Fiji's **Vijay Singh** won nine times and captured the Jack Nicklaus Trophy as the Player of the Year, the Arnold Palmer Award with a record \$10,905,166 in earnings and the Byron Nelson Award with a 68.84 stroke average.

## A Message to the Media

On behalf of our players, staff, tournaments and volunteers, welcome to another exciting season of PGA TOUR golf. We are grateful to the wide assortment of global media outlets that display an interest in our sport and for the thorough and professional coverage that has been an essential element in the steady growth and diversity of the TOUR.

The fan base for PGA TOUR golf continues to develop worldwide, both on site at the 100-plus tournaments on our three Tours and via international broadcasts throughout the year. The group of dedicated golf fans has developed substantially over the years. Additionally, more women, children and minorities are rapidly getting involved in the game, creating new levels of interest in golf.

The PGA TOUR reflects this expansion with 78 international players representing 22 countries in our membership this season. More than half of the winners in 2004 hailed from outside the United States, led by Player of the Year and nine-time winner Vijay Singh of Fiji and three-time winner Ernie Els of South Africa, who placed first and second on the Official Money List. Television is also a global entity, with our broadcasts reaching 140 countries and 200 million households with translation into 32 languages, including all three major networks and the top cable carriers in the United States.

The 2004 PGA TOUR season was thrilling from start to finish. Singh completed one of the most amazing years in golf history, cracking the \$10-million barrier in earnings for the first time in history to capture the Arnold Palmer Award, taking home the Byron Nelson Award for low stroke average and thereby earning his peers' vote as the recipient of the Jack Nicklaus Trophy for Player of the Year. The season also included pressure-packed major championship victories by Phil Mickelson (Masters), Retief Goosen (U.S. Open), Rookie of the Year Todd Hamilton (British Open) and Singh (PGA Championship). Australian Craig Parry may have pulled off the shot of the year when he holed out from the fairway for an eagle on the 18<sup>th</sup> hole at Doral, the season's most difficult hole, to win a playoff at the Ford Championship at Doral. Another Australian, Adam Scott, won twice, including THE PLAYERS Championship.

Whether it's watching the young stars like 2003 Nationwide Tour Player of the Year Zach Johnson or two-time 2004 winner Sergio Garcia or following ageless veterans like Fred Funk and Jay Haas, the level of competition on the PGA TOUR continues to strengthen each year.

The upcoming season promises to continue this momentum. Two new tournament title sponsors, worldwide financial institutions Barclays Bank and Zurich Financial Services, are on board for longtime PGA TOUR cities New Orleans (the Zurich Classic of New Orleans) and New York (the Barclays Classic). The new Tournament Players Club of Louisiana, designed by Pete Dye, will debut as the site of the Zurich Classic of New Orleans. Congressional Country Club, one of the world's top courses, will be the site of the Booz Allen Classic near Washington, DC in June. San Francisco's Harding Park Golf Course, one of the best public facilities in the nation, will host the World Golf Championships-American Express Championship in the fall. The Presidents Cup, which ended in a thrilling deadlock in South Africa in late 2003, returns this fall with World Golf Hall of Famers Jack Nicklaus and Gary Player back as captains of the United States and International squads, respectively.

The Champions Tour, recognized as the most fan-friendly professional league, welcomes two-time U.S. Open champion Curtis Strange, two-time British Open champion Greg Norman and a strong group of newcomers who will find stiff competition in 2004 Player of the Year Craig Stadler and 2004 Charles Schwab Cup winner Hale Irwin as the Champions Tour celebrates its 25<sup>th</sup> anniversary.

On the Nationwide Tour, fans can see the stars of tomorrow as they prepare during a full season of play. The excellence of the Nationwide Tour is displayed by the fact that a record five of the 20 graduates of the 2003 Nationwide Tour class won on the PGA TOUR in 2004. Former Nationwide Tour players have won nearly 160 times on the PGA TOUR.

Beyond the competitive area, we are extremely proud of what our tournaments, players and volunteers do for charity, supporting the communities where we play and live through a wide assortment of functions. Programs such as the CRESTOR Charity Challenge, where the 54-hole tournament leader earns a \$100,000 healthcare gift to his designated charity and that week's tournament charity, have made great strides in our ascent to \$1 billion in giving all-time. We are expected to reach that milestone by 2006, creating a unique achievement among professional sports leagues.

We look forward to assisting you in telling our story. If you have questions or concerns, our staff on site at tournament media centers or at PGA TOUR Headquarters in Ponte Vedra Beach, FL, is more than happy to assist.

Thank you again for your attention and enjoy a great season of golf.

Sincerely,

Timothy W. Finchem  
Commissioner  
PGA TOUR

Henry Hughes

## We Are the PGA TOUR

The name of our organization is the PGA TOUR, a tax-exempt membership group of professional golfers that plays more than 100 official money tournaments on three Tours – the PGA TOUR, Champions Tour and Nationwide Tour. Our headquarters are located in Ponte Vedra Beach, FL, southeast of Jacksonville.

We should never be referred to as the PGA as we are a different organization than the PGA (of America). We are the PGA TOUR. On second reference, you can call us the TOUR.

The PGA is the Professional Golfers' Association of America, a membership organization for the nation's club professionals. The PGA runs the PGA Championship, Senior PGA Championship and Ryder Cup Matches, among other championships. The PGA headquarters are located in Palm Beach Gardens, FL.

The PGA TOUR and PGA of America were affiliated until 1968, when the tournament players, a small subset of the total PGA membership, broke away to form the Tournament Players Division and gain more control of their finances and tournament schedule. The Tournament Players Division was renamed the PGA TOUR in 1975. While the two organizations still work closely together today, the PGA TOUR and PGA of America are separate entities.

Two other American golf organizations are involved in men's professional tournament play, independent of the PGA TOUR but with their marquee events included on the PGA TOUR schedule as non-PGA TOUR cosponsored tournaments. The United States Golf Association, with headquarters in Far Hills, NJ, oversees the national championships (U.S. Open, U.S. Senior Open, U.S. Amateur, U.S. Women's Amateur, etc.) and administers the Rules of Golf, among other duties. The Augusta (GA) National Golf Club plays host to the Masters Tournament. The Royal and Ancient Golf Club of St. Andrews, Scotland oversees the British Open and administers the world's golf rules jointly with the USGA.

The Champions Tour, celebrating its 25th anniversary, will continue to combine extremely competitive golf for champions of the game age 50 and older with a fan-friendly platform that promotes "inside the ropes" and game-improvement for its fans. The Nationwide Tour grows as a virtual extension of the PGA TOUR. Through 2004, nearly 160 PGA TOUR tournaments have been won by former Nationwide Tour players.

## A Brief History of the PGA TOUR

It is not always easy to pinpoint the exact beginning of something. So it is with the PGA TOUR. Certainly, professionals have competed against each other from the earliest days of the game in the United States.

In 1895, 10 professional golfers and one amateur played in the first U.S. Open in Newport, RI. Shortly thereafter, tournaments began to pop up across the country. There was the Western Open in 1899. But this was not “tour” golf. The events lacked continuity.

Interest in the game, however, continued to grow. American professionals were rapidly improving. And when John McDermott became the first American-born player to win the U.S. Open in 1911, interest in the game blossomed.

That interest became enthusiasm in 1913 when Englishmen Harry Vardon and Ted Ray came to the United States to play an exhibition tour and compete in the U.S. Open. When 20-year-old amateur Francis Ouimet defeated the pair in a playoff for the Open at Brookline, MA, golf became front-page news and a game for everyone.

In the early 1920s, a series of tournaments was held on the West Coast, in Texas and Florida. These events were held in the winter, and the golfers played their way east and up to Pinehurst, NC, in the spring. By the middle of the decade, the tour was doing relatively well—offering \$77,000 in total prize money.

The first “playing pros” organization was formed in 1932. Two years earlier, Bob Harlow had been named manager of the PGA Tournament Bureau. The tour became more structured following World War II and exploded in the late 1950s and early ‘60s. When Arnold Palmer, televised golf and President Dwight D. Eisenhower arrived on the scene in the late 1950s, the eyes of the world were on golf. This exposure inspired millions to try the game.

Most golf historians would trace the “formal” beginning of the PGA TOUR to late 1968, when the “Tournament Players Division” split from the PGA of America and hired Joseph C. Dey as its first Commissioner. That organization became the modern-day PGA TOUR. Dey served from early 1969 through February 28, 1974, and was succeeded by Deane R. Beman on March 1, 1974.

During Beman’s administration, the value of tournament purses escalated at an unprecedented rate: PGA TOUR assets grew from \$730,000 in 1974 to more than \$200 million, and total revenues increased from \$3.9 million to \$229 million in 1993.

Timothy W. Finchem, previously the TOUR’s Deputy Commissioner and Chief Operating Officer, became the TOUR’s third Commissioner on June 1, 1994. In 1995, Finchem undertook a restructuring program designed to strengthen the PGA TOUR’s core business, which is its competitions, expand

the TOUR's international scope and prepare it to enter the 21st century. In 1996, Finchem helped spearhead formation of the International Federation of PGA Tours, as golf's five world governing bodies laid the groundwork for taking competition into the next millennium. In 1997, the Federation announced the World Golf Championships, which made their debut in 1999 with three events—the Accenture Match Play Championship, NEC Invitational and American Express Championship. The World Cup joined this group in 2000.

Since 1938, PGA TOUR events have donated more than \$900 million to charity, making a mark in the communities in which the TOUR plays through its charity campaign, "Giving Back...The Heart of the PGA TOUR." The \$1 billion-mark is expected to be surpassed by 2006.

The competitive scope of the PGA TOUR also is much broader today. The Champions Tour, which is celebrating its 25<sup>th</sup> anniversary this year, has been labeled the most successful senior sports venture in history. An interactive element with fans and television viewers has brought new exposure to the Tour. Since starting out with just two cosponsored events and \$250,000 in prize money in 1980, the Champions Tour has grown to approximately 30 events. And the Charles Schwab Cup will be competed for the fifth time in 2005. The Nationwide Tour, under that sponsorship umbrella for the third year, has been recognized as a virtual extension of the PGA TOUR with its excellent

level of play that saw nearly 60 percent of its alumni making up the 2005 PGA TOUR. The Nationwide Tour provides outstanding golf competition in more than 30 communities while raising significant charity dollars. Among the former players on this Tour who have gone on to star on the PGA TOUR are David Duval, Tom Lehman, Jeff Maggert, Stuart Appleby, Stewart Cink, David Toms, 2003 U.S. Open winner Jim Furyk, 2003 PGA Champion Shaun Micheel. Zach Johnson, Mark Hensby, Vaughn Taylor, Andre Stolz and Ryan Palmer won on the 2004 PGA TOUR and were 2003 Nationwide Tour graduates.

Also continuing to grow is the Tournament Players Club Network. When the PGA TOUR opened the Tournament Players Club at Sawgrass in 1980, it introduced the era of stadium golf and record-breaking attendance. Owned and/or operated by the TOUR, these courses are the only major-league sports venues owned by the players themselves.

## About the Commissioner

**Timothy W. Finchem**  
Commissioner

Timothy W. Finchem, 57, is the third Commissioner of the PGA TOUR. Finchem succeeded Deane R. Beman as Commissioner on June 1, 1994. Beman had served for 20 years, replacing the late Joseph C. Dey, who had been the TOUR's Commissioner in its first five years, 1969-74.

Finchem, Deputy Commissioner and Chief Operating Officer of the TOUR under Beman since 1989, joined the TOUR staff as Vice President of Business Affairs in 1987.

As Commissioner, Finchem has greatly expanded the earnings opportunities for PGA TOUR players domestically and internationally. He also has taken leadership roles in the formation of the International Federation of PGA Tours and the World Golf Foundation, Inc.

His personal dedication to the success of the World Golf Foundation's First Tee initiative has helped that program achieve its initial objectives in developing facilities that will have an impact on the game for years to come.

"Our primary purpose as a membership organization is to create outstanding playing and earnings opportunities for our players," Finchem says,

"and we are proud of what our tournaments do for charity (more than \$900 million raised) and the active role we have been able to take as an organization in growing the game for future generations."

Born in Ottawa, IL, on April 19, 1947, Finchem graduated from Princess Anne High School in Virginia Beach, VA. He attended the University of Richmond on a debate scholarship, receiving his Bachelor of Arts degree in 1969. He graduated from the University of Virginia Law School in 1973.

After practicing law in Virginia Beach for three years, Finchem served in the White House as Deputy Advisor to the President in the Office of Economic Affairs in 1978 and 1979. In the early 1980s, Finchem co-founded the National Marketing and Strategies Group in Washington, D.C.

Finchem is recipient of the Golf Course Superintendents Association of America's Old Tom Morris Award for 2001 and the PGA of America's Distinguished Service Award for 2002.

Married to the former Holly Bachand, Finchem is a father of four. The Finchems live in Ponte Vedra Beach, FL.

South Africa's **Ernie Els** won a career-high three times on the PGA TOUR in 2004 and placed second on the money list, another career high finish, with \$5,787,225 in earnings.

## CAREER HIGHLIGHTS:

**2003:** After playing with partial status most of season, turned it around in September with second career victory at

the Valero Texas Open, done in record-setting fashion with rounds of 64-62-63-65—254. The 254 total (26-under-par) broke Mark Calcavecchia's 72-hole PGA TOUR mark of 256 he set in winning at the 2001 Phoenix Open. The 54-hole total of 189 matched the TOUR record shared by Calcavecchia and John Cook (1996 FedEx St. Jude Classic). Did not post a bogey until the back nine on Sunday. Was attempting to become the first player since Lee Trevino (1974 New Orleans Open) to win a TOUR event without a bogey. The 13 years and eight months and 366 starts between victories (1990 Phoenix Open) was the third-longest time between victories in TOUR history. At age 43 years, 11 months and 20 days, was one of 11 players age 40 or above to win on TOUR during the year. In relation to par for a par-70 golf course, also broke the TOUR record of 22-under-par set by Donnie Hammond at the 1989 Texas Open. Win was worth \$630,000, the largest payday of career.

**2002:** Picked up first top-10 finish since the 2000 Byron Nelson Classic with a T7 at the Sony Open in Hawaii...Led Greater Milwaukee Open after opening-round 63, lowest round on TOUR since 60 during second round of 1999 Las Vegas Invitational. Finished T8. **2001:** Finished 161st on the money list, returned to Qualifying Tournament and finished T8 to retain his card for the 2002 season. Played in 32 PGA

Best finish was T5 at the Nissan Open. **1999:** Came close to winning his first TOUR title since 1990 Phoenix Open when he lost a playoff to Gabriel Hjertstedt at the Touchstone Energy Tucson Open. Hjertstedt won playoff on the first extra hole with a birdie...Fired second-round 60 at Las Vegas CC in Las Vegas Invitational. His 12-under-par 60 included a missed two and one-half foot putt on 14. He became the only player 40 or older to shoot a 60 on a par-72 course. **1998:** Finished among the top-60 on the TOUR money list for the first time since 1990...Shot final-round 64 to finish T2 at Phoenix Open for first runner-up finish since 1990. **1994:** Found success on Nationwide Tour, winning Miami Valley and Cleveland Opens in consecutive weeks to become first player to win back-to-back Nationwide Tour events. Finished seventh on Nationwide Tour money list to gain spot on 1995 PGA TOUR...Played in 1994 U.S. Open at Oakmont CC, site of grandfather's 1927 U.S. Open victory. **1990:** Enjoyed success and consistency on the TOUR from 1988 through 1990, including a victory at the Phoenix Open. In 38th career professional start finished second to Heath Slocum at the Chrysler Classic of Tucson. Ironically, posted a season TOUR-low 95 putts in the tournament... Other top-25 finishes included a T21 at The Honda Classic, where he made his first career TOUR start in 2000 as an amateur and a T15 at the Sony Open in Hawaii... Needed to make the cut at the season-ending Chrysler Championship to secure a spot inside the top-125 on the final money list and placed 67th in Tampa.

## CAREER HIGHLIGHTS:

2003: PGA TOUR rookie had a strong debut thanks to three top-10s, including losing in a playoff at the Sony Open in Hawaii. Finished the highest on the TOUR money list among the six Nationwide Tour graduates from the class of 2002 to retain TOUR cards, finishing 73rd... Made a 10-foot birdie putt on the 72nd hole at the Sony Open in Hawaii for a final-round 69 to get into a playoff with Ernie Els. On the second playoff hole at Waialae Country Club, Els made a 43-foot birdie putt from the fringe of the 10th green. Baddeley left

his 20-foot birdie putt on the edge. The runner-up spot was his first career top-10 and worth a career-best \$432,000... Missed the better part of three months during the year due to ankle injury suffered playing ultimate frisbee after the Bay Hill Invitational in late March. He was out of action from THE PLAYERS Championship until coming back at the FedEx St. Jude Classic, where he finished T53... Opened and closed with career-best 62s at the Valero Texas Open to finish fifth. 2002: Earned his way on to the PGA TOUR via a 10th-place finish on the Nationwide Tour money list. Posted three runner-up finishes, at the Knoxville Open, Bank of America Monterey Peninsula Classic and the Gila River Classic. Closed out season with four top-15s to earn Player of the Month (October) honors. Made the cut in two of his three PGA TOUR appearances with his best finish, a T44 at the Reno-Tahoe Open. 2001: Played in nine TOUR events and teamed with Adam Scott for a T14 at the WGC-EMC World Cup. Winner of the Greg Norman Holden International. Finished as the 2000-01 PGA TOUR of Australasia Order of Merit Champion and did not miss a cut on the PGA Tour of Australasia that year. Amateur: In 2000, made one cut, a T57 at Honda Classic, in nine TOUR appearances as an amateur. Stayed with countryman Greg Norman during The Honda Classic, his first TOUR start. Highlight of the year came when he defended his Holden Australian Open title... In 1999, won the Holden Australian Open as an amateur, becoming the youngest player to win that event and the first amateur since Bruce Devlin in 1959... First amateur to receive a special invitation to the Masters since 1976... Was selected to the Eisenhower World Team, becoming the youngest Australian to represent his country in any world team event.

## CAREER HIGHLIGHTS:

Co-leader through 18 and 36 holes. Post-round thoughts were on brother Greg, 20, a third-generation U.S. Marine stationed in the Middle East. "We are on the brink of war, but maybe I can go out and win the golf tournament, my younger brother might read it somewhere in the paper." Reunited with Greg after return from Middle East at the FedEx St. Jude Classic, where he finished T13...Posted a T8 at John Deere Classic. Two shots behind Chris Riley and J.L. Lewis through 54 holes after third-round 65. Improved from 197th in 2001 to 108th on the TOUR money list. **2001:** Made only four cuts in 12 starts to finish 197th in earnings because of injured back. Attributed lower-back injury to over-exuberance in off-season conditioning, with rest being the only cure. Took off two months between the Masters in April and the FedEx St. Jude Classic in June.

The 13-under-par round included a 27 (9-under) on the second nine of his second round at the Dominion Open. Recorded nine birdies and two eagles (one of which was a hole-in-one)...Placed 10th on Nationwide Tour money list and earned exempt status on 1999 PGA TOUR. **1996:** Medalist at Canadian Tour Qualifying Tournament. **Amateur:** Member of U.S. Walker Cup team. Member of Stanford's 1994 NCAA Championship team, along with Casey Martin...where he was an all-America selection for third time...Holder of record for lowest 18-hole score in NCAA Championship history with 62 in the second round of the 1994 tournament. Winner of 15 major junior and amateur titles.

In summer would save spare change for bucket of range balls and then asked head pro at Ladera Golf Course near his home if he could work at course for playing privileges...Most successful Native American golfer, with four TOUR victories. Half Navajo, one-quarter San Felipe and

one-quarter Isleta...In a continuing effort to honor heritage, conducted a junior clinic in Philadelphia, MS, home to the Choctaw Indian Reservation, two weeks prior to the 2002 Southern Farm Bureau Classic. "I hope to sort of continue to help (Native American) junior programs along, and work with them to increase the diabetes awareness within their community. These are some of the pivotal issues that are an integral part of my agenda as reaching out to Native American groups."...Has putted left- and right-handed, depending upon direction the putt breaks...Brother Clint caddied in his two 2000 victories...The movie, "Windtalkers," starring Nicolas Cage and Christian Slater, tells the story of the 375 Navajo Indians recruited to help in intelligence during World War II. ## 2004 SEASON:

Struggled early in the year due to a hip injury, but bounced back with a strong finish after undergoing surgery...Had hip surgery on Feb. 15 in Pittsburgh because of two tears in the labrum front and back. The surgery tightened up the looseness and instability. Returned for THE PLAYERS Championship at the end of March...Entered the final round of the B.C. Open with a one-stroke lead, but had to withstand a six-hour rain delay before capturing his second PGA TOUR victory. The win was his first top-10 of the season and came 1 year, 8 months, 21 days after his first victory at the 2002 Buick Challenge, a span of 45 events...Second top-10 of the season was a third at the 84 LUMBER Classic. His \$201,600 payday pushed him over \$1 million for the third time in his career...The next week finished T8 at the Southern Farm Bureau Classic, marking back-to-back top-10s for just the second time in his career (2002 Buick Challenge, Southern Farm Bureau Classic/T5).

## CAREER HIGHLIGHTS:

**2003:** Made more than \$1.4 million for second straight season and posted career-high five top-10s...Aided by a 10-under-par 63 on Sunday, finished T6 at season-opening Mercedes Championships. Tied with J.L. Lewis for lead through 18 holes. **2002:** Became first rookie to win on the PGA TOUR since Jose Cereces in early 2001 with his victory at the Buick Challenge. Began season 404th in the Official World Golf Ranking and by the end of the season had improved to 72nd. Defeated David Toms by one stroke at the Buick Challenge. Had five-stroke lead through 15 holes on Sunday thanks to eagle-birdie-birdie-birdie-eagle (tied for season's best) stretch. Bogey on next hole and eagle by Toms cut that to two but Byrd hung on for the win in his 32nd start on TOUR. Score of 27-under par 261 set tournament record by three strokes. **2001:** Earned first TOUR card by finishing eighth on the Nationwide Tour money list...Lone victory came at the BMW Charity Pro-Am at The Cliffs in Traveler's Rest, SC, not far from his hometown of Elgin, SC. **2000:** T36 at the Michelob Championship at Kingsmill after turning professional in September after graduating from Clemson University. **Amateur:** Member of 1999 Walker Cup Team...Winner of Northeast Amateur and Carolinas Amateur...Was an All-America selection in three of his four years at Clemson, including first team in 1999...First-team Academic All-America in 1999.

## HOT SHOTS

### Short Hole

Tournament Players Club at Scottsdale

**17th Hole, Par 4, 332 Yards**  
 FBR Open

The drivable par-4 17th at the Tournament Players Club at Scottsdale is tempting. Andrew Magee made the only ace on a par 4 in TOUR history here in 2001 when his tee shot bounced onto the green, caromed off Tom Byrum's putter and went into the hole. The 332-yard hole is one of the shortest on TOUR but requires great touch around the elevated green. A quick look at how the hole played in 2004:

#### PLAYERS THAT DROVE THE GREEN

Round 1	6 (4 birdies and 2 pars)
Round 2	3 (1 birdie and 2 pars)
Round 3	7 (5 birdies and 2 pars)
Round 4	1 (par)
<b>Total</b>	<b>17</b>

Of the 17 players that drove the green, none of them made eagle and seven of them three-putted.

Leading into the win at Bay Hill, finished T9 at the WGC-Accenture Match Play Championship after losing to Jerry Kelly in the third round (1-up)... In next TOUR start, finished T9 at The Honda Classic... Did not have another top-10 after March victory until mid-May, when he finished one stroke behind winner Steve Flesch at the Bank of America Colonial. ### PERSONAL:

Was age 5 when his grandfather taught him how to play golf...Doesn't like to know who he will be paired with, saying, "I looked up to a lot of these guys who I'm now playing

with. So, I didn't want to have to go to sleep thinking about it. And so that's kind of been my routine. I never want to know who I'm playing with. Just tell me the time. In 2002, at the Byron Nelson I played with Ernie Els in the final round, it worked good, because I watched Ernie play a lot of golf on TV. So we just kind of kept that routine going. I just never look and find out on the first tee."

## 2004 SEASON:

Rebirth of career started with first PGA TOUR victory since 1995, capped by first TOUR Championship appearance since rookie year in 1991. Most consistent season ever—with a career-best 17 made cuts in 22 starts. Among the leaders in several categories, including Driving Distance (third), Putting Average (fifth) and All-Around (fourth)... Won for the first time since the 1995 British Open with his playoff victory at the Buick Invitational, a span of 189 starts and 8 years, 6 months, 22 days between PGA TOUR wins. Defeated Chris Riley and Luke Donald on the first extra hole by knocking a 99-foot bunker shot to within seven inches and sinking the birdie. Won after holding third-round lead for the fourth time in five tries on TOUR.

Rolled in 32-foot eagle putt on Saturday to take the 54-hole lead by one over Stewart Cink. Win earned career-best \$864,000 payday and made him more money than he had in any of his previous 13 years on TOUR. His previous high was \$828,914 (2001). Became first winner since Steve Pate at the 1991 Honda Classic to shoot 3-over-par 75 in the final round and go on to victory. Win moved him from 299th on Official World Golf Ranking to 85th... In the fourth round of the Bob Hope Chrysler Classic, recorded a double eagle on the par-5 second hole, holing out from 220 yards with a 5-iron. Marked the sixth time since 1970, when the PGA TOUR started tracking the record, a player has posted an albatross at the Hope. Finished T30... After winning the Buick Invitational, finished T4 at the Nissan Open, posting back-to-back top-10s in consecutive starts for the first time since finishing T4 at the 2002 Phoenix Open and solo fourth at the Buick Invitational. The last time he finished in the top 10 in consecutive weeks was in 1994 (T7 at the Shell Houston Open and first at the BellSouth Classic)... Added a third top-10 with a T10 at the Bay Hill Invitational... Finished T6 at the Shell Houston Open despite a first-round 76... Finished runner-up to Vijay Singh at the Buick Open, moving into the top 50 in the Official World Golf Ranking (No. 57 to 36). Entered the final round two shots behind Singh after opening 70-64-66 and took early lead with three birdies and an eagle on the first four holes. Finished with a 6-under-par 66, one stroke behind Singh... Underwent surgery on his right heel on Sept. 30 to remove bone spurs... Ended TOUR season No. 43 in the Official World Golf Ranking.

## CAREER HIGHLIGHTS:

**2003:** Fell out of the top 125 from No. 112 to No. 171 with only one top-10 in 22 starts. Missed cut or was disqualified at final seven events of 2003... Averaged a career-best 314.3 yards off the tee, but failed to win ninth consecutive Driving

Distance crown. Rookie Hank Kuehne averaged 321.4 yards... Won the Kolon Korean Open on the Asian PGA Tour. It was his first victory since the 2001 BMW International Open in Germany. **2002:** Slipped from 61st to 112th on TOUR money list, but won his 11th Driving Distance crown with a record mark of 306.8 yards per drive, topping his own 2001 mark of 306.7 yards. Daly's 11th category win surpassed the mark of Calvin Peete, who won 10 Driving Accuracy titles in his career... Returned to Masters after one-year hiatus. Qualified for Augusta as No. 43 in the Official World Golf Ranking after The Honda Classic... T4 with Lee Janzen at Phoenix Open, two shots behind champion Chris DiMarco... Finished fourth at the Buick Invitational, two strokes behind champion Jose Maria Olazabal. Back-to-back top-10s jumped Official World Golf Ranking to season-best No. 40, and were his first consecutive top-10s since a pair of T4s at the 1998 Nissan Open and Honda Classic. **2001:** Returned to old form with a career-high \$828,914 in earnings and four top-10 finishes. Finished 61st on the money list, his highest since 1995. Began the season ranked 507th in the Official World Golf Ranking and reached the top 50 by the end of the official PGA TOUR season... Closed with a 66 at the Phoenix Open to post a T9, his first top-10 since T4 in the 1998 Honda Classic... Stood one stroke off 54-hole lead after a third-round 63 in the FedEx St. Jude Classic, best round since 63 at the 1991 Las Vegas Invitational. Closed with a 73 to record a T5... Captured European Tour's BMW International Open, his first victory since the 1995 British Open. **2000:** Played in 26 events and seemed to find some consistency at end of the year, making four straight cuts for his best stretch of the year... With rounds of 80-73—153, missed Masters cut for first time in eight appearances and his five-year exemption to Augusta National, earned with victory in 1995 British Open, expired. **1998:** Joined Mark O'Meara and Tiger Woods to represent

Championship). First time in his career that he has finished in the top 10 in all four majors... Added his third win on the PGA TOUR and first in a World Golf Championship at the WGC-American Express Championship in Ireland. Led by two strokes after the second and third rounds and defeated Thomas Bjorn by a stroke after a final-round 69 to collect the \$1.2 million check. Moved back into second, past Tiger Woods, in the Official World Golf Ranking... Two weeks later, won the HSBC World Match Play title on the European Tour for a record sixth time. On his 35th birthday, beat Lee Westwood 2 and 1 Sunday to capture \$1.8 million... After T10 finish at THE TOUR Championship, dropped to No. 3 in Official World Golf Ranking behind Tiger Woods.

## CAREER HIGHLIGHTS:

**2003:** Played 17 PGA TOUR and nine European Tour events. In addition to winning twice on the PGA TOUR in Hawaii and finishing ninth on the TOUR's money list, compiled four official European Tour wins (in Australia, Austria, Scotland) and won the European Tour Order of Merit. Also won his fifth career HSBC World Match Play Championship, a European Tour-approved special event. One of three players (along with Mike Weir and Kenny Perry) that posted three top-10s in majors. T6 at Masters, T5 at U.S. Open and T5 at PGA Championship... Became the first player since Steve Jones in 1989 to capture the first two tournaments of the season when he won the Mercedes Championships and Sony Open in Hawaii in early January. Only Byron Nelson (1946), Lloyd Mangrum (1953), Johnny Miller (1974, three events; and 1975), Gil Morgan (1983), Jones and Els have accomplished that among modern-day players... Captured season-opening Mercedes Championships in record fashion, finishing at 31-under-par 261. Total in relation to par broke Mark Calcavecchia's 72-hole tournament TOUR record of 28-under set at the 2001 Phoenix Open. Eight-stroke margin of victory over K.J. Choi and Rocco Mediate was largest on TOUR since Calcavecchia's eight-stroke Phoenix victory in 2001... Sank a 43-foot birdie putt on the 10th hole, the second playoff hole, to beat Aaron Baddeley at the Sony Open in Hawaii. Both players finished at 16-under-par after Baddeley birdied the 72nd hole... Played in homeland of South Africa at The Presidents Cup, competing for The International Team. **2002:** A year to remember with the birth of a son and third career major victory at the British Open... Won four official events worldwide, including twice on the PGA TOUR, solidifying No. 3 Official World Golf Ranking. Won the Heineken Classic in Melbourne, Australia on the European Tour by five strokes for his ninth European Tour victory... Collected first PGA TOUR victory since 2000 at the Genuity Championship. Rounds of 66-67-66 gave him an eight-stroke lead with 18 holes to play. Final-round 72 earned a two-stroke victory over Tiger Woods and a paycheck of \$846,000... Won again the following week at the Dubai Desert Classic, becoming the first multiple winner in the tournament's 14-year history after posting all four rounds in the 60s... Earned third career major victory at the 131st British Open at Muirfield with scores of 70-66-72-70—278. Tied for the lead with Shigeaki Maruyama, Padraig Harrington, Duffy Waldorf and

Bob Tway after 36 holes at 6-under-par. Held 54-hole lead at 5-under-par, two strokes ahead of Soren Hansen. After losing a three-shot lead on the back nine on Sunday, Els survived a playoff with Thomas Levet, Steve Elkington and Stuart Appleby to earn the Claret Jug. After paring his way through the four-hole playoff, made a par out of the green-side bunker on the first hole of sudden death against Levet. With his right foot anchored on the top of a bunker left of the 18th green, blasted out to five feet and made the putt to secure the victory. **2001:** In a year full of streaks, didn't win for the first time since joining TOUR in 1994... Ranked in top 30 for seventh time in eight years with 1998 the only year he failed to qualify for THE TOUR Championship... His nine top-10s were second only to 10 in 2000... Best chance to win was a playoff loss at THE TOUR Championship. Closed with 68 to tie eventual winner Mike Weir, Sergio Garcia and David Toms at 14-under 270... Finished T6 at Masters Tournament, second consecutive year in top 10... Completed year in November by teaming with Retief Goosen to win World Cup in Japan. ## 2004 SEASON:

Finished in the top-100 on the money list for the fifth consecutive season, thanks to two late-season top-10s. Earned 45 percent of his season earnings in his last five starts of the season, which included a missed cut. Shared second-round lead (6-under 136) with Steve Lowery and Charles Howell III at the Cialis Western Open thanks to second-round 7-under 64. Finished T17. Three strokes back of Vijay Singh at the 84 LUMBER Classic through 54-holes, closing 72 dropped him T11. One stroke off the lead entering the final round of the Chrysler Classic of Greensboro in mid-October. Final-round even-par 72 dropped finish to T8. Collected \$110,975, enough to move him inside the top-100 on the final season money list. It was his second consecutive top-10 in Greensboro. He finished third in 2003.

## CAREER HIGHLIGHTS:

**2003:** Aced the 163-yard 16th hole at Riviera CC with a 6-iron in the second round of the Nissan Open, his first on TOUR. Posted second ace of the season, on the sixth hole at Westchester CC during the Buick Classic. Posted best finish on TOUR since his victory at 2002 Pebble Beach National Pro Am with a third at the Chrysler Classic of Greensboro. **2002:** Captured his first TOUR victory at the

AT&T Pebble Beach National Pro-Am two years after finishing T2 and being overtaken by Tiger Woods on the back nine. This time he came from four back after 54 holes to overtake Pat Perez. Nailed a 35-foot putt for birdie on the 18th hole at Pebble Beach Golf Links to tie Perez for the lead and won the event moments later after Perez triple-bogeyed the hole. **2001:** Earned full exempt status on the strength of four top-10s and seven top-25s. Made nine cuts out of his last 12 starts. Finished 70th on the final TOUR money list.

Rounds of 69-68-67 gained share of third-round lead with Mark Brooks at AT&T Pebble Beach National Pro-Am. Due to weather, final round played on Monday and Gogel opened with three straight birdies, but a back-nine 40 and Tiger Woods' eagle-birdie-par-birdie finish earned Woods the victory and Gogel a T2 one stroke back. **1999:** Finished seventh on the Nationwide Tour money list to earn PGA TOUR card after consecutive near-misses the past two seasons. Recorded \$180,173 in earnings thanks to wins at the Louisiana Open and Cleveland Open. Those wins gave him six career Nationwide Tour victories, which ties Sean Murphy for the record. First player in Nationwide Tour history to win in four consecutive years (1996-99). Defeated Casey Martin in Cleveland with a birdie on the second extra hole, running his career playoff record to 3-0, also a Nationwide Tour record. Member of the Nationwide Tour team at the Ganter Cup Challenge. Won the individual stroke play with a 7-under-par 65 and defeated Craig Stadler in the match-play portion of the event. **1998:** Finished 16th on the Nationwide Tour money list on the strength of two victories, at the Omaha Classic and Tri-Cities Open. **1997:** Finished 19th on the Nationwide Tour money list. In sixth start, finished T4 at the Shell Houston Open the last week of April, to earn \$220,000 to remain in the Major Medical Extension category for the remainder of the season. Two weeks later a final-round 67 at the EDS Byron Nelson Championship put him in first career sudden-death playoff with Sergio Garcia and Robert Damron; lost to Garcia on the first playoff hole. His T2 finish was his best since finishing T2 at the 2002 Compaq Classic of New Orleans. His payday of \$510,400, for his T2 finish, is the second-largest payday of his career behind the \$522,000 he won for his victory at the 2000 Honda Classic.

## CAREER HIGHLIGHTS:

**2003:** Limited to 22 starts due to herniated disc in his back. Received a Major Medical Extension for 2004... Lone top-10 was T8 at the 100th Western Open, first since a solo fourth at the 2002 MasterCard Colonial... Missed the cut at the British Open in next start, and then was forced to WD from three straight events (Greater Hartford Open, Buick Open, Reno-Tahoe Open) before shutting it down for the remainder of 2003. **2002:** Finished in the top 60 on the money list for the seventh consecutive season and had career high in earnings (\$1,161,080)... Choi, and fourth at the MasterCard Colonial, thanks to second and final rounds of 65. **2001:** Fired second- and final-round 63s to earn T3 at Canon Greater Hartford Open. The pair of 63s matched his career low which had come during the fourth round of the 1998 Motorola Open. **2000:** Included among three top-10 finishes was a victory in hometown area at The Honda Classic and a share of third place at the Greater Greensboro Chrysler Classic. Started final round at Honda four strokes behind leader J.P. First of career-best trio of third-place finishes came at Bell Canadian Open, site of first TOUR victory... Placed solo third at Las Vegas Invitational. After impressive run, just missed top-30 qualification for THE TOUR Championship, finishing 36th. Collected \$360,000, which helped finance delayed honeymoon with wife Suzanne at Mexico's Cabo San Lucas. **1997:** Nearly collected second TOUR victory at 1997 FedEx St. Jude Classic. Shot 66-66 during 36-hole Sunday and posted a 15-under-par 266 total and led in the clubhouse. Had to settle for second when Greg Norman birdied final three holes for one-stroke victory. **1996:** Earned his first PGA TOUR victory at the Bell Canadian Open. Back-to-back top-10s were first since 2003 (T5 at the WGC-Accenture Match Play Championship and a victory at the Ford Championship at Doral)...Posted one of three aces during second round of Cialis Western Open. Used 4-iron from 196 yards on the 14th hole. The 2001 winner finished

Earned first top-10, a T9, in his second start of the season at the FBR Open... Finished T9 at the WGC-Accenture Match Play Championship after losing to eventual winner Tiger Woods in the third round (5 and 4)... In next start recorded his third top-10 finish, a T4 at The Honda Classic... Fired a first round, 6-under 66 at the Wachovia Championship and was only two strokes off the lead. Withdrew and flew home at 5:30 a.m. on Friday as his wife, Erika, had gone into premature labor with the couple's first child at Jupiter Hospital near their home in Hobe Sound, FL. Just missed witnessing the birth of Alice Sofia on May 7... In first tournament back after daughter's birth, earned second consecutive top-10 at the FedEx St. Jude Classic, finishing T5... Two weeks later finished eighth at the Buick Classic and collected \$162,750. Surpassed the \$1-million mark in a single season in only his 13th event during first full season on the PGA TOUR. Was only one back of the lead after 18 and 36 holes at Westchester CC... Finished T17 at the Masters Tournament and PGA Championship... Played with Joakim Haeggman at the WGC-World Cup in Spain.

## CAREER HIGHLIGHTS:

Played virtually full-time on the European Tour from 1997-2002, with 17-plus starts each of those seasons. Totaled six runner-up finishes and 16 top-10s during that time. **2003:**

Had three wins on the European Tour, along with top-10 finishes at both the U.S. Open and the British Open, looks to be one of the rising stars in golf... Placed fourth in the European Tour Order of Merit and finished third in PGA TOUR non-member earnings with \$786,771, with four top-10s in only eight starts. Joined the TOUR having finished among the top 125 as a non-member. Also added another \$66,821 in two World Golf Championships appearances... Playing in his first U.S. Open, finished T5 and shared top first-time honors with Justin Rose... Two weeks later, finished T3 at the FedEx St. Jude Classic, four shots behind David Toms. Earned top-10 exemption in the following week's 100th Western Open, where he finished T8. In just four starts, was eligible to join the PGA TOUR as a Special Temporary Member, having earned (\$572,970) more than the No. 150 player (Tom Scherrer, \$356,657) from the 2002 TOUR money list... Finished T6 at the British Open, three shots behind Ben Curtis... After 160 events as a professional, claimed his breakthrough victory on The European Tour when he won the Omega Hong Kong Open, the second event of the 2003 season... Won again three tournaments later in the Algarve Open de Portugal. Victory was all the more remarkable considering it was his first start back after a 10-week layoff due to a wrist injury... Ended European Tour season with third victory of 2003 at the Volvo Masters at Valerria, defeating Spain's Carlos Rodiles in a four-hole playoff. **2002:** Lost to Eduardo Romero in a playoff at the Barclays Scottish Open. Finished 30th on the Volvo Order of Merit. **2001:** Was fifth at the Omega European Masters. **2000:** Progressed to 25th on the Volvo Order of Merit, his highest prior to 2003. **1999:** Had to return to the Qualifying School, but finished seventh to stay on Tour. **1998:** With one week remaining, he lay in 124th position in the Volvo Order of Merit but played superbly and only lost in a play-off for the Belgacom Open to Lee Westwood. Moved to 75th place and rescued his card.

## PERSONAL:

A promising ice hockey player at age 10. However one of the players at his club, Per Nellbeck, was also the local golf professional and taught the entire Jacobson family to play.

First handicap was 40, but reached scratch five years later at age 15... Love of ice hockey was to delay his start to 2000 season. Missed first three months after breaking left thumb playing hockey for golf professionals vs. tennis players in 1999. Needed operation and returned in March to finish third, second and second in successive starts... Won several notable titles in amateur golf before turning professional in 1994. Was ranked top 30 in Swedish table tennis at age 14-15.

In final three starts, held at least a share of the lead entering the final round...Aided by a final-round 64, posted his first top-10 of the year, a T4 at the Bell Canadian Open and the first since a T8 at the 2003 Buick Classic...A month later at the Michelin Championship at Las Vegas, finished T2, one back

of winner Andre Stolz. Held one-stroke lead over Stolz and Dicky Pride through 54 holes, his first third-round lead since the 1999 Buick Open. Second time in four years (2001, Bob Estes) that he has finished one stroke behind the winner in Las Vegas...Entered final round of Chrysler Classic of Greensboro tied for the lead with Brent Geiberger at 12-under. Unfortunate start to final round, as he was penalized one stroke on No. 2 as ball moved while addressing a tap-in putt and later four-putted the sixth green. Recovered to post 2-under 70 for T4 finish...Tied for the lead with Briny Baird entering the final round of the FUNAI Classic at the WALT DISNEY WORLD Resort, but was overtaken by rookie Ryan Palmer's final-round 62. Finished T6 with a 72 on Sunday.

## CAREER HIGHLIGHTS:

**2003:** Finished in top 100 on money list for 12th straight season...Earned first top-10 with solo second at AT&T Pebble Beach National Pro-Am, his best finish since T2 at the 2001 Invensys Classic at Las Vegas. Entered 72nd hole tied with Davis Love III at 13-under-par. Love two-putted 18 for birdie to claim one-shot victory **2002:** 74th on the money list was the lowest since he returned to the TOUR full-time in 1992...Earned T5 in WGC-Accenture Match Play Championship after losing to Scott McCarron (4 and 3) in the quarterfinals...Converted to a long putter at the WORLD-COM CLASSIC in April. **2001:** Finished in the top 25 on PGA TOUR money list for ninth time since regaining his TOUR card in 1992...Runner-up at Sony Open in Hawaii...Winner of Charles Bartlett Award, given by GWAA for unselfish contributions to golf. second-round lead outright. Finished T2, one-stroke behind Bob Estes. First two rounds tied PGA TOUR record for opening two rounds. **2000:** Had most financially rewarding season of 12-year career with earnings of \$2,068,499 and a 12th-place finish on the TOUR money list...Kicked off the season in red-hot fashion with three consecutive top-10s, including his first official money TOUR victory since winning the 1996 THE TOUR Championship...At the Phoenix Open, earned his fifth PGA TOUR title. Drained 10-foot putt for par on final hole then watched Robert Allenby miss a five-footer that would have forced a playoff...Came close at MCI Classic, where he held clubhouse lead on Sunday after shooting 65. Stewart Cink's own closing 65 snatched away win...Withdrew from INTERNATIONAL due to torn cartilage in right knee, then underwent surgery prior to PGA Championship...Participated in third Presidents Cup and compiled a 3-2 record while lending support to victorious United States team...Prior to official money season, was victorious in unofficial Williams World Challenge. **1999:** Made successful return to form from off-season shoulder surgery...Four runner-up finishes that year—Bay Hill Invitational, Greater Milwaukee Open, FedEx St. Jude Classic and Buick Open—were most ever for him in a single season. **1998:** Turned in T2 at THE PLAYERS Championship...Claimed a solo third at the Buick Classic and was a T5 at the U.S. Open, his third straight top-five finish in the event...Did not make the cut at the British Open after suffering a separated right shoulder just prior to the event while on a family outing in England. Near-miss at PGA Championship characterized season as Texan had lowest finish on money list (42nd) since joining the TOUR full-time in 1995. In third start of the season, finished T9 at the FBR Open, aided by six consecutive birdies (Nos. 13-18) to finish the third round. Shared second-round lead with J.L. Lewis at the Bank of America Colonial before finishing T14. Next top-10 did not come until August at the PGA Championship. Shared second-round lead with Vijay Singh at 9-under 135 and was one back of Singh through 54 holes. Held one-stroke lead over Chris DiMarco and Singh through 71 holes but missed a 12-footer for par on the 72nd hole to force a three-man, three-hole playoff. Finished T2 after Singh was only one of the three to record a birdie during the playoff. Finished T10 at Valero Texas Open, fifth top-10 in eight starts at the San Antonio event.

## CAREER HIGHLIGHTS:

**2003:** Successful season, with eighth career PGA TOUR victory at The Honda Classic and the birth of a daughter. Earned come-from-behind win at The Honda Classic with rounds of 63-70-64-67—264. Earned a career-best payday of \$900,000. Co-leader through 18 holes with

Notah Begay III and Jeff Brehaut. Entered final round one stroke behind Davis Love III, and carded 5-under 67 to earn one-stroke win over Love and Chad Campbell. Winning 72-hole total of 264 broke previous Honda Classic record of 266 set by Blaine McCallister in 1989. At the Bank of America Colonial, was 10-under-par through 17 holes in final round with a chance to post a 59 with a birdie. Bogeys the 18th hole to finish with a 9-under 61, tying the course record, and finished T2. Also holds a share of the course record (61) at the TPC at Las Colinas, one of the two host courses of the EDS Byron Nelson Championship. Teamed with American Jim Furyk at World Cup and played on his third Presidents Cup squad. **2002:** Re-established himself as one of the world's premier players, finishing with earnings of \$2,738,235, \$714,770 better than previous career best. Finished in the top 10 in earnings for the first time since 1999 and captured TOUR event for third consecutive season. Picked up seventh career victory at the WORLD COM CLASSIC. Closed with a 73 to edge Heath Slocum by one stroke. Became first player to shoot over-par in the final round and win since Scott McCarron at the 2001 BellSouth Classic. Also the first without a birdie in the final round and win since Vijay Singh at the 1995 Buick Classic. Singh won with a playoff birdie. Opened with rounds of 72-66 to share the 36-hole lead at the PGA. Had a three-shot lead over eventual champion Rich Beem after posting the only round in the 60s, shooting a third-round 69 amid winds gusting to 40 mph. Closing 77 dropped him to T4. **2001:** After struggling early in the season with a swing change, rallied to once again qualify for THE TOUR Championship for the seventh consecutive time by earning \$1,783,842. Had a very successful year playing in Texas by winning once and added three other top-10s in as many starts. Was able to defend his title in the Texas Open at La Cantera. Became the first player to win in consecutive years at the Texas Open since Arnold Palmer won three in a row (1960-62). Led by three strokes after 36 holes and held that lead to capture sixth victory by two strokes over J.J. Henry and Matt Kuchar.

Earlier in the year, posted a T4 at Shell Houston Open, a T6 at the Verizon Byron Nelson Classic and a T5 in the MasterCard Colonial. **2000:** Returned to the winner's circle after a one-year drought. Along with a victory, also finished second three times. Earned a five-stroke victory at Westin Texas Open. Shot 66-67 and stood one back through 36 holes. Third-round 71 produced share of the lead. His 66 on Sunday ended 2-year victory drought and earned fifth PGA TOUR career title. First victory since 1998 PLAYERS Championship and first title in home state. **1999:** Didn't record a victory for first time in three years, but was still among the top 10 of money list for third consecutive year. Posted seven top 10s, including his first three starts. Nearly won his second British Open in July, losing to Paul Lawrie in three-way playoff with Jean Van de Velde. His 45-foot putt on 17th hole at The Country Club during Sunday singles match with Jose Maria Olazabal earned decisive half-point that regained Ryder Cup for U.S. Won four consecutive holes (12-15) to square match and set up his 17th-hole heroics. **1998:** Won a tournament for third year in a row and earned \$1,671,823 to finish eighth on money list. Nabbed one of the year's biggest prizes in March, when he came from five strokes back to overtake Lee Janzen on the final day at THE PLAYERS Championship. Opened with a 72 and followed with rounds of 69-70 before firing a 5-under-par 67 Sunday for a two-stroke victory over Tom Lehman and Glen Day. Victory was worth \$720,000, at that point the largest payday of his career. Five-stroke comeback was largest ever on Stadium Course at TPC at Sawgrass and was one shy of Raymond Floyd's tournament record established in 1981 at Sawgrass CC. **1997:** Won first major championship at British Open. After opening with 67 in blustery conditions at Royal Troon, trailed Jim Furyk and Darren Clarke by two strokes. Remained two back after second-round 66, but fell five behind Jesper Parnevik after three rounds. Closing 65 was only round in 60s by a player who began round under par. Won by three strokes over Parnevik and Clarke. At age 25, was youngest British Open

2—WGC-Accenture Match Play Championship, The Honda Classic; 3—Sony Open in Hawaii; T4—WGC-NEC Invitational; T5—British Open Championship; T6—Masters Tournament; T7—Cialis Western Open; T9—Mercedes Championships.

## 2004 SEASON:

Surpassed the \$2-million mark in earnings for the sixth straight season and went over \$3 million for the second consecutive year. Highlight of season was two more runner-up finishes to bring his career total to 26, second-most by an active TOUR player behind Greg Norman's 31. Finished T9 to open season at Mercedes Championships, seventh top-10 in 11th career Mercedes start. One week later, posted second consecutive top-10 with a third-place finish at the Sony Open in Hawaii, aided

by a third-round, 7-under 63. After missing cut in defense of AT&T Pebble Beach National Pro-Am title, came back strong at WGC-Accenture Match Play Championship, winning five matches (over Briny Baird, Fred Couples, Adam Scott, Phil Mickelson and Darren Clarke) before falling to Tiger Woods, 3 and 2, in the 36-hole championship match. Overall Accenture Match Play Championship record now stands at 11-6. Finished runner-up at The Honda Classic for the second straight time after closing with a 69. In 2003, lost the lead to hard-charging Justin Leonard. This time, applied the heat on 54-hole leader Todd Hamilton, playing mistake-free down the stretch, taking the lead on the 17th, and looked like the winner when he saved par on the 72nd hole of regulation. But Hamilton birdied the 17th and 18th holes to win by a stroke. Overcame first-round 75 to finish T6 at the Masters, sixth top-10 in Augusta in 15 starts. Earned fourth consecutive top-10 finish at Cog Hill, with a T7 at the Cialis Western Open in July. Posted his fifth top-10 in his last eight appearances at the British Open in Scotland, thanks in part to a final-round, 4-under 67, including an eagle-2 on the 18th hole, which jumped him from T15 to T5. Finished third on Ryder Cup team points list to make his sixth Ryder Cup squad. Finished T4 at the WGC-NEC Invitational, five strokes behind Stewart Cink. With paycheck of \$282,500, became the third player in PGA TOUR history to exceed \$3 million in earnings in a season without a victory. Pulled out of season-ending TOUR Championship with neck injury after 14 holes.

## CAREER HIGHLIGHTS:

**2003:** Won a career-high four times and surpassed the \$6-million mark in single-season earnings for first time in career. Led TOUR money list for 14 weeks and finished third overall. In second start of season, captured AT&T Pebble Beach National Pro-Am for the second time in three years, ending 44-tournament drought. Held two-stroke lead after 54 holes over Tom Lehman, Mike Weir and Rod Pampling with rounds of 72-67-67. Opened final round with bogeys on two of the first three holes, but battled back with seven birdies and only one bogey en route to a final-round 68. Clinched one-stroke victory over Lehman with two-putt

birdie on par-5 18th hole after second shot approach with 4-iron from 224 yards settled to within 15 feet of cup. Finished T2 with Chad Campbell behind Justin Leonard at The Honda Classic. Held 54-hole lead by one over Leonard. Won his second PLAYERS Championship in 11 years. Paired with good friend Fred Couples on Sunday, tied final-round record with an 8-under 64 in windy conditions to come from two shots behind and win by six strokes over third-round leaders Jay Haas and Padraig Harrington. Captured fifth tarta jacket at the MCI Heritage at Harbour Town GL. Chipped in from 67 feet on 72nd hole to force sudden death with Woody Austin after four rounds in the 60s. Hit 6-iron approach on fourth playoff hole (No. 18) to three feet and converted birdie putt for third win of season. Became second player on the year to go wire-to-wire on his way to his second victory at THE INTERNATIONAL (first came in 1990). Finished 12 points ahead of his nearest competitors—Retief Goosen and Vijay Singh. Surpassed \$25-million mark in career earnings. Joined Phil Mickelson as only two players to win the Castle Pines, CO, event twice. Set the 36-hole point record with 36 points (Ernie Els/34 points/2000). Posted three eagles during the second round. Played in fifth Presidents Cup for the United States. Won second Target World Challenge in December and earned career-high paycheck (unofficial money) of \$1.2 million. **2002:** Six top-10 finishes included posting runner-up finishes in back-to-back starts for the third time in his career with his T2 at the Canon Greater Hartford Open and second at the Advil Western Open. Final-round 66 in Chicago pulled him within two of winner Jerry Kelly. Second consecutive year he shot final-round 66 and placed second. Member of his fifth Ryder Cup team. Ryder Cup record was 2-1-1 for a five-year total of 8-9-3. Ended season with a T5 at THE TOUR Championship. Paycheck pushed him over the \$2-million mark for the fourth consecutive season. **2001:** Returned to the winner's circle after a two-year drought. Earned first win since 1998 MCI Classic at AT&T Pebble Beach National Pro-Am. Entered final round seven strokes down and completed play one stroke up on Vijay Singh after 63. Front nine featured PGA TOUR record-tying birdie-eagle string: went

birdie-eagle-five birdies on holes 1-7. Seven-stroke comeback matched the best in tournament history (Bob Rosburg, 1961)...Decision to play in Buick Invitational was last minute, following his AT&T Pebble Beach National Pro-Am win. Fell just short in attempt at back-to-back wins. Stood one stroke back after first round, then moved into share of 36-hole lead. Closed with 67, forcing a three-way playoff with Phil Mickelson and Frank Lickliter II, eliminated with bogey on the second extra hole...Captured West Coast Swing presented by The St. Paul title...Withdrew from three events in May due to neck pain and disk problem that causes numbness in left arm and fingers. First experienced numbness at BellSouth Classic...After being off for two months, returned to T7 at U.S. Open...Lost head-to-head battle with Scott Hoch for Advil Western Open title. Held second- and third-round leads. Closing 66 left him one stroke shy of Hoch, who finished with 64. **2000:** A season of second- and third-place finishes. T18 at Phoenix Open, worth \$41,728, moved him past Greg Norman and into first place on PGA TOUR career money list...Hold on career money position was short-lived, taken away by Tiger Woods, who finished T2 at Buick Invitational...En route to T3 finish at MCI Classic, toured course in 95 putts, tying for third-lowest total since TOUR began keeping stats in 1980...Shared first- and third-round lead and held second-round lead outright at GTE Byron Nelson Classic. Closing 69 resulted in a berth in the three-man playoff won by Jesper Parnevik...Member of his fourth President's Cup Team. 2000 President's Cup record 4-0-0 for a four-year total of 12-5-2...Won Williams World Challenge, shooting a final-round 64...Father Davis Love, Jr. selected posthumously as the recipient of Harvey Penick Teaching Award. **1999:** Though he went without a victory for the first time in four years, the season was still a success. Finished third on money list with career-high \$2,475,328...13 top-10s included four runner-up finishes...Had to withdraw after three rounds of MCI Classic due to sore back. Was told to take week off, but as defending champion, wanted to play...Ailment diagnosed as recurring problem with lower back disk. Advised by doctors to take at least two weeks off between WGC-NEC Invitational and Ryder Cup to recover from pinched nerve in back. Injury first flared at Sprint International. Went 19

He needed to birdie three of the final five holes to equal record but parred 14, 15 and 16 before birdies at 17 and 18 gave him a 60 and a third-place finish. It was the first 60 on TOUR since Grant Waite's at 1996 Phoenix Open. **1994:** First PGA TOUR victory came at the Sprint International. Tied with Rick Fehr with 35 points through 72 holes and then won playoff on first extra hole when Fehr's ball found water. ## CAREER HIGHLIGHTS:

**2003:** Finished among the top 125 for the 18th time in 19 seasons on TOUR...A final-round 68 at Omni Tucson National Golf Resort vaulted him to a T6 finish at the Chrysler Classic of Tucson, his best finish since a T3 at the 2002 AT&T Pebble Beach National Pro-Am...Recorded four rounds in the 60s at the EDS Byron Nelson Championship to finish T9, his second top-10 of the season...One week after withdrawing from Greater Hartford Open due to the death of his mother, finished T8 at the Buick Open, five shots behind champion Jim Furyk. **2002:** Used Top-50 career money winners exemption for 2002. Actually 51st, but with the ranking of the late Payne Stewart (No. 15), moved into top 50...T3 at the AT&T Pebble Beach National Pro-Am, his first top-10 on the PGA TOUR since the 2000 Tampa Bay Classic and first top-3 finish since the 2000 Greater Greensboro Chrysler Classic...Closed with 64 at the John Deere Classic good for T10, his second top-10 of the season. **2001:** Fell to 180th on the money list with uncharacteristic season...T25 at the Invenys Classic of Las Vegas produced lone top-25 finish of the season...Made history in the first round of the Phoenix Open, recording an ace on the 333-yard, par-4 17th hole. Magee's drive bounded onto the green at the TPC of Scottsdale, caromed off Tom Byrum's putter and went into the hole for what was believed to be the first hole-in-one on a par 4 in PGA TOUR history. "It

looked like a hole-in-one and sounded like a hole-in-one. But I still wasn't sure it was one," Magee said. Byrum was squatting down looking over a putt when the ball deflected off his putter and rolled about 8 feet directly into the hole for a rare double-eagle ace. Magee's opening 66 was two strokes behind leaders Brad Elder, Scott Verplank and Tom Lehman. Finished T44. **2000:** Four top-10 finishes were most since 1998, while earnings of \$867,372 were third most of his career and ranked 55th on official money list...Extended streak of years with a runner-up finish to five...Best finish of season came at Greater Greensboro Chrysler Classic where four sub-par rounds produced a lone second-place finish and season-high \$324,000 payday. **1999:** Bulk of earnings came in one week when he finished second and earned \$500,000 in the WGC-Accenture Match Play Championship. Had victories over Darren Clarke (1-up), Thomas Bjorn (2 and 1), Bill Glasson (1-up), Shigeki Maruyama (1-up) and John Huston (3 and 1) before losing to Jeff Maggert. **1998:** Earned career-best \$964,302 and had one runner-up and a pair of third-place finishes. Finished 30th on official money list for second consecutive year...Rounds of 67-71-68-69 produced Memorial Tournament runner-up finish, four strokes behind Fred Couples. **1997:** Came close twice to first victory since 1994 Northern Telecom Open with second-place finishes at Greater Vancouver Open and B.C. Open. Held one-stroke lead in final round of B.C. Open, but bogey on No. 16 opened door for Gabriel Hjertstedt to claim title by one stroke...Seven top-10s his best since 1991, when he also had seven. **1996:** Ended the season with five top-10s. **1994:** Most recent victory came at Northern Telecom Open. Closing 67 gave him a two-stroke margin over Loren Roberts, Vijay Singh, Jay Don Blake and Steve Stricker. **1988:** First TOUR victory came at Pensacola Open, where he rallied from four strokes back on final day. **1991:** Strong early-season run culminated in second career victory at rain-shortened Nestle Invitational over Tom Sieckmann. 30-foot eagle putt at 16 on final day was margin of victory...Later that year, shot 31-under-par 329, then the 90-hole scoring record, to force playoff with D.A. Weibring at Las Vegas Invitational. Won playoff with par on second extra hole. **Amateur:** Three-time All-American at University of Oklahoma...Won 1979 Doug Sanders Junior Invitational.

## 2004 SEASON:

With five top-10s, over \$1.5 million in earnings and a No. 43 finish on the PGA TOUR money list, had his best season since 2000 when he posted six top-10s and finished 39th on the money list. Finished second, three strokes behind Vijay Singh at the AT&T Pebble Beach National Pro-Am. Final-round 69 was one of only five Sunday rounds in the 60s. His best effort since a T2 at the 2000 Buick Challenge—a span of 85 starts. Posted his second top-10 of the season, with a T10 finish at the Nissan Open. The next week withdrew after the first round from the Chrysler Classic of Tucson because of a sore left shoulder. Was among the leaders all week at the Wachovia Championship. Was only two back of the lead through 54 holes, but a final-round 72 dropped him to T5. Two weeks later, finished T9 at the Bank of America Colonial for his fourth top-10 of the season. Finished in the top-10 for the seventh time in 14 U.S. Open appearances with his third-place finish. Matched his previous best Open finish, a third in 2002, which also came in New York at Bethpage Black. Did not play much toward the end of the season due to the birth of his twins the week of the PGA Championship.

## CAREER HIGHLIGHTS:

**2003:** Finished among the top 100 for the 13th consecutive season on TOUR. Solo third-round leader at Masters after a 66. Final-round 75 resulted in a career-best fifth-place finish and included a triple bogey on the par-4 third hole when his second shot out of a fairway bunker caromed into his body and an 8 on the par-3 12th when he hit the ball in Rae's Creek twice. Thanks to a tournament-tying course record 64 on Sunday he moved into a T6 at the Shell Houston Open to post back-to-back top-10s for the first time since the 2000 season. **2002:** Broke the \$10-million barrier in career earnings, and entered 2003 season 28th all-time with \$10,006,019. First top-10 of season at Phoenix Open. T8 finish earned \$100,000 paycheck. Second-round hole-in-one on the 180-yard 17th hole with an 8-iron at the Compaq Classic of New Orleans. Earned sixth top-10 in his last nine U.S. Open appearances. Two-over-par total of 282 was good for solo third, five strokes behind champion Tiger Woods. Solo third finish matched previous best finish in a major at the 1997 PGA Championship. Earned season-best paycheck of \$362,356. **2001:** Dropped to 72nd in earnings with four top-10s, the fewest since 1992. Season-best finish was T4 at the Greater Greensboro Chrysler Classic. Made double eagle on the par-5 sixth hole in the first round of the British Open to become first player with an albatross in the British Open and the Masters. Made double eagle on No. 13 at Augusta National in fourth round in 1994. **2000:** Earned second-best season total of 10-year career with \$1,138,749. That total was good for 39th on money list and marked ninth consecutive year in which he has placed among the top-40. Had six top-10s, including T2 at Buick Challenge. **1999:** Notched second career win on the way to earning career-best \$2,016,469. Became just the 10th player at that time to record \$2 million in single-season earnings. As the 24th seed, won five matches on his way to the title in the inaugural WGC-Accenture Match Play Championship. Participated in his third Ryder Cup and had a record of 2-2-0 at Brookline. **1997:** A sterling final round at PGA Championship, where he closed with 65 to finish third, brought a position on that year's Ryder Cup team. **1996:** For the second time recorded nine top-10s, including

three second-place finishes. **1995:** Posted a 2-2 record in the Ryder Cup. **1994:** Compiled a 2-2 record at Presidents Cup. **1994:** Teamed with Jim McGovern to win PGA TOUR division of Diners Club Matches. **1993:** Earned first PGA TOUR victory at Walt Disney World/Oldsmobile Classic by three strokes over Greg Kraft. Rookie Vaughn Taylor claimed his first PGA TOUR title when he rolled in an 11-foot birdie putt on the first extra hole to win the playoff.

### CAREER HIGHLIGHTS:

**2003:** After eight top-25s in first 22 events, broke through in 23rd start, a T10 in adopted hometown at the Reno-Tahoe Open. ...Lost in sudden-death playoff to Stuart Appleby at the Las Vegas Invitational, posting rounds of 69-62-64-67-66—328. Came from three strokes back on final day to force the playoff with a 6-under-66. The 328 (31-under-par) total broke the tournament total of 329 by D.A. Weibring (1991), Andrew Magee (1991) and Bob Estes (2001). Collected \$432,000 to surpass the \$1-million mark in season earnings for the third consecutive season. **2002:** Made 23 cuts in 28 starts and earned a career-best \$1,896,714. ...Began the season in superb style, earning \$1,073,624 of his season earnings during the West Coast Swing. ...Opened with T5 at Mercedes Championships. TOUR victory and his second title in Atlanta. ...Opening rounds of 68-67 produced a share of lead at BellSouth Classic, with 36-hole final on Sunday. Took outright lead with third round 72, then closed with 73 for three-stroke victory over Mike Weir. Victory came in face of high winds on Sunday. ...Posted T3 at Fed Ex St. Jude Classic. ...Ended the season with two top-10s. At the 90-hole Invenys Classic at Las Vegas, held a fourth-round lead by three strokes over Tom Lehman. A T1 on Sunday dropped him to T4. ...Shared first-round lead at National Car Rental Golf Classic after opening with 65 and placed in a T6, his fourth top-10 of season. His \$99,329 payday in Orlando moved him up the money list from No. 34 to No. 26. Finished in the top-30 for the first time since 1997 and secured a spot in THE TOUR Championship, where he finished 18th. ...Teamed with Brad Faxon to win the Franklin Templeton Shootout for the second consecutive season.

**2000:** Compiled season earnings of \$495,975, good for 97th on official money list. ...Two top-10 finishes came in final stretch of season, effectively securing full playing privileges. ...In final official money appearance of year, finished T5 at Invenys Classic of Las Vegas. Started off that week with four consecutive rounds in the 60s (67-66-66-66) to stand just one stroke off the 72-hole lead. However, a final day 70 dropped him to T5. ...Teamed with Brad Faxon to win the Franklin Templeton Shootout at the new Great White Course at Doral in November. **1999:** Fell out of the top 100 in season earnings for first time in four years with 101st-place finish. Lone top-10 came at Air Canada Championship where high finish was sparked by Northview G&CC course-record 10-under-par 61 in the final round. Began the day tied for 47th and, starting on the back nine, played his first nine holes in 5-under-par 30. He then birdied five consecutive holes on the front-nine for a 5-under-par 31. The 61 was two strokes better than his previous best. **1998:** Made 14 of 28 cuts, including three top-10s on way to 69th-place ranking on money list.

**1997:** Captured his second PGA TOUR title, winning the BellSouth Classic. Opened 70-69 at TPC at Sugarloaf, then fired 66 for share of lead with David Duval. Final-round 69 secured three-stroke victory over Duval and Lee Janzen. Victory came after he pulled hamstring racing Dicky Pride during second-round rain delay. Injury forced him to keep swing shorter, and he credited Pride (at least in part) for the win. ...In pairing of long putters, teamed with Bruce Lietzke to capture unofficial money title Franklin Templeton Shark Shootout.

**1996:** Became third consecutive first-time winner following Tim Herron (Honda Classic) and Paul Goydos (Bay Hill Invitational) with victory at Freeport-McDermott Classic.

### PERSONAL:

After college, gave up golf for four years to work with his father in the family clothing business. During that period, athletic focus was on flag football, softball, tennis and racquetball. Return to golf was sparked by 1991 visit to Raley's Senior Gold Rush, the Champions Tour event at Rancho Murieta, CA. After watching event, went home and built long putter in garage. Nearly won U.S. Mid-Amateur with home-made model later that year. Used more sophisticated version to win his three TOUR titles. ...In August 1999, made hole-in-one during first round of CVS Charity Classic immediately following ace by Lee Janzen on 17th hole at Rhode Island CC.

## PGA TOUR VICTORIES (2):

**1999** Buick Open. **2001** The INTERNATIONAL Presented by Qwest.

## BEST 2004 PGA TOUR FINISHES:

3—The INTERNATIONAL, Buick Championship; 7—Chrysler Classic of Greensboro, AT&T Pebble Beach National Pro-Am; T10—Buick Invitational.

## 2004 SEASON:

Posted career-highs in top-10s (five) and earnings (\$1,475,274) and matched his career-high in top-25s (nine). Among the five top-10s were a career-high two third-place finishes. First top-10 of the season, a T7, came at the AT&T Pebble Beach National Pro-Am. Followed that with a T10 the next week at the Buick Invitational. Using an 8-iron from 160 yards on the 12th hole at Muirfield Village GC he recorded the ninth ace of the season during the second round of the Memorial Tournament. Best finish of the year was solo third at The INTERNATIONAL. The 2001 champion moved into a tie for the lead at 28 points through 10 holes, but dropped back with consecutive bogeys on Nos. 11 and 12. Aided by rounds of 68-67 on the weekend, finished T3 at the Buick Championship. In contention most of the week at Chrysler Classic of Greensboro before finishing solo seventh, six strokes behind champion Brent Geiberger.

## CAREER HIGHLIGHTS:

**2003:** Played in 31 tournaments and made 21 cuts, including 11 consecutive at the end of the season, longest consecutive cuts streak of his career. Finished in the top-25 nine times, a career best. Third-place check for \$285,000 at the Bell Canadian Open, a season's best payday, lifted him over the \$1-million mark for only the second time in his 12-year career. **2002:** Struggled after a career season in 2001. First top-10 of the season came at the Shell Houston Open, his 10th start of the season, with a T6. Finished the year on a strong note with three top-15s, including a T7 at the Reno

Tahoe Open. **2001:** Collected his second PGA TOUR victory and for the first time eclipsed the \$1-million mark in season earnings with \$1,273,902. At The INTERNATIONAL, accumulated 12 points in each of the first two rounds under Modified Stableford scoring system and led by two. Added nine points in round three and increased his lead to three. Recorded only one point in the final round, but was good enough for one-point victory over Chris Riley. Inspirational victory because his two daughters, Kristen and Brooke, were in attendance. Brooke, then age 6, is blind. Next week finished T4 at the Buick Open after posting rounds of 68-67-66-66. INTERNATIONAL first-place check for \$720,000, combined with Buick Open payday (\$136,400), gave him \$856,400 in two weeks, more than he had earned in any of his nine previous seasons on TOUR. **2000:** Opened season at the Mercedes Championships with T8. His third-round 65 was the low round of the championship. His only other top-10 came at the rain-shortened BellSouth Classic, a T5. **1999:** Earned first PGA TOUR victory at Buick Open. His closing 65 brought one-stroke victory over Tom Lehman, Ted Tryba and Bob Tway. Shared 36-hole lead after opening 67-66 and stood five strokes back after third-round 72. Victory came in his 213th career start on the PGA TOUR. His \$432,000 payday was more than he made the first 16 years as professional. **1998:** First season he earned full-exempt status. Although it took more than half a year because of tournament delay, enjoyed runner-up finish to Phil Mickelson at AT&T Pebble Beach National Pro-Am. Rounds of 67-69-67 were worth \$270,000. **1997:** Earned more than \$100,000 for the first time with \$173,012, which placed him 127th on money list. Best finish was fourth at Greater Milwaukee Open. Finished 25th at PGA TOUR Qualifying Tournament to return to TOUR in 1998. **1996:** Had three top-10 Nationwide Tour finishes, including T6 at Miami Valley Open. **1992:** Best Nationwide Tour finish T3 at Hawkeye Open. **1986:** Earned status on the PGA TOUR with his second-place finish at the 1985 Qualifying Tournament. Made 12 cuts and finished 148th on the money list with \$40,172. **Amateur:** Two-time All-American at

UCLA. Pac-10 Player of Year in 1981.

### 2004 SEASON:

His consistent play late in the season secured him a spot inside the top 125, after falling out in 2003...Grabbed the first-round lead at the Ford Championship at Doral with a 7-under-par 65 despite a double-bogey 6 at the par-4 18th. He stood 10-under through 13 after running off six consecutive birdies, but closed out his day with a bogey-par-double bogey finish to end the day with a one-stroke lead. Closing rounds of 76-71-68 dropped him to T27...Was two-strokes off the lead through 36 holes at the B.C. Open and three back of the lead through 54 holes. Finished T13...Ended the year strong, with his lone top-10 of the season, a solo third at Chrysler Classic of Greensboro, three shots behind champion Brent Geiberger. Jumped from No. 152 to No. 110 on money list with \$312,800 paycheck, securing TOUR card for 2005.

### CAREER HIGHLIGHTS:

**2003:** Finished outside the top 125 for the first time since he regained his TOUR card in 2001...Struggled with back pain throughout the first half of the season and posted his only top-10, a T5, at the Greater Milwaukee Open, thanks, in part, to a final-round 64. **2002:** For the second straight season had five top-10s, but this time was able to punch through for his first TOUR victory at the Buick Classic in his 148th TOUR start...After opening 66-69 at the Buick Classic, grabbed sole possession of 54-hole lead at 11-under-par with a third-round 67. That drive is the longest recorded drive at a PGA TOUR event since such record keeping began in 1980. **1997:** Earned three of his five Nationwide Tour victories, making him the first player to take advantage of a three-win promotion that awards PGA TOUR membership to any Nationwide Tour player who wins three times in a year. Won the Dakota Dunes Open and the Omaha Classic in back-to-back weeks, becoming only the third player in TOUR history to accomplish that feat. Win at Dakota Dunes made him the first player in TOUR history to win the same tournament twice (1995, 1997). Victory in Omaha was a record-setting affair. Set TOUR scoring records for 72-hole score with a 258, strokes-under-par at 26 and winning margin (11 strokes)...Week prior to his consecutive wins, lost to Ben Bates in four-man playoff at Wichita Open...Defeated Terry Price by three strokes at the Upstate Classic for first victory of season...Named Player of the Year after finishing No. 1 on the money list with \$225,201 in just 17 events...After earning PGA TOUR spot on Aug. 10, made cut in all five of his TOUR appearances in the fall and finished in top-20 three times. **1995:** Finishes seventh on Nationwide Tour money list to graduate to PGA

However, rounds of 70-69-67 produced T3 worth \$104,000 which lifted him to 113th on final money list. **1998:** Was hampered to some degree by right shoulder injury sustained at Bay Hill Invitational. MRI showed slight cartilage irritation but no muscle tears. Was forced to withdraw during second round of THE PLAYERS Championship... T6 in final start of year, at Las Vegas Invitational, to earn \$69,500 which led to 96th-place finish on final money list. **1997:** Qualified for THE TOUR Championship, where he finished T17... Reid was eliminated on first extra hole, and Stankowski defeated Furyk on fourth playoff hole to capture second PGA TOUR title... After Hawaii, finished T3 at Bob Hope Chrysler Classic and T5 at Honda Classic, Masters Tournament and GTE Byron Nelson Classic. **1996:** Unquestionably his breakthrough year, featuring his first victory on TOUR at BellSouth Classic in just his third full season. ### 2004 SEASON:

Returned to PGA TOUR for a third time, the second via the Nationwide Tour money list, where he finished fifth in 2003. This time he made it count by finishing 39th on the money list and qualifying for his first trip to the Masters in 2005. Moved from No. 429 at start of season to No. 104 in the Official World Golf Ranking after THE TOUR Championship. Came into the season with no top-10s and two top-25s in 58 starts but recorded five top-10s and 13 top-25s, while making the cut in 23 of 30 events. Posted his first career top-10 finish on TOUR with a T4 at the Buick Invitational. Picked up \$174,000, better than the \$139,357 he earned for the entire 2002 season. Through five events in '04, already had doubled his career top-25s. A final-round, 5-under 65 gave him a T5 finish at the Bank of America Colonial, his eighth top-25 finish of the season. Two starts later finished T9 at the Buick Classic. Matched his career-best finish with a T4 at the Booz Allen Classic, thanks to being one of only four players with four rounds in the 60s. His \$198,400 payday was a

career best and lifted him over the \$1-million mark in season earnings for the first time in his career. Added a fifth top-10 with a T7 at the U.S. Bank Championship in Milwaukee. Shared first-round lead with seven others, tying a TOUR record for players sharing the lead through 18 holes (2000 Honda Classic). Finished tied for second on TOUR in Rounds in the 60s (46) and fourth in Total Birdies (406).

### CAREER HIGHLIGHTS:

**2003:** Posted 16 top-25s in 24 events on the Nationwide Tour on way to fifth-place finish on money list. Finish allowed him to earn his PGA TOUR card for the third time in his career and second time via the Nationwide Tour. His 26-under 262 at the Omaha Classic equaled the low 72-hole score in Nationwide Tour history. It was his first win on the tour that he played in 2000-01 and 2003. Had a hole-in-one on No. 8 in the final round of the season-ending Nationwide Tour Championship. **2002:** Made the cut in 10 of 28 events on the PGA TOUR with his only top-25 a T25 at the BellSouth Classic. Fired career-low, final-round 63 at the Greater Milwaukee Open. **2001:** Finished 11th on Nationwide Tour money list to earn second TOUR card. Finished in top 25 in 10 of his 17 cuts made, including two runner-up finishes at the Dayton Open and Gila River Classic. Lost three-man playoff with Jason Caron and winner Ben Crane at Gila River. **1999:** Made only seven cuts in rookie season on the PGA TOUR in 1999, including a career-best T20 finish at the Bell Canadian Open. **1998:** Earned his first TOUR card with T17 finish at the 1998 PGA TOUR Qualifying Tournament.

First victory on PGA TOUR came in record fashion at the 1990 NEC World Series of Golf. Opened with course-record 61, then added three consecutive 67s for tournament records following each round. Created a big impact in 2000, finishing runner-up on four occasions, most notably in the WGC-NEC Invitational with a T2 behind Tiger Woods to collect the biggest check of his career. Credits his stronger mental approach to his 10-year association with psychologist Alan Fine, who lives in America and flew to Akron to lend his assistance during the WGC-NEC International event. Leading amateur for Wales, won Portuguese Open in 1994 and named 'Pontypridd Man of the Year'. Partnered with Ian Woosnam to second place in the 1991 World Cup.

T10 finish at Valero Texas Open was first top-10 since T2 at 2001 Greater Greensboro Chrysler Open. Finished outside top 125 in four of the last five seasons. In 2001, returned from broken ankle that sidelined him for all of 2000. Received a major medical exemption and had 29 tournaments to regain exempt status. Started season slowly with five missed cuts in first six starts. Held first-round lead after opening 66, stood one stroke back after 36 holes and two after 54 holes at Greater Greensboro Chrysler Classic. Finished T2 for first top-10 since T7 at 1999 Buick Invitational and his only one of the season. Earned \$308,000 for the T2 finish or \$200,000 more than he received for his Greensboro victory in 1987. Unable to play the PGA TOUR in 2000 due to broken ankle he suffered while skiing at the end of 1999. Prognosis was ankle could heal without surgery but did not and he underwent surgery in August, which involved inserting seven screws into the ankle and left him on crutches for two months. Most recent victory came in 1998 Buick Invitational. Posted final-round 64, then spent the next couple hours watching his 12-under-par 204 total stand up. Skip Kendall birdied the final hole of regulation to force playoff, but Scott won with birdie on first extra hole. Came from eight strokes back entering final round, at the time matching PGA TOUR best comeback since 1970. Victory came with former San Diego Chargers quarterback Stan Humphries on his bag. Also became third San Diego native to win Buick Invitational in six years (Phil Mickelson 1993, 2000, '01 and Craig Stadler 1994) and fifth overall (Gene Littler 1954 and Billy Casper 1966). Fell out of top 125 in 1997 for first time in his career. Made 16 of 25 cuts and finished in top-25 once. Chose to use one-time top-50 career money list ranking exemption to play in 1998. Impressive 1996 West Coast swing included T2 at Nissan Open, T3 Buick Invitational, T4 United Airlines Hawaiian Open and T6 at Phoenix Open. Named PGA TOUR Player of the Month for February, first to receive award without victory during that span. Earned more money in 1995 than in any other season on the heels of three runners-up paychecks: T2 at Northern Telecom Open, T2 at Motorola Western Open and second at Anheuser-Busch Golf Classic. Recorded a one-stroke victory over Corey Pavin, Billy Mayfair and D.A. Weibring at the 1993 GTE Byron Nelson Classic. Lost 18-hole playoff to Payne Stewart in 1991 U.S. Open at Hazeltine National. Defeated Bob Tway in playoff to win 1989 BellSouth Atlanta Classic. At 1987 U.S. Open, trailed Tom Watson by one stroke heading into final round at The Olympic Club, but closing 68, which included three birdies on back nine, good for one-stroke victory. Also won Greater Greensboro Open that year on way to fourth-place finish on money list. Final-round 65 gave him a five-stroke victory at the 1984 Manufacturers Hanover Westchester Classic. First TOUR victory came at 1980 Western Open, by five strokes over Andy Bean. NCAA Champion and All-American at University of Southern California in 1976 and 1977. # Mercedes Championships

## Mercedes Championships

### NOTES

By finishing T4, **Tiger Woods** earned \$275,000 and moved over the \$40-million mark in career earnings on the PGA TOUR (\$40,052,265).

TIGER WOODS

Four of the top-five finishers in 2004 were international players, including **Stuart Appleby**, **Vijay Singh**, **Darren Clarke** and **Retief Goosen**. **Tiger Woods** was the only player born in the United States to crack the top five.

Since 1986, when the Mercedes Championships moved to the early portion of the PGA TOUR schedule, all but two of the winners have finished the season inside the top 30. The only two not to crack the top 30 at the end of the season were **Mac O'Grady** (No. 35) in 1987 and **Tom Kite** (No. 39) in 1991. Dating back to 1953, the first year of the Tournament of Champions, the lowest any winner of this tournament has finished a season was 43rd (**Art Wall** in 1954).

Since 1953, 10 of the Mercedes Championships' winners have finished the season in the No. 1 spot on the money list. **Jack Nicklaus** and **Tom Watson** lead in that category with three wins and three No. 1 finishes. The only person to win and finish atop the money list since the tournament moved to the early portion of the schedule is **Tiger Woods** in 1997 and 2000.

#### Tournament Record:

261, Ernie Els, 2003

#### Current Course Record:

62, K.J. Choi, 2003

## NOTES

With his win at the 2004 Sony Open in Hawaii, **Ernie Els** became the first player to win the same event in consecutive years in playoffs since **Nick Faldo** won the 1989 and 1990 Masters.

**Ernie Els'** victory over **Harrison Frazar** was the 10th playoff in the history of the Sony Open in Hawaii. Els was involved in the last one as well, defeating **Aaron Baddeley** on the second extra hole in 2003.

**Ernie Els** posted a final-round, 5-under-par 65 last year, bringing his consecutive rounds in the 60s streak at the Sony Open in Hawaii to 16. During that span, he is 56-under par. He has finished in the top five in his last four appearances at the Sony Open in Hawaii (fifth in 2000, fourth in 2001, first in 2003, first in 2004).

14-year-old **Michelle Wie** fired a 2-under-par 68 in the second round to finish the tournament at even-par 140, just one shot shy of making the cut. Wie had the putter working in round two, making birdie putts from 58 feet on No. 7, 52 feet on No. 11, 17 feet on No. 16 and 4 feet on No. 18. Her only bogeys came on Nos. 1 and 13.

The biggest winners of the Sony Open in Hawaii were the 91 charity beneficiaries who received a total of \$700,000 in grants from the Friends of Hawaii Charities, the Sony Open in Hawaii host for the past four years. During this time, over 200 worthy Hawaii non-profit entities have received a total of \$2 million in charity funds from the Friends. Friends of Hawaii Charities was incorporated in 1998 to benefit not-for-profit organizations serving Hawaii's children, youth, and women through health and education oriented projects.

# Bob Hope Chrysler Classic

## NOTES

When **Phil Mickelson** won last year at the Bob Hope Chrysler Classic it marked the fifth time in his career that he won his initial start of the season. The others were the Tucson Open (1991), Mercedes Championships (1994 and 1998) and the Bob Hope Chrysler Classic (2002).

How about 51-year old **Jay Haas**. In his last four starts at the Bob Hope Chrysler Classic, Haas is 100-under par.

Go low or don't go was true once again in the California desert in 2004. There were 61 rounds of 65 or better posted during the 2004 Bob Hope Chrysler Classic, including one 60, two 62s and 12 63s.

With **Phil Mickelson's** victory last year, it made the Bob Hope Chrysler Classic the first PGA TOUR event ever won three consecutive years by a lefty. Mickelson won in 2002, **Mike Weir** in 2003 and Mickelson in 2004.

# Bob Hope Chrysler Classic

## NOTES

**Phil Mickelson's** playoff victory makes him the second player in tournament history to win two playoffs. **Arnold Palmer** won playoffs in 1968 and 1971.

Coming into the 2004 tournament, only nine players had ever reached the 30-under mark. Last year, two accomplished the feat – **Phil Mickelson** (30-under) and **Skip Kendall** (30-under). Mickelson became the second player to do it twice. The nine were **Mike Weir** (30-under/2003), Mickelson (30-under/2002), **David Berganio, Jr.** (30-under/2002), **Joe Durant** (36-under/2001), **Paul Stankowski** (32-under/2001), **Mark Calcavecchia** (30-under/2001, 32-under/1997), **John Cook** (33-under/1997) and **Tom Kite** (35-under/1993).

In 2004 10 players managed to finish the week without posting a round in the 70s, including **Phil Mickelson** (W), **Skip Kendall** (2nd), **Jay Haas** (3rd), **Ben Crane** (T5), **Jesper Parnevik** (T5), **Bernhard Langer** (8th), **Kent Jones** (T9), **J.L. Lewis** (T9), **Paul Azinger** (T9) and **Paul Stankowski** (T47). In tournament history, 95 players have posted five rounds in the 60s.

ARNOLD PALMER

Four times an age 40-plus player has won the Bob Hope Chrysler Classic – twice by **Arnold Palmer** in 1973 (44 years, 6 month, 29 days) and 1971 (42 years, 6 months, 26 days), **Tom Kite** in 1993 (44 years, 9 month, 25 days) and **Bob Rosburg** in 1972 (46 years, 8 months, 8 days).

With the veteran **Phil Mickelson's** 22nd TOUR victory at the Bob Hope Chrysler Classic, **Donnie Hammond** (1986) remains the last player to earn his first TOUR victory at the Hope, a streak of 19 years. Hammond and **Bill Rogers** (1978) are the only two first-time winners in the 45 years of the Hope.

# FBR Open

## NOTES

The new sponsor of this event, Friedman, Billings, Ramsey Group, Inc. and The Thunderbirds, the organization hosting the tournament, went the extra mile with their "Birdies for Charity" program last year. The pair donated \$100 for every birdie, \$1,000 for every eagle and \$10,000 for every double eagle or hole-in-one. With 1,399 birdies and 28 eagles the total amount donated last year was \$167,900.

**Jonathan Kaye** collected a career-high paycheck of \$936,000 and jumped to the top of the PGA TOUR season money list for the first time in his career with \$1,292,944. He earned over \$1 million in a season for the fourth time in his career.

Three lefties finished in the Top-10 last year at the FBR Open—**Steve Flesch** (T3), **Mike Weir** (T5) and **Phil Mickelson** (T7). That hasn't happened since the 2000 Phoenix Open when the same three players accomplished the feat.

MARK CALCAVECCHIA

Think the purses have changed much over the past 13 years on the PGA TOUR? Three-time Phoenix Open champion **Mark Calcavecchia** took home a check worth \$720,000 after winning the 2001 Phoenix Open. The first time Calcavecchia captured the Phoenix title, in 1989, the entire purse was \$700,000. His share that year was \$126,000. **Vijay Singh** received \$720,000 for his win at the 2003 Phoenix Open, with an overall purse of \$4 million for the field. When Singh won here in 1995, he earned \$234,000 from a purse of \$1.3 million.

### Tournament Record:

256, Mark Calcavecchia, 2001

### Current Course Record:

60, Grant Waite, 1996; Mark Calcavecchia, 2001

# AT&T Pebble Beach National Pro-Am

## NOTES

**Jeff Maggert** birdied the final two holes in the final round at the 2004 AT&T Pebble Beach National Pro-Am to finish in solo second place. It was Maggert's first runner-up effort since finishing tied for second at the 2000 Buick Challenge – a span of 85 starts.

Craig Stadler and Kevin Stadler

Playing in the same pairing, Sponsor Exemption **Kevin Stadler** and his father **Craig** both made the 54-hole cut and finished T61 and T35, respectively. It was the first made cut of Kevin's career in four starts, third as a professional. One week later, Kevin was the first-round leader at the Buick Invitational after an 8-under-par 64 (before finishing T59), while Craig went on to win The ACE Group Classic on the Champions Tour.

**Bill Glasson** finished T10 at the 2004 AT&T Pebble Beach National Pro-Am, his first top-10 on TOUR since a T3 at the 2000 B.C. Open, a span of 60 events between top-10s. Glasson's top-10 earned him a start the following week at the Buick Invitational.

# Buick Invitational

## NOTES

2004 Buick Invitational winner **John Daly** went 189 starts and 8 years, 6 months, and 22 days between PGA TOUR wins, his last coming at the 1995 British Open.

The 278 total (10-under-par) total for **John Daly** was the highest Buick Invitational winning 72-hole total since **Phil Mickelson's** 278 won the event in 1993. The highest winning total in Buick Invitational history was 284 by **Jack Nicklaus** in 1969.

**John Daly** defeated **Chris Riley** and **Luke Donald** in the first hole of sudden death, nearly holing a bunker shot on No. 18 that he converted for a birdie-4. The playoff was the 13th in Buick Invitational history and the first since **Phil Mickelson** topped **Davis Love III** and **Frank Lickliter II** in sudden death in 2001. The last time there was a three-way playoff on the PGA TOUR was the 2002 Bell Canadian Open, where **John Rollins** defeated **Neal Lancaster** and **Justin Leonard**.

**John Daly's** winning 3-over-par score of 75 was the highest final-round score for a champion on the PGA TOUR since **Steve Pate** carded a 3-over-par 75 in a winning effort at the 1991 Honda Classic.

## NOTES

Holding a five-stroke lead heading into the final round, **Mike Weir** was able to hold off **Shigeiki Maruyama** by a single stroke with an even-par 71 on Sunday – his first win in six attempts when holding at least a share of the 54-hole lead on the PGA TOUR.

BRINY BAIRD

**Briny Baird's** 9-under-par 62 in the second round was just one shot off of the Riviera Country Club and Nissan Open record. **Ted Tryba** shot 61 at Riviera in 1999. **George Archer** shot 61 in 1983 when the tournament was held at the Rancho Park Country Club. Baird's round equaled the best second round in tournament history, previously set by **Larry Mize** in 1985 and **Kenny Perry** in 1995.

Five of the six past Nissan Open champions in the field made the cut in 2004: **Mike Weir** (2003), **Kirk Triplett** (2000), **Robert Allenby** (2001), **Fred Couples** (1990, 1992) and **Corey Pavin** (1994-95). **Billy Mayfair** (1998) was the only former winner to miss the cut.

Two-time champion **Fred Couples** has played in every Nissan Open since 1982 and has a total of 11 top-10s in 23 starts.

**Tiger Woods** has played the Nissan Open nine times, having made his debut on the PGA TOUR in 1992 as a 16-year-old amateur playing on a Sponsor Exemption. As a professional, Woods has played in the Nissan Open seven times with four top-10 finishes. His best performance was solo second, losing in a playoff to **Billy Mayfair** in 1998 at Valencia Country Club.

# Chrysler Classic of Tucson

## NOTES

Arizona State University student **Benoit Beisser** Monday qualified for the tournament after his mother Deana signed him up and did not inform him until the night before. Beisser, who was a professional and did not play golf for Arizona State University, missed the cut after rounds of 72-75 in his first PGA TOUR event.

2004 winner **Heath Slocum** was the third-round leader in 2002 before finishing in a tie for sixth after a final-round even-par 72. In 2004, after sharing the 54-hole lead with **Aaron Baddeley**, Slocum fired a 7-under 65 to win by a stroke over Baddeley. Slocum, who joined the TOUR in 2001 after winning three times in one season on the Nationwide Tour, earned his first TOUR victory in his 78th start on TOUR.

FRANK LICKLITER II

**Heath Slocum** became the 13th first-time winner in tournament history and the fourth of five since 2000. The only non first-time winner since 2000 was 2003 champion **Frank Lickliter II**.

Runner-up **Aaron Baddeley** had played his last 39 holes without a bogey before bogeying the final hole to finish one stroke behind Heath Slocum. Baddeley's three-putt on the final hole was his first of the week. Baddeley led the tournament with a putting average of 1.523 and needed just 95 putts over four rounds to become the second player in 2004 to finish a tournament with less than 100 putts. **Mike Weir** used 99 putts to win the Nissan Open the week prior.

# Ford Championship at Doral

## NOTES

In one of the most exciting finishes in PGA TOUR history, **Craig Parry** holed a 6-iron from 176 yards on the first playoff hole to defeat **Scott Verplank** at the 2004 Ford Championship at Doral.

Coincidence? The last memorable hole-out from the fairway to win on the PGA TOUR was by **Robert Gamez** on the final hole of the 1990 Bay Hill Invitational. Gamez, just like Parry, holed out from 176 yards. The 18th hole at Bay Hill was the toughest on TOUR in 1989 and the 18th at Doral was the toughest on TOUR in 2004. Need more? Both Gamez and Parry had their brothers caddying for them. It was also the second career win for each. Parry's previous victory came at the 2002 WGC-NEC Invitational.

STEVE ELKINGTON

With **Craig Parry's** victory, every winner of the Ford Championship at Doral since 1990, except **Steve Elkington** in 1997 and 1999, has had ties to the state of Florida at the time of his victory. Prior to Elkington, 1989 winner **Bill Glasson** was the last tournament champion at Doral who did not have a connection to Florida (birthplace, resident). Parry has residences in Sydney, Australia and Orlando, FL.

**Craig Parry's** win last season marked the second consecutive season the Ford Championship at Doral ended in a playoff. **Scott Hoch** outlasted **Jim Furyk** in a three-hole playoff to win the 2003 title. In all, the tournament has needed extra holes to determine a victor six times (1980, 1986, 1990, 1991, 2003 and 2004).

### Tournament Record:

265, Greg Norman, 1993; Jim Furyk, 2000

### Current Course Record:

61, Stephen Ames, 2000

# THE PLAYERS Championship

THE PLAYERS  
CHAMPIONSHIP®

## NOTES

With the 2004 PLAYERS Championship title, **Adam Scott** had won six times in seven attempts when holding at least a share of the 54-hole lead, including four on the European Tour. His only blemish was the 2001 Compass Group English Open, when he carded a final-round 73 to finish third behind fellow Australian **Peter O'Malley** and Frenchman **Raphael Jacquelin**. Scott has posted final rounds in the 70 or better in all six of his professional victories, with a scoring average for the final round at these six events of 68.50.

**Adam Scott** became the sixth international player to win THE PLAYERS Championship and the third Aussie, joining **Greg Norman** (1994) and two-time champion **Steve Elkington** (1991, 1997).

FRED COUPLES

At the age of 23 years, 8 months and 12 days, **Adam Scott** became the youngest winner in the history of THE PLAYERS Championship. **Fred Couples**—at the age of 24 years, five months and 28 days—won the 1984 PLAYERS Championship.

**Padraig Harrington's** back-nine 6-under-par 30 was the low nine-hole score at THE PLAYERS in 2004. It was the first time since 1997 (**Taylor Smith**, 1997 Round 1) that a player posted a 30 on the final nine, and the seventh player all-time to do so at the TPC at Sawgrass. The round started out inauspiciously, as he had three bogeys and a birdie in his first five holes. Over the next 13 holes, Harrington posted six birdies and an eagle to finish at 6-under-par 66 on the day—11-under-par for the tournament for his second consecutive runner-up finish at THE PLAYERS. Starting out five behind Scott, his comeback would have tied the largest comeback in the final 18 holes at THE PLAYERS Championship since **Justin Leonard** made up five strokes on **Lee Janzen** on the final day in 1998.

### Tournament Record:

264, Greg Norman, 1994

## NOTES

**Zach Johnson** became the fourth player to win his first PGA TOUR event at the BellSouth Classic, joining **Ben Crane** (2003), **Paul Stankowski** (1996) and **Tommy Aaron** (1970).

**Zach Johnson** tried to become just the third player since the BellSouth Classic moved to TPC at Sugarloaf to string together four rounds in the 60s in a single event. A final-round 72 kept him from the mark. **David Duval** accomplished the feat when he won the 1999 tournament. That same year **Davis Love III** finished T7 and posted four rounds in the 60s.

**Zach Johnson** became the 16th rookie in TOUR history to earn \$1 million in his first season. **Todd Hamilton** did it earlier in 2004. Johnson surpassed the \$1-million mark in just nine events.

**Stewart Cink** posted his sixth top-10 finish at the TPC at Sugarloaf in eight appearances with his T8. He missed the cut in the other two starts. **Phil Mickelson** added his fifth at the course. The pair are tops in that category since the tournament moved to this course in 1997. Cink's sixth top-10 at the BellSouth Classic moved him into second on the all-time list behind **Jack Nicklaus** and **Don Pooley**.

Australian rookie **Scott Hend** made the first cut of his career in his sixth career event on the PGA TOUR. He made the most of it with his first top-10, a T3, that earned him his first TOUR paycheck of \$306,000.

**Phil Mickelson** became the new leading money winner at the BellSouth Classic thanks to his 10th-place finish. Mickelson passed **Scott McCarron** (\$1,070,277) with earnings of \$1,133,416 in seven appearances.

# Masters Tournament

## NOTES

**Phil Mickelson's** 5-under 31 on the back nine in 2004 was the lowest final-round back nine by a winner since **Jack Nicklaus'** 30 in 1986. **Gary Player** also had a 30 in 1978.

**Phil Mickelson** became the second consecutive first-time major championship winner at the Masters, following 2003 champion **Mike Weir**, and the sixth consecutive in the majors dating back to **Ernie Els** becoming a repeat major winner at the 2002 British Open (**Rich Beem**/2002 PGA; **Weir**/2003 Masters; **Jim Furyk**/2003 U.S. Open; **Ben Curtis**/2003 British Open; **Shaun Micheel**/2003 PGA).

When **Phil Mickelson** sank the winning putt on the 18th hole on Sunday, it was the sixth time a winner had birdied the final hole to win the Masters. The others include **Mark O'Meara** (1998), **Sandy Lyle** (1988), **Gary Player** (1978), **Arnold Palmer** (1960) and **Art Wall** (1959). It was also the fourth time the birdie has come on the final putt of the tournament—Palmer, Lyle and O'Meara.

**Phil Mickelson** became the 14th straight player to come from the final round's last pairing at the Masters and win. **Nick Faldo** was the last player to come from outside the last group and win the Masters, in 1990.

**Phil Mickelson** had the third-most victories (22) by a player prior to earning his first major championship victory. **Ben Hogan** won 30 times prior to winning the 1946 PGA Championship, while **Sam Snead** won 27 times before winning the 1942 PGA Championship.

With **Phil Mickelson's** win, it was the first time that left-handers have won the same major championship in back-to-back years, following **Mike Weir** in 2003. Mickelson became the third left-hander to win a major following **Weir** and **Bob Charles** at the 1963 British Open.

### Tournament Record:

## NOTES

Last year's playoff between **Ted Purdy** and **Stewart Cink** was the third in the last four years at the MCI Heritage. The playoff between **Jose Coceres** and **Billy Mayfair** in 2001 ended with Coceres winning with a par on the fifth hole. In 2003, **Davis Love III** outlasted **Woody Austin** on the fourth hole.

Last year marked the second five-hole playoff in MCI Heritage history. The first came in 2001 when **Jose Coceres** outlasted **Billy Mayfair** with a par. The 2001 event was also the last time a TOUR event had a five-hole playoff.

With his victory last year, **Stewart Cink** joined a stellar group of players who have won the MCI Heritage at least twice. **Davis Love III** has five titles, followed by **Hale Irwin's** three. **Johnny Miller, Hubert Green, Tom Watson** and **Payne Stewart** all won twice at Harbour Town.

Five times in history a player 40 or over has won the MCI Heritage. The first player to do it was **Arnold Palmer** at the inaugural 1969 tournament. He was 40 years, 2 months and 20 days when he edged **Richard Crawford** and **Bert Yancey** by three strokes. The next year, **Bob Goalby** (41 years, 8 months, 15 days) prevailed. No player in his 40s won the tournament for the next 24 years until **Hale Irwin** began a trend where the tournament crowned three 40-somethings in a four-tournament span. Irwin was 48 years, 10 months and 14 days in 1994. Two years later, **Loren Roberts** (40 years, 9 months, 27 days) won, followed by **Nick Price** a year later (40 years, 20 months, 22 days).

The youngest winner in MCI Heritage history is **Davis Love III**. He was 23 years and 6 days when he won the first of his five titles.

# Shell Houston Open

## NOTES

The key to victory for **Vijay Singh** in 2004 at the Shell Houston Open? *Greens in Regulation*. He entered the week No. 1 on the PGA TOUR in GIR (72.9 percent) and led the field last year at 84.7 percent, hitting 61 of 72 greens. He also led the field in Driving Distance (318.3 yards). In his bogey-free final round, Singh was near-perfect, hitting 13 of 14 fairways and 16 of 18 greens.

**Vijay Singh** and **Scott Hoch**, the champion and runner-up, respectively, did not record a bogey in the final round in 2004. In fact, Singh went bogey-free over the final 36 holes.

Prior to the 2004 Shell Houston Open, **Vijay Singh** had won the last Monday finish on the PGA TOUR, at the 2003 John Deere Classic.

With his victory, **Vijay Singh** becomes the eighth multiple winner of the Shell Houston Open, joining **Cary Middlecoff** (1950, 1953), **Mike Souchak** (1955, 1964), **Jack Burke, Jr.** (1952, 1958), **Arnold Palmer** (1957, 1966), **Bobby Nichols** (1963, 1965), **Bruce Crampton** (1973, 1975) and **Curtis Strange** (1980, 1986, 1988).

**John Daly** was attempting to pull off a rare feat, winning a PGA TOUR event after beginning his final round on No. 10. **Keith Clearwater** was the last player to win after starting on the back nine in the final round, having done so at the 1987 Colonial. Playing the final 36 holes on Sunday, Clearwater carded rounds of 64-64 to seize the title from 54-hole leader **Ben Crenshaw**. Daly pulled within one of eventual champion **Vijay Singh** on his final nine, but bogeys on three of his last five holes dashed his chance for victory.

# Zurich Classic of New Orleans

## NOTES

**Vijay Singh** matched the 72-hole course record at English Turn Golf & Country Club with his 22-under 266 (**David Toms** 2001).

The tournament record is 262 by **Chip Beck** in 1988 at Lakewood Country Club.

**Vijay Singh's** back nine 7-under 29 tied the back-nine course record at English Turn set by **Harrison Frazar** during the third round of the 2000 event. There have been two other players to post 29 on the back nine, **Kelly Grunewald** (first round) in 2001 and **Rich Beem** (first round) in 2002.

The Tournament Players Club of Louisiana, a **Pete Dye** design, will debut this year as the tournament site. PGA TOUR players **Steve Elkington** and **Kelly Gibson** were design consultants on the 7,520-yard, par-72 public course.

**Vijay Singh** was the first player to record back-to-back Monday victories since the TOUR began keeping track of such things in 1980. He also won the last three Monday finishes on TOUR, beginning with the 2003 John Deere Classic and including the 2004 Shell Houston Open and the 2004 HP Classic of New Orleans. The Monday finish victories don't end there as he also won the 1997 Memorial Tournament.

At age 41 years, 2 months, 12 days, **Vijay Singh** became the sixth player over age 40 to win in New Orleans. The last player over 40 to win was **Ben Crenshaw** in 1994 at age 42 years, 2 months and 22 days. The other four include: 1986, **Calvin Peete** (42 years, 8 months, 5 days); 1975, **Billy Casper** (43 years, 10 days, 24 days); 1972, **Gary Player** (42 years, 6 months, 16 days); and 1965, **Dick Mayer** (40 years, 8 months, 17 days).

# EDS Byron Nelson Championship

## NOTES

**Sergio Garcia** collected his first win at the tournament where he made his professional PGA TOUR debut in 1999. It was his third top-10 in six appearances after a T3 in 1999 and T8 in 2001.

**Sergio Garcia** (24) became the youngest winner at the tournament since **Tiger Woods** won the 1997 event at the age of 21 years, four months and 18 days.

2004 champion **Sergio Garcia** led the tournament in Greens In Regulation hitting 59 of 72 (81.2 percent) of the greens.

Winning the 2004 tournament helped **Sergio Garcia** move into third on the all-time tournament earnings list with \$1,382,500.

The win was **Sergio Garcia's** 12th worldwide including nine official money events, four on the PGA TOUR, four on the European Tour and one on the Asian PGA.

**Sergio Garcia** collected his second playoff win in three career playoff appearances.

Coupled with the 2001 victory at the MasterCard Colonial, **Sergio Garcia** became the 13th player to win both the Byron Nelson and the Colonial in his career. **Phil Mickelson** (1996 GTE Byron Nelson Golf Classic/2000 MasterCard Colonial) was the last player to win both events.

The playoff was the 18th in the history of the EDS Byron Nelson Championship, and the first since 2001 when

**Robert Damron** topped **Scott Verplank** in the fourth extra hole.

# FedEx St. Jude Classic

## NOTES

**David Toms'** six-stroke win at the 2004 FedEx St. Jude Classic matched **Chad Campbell** (Bay Hill Invitational) for the largest on the PGA TOUR in 2004. The largest margin of victory at the FedEx was seven by **John Cook** over **John Adams** in 1996.

The 2004 FedEx St. Jude Classic marked the second time **David Toms** has won a PGA TOUR event in his career with an over-par final round. In 2003 at the Wachovia Championship, Toms held a five-stroke lead entering Sunday and posted a 1-over-par 73 to win by two over three players.

In 2004, **David Toms** became the third player to win back-to-back titles at the FedEx St. Jude Classic. **Dave Hill** (1969-70) and **Lee Trevino** (1971-72) both won in consecutive seasons. Toms also won the Michelob Championship at Kingsmill in back-to-back seasons (2000 and 2001).

**David Toms'** streak of 11 consecutive rounds in the 60s at the FedEx St. Jude Classic came to an end with his 2-over-par 73 in the final round of the 2004 event.

Seven players in the top 10 earned their first top-10 finish of the 2004 season at the FedEx St. Jude Classic: **Bob Estes** (2), **Steve Lowery** (T3), **Vaughn Taylor** (T5), **Brian Gay** (T5), **Paul Stankowski** (T9), **Craig Bowden** (T9) and **Hirofumi Miyase** (T9). Three players—Taylor, Miyase and Bowden—posted the first top-10s of their respective careers on the PGA TOUR.

Past champion **Bob Estes** closed his second round in 2004 with seven consecutive birdies, tying Vijay Singh for most consecutive birdies on the season (Mercedes Championships).

# the Memorial Tournament

## NOTES

June has been kind to **Ernie Els**. Five of his PGA TOUR wins have come during this month. Besides his 2004 Memorial Tournament victory, Els has won two U.S. Opens and two Buick Classics in June.

**Ernie Els** posted two of the five lowest rounds of the tournament last year at Muirfield Village Golf Club with rounds of 66 on the weekend. The other 6-under 66s were turned in by **Tim Herron**, **Kenny Perry** and **Robert Allenby**.

Tournament host **Jack Nicklaus** finished at 7-over 297 (T63) for the tournament. At age 64 years, 4 months and 13 days, he made the cut for the 22nd time at the Memorial Tournament. The oldest player to make the cut in a PGA TOUR event was **Sam Snead** when he made the cut at the 1979 Manufacturers Hanover Westchester Classic at age 67 years, 2 months, 21 days.

In the history of the Memorial Tournament, only four players have won the event in their 40s. They include **Jack Nicklaus** (1984), **Greg Norman** (1995), **Tom Watson** (1996) and **Kenny Perry** (2003). Watson is the oldest champion at 46 years, 271 days.

In the 29-year history of the Memorial Tournament, only seven times has a player managed to record all four rounds in the 60s. **Fred Couples** has managed four sub-70 rounds twice, in 1998 when he won and in 2004 when he finished second. The others include **Tiger Woods** (2001), **Steve Elkington** (1995) (finished 2nd), **Tom Lehman** (1994), **Paul Azinger** (1993) and **Hal Sutton** (1986).

**Tiger Woods** made his eighth start in the Memorial Tournament, having played in it each year since he turned professional. He won the Memorial Tournament from 1999-2001 and finished third in 2004. Coupled with his success in the WGC-NEC Invitational in Akron, he has won six times in the state of Ohio, second only to the seven times he has won in both California and Florida.

### Tournament Record:

268, Tom Lehman, 1994

## NOTES

The 2004 cut of 1-under-par 141 was the first time in tournament history that the cut fell under par, although the 141 total (1-over-par) was matched in 1982 when the course played at 6,329 yards and at par 70. Since the course was reconfigured in 1982 to a par 71 at approximately 6,700 yards, the low cut had been even-par in 2003. The 83 players that made the 36-hole cut matched the high of the 2004 season to date at THE PLAYERS Championship.

The 2004 playoff between **Sergio Garcia**, **Padraig Harrington** and **Rory Sabbatini** was the 13th in Buick Classic history, and the fifth in the last seven years. With his victory, Garcia improved to 3-1 in playoffs on the PGA TOUR. His first two victories in 2004 came in three-way playoffs. The Buick Classic victory was the second time Garcia has defeated Harrington in a playoff. He defeated Harrington at the 1999 Linde German Masters.

**Sergio Garcia's** final round 4-under-par 67 extended his streak of consecutive rounds of par or better in the Buick Classic to 19.

**Sergio Garcia's** victory at the 2004 Buick Classic came 28 days after his last TOUR victory, a three-way playoff win over **Robert Damron** and **Dudley Hart** at the EDS Byron Nelson Championship.

**Sergio Garcia** became the fifth multiple winner of the Buick Classic, joining **Jack Nicklaus** (1967, 1972), **Seve Ballesteros** (1983, 1988), **Vijay Singh** (1993, 1995) and **Ernie Els** (1996, 1997). Garcia has four consecutive top 10s at the Buick Classic, including two victories.

Runner-up **Padraig Harrington** was the only player to record four rounds in the 60s in 2004.

**Brad Faxon** set the Buick Classic consecutive cuts made streak by making his 16th consecutive in 2004. He was tied with **J.C. Snead**. Faxon has made 17 of 20 cuts at Westchester Country Club in his career dating back to 1984.

# U.S. Open Championship

## NOTES

Last year, at 6-under-par 134, **Shigeki Maruyama** and **Phil Mickelson** were one stroke short of the U.S. Open 36-hole record set by **Jim Furyk** and **Vijay Singh** in 2003 at Olympia Fields Country Club.

Playing in his 33rd U.S. Open, past champion **Tom Kite** made the cut in the 2004 U.S. Open at 3-over-par and played on the weekend for the 24th time at the age of 54 years, 6 months, and 9 days. Kite qualified for the 2004 U.S. Open, marking his 31st consecutive appearance in the tournament. Kite's streak began at the 1974 U.S. Open at Winged Foot, where he tied for eighth. **Jack Nicklaus** made the most consecutive U.S. Open starts (44, 1957-2000), followed by Hale Irwin (33, 1971-2003) and Kite, Gene Sarazen and Arnold Palmer (31).

**Retief Goosen** has posted all final-round scores during his four PGA TOUR wins in the 70s (1-over 71 at 2001 U.S. Open, 2-under 70 at BellSouth Classic, 1-under 70 at Chrysler Championship, 1-over 71 at 2004 U.S. Open).

**Retief Goosen** joins the club of 21 players that have multiple victories at the U.S. Open. There are 16 players with two victories, and five more players with three or more.

**Jay** (T9) and **Bill Haas** (T40), playing in the U.S. Open together for the second consecutive year, became the second father-son duo out of five to make the cut at the U.S. Open. The Kirkwood father-son combination made the cut at Riviera Country Club in 1947, with Joe Sr. finishing T28, while Joe Jr. edged him at T21. The Haases also became the first father-son team to play in the same U.S. Open more than once.

**Raymond Floyd** was the oldest player in the 2004 field at 61 years, 9 months, and 13 days.

**Casey Wittenberg** was the youngest at 19 years, 6 months, and 17 days.

## NOTES

The Booz Allen Classic returns to the Congressional Country Club in 2005 for the first time since **Greg Norman** won the tournament in 1986 in a playoff over **Larry Mize**. This year will mark the eighth time the tournament has been played at the famed course. Of the seven previous tournaments at Congressional, **Norman** and **Craig Stadler** each won twice.

The 2005 Booz Allen Classic is scheduled to finish on Congressional's 190-yard, par-3 18th hole, a rarity on the PGA TOUR. Only THE TOUR Championship presented by Coca-Cola finishes on a par 3, the 235-yard 18th at East Lake Golf Club in Atlanta.

The Booz Allen Classic dates back to 1968 and has been held at four different courses over that time span (Pleasant Valley Country Club, Quail Hollow Country Club, Congressional Country Club and TPC at Avenel). **Bill Glasson** is the only player to win on two different courses, winning in 1985 at Congressional and in 1992 at the TPC at Avenel.

Four players—**Tom Weiskopf**, **Craig Stadler**, **Bill Glasson** and **Greg Norman**—have won the Booz Allen Classic more than once.

All three of **Adam Scott's** PGA TOUR victories have come at Tournament Players Club venues. In addition to his victory at the 2004 Booz Allen Classic (TPC at Avenel), he also won the 2004 PLAYERS Championship at the TPC at Sawgrass and the 2003 Deutsche Bank Championship at the TPC of Boston.

**Adam Scott's** 21-under-par 263 winning score in 2004 equaled the tournament record held by **Billy Andrade** and **Jeff Sluman** in 1991. Andrade went on to defeat Sluman on the first playoff hole that year.

### Tournament Record:

## NOTES

**Stephen Ames** became the first player age 40 or older to collect his initial TOUR victory since **Brad Bryant** (41 years, 9 months, 28 days) won the 1995 Walt Disney World/Oldsmobile Golf Classic.

Acefest: University of Illinois men's golf coach **Mike Small** posted a hole-in-one with a 6-iron on the 180-yard second hole in Friday's second round in 2004. **Lucas Glover** aced the 218-yard 12th hole with a 5-iron. **Scott Hoch** temporarily grabbed a share of the lead at 6-under-par with an ace on the 196-yard 14th hole with a 4-iron. It was the first time in tournament history that three aces were recorded in the same round. The last time three holes-in-one occurred on the PGA TOUR in a single round was the third round at the 2002 Buick Classic.

Since 1916, when TOUR records are available for this statistic, **Stephen Ames** became the 12th player to win his first PGA TOUR event at the Cialis Western Open. The others: **Abe Espinosa** (1928), **Herman Barron** (1942), **Hugh Royer** (1970), **Jim Jamieson** (1972), **Tom Watson** (1974), **Scott Simpson** (1980), **Scott Verplank** (1985), **D.A. Weibring** (1987), **Jim Benepe** (1988), **Russ Cochran** (1991) and **Joe Durant** (1998).

**Stephen Ames** posted the highest winning total in relation to par at the tournament (10-under 274) since **Billy Mayfair** won the 1995 event with a total of 9-under 279. Also, the total of 9-under 204 by co-leaders **Stephen Ames** and **Mark Hensby** was the highest third-round total at the Cialis Western Open since 1997, when **Tiger Woods**, **Justin Leonard** and **Loren Roberts** sat at 9-under 207.

In winning the 2004 Cialis Western Open, **Stephen Ames** collected his eighth top-10 finish in his last 10 events earning \$2,392,212 during that period. Ames, who finished with 11 top-10s, had never posted more than four top-10s in a season during his first six years on TOUR.

**Stephen Ames** became the fifth consecutive international player to win on the PGA TOUR and was one of 26 wins by international players in 48 events during the 2004 season.

# Cialis Western Open

## NOTES

**Stephen Ames** became the first player from Trinidad and Tobago to win a PGA TOUR tournament and the second player from a Caribbean nation after **Chi Chi Rodriguez**, of Puerto Rico who won eight times on the PGA TOUR.

**Steve Lowery** holed a huge putt on the 72nd hole in 2004 from eight feet, six inches. Not only did he earn a British Open exemption with the made putt, he also made \$160,000 with the putt, the difference between solo second (\$518,000) and a three-way tie for third (\$358,400).

**Davis Love III** posted his fourth consecutive top-10 at the Cialis Western Open in 2004. His T7 in 2004 follows runner-up finishes in 2001 and 2002 and a T7 in 1997.

**Jim Furyk's** T7 finish in 2004 was his fifth top-10 finish at the Cialis Western Open in his last six appearances. Furyk finished sixth in 1997, T7 in 1998 and T3 in 2000 and 2003.

Third-round leaders go on to win at this tournament almost half the time. Since 1902 (95 72-hole events), 55 of the players who have held/shared the third-round lead have won; since 1950 (53 events), 27 players have gone on to win; and over the last 10 years, five players have gone on to victory, including last year's winner **Stephen Ames**.

The cut of 82 players at 2-over-par 144 was the highest in relation to par since 1998 when 78 players made the cut at 2-over 146.

# John Deere Classic

## NOTES

Australian **Mark Hensby** became the sixth international champion of the John Deere Classic, joining New Zealand's **John Lister** (1976), Mexico's **Victor Regalado** (1978), Canada's **Dave Barr** (1981), South Africa's **David Frost** (1992-93) and Fiji's **Vijay Singh** (2003).

**Mark Hensby** became the 16th player to collect his first PGA TOUR win at the John Deere Classic, joining **Sam Adams** (1973), **Roger Maltbie** (1975), **John Lister** (1976), **Mike Morley** (1977), **D.A. Weibring** (1979), **Scott Hoch** (1980), **Dave Barr** (1981), **Payne Stewart** (1982), **Dan Forsman** (1985), **Blaine McCallister** (1988), **Curt Byrum** (1989), **David Toms** (1997), **J.L. Lewis** (1999), **Michael Clark II** (2000) and **David Gossett** (2001).

2004 John Deere Classic champion **Mark Hensby** collected his second consecutive top-10, having finished T3 the previous week at the Cialis Western Open. It marked the first time he logged back-to-back top-10s in his career on the PGA TOUR.

The round of 8-under-par 62 in the first round of the 2004 John Deere Classic by **Jose Coceres** was one off the course record of 10-under-par 61 by **J.P. Hayes** in 2002. Hayes' 61 came in the second round en route to his second TOUR victory. Coceres was on track through 54 holes to become the first wire-to-wire winner on the PGA TOUR since Davis Love III did so at the 2003 INTERNATIONAL, but a double-bogey on the eighth hole in the final round dropped him from the lead. He finished solo third, his best finish since winning the 2002 National Car Rental Golf Classic at WALT DISNEY WORLD Resort.

**Vaughn Taylor** posted two eagles in the first round, on No. 2 and No. 17, both par-5s en route to his career low of 8-under-par 63. His previous low was 65 in the second round at the 2004 FedEx St. Jude Classic where he finished T5.

## NOTES

With an exchange rate of \$1.8726 in the United States, the 4,000,000 sterling purse in the United Kingdom translates into a \$7,490,400 purse in the United States. As such, **Todd Hamilton** received 720,000 sterling or \$1,348,272 towards the PGA TOUR money list. The purse and winner's share become the second richest in TOUR history behind THE PLAYERS Championship earlier this year, which had a purse of \$8,000,000 and a winner's share of \$1,440,000.

**Todd Hamilton's** win broke a streak of six consecutive international winners on the PGA TOUR.

The win gave **Todd Hamilton** his second career top-10 finish on the PGA TOUR in 33 starts and both of them were victories.

**Phil Mickelson** finished first, second and third in 2004's first three major championships. He and **Ernie Els** were the only players to post top-10s in all four majors in 2004.

PHIL MICKELSON

Els finished as the runner-up for the second time in a major championship last season. He finished one stroke behind **Phil Mickelson** at the Masters Tournament. He also finished T9 at the U.S. Open. Mickelson finished T6 at the PGA and Els T4.

Players from the United States have won eight of the last 10 British Opens.

**Stuart Wilson** was the only amateur to make the cut at the 2004 British Open. Wilson finished the tournament at 12-over par in a tie for 63rd.

**Retief Goosen** recorded his third straight top-10 at the British Open with his T7 finish. Goosen finished T10 and T8 the past two seasons. He is the only player to finish inside the top 10 over the last three seasons.

Along with being just the sixth player to record four rounds in the 60s at the British Open, Els became the 23rd player to do so in a major. It has happened six times at the British Open, 15 times at the PGA Championship, two times at the U.S. Open and none at the Masters Tournament.

# British Open Championship

## NOTES

**Phil Mickelson's** bogey-free streak came to an end at 49 on Sunday. Mickelson bogeyed the par-4 13th hole to stop the longest streak of the week. He did not record a bogey during rounds two and three.

Those turning in career bests at the British Open:

**Todd Hamilton** (1st/T44 in 1996), **Phil Mickelson** (3rd/T11 in 2000), **Scott Verplank** (T7/T15 in 1999), **Retief Goosen** (T7/T8 in 2002) and **Mike Weir** (T9/T28 in 2003).

Those turning in career bests in a major championship: **Todd Hamilton** (1st/T29 2003 PGA Championship) and **Scott Verplank**, who matched his best with his T7. He previously finished T7 at the 2001 PGA Championship.

For the week, No. 11 finished as the most difficult with a scoring average of 4.413 or .413-over par. That made it the fifth most difficult hole on the PGA TOUR last season. The par-4 18th hole at Doral for the Ford Championship at Doral played to an average of 4.480, the hardest on TOUR in 2004.

**Ben Curtis** became the first British Open defending champion to miss the cut since 1999 winner **Paul Lawrie** missed in 2000. In fact, he was just the fifth Open defending champion to miss the cut in the last 50 years. The others: **Mark O'Meara** (1998 winner), **Mark Calcavecchia** (1989 winner) and **Tom Watson** (1975 winner).

Through round one, there was not an American player inside the top 10 on the leaderboard. The last time that happened was in 1959 when **Bob Sweeney** was tied for 69th through 18 holes. The highest-placed American players after round one were **Rich Beem**, **Skip Kendall**, **Scott Verplank**, **Kenny Perry** and **Steve Lowery**, who sat in a tie for 13th at 2-under par. In fact, since 1987, there had been at least one American inside the top three on the leaderboard through 18 holes.

### Tournament Record:

267, Greg Norman, 1993 (Royal St. George's)

### 18-Hole Record:

63, Mark Hayes, 1977 (Turnberry); Isao Aoki, 1980 (Muirfield); Greg Norman, 1986 (Turnberry); Paul Broadhurst, 1990 (St. Andrews); Jodie Mudd, 1991 (Royal Birkdale); Nick Faldo, 1993 (Royal St. George's); Payne Stewart, 1993 (Royal St. George's)

# B.C. Open

## NOTES

**Jonathan Byrd's** victory at the 2004 B.C. Open was the 150th win by a former Nationwide Tour player on the PGA TOUR.

There have been 12 players who have earned their maiden PGA TOUR victory at the B.C. Open:

**Richie Karl** (1974), **Don Iverson** (1975), **Bob Wynn** (1976), **Gil Morgan** (1977), **Howard Twitty** (1979), **Don Pooley** (1980), **Pat Lindsey** (1983), **Rick Fehr** (1986), **Nolan Henke** (1990), **Gabriel Hjertstedt** (1997), **Chris Perry** (1998) and **Spike McRoy** (2002).

With his victory in the 2003 B.C. Open, **Craig Stadler** became the second player in PGA TOUR history to win a PGA TOUR and Champions Tour event in the same season. Stadler won the Ford Seniors Players Championship on the Champions Tour the week before. The only other player to do so was Ray Floyd in 1992 when he won the Ryder-Doral Open at age 49 and the GTE North Classic later in the season on the Champions Tour.

In 2003, **Craig Stadler**, at age 50 years, 1 month, 18 days, became the fifth-oldest player to win a PGA TOUR event, and the first player over age 50 to win since Art Wall won the 1975 Greater Milwaukee Open at age 51 years, 7 months, 10 days.

CRAIG STADLER

**Craig Stadler's** eight-stroke come-from-behind win in 2003 was the largest in B.C. Open history, surpassing the 2002 mark of seven by Spike McRoy over Shaun Micheel. The PGA TOUR record is 10 by Paul Lawrie at the 1999 British Open.

In capturing the 2003 B.C. Open, **Craig Stadler** posted four consecutive rounds in the 60s (67-69-68-63—267). It was the first time Stadler had done so in a PGA TOUR event since the 1995 B.C. Open when he finished in a T3.

# U.S. Bank Championship in Milwaukee

## NOTES

The eight co-leaders through 18 holes (**Bo Van Pelt**, **Todd Fischer**, **Brett Quigley**, **Patrick Sheehan**, **Brian Kortan**, **Robert Gamez**, **Danny Briggs** and **Olin Browne**) tied a PGA TOUR record for the most players tied for the 18-hole lead dating back to 1970. The 2000 Honda Classic also had eight co-leaders through 18 holes.

Co-leader **Brett Quigley**'s father Paul caddied for fellow Rhode Island native **Brad Faxon** at the 2003 U.S. Bank Championship. Growing up, Faxon often caddied for Paul in events in Rhode Island. Paul is a part-time caddie for his brother Dana on the Champions Tour as well as Brett on the PGA TOUR.

Eight of the 10 past champions competing at the 2004 U.S. Bank Championship made the cut: **Kenny Perry** (2003), **Jeff Sluman** (1998 and 2002), **Loren Roberts** (1996 and 2000), **Carlos Franco** (1999), **Scott Hoch** (1995 and 1997), **Jim Gallagher Jr.** (1990), **Ken Green** (1988) and **Corey Pavin** (1986). The two missing the cut were **Billy Mayfair** (1993) and **Mike Springer** (1994).

In 2004, two-time champion **Scott Hoch** continued his tournament leading streak of 12 consecutive cuts made here, dating back to the 1993 season. The all-time tournament record is 13 by **Dave Eichelberger** (1970-1982).

SCOTT HOCH

En route to victory, **Carlos Franco** tied his 18-hole career low with a 7-under-par 63 in the second round. He also posted a 7-under-par 63 in the first round of the 2004 Sony Open in Hawaii but finished T20.

## NOTES

2004 Buick Open champion **Vijay Singh** joined the short list of players who have managed to win the Buick Open multiple times, including **Tony Lema** who is the only player to win consecutive championships in 1964 and 1965. **Julius Boros** won the event in 1963 and 1967. It was also the fourth event with multiple TOUR victories for Singh (Shell Houston Open, Phoenix Open, Buick Classic, Buick Open).

With his win at the 2004 Buick Open, **Vijay Singh** won the 11th time in 18 tries when holding at least a share of the 54-hole lead on the PGA TOUR, including seven straight beginning with the 2002 Shell Houston Open. The last time he failed to do so was the 2001 WORLDCOM Classic where he shot 74 in the final round and finished T3.

**Jim Furyk** (T6) has never missed a cut in 10 starts at the Buick Open and has top-10s in five of his last six starts, including top honors in 2003. In 40 career rounds at

JIM FURYK

Warwick Hills, Furyk has 39 rounds of par or better, including 24 rounds in the 60s.

**Tiger Woods** (T3) has five top-10 finishes in six starts at the Buick Open, including a victory in 2002. All 24 rounds at Warwick Hills G&CC have been at par or better.

Seven champions in Buick Open history have posted all four rounds in the 60s, including just three in the last 10 years: **Jim Furyk**/2003, **Kenny Perry**/2001 and **Justin Leonard**/1996.

**Daniel Chopra** (T8) posted his first career top-10 at the 2004 Buick Open.

**Briny Baird** aced the 197-yard, par-3 third hole in the first round of the 2004 Buick Open. His father, Butch, posted the first hole-in-one in the inaugural Buick Open in 1962, also on No. 3.

## NOTES

With his victory at the 2004 PGA Championship, **Vijay Singh** moved to 12-of-19 when holding the 54-hole lead on the PGA TOUR, including 3-3 in major championships. The last time Singh failed to hold the 54-hole lead was the 2001 **WORLD COM Classic**, where he finished T3 after leading Jose Coceres and Billy Mayfair by two strokes through 54 holes. With the PGA win, Singh has won eight consecutive times when holding at least a share of the 54-hole lead.

In 2004, **Vijay Singh** became the 18th different player to win at least two PGA Championships and the first since Tiger Woods (1999, 2000). He also became the 41st player to win three or more major championships in his career.

With his 2004 PGA Championship victory, **Vijay Singh** became the fourth-oldest player to win the PGA Championship at 41 years, 5 months and 23 days. The oldest in order: 1. Julius Boros (48 years, 4 months, 18 days), 1968 PGA Championship; 2. Jerry Barber (45 years, 3 months, 6 days), 1961; 3. Lee Trevino (44 years, 8 months, 18 days), 1984.

**Vijay Singh's** final-round 4-over-par 76 was the highest final-round 18-hole score by a PGA champion and the highest final-round score for a winner at a major since Reg Whitcombe shot a closing 78 at Royal St. George's in winning the 1938 British Open. The all-time highest final-round score for a major champion is 84 by Fred Herd in 1898 at the U.S. Open. The previous highest PGA Championship final-round score for the winner since the event became a stroke-play event in 1958 was 74 by Raymond Floyd in 1969 at NCR Country Club in Dayton, OH.

With his win at the 2004 PGA Championship, **Vijay Singh** became the fourth different player since 1980 to collect five or more wins in a season, joining Tiger Woods (1999, 2000, 2001, 2002, 2003), Nick Price (1994) and Tom Watson (1980).

# WGC-NEC Invitational

## NOTES

**Stewart Cink's** first-round, 7-under-par 63 sets a new opening round WGC-NEC Invitational low. Three players have started the WGC-NEC Invitational at Firestone Country Club with 64 - **Tiger Woods** (2001), **Ben Curtis** (2003) and **Sergio Garcia** (2003). Cink's 63 also tied his career low round. He also shot at the 2004 Buick Invitational and the 2000 WGC-NEC Invitational.

Players were allowed preferred lies in the first three rounds at the 2004 WGC-NEC Invitational due to severe weather. There were four weather- and darkness-related suspensions on Thursday and Friday and the field had a two-tee start in rounds two and three due to the various delays.

In his six-year career at the WGC-NEC Invitational, **Tiger Woods** has three wins and six finishes of T4 or better, the only player in the tournament's six-year history with six top-10s. **Jim Furyk's** string of five consecutive WGC-NEC Invitational top-10s was broken as Furyk finished T22.

**Stewart Cink** became the first wire-to-wire victor on the PGA TOUR in 2004, and the first since **Davis Love III** did so at the 2003 INTERNATIONAL. **Tiger Woods** won the 2000 WGC-NEC Invitational in wire-to-wire fashion when he won by 11 strokes over Justin Leonard and Phillip Price at Firestone Country Club. Woods also won the 2002 WGC-American Express Championship wire-to-wire.

**Lee Westwood** became just the ninth player in WGC-NEC Invitational history in 2004 to post all four rounds in the 60s, shooting 69-69-69-69—276 en route to a T9 finish.

**Stewart Cink** earned his first multiple-victory season on the PGA TOUR with his win at the 2004 WGC-NEC Invitational. He won the MCI Classic earlier in the season.

# Buick Championship

## NOTES

A couple of interesting similarities between **Woody Austin's** two PGA TOUR wins: Both have come in Buick-sponsored tournaments played in August, and both came in a two-man playoff.

The key to **Woody Austin's** two victories was putting. Austin had struggled throughout his career finishing T57, T145, T129, T161 and T162 from 2003 back to 1999 but managed to finish sixth in putting (1.654) at the Buick Championship after entering the week with an average of 1.796 (137th). During his 1995 Buick Open win, Austin came into the week ranked 126th (1.800) and finished first that week with an average of 1.576.

**Woody Austin** became the first player to record a round in the 70s (68-70-66-66) and win the Buick Championship since **D.A. Weibring** in 1996. He also recorded the highest 72-hole total at the tournament (10-under 270) since Weibring won in 1996 with a total of 10-under 270.

**Woody Austin's** win came nine years and 23 days since his last victory at the 1995 Buick Open, a span of 274 tournaments between wins.

**Woody Austin** improved his playoff record to 2-1 by recording birdie on the first extra hole to defeat **Tim Herron**. Austin defeated **Mike Brisky** at the 1995 Buick Open on the second extra hole. The win helped Austin to earn Rookie of the Year honors that season.

There were only 13 eagles during the 2004 Buick Championship. It's the fewest number of eagles in one Buick Championship since 1994, when the field recorded 11. In fact, there were no eagles at the TPC at River Highlands during round three. It was the first time since the final round of the 1993 tournament that no eagles were posted during a round at the Buick Championship.

### Tournament Record:

259, Tim Norris, 1982 (Wethersfield CC)

### Current Course Record:

61, Kirk Triplett, 2000; Phil Mickelson, Scott Verplank, 2001

### Other Course Record:

61, Dana Quigley, 1982 (Wethersfield CC)

**Fred Funk** is the tournament's all-time money winner with \$1,028,465 and top-10 leader with six in 11 appearances dating back to 1985. He has earned \$996,152 since the event became an official TOUR event in 1994 with two wins and a third in 2001.

**Kirk Triplett** posted a T7 at Annandale Golf Club to move ahead of **David Ogrin** for second on the all-time top-10 list at the Southern Farm Bureau Classic with five. He

KIRK TRIPLETT

also has yet to miss a cut in nine appearances at the tournament dating back to 1990.

At age 48, **Fred Funk** became the oldest player to win on TOUR since **Peter Jacobsen** (49 years, four months, 23 days) won the 2003 Greater Hartford Open.

**Fred Funk** was one of four players in 2004 that ended a winless streak of over six years—**John Daly** (eight years), **Joey Sindelar** (13 years) and **Woody Austin** (nine years).

**Fred Funk** collected his first victory in over six years. Ironically, his last win also came at Annandale GC in July 1998, a span of six years, two months and 14 days, including 196 events and 10 runner-up finishes in between.

Two rookies finished in the top-10 at the 2004 Southern Farm Bureau Classic and posted their career-best finishes on TOUR—**Ryan Palmer** (runner-up) and **Kevin Na** (T3).

# Michelin Championship at Las Vegas

## NOTES

**Andre Stolz** was the third consecutive, and fifth overall, international player to win the Michelin Championship at Las Vegas. He joined South African **Denis Watson** (1984), Australian **Greg Norman** (1986), New Zealand's **Phil Tataurangi** (2002) and Aussie **Stuart Appleby** (2003) as international players who have won in Las Vegas.

**Andre Stolz** became the fourth player to notch his first career win at the Michelin Championship at Las Vegas, joining **Phil Tataurangi** (2002), **Tiger Woods** (1996) and **Jim Furyk** (1995).

**Andre Stolz** collected a career-best \$720,000 for his 2004 win and jumped from No. 217 to No. 89 on the PGA TOUR official money list. It wasn't his only big leap, as the victory also lifted Stolz 205 spots from No. 341 to No. 136 in the Official World Golf Ranking.

**Mark Brooks** and **Russ Cochran** have started a tournament-record 21 consecutive Michelin Championships at Las Vegas. Each missed the inaugural tournament in 1983, but have played every year since to hold the record for most tournament appearances.

TOM LEHMAN

**Tom Lehman's** payday of \$298,666 for his T2 finish at the 2004 Michelin Championship at Las Vegas moved him over the \$1-million mark for the season for the eighth time in his career. It is the second time that Lehman, who was making his ninth start in Las Vegas, has come up just short in Las Vegas. In 2001, he finished one stroke behind winner **Bob Estes**.

# Chrysler Classic of Greensboro

## NOTES

**Brent Geiberger** captured his second career TOUR victory with his two-stroke win over **Michael Allen** in Greensboro in 2004. Geiberger entered the week at No. 144 on the TOUR money list, looking to secure his card for 2005. With the win, Geiberger earned a two-year PGA TOUR exemption and jumped to No. 52 with his \$828,000 payday. He opened 66-67-71 and held a share of the lead at 12-under-par with **Tom Lehman** entering the final round, and posted final-round bogey-free 66 to secure two-stroke victory over Allen. With the victory, Brent joined father Al (1976 champion) in becoming the first father-son combination in modern history to win the same PGA TOUR event.

### Steve Stricker

(Round 3) and **Ted Purdy** (Round 4) each posted two eagles in a round at the 2004 Chrysler Classic of Greensboro. Purdy shot an 8-under-par 64 in the final round, the low round of the week, and jumped from T48 to T8 in the final standings.

STEVE STRICKER

**Brad Faxon's** streak of holes without a three-putt ended at 362 with a three-putt bogey on the third hole of his third round at the 2004 Chrysler Classic of Greensboro. His last three-putt occurred on the last hole of the PGA Championship in August. The streak lasted over 19 rounds.

**Ryan Moore**, who completed one of the top amateur seasons in history in 2004, winning the NCAA Championship, the Public Links, the Western Amateur and the U.S. Amateur, became the first amateur to make the cut at the Chrysler Classic of Greensboro since **Gary Pinns** in 1980. Moore (T24) had the lowest finish for an amateur in Greensboro since **Bill Harvey** finished T23 in 1961.

# FUNAI Classic at WALT DISNEY WORLD Resort

## NOTES

**Ryan Palmer** came from five strokes back on Sunday in 2004 to win. It marked the third time that a player has recorded a final-round 62 at the Magnolia Course and went on to win the tournament.

JOHN HUSTON

**John Huston** did it in 1992, when he won his first of two titles at Disney, and **Duffy Waldorf** matched the feat, when he won in 2000.

**Vijay Singh's** four-stroke victory over **Stewart Cink**, **John Rollins** and **Scott Verplank** in 2003 was the largest margin of victory at the FUNAI Classic at the WALT DISNEY WORLD Resort since 1972 when **Jack Nicklaus** rolled to a nine-stroke victory over **Bobby Mitchell**. Singh's margin ended a string of eight years where the margin was either one stroke or sudden-death in Orlando.

**Briny Baird** tied a PGA TOUR record in 2003 for his eagle-birdie streak during the second round at Disney's Palm Course. He started the streak with an eagle on the 13th hole and then proceeded to birdie the next seven holes (15-18 and 1-3). That eight-hole stretch tied the TOUR mark set by **Billy Mayfair** at the 2001 Buick Open.

**Ryan Palmer's** victory last year at the FUNAI Classic on the PGA TOUR was the a record fifth victory by a member of the graduating Nationwide Tour class of 2003, joining **Zach Johnson**, **Mark Hensby**, **Vaughn Taylor** and **Andre Stolz**.

With **David Duval's** playoff victory over **Dan Forsman** at the 1997 Walt Disney World/Oldsobile Classic, Duval became the first player in PGA TOUR history to win playoffs in consecutive weeks. The week before, Duval won the Michelob Championship at Kingsmill in a playoff over **Duffy Waldorf** and **Grant Waite**.

### Tournament Record:

### NOTES

The winning team of **Paul Casey/Luke Donald** of England shared \$1,400,000 (\$700,000) in prize money. Casey's largest previous payday was \$350,000 when he paired with **Justin Rose** and finished second at the 2003 WGC-World Cup, while Donald's best previous payday came when he collected \$468,000 upon winning his first PGA TOUR title, the Southern Farm Bureau Classic in 2002.

**Paul Casey** has finished T5, T3, second and first in the last four WGC-World Cups, respectively. With his \$700,000 payday, he eclipsed the \$1-million mark in earnings at the WGC-World Cup, with \$1,220,000. He is the only player to earn over \$1 million in the event. Second on the WGC-World Cup money list is **Rory Sabbatini** of South Africa with \$800,000 thanks to a fourth-place finish in Sevilla, Spain.

# World Golf Championships—World Cup

## NOTES

The Arnold Palmer-designed Victoria Clube de Golfe Course at Vilamoura in Algarve, Portugal will host the 2005 World Golf Championships-Algarve World Cup. This will be the first time that the WGC-World Cup has been played in Portugal and the second time in Europe since the event came under the umbrella of the World Golf Championships and underwent a title and format change. The course, which opened for play in early 2004, is, at 7,174 yards (6,560 meters), the longest 18-hole layout in Portugal.

The English team of **Paul Casey/Luke Donald** carded a final-round, 8-under-par 64, the lowest foursomes total in tournament history. The previous mark of 7-under 65 was held by the United States team of **Phil Michelson/David Toms** (2002 World Cup in Mexico) and the Denmark team of **Thomas Bjorn/Soren Hansen** (2001 World Cup in Japan).

The South Africa Team of **Trevor Immelman/Rory Sabbatini**, who won the World Cup in 2003 at Kiawah Island, SC, carded a 4-under-par 68 foursomes total on Sunday to finish fourth.

There were 19 players on the 24 two-man teams at the 2004 WGC-World Cup that made their first appearance in a World Golf Championships-World Cup event, including 13 players who made their debut in a World Golf Championships event.

Four teams in the 2004 event in Seville, Spain — Argentina, Ireland, France and Japan — had players who played in all four previous WGC-World Cup events. They were **Angel Cabrera and Eduardo Romero** (Argentina), **Pdraig Harrington and Paul McGinley** (Ireland), and **Thomas Levet** (France) and **Shigeki Maruyama** (Japan).

**Jose Maria Olazabal** designed the Real Club de Golf de Sevilla, site of the 2004 tournament. Previously, Olazabal played in one WGC-World Cup, the 2000 tournament in Argentina. Paired with **Miguel Angel Jimenez**, Olazabal's team tied for seventh in 2000.

# 2004 UBS Cup [Unofficial Event]

## NOTES

After playing to a draw last year, the United States team claimed its third UBS Cup outright with a 14-10 win over the Rest of the World squad. The four-point margin of victory for the American team was the second-largest winning margin in UBS Cup history, surpassed only by a five-point triumph by the U.S. squad in the 2002 UBS Cup at Sea Island, GA.

**Arnold Palmer**, the captain of the United States team, remained undefeated as a skipper in international team competition (2-0 in the Ryder Cup, 1-0 in The Presidents Cup and 3-0-1 as UBS Cup captain).

The U.S.'s **Fred Couples**, playing in his first UBS Cup, was the only player to earn three full points during the competition. Couples teamed with **Hal Sutton** in the Friday foursomes to defeat **Peter Senior** and **Rodger Davis**. He partnered with **Raymond Floyd** in the Saturday four-ball matches, defeating **Ian Woosnam** and **Sandy Lyle**. On the final day, Couples defeated **Colin Montgomerie** in his singles match.

**Hal Sutton** halved his singles match with fellow 2004 Ryder Cup captain **Bernhard Langer** on Sunday and remains undefeated in UBS Cup play. Sutton is 5-0-1 (2-0 in foursomes, 2-0 in four-ball and 1-0-1 in singles) as a member of two American UBS Cup squads.

**Sam Torrance's** four straight birdies (holes 4-7) during final-day play tied the UBS Cup record for most consecutive birdies in a singles match. In 2001, **Ian Woosnam** made four straight birdies (holes 9-12) in his singles match on the Ocean Course at Kiawah Island. **Hale Irwin** birdied four consecutive holes twice (2-5) and (8-11) in his singles match at Sea Island Golf Club in 2003.

For the second consecutive year in the UBS Cup, **Scott Hoch** earned the deciding point for the American team. Hoch's 20-foot birdie putt on the 17th hole Sunday gave him a 2-and-1 victory over **Carl Mason** and allowed the U.S. to retain the UBS Cup. In 2003, Hoch sunk a 12-foot birdie putt on the last hole to halve his match with **Eduardo Romero** and salvage a 12-12 draw, allowing the U.S. to keep the UBS Cup.

## NOTES

Team Nelson's winning total of 60-59—119 tied the tournament record set by Team Floyd (**Ray** and son **Ray Jr.**) in 1995 and tied by Team Charles (**Bob** and son **Dave**) in 1998, Team Nicklaus (**Jack** and **Gary**) in 1999 and the Floyds (**Ray** and **Robert**) in 1999. The 59 was one of two shot on Sunday and it was the product of the Nelsons birdieing the entire back nine en route to a 27.

Two-time U.S. Open winner (1993, 1998) **Lee Janzen** played with **Aaron Stewart**, the 15-year-old son of the late Payne Stewart, who won three major championships (1989 PGA and 1991 and 1999 U.S. Opens).

# International Federation of PGA Tours/World Golf Championships

*Tiger Woods is the only player to capture all four World Golf Championships titles in his career.*

At the 1996 Presidents Cup, golf's five world governing bodies—the European Tour, Japan Golf Tour Organization, PGA TOUR, PGA Tour of Australasia and Sunshine Tour (South Africa)—reached agreement on several key elements of professional golf designed to create new international events, beginning in 1999.

Three major initiatives were outlined at Robert Trent Jones Golf Club, site of the second Presidents Cup:

- Formation of the International Federation of PGA Tours.
- Joint sanctioning by the members of the International Federation of PGA Tours of significant competitions, including some at the world championship level for the game's top players.
- A structure for a generally accepted worldwide ranking system.

Those "significant competitions" were announced in October 1997 when the Federation introduced the World Golf Championships.

The first three jointly sanctioned championships—the Accenture Match Play Championship, the NEC Invitational and the American Express Championship—were launched in 1999. Jeff Maggert won the first event and Tiger Woods the latter two. The addition of the World Cup was announced in December 1999 and debuted in December 2000.

The 2005 World Golf Championships will begin in February with the Accenture Match Play Championship at La Costa Resort and Spa in Carlsbad, CA. In August, the NEC Invitational will be held at Firestone CC's South Course in Akron, OH. In September, the American Express Championship will return to

the United States for the second time when it is held at San Francisco's Harding Park Golf Course. The series will conclude in November as Portugal's Victoria Clube de Golfe at Vilamoura Golf Resort will play host to the Algarve World Cup.

The World Golf Championships events feature players from around the world competing against one another in varied formats (match and stroke play and team competition). The championships rotate through a variety of outstanding venues worldwide. Roughly half of the golf courses are in the United States and half at venues represented by the International Federation of PGA Tours. World Golf Championships events have been contested on five continents.

The Asian Tour joined the International Federation of PGA Tours as a full-fledged member in November 1999, while the Canadian Tour was named an associate member in March 2000.

Accenture, NEC and American Express are the umbrella sponsors of the World Golf Championships. JELD-WEN is an official sponsor of all four events, while Kohler is a sponsor for all except the WGC-NEC Invitational.

Fields for the World Golf Championships are filled primarily through the Official World Golf Ranking, which is endorsed by all the sport's major professional organizations and governing bodies and individual Tour's Official Money Lists/Orders of Merit.

## The Presidents Cup

The Presidents Cup will return to the United States and the Robert Trent Jones Golf Club in Lake Manassas, Virginia this year for the fourth time, with Jack Nicklaus and Gary Player serving as Captains of the United States and International Teams, respectively.

### History

The Presidents Cup, which will be played for the sixth time in 2005, was developed to give the world's best non-European players an opportunity to compete in international team match-play competition.

A biennial event played in non-Ryder Cup years, the first Presidents Cup was played Sept. 16-18, 1994 at Robert Trent Jones Golf Club. The U.S. Team, captained by Hale Irwin, defeated Captain David Graham's International side, 20-12.

The 2003 Presidents Cup was originally scheduled for November 2002, but was postponed one year in the wake of the September 11, 2001 terrorist attacks on the United States. Played at The Links at Fancourt Hotel and Country Club Estate in George, South Africa, the competition ended in a tie. After both teams completed regulation tied at 17 points, Ernie Els of the International Team and Tiger Woods of the U.S. were designated to represent their teams in a sudden-death playoff. After three playoff holes, and as darkness was descending, Captains Player and Jack Nicklaus, in the spirit of the competition, decided that the two teams would share the Cup.

Former U.S. President Gerald Ford presided over the first Presidents Cup as Honorary Chairman. Former President George Bush, like Ford an avid golfer, served as Honorary Chairman for the 1996 Presidents Cup. Australian Prime Minister John Howard was Honorary Chairman for the 1998 event. In 2000, President Bill Clinton made history when he became the first sitting president to serve as Honorary Chairman. In 2003, Thabo Mbeki, President of the Republic of South Africa, was Honorary Chairman. Current President George W. Bush will be the Honorary Chairman of the 2005 Presidents Cup.

Jack Nicklaus (L) and Gary Player return as captains after the 2003 Presidents Cup tie.

### Eligibility

Members of the 2005 U.S. Team will be selected based on official earnings from the start of the 2004 season through the 2005 PGA Championship. International Team players for the 2005 Presidents Cup will be chosen on the basis of the Official World Golf Ranking. International Teams do not include players eligible for the European Ryder Cup Team.

The eligibility rankings are used to select 10 members for both squads. The 12-man teams are rounded out by two Captain's Choices per team.

### Structure and Scoring

The Presidents Cup competition consists of 34 matches—11 foursomes (alternate shot) and 11 four-ball (better ball) matches. There are 12 singles matches involving all players on the final Sunday. All matches are worth one point each, for a total of 34 points. There are no playoffs for foursomes or four-ball, with each side receiving 1/2-point. Singles matches all square after 18 holes will go to extra holes until a team winner is determined. In a change inspired by the events of the 2003 Presidents Cup, if the match is deadlocked at the end of singles play, the competition will be deemed a tie and the teams will share The Presidents Cup.

The Presidents Cup follows the PGA TOUR creed of giving back. There is no purse for the players. Net revenues are divided into equal shares that the players and Captains designate for charities or golf-related projects of their choice. Contributions in their names are made through PGA TOUR Charities, Inc. The first five Presidents Cups generated \$10.05 million for charities worldwide.

# Official World Golf Ranking

The Official World Golf Ranking, which is endorsed by the four major championships and six professional Tours that make up the International Federation of PGA Tours, is issued every Monday following the completion of the previous week's tournaments from around the world.

Results from events on the world's leading professional tours—the Asian Tour, PGA Tour of Australasia, European Tour, Japan Golf Tour, PGA TOUR, Nationwide Tour, Sunshine Tour, Canadian Tour and European Challenge Tour—are evaluated, and points are awarded according to the players' finishing positions. Tournaments are "rated" according to the strength of field based on the number and ranking of the world's top players in respective tournament fields (event "ratings").

In addition, some strength-of-field weighting is given to the inclusion in each field of a significant percentage of the top 30 on the host Tour's prior year Official Money Lists. The four major championships and THE PLAYERS Championship are rated separately to reflect the higher field quality of the events. In addition, the Volvo PGA Championship in Europe and the Australian, Japanese and South African Open Championships are allocated higher minimum point levels to reflect their status.

The Official World Golf Ranking points for each player are accumulated over a two-year "rolling" period, with the points awarded in the most recent 13-week period doubled. Each player then is ranked according to his average points per tournament, which is determined by dividing his total number of points by the tournaments he has played over that two-year period. There is a minimum requirement of 40 tournaments for the two-year period.

The winners of the Masters Tournament, U.S. Open, British Open and PGA Championship are awarded 50 points (30 points for second place, 20 for third, 15 for fourth, down to 0.75 points for a player completing the final round), and the winner of THE PLAYERS Championship is awarded 40 points (points are awarded down to 60th place).

The Volvo PGA Championship has a minimum of 32 points for the winner (points down to 56th place). In addition, the Open Championships of Australia, Japan and South Africa have a minimum of 16 points for the winner (points awarded down to 37th place).

Minimum points levels of all the other official Tour events have been set at three points for the Asian Nationwide, European Challenge and Canadian Tours; six points for the Sunshine (points to 14th place); eight points for Australasia and Japan (points to 19th place); and 12 points for Europe and the United States (points to 27th place).

Beginning in September 2001, a new feature was added to the ranking system—any applicable two-year time period is divided into eight 13-week segments. Ranking points in each player's record will be reduced in value by one-eighth at the conclusion of each segment, thereby cutting the sudden and sometimes dramatic impact of the reduction of one-half that previously occurred at the one- and two-year anniversaries of events in which players earn points. Full Ranking points are awarded for tournaments reduced to 54 holes because of inclement weather or other reasons. For events completing only 36 holes, Ranking points are reduced by 25 percent.

The Official World Golf Ranking is available each week at PGA TOUR sites or by going to [www.officialworldgolfranking.com](http://www.officialworldgolfranking.com) or [www.owgr.com](http://www.owgr.com). The top 75 as of Nov. 8, 2004 (last ranking of official 2004 PGA TOUR season) follows:

2.	Tiger Woods *	12.21

## Mark H. McCormack Award

The Mark H. McCormack Award has been presented annually since 1998 to the player who holds the No. 1 position on the Official World Golf Ranking for the greatest number of weeks in each calendar year. Tiger Woods has won the award every year since its inception. He held the top position on the Official World Golf Ranking in 2004 until the Ranking of Sept. 6, when Vijay Singh became No. 1. The award was created in 1998 by the Governing Board of the Official World Golf Ranking to honor McCormack for the significant role he played in founding a world ranking system for professional golf. McCormack founded IMG, a premier worldwide sports and lifestyle management and marketing firm in the early 1960's. He passed away May 16, 2003.

## Glossary of Statistics

### Driving Distance

The average number of yards per measured drive. Driving distance is measured on two holes per round. Care is taken to select holes which face in opposite directions to counteract the effects of wind. Drives are measured to the point they come to rest, regardless of whether they are in the fairway or not.

### Driving Accuracy

The percentage of time a player is able to hit the fairway with his tee shot.

### Greens in Regulation

The percentage of time a player was able to hit the green in regulation (greens hit in regulation/holes played). Note: A green is considered hit in regulation if any part of the ball is touching the putting surface and the number of strokes taken is two less than par or fewer.

### Putting Average

Measures putting performance on greens hit in regulation. For each green hit in regulation, the total number of putts is divided by the number of greens hit in regulation. By using greens hit in regulation, we are able to eliminate the affects of chipping close and one-putting in the computation.

### Total Driving

Total Driving is computed by totaling a player's rank in driving distance and driving accuracy.

### Eagles (holes per)

The average number of holes between each eagle.

### Birdie Leaders

The average number of birdies made per round played.

### Sand Saves Percentage

The percentage of time a player is able to get up and down once in a green-side sand bunker. Note: This up and down is computed regardless of score on the hole.

### All Around

This statistic is computed by totaling a player's rank in each of the following statistics: Scoring Leaders, Putting Leaders, Eagle Leaders, Birdie Leaders, Sand Saves, Greens in Regulation, Driving Distance and Driving Accuracy.

### PGA Player of the Year

The PGA Player of the Year Award is given by the PGA of America to the top PGA TOUR player based on a mathematical formula that weighs tournament wins, official money standing and scoring average.

The point system for selecting the Player of the Year was amended in 1982, as follows: 30 points for winning the PGA Championship, U.S. Open, British Open or Masters Tournament; 20 points for winning THE PLAYERS Championship; 10 points for winning all other designated PGA TOUR events. In addition, there is a 50-point bonus for winning two majors, 75-point bonus for winning three, 100-point bonus for winning four.

For top-10 finishes on the PGA TOUR's official money list and scoring average list, the point value is: first, 20 points, then 18, 16, 14, 12, 10, 8, 6, 4, 2. Any incomplete rounds in the scoring average list will result in a .10 penalty per incomplete round.

The Georgia-Pacific Grand Champions competition is open to players 60 years of age and older who are entered in the full-field Champions Tour event. Scores posted during the first two rounds of the event (Friday and Saturday) determine the winner of this "tournament within a tournament."

The Grand Champions will compete for weekly purses of \$175,000, with \$30,000 going to the winner at five events in 2005. Each of these Grand Champions events is preceded by a Thursday pro-am, where Georgia-Pacific guests have the opportunity to play a round of golf with legendary professionals. Past and present Grand Champions participants include Isao Aoki, Miller Barber, Billy Casper, Bob Charles, Jim Colbert, Raymond Floyd, Mike Hill, Gene Littler, Bob Murphy, Gary Player, Chi Chi Rodriguez, Jay Sigel, Dave Stockton and Lee Trevino. The relationship combines six individual TOUR-related golf tournaments held annually in Hawaii into a marketing package that serves as the cornerstone for the state's \$1-billion golf industry.

The "Aloha Season" Schedule:

January 3-9, 2005

**Mercedes Championships**, Maui  
The Plantation Course, Kapalua

January 10-16, 2005

**Sony Open in Hawaii**, Oahu  
Waialae Country Club, Honolulu

Week of January 31

**Wendy's Champions Skins Game**, Maui  
The Gold Course, Wailea

Winter, 2005

**The Grand Slam of Golf**, Kauai  
Poipu Bay Golf Course, Poipu

The Hawaii/TOUR relationship represents a first for the PGA TOUR in that no other state has established such a comprehensive agreement. The three main components of the agreement are:

- Support for the six Hawaii-based tournaments through funding and tournament-asset purchases.
- Media package acquisition from each of the tournaments and/or respective televising networks in order to promote the Hawaii brand and tourism messaging.
- Visitor development programs through TOUR media assets, retail partners and corporate partners.

The Paradies Shops, licensee for the PGA TOUR Airport Shops, continues to expand our brand in this well-targeted environment with a new 1,700 square-foot store opening in Houston's Bush International Airport in early 2005.

A new apparel license with Perry Ellis International was signed this year as our major entry into mid-tier department stores. A soft launch into 150-plus JC Penney stores this fall will be followed by a broader launch of PGA TOUR Apparel into an additional 300 stores.

PGA TOUR merchandise is also available, along with all major brands at the 30,000 square-foot PGA TOUR Stop at the World Golf Village in St. Augustine, FL. This store continues to be a hallmark for the ultimate golf-shopping experience.

Internationally, the PGA TOUR brand is continuing to grow as a consumer product choice in golf retail. Expansion of our licensee base in the UK, Asia and Europe continues to progress. The TOUR's Japanese master licensee, Bonmax (Pro Tour, Inc.), has successfully launched the PGA TOUR brand in retail. It is estimated that our branded products will be available for sale in more than 200 shops in Japan by year's end.

The TOUR's new master licensee in Taiwan, Shinkong Ltd., a division of Renown Corp., has launched a PGA TOUR collection that is being sold in major high-end department stores and expanding quite successfully. The PGA TOUR brand of apparel is now the No. 1 brand in Malaysia.

## Charity: Giving Back...The Heart of the PGA TOUR

Success on the PGA TOUR can be seen in the number of people positively affected by a core mission of the organization: Giving back in the communities where we play.

As the PGA TOUR and its tournaments on all three Tours drive toward \$1 billion in charitable giving by 2006, the commitment is evident from all those involved. Players give freely of their time to support charitable initiatives, both at tournaments and on their own. The vast majority of the 100-plus PGA TOUR tournaments are set up as charitable organi-

zations. Volunteers, numbering more than 80,000 annually, donate their time to support tournaments in various capacities, allowing for a considerable increase in giving. As a result, the benefit to more than 2,000 charities provides life-altering experiences for many businesses and people in the community.

The beneficiaries come from programs such as Respite Care of San Antonio (Valero Texas Open), Community Schools in Wake County (SAS Championship) and The Boys & Girls Clubs of the Tennessee Valley (Knoxville Open), the 2003 PGA TOUR, Champions Tour and Nationwide Tour Charities of the Year, respectively.

The impact is also made by volunteers such as Bobby Tsumura at the Sony Open in Hawaii, Dick Chesnutt of the SBC Classic and Terry Mullins at the Nationwide Tour Championship, the 2003 PGA TOUR, Champions Tour and Nationwide Tour Volunteers of the Year, respectively.

Tournaments provide the leadership for charitable contributions, led by the EDS Byron Nelson Championship on the PGA TOUR, the Toshiba Senior Classic, 3M Championship and The First Tee Open at Pebble Beach presented by Wal-Mart on the Champions Tour and the BMW Charity Pro-Am at The Cliffs on the Nationwide Tour, which provided the largest donations to charity in 2004 on each Tour.

"Giving back to the communities in which our events are held is at the heart of the PGA TOUR," PGA TOUR Commissioner Tim Finchem said. "It reflects directly on a number of entities, namely tournaments, sponsors, players, volunteers and communities, all working together toward a common goal. Charity is what drives and motivates those involved to make the commitments and sacrifices they do."

"In addition, the individual players add charity dollars at their own charity events and contribute significantly to the overall mix."

Players enthusiastically reach out to help the needy through charitable efforts in their own home communities and across the nation. Phil Mickelson gave more than \$100,000 to The Special Operations Warrior Foundation for the total birdies and eagles he made in 2004. The foundation provides college scholarship grants, based on need, along with financial aid and educational counseling to the children of Special Operations personnel who were killed in an operational mission or training accident. Champions Tour player Allen Doyle contributed \$1.1 million to his alma mater, Norwich University in Vermont, three years after donating his \$1-million Charles Schwab Cup winnings to six charities.

"If you asked me why I did it, there isn't one or two reasons I can put my finger on," Doyle said of his donation to Norwich. "It just feels like the right thing to do."

"This charitable effort is a tribute to the players, the tournaments and to the thousands of volunteers who make TOUR events so successful each year," said Frank Houseman, the president of the PGA TOUR Tournaments Association. "We look forward to continuing these worthy contributions as the PGA TOUR nears the \$1-billion milestone."

Since the first donation of \$10,000 by the Palm Beach Invitational in 1938, the combined charitable effort from all three Tours has reached more than \$900 million. All three Tours contributed in excess of \$80 million to charity in 2004.

In the communities where tournaments take place, giving back remains at the heart of the PGA TOUR.

## Golf 20/20: Vision For the Future

In November 2000, senior members of the golf industry came together at World Golf Village for a conference called GOLF 20/20: Vision for the Future, and embarked on an unprecedented collaborative effort to enhance the future of the game. The spirit of unity was so strong, and the commitment to make a difference so universal, that the decision was made to address some very specific issues and to make GOLF 20/20 an ongoing industry effort.

GOLF 20/20 is a World Golf Foundation initiative that was started with the following stated mission: To align the golf industry behind a plan that addresses the future of golf in a strategic manner, with an emphasis on accelerating growth and participation, and creating new avenues of access into the game. The focus of the conference was not only on participation but also on interest.

Over the past several years a number of research projects have been undertaken, several communications initiatives started, and a variety of programs tested or implemented. The main areas of focus for GOLF 20/20 include the following:

**Adult Player Development**—The goal of 20/20's adult player development activities is to introduce new adult players into the game, bring former players back to the game and encourage greater levels of play by infrequent golfers. At the 2003 conference, the PGA of America announced an umbrella concept called Play Golf America, under which the industry's major adult development initiatives will fall. This effort commenced in the spring of 2004 and has received unprecedented support from all areas of the golf industry.

**Youth Development**—In 2001, GOLF 20/20 worked in collaboration with the USGA Foundation to develop the ultimate junior golf Web site, juniorlinks.com, which to date has registered more than 2,000 junior golf programs nationwide, and which continues to provide valuable information to junior golfers, their parents and junior program administrators. In 2003-2004, GOLF 20/20 piloted a new program to introduce golf through elementary schools as part of the physical education curriculum. Successfully tested at 133 schools in eight cities, the program has now evolved underneath The First Tee. During the 2004-2005 school year, The First Tee National School Program is being expanded to include 400 elementary schools, with more aggressive expansion plans for the future.

**Communication**—On Nov. 15, 2004, GOLF 20/20 relaunched its Web site, golf2020.com, with updated content and, most importantly, a new section that contains best practices relating to the growth of the game. It is our belief that there is no shortage of creative ideas that can enhance a golf facility's ability to generate additional revenue while creating new players or encouraging more frequent play from existing players. There just needs to be one location where those ideas are available, and golf2020.com intends to fill that need. The Web site also contains all GOLF 20/20 research and other information of value to those with an interest in ensuring the future vitality of golf.

**Research**—To supplement existing information, GOLF 20/20 commissioned in 2001 an unprecedented study of segments within the game, information that was instrumental in formulating strategies. In 2002, two other studies were commissioned. The first revealed that golf is responsible for more than \$3.2 billion being generated for charities in the U.S. each year. The second estimated the total golf economy in this country to be more than \$60 billion annually. In 2003, major research studies were done on frequency of play and minority participation in golf, and all past and ongoing research will be available at golf2020.com.

The GOLF 20/20 Executive Board:

## The First Tee

The First Tee, in cooperation with local communities, develops affordable golf-learning facilities that provide young people of all backgrounds an opportunity to develop, through golf and character-education, life-enhancing values such as honesty, integrity and sportsmanship.

Key to The First Tee's success has been the development of The First Tee Life Skills Education, which was created by a team of experts in the field of youth development. Through this Experience, participants learn valuable lessons, such as: the importance of maintaining a positive attitude; how to make decisions by thinking about the possible consequences; how to define and set goals; and how to transfer the inherently positive values of golf from the course to everyday life.

A recent study by the University of Florida and the University of Nevada-Las Vegas showed that The First Tee Life Skills Education is having a positive impact on its participants. Multiple measures of research, including written tests and parental observations, revealed that The First Tee participants improved in their knowledge and use of life skills through exposure to the program. Over 74 percent of the parents whose children participated in The First Tee Life Skills Experience Research observed improvements in their child's communication skills, confidence and display of responsibility. More than half of the parents reported that the Life Skills Education had a positive impact on their child's school grades and social abilities.

In furtherance of its mission to impact the lives of young people, The First Tee has created a Scholars Program that offers leadership scholarships

to qualified participants. The young people who receive the designation of The First Tee Scholar have demonstrated outstanding leadership skills, scholastic achievement and commitment to their Chapters and communities.

The First Tee was established in 1997 with the support of five of the world's leading golf organizations; the PGA of America, the Ladies Professional Golf Association, the PGA TOUR, Augusta National Golf Club and the United States Golf Association.

Through unprecedented support from the golf industry and others, including cities, counties and states that have donated land for the purpose of developing golf learning facilities, The First Tee has opened over 180 facilities worldwide and has touched the lives of more than 400,000 young people since 2000.

The First Tee has a very bright and exciting future. The impact of The First Tee is assured because of the extraordinary commitment of the Chapter volunteers and staff, combined with the local businesses and political leaders in each community who have embraced it.

## PGA TOUR LINKS

The PGA TOUR Links program is the technological solution that links together PGA TOUR, Champions Tour and Nationwide Tour members, TOUR staff, Player Managers and tournament organizations. Along with IBM, the TOUR's technology partner, the PGA TOUR and its players worked together to design and develop a solution that fits their communication and management needs.

As part of the TOUR Links program, each exempt player receives an IBM ThinkPad computer and Internet access, allowing him to log on to the

PGA TOUR Links Web site from anywhere in the world. Within the site itself, players are able to access information, including vital PGA TOUR announcements, tournament information, tee times, personal statistics and PGA TOUR policies. Players also are able to send and receive email, commit to tournaments, submit survey responses, vote in player elections and make hotel reservations.

To date, more than 450 players are involved in the PGA TOUR Links program. The players have cited the program as one of the most efficient ways to communicate with them. As the program enters its sixth year, it continues to evolve to meet changing technological advances and player needs.

## Regulations – Media

The following regulations are to be followed by *all* members of the media:

1. A daily decal is necessary to walk inside the gallery ropes. All members of the media with such decal must remain not more than an arm's length from the ropes, so as to blend into the gallery and appear to be a part of the gallery at all times.
2. Players are not to be distracted during play. Do not interview players or ask them to pose for photographs during their rounds.
3. Do not interview players or ask them to pose for photographs during their practice sessions before a round, except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player, up against the ropes and not in the middle of the areas where it could be distracting to other players.
5. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards. Media are not allowed in the scoring tent.

### Working Press Regulations

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day — and others requested — will be interviewed following their rounds in the Press Room interview area.

### Tape Recorder Regulations

1. All tape recorder and/or video recorder work should be done in the proximity of the Press Room and/or clubhouse.
2. Tape recorders and/or video recorders are not permitted in the locker room.

3. Tape recorders and/or video recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

### Weather Delay Guidelines

1. During weather-delay situations, no one other than players and essential staff will be permitted in the locker room. This means the media are not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media will be welcome in the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are not permitted in the locker room.) The media person set forth below and the News Agency set forth below shall jointly and severally indemnify, defend and hold the Event, its host organizations and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the media person set forth below. The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. The holders of the media credential grant permission to PGA TOUR, Inc., to utilize the holders' images or likenesses incidental to any live or recorded television or other transmission or reproduction in whole or in part of any PGA TOUR event they attend.

**PGA TOUR MAY REVOKE CREDENTIALS AT ANY TIME FOR ANY REASON INCLUDING VIOLATIONS OF ANY OF THE FOREGOING REGULATIONS.**

Photographic images of PGA TOUR, Champions Tour and Nationwide Tour players may be used on the Credentialed Site for legitimate news coverage only, and may be used together with news stories during the day's play, so long as such photographs are not used with other real-time or near-real-time information to create a "shot-by-shot" account of the day's play. Commercial exploitation of these images without written consent of the players and PGA TOUR is prohibited.
9. The Credentialed Site has rights only with respect to website media and has no rights with respect to any other media (including, without limitation, cellular or wireless devices) without the prior approval of the PGA TOUR. The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. ## Tournament Players Clubs

### Tournament Players Club

The PGA TOUR's Tournament Players Club network has maintained a reputation for operating high-quality clubs since its inception 24 years ago. The TPC network continues to grow, with more than 30 facilities currently open or under construction.

TPCs encompass all forms of golf-related operations—resort facilities, corporate/private membership clubs and daily fee courses—and, as such, PGA TOUR Golf Course Properties, Inc. is able to match the type of facility with the demands of each market in which a club operates.

The network represents the highest standard in the golf course industry, commensurate with the members of the organization it represents, the players of the PGA TOUR. Each Tournament Players Club embodies the trademark of excellence first established with the flagship TPC at Sawgrass, which opened its world-famous Stadium Course in the fall of 1980 in Ponte Vedra Beach, FL. This commitment to overall excellence serves as the foundation for the network's overall success.

The TPC network was born through former PGA TOUR Commissioner Deane Beman's desire to provide TOUR players with quality golf courses that also would offer spectators enhanced viewing areas. Beman also reasoned that development of quality facilities would alleviate the TOUR's dependency on the television dollar, while providing rent-free venues for tournaments.

The savings in rent, in turn, would generate both increased purses and greater charitable contributions by the tournaments held at TPCs.

The TPC at Sawgrass was the first Tournament Players Club to hold a PGA TOUR event, becoming the permanent home of THE PLAYERS Championship in 1982. In 2004, 16 tournaments were conducted on TPC courses, bringing the total number of PGA TOUR, Champions Tour and Nationwide Tour events held at TPC facilities to 236.

Many of the top golf course architects are connected with Tournament Players Club projects, including Pete Dye, Tom Fazio, Arnold Palmer, Jack Nicklaus, Gary Player, Arthur Hills, Jay Morrish, Tom Weiskopf, Greg Norman, Bob Von Hagge and D.A. Weibring. The Tournament Players Club of Boston, which opened in 2002, was the fourth TPC course designed by Palmer Course Design Co. Weiskopf has designed his second TPC course for the new Tournament Players Club at Craig Ranch near Dallas, TX, which opened in the fall of 2004.

Moreover, in recognizing the importance of player input for tournament courses, TOUR members have served as design consultants, working closely with the lead architect. Mark O'Meara, for instance, served as the player design consultant on the Tournament Players Club at Valencia (CA), which opened in June 2003, while Steve Elkington was the player consultant and Kelly Gibson the associate player consultant working with architect Pete Dye on the Tournament Players Club of Louisiana in New Orleans, which opened in April 2004.

The PGA TOUR has collaborated with IBM, the TOUR's Official Worldwide Information Technology Partner, on the PGA TOUR ShotLink System. The ShotLink System is a revolutionary platform for collecting and disseminating scoring and statistical data on every shot by every player in real-time during every tournament round. This data asset creates improved live coverage and more meaningful analysis. The new data creates great potential to enhance entertainment and image of the sport across all platforms.

The development of ShotLink started in 1997 when the TOUR decided to update its current scoring system, which was based on 1987 technology. The TOUR, in conjunction with IBM, conducted an extensive review process to formulate its strategy for the development and implementation of ShotLink. Following an evaluation of more than 30 companies, additional technology and implementation partners were identified: Information and Display Systems (IDS), Palm, Electronic Arts, Daktronics and two mapping vendors: GeoGolf and Geodetic Services. IBM provided overall project management, consulting services and server and networking technologies. ShotLink was introduced during the 2001 Buick Classic and represents the TOUR's scoring system for the future.

The accumulation, packaging and presentation of expanded shot and course information provides the basis for numerous fan enhancements. Current uses of ShotLink data include:

- Enhanced graphics and statistics in television broadcasts
- Expanded information and statistics for use by media
- Powering on-site and PGATOUR.COM tournament leaderboards
- Providing on-site media and hospitality access to live tournament information through Tournament Tracker, developed by IBM
- Powering PGA TOUR Mobile Link, the PGA TOUR's wireless application for use on PDAs and cell phones (available on PGATOUR.COM)
- Powering the TOURCast application on PGATOUR.COM, which launched in 2003
- Analysis of how each golf course is played to assist in course setup and in design changes

In addition to current uses, ShotLink provides unlimited potential to develop fan enhancements and products over the next several years, including:

- Enhanced and interactive television
- On-site wireless and kiosk applications for tournament patrons
- Internet, PC and console games
- Increased data mining to create more interesting entertainment and insights of how the game is played across all platforms

Besides fan enhancements, ShotLink creates an ongoing historical archive of statistical information. This information is available to players through the PGA TOUR Links program, also built by IBM.

The ShotLink data is collected by volunteers utilizing a combination of Palm handheld devices and laser range finders. Each week a team of approximately 350 volunteers dedicate approximately three man years of effort to perform this data collection. In the course of the entire season, more than 10,000 volunteers contribute to the success of this program.

## PGA TOUR Wives Association, Inc.

PGA TOUR Wives Association, Inc. is a Florida not-for-profit corporation organized to render support for and provide assistance to needy children and their families through the means of charitable events. The Association is comprised of the wives of professional golfers on the PGA TOUR and Nationwide Tour, as well as individuals and corporations that support the PGA TOUR Wives Association, Inc.'s many charitable endeavors.

Since its incorporation in 1988, the PGA TOUR Wives Association, Inc. has supported children's charities across the country by raising money for child-related charities and given much back to the game of golf through personal and monetary contributions. In addition to the funds that are raised, the wives visit different charities in the communities where golf tournaments are held, spending time and playing with children supported by the charities.

The PGA TOUR Wives Association, Inc. conducts numerous fundraisers to support its charities. These include tasting events, concerts, live and silent auctions and other activities.

The Association's favorite (and longest-running) fundraiser is the biennial TOUR Wives Golf Classic, a nine-hole tournament where the wives play golf and their husbands caddie. The TOUR Wives Golf Classic, first played in 1987, has been held at different courses around the country.

While its membership varies from year to year, the commitment of the PGA TOUR Wives Association, Inc. to making a difference in the lives of needy children stands strong. The Association's dedicated members, past and present, have reached deep into their resources to balance the demands of family, work and travel and have given generously of themselves to realize their ideals. For information regarding the PGA TOUR Wives Association, please contact Sara Moores at the PGA TOUR.

## Weather Guidelines

Every effort will be made to finish each round as scheduled by Sunday. The first priority is always the competition and completion of 72 holes.

In an effort to achieve this objective by Sunday, 36 holes may be played on Sunday following a reduction of the field to the score which has the closest number of professionals to 60. If an equal number of professionals are at scores above and below the 60th position, the higher score will be used.

If conditions exist which prevent 72 holes from being completed by Sunday, play will always be extended to Monday if golf course conditions and the weather forecast permit. Play on Monday could include 36 holes.

If conditions exist which make the completion of 72 holes impossible, the next priority is to complete 54 holes; thereby the winner is credited with an official victory. Again, play in this situation will always be extended to Monday if conditions and weather permit.

If conditions exist which make the completion of 54 holes impossible, the next priority is to complete 36 holes; thereby players receive official money, although the winner is credited with an unofficial victory. Again, play in this situation may be extended to Monday.

In making decisions to extend play beyond Sunday or to reduce the tournament to fewer than 72 holes due to inclement weather, the on-site Tournament Director discusses the situation and conditions with a number of parties, including the host organization, title sponsor, host site (general manager and/or golf course superintendent), on-site weather forecaster, television representatives and the other members of the Rules Committee. Players typically have not been included in these discussions as the TOUR believes it is inappropriate for the Rules Committee to discuss matters directly affecting the competition with contestants.

## World Golf Foundation

### WORLD GOLF FOUNDATION

World Golf Foundation, a not-for-profit, 501(c)3 organization, was created in 1994 to unite the golf industry and those who love the game. The board supports initiatives that promote, enhance the growth of, and provide access to the game of golf, while preserving golf's traditional values and passing them on to others.

There are four initiatives under the umbrella of the World Golf Foundation: the World Golf Hall of Fame, The First Tee, GOLF 20/20: Vision for the Future and the National Minority Golf Foundation. Each initiative has its own mission to enhance the game of golf's history, present and future.

**World Golf Hall of Fame**—Conceptualized in the late 1980s and open since 1998, it is committed to preserving golf's rich heritage, honoring the great players and contributors to the sport and setting the stage for future generations to learn about and enjoy the game. Members are honored in the 75,000 square-foot museum located at the World Golf Village in St. Augustine, FL.

**The First Tee**—Announced in November of 1997, The First Tee is dedicated to providing affordable access to golf and strives to instill in young people life-

enhancing values such as honesty, integrity, sportsmanship and respect. These values are seamlessly taught through The First Tee Life Skills & Golf Experience, one of the unique features that differentiates The First Tee from many other successful junior golf programs. The intent is to offer opportunities for improvement in the quality of life and create a platform where children can increase their potential for success. The First Tee partners with local not-for-profit entities and municipalities to form The First Tee Chapters, which are responsible for developing The First Tee golf-learning facilities. Currently, there are more than 135 open facilities spanning 40 states and two continents, including programs in Canada and Singapore.

**GOLF 20/20: Vision for the Future**—Initiated in 1999, it is devoted to aligning the golf industry behind a plan that addresses the future of golf in a strategic manner, with an emphasis on accelerating growth and participation and creating new avenues of access into the game.

**National Minority Golf Foundation**—Coming under the World Golf Foundation umbrella in 2001, it is primarily focused on developing career opportunities in golf for minorities.

## World Golf Hall of Fame

Open since 1998, the World Golf Hall of Fame is the ultimate destination for the celebration and recognition of golf's greatest players and contributors and serves as an inspiration to golfers and fans worldwide. Supported by all of the world's leading golf organizations, the Hall of Fame combines historic artifacts and personal memorabilia with interactive exhibits to tell the stories of the Hall of Fame members and the history of the game. The World Golf Hall of Fame is located at World Golf Village in St. Augustine, FL.

### The Museum

Guests of the World Golf Hall of Fame will be greeted with the fascinating and comprehensive tale of golf's history and its development from the cradle in Scotland through its growth to the far reaches of the world. An exhibit in this area focuses on the role of The Royal & Ancient, the history of the British Open, golf's longest-running major, and the Royal & Ancient Golf Club of St. Andrews.

The Hall of Fame members' stories are referenced throughout the museum, though their true home is in the center of the museum, Shell Hall, named for the Hall of Fame's founding partner, Shell Oil Company. An extraordinary 150-foot "Wall of Fame" donning hand-crafted bronze relief plaques of each member extends an entire wall, representing the current 104 members. And, guests can search for statistics, sound bites, photographs and video clips in a comprehensive database developed by technology partner IBM.

As a fitting tribute to the highest achievement in golf, significant tournament trophies, including men's and women's majors, are artfully displayed in the Hall of Fame Tower. A locker room showcases memorabilia from many of the members, and guests have the opportunity to sink a long putt on a modern tournament-style putting green under the lights and cameras of a Shell's Wonderful World of Golf match. Video is featured throughout the museum, including the multi-screen experience called "Spirit of the Game" and a theater offering great championship moment highlights.

### Special Exhibits

The World Golf Hall of Fame opens various temporary exhibits throughout the year, many featuring its members. A major exhibit opens each spring, during THE PLAYERS Championship, and at each year's Fall Induction Ceremony, when special displays highlighting the current year's class are unveiled.

### Avenues for Induction

There are five avenues for a player or contributor to enter the World Golf Hall of Fame: PGA TOUR/Champions Tour ballot, International ballot, LPGA Point System, Lifetime Achievement category and Veteran's category.

Various criteria is set up for players to be eligible for the PGA TOUR/Champions Tour and International ballots, including an age requirement of at least 40 years old and a necessary performance that includes a substantial amount of regular tournament victories and majors.

The LPGA Point System requires a player to be an active member of the LPGA Tour for 10 years and to have won either an LPGA major tournament, Vare Trophy or Rolex Player of the Year honors, plus a number of other tournament victories.

Nominations for the Lifetime Achievement category are made by the international voting body members. The category is designed for any male or female supporter of the sport whose primary role in the game has come outside the playing arena. The World Golf Foundation Board of Directors' Selection Committee decides this category each year.

Any male or female professional or amateur who played the bulk of his/her career before 1974 and may not have received proper recognition is eligible for selection through the Veteran's category. The World Golf Foundation Board of Directors' Selection Committee also determines this category each year.

### Founding Partner

As sole founding partner of World Golf Hall of Fame, Shell Oil Company provides financial support to the World Golf Foundation and supports its charitable initiatives aimed at introducing golf to young people, thereby promoting scholastic achievement, community service and those values intrinsic to the game of golf.

## World Golf Village

The World Golf Hall of Fame is located at World Golf Village, a 6,300-acre golf resort and residential community located 10 minutes northwest of historic St. Augustine, FL, and 30 minutes south of Jacksonville, FL. Named one of the "Top 75 Golf Resorts" in the United States by *Golf Digest*, World Golf Village draws guests from all over the United States and from around the world, offering a wide variety of recreational, entertainment, corporate meeting and residential options.

As the centerpiece of the Village, the World Golf Hall of Fame celebrates and recognizes the game's greatest players and contributors and serves as an inspiration to fans worldwide. The Hall of Fame features personal memorabilia and special exhibits highlighting its members, as well as historical and interactive displays that enable visitors to see and experience some of golf's most exciting aspects. Part of the Hall of Fame experience includes a round on the 18-hole natural grass putting course and a film at the adjacent IMAX® Theater, which offers a variety of films that are both educational and entertaining on an 80-foot-wide by 6-story-high screen.

World Golf Village championship golf courses include King & Bear, the only course co-designed by World Golf Hall of Fame members Arnold Palmer and Jack Nicklaus, and the Slammer & Squire, built by Bobby Weed with design consultants Sam Snead and Gene Sarazen, also World Golf Hall of Fame members. Both courses, which have hosted 10 nationally televised broadcasts, combine challenging obstacles with playability for all levels of golfers.

The PGA TOUR Golf Academy offers private lessons, clinics and golf schools by top-rated instructors, including Director of Instruction Scott Sackett, a Golf Magazine Top 100 Teacher, who incorporates three teaching and video analysis systems into the lessons.

PGA TOUR Spa Laterra—the first such facility to bear the PGA TOUR name—opened in the King & Bear in December 2004, offering golf-enhancement services and fitness programs comparable to those used on TOUR. The full-service spa, part of the Laterra resort community, offers signature treatments and full, half and multi-day packages.

Dining options along the Walk of Champions include Murray Bros. Caddyshack, the flagship restaurant of actor-golfer Bill Murray and his five

brothers, and Legacy Steakhouse. PGA TOUR STOP, one of the largest golf stores in the country, anchors the retail area of World Golf Village. Also along the Walk of Champions, which is a half-mile track featuring engraved Hall of Fame member signatures in granite, guests can attempt to hit a ball 132 yards to the Challenge Hole's island green.

Accommodations at World Golf Village include the flagship Renaissance Resort at World Golf Village, a 10-story resort that features 301 guest rooms and the adjacent St. Johns County Convention Center. Grande Villas at World Golf Village, a Bluegreen Vacation Club resort, offers country club vacation homes that overlook the 17th and 18th holes of the Slammer & Squire golf course.

The Neighborhoods of World Golf Village offer distinctive residential communities that blend world-class amenities with the convenience of shopping, healthcare, entertainment, first-rate schools and incredible golf. Each neighborhood offers individual amenities such as pools and recreational facilities.

A full-page photograph of golfer Davis Love III in the middle of his golf swing. He is wearing a red, white, and blue horizontally striped polo shirt, khaki trousers, a black belt, and a tan baseball cap with a logo. He is holding a golf club with both hands, and his body is twisted in the follow-through phase of the swing. The background is a dense, out-of-focus green forest. The entire image is framed by a thick orange border.

**Davis Love III** recorded eight top-10 finishes, including twice as a runner-up, en route to his ninth career top-10 money list spot.
