par-4 14th and back-to-back birdies at the final two holes.

Tournament Notes: Dougherty's 22-under 194 total tied the all-time 54-hole scoring record in relation to par (Ray Floyd/1993 Gulfstream Aerospace Invitational). His eight-stroke margin of victory was the largest in a three-round event since the 1993 Franklin Quest Championship, when Dave Stockton won by nine strokes...Hale Irwin's streak of 21 consecutive rounds of par or better ended after he posted a first-round 73...Walter Morgan's 64 on Sunday helped him tie for second in the event, his best finish as a senior since he won the 1996 Ameritech Senior Open.

SENIOR PGA CHAMPIONSHIP NOTES

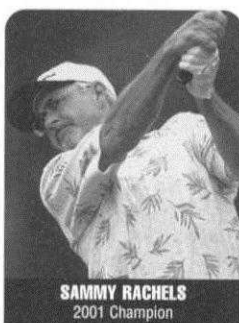

Keys to Victory: A 15-hole stretch, starting on the last five holes of his third round through the first 10 holes in Sunday's final round, was critical for Tom Watson. During that period he was 9-under par, and it would prove crucial. His only real blemish on Sunday came with a three-putt bogey at 14, coupled with a birdie by runner-up Jim Thorpe, that dropped his lead from three strokes to just one. However, Watson held off Thorpe, who missed a potential tying six-foot birdie putt at 18. Over his four rounds, Watson hit 75 percent of the fairways and 78 percent of the greens in regulation.

BELLSOUTH SENIOR CLASSIC AT OPRYLAND NOTES

Keys to Victory: An eagle on the opening hole got things started for Sammy Rachels. Then a seven-hole stretch (holes 8-14) in which he was a combined 6-under par was the difference. After defending champion Hale Irwin pulled even for the lead after seven holes, Rachels responded with a run that included a birdie at eight, a second eagle on 10 and subsequent birdies at 11, 12 and 14. That was enough to help him close with a 9-under-par 63 and four-stroke win over Irwin. Rachels needed just 21 putts on Sunday.

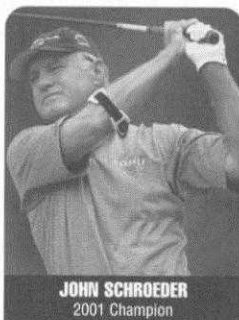

HALE IRWIN

Tournament Notes: Second-round leaders continue to enjoy success at the tournament. Sammy Rachels became the seventh player in eight tournaments to win after leading or being tied for the lead after 36 holes. The only player who did not win was Dave Stockton in 1994...Rachels' closing 63 was his best as a professional...Despite finishing second, Hale Irwin has won more money in this event than any other player — \$649,991 — in seven appearances...Gil Morgan is second with \$538,600 in five starts...There still has not been a hole-in-one at the tournament...Isao Aoki is the only player to win wire-to-wire at this event, and he did it twice (1996 and 1998).

NFL GOLF CLASSIC NOTES

Keys to Victory: John Schroeder took advantage of a two-stroke swing in the closing holes of regulation, then defeated Allen Doyle with a par on the second playoff hole for his first SENIOR TOUR victory. Schroeder rolled in a 10-foot birdie putt on the 18th hole to post a 9-under 207 total. Doyle, playing in the group behind Schroeder, bogeyed No. 17 to drop into a tie for the lead. When Doyle's 12-foot birdie putt on No. 18 stopped inches short of the hole, the two men went to a playoff. After Doyle and Schroeder parred the first playoff hole, Doyle found the left rough with his tee shot at the second extra hole, the 17th, then hit a poor chip. He missed a 12-foot putt for par. Schroeder put his first shot on the edge of the green and putted within a foot of the cup to set up the winning tap-in.

ALLEN DOYLE

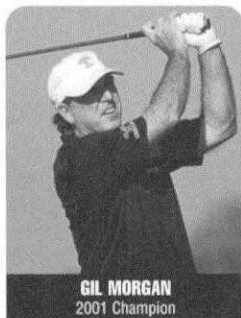

Tournament Notes: After not having a playoff in the first four years of the event, there have now been four overtime sessions in the last five tournaments at Upper Montclair...Before winning in New Jersey, John Schroeder's only TOUR victory came at the 1973 L&M Match Play Championship...Schroeder joined Mike McCullough and Steve Veriato as the only players in 2001 to win their first event after reaching the age of 55. The last time at least two players won their first SENIOR TOUR events after age 55 in the same season was in 1990...Allen Doyle's second-place check pushed him over the \$1-million mark in official earnings for the third straight season.

THE INSTINET CLASSIC NOTES

Keys to Victory: Gil Morgan's double eagle on Friday helped set the stage for his two-stroke victory over J.C. Snead. Morgan, who never had a double eagle in his long career, holed a 3-iron from 256 yards on the seventh hole. Morgan added consecutive rounds of 69 on the weekend to earn his 20th SENIOR TOUR title, the ninth player in SENIOR TOUR history with at least 20 victories. He dropped into a tie for the lead on Sunday following a bogey at 15, but righted the ship with a birdie at the 17th hole to give himself a one-stroke margin. Morgan iced the crown with another birdie at the 18th.

Tournament Notes: Gil Morgan recorded his third wire-to-wire victory on the SENIOR TOUR...Morgan also became the fifth consecutive player to win this event after leading or being tied for the lead after 36 holes...The win was Morgan's eighth straight top-10 finish, and it marked the fourth time he has defended a title on the SENIOR TOUR — Ralphs Senior Classic (1997), The Countrywide Tradition (1998) and Comfort Classic (2000)...Bob Gilder's string of sub-par rounds ended at 17 when he finished with a 1-over-par 73.

FLEETBOSTON CLASSIC NOTES

Keys to Victory: Tom Kite's spirited battle with Larry Nelson ended in bizzare manner at Nashawtuc's par-3 17th hole and allowed Nelson to successfully defend a title for the first time in his 27-year professional career. Kite had rallied from a five-shot deficit to pull within one of Nelson's lead when his tee shot on No. 17 hit an airborne purple martin and fell into a pond. Kite eventually made double-bogey on the hole and dropped out of contention.

Tournament Notes: Larry Nelson became the fifth player in FleetBoston history to defend a title...He made just two bogeys over 54 holes and claimed the 14th SENIOR TOUR title of his career...His 15-under 201 was the lowest at Nashawtuc since Hale Irwin recorded the same score in winning the 1998 event...Irwin has a streak of 21 straight par-or-better scores at Nashawtuc...J.C. Snead made the fourth hole-in-one of his SENIOR TOUR career on the par-3 17th hole during the second round. Snead holed a 6-iron shot from 168 yards for the ace, the fourth in tournament history.

U.S. SENIOR OPEN NOTES

Keys to Victory: Bruce Fleisher won his first senior major championship and avenged a loss to Hale Irwin a year earlier at Saucon Valley. Fleisher made par on his final 12 holes on the difficult Salem Country Club layout and posted a 2-under 68. He then watched as each of his contenders in the final two groups fell back. Isao Aoki dropped out of the lead with a bogey on No. 17, a 476-yard par 4, and Gil Morgan was done in by a bogey at the par-4 18th after a wayward drive into the left rough. Jim Colbert chipped in for birdie on the difficult par-3 15th to briefly take sole possession of the lead, but he bogeyed No. 16 and double-bogeyed the 18th.

ISAO AOKI

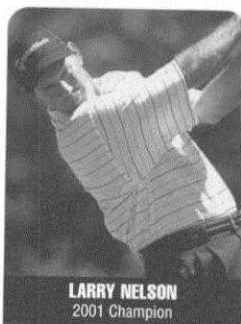

Tournament Notes: Bruce Fleisher completed the largest comeback in U.S. Senior Open history when he rallied from four strokes back on the final day to win. The old mark was three strokes by Hale Irwin at Riviera Country Club in 1998...Jack Nicklaus' tie for fourth at Salem was his highest finish in a senior major since he tied for second in the 1997 Senior PGA Championship...Irwin became the first player to eclipse the \$1-million mark in U.S. Senior Open earnings. In seven appearances, Irwin has pocketed \$1,004,402.

FARMERS CHARITY CLASSIC NOTES

Keys to Victory: Crunch-time putting was the difference for Larry Nelson, who defended a title for the second time in three weeks. Nelson and Jim Ahern were battling down the stretch, but it was Nelson's late putting heroics that paid dividends. Ahern reached the par-5 17th hole in two shots and could have pulled ahead of Nelson with a birdie. However, he three-putted from 15 feet, and Nelson answered with a two-putt birdie from 15 feet to take a lead he would never relinquish. Nelson added a two-putt par from 50 feet on the final hole for the win.

Tournament Notes: How important is the second-round lead at this event? Since the start of the tournament in 1986, the player who has led or been tied for the lead after 36 holes has won the event 10 of 16 times...Dave Stockton is the tournament's all-time leading money-winner with \$434,624. He owns a win (1996) and three second-place finishes...John Jacobs was credited with a 403-yard drive in the final round.

FORD SENIOR PLAYERS CHAMPIONSHIP NOTES

Keys to Victory: Allen Doyle forced a playoff by sinking a 35-foot birdie putt on the 72nd hole, then won the tournament on the first extra hole when he made par while Doug Tewell had to settle for bogey. Tewell, who was bidding for his second major title of the year, finished with a 6-under-par 66, but saw his chances end when he hit his playoff drive left into a wetlands area.

Tournament Notes: Allen Doyle and Bruce Fleisher, the winner of the U.S. Senior Open, were the only players to finish in the top 10 in all four senior majors for the year...Ray Floyd has won more money than any other player in tournament history — \$987,311 — but Hale Irwin, a winner in 1999, is a close second with \$967,991.

SBC SENIOR OPEN NOTES

Keys to Victory: Rain and darkness forced Dana Quigley and five other players to come back Monday morning and play another hole-and-a-half. When play resumed on Monday, Quigley led by three strokes over Jay Sigel and was 20 feet from the hole at the par-3 17th hole. Sigel had a 45-foot birdie putt. Quigley two-putted for par on No. 17, then made a five-foot birdie putt on the final hole. Sigel also made a par on the 17th, but bogeyed No. 18 after his tee shot found the rough.

Tournament Notes: The Monday finish was a first in history for a SENIOR TOUR co-sponsored event...Dana Quigley became the first player to win with three rounds in the 60s at Kemper Lakes...Bruce Lietzke tied for 24th in his SENIOR TOUR debut... Hale Irwin has finished among the top five in this event each year since 1997...2001 runner-up Jay Sigel turned in his best performance on the SENIOR TOUR since posting a victory at the 1998 Kaanapali Classic.

STATE FARM SENIOR CLASSIC NOTES

Keys to Victory: Allen Doyle won for the second time in three weeks when he edged Bruce Fleisher in a playoff to capture the rain-soaked event at Hayfields Country Club. Jim Thorpe had a chance to join Doyle and Fleisher in the playoff, but missed a five-foot birdie putt on the final hole. In the overtime session, both players made a par on No. 18, the first playoff hole. On the second extra hole, the par-4 10th, Fleisher holed a 15-foot birdie putt, but Doyle responded with a birdie of his own from four feet. Fleisher and Doyle put their second shots into a greenside bunker on the par-4 17th, the third extra hole, but Fleisher's ball was partially buried in the sand. After Doyle blasted to four feet, Fleisher ran his bunker shot 20 feet past the hole, then missed a par-saving putt. Doyle calmly drilled the four-footer for par and his seventh victory on the SENIOR TOUR.

Tournament Notes: Bruce Fleisher has recorded nine straight sub-par rounds at the State Farm Senior Classic and is a cumulative 36-under in three appearances in the Baltimore area...1965 NCAA champion Marty Fleckman, 57, made his first start on the SENIOR TOUR and tied for 71st....Bruce Lietzke's final-round 69 put him in ninth place, his first top-10 finish on the SENIOR TOUR.

LIGHTPATH LONG ISLAND CLASSIC NOTES

Keys to Victory: Bobby Wadkins made birdies on two of the last three holes to edge Larry Nelson and Allen Doyle by a stroke and become the SENIOR TOUR's youngest winner. Wadkins also became just the 10th player to win in his SENIOR TOUR debut, and first since his older brother Lanny won the 2000 ACE Group Classic in Naples, FL. Wadkins won 10 days after turning 50, one day younger than Gil Morgan was when he won the 1996 Ralphs Senior Classic crown. Winless in 777 TOUR starts (712 PGA TOUR, 65 BUY.COM TOUR), Wadkins made his first SENIOR TOUR start a memorable one. He overcame a double-bogey on No. 2 with a double eagle on the par-5 third hole, holing a pitching wedge shot from 135 yards. At the turn, Wadkins found himself locked in a tight battle with four other players. Jay Sigel, the 36-hole leader, was ahead by five strokes after eight holes on Sunday, but faltered in the final 10 holes of the tournament. Wadkins made a 20-foot downhill putt on No. 16 to move into a four-way tie for the lead, then took the lead for good with a downhill 10-footer on the closing 172-yard par-3 18th. Nelson, playing behind Wadkins, had one final chance to send the event into a playoff, but his 25-foot uphill birdie effort on No. 18 came up inches short of the cup.

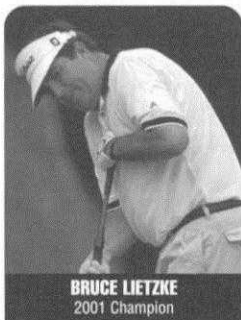

Tournament Notes: Bobby Wadkins' double eagle was the second on the SENIOR TOUR in 2001 and the third in the history of the tournament. In 1988, both Bobby Nichols and Ben Smith made double eagles on the Meadow Brook Club's third hole...Wadkins made up four strokes on the final day, the biggest come-from-behind win at Meadow Brook since Ray Floyd rallied from five strokes back to win the 1993 tournament.

3M CHAMPIONSHIP NOTES

Keys to Victory: Playing in just his third event since joining the SENIOR TOUR, Bruce Lietzke broke out of the pack with two birdies on the back nine (Nos. 11 and 14) and then saved par with a 10-foot putt on the 17th hole. Lietzke, who had opened his final round with three birdies in the first six holes, had back-to-back bogeys at the eighth and ninth holes, but sank a 20-footer for a birdie on 11 and added another 20-foot birdie putt at 14. Nearly a dozen players were in contention on the back nine, but Lietzke's closing-round 69 was good enough for his first win.

GRAHAM MARSH

Tournament Notes: Bruce Lietzke helped his cause when he recorded his first SENIOR TOUR hole-in-one on Saturday at the fourth hole...One day later, Graham Marsh also had an ace also at the fourth hole. It was the fifth one in tournament history...Hale Irwin, who finished third, has won more money than any player in this event with \$764,218. He owns two wins, a tie for second and two ties for third in six appearances...Scoring conditions were more difficult at the new layout at the TPC of the Twin Cities. The field averaged 73.198 compared to 71.160 the previous year at Bunker Hills GC.

AT&T CANADA SENIOR OPEN CHAMPIONSHIP NOTES

Keys to Victory: After six second-place finishes and a rain delay that lasted 79 minutes, Walter Hall won his first SENIOR TOUR event in his 136th start. Ed Dougherty erased a five-stroke deficit on Sunday and held a one-stroke lead over Hall through 17 holes. However, Dougherty pulled his 147-yard approach shot into the 18th green and eventually made a bogey when his 10-foot par effort slipped past the hole. Hall, playing two groups behind Dougherty, made par on the final 12 holes of regulation at Mississauga. Hall had to hole a clutch downhill six-footer for par on the 18th to force a playoff, the third over-time session in tournament history. In the playoff, Dougherty pushed his tee shot into the rough and eventually bogeyed the 18th hole for a third time in five attempts when his 16-foot putt for par missed. Hall secured the victory with a routine par, two-putting from 32 feet.

KROGER SENIOR CLASSIC NOTES

Keys to Victory: Jim Thorpe used a dramatic eagle at the par-5 18th hole to catch Tom Jenkins, then defeated him with a birdie on the first playoff hole for his first title of the 2001 season at the rain-shortened event. Trailing by two shots with just one hole to play and Jenkins already in the clubhouse, Thorpe laced a 3-wood from 245 yards to within a foot of the hole. After Thorpe tapped in for the eagle, both he and Jenkins returned to the par-5 18th hole for the overtime session. Jenkins outdrove Thorpe, but Thorpe put his second shot on the left side of the green. Jenkins pushed his second shot in the deep rough to the right of the green and chunked his third shot short. After pitching his fourth shot onto the putting surface, Jenkins could only watch as Thorpe lagged his 40-foot eagle effort close to the hole and tapped in for his third SENIOR TOUR victory.

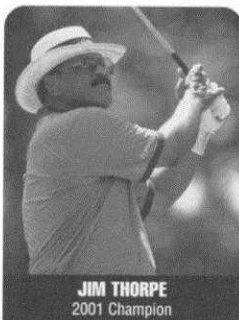

Tournament Notes: Don Pooley tied for fourth in his SENIOR TOUR debut...Jim Thorpe's win made him the 12th different Kroger champion in as many years as the event has been played...Tom Jenkins' 7-under 63 on Sunday was a career-best, while John Schroeder's 7-under 63 in the final round was his lowest on the SENIOR TOUR and best since he fired a 63 in the second round of the 1973 Quad Cities Classic on the PGA TOUR...This year's event moves to the new Arnold Palmer-designed Tournament Players Club at River's Bend.

WEATHER: Sunny and warm through Wednesday. A series of large thunderstorms dumped almost two inches of rain on the golf course and forced the Thursday afternoon pro-am to be canceled. More rain fell overnight Thursday and forced a delay in the start of the tournament Friday morning. A two-tee start was used, and play began at 11:30 a.m., one hour later than the scheduled start. Play was suspended by lightning at 2:50 and resumed at 5:15 p.m. The first round was suspended again by darkness at 6:49 p.m. with 51 professionals still on the course. After a large thunderstorm dumped another two inches of rain on the course Friday night, the first round could not be restarted until 11:00 a.m. Sunny and cooler Saturday, with highs in the upper 60s and northwest winds at 10-15 mph. Clouds moved back into the area Sunday, and a light rain fell most of the day. Highs were only in the mid 60s, with northwest winds at 5-10 mph. Lift, clean and place rules were in effect all three days.

ALLIANZ CHAMPIONSHIP NOTES

Keys to Victory: Jim Thorpe won for the second consecutive week and claimed the weather-plagued inaugural event by two strokes over Gil Morgan. Thorpe's final-round 66 included a run of seven birdies in an 11-hole stretch. He built a cushion that enabled him to survive bogeys on Glen Oaks Country Club's final two holes. Thorpe enjoyed a three-stroke lead over Bruce Lietzke by scrambling for birdie on the 15th hole. A birdie on the next hole stretched his lead to four, and Lietzke's last hope ended when he missed a four-foot birdie putt on No. 17. Morgan moved into contention with birdies on Nos. 11, 13 and 14, but did not birdie another hole until the 18th.

GIL MORGAN

Tournament Notes: Jim Thorpe joined Larry Nelson as the only players to win back-to-back events on the SENIOR TOUR last year. Both men won consecutive tournaments in 2000 as well...Thorpe's triumph in Des Moines was his fourth overall victory on the SENIOR TOUR, with all coming after the start of September. Thorpe won three times on the PGA TOUR, and all of those victories were in September and October...Joe Inman is the only player to be par/better in every round played on the SENIOR TOUR in Iowa. Inman had four par/better rounds at the 1999 U.S. Senior Open at Des Moines Golf and Country Club en route to a tie for third. He shot rounds of 71-70-71 last year at the par-71 Glen Oaks Country Club and tied for 34th.

SAS CHAMPIONSHIP NOTES

Keys to Victory: For a guy who wasn't even going to play in the tournament, Bruce Lietzke fared very well. Lietzke was slated for the previous week's Vantage Championship, which was canceled following the terrorist attacks against the United States. So Lietzke's plans quickly changed. He entered the inaugural SAS Championship, and couldn't have asked for better results. Hitting all 18 greens in regulation on Sunday and 90.7 percent for the 54-hole event, Lietzke held off a late-charging Gary McCord for his second victory in just eight SENIOR TOUR starts. Consecutive birdies on holes 15-17 pulled McCord even with Lietzke at 13-under par. However, an errant drive by McCord on 18 and a subsequent bogey proved costly. Lietzke nailed down the win with consecutive birdies on 17 and 18, the second coming from 15 feet. He had entered the final round tied with Bobby Wadkins and Jay Overton, but grabbed the lead with birdies on 9, 10 and 12.

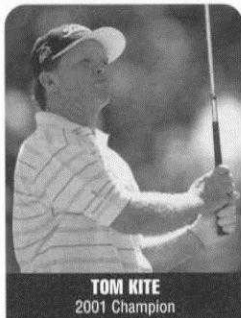

GARY MCCORD

Tournament Notes: Mike McCullough's string of consecutive starts ended at 177 when he skipped the event...Mark McCumber made his SENIOR TOUR debut and finished T48...Jay Overton, who earned the final spot through open qualifying, finished T6...McCord's T2 was his best finish since he lost a playoff at the LiquidGolf.com Invitational in Feb. 2000.

GOLD RUSH CLASSIC NOTES

Keys to Victory: Tom Kite ended a 15-month victory drought when he defeated Allen Doyle by one stroke while tying a SENIOR TOUR scoring record in relation to par at 22-under 194. Seeking his first win since June 2000, Kite began the final round with a five-stroke advantage. He started the day with a birdie on the opening hole, then stumbled with bogeys on 3 and 4, which cut his margin to one stroke. Doyle tied Kite for the lead with a birdie on the sixth hole. However, Kite answered Doyle's challenge, making successive birdies on 6, 7 and 8. His birdie on the sixth hole was critical. "That was a huge birdie at six," Kite said about getting up and down from the front bunker. His birdie on No. 12 put him in front for good. He added insurance birdies at 14 and 15, which increased his lead to three strokes. Doyle added birdies on 16 and 17 to pull back within one, but couldn't convert on 18 as Kite claimed his third SENIOR TOUR title.

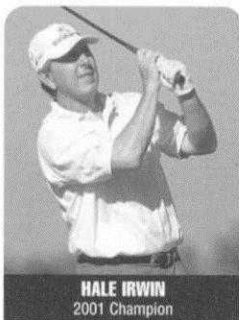

Tournament Notes: Tom Kite's victory was his seventh win in the state of California, with six of those coming on the PGA TOUR...Kite's 22-under-par 194 matched the all-time scoring record in relation to par, set in 1993 by Ray Floyd at the Gulfstream Aerospace Invitational and matched in May 2001 by Ed Dougherty at the TD Waterhouse Championship...The field scoring average for the week was 70.107, making it the easiest course on the SENIOR TOUR for the year.

TURTLE BAY CHAMPIONSHIP NOTES

Keys to Victory: Hale Irwin withstood a challenge from John Jacobs on the Turtle Bay Resort's Palmer Course for his 32nd career victory on the SENIOR TOUR. The turning point in the event came during a three-hole stretch midway through Sunday's final round. After a two-stroke swing in Jacobs' favor at the par-4 seventh hole, Irwin reclaimed the two strokes when he made birdie on the par-5 ninth hole and Jacobs made bogey after his tee shot found the water. Irwin clinched the victory at the par-4 17th when his 105-yard approach shot with a pitching wedge stopped three feet from the hole. The birdie gave Irwin a two-stroke cushion.

JOHN JACOBS

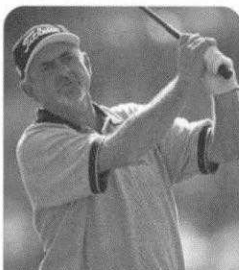

Tournament Notes: Hale Irwin's victory was his fifth official crown in the Aloha State and gave him at least three SENIOR TOUR wins in five consecutive seasons. Before last year's triumph at Turtle Bay, Irwin had claimed a pair of senior titles at Kaanapali, and the 1997 MasterCard Championship on the Big Island, as well as the 1981 Hawaiian Open, on the PGA TOUR. He also won the unofficial 1999 and 2001 Senior Skins Games...Bobby Wadkins run of 21 straight rounds of par or better ended with a 2-over 74 in the first round...The Palmer Course at Turtle Bay proved to be a considerably more difficult venue than Kaanapali Golf Club was in 2000. The field stroke average last year was 73.290 versus 70.266 in 2000 on the island of Maui.

THE TRANSAMERICA NOTES

Keys to Victory: Sammy Rachels' 30-foot eagle putt on the final hole vaulted him over Raymond Floyd and Doug Tewell and earned his second win on the SENIOR TOUR to go along with a victory earlier in the year at the BellSouth Senior Classic at Opryland. With Floyd and Tewell already finished at 13-under, Rachels set up his heroics by roping a 5-iron from 202 yards into the middle of Silverado's 18th green. At one point in the latter half of the round, six players were tied for the lead on the South Course at Silverado, with another half-dozen players within striking distance. Rachels ran in a 16-foot birdie putt at No. 14, while Floyd birdied the 17th. That put the two in a tie with 36-hole leader John Mahaffey. Tewell birdied the 16th a short time later to make it a four-way tie for the lead.

Floyd became the leader in the clubhouse when he recorded his eighth birdie of the final round, at No. 18 and Tewell joined Floyd later with a tap-in birdie on the last hole. Mahaffey fell out of the lead for good with a three-putt bogey on No. 17.

Tournament Notes: John Mahaffey's 10-under 62 on Saturday was a career low and a record for the South Course at Silverado. Mahaffey reeled off 11 birdies in the round with seven of them coming in a row, a 2001 best streak. His 7-under 28 on the front nine was also a numerical low nine-hole score last year...Wind was a big factor in the event. The field was a cumulative 146-over par on Friday, when gusts reached 25 mph, and 130-under par on Saturday with light breezes...Roger Maltbie tied for 61st in his SENIOR TOUR debut...Raymond Floyd has had four straight top-10 finishes in as many trips to Napa as a senior. Six of Floyd's 12 rounds at Silverado have been in the 60s and his scoring average is 69.00...Hale Irwin earned \$59,800 after tying for fourth and went over the \$2-million mark in single-season earnings on the SENIOR TOUR for an unprecedented fifth straight year.

SBC CHAMPIONSHIP NOTES

Keys to Victory: A bold play by Larry Nelson on the final hole on Sunday paid dividends. After laying up on the par-5 18th hole the previous two days, Nelson chose to go for the green in two – and it would be the difference in the tournament. Nelson's second shot from 220 yards landed in the middle of the green, 40 feet from the hole. He missed a possible eagle by inches, then tapped in for birdie to finish with a record-tying, 9-under-par 63 and a tournament-record 17-under-par 199 to nip Bob Gilder and Gary McCord. Trailing by one stroke, Gilder had a chance heading to the final hole. But his second shot landed in the deep rough, and he three-putted from 40 feet to finish in a tie for second with McCord.

SENIOR TOUR CHAMPIONSHIP AT GAILLARDIA NOTES

Keys to Victory: Bob Gilder proved to be an opportunist. Taking advantage of consecutive two-stroke swings on the back nine, Gilder built a four-stroke lead, then withstood blustery winds and a late charge by Doug Tewell for his second win of the year. The victory earned Gilder \$440,000, a record on the SENIOR PGA TOUR. His final-round 1-over-par 73 gave him a 72-hole score of 11-under 277. Tewell, who was Gilder's host at his home during the week, finished at 10-under par. Bruce Lietzke, who led after the second and third rounds, finished two strokes behind Gilder. Playing in winds that gusted to 25-30 mph, Gilder led by only one stroke after nine holes and fell back into a tie after a bogey at 10. However, he birdied 11 and 12 while Lietzke made consecutive bogeys that pushed the lead to four strokes. While Gilder was holding off Lietzke down the stretch, Tewell was making a late run. He birdied No. 18 to get to 10-under and within one stroke, but Gilder's two-putt par on 18 gave him his second victory.

SENIOR SLAM NOTES

Allen Doyle didn't miss a fairway in 36 holes and only had one bogey. "Allen's a very tough player," said Tom Watson. "He didn't miss many shots this week."

Only 12 birdies were made in the first round, while the foursome recorded 22 birdies, plus two eagles, in the second round. With five holes to play, only three shots separated Doyle in first place and Bruce Fleisher in fourth.

Watson got within one shot of Doyle on the second day with birdies on Nos. 5, 7, 8, 11, 13 and 14. Doyle countered with birdies of his own at Nos. 14 and 15. Watson birdied the par-5 16th when he hit a wedge shot that spun back and almost went in the hole, but he missed an 18-foot birdie attempt at No. 17, and a 30-footer at No. 18, also missing the comebacker to finish two shots back.

GLOSSARY OF STATISTICAL CATEGORIES

Total Driving

Total Driving is computed by totaling a player's rank in driving distance and driving accuracy.

Driving Distance*

The average number of yards per measured drive. Driving distance is measured on two holes per round. Care is taken to select holes which face in opposite directions to counteract the effects of wind. Drives are measured to the point they come to rest, regardless of whether they are in the fairway or not.

Driving Accuracy

The percentage of time a player is able to hit the fairway with his tee shot.

Greens in Regulation

The percentage of time a player was able to hit the green in regulation (greens hit in regulation/holes played). Note: A green is considered hit in regulation if any part of the ball is touching the putting surface and the number of strokes taken is two or less than par.

Putting Average

Measures putting performance on greens hit in regulation. For each green hit in regulation, the total number of putts is divided by the number of greens hit in regulation. By using greens hit in regulation, we are able to eliminate the affects of chipping close and one-putting in the computation.

Sand Saves Percentage

The percentage of time a player is able to get up and down once in a greenside sand bunker. Note: This up and down is computed regardless of score on the hole.

Eagles (holes per)

The average number of holes between each eagle.

Birdie Leaders

The average number of birdies made per round played.

All Around

This statistic is computed by totaling a player's rank in each of the following statistics: Scoring Leaders, Putting Leaders, Eagle Leaders, Birdie Leaders, Sand Saves, Greens in Regulation, Driving Distance and Driving Accuracy.

* As ShotLink is phased in on the SENIOR TOUR in 2002, it will provide capabilities to greatly enhance SENIOR TOUR statistical measurements.

Isao Aoki

Aoki holds 18-hole record

Isao Aoki needed the best 18 holes and final 36 holes in SENIOR TOUR history to win the 1997 Emerald Coast Classic.

Aoki, the first Japanese player to win on the PGA TOUR, shot 30-30—60 in the second round of the Emerald Coast Classic at The Moors Golf Club in Milton, FL. Aoki was 10-under par through 16 holes and parred the final two holes for his record score.

"I starting thinking about 59," Aoki said. "My putter was shaking. Very nervous. Wouldn't you be?"

Aoki fired a 65 on Sunday to record the SENIOR TOUR mark for lowest consecutive rounds (125). He birdied the final hole in regulation to tie Gil Morgan, and came back with another birdie on the first playoff hole to win the title.

The 18-hole record on the PGA TOUR and BUY.COM TOUR is 59.

Doug Tewell

Tewell fires record 62

In winning wire-to-wire at the 2001 The Countrywide Tradition in Scottsdale, AZ, Doug Tewell ended with a flourish to capture his fourth SENIOR PGA TOUR title and second major championship.

Tewell closed on April 15 with a course-record 10-under-par 62 on the Cochise Course at Desert Mountain to defeat Mike McCullough by nine strokes. The 62 was a major championship record for both the SENIOR TOUR and PGA TOUR, breaking the previous mark of 63.

Tewell's 23-under-par 265 broke by one stroke the tournament record Gil Morgan set in 1997, the event's only other wire-to-wire win. And his victory equaled, in one-and-one-half SENIOR TOUR seasons, the number of wins Tewell had in 25 years on the PGA TOUR.

"We talked about the zone, and the zone was there today for me," Tewell said. "I just stayed in it, stayed within myself, stayed away from the mistakes, and that's what you have to do, I think, to win a major."

Bobby Wadkins

**Bobby Wadkins
youngest winner**

Bobby Wadkins became the youngest player to win a SENIOR PGA TOUR event on Aug. 5, 2001, as he rallied late in the final round to win his first professional title at the Lightpath Long Island Classic. He also succeeded older brother Lanny as the last player to win in his SENIOR TOUR debut.

Bobby Wadkins had failed to win in 712 starts on the PGA TOUR and 65 on the BUY.COM TOUR. But he turned 50 on July 26, quickly made up ground in his first SENIOR TOUR start and became the youngest SENIOR TOUR winner at 50 years, 10 days.

After leading in the first round, Wadkins came back in the final round by following a double bogey on the second hole with a double eagle on the third. He holed a pitching wedge from 135 yards on the 478-yard, par 5, the third in the history of the Lightpath Long Island Classic and second of three on the SENIOR TOUR in 2001. He later made birdies on the 16th and 18th holes to beat Allen Doyle and Larry Nelson by one stroke.

"How could I not have won this week?" Wadkins asked. "Lanny and I grew up on Meadowbrook Country Club (in Richmond, VA), and my first tournament as a senior was at Meadow Brook. I made a double eagle, the second I've ever made. Everything turned out like it was supposed to."

Mike McCullough

**McCullough, Quigley
SENIOR TOUR ironmen**

When Mike McCullough passed on playing at the 2001 SAS Championship, it signaled the end of the longest consecutive playing streak in SENIOR PGA TOUR history. McCullough had played in a remarkable 177 consecutive events for which he was eligible when he skipped the North Carolina event. McCullough's started his streak at the 1996 EMC Kaanapali Classic. In 1999, he broke the SENIOR TOUR record for consecutive eligible events that had been held by Bruce Summerhays at 96.

With McCullough's "ironman" streak ending, the focus shifts to Dana Quigley, who will begin the 2002 season having played in 166 consecutive events for which he has been eligible and a record 152 straight tournaments overall. Should he play every event this season, Quigley will surpass McCullough's mark at the Bruno's Memorial Classic in April.

For Quigley, playing every week is something he's grown accustomed to. "I just love to play golf, that's all I can tell you," said Quigley when asked about his streak that began at the 1997 FleetBoston Classic. "It's not a question of needing to play to keep the string alive, it's just my nature. I get great enjoyment from going out and seeing which way the ball is going to go that day."

Dana Quigley

ANHEUSER-BUSCH

One of golf's most enduring corporate supporters, Anheuser-Busch – through its Michelob brand family and O'Doul's brands – also is one of the PGA TOUR's leading sponsors.

MICHELOB LIGHT

Now in its ninth year of direct association with the PGA TOUR, the Michelob brand family has been a leading example of how a consumer brand can benefit from a strong and integrated relationship with the PGA TOUR. The Michelob brand family's involvement with golf dates back more than 30 years and escalated following the 1994 signing of a long-term sponsorship agreement with the TOUR. Michelob Light currently serves as "Official Beer of the PGA TOUR and SENIOR PGA TOUR."

Golf and the Michelob brand family are a perfect match. Golf sets strict standards for the caliber of its players and its level of sportsmanship. So, too, does premium Michelob and Michelob Light set the strict standard for excellence in the brewing industry. With the brands' non-alcohol partner O'Doul's, Michelob and Michelob Light have the perfect opportunity to reach an important and similar demographic, applying grassroots retail promotions, golf-themed packaging and advertising, PGA TOUR tournament sponsorships and national programs.

The Michelob brand family also is a founding sponsor of PGATOUR.COM, the PGA TOUR's official Internet site. This interactive source for TOUR information features news coverage, live coverage, player bios and TOUR merchandise, as well as links to Michelob Light promotional games and trivia contests.

As title sponsor of the **Michelob Championship at Kingsmill** and support sponsor of several events on the PGA TOUR and SENIOR PGA TOUR, the Michelob brand family continues to emphasize its commitment to golf. Its association with the game is a pivotal element in the Michelob brand family's fully integrated golf marketing strategy and establishes Michelob and Michelob Light as the beers for golf.

As the "Official Copier, Facsimile, Camera and Binocular" of the PGA TOUR and SENIOR PGA TOUR, Canon equipment helps make golf events successful.

Every day Canon copiers and facsimiles scan scores, statistics and photographs and distribute them via fax or e-mail to media around the world. Canon's film and digital cameras capture the action for magazines and newspapers. TV cameras use Canon's broadcast lenses with image stabilization technology to send images into homes. Canon binoculars, with image stabilization technology, assist PGA TOUR Rules Officials and help spectators view the action from a distance.

Fans can experience first hand the benefits of Canon's technology through product demonstrations, binocular loan programs, hospitality events and other on-site promotional activities Canon will implement at some 2002 PGA TOUR events.

Canon, an 18-year title sponsor of the **Canon Greater Hartford Open**, uses Davis Love III to represent Canon on the PGA TOUR.

In 1999, Canon and Davis Love III created a fund-raising program called "Birdies for Kids." For every birdie Love records during a PGA TOUR event, Canon donates \$100 to charity; for every eagle, the company donates \$250. During its first three years, "Birdies for Kids" has raised more than \$100,000 that was donated to The First Tee program, an ambitious World Golf Foundation initiative whose mission is to impact the lives of young people around the world by creating affordable and accessible golf facilities to serve those who have not had previous exposure to the game.

Love is an alumnus of the American Junior Golf Association (AJGA), which Canon supports in an effort to encourage children to participate in the sport. The AJGA Canon Cup, one of the most popular events in junior golf competition, has featured some of the PGA TOUR's most successful golfers, including Tiger Woods, Stewart Cink, Charles Howell III and David Gossett.

Canon U.S.A., Inc. is an industry leader in professional and consumer imaging solutions and, through its parent company, Canon Inc., is a top patent-holder of imaging technologies. The company's comprehensive product line includes networked multifunction devices; digital and analog copiers (color and black and white); printers, scanners, image-filing systems and facsimile machines; camcorders, cameras and lenses; and semiconductor, broadcast and medical equipment.

GEORGIA-PACIFIC SUPER SENIORS

Georgia-Pacific, one of the world's leading forest products companies, enters its fourth year as title sponsor of the Super Seniors program, which will take place at 17 tournaments on the SENIOR PGA TOUR in 2002.

The Georgia-Pacific Super Seniors competition is for players age 60 and older who are entered in the full-field SENIOR TOUR event. Winners are determined based on scores posted during the first two rounds of the competition (Friday and Saturday), with the exception of the final event, the Georgia-Pacific Super Seniors Championship, which is 54 holes. The Super Seniors compete for weekly purses of \$225,000, with the winning golfer collecting \$39,000. Each Georgia-Pacific Super Seniors event is preceded by a pro-am on Thursday at a nearby golf course.

The Super Seniors competition was launched in 1987, when Howie Johnson topped an eight-man field at the Vintage Chrysler Invitational with a 54-hole score of 216. Since then, Georgia-Pacific Super Seniors competitions have featured legendary professionals such as Tommy Aaron, Miller Barber, Billy Casper, Gene Littler, Gary Player, Doug Sanders, Charlie Sifford and Lee Trevino. Don January is the all-time winner among Georgia-Pacific Super Seniors with 35 victories.

Jim Colbert made a very successful Georgia-Pacific Super Seniors debut in 2001, winning a season-high five tournaments. He finished fourth on the money list with \$268,542.

Having celebrated his 60th birthday on Nov. 2, 2001, Dave Stockton will be eligible for all 2002 Georgia-Pacific Super Seniors events. Also turning 60 in 2002 are Isao Aoki (August 31), Raymond Floyd (September 4) and Tom Wargo (September 16).

While Super Senior earnings are unofficial, players also are eligible to collect official prize money for their finish in the regular tournament. A player can win both the Super Seniors and regular tournament title in the same weekend. This has happened five times since 1995: Jimmy Powell, 1995 First of America Classic and 1996 Brickyard Crossing Championship; Bob Charles, 1996 Hyatt Regency Maui Kaanapali Classic; Dale Douglass, 1996 Bell Atlantic Classic; and Gary Player, 1998 Northville Long Island Classic.

The 2002 Georgia-Pacific Super Seniors season concludes with the Georgia-Pacific Super Seniors Championship, which will be held in conjunction with the SENIOR TOUR Championship at Gaillardia on October 24-26. The purse at this season-ending championship is \$700,000, with \$150,000 going to the winner. Eligibility for the season-ending, three-round event is limited to the top 16 money-winners on the Georgia-Pacific Super Seniors money list heading into Gaillardia. George Archer won the 2001 Championship and its first-place check for \$142,000.

Mike Hill won the Georgia-Pacific Super Seniors money title in 2001, collecting \$325,138, the second highest total in Super Seniors history. Bob Charles was second with \$315,533 and Archer third with \$309,317.

Winners of 2001 Georgia-Pacific Super Seniors tournaments were Jim Colbert (five wins) Mike Hill (four), Bob Charles (three) and Jim Albus, George Archer, Jim Dent, Dale Douglass, and J.C. Snead (one each).

CHARITY

Charity is one of the driving forces on the SENIOR PGA TOUR and has been since the inception of the SENIOR TOUR in 1980. With the SENIOR TOUR and its tournaments having raised approximately \$95 million for charity over the last 22 years, the SENIOR TOUR is poised to surpass the \$100-million mark in 2002.

"Of all the things the SENIOR PGA TOUR, its events and our many volunteers accomplish, our collective charitable endeavors are what we are most proud of," PGA TOUR Commissioner Tim Finchem said. "The money raised and distributed to both local and national organizations impacts many lives and provides lasting results."

"Each of our member tournaments feels a deep responsibility to their individual communities and local charities," Mark Kizziar, Chairman of the SENIOR PGA TOUR Tournament Association, said. "We are all extremely proud of the charity dollars that have been generated through our SENIOR PGA TOUR events. The public sees only a week-long event at each tournament site, but the drive for charity dollars is a 12-month effort."

In addition to the efforts of the SENIOR TOUR and its individuals tournaments, the majority of SENIOR TOUR players commit time and resources to their own charitable projects. No example is more emblematic of this spirit than Allen Doyle's decision to contribute his entire \$1-million annuity prize for winning the 2001 Charles Schwab Cup to seven charities.

Contributions from all tournaments on the PGA TOUR, SENIOR PGA TOUR and BUY.COM TOUR combined reached \$650 million through 2001.

Charity continues to be the leading money-winner on all three TOURs of the PGA TOUR.

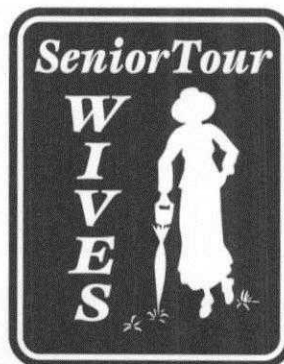

SENIOR TOUR WIVES ASSOCIATION

SENIOR TOUR Wives, Inc. is a Florida not-for-profit corporation dedicated to helping others through organizations that promote assistance to and benefit women, their families and their many different needs. It is comprised of the wives of professional golfers on the SENIOR PGA TOUR and others who support its charitable endeavors.

Since its incorporation in 1994, SENIOR TOUR Wives, Inc. has raised more than \$1 million for its various charities. Its fundraising activities have included a needlepoint rug raffle that raised \$160,000 for the Susan G. Komen Foundation, gourmet cooking events, auctions and pro ams. Fundraising events are held all over the country and benefit charities from coast to coast.

In 2002, SENIOR TOUR Wives, Inc. will be selling its cookbook, *These Guys Are Good*. The cookbook, which features an original Peter Max artwork as its cover, contains recipes, stories and pictures from SENIOR PGA TOUR players and families.

SENIOR TOUR Wives, Inc. is committed to making a difference in the lives of those who need assistance. It looks forward to each coming year to work with local tournaments and communities to fulfill its mission.

PGA TOUR RELIEF EFFORT

The PGA TOUR Donates Approximately \$3 Million to Relief Effort

The PGA TOUR, TOUR players and tournaments made donations of approximately \$3 million to support the relief efforts for victims of the September 11, 2001 terrorist tragedy.

Four tournaments that week, the World Golf Championships-American Express Championship in St. Louis and Tampa Bay Classic presented by Buick on the PGA TOUR; the Vantage Championship in Winston-Salem, NC on the SENIOR PGA TOUR and the Oregon Classic in Eugene on the BUY.COM TOUR, were canceled to give proper respect to the victims.

Play resumed the following week at the Marconi Pennsylvania Classic in Ligonier, PA on the PGA TOUR, the Boise (ID) Open on the BUY.COM TOUR and the inaugural SAS Championship in Cary, NC on the SENIOR PGA TOUR. First-round action was stopped for a moment of silence and short ceremonies held to memorialize the terrorist victims. American flags adorned the pins at all three tournaments.

On Tuesday, Sept. 25 at the Texas Open at La Cantera, a larger patriotic celebration, "A Tribute to America," was held. The ceremony featured speeches by golf dignitaries and members of the Ryder Cup teams, a message from President George W. Bush and music by Larry Gatlin, Lee Greenwood, the Air Force Band of the West and the Trinity Baptist Church Choir. An estimated 6,000 were in attendance.

The PGA TOUR, PGA of America and National Golf Course Owners Association made commitments that were expected to exceed \$6 million.

Via satellite, President Bush praised the organizations for the fundraising effort and organizing the tribute. "Even in the worst of times, we are seeing the best of America," Bush said in his taped message. "We have seen it in the countless Americans who gave blood and donated money. We have seen it in the tales of heroic police officers and firemen who went into the World Trade Centers to save lives. We've seen it in the simple yet profound gestures of love and patriotism from every part of the American Family.

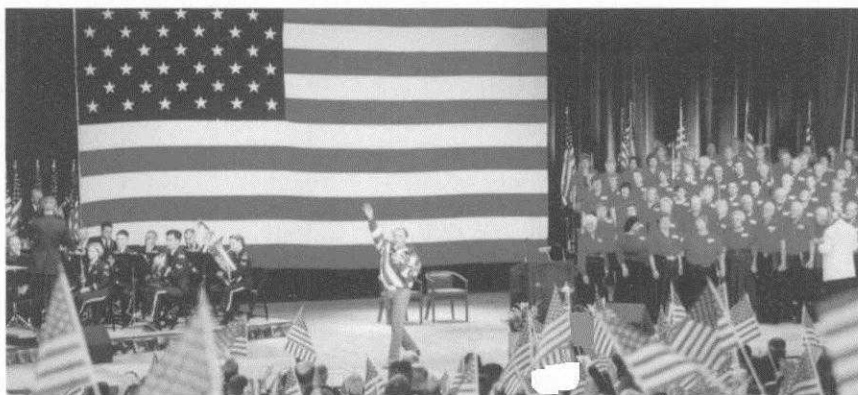

"Today, the PGA TOUR and the PGA of America are stepping up to do your part," he continued.

In addition to an initial \$2-million pledge made by the PGA TOUR shortly after the tragedy, Commissioner Tim Finchem announced more than \$400,000 has been committed by TOUR players and that PGA TOUR and SENIOR PGA TOUR events had pledged in excess of \$325,000.

PGA of America President Jack Connelly announced contributions exceeding \$1 million. An additional \$520,000 was pledged to the relief effort on behalf of the United States Ryder Cup Team. Captain Curtis Strange and U.S. Ryder Cup team members Hal Sutton and David Toms and Jesper Parnevik of the European team spoke at the rally.

A separate fundraising effort that was developed by the NGCOA, On Course America, was expected to raise between \$2 million and \$3 million. As a part of that, the network of 21 Tournament Players Clubs, which are owned or operated by the PGA TOUR, donated 10 percent of their greens fees from Oct. 19-21.

In late October, SENIOR PGA TOUR member Allen Doyle donated the entire \$1 million first-place winnings from the inaugural Charles Schwab Cup to charity, which included a 10-year scholarship awarded for children of a policeman or firefighter who died in the World Trade Center collapse.

TOURNAMENT PLAYERS CLUBS

Tournament Players Club

The PGA TOUR's Tournament Players Club Network has maintained a reputation for operating high-quality clubs since its inception 22 years ago. The TPC Network continues to grow, with 30 facilities currently open or under construction, including several overseas.

TPCs encompass all forms of golf-related operations – resort facilities, corporate/private membership clubs and daily fee courses – and, as such, PGA TOUR Golf Course Properties, Inc. is able to match the type of facility with the demands of each market in which a club operates.

The Network represents the highest standard in the golf course industry, commensurate with the members of the organization it represents, the players of the PGA TOUR. Each Tournament Players Club embodies the trademark of excellence first established with the flagship TPC at Sawgrass, which opened its world-famous Stadium Course in the fall of 1980 in Ponte Vedra Beach, FL.

This commitment to overall excellence serves as the foundation for the Network's overall success.

The TPC Network was born through former PGA TOUR Commissioner Deane Beman's desire to provide TOUR players with quality golf courses that also would offer spectators enhanced viewing areas.

Beman also reasoned that development of quality facilities would alleviate the TOUR's dependency on the television dollar, while providing rent-free venues for tournaments. The savings in rent, in turn, would generate both increased purses and greater charitable contributions by the tournaments held at TPCs.

The TPC at Sawgrass was the first Tournament Players Club to hold a PGA TOUR event, becoming the permanent home of THE PLAYERS Championship in 1982. Today, a growing number of PGA TOUR, SENIOR PGA TOUR and BUY.COM TOUR events are held at TPC facilities each year. In 2001, 17 tournaments were conducted on TPC courses.

Many of the top golf course architects are connected with Tournament Players Club projects, including Pete Dye, Tom Fazio, Arnold Palmer, Jack Nicklaus, Gary Player, Arthur Hills, Jay Morrish, Tom Weiskopf, Greg Norman, Bob Von Hagge and D.A. Weibring. Palmer's most recent design involvements have been with the TPC of the Twin Cities (opened in 2000), the TPC at River's Bend in Cincinnati (opened last year) and the TPC of Boston (scheduled to open this year).

Moreover, in recognizing the importance of player input for tournament courses, TOUR members have served as design consultants, working closely with the lead architect.

The Tournament Players Clubs' overall commitment to junior golf became even more evident in 2001 when David Gossett – a product of the junior golf program at the TPC at Southwind – won the John Deere Classic, which is played at the TPC at Deere Run.

SHOTLINK

The PGA TOUR has collaborated with IBM, the TOUR's Official Worldwide Information Technology Partner, on the PGA TOUR ShotLink System. The ShotLink System is an

exciting platform for collecting and disseminating scoring and statistical data on every shot, by every player, real-time, during every tournament round.

Following a phase-in process during the 2001 season, ShotLink will be used as the primary scoring system on the PGA TOUR and SENIOR PGA TOUR in 2002.

The accumulation, packaging and presentation of expanded shot and course information will provide a clearer picture of various statistical categories through enhanced television broadcasts, more engaging on-site experiences, increased data for the media and significantly broadened Internet and New Media opportunities.

Shot data will be collected by volunteers utilizing a combination of Palm handheld devices and laser range finders.

IDS, EA Sports, GeoGolf and Geodetic Services also are technology partners in the development of the ShotLink System.

The development of ShotLink started more than three years ago, when the TOUR decided to update its current scoring system, which is based on 1987 technology. IBM has provided overall project management and consulting services, is providing the server and networking technologies and is developing the tournament on-site Intranet.

The ShotLink Intranet is designed to be an engaging, user-friendly interface with the ShotLink data, displaying a wealth of information such as multiple leaderboard presentations; hole and player shot charts, graphs and tendencies; detailed information on the golf course; breaking news; a comprehensive statistical center, including historical data; and weather information.

All information will be instantaneous and available in the media center, to television broadcasters, in corporate hospitality areas and for other locations around the tournament venue. A variety of information also will be presented on the electronic scoreboards.

Moreover, some of the Intranet presentation will be reapplied to the Internet via PGATOUR.COM and be available on TOUR Links, the player laptop information system that IBM also developed.

HUALALAI: FIRST PGA TOUR RESORT

A PGA TOUR RESORT

A designated PGA TOUR Resort provides the highest quality in a total resort facility: five-star accommodations and a championship golf course capable of holding a TOUR event and other outstanding amenities, such as tennis facilities, health spa and beach.

A PGA TOUR Resort will receive special promotion by the TOUR and be utilized as a destination for certain TOUR business functions.

Hualalai is as unique as it is exclusive, an oceanside resort that provides the total vacation experience. Featuring a five-star Four Seasons hotel, its amenities include an outstanding Jack Nicklaus-designed golf course carved from the dramatic lava landscape, a tennis facility with eight championship courts, a health and wellness center and white-sand beach. Complementing the quality of facilities is the quality of service, preserving the warm ambiance of "Old Hawaii."

The exclusivity of Hualalai is consistent with the very nature of the MasterCard Championship. This SENIOR PGA TOUR tournament, held for the first time at Hualalai in January 1997, is an elite gathering of SENIOR TOUR champions from recent seasons.

Hualalai features a beautiful Jack Nicklaus-designed golf course.

PGA TOUR PRODUCTIONS

PGA TOUR Productions is the television, film and video production company of the PGA TOUR.

Most people know PGA TOUR Productions through its award-winning "Inside the PGA TOUR," which continues into its 18th season and moves to The Golf Channel in 2002. "Inside the SENIOR PGA TOUR" is in its 12th season and second as a live studio show leading into the final round on CNBC. In conjunction with CNBC, PGA TOUR Productions will produce 33 tournament telecasts this year.

PGA TOUR Productions has developed an expertise in delivering network and cable specials, highlighting players' accomplishments and stories, to broadcast partners that include ABC, CBS, CNBC, NBC, USA Network, ESPN and The Golf Channel. In addition to SENIOR PGA TOUR events on CNBC, live streaming events have been produced for PGATOUR.COM, including "Live @ 17" at THE PLAYERS Championship and "Live @ 15" at the Canon Greater Hartford Open.

PGA TOUR Productions' state-of-the-art studio, which offers multiple set designs, provides live programming during early round coverage on USA Network. It also is the anchor position for "Tee it Up with the PGA TOUR." "Get Golf," for which John O'Hurley serves as host, is produced on site.

PGA TOUR Productions serves a worldwide clientele by producing, in conjunction with the networks, international telecasts of PGA TOUR events. In 1999, the PGA TOUR Enhanced Feed was launched, serving South and Central America, South Africa, Europe and Asia. Telecasts and other programming is distributed to more than 140 countries, translated into 17 languages and available to more than 250 million homes around the world.

PGA TOUR Productions is housed in a 32,000-square-foot digital facility at World Golf Village, located in St. Augustine, FL. Along with the latest in television and communications technology, Productions contains the world's most extensive golf footage library. World Golf Village is located adjacent to Interstate 95, just north of St. Augustine.

PGA TOUR LINKS

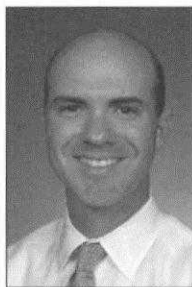

The PGA TOUR LINKS program is the technology solution that links together PGA TOUR and SENIOR PGA TOUR players, TOUR Staff and tournament organizations. Along with IBM, the TOUR's technology partner, the PGA TOUR and its players worked hand-in-hand to design a solution that fits their communications and management needs.

As part of the TOUR LINKS program, each player receives an IBM ThinkPad computer and Internet access allowing him to log onto the PGA TOUR LINKS Web site from anywhere in the world. Within the site itself, players are able to access information, including vital PGA TOUR announcements, tournament information, tee times, personal statistics and PGA TOUR policies. Players also are able to send and receive e-mail, commit to tournaments, submit survey responses and vote in player elections.

With wireless access, players also are able to access their tee times, pro-am times, commitment information, tournament phone numbers, tournament results and live scoring with ease. Players can also surf thousands of web-clipping applications, as well as keep electronic address books and calendars.

To date, more than 400 players are involved in the PGA TOUR LINKS program. As the program enters its fourth year, it continues to evolve to meet changing technological advances and player needs.

WORLD GOLF VILLAGE

Jack Peter
Vice President &
Chief Operating Officer
World Golf Hall of Fame

World Golf Village has been called the most ambitious project in the history of the sport. Today, this sprawling 6,300-acre resort and residential golf community, located in northeast Florida between Jacksonville and St. Augustine, has become the most comprehensive destination in the world showcasing golf's rich history and increasing popularity in an engaging interactive setting.

What sets World Golf Village apart is its remarkable range of first-ever features, including the World Golf Hall of Fame, the new PGA TOUR Golf Academy, the PGA TOUR STOP retail center, PGA TOUR Productions, Murray Bros. Caddyshack restaurant and the King & Bear, the first golf course design collaboration between legends Jack Nicklaus and Arnold Palmer. Here, the game's past meets its future in a charming community that centers around, and fans out from, picturesque Kelly Lake, with attractions appealing not only to golfers but also to anyone with an appreciation for the game's time-honored traditions.

The Village's centerpiece is the 75,000-square-foot World Golf Hall of Fame, which pays tribute to the game's greatest individuals and players as well as providing the experience of golf's exciting past and present. Adjacent to the World Golf Hall of Fame is the 300-seat World Golf Village IMAX Theater, North Florida's only IMAX facility and the only IMAX Theater directly associated with a sports hall of fame. Outside the Hall of Fame, the Walk of Champions is a half-mile brick path encircling Kelly Lake, linking the components within the heart of World Golf Village.

World Golf Village features two championship golf courses, encompassing nearly 400 acres, with first-rate clubhouse facilities and services operated by Honours Golf. Designed to challenge players of all skill levels, both are well-manicured, par-72 courses offering five sets of tees. The courses have each played host to the annual Liberty Mutual Legends of Golf, a SENIOR PGA TOUR event.

The King & Bear, named, respectively, for Palmer and Nicklaus, opened in 2000 with a ceremonial exhibition between its namesakes. This 7,279-yard course is the first-and-only course design collaboration between these two golf greats, whose careers have been enhanced by their friendship and competition and whose goal was to create an eminently playable and picturesque course with memorable par 5's amid lakes, loblolly pines and 200-year-old live oaks. Located in the heart of World Golf Village, the Slammer & Squire opened in 1998 and is named, respectively, for Hall of Famers Sam Snead and Gene Sarazen. Snead and Sarazen served as course consultants to course architect Bobby Weed. This 6,939-yard resort course, distinguished by memorable par-3s, preserves the woodlands, wetlands and natural beauty of the area.

The PGA TOUR Golf Academy at World Golf Village represents the quality instruction and golf experience that is commensurate with the TOUR's reputation for excellence. As the only teaching facility to bear the TOUR name, the Academy offers PGA TOUR members, World Golf Village guests and students alike access to its state-of-the-art facility and equipment. Moreover, the game's leading instructors, many of whom work with TOUR members, are able to utilize the facility.

WORLD GOLF VILLAGE (CONT.)

Additional amenities include a variety of luxurious accommodations, fine dining and excellent shopping choices. The World Golf Village Renaissance Resort and adjacent St. Johns County Convention Center, designed and operated by John Q. Hammonds, feature 300 rooms and premier resort amenities. Sheraton's Vistana Resort offers upscale vacation villas with a wide selection of vacation options, from a brief stay to interval ownership. The Comfort Suites hotel offers 162 well-equipped suites and many recreational amenities.

Also on the Walk of Champions, the Shops at World Golf Village are anchored by the flagship PGA TOUR Stop, a 30,000-square-foot specialty retail showplace featuring more than 40 concept shops on two levels. Other retailers include Kennedy's Art Studio, featuring golf-themed artwork and prints and Among the Flowers, which offers a wide selection of handbags, luggage and accessories.

Even dining gets a dose of the game's spirit. New in June 2001, actor-comedian Bill Murray, together with his five brothers, opened the first Murray Bros. Caddyshack. The fun, family-style restaurant, named for Murray's 1980 comedy film, seats 300 and serves a casual, golf-themed menu including sand-wedges (sandwiches) and slices (side dishes).

World Golf Village offers a diverse range of housing options catering to young families and retirees. The community offers the convenience of shopping, healthcare, entertainment, championship golf, great schools, parks and a newly opened Swim & Tennis Center. Though still in its early stages – with a decade of planned development ahead – World Golf Village already has gone a long way to establish itself as a singular vacation destination and premier residence for golfers and fans of the game.

Shell Oil Company is the sole Founding Partner of World Golf Village.

The phone number to call for World Golf Village information is 1-800-WGV-GOLF, the web site address is www.wgv.com.

A view of the World Golf Hall of Fame at World Golf Village

WORLD GOLF HALL OF FAME

The World Golf Hall of Fame is the stately, 75,000-square-foot centerpiece of World Golf Village. It is a tribute to the history of golf and those who have contributed to the game, combining a multitude of historic artifacts with interactive exhibits and technology. The Hall of Fame marks the first time that the major international golf organizations and professional tours have united in support of a single project. Adjacent to the World Golf Hall of Fame is the 300-seat World Golf Village IMAX Theater, the only IMAX Theater directly associated with a sports hall of fame.

The Hall of Fame is laid out like a golf course into 18 separate areas. Along the way, visitors will find such unique artifacts as Jack Nicklaus' favorite fly-fishing rod, a Barbie doll from Nancy Lopez's childhood and an exhibit celebrating Alan Shepard's 1,500-yard drive on the moon. Guests will enjoy the brand new state-of-the-art swing analyzer that features more than 40 different famous courses from around the world.

The 71 players and contributors inducted into the former Hall of Fame in Pinehurst and/or the LPGA Hall of Fame were reinducted into the new facility. Annual induction ceremonies for newly elected Hall of Fame members are held each year, bringing together dignitaries from throughout the golf world.

The first elections for the PGA TOUR and International Ballots were conducted in 1996 and 1997. Johnny Miller was the only player elected in 1996, receiving the necessary 75 percent of votes on the PGA TOUR ballot. Seve Ballesteros of Spain and Nick Faldo of England became the first players elected through the International Ballot of 1997, their first year of eligibility.

Faldo was inducted in 1998. Ballesteros was inducted in 1999 with the late Lloyd Mangrum, who was admitted in 1998 via the PGA TOUR Ballot, and LPGA star Amy Alcott.

The 2000 ceremony welcomed eight new members: the first Veterans Category inductee, Jack Burke, Jr.; and the first Lifetime Achievement inductees: Deane Beman, Sir Michael Bonallack, Neil Coles and John Jacobs. Other inductees were LPGA players Beth Daniel, elected in 1999, and 2000 electee Juli Inkster. Judy Rankin was elected through the LPGA Veterans Category.

The ceremony in 2001 continued the tradition with six new inductees: Greg Norman and Payne Stewart elected through the PGA TOUR ballot; Donna Caponi elected through the LPGA Veterans Category; Judy Bell and Karsten Solheim selected for Lifetime Achievement; and Allan Robertson selected in the Veterans Category. Bernhard Langer was elected through the International Ballot and will be inducted during the ceremony in 2002.

Shell Hall is the area that honors the male and female Hall of Fame members from around the world. Guests can reference information on the life and career of every member, including statistics, photographs and video clips in a database developed by technology partner IBM.

The World Golf Hall of Fame experience is never the same, with its Special Exhibit Gallery featuring golf art, photography and traveling exhibits year-round, and its educational programs such as the *Science of Golf*, which illustrates the scientific principles that govern the game of golf with dynamic and interactive demonstrations.

Opened in 1998, the World Golf Hall of Fame was developed to be a dynamic educational tool imparting the values taught by golf – honesty, integrity, sportsmanship – through instruction, inspiration and just plain fun. The World Golf Foundation oversees the World Golf Hall of Fame and other nonprofit components of World Golf Village near St. Augustine, FL.

As sole founding partner of World Golf Village, Shell Oil Company provides financial support to the World Golf Foundation and supports its charitable initiatives aimed at introducing golf to young people, thereby promoting scholastic achievement, community service and those values intrinsic to the game of golf.

PGA TOUR PIONEERS/ MEMBERS IN WORLD GOLF HALL OF FAME

Willie Anderson (1975)

The son of a Scottish greenkeeper, Anderson emigrated to the U.S. at age 15 and became the first dominant player in America. He won the U.S. Open four times before age 27, including three consecutively from 1903 to 1905. Anderson finished in the top five 11 of the 14 times that he competed in the national championship.

Tommy Armour (1976)

A native of Edinburgh, the "Silver Scot" won the 1927 U.S. Western Open, the 1930 PGA Championship and the 1931 British Open. One of golf's most respected instructors, Armour excelled despite injuries suffered in World War I that left him with one eye and with metal plates in his head and arm.

Jim Barnes (1989)

An assistant pro in England at age 15, Barnes came to America at 19, and between 1916 and 1925 won all the major tournaments of his day: the Western Open in 1914, 1917 and 1919; the first two PGA Championships in 1916 and 1919; the 1921 U.S. Open; and the 1925 British Open.

Deane Beman (2000)

Commissioner of the PGA TOUR from 1974-1994, he created the SENIOR PGA TOUR, the Ben Hogan Tour (now the BUY.COM TOUR) and developed the "stadium golf" concept. As a player, Beman won the 1959 British Amateur, the 1960 and 1963 U.S. Amateurs, competed on four U.S. Walker Cup Teams and captured four PGA TOUR titles.

Julius Boros (1982)

An accountant by trade, Boros turned professional at age 30. Just two years later, in 1952, he won the U.S. Open and was named PGA Player of the Year. He claimed a second U.S. Open in 1963 at The Country Club in Brookline, MA, and in 1968 captured the PGA Championship at age 48.

Jack Burke, Jr. (2000)

A member of five U.S. Ryder Cup teams, serving as captain twice, Burke captured 15 PGA TOUR titles, including the 1956 Masters Tournament and 1956 PGA Championship. He won four consecutive tournaments in 1952. Burke is co-founder and president of the Champions Club in Houston, TX.

Billy Casper (1978)

A brilliant putter, Casper won the Vardon Trophy for lowest scoring average five times and was a member of eight Ryder Cup teams. Of his 60 career victories, three were major championships, including the 1966 U.S. Open, when he came from seven strokes back with nine holes to play to tie Arnold Palmer, then won their playoff.

Harry Cooper (1992)

Known as "Lighthorse Harry" for the speed at which he played, Cooper won more than 30 professional tournaments between 1926 and 1942. He was never able to capture a major championship, finishing second on three occasions. In 1937, he won nine tournaments and was the first winner of the Vardon Trophy for lowest scoring average.

Fred Corcoran (1975)

As tournament manager of the PGA of America from 1936 to 1947, Corcoran more than doubled the number of tour events. Working with Babe Zaharias and Patty Berg, and with financial support from Wilson, he was instrumental in forming the LPGA Tour in 1949. Also a promoter and agent, he founded the Golf Writers Association of America in 1946.

Jimmy Demaret (1983)

With a personality as colorful as his wardrobe, Demaret was one of golf's most popular figures for four decades. The Texas native once quit professional golf to become a nightclub singer, but returned in 1938 and won the 1940 Masters. After serving in the Navy during World War II, he won the Masters

in 1947 and 1950.

Roberto De Vincenzo (1989)

De Vincenzo, a native of Argentina, turned professional in 1938 at age 15. He joined the PGA TOUR in 1947 and collected nine victories. A truly international champion, he won more than 200 tournaments worldwide, most notably the 1967 British Open. In 1980 at Winged Foot, De Vincenzo won the inaugural U.S. Senior Open.

Joseph C. Dey (1975)

Golf's most respected administrator, Dey was named Executive Secretary of the USGA in 1934, a position he held for 34 years. As the first commissioner of what became the PGA TOUR, he guided the tournament players in their split from the PGA of America. In 1975 he became the second American to captain the Royal and Ancient.

Nick Faldo (1997)

In 20 years, Faldo has won more than 40 tournaments worldwide, including three British Opens and three Masters Tournaments, and competed on 11 European Ryder Cup Teams. In 1990, Faldo was the first international player to be named PGA of America Player of the Year.

Raymond Floyd (1989)

With the 1969 and 1982 PGA Championships and the 1976 Masters Tournament to his credit, Floyd was already a player of renown when he won his fourth major championship title. In 1986, at age 43, he captured the U.S. Open at Shinnecock Hills. His steely competitiveness carried over to a successful career on the SENIOR PGA TOUR.

Ralph Guldahl (1981)

In 1938, Guldahl quit tournament golf in frustration to sell cars in Dallas. He returned one year later and, with victories at Oakland Hills in 1937 and Cherry Hills in 1938, became one of the few players to capture consecutive U.S. Open titles. He also won three consecutive Western Opens and the 1939 Masters Tournament.

Walter Hagen (1974)

Flamboyant and charismatic, Hagen was the first professional to make a living playing golf, rather than teaching it. Wild off the tee, but superb at recovery, his fame mirrored his lifestyle. Captain of the first six American Ryder Cup teams, he won two U.S. Opens, four British Opens and five PGA Championships, including four consecutively.

Bob Harlow (1988)

Harlow, a newspaperman from Massachusetts, was best known as the founder of *Golf World* Magazine. As manager for Walter Hagen from 1921 to 1929, and later for Joe Kirkwood, he arranged exhibitions both nationally and abroad. From 1930 to 1935, he served as tournament manager for the PGA of America.

Ben Hogan (1974)

Hogan was legendary for his intensity and dedication to perfection. Having already claimed two PGA Championships and the U.S. Open by 1948, he suffered a life-threatening auto accident in 1949. Miraculously, he returned to win the U.S. Open in 1950, 1951 and 1953; the Masters Tournament in 1951 and 1953; and the 1953 British Open.

Hale Irwin (1992)

An All-America in golf and All-Conference in football at the University of Colorado, Irwin won the 1967 NCAA Golf Championship. Between 1974 and 1990, he captured three U.S. Open titles, the last at age 45 in a 19-hole playoff. After 1995, he devoted himself to golf course design and the SENIOR PGA TOUR.

PGA TOUR PIONEERS/ MEMBERS IN WORLD GOLF HALL OF FAME

Lawson Little (1980)

Stocky and powerful, but renowned for his short game, Little's greatest achievements came as an amateur. In 1934 and 1935, he captured the "Little Slam," winning both the U.S. and British Amateur Championships. After turning professional in 1936, he won seven events, most notably the 1940 U.S. Open in a playoff with Gene Sarazen.

Gene Littler (1990)

Littler's first PGA TOUR win came in 1954 as an amateur. His last was in 1977 at age 47. He won the U.S. Amateur in 1953 and the U.S. Open in 1961, but lost both the Masters Tournament and the PGA Championship in playoffs. Littler amassed a total of 29 career PGA TOUR victories.

Lloyd Mangrum (1998)

Known as a tough competitor with an aggressive style of play, Mangrum competed in an era that also included Hall of Famers Ben Hogan, Byron Nelson, Jimmy Demaret and Sam Snead. He counted the 1946 U.S. Open among his 36 career victories.

Cary Middlecoff (1986)

After becoming the first amateur to win the North and South Open, Dr. Middlecoff abandoned a career in dentistry and turned professional in 1947. A brilliant analyst of the game and the golf swing, he won the U.S. Open in 1949 and 1956 and the Masters Tournament in 1955. He retired with 37 career victories.

Johnny Miller (1996)

Miller dominated international golf in the early 1970s, winning 20 tournaments in six years. A remarkable 63 in the final round secured his victory in the 1973 U.S. Open at Oakmont. Winner of the 1976 British Open at Royal Birkdale, Miller gained renown as a television commentator before joining the SENIOR PGA TOUR in 1997.

Byron Nelson (1974)

"Lord Byron" won two Masters Tournaments, two PGA Championships and the 1939 U.S. Open. He is best remembered for his 1945 season, when he won 19 tournaments, including 11 consecutively, finished second seven times and compiled a remarkable stroke average of 68.33. In 1947, at age 34, Nelson retired to his ranch in Texas.

Jack Nicklaus (1974)

The legendary Bobby Jones said of him: "He plays a game with which I am not familiar." In his monumental career, Nicklaus amassed 18 professional major championship victories, far surpassing any golfer before or since. With more than 100 victories around the world, "The Golden Bear" is arguably the best golfer of the modern era.

Greg Norman (2001)

The "Great White Shark" won the 1986 and 1993 British Opens in a professional career that has produced some 90 victories worldwide, including 18 PGA TOUR titles. He captured the Arnold Palmer Award as the TOUR's leading money-winner in 1986, 1990 and 1995. He won the 1994 PLAYERS Championship with a record 24-under-par total.

Arnold Palmer (1974)

The most charismatic player in history, Palmer's emergence in the late 1950s coincided with televised golf to generate unprecedented interest in the game. Arnie won the U.S. Amateur in 1954 and the U.S. Open in 1960. Also among the more than 80 professional victories he collected were four Masters Tournaments, two British Opens and five major championships on the SENIOR PGA TOUR.

Gary Player (1974)

This South African made up for his diminutive size with a rigorous schedule of fitness training and persistent practice unequaled in golf. His career victories numbered more than 120 worldwide and included all four major championships. Player found later success as a dominant force on the SENIOR PGA TOUR.

PGA TOUR PIONEERS/ MEMBERS IN WORLD GOLF HALL OF FAME

Chi Chi Rodriguez (1992)

Rodriguez won eight PGA TOUR events and collected more than 20 SENIOR PGA TOUR titles in his career. But it is his charitable work that will be best remembered. His pro-am tournament helped fund the Children's Hospital in his native Puerto Rico, and his Youth Foundation has raised millions for disadvantaged children in Florida.

Paul Runyan (1990)

Although one of the shortest hitters of his time, Runyan won more than 50 professional tournaments. After joining the tour in 1933, he captured 16 events in two years and was leading money-winner in 1933 and 1934. A highly regarded short game and putting instructor, he won the PGA Championship twice, in 1934 and 1938.

Gene Sarazen (1974)

Sarazen was the first golfer to win all four major championships. He won the U.S. Open in 1922 and 1932; the PGA in 1922, 1923, and 1933; and the British Open in 1932. But his victory in the 1935 Masters Tournament is best remembered for a remarkable final-round double-eagle on the 15th hole at Augusta National.

Horton Smith (1990)

In 1929, at age 21, Smith played in 19 professional events, winning eight and finishing second four times. He remained a top professional throughout the 1930s, winning the first and third Masters Tournaments in 1934 and 1936. His last tournament win came in 1941, the year before he left golf to join the army.

Sam Snead (1974)

"Slammin' Sam" is renowned for his classical swing and the longevity of his career. The winner of three PGA Championships, three Masters Tournaments and the British Open, he made eight Ryder Cup appearances and was captain of the U.S. Team three times. Snead recorded 81 tour victories, his last in 1965 at age 52.

Payne Stewart (2001)

Before his tragic death in a 1999 plane crash, Stewart had won 18 tournaments around the world, including three major championship titles: 1989 PGA Championship, 1991 U.S. Open and 1999 U.S. Open. While known for his trademark knickers and tam o'shanter cap, his love for the game and passion with which he played made him one of the most respected players of his time.

Peter Thomson (1988)

One of the most intriguing players the game has known, the Australian-born Thomson captured five British Open titles between 1954 and 1965, including three consecutively from 1954 to 1956. With wide interests that ranged from politics to music, Thomson maintained successful careers as a writer and golf course architect outside of competition.

Lee Trevino (1981)

The ultimate self-made champion, Trevino made the transition from assistant professional at a Texas driving range to U.S. Open champion. He captured that title twice, in 1968 and 1971. With two British Opens, two PGA Championships and six Ryder Cup appearances to his credit, he later had a dominant career on the SENIOR PGA TOUR.

Tom Watson (1988)

Watson's major championship victories include five British Opens and two Masters Tournaments. His victory in the 1982 U.S. Open featured a dramatic chip-in on the 17th hole at Pebble Beach. Arguably the most consistent player for a decade, he was the PGA TOUR's leading money-winner and Player of the Year four consecutive times from 1977 to 1980.

THE FIRST TEE

The First Tee is a World Golf Foundation initiative that has as its mission to impact the lives of young people around the world by creating affordable and accessible golf facilities to primarily serve those who have not previously had exposure to the game and its positive values. It has the active support of The First Tee's Oversight Committee, which includes representatives of five organizations that serve on the World Golf Foundation Board: the PGA TOUR, PGA of America, LPGA, United States Golf Association and Augusta National Golf Club. Former President George Bush is Honorary Chairman of the initiative.

In addition to The First Tee's Oversight Committee, this initiative has the support and participation of a variety of key sectors:

- A wide range of public sector constituencies, including the U.S. Department of Housing and Urban Development, Bureau of Land Management, National Association of Parks and Recreation, National League of Cities, U.S. Conference of Mayors and the National Association of County Officials.
- A variety of groups and organizations, including the YMCA of the USA, Boys & Girls Clubs of America, Tiger Woods Foundation and Golf Course Superintendents Association of America.

The true value of The First Tee is based on golf's unique ability to instill and nurture essential values, such as honesty, integrity, sportsmanship and a solid work ethic in young people who are introduced to the game. These values are enhanced through The First Tee's Life Skills program, which has been developed to provide an opportunity for The First Tee participants to learn valuable skills. These include goal-setting, decision-making and mentoring, all skills that can be used on and off the golf course.

The Phase I goal of The First Tee was to have 100 facilities in development by the end of the year 2000. On August 27, 2000, it was announced The First Tee had surpassed this initial goal with 129 facilities in some stage of development, spanning 38 states and with one in Canada.

Under the direction of Joe Louis Barrow, Jr., National Director of The First Tee and Senior Vice President of the World Golf Foundation, The First Tee has turned its focus to Phase II.

The objectives for Phase II include the primary goal of impacting the lives of 500,000 young people cumulatively through 2005. In addition, the plan calls for The First Tee to expand to 250 facilities while also establishing 500 affiliate relationships.

The First Tee already has made great strides toward reaching these objectives, having touched more than 64,000 children at facilities across the country during 2001, establishing affiliate relationships with 74 golf courses and opening 44 new First Tee facilities.

As The First Tee continues to grow and gain support, more and more young people will be introduced to the game of golf and its inherent values.

Arnold Palmer, flanked by two First Tee participants, cuts the ribbon opening The First Tee of Augusta (GA).

GOLF 20/20: VISION FOR THE FUTURE

In November 2000, senior members of the golf industry came together at World Golf Village for a conference called *GOLF 20/20: Vision for the Future*, and embarked on an unprecedented collaborative effort to enhance the future of the game. The spirit of unity was so strong, and the commitment to make a difference so universal, that the decision was made to address some very specific issues in 2001 and to meet again in November to review the progress and solidify the strategy.

GOLF 20/20 is a World Golf Foundation initiative that was started with the following stated mission: **To align the golf industry behind a plan that addresses the future of golf in a strategic manner, with an emphasis on accelerating growth and participation, and creating new avenues of access into the game.** The focus of the conference was not only on participation but also on interest, and three major objectives were established with the goal of fulfilling them by the year 2020:

- Golf would be at a level of popularity in the United States equal to the National Football League.
- There would be 55 million participants in golf in the U.S.
- There would be one billion rounds of golf played each year.

Initiatives that were implemented in 2001 were reviewed last November at the second *GOLF 20/20* conference, including extensive segmentation research, a player development program and a junior golf initiative that has introduced a Web site to create a database of junior programs nationwide.

Link Up 2 Golf is a development program that was tested in the Raleigh-Durham-Chapel Hill area of North Carolina with great success. It offered an introduction to the game at an affordable price and in a friendly, non-intimidating manner. Subsequently, the PGA of America and National Golf Course Owners Association announced that they will partner in expanding the concept in 2002.

The USGA Foundation took the lead role in the junior golf initiative, which included the coordination of a series of local and regional summits and the development of juniorlinks.com. The Web site is a resource for youth, their parents and junior golf program administrators with a comprehensive listing of structured junior programs and a variety of related information.

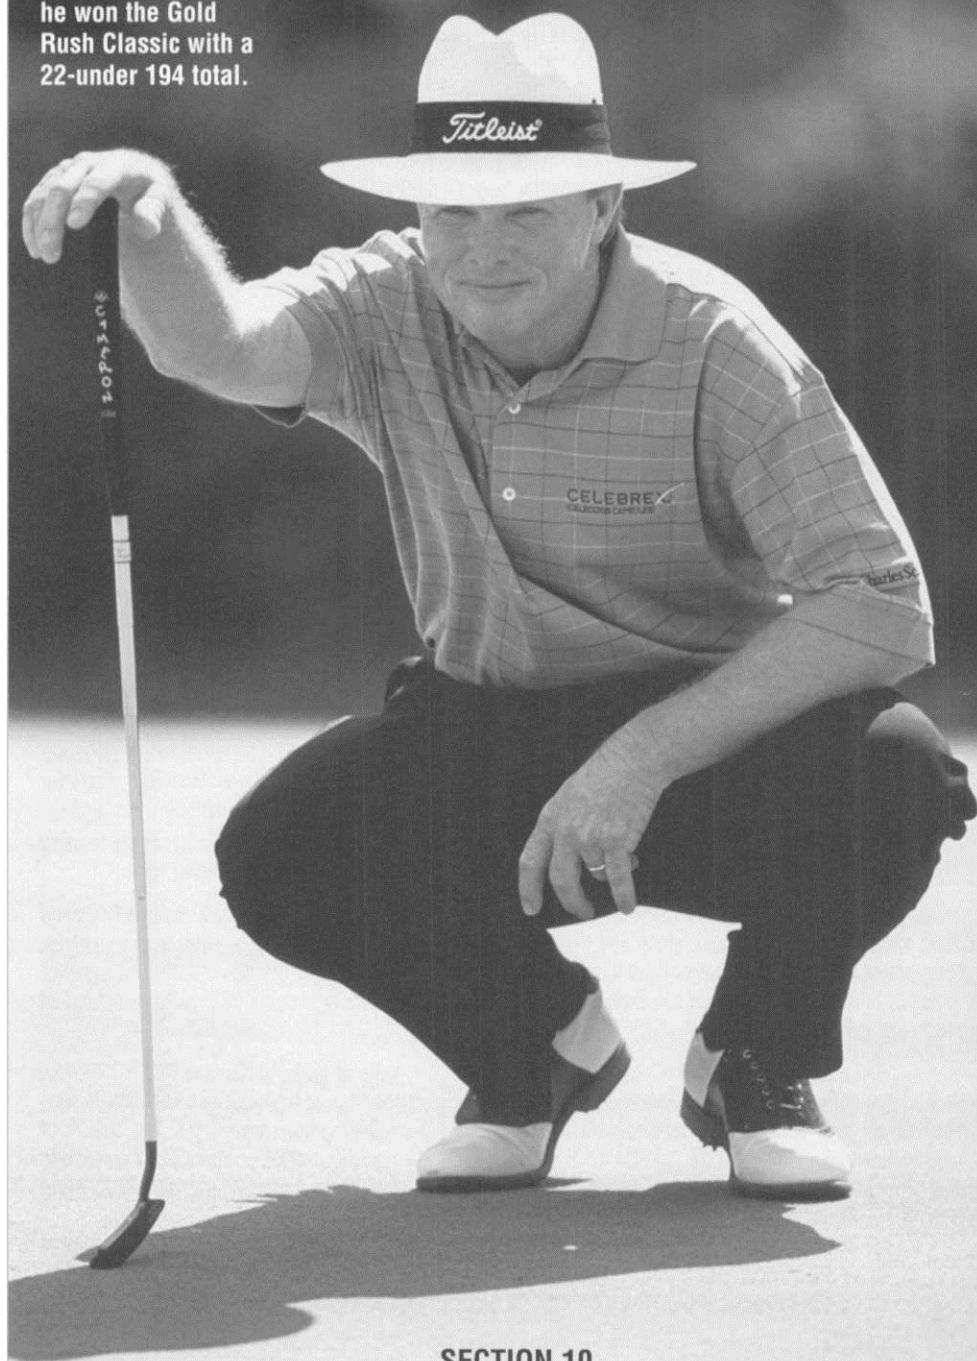

GOLF 20/20 also is focusing on such areas as alternative facilities and their impact, college golf and communication, with a focus on definitions and indicators for consistent measurements in years to come.

The initiative's Executive Board includes: PGA TOUR Commissioner Tim Finchem, Chairman; Jim Awtrey, The PGA of America CEO; David Fay, Executive Director of the USGA; Michael Hughes, Executive Director of the NGCOA; Steve Mona, CEO of the Golf Course Superintendents Association; Wally Uihlein, President and CEO of Acushnet Company; and Ty Votaw, Commissioner of the LPGA.

PGA TOUR IMAGES WEBSITE

One Stop Source for Official PGA TOUR Photos and Logos

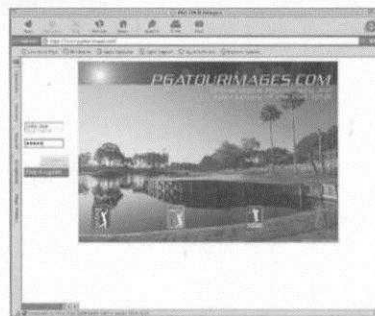

The PGA TOUR Creative & Photographic Services Department has established a digital asset Web site that presents a broad inventory of player and tournament photography – plus all TOURs, tournament and Tournament Players Club logos – that will help expedite delivery of requested images.

pgatourimages.com became active as a test site in March and currently is fully operational. It has been designed to provide a secure and convenient means for media and clients to review and either download or request a CD of player images, scenics and logos. The goal of this site is to achieve approval and fulfillment of download requests within 24 hours (CD requests within 48 hours), although orders approved before 3:00 p.m. ET may ship that day.

The site features more than 5,000 images and logos and includes portrait and action shots of each active member of the PGA TOUR, SENIOR PGA TOUR and BUY.COM TOUR. Future plans include archived photos of noted golfers from the past and a significant selection of golf stock or non-TOUR images that can be licensed for commercial use.

Once a request has been submitted, PGA TOUR Creative & Photographic Services will review and then verify by e-mail whether it has been accepted. If accepted, the images become available via download or CD.

For information, call 904-280-2434 or e-mail requests to photo@pgatourhq.com. Logos may be requested by calling 904-280-2436 or by e-mail (jrice@pgatourhq.com).

DEDICATION

This Media Guide is dedicated to the memory of John Morris, who died in June 2001 at age 60. John served as Vice President of Communications for the PGA TOUR from 1992-2001.
