fficial Media Guide of the PGA TOUR

A MESSAGE TO THE MEDIA

n behalf of the players and staff of the PGA TOUR, we welcome you to our 2002 season. We appreciate your continued interest in our game, and we clearly recognize the extent to which our success is tied to the thorough and professional coverage we consistently receive in a wide variety of global media outlets.

We are particularly excited to see how the season unfolds since the level of competition on TOUR has never been stronger. The unprecedented standard established by Tiger Woods over the past several years has caused others to elevate their games, resulting in an even more highly charged competitive environment.

Established stars such as Phil Mickelson, David Duval, Ernie Els, Davis Love III and Vijay Singh continue their extraordinary caliber of play; and they are being pushed by emerging standouts including Sergio Garcia, David Toms, Chris DiMarco, Mike Weir and a cast of young players. In addition, the players who represent the PGA TOUR have developed a worldwide origin, with 56 players hailing from 19 countries outside the United States.

As we have said on many occasions, it is the image projected by our players that separates our sport from all others. These are individuals for whom integrity, sportsmanship and a charitable spirit are a way of life. Our players understand and embrace the concept of "giving back" to the communities where PGA TOUR events are held.

I was indeed proud of golf's response to the tragic events of last September 11. Approximately \$3 million was committed by the PGA TOUR and its tournaments to support disaster relief efforts in New York City and Washington, DC, and many of our players provided direct volunteer assistance and additional funding through their own charities. They added to the charitable heritage of the PGA TOUR tournaments and players, which have contributed more than \$650 million since the first gift in 1938.

As a result of the players' high level of play and image, television ratings in 2001 increased by 7 percent over 2000 and our fan base diversified greatly and grew by nearly 15 percent in a 12-month period. Programs such as The First Tee are introducing the game to children who have never been exposed to golf before. The Golf 20/20: Vision for the Future conference, held for the second time last November, is addressing access issues and how to build an even brighter future for golf fans and participants.

As always, the members of our Communications Department stand ready to assist you in your coverage of the PGA TOUR, both at tournament sites and from our Headquarters in Ponte Vedra Beach, FL.

Thanks again for your interest in and coverage of the PGA TOUR. As our history continues to unfold, I hope you'll thoroughly enjoy the 2002 chapter.

Timothy W. Finchem
Commissioner
PGA TOUR

WE ARE THE PGA TOUR

The name of our organization is the PGA TOUR, a tax-exempt membership group of professional golfers that plays a combined 117 official-money tournaments on three TOURs – the PGA TOUR, SENIOR PGA TOUR and BUY.COM TOUR. Our headquarters are located in Ponte Vedra Beach, FL, southeast of Jacksonville.

We should never be referred to as just the PGA. That is because we are the PGA TOUR. On second reference, you can just call us the TOUR.

The PGA is the Professional Golfers' Association of America, a membership organization for the nation's club professionals. The PGA runs the PGA Championship, Senior PGA Championship and Ryder Cup Matches, among other championships. The PGA headquarters are located in Palm Beach Gardens, FL.

The PGA TOUR and PGA of America were affiliated until 1968, when the tournament players, a small subset of the total PGA membership, broke away to form a Tournament Players Division and gain more control of their finances and tournament schedule. The Tournament Players Division was renamed the PGA TOUR in 1975. While the two organizations still work closely together today, the PGA TOUR and PGA of America are separate entities.

Two other American golf organizations are involved in professional tournament play, independent of the PGA TOUR but with their marquee events included in our schedule as non-PGA TOUR co-sponsored tournaments. The United States Golf Association, with headquarters located in Far Hills, NJ, oversees the national championships (U.S. Open, U.S. Amateur, etc.) and administers the Rules of Golf, among other duties. The Augusta (GA) National Golf Club plays host to the Masters Tournament.

The Ladies Professional Golf Association runs the LPGA Tour from its office in Daytona Beach, FL.

A BRIEF HISTORY OF THE PGA TOUR

It is not always easy to pinpoint the exact beginning of something. So it is with the PGA TOUR. Certainly, professionals have competed against each other from the earliest days of the game in the United States.

In 1895, 10 professional golfers and one amateur played in the first U.S. Open in Newport, RI. Shortly thereafter, tournaments began to pop up across the country. There was the Western Open in 1899. But this was not "tour" golf. The events lacked continuity.

Interest in the game, however, continued to grow. American professionals were rapidly improving. And when John McDermott became the first American-born player to win the U.S. Open

in 1911, interest in the game blossomed.

That interest became enthusiasm in 1913, when Englishmen Harry Vardon and Ted Ray came to the United States to play an exhibition tour and compete in the U.S. Open. When 20-year-old amateur Francis Ouimet defeated the pair in a playoff for the Open at Brookline, MA., golf became front page news and a game for everyone.

In the early 1920s, a series of tournaments was held on the West Coast, Texas and Florida. These events were held in the winter, and the golfers played their way east and up to Pinehurst in the spring. By the middle of the decade, the tour was doing relatively well-offering \$77,000 in total prize money.

The first "playing pros" organization was formed in 1932. Two years earlier, Bob Harlow had

been named manager of the PGA Tournament Bureau.

The tour became more structured following World War II and exploded in the late 1950s and early '60s. When Arnold Palmer, televised golf and President Eisenhower arrived on the scene in the late '50s, the eyes of the world were on golf. This exposure inspired millions to try the game.

Most golf historians would trace the "formal" beginning of the PGA TOUR to late 1968, when the "Tournament Players Division" split from the PGA of America and hired Joseph C. Dev as its first Commissioner. That organization became the modern-day PGA TOUR. Dev served from early 1969 through February 28, 1974, and was succeeded by Deane R. Beman on March 1, 1974.

During Beman's administration, the value of tournament purses escalated at an unprecedented rate: PGA TOUR assets grew from \$730,000 in 1974 to more than \$200 million, and total revenues

increased from \$3.9 million to \$229 million in 1993.

Timothy W. Finchem, previously the TOUR's Deputy Commissioner and Chief Operating Officer. became the TOUR's third Commissioner on June 1, 1994. In 1995, Finchem undertook a restructuring program designed to strengthen the PGA TOUR's core business, which is its competitions, expand the TOUR's international scope and prepare it to enter the 21st Century. In 1996, Finchem helped spearhead formation of the International Federation of PGA Tours, as golf's five world governing bodies laid the groundwork for taking competition into the next millennium. In 1997, the Federation announced the World Golf Championships, which made their debut in 1999 with three events—the Accenture Match Play Championship, NEC Invitational and American Express Championship. The EMC World Cup was played for the first time in 2000.

Since 1938, PGA TOUR events have donated almost \$525 million to charity. One-year charity-

giving records have been produced annually since 1992.

The competitive scope of the PGA TOUR also is much broader today. The SENIOR PGA TOUR, called by many the most successful senior sports venture in history, began its third decade of play in 2000. Since starting out with just two co-sponsored events and \$250,000 in prize money in 1980, the SENIOR TOUR has grown to 42 events, with purses totaling \$63.8 million. And the Charles Schwab Cup will be competed for for the second time in 2002. The BUY.COM TOUR began its second decade with substantially increased purses and recognition as a highly competitive TOUR worthy of Official World Golf Ranking points. The BUY.COM TOUR provides outstanding golf competition in more than 30 communities while raising significant charity dollars. Among the alums of this TOUR who have gone on to star on the PGA TOUR are David Duval, Tom Lehman, Jeff Maggert, Stuart Appleby, Stewart Cink and David Toms.

Also continuing to grow is the Tournament Players Club Network. When the PGA TOUR opened the Tournament Players Club at Sawgrass in 1980, it introduced the era of Stadium Golf and recordbreaking attendance. Owned and/or operated by the TOUR, these courses are the only major league

sports venues owned by the players themselves.

ABOUT THE COMMISSIONER

Timothy W. Finchem

Commissioner

Timothy W. Finchem, 54, is the third Commissioner of the PGA TOUR.

Finchem succeeded Deane R. Beman as Commissioner on June 1, 1994. Beman had served for 20 years, replacing the late Joseph C. Dey, who had been the TOUR's Commissioner in its first five years, 1969-74.

Finchem, Deputy Commissioner and Chief Operating Officer of the TOUR under Beman since 1989, had joined the TOUR staff as Vice President of Business Affairs in 1987.

As Commissioner, Finchem has greatly expanded the earnings opportunities for PGA TOUR players domestically and internationally. He also has taken leadership roles in the formation of the International Federation of PGA Tours and the World Golf Foundation, Inc.

His personal dedication to the success of the World Golf Foundation's First Tee initiative has helped that program achieve its initial objectives in developing facilities that will have an impact on the game for years to come.

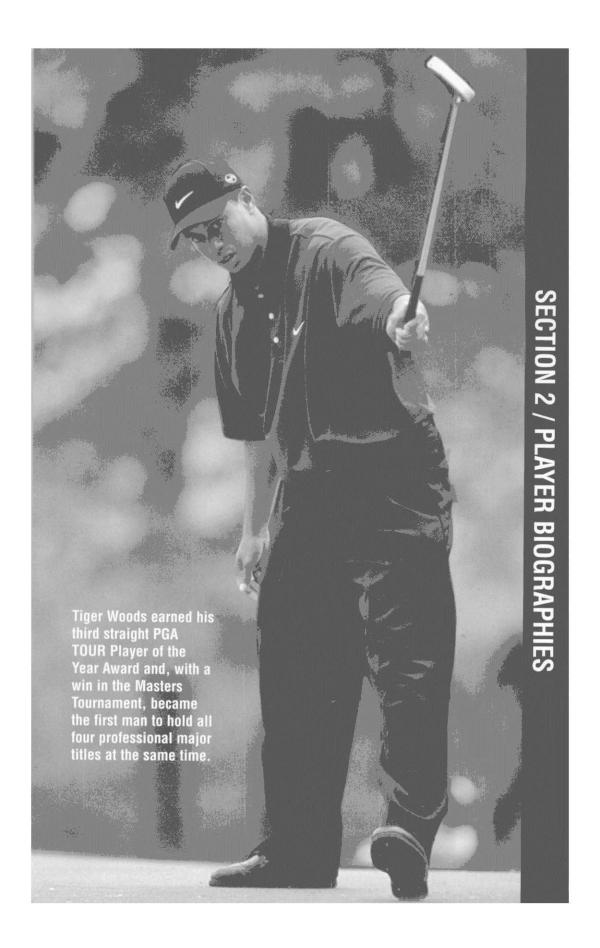

"Our primary purpose as a membership organization is to create outstanding playing and earnings opportunities for our players," Finchem says, "and we are proud of what our tournaments do for charity (more than \$650 million raised) and the active role we have been able to take as an organization in growing the game for future generations."

Born in Ottawa, IL on April 19, 1947, Finchem was graduated from Princess Anne High School in Virginia Beach. He attended the University of Richmond on a debate scholarship, receiving his Bachelor of Arts degree in 1969. He was graduated from the University of Virginia Law School in 1973.

After practicing law in Virginia Beach for three years, Finchem served in the White House as Deputy Advisor to the President in the Office of Economic Affairs in 1978 and 1979. In the early 1980s, Finchem co-founded the National Marketing and Strategies Group in Washington, D.C.

A physical fitness advocate, Finchem is a member of the President's Council on Physical Fitness. He also is recipient of the Golf Course Superintendents Association of America's Old Tom Morris Award for 2001.

Married to the former Holly Bachand, Finchem is a father of four. The Finchems live in Ponte Vedra Beach, FL.

EXEMPT STATUS: Top 50 on PGA TOUR Career Money List

BIRTHPLACE: Paris, France

WEIGHT: 180

RESIDENCE: Paradise Valley, AZ FAMILY: Wife, three children

EDUCATION: University of Oklahoma (1984)

PGA TOUR VICTORIES (4): 1988 Pensacola Open. 1991 Nestle Invitational, Las Vegas Invitational. 1994 Northern Telecom Open.

BEST 2001 PGA TOUR FINISH: T25-Invensys Classic at Las Vegas.

2001 SEASON: Using Top-50 career money winners exemption for 2002. Actually 51st, but with the ranking of the late Payne Stewart (No. 15), moved into top 50...Fell to 180th on the money list with uncharacteristic season...Rounds of 67-67-66-72-71 at the Invensys Classic of Las Vegas produced T25, lone top-25 finish of the season...Made history in the first round of the Phoenix Open, recording an ace on the 333-yard, par-4 17th hole. Magee's drive bounded onto the green at the Tournament Players Club of Scottsdale, caromed off Tom Byrum's putter and went into the hole for what was believed to be the first hole-in-one on a par 4 in PGA TOUR history. "It looked like a hole-in-one and sounded like a hole-in-one. But I still wasn't sure it was one," Magee said. Byrum was squatting down looking over a putt when the ball deflected off his putter and rolled about 8 feet directly into the hole for a rare double-eagle ace. Magee's opening 66 was two strokes behind leaders Brad Elder, Scott Verplank and Tom Lehman. Finished T44.

CAREER HIGHLIGHTS: 2000: Finished among the TOUR's top-60 money winners for the fifth consecutive year and ninth time of his career...Four top-10 finishes were most since 1998, while earnings of \$867.372 were third most of his career and ranked 55th on official money list...Extended streak of years with a runner-up finish to five...Best finish of season came at Greater Greensboro Chrysler Classic where four sub-par rounds produced a lone secondplace finish and season-high \$324,000 payday. 1999: Bulk of earnings came in one week when he finished second and earned \$500,000 in the WGC-Accenture Match Play Championship. Had victories over Darren Clarke (1-up), Thomas Bjorn (2 and 1), Bill Glasson (1-up), Shigeki Maruyama (1-up) and John Huston (3 and 1) before losing to Jeff Maggert...Other top-10 that season came at Las Vegas Invitational with a solo fifth worth \$100,000. 1998: Earned career-best \$964,302 and had one runner-up and a pair of third-place finishes. Finished 30th on official money list for second consecutive year...Rounds of 67-71-68-69 produced Memorial Tournament runner-up finish, four strokes behind Fred Couples. 1997: Came close twice to first victory since 1994 Northern Telecom Open with second-place finishes at Greater Vancouver Open and B.C. Open. Held one-stroke lead in final round of B.C. Open. but bogey on No. 16 opened door for Gabriel Hjertstedt to claim title by one stroke...Seven top-10s his best since 1991, when he also had seven. 1996: Ended the season with five top-10s. 1994: Most recent victory came at Northern Telecom Open. Closing 67 gave him a two-stroke margin over Loren Roberts, Vijay Singh, Jay Don Blake and Steve Stricker. 1991: Strong early-season run culminated in second career victory at rain-shortened Nestle Invitational over Tom Sieckmann. 30-foot eagle putt at 16 on final day was margin of victory...Later that year, shot 31-under-par 329, then the 90-hole scoring record, to force playoff with D.A. Weibring at Las Vegas Invitational. Won playoff with par on second extra hole. 1988: First TOUR victory came at Pensacola Open, where he rallied from four strokes back on final day. Amateur: Three-time All-American at University of Oklahoma...Won 1979 Doug Sanders Junior Invitational.

PERSONAL: Born in Paris, where his father worked in the oil business...With Gary McCord, conducts Santa Claus Open, annual charity pro-am at TPC of Scottsdale...With Scott Verplank and Brian Watts, runs ClubCorp Pro-Am in Dallas to benefit health clinic at his old junior high school...Finished third at the 1998 Bob Hope Chrysler Classic one week after tangling with chainsaw at his Phoenix home while cutting a limb. Saw slipped and hit his left index finger. In comment that typifies his unique sense of humor, remarked: "There are better ways to weaken the grip on your left hand, don't you think?"...Won 1999 Southern Company Citizenship Award for work with charities.

Birdied first extra hole to defeat Woods...Nearly made it two wins in a row the following week at Doral-Ryder Open where he finished T2...Shared 54-hole lead at Buick Open following rounds of 70-69-65. Took lead for good on Sunday with first-hole birdie en route to closing 67. Dedicated his victory to Renay Appleby, the wife of TOUR player Stuart Appleby, who died tragically in July. 1997: Season was wracked by illness and loss of confidence...His T2 performance in Las Vegas, the last full-field event of the season, proved to be his best showing of the year. 1996: Seventh career runner-up finish came with a T2 at NEC World Series of Golf. 1995: Enjoyed one of the best turnaround seasons in PGA TOUR history, recording two victories, three runner-up finishes and earning \$1,543,192. 2001 SEASON: Followed up the best year of his career with a solid season in which he finished 99th in earnings to keep full exempt status on TOUR for the second consecutive season...Made 16 cuts in 31 starts with two top-10 showings...Fired a second-round 63 at the WORLDCOM CLASSIC to highlight a T3 performance. Fired 68-74 to finish T11...Only other top-25 finish was T15 in the Advil Western Open.

CAREER HIGHLIGHTS: 2000: Appeared to be in danger of losing his full exempt status as the TOUR headed into July. Had earned \$140,000 in first 18 starts and was 140th on the money list. However, a T9 at the Advil Western Open sparked a run in which he jumped to 64th on the TOUR money list and completed his best season on TOUR...Following ninth at Advil Western Open, earned a T6 at the Buick Open...At Buick Challenge in October, gained a solo fourth place...Three weeks later, worked his way into position to capture his first PGA TOUR title. Was a combined 40-under par for the two weeks. His two-week earnings totaled \$126,000 and vaulted him to the No. 1 spot on the money list. Fired a final-round 66 to come from two strokes off the pace and win by four in Idaho. 1996: Made 14 cuts in 30 starts on PGA TOUR but finished 155th on money list. 1995: Earned his PGA TOUR card for 1995 after finishing T37 at the 1994 PGA TOUR National Qualifying Tournament. Played in 21 events, made 10 cuts and finished No. 183 on the money list. Was medalist at the 1995

After starting the final day three shots off the lead, closed with a 70 in the Nissan Open to tie Robert Allenby, Brandel Chamblee, Toshi Izawa, Jeff Sluman and Bob Tway at 8-under 276. Final-day comeback was completed with 68 that forced a playoff with Duval. A par 4 on fourth extra hole brought his first TOUR victory and largest single career payday of \$540,000. Named BUY.COM TOUR Player of Month for May for victory and two other top-10s. 1996: Posted three non-tour wins: Long Beach Open, Wyoming Open, California Open. 1994: Finished T4 Freeport-McMoRan Classic after an English Turn G&CC record 10-under-par 62 in second round...Ranked second to Davis Love III in Driving Distance. 1993: Persistence at PGA TOUR National Qualifying Tournament eventually rewarded after eight consecutive unsuccessful attempts beginning in 1985. Winner of Utah State Open. 1990: Played three years on Asian Tour and won Philippines Open. Also, won the California State Open. 1985: Won National Long Driving Championship.

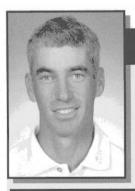

PERSONAL: Nickname "The Chief" evolved while playing with brother Dean in tournament at Valencia CC in mid'80s. Covered himself with moss and mud after disgustedly swinging his club at water following a poor chip. Dean said he resembled an Indian with his sun-reddened face. Nickname stuck, so much so that Dennis says some friends haven't called him by his first name since. Wears nickname on back of hat... While ranked No. 1 in Southern California, quit golf in high school because of political issues involving scholarships. Didn't play for 18 months before going to San Diego State, where he missed making team. Tried again 18 months later and gained last spot via qualifying.

Began the week at No. 190 on the PGA TOUR Money List and a \$72,600 payday moved him to No. 170. Rounds of

67-64 gave him second-round lead, by one stroke, at Bell Canadian Open, and trailed by one after 54 holes. Closing 74 dropped him to T14. Won 1994 Federal Express St. Jude Classic in rookie season. A 20-foot putt on 72nd hole earned spot in playoff with Hal Sutton and Gene Sauers. Holed 25-foot birdie putt on first extra hole to win. First top-10 finish of PGA TOUR career came at 1994 Deposit Guaranty Golf Classic two weeks earlier, a T8. Early in 1994, rescheduled his wedding day so it wouldn't conflict with PGA TOUR Qualifying Tournament. That year's victory at Federal Express St. Jude Classic made qualifying unnecessary. Later that season won a Buick for soon-to-be wife Kim with a hole-in-one at Buick Challenge. Despite not playing golf as a freshman at Alabama, and not seeing any action as a sophomore walk-on, still was twice named All-Southeastern Conference at Alabama. Semifinalist in 1991 U.S. Amateur.

ACCENTURE MATCH PLAY CHAMPIONSHIP NOTES

In the 2001 Accenture Match Play Championship, the semifinals truly were a display of international golf. In the first match out, Sweden's Pierre Fulke met Ernie Els of South Africa, and in the second match it was Steve Stricker of the United States against Japan's Toru Taniguchi.

In the third Accenture Match Play Championship held at Metropolitan Golf Club in Melbourne, Australia, only one of the four topseeded players made it to the semifinals. **Ernie Els**, the top-seeded player in the event, lost in the semis to **Pierre Fulke**, 2 and 1.

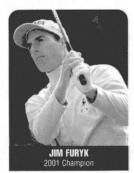

Japan's **Shigeki Maruyama** is the only player in the three-year history of the Accenture Match Play Championship to make it past the second round each year. In 1999, Maruyama lost in the quarterfinals and in 2000 fell in the third round. In 2001, he reached the quarterfinals before losing to countryman **Toru Taniguchi**.

MERCEDES CHAMPIONSHIP NOTES

Tiger Woods has made the most of his Mercedes Championships opportunities the last five years. Woods, with two victories (1997, 2000) and a tie for second (1998), fifth (1999) and eighth (2001), is the leading money-winner in tournament history with \$1,081,500.

Jim Furyk's victory at the 2001 Mercedes Championships made him the only player to win the "Hawaii Slam." Furyk captured the 1996 United Airlines Hawaiian Open, precursor of the Sony Open in Hawaii, after winning the unofficial Lincoln-Mercury Kapalua International in 1995.

Only three players have played in all three Mercedes
Championships that have been held at The Plantation Course at Kapalua.
And Jim Furyk, Jesper Parnevik and Tiger Woods have qualified again
for the 2002 event. Ernie Els qualified to play in the first Mercedes
Championship held at Kapalua but did not compete.

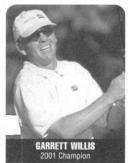

Playoffs have been surprisingly rare at the Mercedes Championships, where in 49 years nine tournaments have needed extra holes to determine a winner.

AT&T PEBBLE BEACH NATIONAL PRO-AM NOTES

When **Tiger Woods** defended his title at the 2001 AT&T Pebble Beach National Pro-Am, he was attempting to become the first player since **Jack Nicklaus** to win on the same course three times within a 12-month period. In 2000, Woods won the AT&T Pebble Beach National Pro-Am and U.S. Open at Pebble Beach. Nicklaus won the 1972 Bing Crosby, 1972 U.S. Open and 1973 Bing Crosby, all at Pebble Beach.

Mark O'Meara, the winner of five AT&T Pebble Beach National Pro-Am titles, would become only the fifth player in PGA TOUR history to win the same event six times with another victory at Pebble Beach. The record for most victories in a single event is eight, by Sam Snead at the Greater Greensboro Open.

Tiger Woods equaled Ben Hogan's record of six consecutive PGA TOUR victories with his five-stroke, comefrom-behind win at the 2000 AT&T Pebble Beach National Pro-Am.

When **Davis Love III** shot 28-35–63 in the final round of the 2001 AT&T Pebble Beach National Pro-Am, it marked the second consecutive year a player had come from seven strokes back to win the title. **Tiger Woods** also came from seven back on Sunday in 2000.

NISSAN OPEN NOTES

With his victory in the 2001 tournament, **Robert Allenby** became the first Australian to win in the 75-year history of the Nissan Open.

The six-player playoff matched the PGA TOUR record for most participants in an extra-hole event, set at the 1994 GTE Byron Nelson Classic. **Neal Lancaster** defeated **Tom Byrum, Mark Carnevale, David Edwards, Yoshinori Mizumaki** and **David Ogrin** at that tournament.

The first three of **Robert Allenby**'s PGA TOUR victories came in playoff fashion. His maiden TOUR victory at the 2000 Shell Houston Open was at **Craig Stadler**'s expense in a four-hole playoff. His victory over **Nick Price** a few months later at the Advil Western Open was decided by one extra hole. He won his fourth title at The Marconi Pennsylvania Classic by three strokes over Rocco Mediate and Larry Mize.

GENUITY CHAMPIONSHIP NOTES

When Joe Durant shot a final-round 65 to come from four strokes back and capture the 2001 Genuity Championship, it marked the 20th time in the event's 40-year history that a player has come from behind on Sunday

Joe Durant's weekend at the 2001 Genuity Championship was a recordtying two rounds. With his 67-65, Durant's 12-under-par 132 in the final two rounds tied Greg Norman (1990, 1993) and Tim Simpson (1990) for lowest final 36 holes in tournament history.

Mike Weir set a first-round scoring record at the 2001 Genuity Championship, opening with a 10-under-par 62. It also marked the lowest 18-hole score recorded by a left-hander during an official PGA TOUR event.

When Raymond Floyd won the 1992 Genuity Championship at the age of 49, he joined Sam Snead as the only players to win TOUR events in four different decades.

SHELL HOUSTON OPEN NOTE

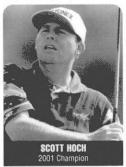

Hal Sutton's victory at the 2001 Shell Houston Open was his 14th career title. He won seven times in his 20s, once in his 30s and now has six wins in his 40s. His six victories since turning 40 tie Sutton with Greg Norman for the lead among active players. They have a long way to go, however, to catch the leader in that category, Sam Snead, who won 17 times.

FEDEX ST. JUDE CLASSIC NOTES

Bob Estes was the only wire-to-wire winner on the PGA TOUR in 2001 and the first since Tiger Woods at the 2000 World Golf Championships-NEC Invitational. Estes also became the fourth player to go wire-to-wire in the FedEx St. Jude Classic. The others were Dave Hill (1967), Raymond Floyd (1982) and John Cook (1996).

While the PGA TOUR increasingly has become the domain of younger stars, it helped to be a little older in Memphis last year. Of the top-10 finishers at the 2001 FedEx St. Jude Classic, six were 40 years old or more and the youngest were two 35-year-olds, winner Bob Estes and Scott McCarron, who tied for third.

Bob Estes' opening-round 61 was the lowest start by a winner on the PGA TOUR in 2001, and it also was the lowest start by a winner since Jose Maria Olazabal recorded a 61 in the opening round of the 1990 World Series of Golf. Estes' 61 was the best start by a winner of the FedEx St. Jude Classic. The previous best was 63 by Bert Yancey in 1965 and matched by Dave Hill in 1970.

BRITISH OPEN NOTES

David Duval became the 10th player since 1980 to win after holding at least a share of the lead after 54 holes in a British Open. His winning margin of three strokes tied Justin Leonard's 1997 score for second largest in a British Open over the last 11 years. Tiger Woods won by eight strokes in 2000.

David Duval's closing 36-hole score of 65-67-132 was his best weekend effort in a major championship. His previous best was a 66-70-136 at the 1996 British Open.

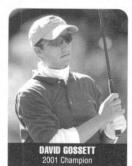

Phil Mickelson recorded a rare feat during the first round of the British Open. He posted back-to-back eagles on Royal Lytham & St. Annes' sixth and seventh holes.

THE INTERNATIONAL PRESENTED BY QWEST NOTES

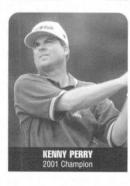

Prior to Tom Pernice, Jr.'s victory, with 34 points, in the 2001 INTERNATIONAL Presented By Qwest, five of the previous eight victories had been acquired with 40 points or more. To significant degree, the 40-plus figures were due to the fact that, since 1993, winning scores have been based on points for all four rounds. Phil Mickelson established the tournament record with 45 points in 1993, then broke his own record with 48 in 1997. Ernie Els matched that total in 2000.

The last time a player recorded a hole-in-one, eagle-2 and eagle-3 in the same week was at the 1998 INTERNATIONAL. That player was Tiger Woods.

RENO-TAHOE OPEN NOTES

John Cook's Stanlay communical at the Reno-Tahoe Open was one of the biggest in a final round last year on the PGA 10UR, equating the six strokes David Toms made up to win the Compaq Classic of New Orleans. The largest defect was the seven strokes Davis Love III overcame to win the AT&T Pebble Beach National Pro-Am.

John Cooks win at Reno was the 11th in his 22-year career on TOUR but first in three seasons. Cook, who endered the commanded 28th on the career money list with \$8.7 million, previously had topped the \$1-million mark just twice in a season. This win gave him his third \$1-million season.

John Cook's victory at the Beno-Tahoe Open was the eighth by a player age 4d or older last season. Cook joined a list that included at that juncture, Scott Hoch (two wins). Mark Catcavecchia. Hal Sutton. Jeff Sluman. Kenny Perry and Tom Pernice, Jr.

AIR CANADA CHAMPIONSHIP NOTES

Joel Edwards' victory at the 2001 Art Canada Championship came in his 316th start on the PGA TOUR, the most stans before a first little since Chris Perry (377) at the 1998 B.C. Open. The record for most starts before a first win: 475, Brad Bryant, 1995 National Car Rental Guir Classic at Walt Disney World Resort

Joel Edwards' seven-strake victory in the Air Canada Championship was the second-largest margin for a firsttime winner in the last 30 years. Joel Edwards became the lifth player in the six-year history of the Air Canada Championship to earn his first victory at the tournament. The previous lirst-time winners were Guy Boros (1996), Brandel Chamblee (1998), Mike Weir (1999) and Rory Sabbatini (2000).

MARCONI PENNSYLVANIA CLASSIC NOTES

The mangural Pernsylvania Classic in 2000 marked the first time in 20 years the PGA TOUR had held an event in the Keystone State, dating back to the 1980 IV8-Philadelphia Classic.

Robert Attenby's 2001 victories at the Nissan Open and Marconi Pennsylvania Classic made him one of only three players who won at least twice in 2000 and last season. The other two were **Tiger Woods** and **Phil Mickelson**.

Australian Robert Allenby's win at the Marconi Pennsylvania Classic was the eighth of 10 victories by international players on the 2001 PGA TOUR. In addition to Allenby's two littles, Spain's Sergio Garcia and Jose Coceres of Argentina also won twice. Jesper Parnevik of Sweden. Retief Goosen of South Africa. Japan's Shigeki Maruyama and Mike Weir of Canada each won once.

Robert Allenby wen for the first time on the PGA TOUR without going into a playoff when he captured the 2001 Marconi Penesyivania Classic. His other TOUR victories, all in playoffs, have come at the Shell Houston Open (four-hole playoff). Advit Western Open (one-hole playoff) and Nissan Open (one-hole playoff with five other players, largest extra-holes session in the CNOT PGA TOUR).

WORLD GOLF CHAMPIONSHIPS-EMC WORLD CUP

TOURNAMENT HISTORY

The EMC World Cup made its debut as the fourth World Golf Championships event in December 2000 in Argentina. Tiger Woods and David Duval were the first winners of the International Federation of PGA Tours sanctioned event.

The World Cup of Golf began as the Canada Cup in 1953, also in Argentina. Appropriately, Argentinians Roberto De Vicenzo and Antonio Cerda were its first winners, and Cerda was individual champion. Under the EMC World Cup format, there is no individual champion.

As did the World Cup of Golf, the EMC World Cup features two-man teams. However, as opposed to 32 teams under the old tormat, the World Golf Championships event is comprised of 24. Eighteen teams are based on top players from the Official World Golf Ranking, and six become eligible via qualifying competitions.

The International Golf Association (IGA) operated the World Cup of Golf from its inception through 1999. Fred

The International Golf Association (IGA) operated the World Cup of Golf from its inception through 1999. Fred Couples and Davis Love III won a record four consecutive World Cups for the United States (1992-95). Jack Nicklaus and Arnold Palmer also won four times, in 1963-64 and 1966-67.

The 2002 EMC World Cup of Golf will be played Dec. 10-15 at Vista Vallarta in Puerto Vallarta, Mexico. Results of all previous World Cups follow

INTERNATIONAL FEDERATION OF PGA TOURS / WORLD GOLF CHAMPIONSHIPS A GOLF CHAMPONE

in 1996, the European Tour, Japan Golf Tour, PGA Tour of Australasia, PGA TOUR and Southern Africa Tour announced their intention to form a group whose objective was to work toward the common interest of internationalizing the game of golf. Following approvals from the boards and memberships of each Tour, the International Federation of PGA Tours was created.

The first agenda item of the new Federation was to develop significant competitions in which players from each Tour could compete against one another on the highest level possible. In Oct. 1997, the World Golf Championships were announced. The Asian PGA joined the Federation as a full-fledged member in Nov. 1999, while in March 2000 the Canadian Tour was named an Associate Member.

The World Golf Championships were launched in 1999 with the Accenture Match Play Championship, NEC Invitational and American Express Championship, The three events featured players from around the world competing against one another for \$5-million purses and \$1-million first prizes. The EMC World Cup joined the series in 2000.

The World Golf Championships rotate through a variety of outstanding venues around the world. Roughly half will be played in the United States, with the other events being held at courses in countries represented by the other members of the Federation.

The World Golf Championships have been developed to enhance the competitive structure of professional golf worldwide while preserving the traditions and strengths of the individual Tours and their events. The fields are determined using the Official World Golf Ranking, the respective Tours' official money lists/orders of merit and other criteria.

Accenture, American Express, NEC and EMC are the four umbrella sponsors of the World Golf Championships, Invensys is a worldwide official sponsor of the World Golf Championships. Kohler is an official sponsor of the Accenture Match Play Championship, NEC Invitational and American Express Championship. Michelob Light and Buick are official sponsors of domestic World Golf Championships, while Volvo and the Irish Tourism Board *Bord Failte) are official sponsors of the American Express Championship.

THE PRESIDENTS CUP RESCHEDULED FOR 2003

In the wake of last September's terrorist attacks on the United States. The Presidents Cup has been rescheduled from Nov. 2002 to Nov. 18-23, 2003. The move came on the heels of postponement of the 2001 Ryder Cup until September 2002.

The Presidents Cup, in its fifth playing, will be contested outside the United States in 2003 for the second time when the competition is held at The Links Course at Fancourt Hotel and Country Club Estate in George, South Africa,

South African Gary Player will make his debut as International Team Captain, while Jack Nicklaus will serve as Captain of the United States side for a second time.

The Presidents Cup was developed to give the world's best non-European players an opportunity to compete in international team match-play competition.

A biennial event played in non-Ryder Cup years, the first Presidents Cup was played Sept. 16-18, 1994 at Robert Trent Jones Golf Club, Prince William County, VA. The United States Team, captained by Hale Irwin, defeated the International side of David Graham, 20-12.

The United States also won the second Presidents Cup, held Sept. 13-15, 1996 and played again at Robert Trent Jones GC. Arnold Palmer, no stranger to high-level international competition, had the reins as the U.S. edged Peter Thomson's International Team, 161/2-151/2.

The 1998 Presidents Cup was played Dec. 11-13 at Royal Melbourne Golf Club in Melbourne. Australia. The International Team won 201/-111/k. Nicklaus served as Captain of the U.S. Team, while Thomson repeated his role for the International Team.

In 2000, The Presidents Cup returned to Robert Trent Jones GC, with the United States avenging its 1998 loss with a 21½-10½ victory over the International Team. Thomson captained the International Team for a third time, while Ken Venturi was victorious in his debut.

Former U.S. President Gerald Ford presided over the first Presidents Cup as Honorary Chairman. Former President George 8ush, like Ford an avid golfer, served as Honorary Chairman for the 1996 Presidents Cup. Australian Prime Minister John Howard was Honorary Chairman for the 1998 event. In 2000. President Bill Clinton made history when he became the first sitting president to serve as Honorary Chairman.

In 2003, Thabo Mbeki, President of the Republic of South Africa, will be Honorary Chairman.

Members of the 2003 U.S. Team will be selected based on official earnings from the start of the 2001 season through the 2003 PGA Championship. International Team players for the 2003 Presidents Cup will be chosen on the basis of the Official World Golf Ranking. International Teams do not include players eligible for the European Ryder Cup Team.

The eligibility rankings are used to select 10 members for both squads. Two Captain's Choices round out each 12-man team.

The Presidents Cup competition consists of 32 matches - 10 foursomes and 10 four-ball matches. There are 12 singles matches involving all players on the final Sunday. All matches are worth one point each, for a total of 32 points. There are no playoffs for foursome, four-ball or singles matches all square after 18 holes. Each side will receive %-point.

If a Presidents Cup match is deadlocked at the end of singles play, there will be a sudden-death playoff between two players designated in advance by the respective Captains.

As is the case with virtually all activity involving the PGA TOUR, charity is the ultimate winner of The Presidents Cup.

There is no purse for the players. Net revenues are divided into equal shares that the players and Captains designate for charities or golf-related projects of their choice. Contributions in their names are made through PGA TOUR Charities, Inc.

The first four Presidents Cups have generated \$7.25 million for charities worldwide

RYDER CUP MATCHES

The 34th Ryder Cup Matches will be played Sept. 27-29, 2002, at The De Vere Belfry in Sutton Coldfield, England, after the matches were postponed from Sept. 28-30, 2001 because of the terrorist tragedies in the United States.

PGA of America officials determined that future Ryder Cup Matches will be played in even-numbered years. The Presidents Cup was moved from 2002 to 2003 and will be played in odd-numbered years.

Even though the Ryder Cup will next be played in 2002, U.S. Captain Curtis Strange said all American players will wear clothing with 2001 logos so "we don't forget why we're playing a year later."

The U.S. Ryder Cup team donated \$520,000 toward national disaster relief efforts two weeks after the Sept. 11, 2001 terrorist attacks.

The points system for the 2004 Ryder Cup has been revised to a three-year system, with a return to a two-year system beyond. The top 10 U.S. players for 2004 will be chosen based on placing in the top 10 of events, with the following points breakdown: 37.5 points (in 2002), 75 points (in 2003) and 150 points (in 2004) to the winner of a 2002 PGA TDUR tournament; and 150 points (in 2002), 225 points (in 2003) and 300 points (in 2004) to the winner of major championships.

The Ryder Cup Matches developed from informal matches between American and British professionals in the early 1920s. Following an exhibition match in 1926 at Wentworth, England, Samuel A. Ryder, a wealthy British seed merchant and golf enthusiast, offered to donate a solid gold trophy bearing his name in time for the inaugural matches in 1927 at Worcester, MA.

OFFICIAL WORLD GOLF RANKING

The Official World Golf Ranking, which is endorsed by the four major charepronships and six professional Tours that make up the International Elderation of PGA Tours, is issued every Monday following the completion of the previous week's tournaments from around the world.

Results from events on the world's leading professional tours — the Asian PGA, PGA Tour of Australasia, European Tour, Japan Golf Tour, PGA TOUR, BUY,COM TOUR, Southern African Tour, Canadian Tour and European Challenge Tour — are evaluated, and points are awarded according to the players' tinishing positions. Tournaments are "rated" according to the strength-of-field based on the number and ranking of the world's top players in respective tournament fields (event "ratings").

In addition, some strength of field weighting is given to the inclusion in each field of a significant percentage of the top 30 on the host Tour's prior year Official Money Lists.

The four major championships and THE PLAYERS Championship are rated separately to reflect the higher field quality of the events. In addition, the Volvo PGA Championship in Europe and the Australian, Japanese and South African Open Championships are allocated higher minimum point levels to reflect their status.

The Official World Golf Ranking points for each player are accumulated over a two-year "rolling" period, with the points awarded in the most recent 13-week period doubled. Each player then is ranked according to his average points per tournament, which is determined by dividing his total number of points by the tournaments he has played over that two-year period. There is a minimum requirement of 40 tournaments for the two-year period.

The winners of the Masters Tournament, U.S. Open, British Open and PGA Championship are awarded 50 points (30 points for second place, 20 for third, 15 for fourth, down to 0.75 points for a player completing the final round), and the winner of THE PLAYERS Championship is awarded 40 points (points are awarded down to 60th place).

The Volvo PGA Championship has a minimum of 32 points for the winner (points down to 56th place). In addition, the Open Championships of Australia, Japan and South Africa have a minimum of 16 points for the winner (points awarded down to 37th place).

Minimum points levels of all the other official Tour events have been set at three points for the BUY.COM, European Challenge and Canadian Tours; six points for Southern Africa (points to 14th place); eight points for Australasia and Japan (points to 19th place); and 12 points for Europe and the United States (points to 27th place).

Beginning in September 2001, a new feature was added to the ranking system — any applicable two-year time period is divided into eight 13-week segments. Ranking points in each player's record will be reduced in value by one-eighth at the conclusion of each segment, thereby culting the sudden and sometimes dramatic impact of the reduction of one-half that previously occurred at the one- and two-year anniversaries of events in which players earn points.

Full Ranking points are awarded for tournaments reduced to 54 holes because of inclement weather or other reasons. For events completing only 36 holes, Ranking points are reduced by 25 percent.

The Official World Golf Ranking is available each week at PGA TOUR sites. The top 75 as of Dec. 10, 2001 (last ranking of 2001) follows:

GLOSSARY OF STATISTICAL LEADERS

Total Driving

Total Driving is computed by totaling a player's rank in both driving distance and driving accuracy.

Driving Distance*

The average number of yards per measured drive. Driving distance is measured on two holes per round. Care is taken to select two holes which face in opposite direction to counteract the affects of wind. Drives are measured to the point they come to rest regardless of whether they are in the fairway or not.

Driving Accuracy

The percentage of time a player is able to hit the fairway with his fee shot.

Greens in Regulation

The percentage of time a player was able to hit the green in regulation (greens hit in regulation/holes played). Note: A green is considered hit in regulation if any part of the ball is touching the putting surface and the number of strokes taken is two or less than par.

Putting Average

Measures putting performance on greens hit in regulation. For each green hit in regulation, the total number of putts is divided by the number of greens hit in regulation. By using greens hit in regulation, we are able to eliminate the affects of chipping close and one-putting in the computation.

Sand Saves Percentage

The percentage of time a player was able to get up and down once in a greenside sand bunker. Note: This up and down is computed regardless of score on the hole.

Eagles (holes per)

The average number of holes between each eagle.

Birdie Leaders

The average number of birdies made per round played.

All Around

This statistic is computed by totaling a player's rank in each of the following statistics: Scoring Leaders, Putting Leaders, Eagle Leaders, Birdie Leaders, Sand Saves, Greens in Regulation, Driving Distance and Driving Accuracy.

* As ShotLink phase-in continues in on the PGA TOUR in 2002, it will provide capabilities to greatly enhance the TOUR's statistical measurements.

Calcavecchia Breaks Spuchak's Record

Mark Calcavecchia set or fied seven PGA TOUR scoring records in winning the 2001 Phoenix Open, most notably shooting 256 to break Mike Souchak's 46-year-old scoring record.

Souchak's 257 total at the 1955 Texas Open was one of the TOUR's longest standing records.

"This is long overdue," Souchak said. "It should have happened a long time ago, particularly with the caliber of today's players. The only regret I have? Give me the golf ball that's being used today. With that ball, can you imagine what Ben Hogan and Sam Snead might have done?

"I'm delighted for Mark," Souchak said. "What he did in Phoenix was awesome."

Durant Sets 90-Hole Mark

Three weeks after establishing or tying seven PGA TOUR records, Mark Calcavecchia witnessed a bushel of new records set by final-round playing partner Joe Durant at the Bob Hope Chrysler Classic.

Durant fired a lifthround 65 that gave him the record for total score (324) and most strokes under par (36) in a 90-hole event. The previous holder of each mark was Tom Kite. Kite shot a 35-under-par 325 in winning the 1993 Bob Hope Chrysler Classic.

In the fourth round, Durant took away one of the records Calcavecchia tied in Phoenix - most strokes under par (28) - on his way to a 72-hole-record 256. Durant's 65-61-67-66-259 was 29-under. His total tied for sixth lowest for 72 holes in TOUR history.

"It was really a magical week," said the 36-year-old Durant, "It seemed like every time I needed to make a crucial putt, I did."

Magee Aces Par 4

Andrew Magee scored what is believed to be a PGA TOUR first, a hole-in-one on a par 4, during the first round of the 2001 Phoenix Open on Jan. 25. Tom Byrum gets an

Magee's tee shot on the 332-yard, par-4 17th hole at the Tournament Players Club of Scottsdale bounced onto the green, rolled past Steve Pate and caromed off the putter of Byrum, who was lining up a birdie putt from the right of the hole. The ball then rolled approximately eight feet into the hole, which was set on the right-front of the green Magee teed off with a driver used in competition for the first time.

"I have been playing golf for a long time, and this is kind of neat." Magee said. "This is really neat, and I'm going to feel good about this. I don't care what happens the rest of the day.

Magee, who fired a 5under-par 66, wasn't sure at first that it was an ace since it caromed off another player's equipment. A PGA TOUR Rules Official was consulted on the hole. Under Rule 19-1, other gollers and their equipment are considered "outside agencies." There would be a penalty only if the ball hit Magee or his caddie.

PGA TOUR LIFETIME ACHIEVEMENT AWARD

The PGA TOUR Lifetime Achievement Award honors individuals "who have made outstanding contributions to the PGA TOUR over an extended period of time through their performances on the golf course as well as (through) their actions off the course in serving as ambassadors of the game.

The first PGA TOUR Lifetime Achievement Award was presented to "The Squire," Gene Sarazen, at the 1996 PGA TOUR Awards Dinner at La Costa Resort and Spa in Carlsbad. CA. Subsequent honorees have been Byron Nelson. Arnold Palmer and Sam Snead.

PAYNE STEWART AWARD

Ben Crenshaw followed Byron Nelson, Jack Nicklaus and Arnold Palmer, winners of the inaugural Payne Stewart Award in 2000, as the 2001 recipient. The award was presented to Crenshaw at THE TOUR Championship presented by Dynegy in October 2001.

The award is named for Stewart, the 11-time PGA TOUR winner (including three major championships) who died the week of THE TOUR Championship in

1999. It was created by the PGA TOUR Policy Board to perpetuate his memory. The award is presented annually at THE TOUR Championship to a player sharing Stewart's respect for the traditions of the game, his commitment to uphold the game's heritage of charitable support, and his professional and meticulous presentation of himself and the sport through dress and conduct

Ben Crenshaw has always exemplified the qualities that embody the Payne Stewart Award - conduct, presentation, sportsmanship and integrity.

Commissioner Tim Finchem said, "Ben holds a reverence for the game, as evidenced by his

knowledge of its history, and by his professionalism, grace and manner on and off the golf course."

Crenshaw has won 19 PGA TOUR titles, including two major championships (1984 and 1995). Masters Tournament), during his 28-year TDUR career. He served as 1999 U.S. Ryder Cup Captain. This year, he joins the SENIOR PGA TOUR.

In addition to a sculpture presented to the recipient, the Payne Stewart Award is accompanied by an annual Payne Stewart Award Grant presented by Southern Company. The \$300,000 grant supports several initiatives in Stewart's name and is distributed as follows: \$100,000 to Payne and Tracey Stewart's primary charity. The Stewart Family Foundation; \$100,000 in Stewart's honor to The First Tee facility in Missouri, located at Camp Kanakuk, which is affiliated with the "Kids Across America" program; and \$100,000 to a charity designated by Crenshaw.

TOUR RECORD CHARITY STREAK CONTINUES; TOTAL SURPASSES \$500 MILLION

The stong of record years of chant; group by PGA 10UB events stands at 10 in a row after tournaments combined to surpass \$50 million for the first time in 2001. And that figure pushed the all-time total (since the first donation by a PGA TOUR event in 1938) to nearly \$525 million.

Last year's total of \$50,785,553 more than doubles the 1994 figure of \$24,701,631. The previous record, \$49,607,157 in 2000, came close to topping the \$50-million donations plateau.

The first year of the current record string was 1992, when \$22,223,055 was generated. Since 1977, the year in which the PGA TOUR Tournaments Association (PGATTA) was formed, charity records have been set in each year but one.

"Giving back to the communities in which our events are held is at the heart of the PGA TOUR," Commissioner Tim Finchem said. "The all-time total of \$525 million generated for charity is a very impressive figure. And the fact that yet another record has been established, this time surpassing \$50 million for the first time, serves to show that all participants – including players, tournaments and title sponsors – share in this very meaningful effort.

"But it is not just the PGA TOUR tournaments through which this charity success continues. Individual players add their own charity events and causes to the overall mix." Finchem added.

As is usually the case, the Verizon Byron Nelson Classic showed the way for individual events, with a tournament-record \$6,084,274.

"This latest PGA TOUR record is a tribute, not just to the players and to the tournaments, but also to the thousands of volunteers who make TOUR events so successful each year," said Barry Palm, Executive Director of the PGATTA, "We look forward to continuing the streak in 2002."

The combined figure raised by PGA TOUR. SENIOR PGA TOUR and BUY.COM TOUR events has exceeded \$650 million.

The PGA TOUR Donates Approximately \$3 Million to Relief Effort

The PGA TOUR, TOUR players and tournaments made donations of approximately \$3 million to support the relief efforts for victims of the September 11, 2001 terrorist tragedy.

Four tournaments that week, the World Golf Championships-American Express Championship in St. Louis and Tampa Bay Classic presented by Buick on the PGA TOUR, the Vantage Championship in Winston-Salem, NC, on the SENIOR PGA TOUR and the Oregon Classic in Eugene on the BUY.COM TOUR, were canceled in respect to the victims.

Play resumed the following week at the Marconi Pennsylvania Classic in Ligonier, PA on the PGA TOUR, the Boise (ID) Open on the BUYCOM TOUR and the inaugural SAS Championship in Cary, NC, on the SENIOR PGA TOUR. The ceremony featured speeches by golf dignitaries and members of the Ryder Cup teams, a message from President George W. Bush and music by Larry Gatlin, Lee Greenwood, the Air Force Band of the West and the Trinity Baptist Church Choir. An estimated 6,000 were in attendance.

The PGA TOUR, PGA of America and National Golf Course Owners Association made commitments that were expected to exceed \$6 million.

Via satellite. President Bush praised the organizations for the fundraising effort and organizing the tribute "Even in the worst of times, we are seeing the best of America." Bush said in his taped message. "We have seen it in the countless Americans who gave blood and donated money. We have seen it in the tales of heroic police officers and firemen who went into the World Trade Centers to save lives. We've seen it in the simple vet profound gestures of love and patriotism from every part of the American Family.

'Today, the PGA TOUR and the PGA of America are stepping up to do your part," he continued.

In addition to an initial \$2-million pledge made by the PGA TOUR shortly after the tragedy. Commissioner Tim Finchem announced more than \$400,000 had been committed by TOUR players and that PGA TOUR at 1 SENIOR PGA TOUR events had pledged in excess of \$325,000.

PGA of America President Jack Connelly announced contributions exceeding \$1 million. An additional \$520,000 was pledged to the relief effort on behalf of the United States Ryder Cup Team. Captain Curtis Strange and U.S. Ryder Cup team members Hal Sutton and David Toms and Jesper Parnevik of the European team spoke

BANK OF AMERICA CHARITY CUP

Bank of America sponsors the Bank of America Charity Cup, a season-long competition that began in 2000 for PGA TOUR tournaments.

The Westin Texas Open at LaCantera won the inaugural Bank of America Charity Cup, while the B.C. Open captured the 2001 competition. Each tournament received \$100,000 to share with local charities.

The Buick Classic finished second in last year's Charity Cup, earning \$60,000, while the Touchstone Energy Tucson Open's third-place finish was worth \$40,000. Additionally, the Buick Challenge, Touchstone Energy event and B.C. Open received \$30,000 bonuses for finishing first in the competition's three different segments.

"We are elated to win the Bank of America Charity Cup Challenge," said Alex Alexander, executive director of the B.C. Open. "We know we speak for all tournaments in offering appreciation to Bank of America for its sponsorship of this program that benefits charitable causes."

In the Bank of America Charity Cup, participating tournaments select different players each week via PGATOUR.COM. Over the course of the season, the same player may be chosen only once by individual events.

Golf fans also compete in the Bank of America Charity Cup Challenge via www.bankofamerica.com/sports. Last year's prizes for individual participants included a VIP trip to the AT&T Pebble Beach National Pro-Am, a trip for four to play the Tournament Players Club course of their choice and Scotty Cameron Pro-Platinum putters.

In 2002, participating tournaments collectively will receive more than \$1.25 million from Bank of America for distribution to charities of their choice.

TOUR WIVES ASSOCIATION

TOUR Wives Association. Inc. is a Florida nutfor-profit corporation organized to render
support for and provide assistance to needy
children and their families through the
means of charitable events. The
Association is comprised of the wives of
professional golfers on the PGA TOUR
and BUY.COM TOUR, as well as
individuals and corporations that support
the TOUR Wives Association's many
charitable endeavors.

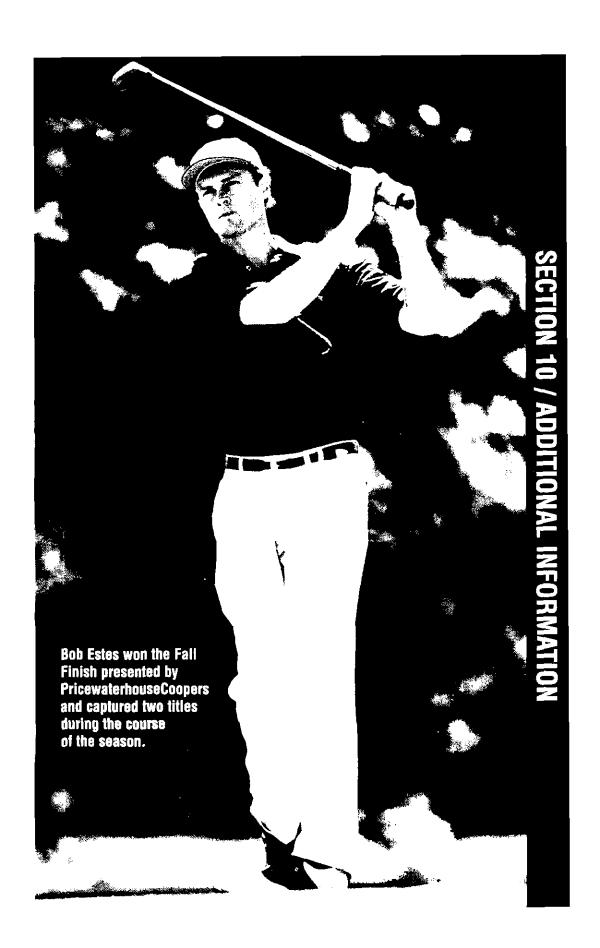

Since its incorporation in 1988, the TOUR Wives Association has supported children's charities across the country by raising money for child-related charities and given much back to the game of golf through personal and monetary contributions. In addition to the funds that are raised, the wives visit different charities in the communities where golf tournaments are held, spending time and playing with children supported by the charities.

The TOUR Wives Association conducts numerous fundraisers to support their charities. These include tasting events, concerts, live and silent auctions and other activities.

The Association's favorite (and longest-running) fundraiser is the biannual TOUR Wives Golf Classic, a nine-hole tournament at which the wives play golf —and their husbands act as caddies. The TOUR Wives Golf Classic, first played in 1987, has been held at different courses around the country.

In 2001, the TOUR Wives Association began selling its cookbook. *Taste of the TOUR*. The cookbook features favorite recipes, stories and pictures of players' families. This project has provided an ongoing source of income to the Association, allowing it to continue its support of children across the country.

While its membership varies from year to year, the commitment of the TOUR Wives Association to making a difference in the lives of needy children stands strong. The Association's dedicated members, past and present, have reached deep into their resources to balance the demands of family, work and travel and have given generously of themselves to realize their ideals.

TOURNAMENT PLAYERS CLUBS

Tournament Players Club

The PGA TOUR's Tournament Players Club Network has maintained a reputation for operating high-quality clubs since its inception 22 years ago. The TPC Network continues to grow, with 30 facilities currently open or under construction, including several overseas.

TPCs encompass all forms of golf-related operations – resort facilities, corporate/private membership clubs and daily fee courses – and, as such, PGA TOUR Golf Course Properties, Inc. is able to match the type of facility with the demands of each market in which a club operates.

The Network represents the highest standard in the golf course industry, commensurate with the members of the organization it represents, the players of the PGA TOUR. Each Tournament Players Club embodies the trademark of excellence first established with the flagship TPC at Sawgrass, which opened its world-famous Stadium Course in the fall of 1980 in Ponte Vedra Beach, FL.

This commitment to overall excellence serves as the foundation for the Network's overall success.

The TPC Network was born through former PGA TOUR Commissioner Deane Beman's desire to provide TOUR players with quality golf courses that also would offer spectators enhanced viewing areas.

Beman also reasoned that development of quality facilities would alleviate the TOUR's dependency on the television dollar, while providing rent-free venues for tournaments. The savings in rent, in turn, would generate both increased curses and greater charitable contributions by the tournaments held at TPCs.

The TPC at Sawgrass was the first Tournament Players Club to hold a PGA TDUR event, becoming the permanent home of THE PLAYERS Championship in 1982. Today, a growing number of PGA TOUR, SENIOR PGA TOUR and BUY.COM TDUR events are held at TPC facilities each year. In 2001, 17 tournaments were conducted on TPC courses.

Many of the top golf course architects are connected with Tournament Players Club projects, including Pete Dye, Tom Fazio, Arnold Palmer, Jack Nicklaus, Gary Player, Arthur Hills, Jay Morrish, Tom Weiskopf, Greg Norman, Bob Von Hagge and D.A. Weibring. Palmer's most recent design involvements have been with the TPC of the Twin Cities (opened in 2000), the TPC at River's Bend in Cinc nnati (opened last year) and the TPC of Boston (scheduled to open this year).

Moreover, in recognizing the importance of player input for tournament courses, TOUR members have served as design consultants, working closely with the lead architect.

The Tournament Players Clubs' overall commitment to junior golf became even more evident in 2001 when David Gossett — a product of the junior golf program at the TPC at Southwind — won the John Deere Classic, which is played at the TPC at Deere Run.

SHOTLINK

The PGA TOUR has collaborated with IBM, the TOUR's Official Worldwide Information Technology Partner, on the PGA TOUR ShotLink System. The ShotLink System is an

exciting platform for collecting and disseminating scoring and statistical data on every shot, by every player, real-time, during every tournament round.

Following a phase-in process during the 2001 season, ShotLink will be used as the primary scoring system on the PGA TOUR and SENIOR PGA TOUR in 2002.

The accumulation, packaging and presentation of expanded shot and course information will provide a clearer picture of various statistical categories through enhanced television broadcasts, more engaging on-site experiences, increased data for the media and significantly broadened Internet and New Media opportunities.

Shot data will be collected by volunteers utilizing a combination of Palm handheld devices and laser range finders.

IDS, EA Sports, GeoGolf and Geodetic Services also are technology partners in the development of the ShotLink System.

The development of ShotLink started more than three years ago, when the TOUR decided to update its current scoring system, which is based on 1987 technology. IBM has provided overall project management and consulting services, is providing the server and networking technologies and is developing the tournament on-site Intranet.

The ShotLink Intranet is designed to be an engaging, user-friendly interface with the ShotLink data, displaying a wealth of information such as multiple leaderboard presentations; hole and player shot charts, graphs and tendencies; detailed information on the golf course; breaking news; a comprehensive statistical center, including historical data; and weather information.

All information will be instantaneous and available in the media center, to television broadcasters, in corporate hospitality areas and for other locations around the tournament venue. A variety of information also will be presented on the electronic scoreboards.

Moreover, some of the Intranet presentation will be reapplied to the Internet via PGATOUR.COM and be available on TOUR Links, the player laptop information system that IBM also developed.

WORLD GOLF VILLAGE

Jack Peter Vice President & Chief Operating Officer World Golf Halt of Fame

World Golf Village has been called the most ambitious project in the history of the sport. Today, this sprawling 6,300-acre resort and residential golf community, located in northeast Florida between Jacksonville and St. Augustine, has become the most comprehensive destination in the world showcasing golf's rich history and increasing popularity in an engaging interactive setting.

What sets World Golf Village apart is its remarkable range of first-ever features, including the World Golf Hall of Fame, the new PGA TOUR Golf Academy, the PGA TOUR STOP retail center, PGA TOUR Productions, Murray Bros. Caddyshack restaurant and the King

& Bear, the first golf course design collaboration between legends Jack Nicklaus and Arnold Palmer. Here, the game's past meets its future in a charming community that centers around, and fans out from, picturesque Kelly Lake, with attractions appealing not only to golfers but also to anyone with an appreciation for the game's time-honored traditions.

The Village's centerpiece is the 75.000-square-foot World Golf Hall of Fame, which pays tribute to the game's greatest individuals and players as well as providing the experience of golf's exciting past and present. Adjacent to the

World Golf Hall of Fame is the 300-seat World Golf Village IMAX Theater, North Florida's only IMAX facility and the only IMAX Theater directly associated with a sports hall of fame. Outside the Hall of Fame, the Walk of Champions is a half-mile brick path encircling Kelly Lake, linking the components within the heart of World Golf Village.

World Golf Village features two championship golf courses, encompassing nearly 400 acres, with first-rate clubhouse facilities and services operated by Honours Golf. Designed to challenge players of all skill levels, both are well-manicured, par-72 courses offering five sets of tees. The courses have each played host to the annual Liberty Mutual Legends of Golf, a SENIOR PGA TOUR event.

The King & Bear, named, respectively, for Palmer and Nicklaus, opened in 2000 with a ceremonial exhibition between its namesakes. This 7.279-yard course is the first-and-only course design collaboration between these two golf greats, whose careers have been enhanced by their friendship and competition and whose goal was to create an eminently playable and picturesque course with memorable par 5's amid lakes, loblolly pines and 200-year-old live oaks. Located in the heart of World Golf Village, the Slammer & Squire opened in 1998 and is named, respectively, for Hall of Famers Sam Snead and Gene Sarazen. Snead and Sarazen served as course consultants to course architect Bobby Weed. This 6,939-yard resort course, distinguished by memorable par-3s, preserves the woodlands, wetlands and natural beauty of the area.

The PGA TOUR Golf Academy at World Golf Village represents the quality instruction and golf experience that is commensurate with the TOUR's reputation for excellence. As the only teaching facility to bear the TOUR name, the Academy offers PGA TOUR members, World Golf Village guests and students alike access to its state-of-the-art facility and equipment. Moreover the game's leading instructors, many of whom work with TOUR members, are able to utilize the facility.

Additional amenities include a variety of luxurious accommodations, fine dining and

excellent shopping choices. The World Golf Village Renaissance Resort and adjacent St. Johns County Convention Center, designed and operated by John Q. Hammonds, feature 300 rooms and premier resort amenities. Sheraton's Vistana Resort offers upscale vacation villas with a wide selection of vacation options, from a brief stay to interval ownership. The Comfort Suites hotel offers 162 well-equipped suites and many recreational amenities.

Also on the Walk of Champions, the Shops at World Golf Village are anchored by the flagship PGA TOUR Stop, a 30,000-square-foot specialty retail showplace featuring more than 40 concept shops on two levels. Other retailers include Kennedy's Art Studio, featuring golfthemed artwork and prints and Among the Flowers, which offers a wide selection of handbags, luggage and accessories.

Even dining gets a dose of the game's spirit. New in June 2001, actor-comedian Bill Murray, together with his five brothers, opened the first Murray Bros. Caddyshack. The fun, family-style restaurant, named for Murray's 1980 comedy film, seats 300 and serves a casual, golf-themed menu including sand-wedges (sandwiches) and slices (side dishes).

World Golf Village offers a diverse range of housing options catering to young families and retirees. The community offers the convenience of shopping, healthcare, entertainment, championship golf, great schools, parks and a newly opened Swim & Tennis Center. Though still in its early stages - with a decade of planned development ahead - World Golf Village already has gone a long way to establish itself as a singular vacation destination and premier residence for golfers and fans of the game.

Shell Oil Company is the sole Founding Partner of World Golf Village.

WORLD GOLF HALL OF FAME

The World Golf Hall of Fame is the stately. 75,000-square-foot centerpiece of World Golf Village. It is a tribute to the history of golf and those who have contributed to the game, combining a multitude of historic artifacts with interactive exhibits and technology. The Hall of Fame marks the first time that the major international golf organizations and professional tours have united in support of a single project. Adjacent to the World Golf Hall of Fame is the 300-seat World Golf Village IMAX Theater, the only IMAX Theater directly associated with a sports hall of fame.

The Hall of Fame is laid out like a golf course into 18 separate areas. Along the way, visitors will find such unique artifacts as Jack Nicklaus' favorite fly-fishing rod, a Barbie doll from Nancy Lopez's childhood and an exhibit celebrating Alan Shepard's 1,500-yard drive on the moon. Guests will enjoy the brand new state-of-the-art swing analyzer that features more than 40 different famous courses from around the world.

The 71 players and contributors inducted into the former Hall of Fame in Pinehurst and/or the LPGA Hall of Fame were reinducted into the new facility. Annual induction ceremonies for newly elected Hall of Fame members are held each year, bringing together dignitaries from throughout the golf world.

The first elections for the PGA TOUR and International Ballots were conducted in 1996 and 1997. Johnny Miller was the only player elected in 1996, receiving the necessary 75 percent of votes on the PGA TOUR ballot. Seve Ballesteros of Spain and Nick Faldo of England became the first players elected through the International Ballot of 1997, their first year of eligibility.

Faldo was inducted in 1998. Ballesteros was inducted in 1999 with the late Lloyd Mangrum, who was admitted in 1998 via the PGA TOUR Ballot, and LPGA star Amy Alcott.

The 2000 ceremony welcomed eight new members: the first Veterans Category inductee, Jack Burke, Jr.; and the first Lifetime Achievement inductees: Deane Beman, Sir Michael Bonallack, Neil Coles and John Jacobs. Other inductees were LPGA players Beth Daniel, elected in 1999, and 2000 electee Juli Inkster. Judy Rankin was elected through the LPGA Veterans Category.

The ceremony in 2001 continued the tradition with six new inductees: Greg Norman and Payne Stewart elected through the PGA TOUR ballot; Donna Caponi elected through the LPGA Veterans Category; Judy Bell and Karsten Solheim selected for Lifetime Achievement; and Allan Robertson selected in the Veterans Category. Bernhard Langer was elected through the International Ballot and will be inducted during the ceremony in 2002.

Shell Hall is the area that honors the male and female Hall of Fame members from around the world. Guests can reference information on the life and career of every member, including statistics, photographs and video clips in a database developed by technology partner IBM.

The World Golf Hall of Fame experience is never the same, with its Special Exhibit Gallery featuring golf art, photography and traveling exhibits year-round, and its educational programs such as the *Science of Golf*, which illustrates the scientific principles that govern the game of golf with dynamic and interactive demonstrations.

Opened in 1998, the World Golf Hall of Fame was developed to be a dynamic educational tool imparting the values taught by golf — honesty, integrity, sportsmanship — through instruction, inspiration and just plain fun. The World Golf Foundation oversees the World Golf Hall of Fame and other nonprofit components of World Golf Village near St. Augustine, FL.

As sole founding partner of World Golf Village, Shell Oil Company provides financial support to the World Golf Foundation and supports its charitable initiatives aimed at introducing golf to young people, thereby promoting scholastic achievement, community service and those values intrinsic to the game of golf.

THE FIRST TEE

The First Tee is a World Golf Foundation initiative that has as its mission to impact the lives of young people around the world by creating affordable and accessible golf facilities to primarily serve those who have not previously had exposure to the game and its positive values. It has the active support of The First Tee's Oversight Committee, which includes representatives of five organizations that serve on the World Golf Foundation

Board: the PGA TOUR, PGA of America, LPGA. United States Golf Association and Augusta National Golf Club. Former President George Bush is Honorary Chairman of the initiative.

In addition to The First Tee's Oversight Committee, this initiative has the support and participation of a variety of key sectors:

- A wide range of public sector constituencies, including the U.S. Department of Housing and Urban Development, Bureau of Land Management, National Association of Parks and Recreation, National League of Cities, U.S. Conference of Mayors and the National Association of County Officials
- A variety of groups and organizations, including the YMCA of the USA. Boys & Girls Clubs of America, Tiger Woods Foundation and Golf Course Superintendents Association of America.

The true value of The First Tee is based on golf's unique ability to instill and nurture essential values, such as honesty, integrity, sportsmanship and a solid work ethic in young people who are introduced to the game. These values are enhanced through The First Tee's Life Skills program.

The second of the

which has been developed to provide an opportunity for The First Tee participants to learn valuable skills. These include goal-setting, decision-making and mentoring, all skills that can be used on and off the golf course.

The Phase I goal of The First Tee was to have 100 facilities in development by the end of the year 2000. On August 27, 2000, it was announced The First Tee had surpassed the initial goal with 129 facilities in some stage of development, spanning 38 states and with one in Canada.

Under the direction of Joe Louis Barrow, Jr., National Director of The First Tee and Senior Vice President of the World Golf Foundation, The First Tee has turned its focus to Phase II.

The objectives for Phase II include the primary goal of impacting the lives of 500.000 young people cumulatively through 2005. In addition, the plan calls for The First Tee to expand to 250 facilities while also establishing 500 affiliate relationships.

The First Tee already has made great strides toward reaching these objectives, having touched more than 64,000 children at facilities across the country during 2001, establishing affiliate relationships with 74 golf courses and opening 44 new First Tee facilities.

As The First Tee continues to grow and gain support, more and more young people will be introduced to the game of golf and its inherent values.

GOLF 20/20: VISION FOR THE FUTURE

In November 2000, senior members of the golf industry came together at World Golf Village for a conference called *GOLF 20/20: Vision for the Future*, and embarked on an unprecedented collaborative effort to enhance the future of the game. The spirit of unity was so strong, and the commitment to make a difference so universal, that the decision was made to address some very specific issues in 2001 and to meet again in November to review the progress and solidify the strategy.

GOLF 20/20 is a World Golf Foundation initiative that was started with the following stated mission: To align the golf industry behind a plan that addresses the future of golf in a strategic manner, with an emphasis on accelerating growth and participation, and creating new avenues of access into the game. The focus of the conference was not only on participation but also on interest, and three major objectives were established with the goal of fulfilling them by the year 2020:

- Golf would be at a level of popularity in the United States equal to the National Football League.
- There would be 55 million participants in golf in the U.S.
- There would be one billion rounds of golf played each year.

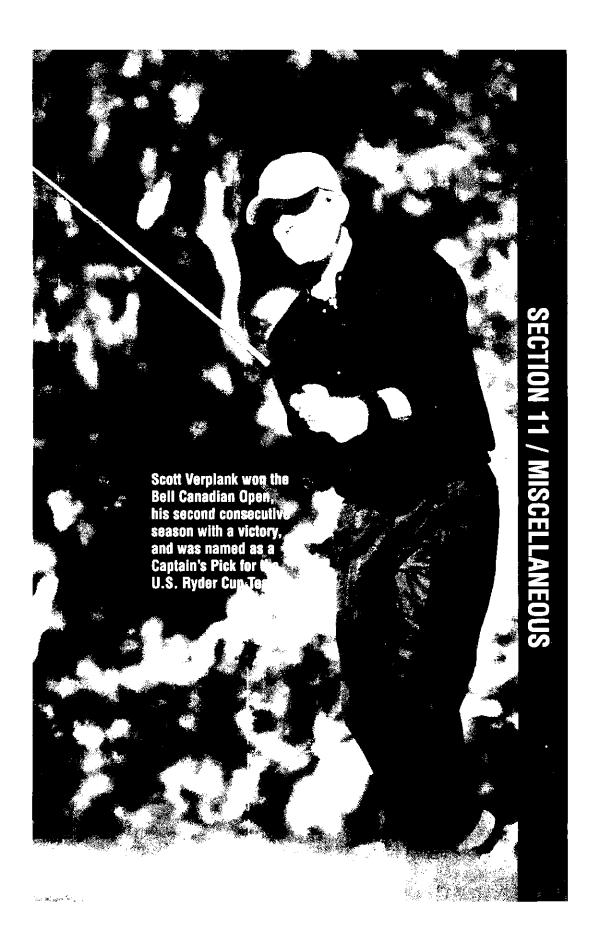

Initiatives that were implemented in 2001 were reviewed last November at the second *GOLF 20/20* conference, including extensive segmentation research, a player development program and a junior golf initiative that has introduced a Web site to create a database of junior programs nationwide.

Link Up 2 Golf is a development program that was tested in the Raleigh-Durham-Chapel Hill area of North Carolina with great success. It offered an introduction to the game at an affordable price and in a friendly, non-intimidating manner. Subsequently, the PGA of America and National Golf Course Owners Association announced that they will partner in expanding the concept in 2002.

The USGA Foundation took the lead role in the junior golf initiative, which included the coordination of a series of local and regional summits and the development of juniorlinks.com. The Web site is a resource for youth, their parents and junior golf program administrators with a comprehensive listing of structured junior programs and a variety of related information.

GOLF 20/20 also is focusing on such areas as alternative facilities and their impact, college golf and communication, with a focus on definitions and indicators for consistent measurements in years to come.

The initiative's Executive Board includes: PGA TOUR Commissioner Tim Finchem. Chairman; Jim Awtrey, The PGA of America CEO: David Fay, Executive Director of the USGA; Michael Hughes. Executive Director of the NGCOA; Steve Mona, CEO of the Golf Course Superintendents Association: Wally Uihlein. President and CEO of Acushnet Company: and Ty Votavy. Commissioner of the LPGA.

BAD WEATHER GUIDELINES

In situations involving bad weather, the PGA TOUR's first priority is always the competition and completion of 72 holes. Every effort will be made to achieve this objective by Sunday, which could include playing 36 holes on the final day. If this can not be accomplished, play will always be extended to Monday if conditions and the weather forecast permit.

In making decisions to extend play beyond Sunday or to reduce the tournament to fewer than 72 holes due to inclement weather, the on-site Tournament Director discusses the situation and conditions with a number of parties, including the host organization, title sponsor, host site (general manager and/or golf course superintendent), on-site weather forecaster, television representatives and the other members of the Rules Committee. Players typically have not been included in these discussions as the TDUR believes it is inappropriate for the Rules Committee to discuss matters directly affecting the competition with contestants.

In an effort to provide more definitive guidelines for use in the decision-making process, the following is followed:

BAD WEATHER GUIDELINES

Every effort will be made to finish each round as scheduled by Sunday. The first priority is always the competition and completion of 72 holes.

In an effort to achieve this objective by Sunday, 36 holes may be played on Sunday following a reduction of the field to the score which has the closest number of professionals to 60. If an equal number of professionals are at scores above and below the 60th position, the higher score will be used.

If conditions exist which prevent 72 holes from being completed by Sunday, play will always be extended to Monday if golf course conditions and the weather forecast permit. Play on Monday could include 36 holes.

If conditions exist which make the completion of 72 holes impossible, the next priority is to complete 54 holes; thereby the winner is credited with an official victory. Again, play in this situation will always be extended to Monday if conditions and weather permit.

If conditions exist which make the completion of 54 holes impossible, the next priority is to complete 36 holes: thereby players receive official money, although the winner is credited with an unofficial victory. Again, play in this situation may be extended to Monday.

PGA TOUR IMAGES WEB SITE

One Stop Source for Official PGA TOUR Photos and Logos

The PGA TOUR Creative & Photographic Services Department has established a digital asset Web site that presents a broad inventory of player and tournament photography – plus all TDURs, tournament and Tournament Players Club logos – that will help expedite delivery of requested images.

pgatourimages.com became active as a test site in March and currently is fully operational. It has been designed to provide a secure and convenient means for media and clients to review and either download or request a CD of player images, scenics and logos. The goal of this site is to achieve approval and fulfillment of download requests within 24 hours (CD requests within 48 hours), although orders approved before 3:00 p.m. ET may ship that day.

The site features more than 5,000 images and logos and includes portrait and action shots of each active member of the PGA TOUR, SENIDR PGA TOUR and BUY.COM TOUR. Future plans include archived photos of noted golfers from the past and a significant selection of golf stock or non-TOUR images that can be licensed for commercial use.

Drice a request has been submitted, PGA TOUR Creative & Photographic Services will review and then verify by e-mail whether it has been accepted. If accepted, the images become available via download or CD.

For information, call 904-280-2434 or e-mail requests to photo@pgatourhq.com. Logos may be requested by calling 904-280-2436 or by e-mail (jrice@pgatourhq.com).

DEDICATION
