*2005 Nationwide Tour  
Player of the Year*

*2006 PGA TOUR Member*

With \$495,009 in prize money, **Troy Matteson** broke the Nationwide Tour single-season earnings mark in 2005.

## A Message to the Media

On behalf of the players and staff of the Nationwide Tour, let me welcome you to the 2006 season. This year promises to be the strongest and most exciting year in the 17-year history of the Nationwide Tour, and we are grateful for your support in telling that story.

With the continued support of Nationwide Insurance and Financial Services as the umbrella sponsor of the Tour, this circuit has grown in stature and significance and is recognized as one of the strongest Tours in the world.

This year, the Nationwide Tour will visit Panama, Australia and New Zealand, as well as 21 states. The 31 tournaments will play for nearly \$17 million in prize money, and once again, the top 20 players on the money list at season's end will graduate to the PGA TOUR for the 2007 season.

An important component of the Nationwide Tour is our ability to leave significant sums of money to support charities in local markets. The Nationwide Tour played a role in the PGA TOUR's Drive to a Billion, a landmark in charitable contributions we reached last fall.

Alumni of the Tour continue to enjoy success on the PGA TOUR. As we begin the 2006 season, former players have won 175 PGA TOUR titles, including 16 last year.

We look forward to watching the 2005 graduating class begin their PGA TOUR journey, and we are anxious to see who will follow in their footsteps in 2006.

Thank you for your coverage of the Nationwide Tour. We appreciate your hard work and interest in the Tour. Please don't hesitate to call on our staff, which stands ready to assist you in your coverage plans.

Sincerely,

Timothy W. Finchem  
Commissioner, PGA TOUR

# We Are The PGA TOUR

The name of our organization is the PGA TOUR, a tax-exempt membership group of professional golfers that plays more than 100 official money tournaments on three Tours – the PGA TOUR, Champions Tour and Nationwide Tour. Our headquarters are located in Ponte Vedra Beach, FL, southeast of Jacksonville.

We should never be referred to as the PGA as we are a different organization than the PGA (of America). We are the PGA TOUR. On second reference, you can call us the TOUR.

The PGA is the Professional Golfers' Association of America, a membership organization for the nation's club professionals. The PGA runs the PGA Championship, Senior PGA Championship and Ryder Cup Matches, among other championships. The PGA headquarters are located in Palm Beach Gardens, FL.

The PGA TOUR and PGA of America were affiliated until 1968, when the tournament players, a small subset of the total PGA membership, broke

away to form the Tournament Players Division and gain more control of their finances and tournament schedule. The Tournament Players Division was renamed the PGA TOUR in 1975.

Two other American golf organizations are involved in men's professional tournament play, independent of the PGA TOUR but with their marquee events included on the PGA TOUR schedule as non-PGA TOUR cosponsored tournaments. The United States Golf Association, with headquarters in Far Hills, NJ, oversees the national championships (U.S. Open, U.S. Senior Open, U.S. Amateur, U.S. Women's Amateur, etc.) and administers the Rules of Golf, among other duties. The Augusta (GA) National Golf Club plays host to the Masters Tournament. The Royal and Ancient Golf Club of St. Andrews, Scotland oversees the British Open and administers the world's golf rules jointly with the USGA.

**The PGA TOUR is the world's foremost golf Tour, with 48 official money events from January through November. The membership includes 19 of the top 25 in the Official World Golf Ranking entering 2006, including Nos. 1-5 Tiger Woods, Vijay Singh, Phil Mickelson, Retief Goosen and Ernie Els.**

## Nationwide Company Profile

**W. G. Jurgensen**

Chief Executive Officer  
Nationwide

As we begin our fourth year as title sponsor of the Nationwide Tour, we're excited about another great schedule of tournaments. I'm sure the talent and skills of Nationwide Tour players will continue to prove that it is home to some of the best golf in the world.

I'm proud that many Nationwide Tour graduates continue to lead successful PGA TOUR careers. To date, 175 PGA TOUR titles have been won by former Nationwide Tour players, including 16 in 2005.

Perhaps the most dramatic story of 2005 was that of Jason Gore, who earned a battlefield promotion to the PGA TOUR by winning three Nationwide Tour events. Jason turned heads with his outstanding play at the U.S. Open, and he went on to win the PGA TOUR's 84 LUMBER Classic.

I'm also proud to note that Troy Matteson, the Nationwide Tour's 2005 money leader, passed Zach Johnson to become the Nationwide Tour's all-time, single-season money leader.

I expect big things from Jason, Troy and the rest of the 2005 Nationwide Tour graduates this year.

At Nationwide, we identify with young players striving to take their game to the next level. Every day we try to improve the level of *On Your Side* service we provide to our customers.

We're also proud to be part of the PGA TOUR's "Drive to a Billion" campaign, as we celebrate \$1 billion in charitable contributions generated by the PGA TOUR, the Champion's Tour and the Nationwide Tour. The ability to give back to the communities that host Nationwide Tour events is perhaps the most significant part of our sponsorship because it aligns so closely with the values of our company, our associates and our customers.

I expect more great golf at Nationwide Tour events in 2006. I'm excited to watch interest in the Nationwide Tour grow, as golf fans everywhere begin to appreciate the opportunity to see the next generation of professional golf superstars.

I wish the best of luck to all the players throughout their 2006 campaign.

Jerry Jurgensen

# History of the Nationwide Tour

Even the most optimistic person couldn't have foreseen the success of the Nationwide Tour when it kicked off its inaugural season on Thursday, Feb. 2, 1990 at 7:30 a.m. PST at Bakersfield Country Club in Bakersfield, CA.

The Nationwide Tour began under corporate sponsorship of the Ben Hogan Company as the Ben Hogan Tour. The idea of former PGA TOUR Commissioner Deane R. Beman, the Nationwide Tour was designed as a proving ground for up-and-coming golfers, as well as a place for PGA TOUR veterans to hone their skills as they prepared for the Champions Tour. It has become so much more than that.

For the first two years of the Tour, the top five money winners were awarded PGA TOUR membership. Beginning in 1992, the PGA TOUR Tournament Policy Board voted that, due to the success graduating players had on the PGA TOUR, that number would be increased to 10; and in 1997 the number was increased to 15. In 2003, 20 players earned their 2004 TOUR cards.

That first event in 1990 was won by Mike Springer, who went on to win two more times that year and finish fourth on the money list. He was joined in the first graduating class by Jim McGovern, Dick Mast, Ed Humenik and Jeff Maggert, who was leading money-winner and Player of the Year.

However, the player who made the biggest impact on the PGA TOUR from the 1990 Tour was John Daly, winner of the only Ben Hogan Tour Qualifying Tournament. Daly won the PGA Championship as a rookie and went on to finish 17th on the 1991 PGA TOUR money list. Since then, he has added four more victories, including another major championship, the 1995 British Open.

Tom Lehman first established himself as a top-flight player on the 1991 Tour. After two nondescript years on the PGA TOUR in the early 1980s, Lehman won a tournament on the 1990 Tour. But 1991 was the breakthrough season in his comeback. He won three times that year and was the circuit's leading money-winner.

Californian John Flannery was the dominant player on the 1992 Tour, winning three times and leading the Tour in earnings with \$164,114. His successful campaign made him the Tour's third Player of the Year.

On August 26, 1992 Nike Inc., took over sponsorship of the Tour beginning with the 1993 season. Sean Murphy was the star of the 1993 Tour. He set records for wins in a season with four, career victories with five, and single-season earnings with \$166,293. He added a sixth title in 1995.

While Murphy was busy setting records, his fellow Tour alumni were busy making names for themselves on the PGA TOUR. Daly had already collected his second career win in the 1992 B.C. Open, and others were beginning to earn their own hardware. McGovern, Mike Standly and Maggert all collected PGA TOUR titles in 1993, while Springer and Greg Kraft grabbed a pair of unofficial wins.

The Tour Championship also was established in 1993 as a climax to the season. Rookie David Duval won the first Tour Championship, which featured only the top 50 money-winners during the year.

On the 1994 Tour, Chris Perry showed that consistency has its own rewards. Although six players collected multiple victories that year, Perry's lone title in the Utah Classic and his consistent strong play over the course of the season earned him Tour Player of the Year honors. He set a single-season earnings record with \$167,148 and collected 10 top-10 finishes. He made every cut that season.

The 1994 Tour season saw a number of firsts. In June, Tommy Armour III became the first player to win back-to-back tournaments—the Miami Valley Open and Cleveland Open. During the second round of the 1994 Shreveport Open, Omar Uresti set a record with nine consecutive birdies. That not only stands as the Nationwide Tour standard, it surpassed the records on the PGA TOUR, Champions Tour or European Tour.

It's been 16 years since Mike Springer won the Bakersfield Open, the first Nationwide Tour event.

In May, Vic Wilk became the first left-hander to win an event, the Knoxville Open. Jerry Kelly continued the trend of the leading money-winner setting an earnings record in 1995, when he earned \$188,878 to better Perry's year-old record. Besides winning twice, Kelly posted 15 top-10 finishes.

Stewart Cink was the top story of the 1996 Tour season. The 1995 college Player of the Year became the first player in Nationwide Tour history to earn more than \$200,000 in a single season with \$251,699. He won three times, including the season-ending Tour Championship, and collected 14 top-10 finishes in only 21 events.

The 1997 season began with the announcement that the PGA TOUR Policy Board had increased the number of TOUR exemptions onto the PGA TOUR from 10 to 15, further enhancing the Tour's reputation as a proving ground for the next generation of PGA TOUR champions.

The 1997 season also marked the first year of the three-win promotion, which grants immediate access to the PGA TOUR for any player who wins three Nationwide Tour events in a season. Chris Smith was the first player to earn this promotion. On the Nationwide Tour, Smith had a record-breaking season. He won at the Upstate Classic, and captured the Dakota Dunes Open and Omaha Classic in back-to-back weeks. With the wins at Dakota Dunes and Omaha, he joined Armour and Jerry Haas as the only players to win consecutive tournaments. He also became the first player to win the same tournament twice, having won the Dakota Dunes Open in 1995.

In October, Steve Flesch joined Wilk as the only left-handed champions. Flesch won the season-ending Tour Championship. That victory vaulted him from 24th on the money list to fourth, earning him 1998 PGA TOUR membership.

The 1998 season saw more of the kind of action for which the Nationwide Tour has become known. During a three-week period late in the spring, Notah Begay III and Doug Dunaway caught the attention of the golf world when each recorded a 59 in competition. Begay's 13-under-par 59 came in the second round of the Dominion Open. Amazingly, Dunaway could have had the record on his own, with only a three-putt bogey on his final hole keeping him from posting an incredible 58.

Bob Burns was named 1998 Player of the Year after leading in earnings with \$178,664 and winning at the Dominion Open and Tour Championship.

Zach Johnson was the 2003 Player of the Year.

The 1999 season saw Carl Paulson establish a new record for consecutive starts with 83. The 83rd start was a significant one as Paulson recorded his first-ever Nationwide Tour victory at the Utah Classic. That win, and another two weeks later at the Boise Open, vaulted Paulson to the top of the money list. His efforts were rewarded when his peers selected him as the Player of the Year. Seven players won twice on the Tour in 1999, and a record 22 players earned more than \$100,000.

The season-ending Tour Championship was a thrilling affair played at the Robert Trent Jones Trail Highland Oaks Golf Club in Dothan, AL. Bob Heintz won his second event of the season in a playoff with Dawson to take home the largest first-place prize in Tour history—\$72,000.

In late October, internet superstore Buy.com was announced as the new umbrella sponsor of the Tour. With Buy.com's financial contribution, purses rose to a record \$13.1 million in 2000, with the minimum weekly purses jumping from \$225,000 to \$400,000. On the course, the 2000 season saw Spike McRoy earn Player of the Year honors after winning twice and earning a record \$300,638. He was one of 53 players to earn \$100,000 or more.

Along the way, Tim Clark made a little history of his own when he collected the first \$100,000 payday on the Tour by winning the Boise Open. The 2000 season was also notable for the emergence of international players who captured nine titles and claimed four of the top 15 spots on the money list.

The 2001 season was an historic one for the Tour. For only the second time,

## History of the Nationwide Tour (cont.)

a player earned a promotion to the PGA TOUR by winning three times in one season. Heath Slocum's third win made him the first player since Smith (1997) to earn an automatic promotion to the TOUR.

Once the field was shown the way, others followed. First, Chad Campbell earned his third win and moved on, and then Pat Bates won back-to-back tournaments to end the year and became the third player in 2001 to jump to the PGA TOUR. Slocum set a Tour record by going 106 consecutive holes without making a bogey, while Todd Barranger tied the scoring mark by winning the Dayton Open with a 26-under-par effort. Along the way, Campbell set a single-season earnings record with \$394,552 to earn Player of the Year honors. He also finished second at the PGA TOUR's season-ending Southern Farm Bureau Classic.

The 2001 season also saw the Tour move to Canada for the first time with the Samsung Canadian PGA Championship in suburban Toronto.

In 2002, the Tour added tournaments in Australia and New Zealand for the first time. In addition, tournaments were allowed to sell individual title sponsorships for the first time.

Patrick Moore won three times and earned Player of the Year honors. A record 12 players earned \$200,000 or more. Alums continued to excel winning a one-season record 21 times in 2002.

The season ended on a high note with the announcement of a new umbrella sponsor, Nationwide. The five-year agreement started with the 2003 season, and the Tour not only sported a new name and logo but it awarded 20 PGA TOUR cards to its graduates.

The 2003 season featured 30 events, with purses in excess of \$14.7 million. New events were staged in Canada (Calgary), Chattanooga, TN, and Miami, FL, with Panama joining in 2004.

Tom Carter became only the sixth player to earn a three-win promotion to the PGA TOUR, but to show the strength of the Tour he wasn't even the Player of the Year. Zach Johnson won that honor after setting a new Tour record for earnings, with \$494,882. He had two wins and nine top-three finishes in his 20 starts while setting a new Tour scoring record, as well. He finished with a 68.97 average.

Jimmy Walker was the 2004 Player of the Year and leading money winner, as well as one of five multiple winners during the season. Alums continued to excel, winning a record 22 PGA TOUR titles, while the Class of 2003 made history with five members winning on TOUR, seven earning at least \$1 million and eight finishing in the top 125 on the money list.

Daniel Chopra set a Tour record with his 30-under performance at the Henrico County Open, while Tyler Williamson and Chris Nallen each fired 60s and narrowly missed joining the slim ranks of players to fire competitive 59s.

Jason Gore was the story of the 2005 season as he captured the hearts of golf fans everywhere with his U.S. Open performance. He followed that with a record-setting three consecutive victories on the Nationwide Tour and fired a 59 in winning the final one. He completed his season with a victory on the PGA TOUR and earned Nationwide Tour Player of the Year honors.

In any other season, Troy Matteson probably would have walked off with that honor. He won twice, finished in the top 10 a dozen times and set a new single-season earnings record of \$495,009.

New events in Rochester, NY, and Cleveland, OH, debuted, and the Tour enjoyed perhaps its finest season to date.

This year will see three more new events join the slate and purses are expected to reach nearly \$17 million as the Tour begins its 17th season and fourth under the sponsorship of Nationwide.

## Nationwide Tour Graduates

For the first time in history, all 21 players graduating to the PGA TOUR from the Nationwide Tour earned at least \$200,000 in prize money. Troy Matteson led the way, winning a Tour record \$495,009. But Jason Gore earned Player of the Year honors with three victories in only 12 tournaments (\$29,714 per start).

Gore moved on to the PGA TOUR midway through the year and won the 84 LUMBER Classic, becoming the first player in history to earn an in-season promotion and later win on the PGA TOUR.

## About the Commissioner

**Timothy W. Finchem**  
Commissioner

Timothy W. Finchem, 58, is the third Commissioner of the PGA TOUR. Finchem succeeded Deane R. Beman as Commissioner on June 1, 1994. Beman had served for 20 years, replacing the late Joseph C. Dey, who had been the TOUR's Commissioner in its first five years, 1969-74.

Finchem, Deputy Commissioner and Chief Operating Officer of the TOUR under Beman since 1989, joined the TOUR staff as Vice President of Business Affairs in 1987.

As Commissioner, Finchem has greatly expanded the earnings opportunities for PGA TOUR players domestically and internationally. He also has taken leadership roles in the formation of the International Federation of PGA Tours and the World Golf Foundation, Inc.

His personal dedication to the success of the World Golf Foundation's First Tee initiative has helped that program achieve its initial objectives in developing facilities that will have an impact on the game for years to come.

"Our primary purpose as a membership organization is to create outstanding playing and earnings opportunities for our players," Finchem says, "and we

are proud of what our tournaments do for charity (more than \$1 billion raised)" and the active role we have been able to take as an organization in growing the game for future generations."

Born in Ottawa, IL, on April 19, 1947, Finchem graduated from Princess Anne High School in Virginia Beach, VA. He attended the University of Richmond on a debate scholarship, receiving his Bachelor of Arts degree in 1969. He graduated from the University of Virginia Law School in 1973. After practicing law in Virginia Beach for three years, Finchem served in the White House as Deputy Advisor to the President in the Office of Economic Affairs in 1978 and 1979. In the early 1980s, Finchem co-founded the National Marketing and Strategies Group in Washington, D.C.

Finchem is the recipient of the Golf Course Superintendents Association of America's Old Tom Morris Award for 2001 and the PGA of America's Distinguished Service Award for 2002. He was awarded the Dick Shaap Lifetime Achievement in Sports in 2005.

Married to the former Holly Bachand, Finchem is a father of four. The Finchems live in Ponte Vedra Beach, FL.

**Jason Gore** won three Nationwide Tour tournaments in 2005 and then won the 84 LUMBER Classic after he moved on to the PGA TOUR.

mark, making five cuts in last six starts, including T4 in the 2004 FUNAI Classic at Walt Disney World Resort. First of only two top-10s of the season came in June, T9 at the 2004 Buick Classic. Was one back of the lead through 54 holes but a closing 75 at Westchester CC dropped him to T9. Enjoyed a strong end of the season, starting with a T13 at the 84 LUMBER Classic. In mid-October finished T16 at the 2004 Chrysler Championship of Greensboro. The next week headed into the 2004 FUNAI Classic at Walt Disney World Resort ranked 103rd on the season money list. Sat two strokes back through 54 holes and closed with 69 to finish T4, his best performance since finishing T3 at the 2002 Bob Hope Chrysler Classic. Collected a season-best \$184,800 at the FUNAI Classic to secure his card for the 2005 season. In 2003, shared second-round lead with Robert Damron at the 84 Lumber Classic of Pennsylvania and held two-stroke advantage through 54 holes prior to picking up his only top-10 of the season, a T5. Entered the week No. 117 on money list. Earnings of \$146,000 moved him to 95th on the money list, thus securing his card for another season. Had a bulging disc late in the 2003 season that kept him from competition. Doctors recommended he should spend the end of the season doing extensive workout program so he could be healthy for the 2004 season. His last event of the year was the Valero Texas Open in late September. Finished comfortably inside the top 100 in earnings in 2002, placing 72nd. Logged best finish of season with T3 at the 2002 Bob Hope Chrysler Classic at 28-under-par 332, two strokes behind the playoff of Phil Mickelson and David Berganio, Jr. Ended the year strong in 2001 by earning first TOUR victory to finish a career-high 50th on money list. Despite nearly withdrawing from the 2001 Southern Farm Bureau Classic, the last full-field official money event of the year, because of a stiff neck, fired consecutive 67s to edge Chad Campbell by one stroke. Down the stretch, birdied three of the final five holes to make up a three-stroke deficit. In 2000, finished in the top-25 six times, including back-to-back T14s at the Westin Texas Open and Buick Challenge. Shared the first-round lead at Michelob Championship at Kingsmill after an opening 66. Was two back after 54 holes. Closing 73 produced T15. Posted three top-25s in 28 PGA TOUR events in 1999. Posted four consecutive rounds at or below par at the Buick Challenge on the way to a season-best finish of T13. Made the cut in eight of 23 starts in 1997 during his only full season on the Nationwide Tour. Lone top-10 finish was T8 at the Greater Austin Open. 1994 Lone Star Tour Player of the Year.

Continued comeback from annular tears of L-4 and L-5 discs in lower back that limited him to 12 events in 2001. Improved from 197th in 2001 to 108th on the TOUR money list in 2002. Made only four cuts in 12 starts in 2001. Attributed lower-back injury to over-exuberance in off-season conditioning, with a two-month rest being the only cure. Followed with second consecutive victory and fourth of career, by one stroke over Mark Calcavecchia at Canon Greater Hartford Open. That victory marked his fourth in 12 months. ## PROFESSIONAL CAREER:

Spent most of the 2005 season competing on the Nationwide Tour, with only one start on the PGA TOUR. Made four cuts in 14 starts on the Nationwide Tour. Did not earn enough in his six starts from the Major Medical Extension category in 2004 to retain his PGA TOUR card for the season. Played in 11 events, finishing 219th on the money list, the lowest in his 14-year TOUR career. Double-bogeyed the final hole at 2004 TOUR National Qualifying Tournament to miss his 2005 card by two strokes. Largely due to a torn tendon in elbow that required surgery, suffered through sub-par 2003 season, with only seven made cuts in 23 starts. Received a Major Medical Extension for 2004. Coupled with \$143,382 earned in 23 events in 2003, had the opportunity to play in six events to earn \$344,113. Best finish was T18 at the 2003 B.C. Open. Battled with a bout of double pneumonia for two months at end of 2002 season and still felt effects at Sony Open in Hawaii in early 2003. Surpassed the \$1-million mark in earnings for the second straight season in 2002, thanks to career-high four top-10s. Finished the 2001 season by making 10 of last 11 cuts and made \$862,802 of his career-best \$1,193,528. Earned first TOUR title in 316th career start at 2001 Air Canada Championship. Shared first- and second-round leads with Greg Kraft before taking three-stroke lead into final round. Led TOUR event after 54 holes for first time in career. Rounds of 65-67-68-65—265 produced share of tournament record. Earned \$638,422 and was 73rd on the 2000 TOUR money list. In 1999, earned his 2000 TOUR card with a second-place finish on the Nationwide Tour money list. Brought home his first career victory with a come-from-behind win at the Mississippi Gulf Coast Open in February. Named Player of the Month for February. Had six top-10s in his last seven events. In 1996, broke into the Top 100 on the money list for the first time in career (No. 90, \$248,450). Recorded a T2 at the 1992 B.C. Open to finish six strokes behind winner John Daly. Winner of 1988 North Dakota Open.

## AMATEUR CAREER:

Named to the All-Southland Conference team at North Texas State. American Junior Golf Association All-American.

## PERSONAL:

Had back surgery in January 1998, which kept him off the TOUR for most of the year. Played in only six events from May to August. Still dreams of playing third base for the New York Yankees. Met hero, Joe Torre, manager of the Yankees, at the 2002 Mercedes Championships.

## PROFESSIONAL CAREER:

Playing out of the Past Champion category, made nine cuts in 17 starts during the 2005 PGA TOUR season. Posted top-25 finishes at the BellSouth Classic (T22) and Chrysler Championship (T22). Second consecutive season outside the top 150 on the TOUR money list. The 2004 season marked the first time without a top-10 finish since 1996, leading to a return trip to Q-School for the first time since 1982. Earned more than \$1 million for the second straight season in 2003 on the strength of four top-10s. Carded 9-under-par 62 at the TPC at Canyons during the first round of the 2003 Las Vegas Invitational to tie his career low, posted in the second round of the 1988 Bob Hope Chrysler Classic. Recorded an ace in the final round at TPC at Summerlin on the par-3 fifth hole en route to a T43 finish. Span of events between wins was 246 tournaments, or 10 years, 1 month and 6 days. Eagled the 72nd hole to win. Opened with a 73 but secured win by shooting 16-under the rest of the way. A 68 in the second round and a course-record-tying 64 in third round put him in position. Final-round 65 was good enough to finish one stroke ahead of Robert Allenby and Billy Andrade. Previous best season came in 1992, when he won the Buick Open and finished second three times on way to 10th-place finish on money list. Was T7 at PGA Championship and THE TOUR Championship that year, as well. Third victory came at 1990 Shearson Lehman Hutton Open, by two over Tommy Armour III. Winner of the 1987 MCI Long Distance Driving Competition. Won rain-shortened 1986 Bay Hill Classic with rounds of 68-67-67—202. First TOUR victory came at 1985 Lite Quad Cities Open.

## PROFESSIONAL CAREER:

Made only nine cuts in 32 starts on the PGA TOUR in 2005. Fell out of the top 125 for the first time since 1996. Best effort of the season was a T14 at the EDS Byron Nelson Championship. Finished inside the top 125 on the PGA TOUR money list for the eighth straight season in 2004. Earned fourth career runner-up finish in second start of season at the 2004 Bob Hope Chrysler Classic, falling to Phil Mickelson on the first playoff hole. Shared the 18-hole lead with Mark Hensby after a first-round 63 and earned a career-best paycheck of \$486,000. Held a one-stroke lead over Thomas Levet after 36 holes of the British Open in Scotland before finishing T11. In 2003, had only two top-10s but was able to parlay making 24 cuts in 30 starts into a very respectable year in which he earned over \$1 million for the first time in his career. Two days before the start of the 2003 Memorial Tournament, cut most of the top of his left index finger above the first knuckle off while cutting a bagel for breakfast. He put the finger tip on ice and rushed to a Columbus, OH, hospital and had a two-hour procedure to reattach the finger, complete with 16 stitches. Ten days later, was able to resume practice. Three weeks after the accident, returned to the TOUR with a reverse overlap grip at the 2003 Buick Open, was tied for the third-round lead and finished in a season-best T4. Managed to stay in the top 125 on the TOUR money list with two top-10s and eight top-25s in 2002. First top-10 of season did not come until June when he finished T7 at 2002 Canon Greater Hartford Open. Added T10 at the 2002 Greater Milwaukee Open. In 2001, made 23 cuts in a career-high 33 starts. Only top-10 was a T6 in the 2001 National Car Rental Golf Classic at Walt Disney World Resort. Recorded third consecutive top-50 finish on the official money list in 2000. Three top-10s included runner-up finish for third consecutive year, which came in season's final week at Southern Farm Bureau Classic. Started the final day four strokes behind leader Steve Lowery, then posted a 66 on Sunday to force a playoff. At 1999 Canon Greater Hartford Open, shared first-round lead after opening 63. Closed with 68-68-66 for second career runner-up finish. Set competitive course record at Medinah with 65 in second round of 1999 PGA Championship. Posted first career runner-up finish, losing playoff to Scott Simpson in 1998 Buick Invitational. Birdied final hole from nine feet to force playoff. In 1997, best finish, a third-place showing, came at Sprint International. Returned to Nationwide Tour in 1996 and finished ninth on money list, thanks to nine top-10s, including second at Tri-Cities Open. Finished fifth in earnings on the Nationwide Tour money list in 1994. Won 1994 Inland Empire Open and 1994 Carolina Classic. That same year became the first Nationwide Tour player to host "Inside the PGA TOUR." First year on TOUR came in 1993 after earning co-medalist honors at 1992 National Qualifying Tournament, despite opening-round 79. Best finish of year was eighth at 1992 Sprint International.

## PROFESSIONAL CAREER:

Member of the Nationwide Tour in 2004-05. Made the cut in eight of 20 starts on the 2005 Nationwide Tour, with five top-10 finishes. Ended the year No. 48 on the money list, with \$112,268. After missing the cut in his first two starts of the year, equaled his career-best finish on Tour at the time with a T7 at the LaSalle Bank Open, pocketing a career-best \$24,188 for his efforts. His next top-10 finish represented his career-best finish on Tour, a T6 at the Scholarship America Showdown. Finished nine shots behind winner Jason Gore but made headlines with an amazing 65-61—126 start, equaling the second-lowest first 36 holes in Tour history. Only Gore's 125 (64-61) start at the 2002 Gila River Golf Classic was better. After a disappointing T74 finish at the Canadian PGA Championship, continued his sixth-place string with a T6 at the Preferred Health Systems Wichita Open and a sixth-place effort at the Cox Classic. Created quite a buzz in Omaha when he moved into contention during the third round in dramatic fashion, recording three eagles on his way to an 8-under 63. After three straight bogeys to start the round, he notched the first eagle at the par-4 fourth hole then finished with a flurry, stringing together consecutive eagles on the par-5 17th hole (holing out a 9-iron from 141 yards) and the par-4 18th (holing out a 6-iron from 159 yards). Back-to-back eagles to close a round had never occurred in the 16-year history of the Tour prior to his finish, much less with two hole-outs from the fairway. Did not finish in the top 10 again until a T10 effort at the season-ending Nationwide Tour Championship. Made the cut in five of 10 starts during his rookie season on the Nationwide Tour in 2004. Best finish was a T7 at the Chitimacha Louisiana Open. Monday qualifier at the 2003 Miccosukee Championship, where he T34 in his first-ever Nationwide Tour start. Made it through the first and second stages of Q-School. First-stage medalist at Pensacola CC site. Won the 2002 Hooters Tour Championship.

## AMATEUR CAREER:

2000 Atlantic Sun Conference Player of the Year. Winner of five tournaments during his collegiate career. Finished inside the top five 20 times.

Lists Roger Clemens among his heroes.

### PROFESSIONAL CAREER:

Member of the Nationwide Tour in 1996 and again from 2000-05. Made the cut in 17 of 26 starts on the 2005 Nationwide Tour, with two top-10 finishes. Ended the year No. 60 on the money list, with \$94,907. A T8 at the Rex Hospital Open marked his first venture inside the top 10 in 2005. Entered the final round of the Cox Classic presented by Chevrolet with a two-shot lead after a stellar 19-under-par 194 left him with the best 54-hole total of the season. A final-round, even-par 71 put him in a T3 and a payday of \$32,500. Made the cut in 22 of 27 starts on the 2004 Nationwide Tour, including eight top-25 finishes. Ranked No. 54 on the official money list, with \$112,862. Posted four top-10s on the season, including a season-best T6 at the Gila River Golf Classic. Made the cut in 11 of 25 appearances on the 2003 Nationwide Tour. Finished the season No. 73 on the final money list, with \$69,972. Managed five finishes inside the top 25 but only had one top-10 result—a T3 at the Rheem Classic, finishing just one shot shy of a Zach Johnson-Steve Haskins playoff. Made the cut in 11 of 16 events in 2002, with four top-25s. Best finish was a T8 at the Price Cutter Charity Championship. Missed the cut in 16 of 24 tournaments during the 2001 season, including 11 of the first 12 events. Notched two top-10 finishes, a T5 at the Omaha Classic and a T9 at the Wichita Open. Opened with three straight 67s at the Omaha Classic, closing with a 71 and a season-best paycheck of \$19,950. Made the cut in just three of 13 events in 2000 as a non-exempt member. At the Inland Empire Open, the final full-field event of the year, he carded a 7-under-par 65 in the opening round and was just one shot back of leader Sonny Skinner. In the final round, four birdies on the front nine gave him a four-stroke lead at the turn. Posted even-par score on the back nine, good for a four-stroke victory over six others. Played in 24 events during his rookie season in 1996, with a T2 at the South Carolina Classic, thanks to a final-round 65. Played on the Canadian Tour from 1997-99. Won the 1999 Samsung CPGA Championship and finished ninth on the McDonald's Order of Merit. Won the 1997 Infiniti Championship. Had four top-10 finishes on the 1995 Dakotas Tour.

### AMATEUR CAREER:

Starred as a prep at Englewood's Cherry Creek High School. Attended the University of Tulsa his freshman and sophomore years before transferring to the University of Colorado. Led the Buffaloes in stroke average in his two years at CU, one of only eight players in school history to do so for multiple seasons. Set a mark for lowest career stroke average for 50 rounds or more (73.47 in 77 rounds), a mark that still stands. Won the John A. Burns Intercollegiate (Honolulu) and the Fresno State Lexus Classic as a senior. Posted eight top-five finishes in his two seasons at CU. Second-team All Big-8 Conference and honorable mention All-American.

## PROFESSIONAL CAREER:

Made the cut in 13 of 25 starts on the 2005 Nationwide Tour, with four top-10 finishes. Ended the year No. 37 on the money list, with \$131,757. Notched a career-best finish on the Nationwide Tour with a T3 at the Henrico County Open. Fired a final-round, 10-under-par 62 to finish three strokes behind winner Chad Collins. The score represented his career-low round on either the Nationwide Tour or PGA TOUR. The finish was also his first top-10 on Tour in 25 starts. Didn't take long to crack the top 10 again, doing so with a T7 in his next start at the LaSalle Bank Open. Once again went low on Sunday, with a 5-under 66 to move to 9-under-par 275, six shots behind winner Chris Couch. Collected \$24,187 in the process. Tallied his third top-10 of the season with a T9 effort at the Scholarship America Showdown, finishing 10 shots behind winner Jason Gore. Equaled his career-low finish with a T3 at the Cleveland Open. At 10-under 274, finished four strokes behind champion Andrew Johnson. Finished 184th on 2004 PGA TOUR money list. Only top-10 of the season came in October, a T5 at the Michelin Championship at Las Vegas. Trailing Tom Lehman by one stroke after 54 holes and finished two strokes behind winner Andre Stolz after bogeying the 72nd hole. It was his best finish on TOUR since a fifth at the 1999 Motorola Western Open. In 2003, split time between the PGA TOUR and Nationwide Tour. Made 14 cuts on the PGA TOUR and finished in the top 20 six times. Earned a career-best \$483,923 in a single season. Missed four months of the 2002 season due to an attack of gallstones and pancreatitis. Had to be fed through a tube for 2 1/2 months and had his gall bladder removed. After T25 finish at the Touchstone Energy Tucson Open in late February, did not play again until late June at the Canon Greater Hartford Open. Played in 27 events in 2001 and posted one top-10 in the last full-field events of the season, a T6 at Southern Farm Bureau Classic. Won 1994 Federal Express St. Jude Classic in rookie season. A 20-foot putt on 72nd hole earned spot in playoff with Hal Sutton and Gene Sauers. Holed 25-foot birdie putt on first extra hole to win. First top-10 finish of PGA TOUR career came at 1994 Deposit Guaranty Golf Classic two weeks earlier, a T8. Early in 1994, rescheduled his wedding day so it wouldn't conflict with PGA TOUR National Qualifying Tournament. That year's victory at Federal Express St. Jude Classic made qualifying unnecessary. Later that season won a Buick for soon-to-be wife Kim with a hole-in-one at Buick Challenge.

## AMATEUR CAREER:

Despite not playing golf as a freshman at Alabama, and not seeing any action as a sophomore walk-on, still was twice named All-Southeastern Conference at Alabama. Semifinalist in 1991 U.S. Amateur.

Had two top-25 finishes on the 2004 PGA TOUR on his way to the No. 187 spot on the final money list. Season-best T11 at the Bell Canadian Open and T15 at the HP Classic of New Orleans. Finished T13 at the 2003 Shell Houston Open in April for his best finish since the 2000 National Car Rental Walt Disney World Golf Classic, where he finished T7. Older brother, Kevin, finished T9 in Houston and it was the third time in their careers that both brothers finished in the top 20

in the Shell Houston Open (1997, 2000 and 2003). Only other top-10 in 2003 was solo ninth at the Reno-Tahoe Open, eight strokes behind champion Kirk Triplett, which lifted him over the mark (\$406,352) to remain in the Major Medical Extension category for the remainder of the 2003 season. Finished the year No. 136 on the money list, with \$451,442. Limited to 11 events due to fractured wrist in 2002. Did not play after Compaq Classic of New Orleans. Made six cuts in 11 events, with a best finish of T37 at The Honda Classic. Played in only one event in 2001, Touchstone Energy Tucson Open, before undergoing left-shoulder surgery on March 2. Granted a Major Medical Extension. Made the cut in late October at the Buick Challenge. Won Nationwide Tour Utah Classic in early September, first event back after surgery. Opened 63-64 and beat Danny Briggs by one. In 2000, had very busy season, playing in 32 events and making the cut in 22. Enjoyed best financial year of career with \$498,749 and second-best money list finish (96th). Pair of top-10s at Shell Houston Open and National Car Rental Golf Classic at Walt Disney World Resort matched a career best.

Holed 3-wood from 274 yards. At 1999 Bell Canadian Open, recorded T3, matching second-best finish of career. Paired with his brother, Kevin, for the first two rounds of the Compaq Classic of New Orleans, the first time they had been paired together on the PGA TOUR in an official-money event (they had been paired together in the National Qualifying Tournament). Broke into money-list top 100 for first time in his career in 1997, including career-best T2 at Greater Milwaukee Open.

## Glossary of Statistics

### Total Driving

Total Driving is computed by totaling a player's rank in driving distance and driving accuracy.

### Driving Distance

The average number of yards per measured drive. Driving distance is measured on two holes per round. Care is taken to select holes which face in opposite directions to counteract the effects of wind. Drives are measured to the point they come to rest, regardless of whether they are in the fairway or not.

### Driving Accuracy

The percentage of time a player is able to hit the fairway with his tee shot.

### Greens in Regulation

The percentage of time a player was able to hit the green in regulation (greens hit in regulation/holes played). Note: A green is considered hit in regulation if any part of the ball is touching the putting surface and the number of strokes taken is two or less than par.

### Putting Average

Measures putting performance on greens hit in regulation. For each green hit in regulation, the total number of putts is divided by the number of greens hit in regulation. By using greens hit in regulation, we are able to eliminate the affects of chipping close and one-putting in the computation.

### Sand Saves Percentage

The percentage of time a player is able to get up and down once in a greenside sand bunker. Note: This up and down is computed regardless of score on the hole.

### Eagles (holes per)

The average number of holes between each eagle.

### Birdie Leaders

The average number of birdies made per round played.

### All Around

This statistic is computed by totaling a player's rank in each of the following statistics: Scoring Leaders, Putting Leaders, Eagle Leaders, Birdie Leaders, Sand Saves, Greens in Regulation, Driving Distance and Driving Accuracy.

## Charity: Giving Back...The Heart of the PGA TOUR

The smiles on faces and lives positively affected are sure signs that the charitable mission of the PGA TOUR is successful in giving back in the communities where we play.

This effort was celebrated in late 2005 when the PGA TOUR and its tournaments reached the Drive to a Billion milestone. The more than \$1 billion raised for charity since 1938 has allowed PGA TOUR, Champions Tour and Nationwide Tour events to annually help more than 2,000 charities and countless individuals worldwide.

"Thanks to the incredible generosity of the tournaments, players, fans, volunteers and business partners who support the PGA TOUR, our goal of giving a billion dollars to charity is a reality," PGA TOUR Commissioner Tim Finchem said. "We hope the focus on this event inspires a continued enthusiasm for giving that ensures more and more money is donated every year. Our goal is to give our next billion in less than 10 years."

### Structure

Unlike any other professional sport, the PGA TOUR relies on 80,000 volunteers a year to run its events, and nearly all of its 100-plus tournaments are structured as non-profit organizations designed to donate 100 percent of net proceeds to local charities. Beneficiaries include a wide variety of local organizations such as hospitals, youth development organizations, growth-of-the-game programs and food banks.

The beneficiaries include programs such as the Evans Scholars Foundation (Cialis Western Open) and Miracle Camp of Sacred Heart Health System (Boeing Championship at San Destin) and the benefiting charities of the National Mining Association Pete Dye Classic, the 2004 PGA TOUR, Champions Tour and Nationwide Tour Charities of the Year, respectively. The impact is also made by volunteers such as Peggy Nelson (Byron's wife) at the EDS Byron Nelson Championship, Paul Ross of Birmingham, AL, and Sam Purdy at the Canadian PGA Championship, the 2004 PGA TOUR, Champions Tour and Nationwide Tour Volunteers of the Year, respectively.

In the communities where tournaments take place, giving back remains at the heart of the PGA TOUR.

### Tournaments

Tournaments provide the leadership, led by the EDS Byron Nelson Championship on the PGA TOUR, the Toshiba Classic, 3M Championship and the Wal-Mart First Tee Open at Pebble Beach on the Champions Tour and the BMW Charity Pro-Am at The Cliffs on the Nationwide Tour, which provided the largest donations to charity in 2005 on each Tour.

"This effort is a tribute to the tournaments, thousands of volunteers and the players who make PGA TOUR events so successful," said Kym Hougham, president of the PGA TOUR Tournaments Association. "We look forward to the continuation of this worthy cause as we push to make a true difference in people's lives."

Disaster relief in 2005 was met with terrific support throughout the golf world. The U.S. Golf Hurricane Katrina Relief Fund expects to exceed its \$5-million goal, with the PGA TOUR's 84 LUMBER Classic, its fans and players giving approximately \$1.1 million in 2005. The U.S. Golf Tsunami Relief Fund effort earlier in the year, also among the leading golf organizations, raised more than \$2 million.

### Players

Players also reach out to help considerably through charitable efforts in their home communities and across the nation. Billy Andrade and Brad Faxon have teamed over the years to raise more than \$5 million for Andrade-Faxon Charities for Children, assisting at-risk children in Rhode Island and southeastern Massachusetts. Phil Mickelson, Frank Lickliter II and Rory Sabbatini all contributed more than \$400,000 to three funds for injured soldiers during the year. Champions Tour player Jim Thorpe gave his first-place check of \$247,500 at the FedEx Kinko's Classic to his home church in Lake Mary, FL, for additional facilities. Champions Tour Player of the Year Dana Quigley gave his second-place earnings of \$500,000 in the Charles Schwab Cup to various charities. In early 2006, the Tiger Woods Foundation will open the Tiger Woods Learning Center in Anaheim, CA, a state-of-the-art educational facility built at the public course where Woods played his high school golf. Tim Clark gave his winner's share of approximately \$20,000 at the Nelson Mandela Invitational in South Africa to a deaf girl he had met before the tournament who needed ear surgery.

"It put into perspective what life is all about—and it's not about all those putts I'm able to put away or miss at the crucial stages of an event, but life in general," Clark said of his contribution.

## The First Tee

The First Tee, in cooperation with local communities, develops affordable golf-learning facilities that provide young people of all backgrounds an opportunity to develop, through golf and character-education, life-enhancing values such as honesty, integrity and sportsmanship.

Key to The First Tee's success has been the development of The First Tee Life Skills Experience™, which was created by a team of experts in the field of youth development. Through this Experience, participants learn valuable lessons, such as: the importance of maintaining a positive attitude; how to make decisions by thinking about the possible consequences; how to define and set goals; and how to transfer the inherently positive values of golf from the course to everyday life.

A recent study by the University of Florida and the University of Nevada-Las Vegas showed that The First Tee Life Skills Experience is having a positive impact on its participants. Multiple measures of research, including written tests and parental observations, revealed that The First Tee participants improved in their knowledge and use of life skills through exposure to the program. More than 74 percent of the parents whose children participated in The First Tee Life Skills Experience Research observed improvements in their child's communication skills, confidence and display of responsibility. More than half of the parents reported that the Life Skills Experience had a positive impact on their child's school grades and social abilities.

In furtherance of its mission to impact the lives of young people, The First Tee has created a Scholars Program that offers leadership and general schol-

arships to qualified participants. The young people who receive the designation of The First Tee Scholar have demonstrated outstanding leadership skills, scholastic achievement and commitment to their Chapters and communities.

The First Tee was established in 1997 with the support of five of the world's leading golf organizations; the PGA of America, the Ladies Professional Golf Association, the PGA TOUR, Augusta National Golf Club and the United States Golf Association.

Through unprecedented support from the golf industry and others, including cities, counties and states that have donated land for the purpose of developing golf-learning facilities, The First Tee has opened over 215 facilities worldwide and has touched the lives of more than 600,000 young people since 2000.

The First Tee has a very bright and exciting future. The impact of The First Tee is assured because of the extraordinary commitment of the Chapter volunteers and staff, combined with the local businesses and political leaders in each community who have embraced it.

## GOLF 20/20: Vision For the Future

In November 2000, senior members of the golf industry came together at World Golf Village for a conference called GOLF 20/20: Vision for the Future and embarked on an unprecedented collaborative effort to enhance the future of the game. The spirit of unity was so strong, and the commitment to make a difference so universal, that the decision was made to address some very specific issues and to make GOLF 20/20 an ongoing industry effort.

GOLF 20/20 is a World Golf Foundation initiative that was started with the following stated mission: To align the golf industry behind a plan that addresses the future of golf in a strategic manner, with an emphasis on accelerating growth and participation and creating new avenues of access into the game. The focus of the conference was not only on participation but also on interest.

Among the accomplishments of GOLF 20/20 over its first five years are the following:

**Research**—20/20 has undertaken a number of unprecedented research projects, including golf's largest segmentation study ever in 2001; a study quantifying golf's annual economy at \$62 billion; and in 2005 two studies focusing on golf's best customers.

**Program Incubation** — GOLF 20/20 has successfully piloted a number of programs. The first was Link Up 2 Golf in the summer of 2001; this adult player development program is now an integral part of the PGA of America's Play Golf America program. In 2003, 20/20 created the National School Golf Program, a unique approach to introducing elementary school kids to the game through the physical education structure; that program is now under the management of The First Tee. This past year 20/20 created Women's Golf Week, which took place in June at 230 facilities across the country and impacted 10,000 women; the 2006 goals are 500 facilities and 25,000 women.

**Industry Alliances** — GOLF 20/20 not only brings industry leaders together each fall to discuss relevant issues, but it has helped foster a number of important alliances within the industry. 20/20 partners with the USGA and its Foundation on the creation of juniorlinks.com, the ultimate junior golf website; it has partnered with the PGA of America on the creation and promotion of Play Golf America.

**Communication**—In June 2005, GOLF 20/20 relaunched its Web site, golf2020.com, with updated content including all research and report, and a new section that, in concert with the PGA and Play Golf America, presents best practices relating to the growth of the game. There is no shortage of creative ideas that can enhance a golf facility's ability to generate additional revenue while creating new players or encouraging more frequent play from existing players, and now there is one location where those ideas are available. The Web site also contains all GOLF 20/20 research and other information of value to those with an interest in ensuring the future vitality of golf.

## PGA TOUR LINKS

The PGA TOUR Links program is the technological solution that brings together PGA TOUR, Champions Tour and Nationwide Tour members, PGA TOUR staff, player managers and tournament organizations. Along with IBM, the PGA TOUR's technology partner, the PGA TOUR and its players work together to design a solution that fits their communication needs.

As part of the TOUR Links program, each player receives a ThinkPad computer and access to the players-only intranet site from anywhere in the world.

Within the site, players are able to view vital PGA TOUR announcements, tournament information, tee times and conduct statistical analysis. Players are also able to commit to tournaments, make hotel reservations, reply to surveys and vote in player elections and annual awards.

To date, more than 700 players have participated in PGA TOUR Links. The players have cited the program as the most efficient form of communication. As the program enters its eighth year, it continues to evolve to meet changing technological advances and player needs.

## Regulations – Media

The following regulations are to be followed by all members of the media:

1. A daily decal is necessary to walk inside the gallery ropes. All members of the media with such decal must remain not more than an arm's length from the ropes, so as to blend into the gallery and appear to be a part of the gallery at all times.
2. Players are not to be distracted during play. Do not interview players or ask them to pose for photographs during their rounds.
3. Do not interview players or ask them to pose for photographs during their practice sessions before a round, except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player, up against the ropes and not in the middle of the areas where it could be distracting to other players.
5. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards. Media are not allowed in the scoring tent.

### WORKING PRESS REGULATIONS

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day — and others requested — will be interviewed following their rounds in the Press Room interview area.

### TAPE RECORDER REGULATIONS

1. All audio recording device and/or video recorder work should be done in the proximity of the press room, media center and/or interview room.
2. Video Recorders are not permitted in the locker room. Audio recording devices are permitted in the locker rooms subject to the following regulations:
  - Audio recorded interviews are intended to be one-on-one and not group interviews.
  - Audio recorded interviews are for reference only and the audio cannot be used for any other purpose.
  - The reporter must clearly ask a player, and permission must be granted, in order for the audio recording device to be used.
  - The reporter is responsible for making other players in the vicinity aware that an interview is being recorded.

- PGA TOUR staff may designate, depending upon need and availability, an area within the locker room for the purpose of conducting interviews that are recorded.
  - Use of audio recorded interviews must be limited to the person being interviewed.
3. Audio recording devices and/or video recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

### WEATHER DELAY GUIDELINES

1. During weather-delay situations, no one other than players and essential staff will be permitted in the locker room. This means the media are not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media will be welcome in the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are not permitted in the locker room.)

The media person set forth below and the News Agency set forth below shall jointly and severally indemnify, defend and hold the Event, its host organizations and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the media person set forth below.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. The holders of the media credential grant permission to PGA TOUR, Inc., to utilize the holders' images or likenesses incidental to any live or recorded television or other transmission or reproduction in whole or in part of any PGA TOUR event they attend.

**PGA TOUR MAY REVOKE CREDENTIALS AT ANY TIME FOR ANY REASON INCLUDING VIOLATIONS OF ANY OF THE FOREGOING REGULATIONS.**

## Regulations – Radio

No live or tape-delayed broadcast of any portion of any PGA TOUR, Champions Tour or Nationwide Tour event is permitted without the prior written consent of PGA TOUR.

All radio media are permitted to broadcast highlights coverage of such events only under the following conditions, unless otherwise approved in writing by PGA TOUR:

2. All highlights coverage must be part of regularly scheduled news programs and may not be broadcast after 48 hours from the conclusion of the applicable tournament.
3. Live coverage or reporting in excess of three minutes per day from a tournament site, including, without limitation, the course, media center, press room and interview room, is prohibited without the prior approval of PGA TOUR.
4. As the exclusive rightsholder, PGA TOUR may request copies of any coverage of PGA TOUR, Champions Tour and Nationwide Tour events. Such coverage will be provided to PGA TOUR upon request (PGA TOUR will pay industry standard copying and shipping costs).
5. The use of golf carts is prohibited at all times.
6. Only personnel with appropriate credentials will be permitted into the media center and locker room areas.
7. Radio broadcasters are not permitted inside the gallery ropes at any time.

## Tournament Players Clubs

The PGA TOUR's Tournament Players Club network has maintained a reputation for operating high-quality clubs since its inception 25 years ago. The TPC network continues to grow, with more than 30 facilities currently open or under construction.

TPCs encompass all forms of golf related operations—resort facilities, corporate/private membership clubs and daily fee courses—and, as such, PGA TOUR Golf Course Properties, Inc. is able to match the type of facility with the demands of each market in which a club operates.

The network represents the highest standard in the golf course industry, commensurate with the members of the organization it represents, the players of the PGA TOUR. Each Tournament Players Club embodies the trademark of excellence first established with the flagship TPC at Sawgrass, which opened its world-famous Stadium Course in the fall of 1980 in Ponte Vedra Beach, FL. This commitment to overall excellence serves as the foundation for the network's overall success.

The TPC network was born through former PGA TOUR Commissioner Deane Beman's desire to provide TOUR players with quality golf courses that also would offer spectators enhanced viewing areas. Beman also reasoned that development of quality facilities would alleviate the TOUR's dependency on the television dollar, while providing rent-free venues for tournaments. The savings in rent, in turn, would generate both increased purses and greater charitable contributions by the tournaments held at TPCs.

The TPC at Sawgrass was the first Tournament Players Club to hold a

PGA TOUR event, becoming the permanent home of THE PLAYERS Championship in 1982. In 2005, 16 tournaments were conducted on TPC courses, bringing the total number of PGA TOUR, Champions Tour and Nationwide Tour events held at TPC facilities to 252.

The TPC at Sawgrass will be refurbished in 2006, with the fairways being redone and the greens rebuilt to create a "fast, firm and fair" course in time for the 2007 PLAYERS. A new, larger clubhouse will also be built.

Many of the top golf course architects are connected with Tournament Players Club projects, including Pete Dye, Tom Fazio, Arnold Palmer, Jack Nicklaus, Gary Player, Arthur Hills, Jay Morrish, Tom Weiskopf, Greg Norman, Bob Von Hagge and D.A. Weirbring. The Tournament Players Club of Boston, which opened in 2002, was the fourth TPC course designed by Palmer Course Design Co. Weiskopf has designed his second TPC course for the new Tournament Players Club at Craig Ranch near Dallas, TX, which opened in the fall of 2004.

Moreover, in recognizing the importance of player input for tournament courses, TOUR members have served as design consultants, working closely with the lead architect. Hal Sutton, for instance, is currently serving as the player design consultant on the Tournament Players Club at Treviso Bay (Naples, FL), which will open in early 2007, while Steve Elkington was the player consultant and Kelly Gibson the associate player consultant working with architect Pete Dye on the Tournament Players Club of Louisiana in New Orleans, which opened in April 2004.

The TPC of San Antonio, scheduled to break ground this year, will be a 36-hole facility. Pete Dye and Greg Norman will be the architects, and Sergio Garcia and Bruce Lietzke will be the player consultants of the course.

## ShotLink

The PGA TOUR has collaborated with IBM, the TOUR's Official Worldwide Information Technology Partner, on the PGA TOUR ShotLink System. The ShotLink System is a revolutionary platform for collecting and disseminating scoring and statistical data on every shot by every player in real-time during every tournament round. This data asset creates improved live coverage and more meaningful analysis. The new data creates great potential to enhance entertainment and image of the sport across all platforms.

The development of ShotLink started in 1997 when the TOUR decided to update its current scoring system, which was based on 1987 technology. The TOUR, in conjunction with IBM, conducted an extensive review process to formulate its strategy for the development and implementation of ShotLink. Following an evaluation of more than 30 companies, additional technology and implementation partners were identified: Information and Display Systems (IDS), Palm, Electronic Arts, Daktronics and two mapping vendors: GeoGolf and Geodetic Services. IBM provided overall project management, consulting services and server and networking technologies. ShotLink was introduced during the 2001 Buick Classic and represents the TOUR's scoring system for the future.

The accumulation, packaging and presentation of expanded shot and course information provides the basis for numerous fan enhancements. Current uses of ShotLink data include:

- Enhanced graphics and statistics in television broadcasts
- Expanded information and statistics for use by media

- Powering on-site and PGATOUR.com tournament leaderboards
- Providing on-site media and hospitality access to live tournament information through Tournament Tracker, developed by IBM
- Powering the Emmy Award-winning TOURCast application on PGATOUR.com, which launched in 2003
- Powering PGA TOUR Mobile Link and TOURCast Mobile, the PGA TOUR's wireless application for use on PDAs and cell phones
- Analysis of how each golf course is played to assist in course setup and in design changes
- Increased data mining to create more interesting entertainment and insights on how the game is played across all platforms on PGATOUR.com today

In addition to current uses, ShotLink provides unlimited potential to develop fan enhancements and products over the next several years, including:

- Enhanced and interactive television
- On-site wireless and kiosk applications for tournament patrons
- Internet, PC and console games

Besides fan enhancements, ShotLink creates an ongoing historical archive of statistical information. This information is available to players through the PGA TOUR Links program, also built by IBM.

The ShotLink data is collected by volunteers utilizing a combination of Palm handheld devices and laser range finders. Each week a team of approximately 350 volunteers dedicate approximately three man years of effort to perform this data collection. In the course of the entire season, more than 10,000 volunteers contribute to the success of this program.

## PGA TOUR Wives Association, Inc.

PGA TOUR Wives Association, Inc. is a Florida not-for-profit corporation organized to render support for and provide assistance to needy children and their families through the means of charitable events. The Association is comprised of the wives of professional golfers on the PGA TOUR and Nationwide Tour, as well as individuals and corporations that support the PGA TOUR Wives Association, Inc.'s many charitable endeavors.

Since its incorporation in 1988, the PGA TOUR Wives Association, Inc. has supported children's charities across the country by raising money for child-related charities and giving back much to the game of golf through personal and monetary contributions. In addition to the funds that are raised, the wives visit different charities in the communities where golf tournaments are held, spending time and playing with children supported by the charities.

The PGA TOUR Wives Association, Inc. conducts numerous fundraisers to support its charities. These include tasting events, concerts, live and silent auctions and other activities.

The Association's favorite (and longest-running) fundraiser is the biennial TOUR Wives Golf Classic, a nine-hole tournament where the wives play golf and their husbands caddie. The TOUR Wives Golf Classic, first played in 1987, has been held at different courses around the country.

While its membership varies from year to year, the commitment of the PGA TOUR Wives Association, Inc. to making a difference in the lives of needy children stands strong. The Association's dedicated members, past and present, have reached deep into their resources to balance the demands of family, work and travel and have given generously of themselves to realize their ideals. For information regarding the PGA TOUR Wives Association, please see their website at [www.pgatourwives.org](http://www.pgatourwives.org) or contact Sara Moores at the PGA TOUR.

## Weather Guidelines

The PGA TOUR Policy Board has approved these guidelines for use by tournament officials in case of bad weather:

- 1) Every effort should be made to finish each round as scheduled.
- 2) When unplayable conditions occur, play will be suspended. Play will resume when conditions improve, even when that round cannot be completed that day.
  - a) Where daylight permits, play may resume the following day, to include completion of the next scheduled round.
  - b) Where daylight does not permit, the suspended round may be completed the next day. Thus, one round might be completed over a two-day period, depending on how many players had played from the starting tee(s).
- 3) When the first or second or both rounds are canceled or suspended beyond the second scheduled day, with only one day remaining, every reasonable effort will be made to complete the next scheduled round (first round, or in the event it is the completion of the second round and daylight and conditions permit, determine the cut and complete the final round).
- 4) In the event of a suspension during the final round, with the exception of the Nationwide Tour Championship, the round will be canceled if more than half of the field cannot complete the round. If more than half

the field completes the round, play should be temporarily suspended and completed when conditions permit. No completion should extend past Monday. In no situation would play resume in order to have at least half the field complete play on Sunday so that play may be extended to Monday.

- 5) For the Nationwide Tour Championship, play may be extended to Monday at the discretion of the Tournament Director if golf course conditions and weather permit. In the event of a suspension during a final round being played on Monday, when at least half the field has completed play, the final round will be completed when conditions permit, but no later than Tuesday. In no situation would play resume in order to have at least half the field complete play on Monday so that play may be extended to Tuesday.

### Suspension of Play Due to Dangerous Situations

Play may be suspended for such dangerous situations as lightning, tornadoes, etc. If the players in a match or group are between two holes, they must not resume play until the Rules Committee so orders. Players who are playing a hole must discontinue immediately and not resume play until the Committee orders. The penalty for breach of this condition is disqualification.

All practice areas shall be closed during a suspension for a dangerous situation until the PGA TOUR Rules Committee has declared them open for use. Players who disregard such closing shall be subject to disciplinary action.

### WORLD GOLF FOUNDATION

World Golf Foundation, a not-for-profit, 501(c) 3 organization, was created in 1994 to unite the golf industry and those who love the game. The board supports initiatives that promote, enhance the growth of, and provide access to the game of golf, while preserving golf's traditional values and passing them on to others.

There are four initiatives under the umbrella of the World Golf Foundation: the World Golf Hall of Fame, The First Tee, GOLF 20/20: Vision for the Future and the National Minority Golf Foundation. Each initiative has its own mission to enhance the game of golf's history, present and future.

**World Golf Hall of Fame**—Conceptualized in the late 1980s and open since 1998, it is committed to preserving golf's rich heritage, honoring the great players and contributors to the sport and setting the stage for future generations to learn about and enjoy the game. Members are honored in the 75,000 square-foot museum located at the World Golf Village in St. Augustine, FL.

**The First Tee**—Announced in November 1997, The First Tee is dedicated to providing affordable access to golf and strives to instill in young people life-enhancing values such as honesty, integrity, sportsmanship and respect. These values are seamlessly taught through The First Tee Life Skills Experience™, one of the unique features that differentiates The First Tee from many other successful junior golf programs. The intent is to offer opportunities for improvement in the quality of life and create a platform where children can increase their potential for success. The First Tee partners with local not-for-profit entities and municipalities to form The First Tee Chapters, which are responsible for developing The First Tee golf-learning facilities. Currently, there are more than 215 open facilities spanning 40 states and five countries, including Australia, Canada, Ireland, New Zealand and Singapore.

**GOLF 20/20: Vision for the Future**—Initiated in 1999, it is devoted to aligning the golf industry behind a plan that addresses the future of golf in a strategic manner, with an emphasis on accelerating growth and participation and creating new avenues of access into the game.

**National Minority Golf Foundation**—Coming under the World Golf Foundation umbrella in 2001, it is primarily focused on developing career opportunities in golf for individuals of all backgrounds.

## World Golf Hall of Fame

Open since 1998, the World Golf Hall of Fame is the ultimate destination for the celebration and recognition of golf's greatest players and contributors and serves as an inspiration to golfers and fans worldwide. Supported by all of the world's leading golf organizations, the Hall of Fame combines historic artifacts and personal memorabilia with interactive exhibits to tell the stories of the Hall of Fame members and the history of the game. The World Golf Hall of Fame is located at World Golf Village in St. Augustine, FL.

### The Museum

Guests of the World Golf Hall of Fame will be greeted with the fascinating and comprehensive tale of golf's history and its development from the cradle in Scotland through its growth to the far reaches of the world. An exhibit in this area focuses on the role of The Royal & Ancient, the history of the British Open, golf's longest-running major, and the Royal & Ancient Golf Club of St. Andrews.

The Hall of Fame members' stories are referenced throughout the museum, though their true home is in the center of the museum, Shell Hall, named for the Hall of Fame's founding partner, Shell Oil Company. An extraordinary "Wall of Fame" donning hand-crafted bronze relief plaques of each member extends an entire wall, representing the current 109 members. And, guests can search for statistics, sound bites, photographs and video clips in a comprehensive database developed by our technology partner, IBM.

As a fitting tribute to the highest achievement in golf, significant tournament trophies, including men's and women's majors, are artfully displayed in the Hall of Fame Tower. A locker room showcases memorabilia from many of the members, and guests have the opportunity to sink a long putt on a modern tournament-style putting green under the lights and cameras of a Shell's Wonderful World of Golf match. Video is featured throughout the museum, including the multi-screen experience called "Spirit of the Game" and a theater offering great championship moment highlights.

### Special Exhibits

The World Golf Hall of Fame opens various temporary exhibits throughout the year, many featuring its members. A major exhibit opens each spring, during THE PLAYERS Championship, and at each year's Fall Induction Ceremony, when special displays highlighting the current year's class is unveiled.

### Avenues for Induction

There are five avenues for a player or contributor to enter the World Golf Hall of Fame: PGA TOUR/Champions Tour ballot, International ballot, LPGA Point System, Lifetime Achievement category and Veteran's category.

Various criteria is set up for players to be eligible for the PGA TOUR/Champions Tour and International ballots, including an age requirement of at least 40 years old and a necessary performance that includes a substantial amount of regular tournament majors and victories.

The LPGA Point System requires a player to be an active member of the LPGA Tour for 10 years and to have won either an LPGA major tournament, Vare Trophy or Rolex Player of the Year honors, plus a number of other tournament victories.

Nominations for the Lifetime Achievement category are made by the international voting body members. The category is designed for any male or female supporter of the sport whose primary role in the game has come outside the playing arena. The World Golf Foundation Board of Directors' Selection Committee decides this category each year.

Any male or female professional or amateur whose career concluded at least 30 years ago is eligible for selection through the Veteran's category. The World Golf Foundation Board of Directors' Selection Committee also determines this category each year.

### Founding Partner

As sole founding partner of World Golf Hall of Fame, Shell Oil Company provides financial support to the World Golf Foundation and supports its charitable initiatives aimed at introducing golf to young people, thereby promoting scholastic achievement, community service and those values intrinsic to the game of golf.

Named one of the "Top 75 Golf Resorts" in the United States by *Golf Digest*, World Golf Village draws guests from all over the United States and from around the world, offering a wide variety of recreational, entertainment, corporate meeting and residential options.

As the centerpiece of the Village, the World Golf Hall of Fame celebrates and recognizes the game's greatest players and contributors and serves as an inspiration to fans worldwide. The Hall of Fame features personal memorabilia and special exhibits highlighting its members, as well as historical and interactive displays that enable visitors to see and experience some of golf's most exciting aspects.
