## A Message to the Media

**Timothy W. Finchem**  
Commissioner

**Bill Calfee**  
President  
Nationwide Tour

**O**n behalf of the Nationwide Tour, let me welcome you to the 2007 season—the 18th in the history of the Tour. The Tour continues to grow in stature with each passing year, and we are very excited about the prospects for this new season. We are also pleased that Nationwide will continue as the Tour's sponsor through 2012. The Tour has experienced new heights with the assistance of Nationwide, and we are delighted that the company continues to share our passion for golf and the Nationwide Tour.

The quality of play and the quality of the tournaments and courses has never been higher. The PGA TOUR Policy Board recognized the growing influence the Nationwide Tour has on the game when it increased the number of TOUR cards to be awarded to this year's class—25, up from 20. This comes after a year in which the Class of 2005 distinguished itself by having 12 of the 21 graduates finish in the top 125 on the PGA TOUR money list, including three players who earned victories.

Overall, Nationwide Tour alums have won 196 PGA TOUR titles and 60 Champions Tour titles. Included in that number are 10 major championships on the PGA TOUR and eight Champions Tour majors.

This year's Tour will consist of 32 events, with approximately \$18 million in prize money. The Tour will compete in 23 states, as well as international events in Panama, Australia and New Zealand. New tournaments in Valdosta, GA, and Prince George's County, MD, will join an already solid list of events.

A vital part of the Nationwide Tour's mission is to raise substantial sums for charity in each of our markets. We are very proud of the fact that the Nationwide Tour, just like the PGA TOUR and the Champions Tour, leaves a positive mark on each community it visits.

Thank you in advance for your efforts in telling the Nationwide Tour story. We appreciate your interest, and our staff members will be happy to assist you in your coverage needs. Please don't hesitate to call on them.

Sincerely,

Timothy W. Finchem  
Commissioner, PGA TOUR

# We Are The PGA TOUR

The name of our organization is the PGA TOUR, a tax-exempt membership group of professional golfers that plays more than 100 official money tournaments on three Tours – the PGA TOUR, Champions Tour and Nationwide Tour. Our headquarters are located in Ponte Vedra Beach, FL, southeast of Jacksonville.

We should never be referred to as the PGA, as we are a different organization than the PGA (of America). We are the PGA TOUR. On second reference, you can call us the TOUR.

The PGA is the Professional Golfers' Association of America, a membership organization for the nation's club professionals. The PGA runs the PGA Championship, Senior PGA Championship and Ryder Cup Matches, among other championships. The PGA headquarters are located in Palm Beach Gardens, FL.

The PGA TOUR and PGA of America were affiliated until 1968, when the tournament players, a small subset of the total PGA membership, broke

away to form the Tournament Players Division and gain more control of their finances and tournament schedule. The Tournament Players Division was renamed the PGA TOUR in 1975.

Two other American golf organizations are involved in men's professional tournament play, independent of the PGA TOUR but with their marquee events included on the PGA TOUR schedule as non-PGA TOUR cosponsored tournaments. The United States Golf Association, with headquarters in Far Hills, NJ, oversees the national championships (U.S. Open, U.S. Senior Open, U.S. Amateur, U.S. Women's Amateur, etc.) and administers the Rules of Golf, among other duties. The Augusta (GA) National Golf Club plays host to the Masters Tournament. The Royal and Ancient Golf Club of St. Andrews, Scotland, oversees the British Open and administers the world's golf rules jointly with the USGA.

**The PGA TOUR is the world's foremost golf Tour, with 47 official money events from January through November. This year marks a new era for the PGA TOUR with the debut of the FedExCup, a season-long points competition culminating with the first-ever PGA TOUR Playoffs for the FedExCup.**

# History of the Nationwide Tour

Even the most optimistic person couldn't have foreseen the success of the Nationwide Tour when it kicked off its inaugural season on Thursday, Feb. 2, 1990 at 7:30 a.m. PST at Bakersfield Country Club in Bakersfield, CA.

The Nationwide Tour began under corporate sponsorship of the Ben Hogan Company as the Ben Hogan Tour. The idea of former PGA TOUR Commissioner Deane R. Beman, the Nationwide Tour was designed as a proving ground for up-and-coming golfers, as well as a place for PGA TOUR veterans to hone their skills as they prepared for the Champions Tour. It has become so much more than that.

For the first two years of the Tour, the top five money winners were awarded PGA TOUR membership. Beginning in 1992, the PGA TOUR Tournament Policy Board voted that, due to the success graduating players had on the PGA TOUR, that number would be increased to 10; and in 1997 the number was increased to 15. In 2003, 20 players earned their 2004 TOUR cards, and that number will increase to 25 in 2007.

That first event in 1990 was won by Mike Springer, who went on to win two more times that year and finish fourth on the money list. He was joined in the first graduating class by Jim McGovern, Dick Mast, Ed Humenik and Jeff Maggert, who was leading money-winner and Player of the Year.

However, the player who made the biggest impact on the PGA TOUR from the 1990 Tour was John Daly, winner of the only Ben Hogan Tour Qualifying Tournament. Daly won the PGA Championship as a rookie and went on to finish 17th on the 1991 PGA TOUR money list. Since then, he has added four more victories, including another major championship, the 1995 British Open.

Tom Lehman first established himself as a top-flight player on the 1991 Tour. After two nondescript years on the PGA TOUR in the early 1980s, Lehman won a tournament on the 1990 Tour. But 1991 was the breakthrough season in his comeback. He won three times that year and was the circuit's leading money-winner.

Californian John Flannery was the dominant player on the 1992 Tour, winning three times and leading the Tour in earnings with \$164,114. His successful campaign made him the Tour's third Player of the Year.

On August 26, 1992 Nike Inc., took over sponsorship of the Tour beginning with the 1993 season. Sean Murphy was the star of the 1993 Tour. He set records for wins in a season with four, career victories with five, and single-season earnings with \$166,293. He added a sixth title in 1995.

While Murphy was busy setting records, his fellow Tour alumni were busy making names for themselves on the PGA TOUR. Daly had already collected his second career win in the 1992 B.C. Open, and others were beginning to earn their own hardware. McGovern, Mike Standly and Maggert all collected PGA TOUR titles in 1993, while Springer and Greg Kraft grabbed a pair of unofficial wins.

The Tour Championship also was established in 1993 as a climax to the season. Rookie David Duval won the first Tour Championship, which featured only the top 50 money-winners during the year.

On the 1994 Tour, Chris Perry showed that consistency has its own rewards. Although six players collected multiple victories that year, Perry's lone title in the Utah Classic and his consistent strong play over the course of the season earned him Tour Player of the Year honors. He set a single-season earnings record with \$167,148 and collected 10 top-10 finishes. He made every cut that season.

The 1994 Tour season saw a number of firsts. In June, Tommy Armour III became the first player to win back-to-back tournaments—the Miami Valley Open and Cleveland Open. During the second round of the 1994 Shreveport Open, Omar Uresti set a record with nine consecutive birdies. That not only stands as the Nationwide Tour standard, it surpassed the records on the PGA TOUR, Champions Tour or European Tour.

In May, Vic Wilk became the first left-hander to win an event, the Knoxville Open. Jerry Kelly continued the trend of the leading money-winner setting an earnings record in 1995, when he earned \$188,878 to better Perry's year-old

record. Besides winning twice, Kelly posted 15 top-10 finishes.

Stewart Cink was the top story of the 1996 Tour season. The 1995 college Player of the Year became the first player in Nationwide Tour history to earn more than \$200,000 in a single season with \$251,699. He won three times, including the season-ending Tour Championship, and collected 14 top-10 finishes in only 21 events.

The 1997 season began with the announcement that the PGA TOUR Policy Board had increased the number of TOUR exemptions onto the PGA TOUR from 10 to 15, further enhancing the Tour's reputation as a proving ground for the next generation of PGA TOUR champions.

The 1997 season also marked the first year of the three-win promotion, which grants immediate access to the PGA TOUR for any player who wins three Nationwide Tour events in a season. Chris Smith was the first player to earn this promotion. On the Nationwide Tour, Smith had a record-breaking season. He won at the Upstate Classic, and captured the Dakota Dunes Open and Omaha Classic in back-to-back weeks. With the wins at Dakota Dunes and Omaha, he joined Armour and Jerry Haas as the only players to win consecutive tournaments. He also became the first player to win the same tournament twice, having won the Dakota Dunes Open in 1995.

In October, Steve Flesch joined Wilk as the only left-handed champions. Flesch won the season-ending Tour Championship. That victory vaulted him from 24th on the money list to fourth, earning him 1998 PGA TOUR membership.

The 1998 season saw more of the kind of action for which the Nationwide Tour has become known. During a three-week period late in the spring, Notah Begay III and Doug Dunaway caught the attention of the golf world when each recorded a 59 in competition. Begay's 13-under-par 59 came in the second round of the Dominion Open. Amazingly, Dunaway could have had the record on his own, with only a three-putt bogey on his final hole keeping him from posting an incredible 58.

Bob Burns was named 1998 Player of the Year after leading in earnings with \$178,664 and winning at the Dominion Open and Tour Championship.

The 1999 season saw Carl Paulson establish a new record for consecutive starts with 83. The 83rd start was a significant one as Paulson recorded his first-ever Nationwide Tour victory at the Utah Classic. That win, and another two weeks later at the Boise Open, vaulted Paulson to the top of the money list. His efforts were rewarded when his peers selected him as the Player of the Year. Seven players won twice on the Tour in 1999, and a record 22 players earned more than \$100,000.

The season-ending Tour Championship was a thrilling affair played at the Robert Trent Jones Trail Highland Oaks Golf Club in Dothan, AL. Bob Heintz won his second event of the season in a playoff with Dawson to take home the largest first-place prize in Tour history—\$72,000.

In late October, internet superstore Buy.com was announced as the new umbrella sponsor of the Tour. With Buy.com's financial contribution, purses rose to a record \$13.1 million in 2000, with the minimum weekly purses jumping from \$225,000 to \$400,000. On the course, the 2000 season saw Spike McRoy earn Player of the Year honors after winning twice and earning a record \$300,638. He was one of 53 players to earn \$100,000 or more.

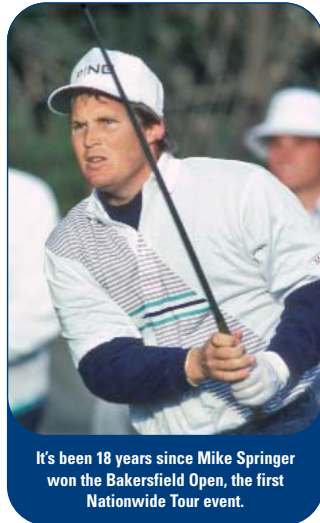

Along the way, Tim Clark made a little history of his own when he collected the first \$100,000 payday on the Tour by winning the Boise Open. The 2000 season was also notable for the emergence of international players who captured nine titles and claimed four of the top 15 spots on the money list.

The 2001 season was an historic one for the Tour. For only the second time, a player earned a promotion to the PGA TOUR by winning three times in one season. Heath Slocum's third win made him the first player since Smith (1997) to earn an automatic promotion to the TOUR.

Once the field was shown the way, others followed. First, Chad Campbell earned his third win and moved on, and then Pat Bates won back-to-back tournaments to end the year and became the third player in 2001 to jump to the PGA TOUR. Slocum set a Tour record by going 106 consecutive holes without making a bogey, while Todd Barranger tied the scoring mark by winning the Dayton Open with a 26-under-par effort. Along the way, Campbell set a single-season earnings record with \$394,552 to earn Player of the Year honors. He also finished second at the PGA TOUR's season-ending Southern Farm Bureau Classic.

The 2001 season also saw the Tour move to Canada for the first time with the Samsung Canadian PGA Championship in suburban Toronto.

In 2002, the Tour added tournaments in Australia and New Zealand for the first time. In addition, tournaments were allowed to sell individual title sponsorships for the first time.

It's been 18 years since Mike Springer won the Bakersfield Open, the first Nationwide Tour event.

## History of the Nationwide Tour (cont.)

Patrick Moore won three times and earned Player of the Year honors. A record 12 players earned \$200,000 or more. Alums continued to excel winning a one-season record 21 times in 2002.

The season ended on a high note with the announcement of a new umbrella sponsor, Nationwide. The five-year agreement started with the 2003 season, and the Tour not only sported a new name and logo but it awarded 20 PGA TOUR cards to its graduates.

The 2003 season featured 30 events, with purses in excess of \$14.7 million. New events were staged in Canada (Calgary), Chattanooga, TN, and Miami, FL., with Panama joining in 2004.

Tom Carter became only the sixth player to earn a three-win promotion to the PGA TOUR, but to show the strength of the Tour he wasn't even the Player of the Year. Zach Johnson won that honor after setting a new Tour record for earnings, with \$494,882. He had two wins and nine top-three finishes in his 20 starts while setting a new Tour scoring record, as well. He finished with a 68.97 average.

Jimmy Walker was the 2004 Player of the Year and leading money winner, as well as one of five multiple winners during the season. Alums continued to excel, winning a record 22 PGA TOUR titles, while the Class of 2003 made history with five members winning on TOUR, seven earning at least \$1 million and eight finishing in the top 125 on the money list.

Daniel Chopra set a Tour record with his 30-under performance at the Henrico County Open, while Tyler Williamson and Chris Nallen each fired 60s and narrowly missed joining the slim ranks of players to fire competitive 59s.

Jason Gore was the story of the 2005 season as he captured the hearts of golf fans everywhere with his U.S. Open performance. He followed that with a record-setting three consecutive victories on the Nationwide Tour and fired a 59 in winning the final one. He completed his season with a victory on the PGA TOUR and earned Nationwide Tour Player of the Year honors.

In any other season, Troy Matteson probably would have walked off with that honor. He won twice, finished in the top 10 a dozen times and set a new single-season earnings record of \$495,009.

New events in Rochester, NY, and Cleveland, OH, made their debut.

The 2006 season featured three new events in California, Georgia and South Carolina, and a 31-tournament slate that played for nearly \$17 million. Ken Duke and Johnson Wagner battled throughout the season for top honors, with Duke eventually emerging as the leading money winner and earning Player of the Year honors.

Five players won twice—Wagner, Tripp Isenhour, Craig Kanada, Brandt Snedeker and Kevin Stadler—with a record 10 players earning more than \$300,000 and 22 collecting \$200,000 or more.

The Class of 2005 made its mark on the PGA TOUR, with 12 of the 21 graduates finishing among the top 125 on the money. Included in that group were Chris Couch, Eric Axley and Troy Matteson—who each won on the TOUR. Those three were among eight 2005 graduates who collected \$1 million or more this past year.

On-course success was exceeded only by the good late-season news that Nationwide and the PGA TOUR reached a new five-year extension of Nationwide's position as the umbrella sponsor of the Tour through 2012.

The 2007 season will see new events in Valdosta, GA, and Prince George's County, MD, with purses expected to reach an all-time high of approximately \$18 million. In addition, the top-25 finishers on the money list will earn PGA TOUR cards for 2008, an increase of five over previous seasons.

Zach Johnson was the 2003 Player of the Year.

## Nationwide Tour Graduates

With non-Nationwide Tour members Jarrod Lyle and Michael Sim finishing inside the top 20 on the 2006 money list, a record 22 players earned their 2007 PGA TOUR cards, led by leading money winner Ken Duke. While no

player cracked the \$400,000 mark in earnings, a record 10 players won at least \$300,000. Duke captured Player of the Year honors in a vote of his peers.

## About the Commissioner

**Timothy W. Finchem**  
Commissioner

Timothy W. Finchem, 59, is the third Commissioner of the PGA TOUR. Finchem succeeded Deane R. Beman as Commissioner on June 1, 1994. Beman had served for 20 years, replacing the late Joseph C. Dey, who had been the TOUR's Commissioner in its first five years, 1969-74.

Prior to becoming Commissioner, Finchem was Deputy Commissioner and Chief Operating Officer of the TOUR under Beman since 1989 and joined the TOUR staff as Vice President of Business Affairs in 1987.

As Commissioner, Finchem has greatly expanded the earnings opportunities for PGA TOUR players domestically and internationally. He also has taken leadership roles in the formation of the International Federation of PGA Tours and the World Golf Foundation, Inc.

His personal dedication to the success of the World Golf Foundation's First Tee initiative has helped that program reach over 675,000 young people through golf, ensuring that it positively impacts developing the game for years to come.

"Our primary purpose as a membership organization is to create outstanding playing and earnings opportunities for our players," Finchem says, "and we

are proud of what our tournaments do for charity (more than \$1.1 billion raised) and the active role we have been able to take as an organization in growing the game for future generations."

Born in Ottawa, IL, on April 19, 1947, Finchem graduated from Princess Anne High School in Virginia Beach, VA. He attended the University of Richmond on a debate scholarship, receiving his Bachelor of Arts degree in 1969. He graduated from the University of Virginia Law School in 1973. After practicing law in Virginia Beach for three years, Finchem served in the White House as Deputy Advisor to the President in the Office of Economic Affairs in 1978 and 1979. In the early 1980s, Finchem co-founded the National Marketing and Strategies Group in Washington, D.C.

Finchem is the recipient of the Golf Course Superintendents Association of America's Old Tom Morris Award for 2001 and the PGA of America's Distinguished Service Award for 2002. He was awarded the Dick Schaap Lifetime Achievement in Sports in 2005.

Married to the former Holly Bachand, Finchem is a father of four. The Finchems live in Ponte Vedra Beach, FL.

**Cliff Kresge** picked up his third career win on the Nationwide Tour at the 2006 Oregon Classic

Rounds of 67-66-67-69 led to a 19-under-par 269, five strokes clear of his nearest challenger and tying Andrew Buckle for the largest winning margin on Tour in 2006. Collected \$85,500 for the victory, becoming one of just six players in Tour history to win the same event twice (first victory came at the 2004 Knoxville Open). Came back the following week with a T8 outing at the Chattanooga Classic. For his efforts, was named the Tour's June Player of the Month. Returned for his second stint on the PGA TOUR in 2005 after spending the past three seasons on the Nationwide Tour. Picked up his first top-10 of the season, a T10 at the weather-shortened, 54-hole BellSouth Classic, in his sixth start. It was his career-best finish on TOUR in 43 starts. Opened with a personal-best, bogey-free 9-under 63 to hold the first-round lead at the FUNAI Classic at Walt Disney World Resort. Finished T58. Posted five top-10s and finished 16th on the 2004 Nationwide Tour money list, with \$212,065. Broke through for his first career win at the Knoxville Open. Posted one of three double eagles on Tour in 2002 when his 3-iron from 234 yards found the bottom of the cup in the final round of the Gila River Golf Classic. Earned his PGA TOUR playing privileges with a T8 at the 2000 PGA TOUR National Qualifying Tournament. Made the cut in eight of 30 TOUR events in 2001, with his only top-25 finish coming in his first event of season and seventh career start, a T15 at the Touchstone Energy Tucson Classic. Best round of the year was a 65 in the second round of the Invenys Classic at Las Vegas.

## AMATEUR CAREER:

Was planning on playing professionally in 2000 while finishing his degree but could not pass up a guaranteed spot in the Masters, where he eventually missed the cut. Did manage to make a 35-foot putt on his final hole at the annual Masters Par-3 Contest to advance to four-person playoff. Chris Perry beat Haas, Jay Haas (no relation) and Steve Pate on the first playoff hole. Reached the semifinals at the 1999 U.S. Amateur. Member of the 1999 U.S. Walker Cup team.

Finished third at the Southern Farm Bureau Classic, one stroke out of a playoff with Joe Durant and D.J. Trahan. It was his best finish since runner-up showing behind Kenny Perry at the 2003 Memorial Tournament. His \$204,000 payday moved him to 168th (\$346,849) on the season money list. Two weeks later, finished T5 at the Frys.com Open in Las Vegas, three shots behind Troy Matteson, to move to 146th. Finished outside the top 125 in 2005 for the first time since joining the PGA TOUR in 1990. Opened the 2000 season with a third-place finish at the Florida Classic. Posted a pair of 64s to grab a four-stroke lead at the halfway point of the Permian Basin Open, establishing a 36-hole tournament record. Weekend scores of 70-70 gave him a three-stroke win and his third career title. Defeated Bob Heintz by one stroke to win the 1999 South Carolina Classic, his second career win. Had a one-stroke lead after 54 holes at the 1999 Mississippi Gulf Coast Open and finished third. Knocked in three eagles in the final round of the 1999 Omaha Classic. ## PROFESSIONAL CAREER:

Playing out of the 126-150 money-list category on the 2006 PGA TOUR, made five cuts in 19 events entered. Failed to post a top-25 finish for the first time in his career. Was T5 at The Rex Hospital Open in one of just two Nationwide Tour starts in 2006. Fell out of the top 125 in 2005 for the first time in six seasons. Lone top-10 of the 2005 season, a T8, came in his 14th start at the FedEx St. Jude Classic. In 2004, finished in the top 125 for the fifth straight season and 12th time in 15-year TOUR career. A T10 at the FUNAI Classic at Walt Disney World Resort in late October improved his season earnings to \$689,203, good enough to secure his card for 2005. Had one top-10 in 2003, a T6 at the 2003 Buick Open, thanks to four rounds in the 60s. Lost in three-man playoff at 2002 Bell Canadian Open when John Rollins birdied the first extra hole. Posted back-to-back top-10s on the PGA TOUR for only the second time in his career and first since 1991 (T5 at the Greater Milwaukee Open; T8 at the Canadian Open) with a T9 at the 2002 FedEx St. Jude Classic and a T5 at the 2002 Advil Western Open. Two top-10s and one top-15 in last five starts in 2001 left him at No. 80 on money list and secured his TOUR card for another season. Finished T4 at the 2000 Bay Hill Invitational for the best effort of the season. In 1999, fell out of the top 125 on the money list for the first time since joining the TOUR in 1990, with 139th-place ranking. Forced to earn full playing privileges for the 2000 season through third-place finish at 1999 Qualifying Tournament. Finished 125th on the 1997 season money list to earn playing privileges for 1998. Made history for second time at the 1996 U.S. Open. Appeared on way to missing the cut after playing first 27 holes 7-over par. Posted a 29 on back nine at Oakland Hills to easily qualify for final two rounds. Made a birdie on No. 11, eagle on No. 12 and birdies from Nos. 13-15. During 1995 U.S. Open at Shinnecock Hills, became first player to shoot 29 in U.S. Open for nine holes. Moved from 46th-place tie to fourth on final day after posting 36-29—65 to finish four strokes behind Corey Pavin. Birdied holes 11-14, 16 and 17. Lone PGA TOUR victory came at rain-shortened 1994 GTE Byron Nelson Classic. Birdied the final two holes in regulation to join in TOUR-record, six-man playoff. ## PROFESSIONAL CAREER:

Made the cut in 17 of 26 starts on the 2006 Nationwide Tour, with four top-10 finishes. Ended the season No. 41 on the money list, with \$136,246. Ranked 10th in the All-Around Ranking. Missed the cut in his first two starts before bouncing back with a T42 in New Zealand and an impressive T3 at the Chitimacha Louisiana Open. Held the lead after the second and third rounds in Lafayette, but a final-round, 1-under 70 left him two strokes back of winner Johnson Wagner. Other top-10 finishes came at the Knoxville Open (T4), Northeast Pennsylvania Classic (T5) and the Albertsons Boise Open (T8). Made the cut in 14 of 31 events on TOUR in 2005. T19 performances at the FBR Open and the Barclays Classic represented his best outings of the year. Wrapped up the 2004 Nationwide Tour season No. 4 on the official money list, with \$312,896 and graduated to the PGA TOUR for second time in his career. Posted 13 top-25s in 16 made cuts. At the Rheem Classic, broke through for his second career Tour victory with a 72-hole total of 15-under 265, good for a two-stroke win over Keoke Cotner. A 9-under 61 in the second round was spurred on by the Tour's lowest nine-hole score of the season (28) and a season-best eight consecutive birdies (Nos. 3-10), one shy of the Nationwide Tour record of nine set by Omar Uresti in 1994. At the time, the win established a new record for time between victories on the Nationwide Tour, only to be surpassed later by Scott Gump's win in Boise. Last win came at the 1993 Permian Basin Open, a gap of 10 years, 8 months, 17 days. Led Tour in Scoring Average, was second in Greens in Regulation and Birdie Average, third in Putting Average and seventh in All-Around Ranking. Finished the 2003 Nationwide Tour season No. 65 on the money list, with \$75,831. Finished No. 168 on the 2002 PGA TOUR money list, with \$238,461. Played in only 22 events on the 2001 PGA TOUR as season was cut short by left elbow surgery on Oct. 12. Achieved life-long dream by participating in his first Masters, finishing T40. Led PGA TOUR in Sand Saves at 68.9 percent. Enjoyed breakthrough season in 2000 in fourth PGA TOUR campaign. Eclipsed career-highs set the previous season in official money and ranking. Seven top-10s and three seconds also established career-highs. Ranking of 26th on the official money list marked his first top-30 finish in that category and qualified him for first TOUR Championship appearance. Produced second career runner-up at Doral-Ryder Open. Second-round 63 established a personal best. Had best seven-tournament stretch of short career during mid-season run in which he finished no worse than seventh in six of seven starts, including seventh-place finish at his first major, the PGA. Finished 76th on money list in 1999, his first time among the top 100. Had no exempt status on the 1997 PGA TOUR or Nationwide Tour but played in 16 Nationwide Tour events that year, with three top-10s and \$27,550 in prize money. Regained his TOUR card with a sixth-place finish at the 1997 PGA TOUR Qualifying Tournament. Finished 174th on the 1996 PGA TOUR money list. Fourth-place finish on the 1995 Nationwide Tour money list secured his PGA TOUR playing privileges for 1996 despite not winning a tournament. Three playoff losses a Nationwide Tour record that was tied in 2004 by Paul Gow. Captured the 1993 Permian Basin Open on the Nationwide Tour, where he defeated Doug Martin in a playoff.

## AMATEUR CAREER:

Was an All-American in 1991 at Georgia and was a member of the victorious 1991 U.S. Walker Cup team at Portmarnock GC in Dublin, Ireland. Walker Cup teammates included David Duval, Phil Mickelson and Jay Sigel.

Wrapped up the year No. 32 on the money list, with \$151,536. Career start number 458 on either the PGA TOUR or Nationwide Tour was the one he had been anticipating. The then 42-year-old secured his first career title at the Lake Erie Charity Classic at Peek'n Peak Resort. Fired rounds of 71-67-65-71 to finish the tournament at 14-under-par 274, two shots clear of Jeff Gove. Collected \$81,000 for his efforts. Became the second native of Mexico to win on the Nationwide Tour, joining Keoke Cotner. Made the cut in eight of 36 starts on the 2004 PGA TOUR, marking the seventh consecutive season he has had at least 30 starts. Best finish was T21 at the B.C. Open. Played in 35 events on the 2003 PGA TOUR, tied with Neal Lancaster, Spike McRoy and Pat Bates for most starts. Finished No. 125 on the money list, with \$487,495 to retain full status for 2004. Four rounds in the 60s produced lone top-10 of the season, a T9 at the Bank of America Colonial. After slow start to the 2002 TOUR season, played best golf in second half of the season. After failing to record a top-25 finish in first 14 starts, totaled five top-25s over final 18 events. Earned best TOUR finish and biggest payday of his career at the time at BellSouth Classic where a T3 earned \$104,400. Finished three strokes behind winner Tiger Woods. ## PROFESSIONAL CAREER:

Member of the PGA TOUR from 1995-96 and 1999-2006. Member of the Nationwide Tour in 1995, 1998 and 2006. Playing under a Major Medical Extension, made the cut in six of 18 starts on the PGA TOUR in 2006, with a T34 at the EDS Byron Nelson Championship his best outing. Despite making only seven starts, posted two top-10 finishes on the 2006 Nationwide Tour. Making his first start of the year, finished T5 at the Northeast Pennsylvania Classic. Posted a 13-under-par total to finish three shots behind winner Craig Bowden. After missing the cut in West Virginia, continued to take advantage of limited starts with a T8 showing at the Albertsons Boise Open and T13 at the Oregon Classic. Limited to 16 events on the 2005 PGA TOUR due to knee injury. Underwent surgery on June 29 and did not play after the Barclays Classic. Lone top-10 of the season came in his eighth start, a T10 at the weather-shortened, 54-hole BellSouth Classic. In 2004, finished in the top 125 for the fifth consecutive season. Earned a career-high \$660,038 on the strength of two top-10 finishes. Only top-10 was T3 at the 2003 BellSouth Classic. Paycheck of \$208,000 was largest of PGA TOUR career. Started the 2001 season slow, but ended with a bang after changing his putting grip to the "claw". Best effort of season came at the Marconi Pennsylvania Classic as rounds of 74-68-67-68 were good for T6, top career finish at the time. Was No. 131 going into the Pennsylvania event on money list, where he adopted "the claw," and jumped to 105th on money list. The next week at the Texas Open at LaCantera, opened with 65 and was one back of the lead through 18 holes, finish T11. Earned \$460,024 and finished 109th on the 2000 money list. Made the most of his exempt status, playing in 32 events and making the cut in 20 of those. Lone top-10 came at Bay Hill Invitational, a T7. # BMW Charity Pro-Am at The Cliffs

BMW  
Charity Pro-Am  
at The Cliffs

## NOTES

**Ken Duke** used his victory at the 2006 BMW Charity Pro-Am at The Cliffs to eventually finish as the top-ranked player on the money list at the end of the season. That feat was significant, as it earned Duke fully-exempt status on the PGA TOUR in 2007 and a guaranteed spot in THE PLAYERS Championship field.

The BMW Charity Pro-Am at The Cliffs is the only tournament on the Nationwide Tour where amateurs and celebrities are grouped with Tour professionals in a three-day better-ball competition, with the 14 lowest scoring pro-amateur/pro-celebrity teams advancing to play Sunday's final round. Over the years, the likes of Kevin Costner, John O'Hurley, Cheech Marin, Wayne Gretzky, Kurt Russell, Catherine Bell and Lou Holtz, just to name a few, have teed it up at the annual event.

The golfers aren't the only winner each year at the BMW Charity Pro-Am at The Cliffs. Since the inception of the tournament, more than \$3.7 million has been raised to benefit a number of deserving Upstate South Carolina and Western North Carolina charities.

# Knoxville Open

Presented by Food City

## NOTES

The Knoxville Open Presented by Food City is one of four original Nationwide Tour events remaining on the schedule, joining Springfield, MO, Boise, ID, and Wichita, KS.

The inaugural Knoxville Open in 1990 was won in a playoff by **Jeff Maggert** over **Greg Ladehoff**. Maggert is one of six past champions in Knoxville to go on to win on the PGA TOUR. The others are **Brian Henninger**, **Tom Scherrer**, **Heath Slocum**, **Vaughn Taylor** and **J.J. Henry**.

A year ago, **Hunter Haas** became the sixth player in Nationwide Tour history to win the same event twice (2004 and 2006 Knoxville Open), adding his name to the list which includes **Chris Smith**, **Ryan Howison**, **Pat Bates**, **Peter O'Malley** and **Shane Bertsch**.

SHANE BERTSCH

The Fox Den Country Club has hosted the Knoxville Open for the past eight seasons. Last year, the par-72, 7,110-yard layout played to an average of 71.599, making it the ninth-easiest course on Tour.

Australian **Kim Felton**, who claimed the Knoxville Open title in 2005, is the only international winner of the event.

The Nationwide Tour has had just four left-handed winners, with **Vic Wilk** the first to do so when he won the 1994 Knoxville Open.

# Price Cutter Charity Championship

Presented by Dr Pepper

## NOTES

The par-72 Highland Springs Country Club hosted the tournament for the 18th straight season, joining Hillcrest Country Club (Albertsons Boise Open) as the only courses to host a tournament in each year of the Tour's existence.

Birdies are always plentiful at Highland Springs Country Club. A year ago the course played to an average of 69.502, making it the second easiest layout of the season. Players recorded 2,069 birdies during the four rounds in 2006.

The Price Cutter Charity Championship is one of the most successful tournaments on the Nationwide Tour in terms of giving back to the community. The 17-year total of charitable dollars raised during the Nationwide Tour event is nearing the \$6-million mark.

The Price Cutter Charity Championship has produced 12 first-time winners since 1990, including, most recently, **Doug LaBelle II** last year. The first player to perform the feat was **Jeff Cook** in 1990.

A year ago the course played to an average of 69.502, making it the second-easiest layout of the season.

Slim winning margins have become the norm at the Price Cutter Charity Championship. In its first 17 years, the winning margin has been two strokes or less in all but one season (six playoffs; seven events determined by one stroke and three others decided by two strokes). **Rick Dalpos** posted a four-shot win in 1993 when the tournament was a 54-hole event.

# Preferred Health Systems Wichita Open

Presented by Cox Communications

## NOTES

**Tom Lehman** won the inaugural Preferred Health Systems Wichita Open in 1990 for his first victory on Tour. Lehman is one of 12 players who posted their first Nationwide Tour win in Wichita.

Lehman's 1990 season was a sign of things to come. The following season he racked up three wins on his way to Nationwide Tour Player of the Year honors.

**Tom Lehman** has since added five wins on the PGA TOUR—highlighted by his victory at the 1996 British Open—and served as the U.S. Ryder Cup captain for the in 2006. Other winners of the Wichita event who have also gone on to win major championships are **David Duval** and **David Toms**.

**Tom Johnson's** hole-in-one on No. 8 during the second round in 2005 was just the 10th in tournament history and the first at that 206-yard hole.

The tournament has been played at three different courses during its 17-year run in Wichita, including Reflection Ridge Golf Course, Willowbend Golf Club and Crestview Country Club.

Exciting finishes have become the norm in Wichita. **Kevin Johnson's** 2006 win represents one of nine one-stroke victories during the 17-year history of the tournament, while the event has been decided in a playoff on five occasions.

The 54-hole leader has failed to win the Preferred Health Systems Wichita Open each of the last five years. **Jason Dufner**, in 2001, was the last to carry the third-round lead on to the winner's circle.

# Albertsons Boise Open

Presented by First Health

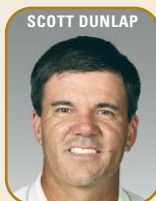

## NOTES

The par-5 16th hole has been the scene of a double-eagle each of the last three years. **Justin Bolli** did it in 2004, **Charley Hoffman** in 2005 and **Dan Olsen** in 2006. No other hole and no other course in Tour history can make that claim.

**Scott Dunlap's** 8-under-par 63 tied the lowest opening round in tournament history. Dunlap became the sixth player in the tournament's 17 years to open with a 63.

In the previous 16 years of the event, the best 36-hole scores were 12-under-par 130s. Last year, **Scott Dunlap** tied that mark with 63-67 the first two days. **Mario Tiziani** then set a new mark with 64-65 on

Friday and Saturday. Tiziani's record lasted only a few hours as **Kevin Stadler** carded a 64 on Saturday afternoon to go along with his 64 on Friday for a new tournament mark of 128.

**Mario Tiziani** tied the tournament's 54-hole record of 196 with his 17-under par total. **Rick Cramer** set the mark in 1996. Neither Cramer nor Tiziani wound up winning the tournament.

The Albertsons Boise Open is one of four original Nationwide Tour events remaining on the schedule. Hillcrest Country Club has hosted the event every year since the Tour began in 1990, making it one of only two courses to welcome the Tour for 17 consecutive years.

**Kevin Stadler** established a tournament record with his winning score of 20-under-par 264. Stadler broke the mark of 265 set by **Mike Sposa** in 1998.

Weather delays are a rarity at the Albertsons Boise Open. Only four rounds have ever been delayed in 17 years, and all of them due to a frost delay to begin play. Once play has begun, no round has ever had to be halted due to weather problems.

### 72-Hole Record:

264, Kevin Stadler, 2006

### 18-Hole Record:

61, J.P. Hayes, Woody Austin, 1994

### 36-Hole Record:

128, Kevin Stadler, 2006

### 54-Hole Record:

196, Rick Cramer, 1996; Mario Tiziani, 2006

# Mark Christopher Charity Classic

Presented by The County of San Bernardino

## NOTES

Making his second career Nationwide Tour start, **Kevin Na** stormed out of the blocks last year with a course record-tying 9-under 62 in round one, moved to a Tour record-tying six-shot lead at the halfway point and held on for a three-shot victory at his home course at Empire Lakes Golf Club. His wire-to-wire win was the only one on Tour in 2006 and the first since **Chris Nallen's** win at the 2004 Gila River Classic.

The victory was the first of **Kevin Na's** Nationwide Tour career, making him one of 10 players who have recorded their inaugural win at the Mark Christopher Charity Classic.

The last non-first-time winner of the tournament was **Troy Matteson** in 2005. Matteson followed up that victory with an impressive debut during his rookie season on the PGA TOUR. In addition to his victory at the 2006 Frys.com Open, the former Georgia Tech standout finished No. 36 on the money list, with \$1,778,597, and was one of eight graduates from the 2005 class to earn over \$1 million.

**Kevin Na's** victory was familiar in many ways to **James Oh's** victory at the 2003 Mark Christopher Charity Classic. In addition to their two-lettered last names, both players are of Korean descent, were raised in Southern California and turned professional as teenagers.

The largest come-from-behind win at the Mark Christopher Charity Classic was **Andy Miller's** five-shot comeback in 2002.

# Permian Basin Charity Golf Classic

## NOTES

The 2006 Permian Basin Charity Golf Classic cemented **Brandt Snedeker's** reputation as the finest closer on Tour. The former Vanderbilt University standout birdied the last hole of regulation to get into a playoff with **Aron Price** and then birdied the first extra hole for his second win of the year. Earlier in the season, he had posted eagles on the final hole of regulation to set up a playoff win at the Scholarship America Showdown and a playoff loss at the Chattanooga Classic. In one stretch, Snedeker posted an eagle on the 72nd hole in four of five tournaments, with the lone exception being a birdie on the last hole.

**Craig Bowden** has finished in second place at the Permian Basin Charity Golf Classic for two consecutive years. The silver lining for Bowden was his 2006 runner-up finish helped him conclude the season a career-best No. 4 on the money list.

**Mark Hensby**, a member of the 2005 Presidents Cup International team, accumulated six second-place finishes during his career on the Nationwide Tour. Three of those came in Midland (2000, 2002-03). **Chris Smith** leads the Tour in runner-up finishes, with nine, including a one-stroke setback to **Hugh Royer III** at the 1995 Permian Basin Charity Golf Classic.

In 15 tournaments, **Chad Campbell** (2001) and **Brandt Snedeker** (2006) are the only players to carry the first-round lead on to victory in Midland. Campbell's 24-under winning score that year still stands as the tournament record.

## Glossary of Statistics

### Total Driving

Total Driving is computed by totaling a player's rank in driving distance and driving accuracy.

### Driving Distance

The average number of yards per measured drive. Driving distance is measured on two holes per round. Care is taken to select holes which face in opposite directions to counteract the effects of wind. Drives are measured to the point they come to rest, regardless of whether they are in the fairway or not.

### Driving Accuracy

The percentage of time a player is able to hit the fairway with his tee shot.

### Greens in Regulation

The percentage of time a player was able to hit the green in regulation (greens hit in regulation/holes played). Note: A green is considered hit in regulation if any part of the ball is touching the putting surface and the number of strokes taken is two or less than par.

### Putting Average

Measures putting performance on greens hit in regulation. For each green hit in regulation, the total number of putts is divided by the number of greens hit in regulation. By using greens hit in regulation, we are able to eliminate the affects of chipping close and one-putting in the computation.

### Sand Saves Percentage

The percentage of time a player is able to get up and down once in a greenside sand bunker. Note: This up and down is computed regardless of score on the hole.

### Eagles (holes per)

## Charity: Giving Back...The Heart of the PGA TOUR

Millions of smiling faces and lives positively affected are sure signs that the PGA TOUR's charitable mission is a continuing success story in the communities where it plays.

This effort was celebrated in late 2005 when the PGA TOUR and its tournaments reached the Drive to a Billion milestone. That cumulative affect, since the first donation in 1938, reached approximately \$1.1 billion through 2006.

The forecast is for the second billion-dollar mark to be reached in less than 10 years. PGA TOUR, Champions Tour and Nationwide Tour events annually benefit more than 2,000 charities and countless individuals worldwide.

"Thanks to the incredible generosity of the tournaments, players, fans, volunteers and business partners who support the PGA TOUR, our goal of giving back continues to be our main focus," PGA TOUR Commissioner Tim Finchem said. "We are inspired by the continued enthusiasm for giving that ensures more and more assistance for those in need around the world."

### Structure

Unlike any other professional sport, the PGA TOUR relies on 80,000 volunteers a year to run its events, and nearly all of the 100-plus tournaments are structured as non-profit organizations designed to donate 100 percent of net proceeds to local charities. Beneficiaries include a wide variety of local organizations such as hospitals, youth-development organizations, growth-of-the-game programs and food banks.

The beneficiaries include the 2005 Charities of the Year on each of the Tours – the St. Michael's Special School in New Orleans, LA (Zurich Classic of New Orleans on the PGA TOUR), Blank Children's Hospital in Des Moines, IA (Allianz Championship on the Champions Tour) and various charities for the Xerox Classic in Rochester, NY and Legend Group Financial Classic in Cleveland, OH (on the Nationwide Tour). The impact is also made by volunteers such as the 2005 Volunteers of the Year on the respective Tours – John Hamilton of the PGA TOUR's Cialis Western Open, Nicole Anderson at the Champions Tour's 3M Championship and Mike Smith at the Nationwide Tour's EnviroCare Utah Classic.

Tournaments provide the leadership, led by the Valero Texas Open on the PGA TOUR, the Toshiba Classic, 3M Championship and Wal-Mart First Tee Open at Pebble Beach on the Champions Tour and the Albertsons Boise Open on the Nationwide Tour, which provided the largest donations to charity in 2006 on each Tour.

"This continued response is a tribute to the players, tournaments and thousands of volunteers who make PGA TOUR events so successful," said Kym Hougham, Chairman of the Tournament Advisory Council. "We look forward to making even larger contributions for this worthy cause as we push to make a true difference in people's lives."

### Players

Players also reach out to help considerably through charitable efforts in their home communities and across the nation.

In early 2006, the Tiger Woods Learning Center opened at the public course in Anaheim, CA, where Woods played his high school golf. The state-of-the-art educational facility had long been a goal for Woods to inspire young people.

TOUR members Frank Lickliter II, Corey Pavin, Jerry Kelly, Howard Twitty and Donnie Hammond traveled to the Persian Gulf during Thanksgiving 2006 to visit with American troops on a USO/Armed Forces Entertainment tour that brightened the lives of United States troops.

Champions Tour Player of the Year Jay Haas gave his first-place earnings of \$1 million and runner-up Loren Roberts contributed his \$500,000 second-place winnings in the Charles Schwab Cup to charities in their home communities of Greenville, SC, and Memphis, TN, respectively.

PGA TOUR member Mark Wilson contributed \$30,000 to the Midwest Athletes Against Childhood Cancer Fund (MAAC Fund) in November 2006 on the organization's 30th anniversary. It was the largest single donation by an athlete in the Milwaukee, WI, charity's history and came a week before he was to participate in the PGA TOUR National Qualifying Tournament. Wilson earned his 2007 PGA TOUR card with a tie for 29th.

"Unlike other sports, if he has an off day he doesn't get paid," said John Cary, executive director of the MAAC Fund. "So to be as generous as they are, as he is, [it's] pretty amazing."

In the communities where tournaments take place, giving back remains at the heart of the PGA TOUR.

## The First Tee

The First Tee ([thefirsttee.org](http://thefirsttee.org)) is recognized as one of the premier youth-development programs in the country. It provides young people of all backgrounds an opportunity to develop, through golf and character education, life-enhancing values such as honesty, confidence, perseverance and judgment.

Since its inception in 1997, The First Tee has opened more than 250 golf-learning facilities in 46 states and five international locations (Australia, Canada, Ireland, New Zealand, Singapore) and has introduced the game of golf and its values to over 675,000 participants.

The First Tee Life Skills Experience™ is the unique feature that separates The First Tee from many other junior golf programs and youth initiatives. Through life lessons taught at more than 200 community-based nonprofit Chapters, participants learn the importance of maintaining a positive attitude, how to make decisions by thinking about possible consequences, how to define and set goals, and how to transfer the positive values of golf to everyday life. Research conducted by the University of Virginia in 2005 provides data-based evidence of the effectiveness of The First Tee and that the organization is having a strong, positive impact on young people's development of life skills and core values.

The First Tee National School Program ([thefirstteensp.org](http://thefirstteensp.org)) introduces The First Tee Nine Core Values to elementary school students and provides teachers with modified equipment and a curriculum to teach basic golf skills and etiquette during regular physical education classes. The NSP has reached more than 400,000 students in over 900 elementary schools, and its presence continues to grow in PGA TOUR tournament markets.

Each Labor Day weekend, the Wal-Mart First Tee Open at Pebble Beach showcases the talent and character of young people who participate at The First Tee facilities worldwide. An official Champions Tour event, the tournament pairs one junior with a Champions Tour player and two amateurs. Seventy-eight junior spots are awarded. The Sept. 1-3, 2006 tournament was televised on GOLF CHANNEL and NBC for the third straight year.

Key to The First Tee's success is the support it receives from its Founding Partners, some of the game's most respected and influential organizations; Augusta National Golf Club, LPGA, PGA of America, PGA TOUR, and the USGA. Former President George W. Bush serves as honorary chairman.

## GOLF 20/20: Vision for the Future

In November 2000, golf industry leaders gathered at the World Golf Village to participate in a conference called GOLF 20/20: Vision for the Future, a precedent-setting forum aimed at initiating a collaborative effort to grow the game of golf and secure its future. The spirit of unity was so strong and the commitment to make a difference so universal, the decision was made to address some of the most pressing issues impacting the golf industry on an ongoing basis, through the formation of GOLF 20/20.

An initiative of the World Golf Foundation, GOLF 20/20's mission is "To align the golf industry behind a plan that addresses the future of golf in a strategic manner, with an emphasis on accelerating growth and participation and creating new avenues of access into the game." Through ongoing programs created in collaboration with industry partners that promote the growth of game initiative, GOLF 20/20 strives to enhance both participation and interest in golf.

Among GOLF 20/20's many accomplishments during the past six years are the following:

**Research** – GOLF 20/20 has undertaken a number of unprecedented research projects, including golf's largest-ever segmentation study (2001); a study quantifying golf's annual economy at \$62 billion; and two studies focusing on golf's best customers (2005). In 2006, GOLF 20/20, working with SRI International, developed a template for the calculation of the economic impact of golf at the state level, which provides states with an affordable tool to use in a variety of ways.

**Program Development** – GOLF 20/20 has successfully piloted numerous programs, beginning with Link Up 2 Golf in 2001. This adult player development program now serves as an integral part of the PGA of America's Play Golf America program. In 2003, GOLF 20/20 created the National School Golf Program, a unique approach to introducing elementary school students to the game through the physical education structure. This program is now under the management of The First Tee. And in 2005, GOLF 20/20 established Women's Golf Week, a unique collaboration of the golf industry aimed at increasing the participation of women in the game. During its inaugural year, 225 golf facilities nationwide hosted Women's Golf Week activities, impacting nearly 10,000 women. In 2006, more than 580 host facilities participated – an increase of 160 percent – impacting more than 20,000 women.

**State Alliances** – A major initiative of GOLF 20/20 over the past year or two has been the facilitation of alliances of golf organizations at the state level. A GOLF 20/20 Task Force on State Alliances has been active in gathering information from existing alliances and also helping to foster new ones. Where there were just a couple of such alliances two years ago there are now more than 20, with the organizations working together on communication issues, environmental and regulatory issues, player development programs and idea sharing and funding of common benefits such as economic impact studies.

The GOLF 20/20 Executive Board:

## PGA TOUR Links

The PGA TOUR Links program is the technological solution that brings together PGA TOUR, Champions Tour and Nationwide Tour members, PGA TOUR staff, player managers and tournament organizations. Along with IBM, the PGA TOUR's technology partner, the PGA TOUR and its players work together to design a solution

that fits their communication needs.

As part of the TOUR Links program, each player receives a ThinkPad computer and access to the players-only intranet site from anywhere in the world.

Within the site, players are able to view vital PGA TOUR announcements, tournament information, tee times and conduct statistical analysis. Players are also able to commit to tournaments, make hotel reservations, reply to surveys and vote in player elections and annual awards.

To date, more than 750 players have participated in TOUR Links. The players have cited the program as a most efficient form of communication. As the program enters its ninth year, it continues to evolve to meet changing technological advances and player needs.

## Regulations – Media

The following regulations are to be followed by all members of the media:

1. A daily decal is necessary to walk inside the gallery ropes. All members of the media with such decal must remain not more than an arm's length from the ropes, so as to blend into the gallery and appear to be a part of the gallery at all times.
2. Players are not to be distracted during play. Do not interview players or ask them to pose for photographs during their rounds.
3. Do not interview players or ask them to pose for photographs during their practice sessions before a round, except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player, up against the ropes and not in the middle of the areas where it could be distracting to other players.
5. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards. Media are not allowed in the scoring tent.

### WORKING PRESS REGULATIONS

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day — and others requested — will be interviewed following their rounds in the Press Room interview area.

### TAPE RECORDER REGULATIONS

1. All audio recording device and/or video recorder work should be done in the proximity of the press room, media center and/or interview room.
2. Video Recorders are not permitted in the locker room. Audio recording devices are permitted in the locker rooms subject to the following regulations:
  - Audio recorded interviews are intended to be one-on-one and not group interviews.
  - Audio recorded interviews are for reference only and the audio cannot be used for any other purpose.
  - The reporter must clearly ask a player, and permission must be granted, in order for the audio recording device to be used.
  - The reporter is responsible for making other players in the vicinity aware that an interview is being recorded.

- PGA TOUR staff may designate, depending upon need and availability, an area within the locker room for the purpose of conducting interviews that are recorded.
  - Use of audio recorded interviews must be limited to the person being interviewed.
3. Audio recording devices and/or video recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

### WEATHER DELAY GUIDELINES

1. During weather-delay situations, no one other than players and essential staff will be permitted in the locker room. This means the media are not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media will be welcome in the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are not permitted in the locker room.)

The media person set forth below and the News Agency set forth below shall jointly and severally indemnify, defend and hold the Event, its host organizations and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the media person set forth below.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. be used together with news stories during the day's play, so long as such photographs are not used with other real-time or near-real-time information to create a "shot-by-shot" account of the day's play. Commercial exploitation of these images without written consent of the players and PGA TOUR is prohibited.

All television media are permitted to broadcast highlights coverage of such events only under the following conditions unless otherwise approved in writing by PGA TOUR:

1. Televised coverage shall not be in excess of three minutes of highlights daily from each Tour (and six minutes total for all three Tours) and may not purport to be live, play-by-play coverage from the course. Requests for expanded coverage must be submitted in writing to PGA TOUR.
2. All highlights coverage must be part of regularly scheduled news programs. Highlights may not be sold, distributed, syndicated or provided in any manner to any other entity.
3. Highlights from any day's play may not be broadcast or used for any other purpose after 48 hours from the conclusion of the applicable tournament.

5. Live coverage or reporting in excess of three minutes per day from a tournament site, including, without limitation, the course, media center, press room and interview room, is prohibited without the prior approval of PGA TOUR.
6. No footage may be used in any commercial manner or sold, distributed, syndicated or provided to any other entity or agency.
7. As the exclusive rights holder, PGA TOUR is the absolute owner of all footage shot at the tournament site (golf action or other footage) and may request copies of any footage shot at PGA TOUR, Champions Tour and Nationwide Tour events. Such footage will be provided to PGA TOUR upon request (PGA TOUR will pay industry standard copying and shipping costs).
8. The use of golf carts is prohibited at all times.
9. Only personnel with appropriate credentials will be permitted into the media center and locker room areas.

  - PGA TOUR staff may designate, depending upon need and availability, an area within the locker room for the purpose of conducting interviews that are recorded.
  - Use of audio recorded interviews must be limited to the person being interviewed.
3. Audio recording devices and/or video recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

The media person set forth below and the News Agency set forth below shall jointly and severally indemnify, defend and hold the Event, its host organizations and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the media person set forth below.

## TPC Network

The PGA TOUR's TPC Network has maintained a reputation for operating high-quality clubs since its inception 25 years ago. The TPC network continues to grow, with more than 30 facilities currently open or under construction.

TPCs encompass all forms of golf-related operations—resort facilities, corporate/private membership clubs and daily-fee courses—and, as such, PGA TOUR Golf Course Properties, Inc. is able to match the type of facility with the demands of each market in which a club operates.

The network represents the highest standard in the golf course industry, commensurate with the members of the organization it represents, the players of the PGA TOUR. Each TPC embodies the trademark of excellence first established with the flagship TPC Sawgrass, which opened its world-famous PLAYERS Stadium Course in the fall of 1980 in Ponte Vedra Beach, FL. This commitment to overall excellence serves as the foundation for the network's overall success.

The TPC Network was born through former PGA TOUR Commissioner Deane Beman's desire to provide TOUR players with quality golf courses that also would offer spectators enhanced viewing areas. Beman also reasoned that development of quality facilities would alleviate the TOUR's dependency on the television dollar, while providing rent-free venues for tournaments. The savings in rent, in turn, would generate both increased purses and greater charitable contributions by the tournaments held at TPCs.

The TPC Sawgrass was the first Tournament Players Club to hold a PGA TOUR event, becoming the permanent home of THE PLAYERS Championship in 1982. In 2006, 16 tournaments were conducted on TPC courses, bringing the total number of PGA TOUR, Champions Tour and Nationwide Tour events held at TPC facilities to 263.

The TPC Sawgrass PLAYERS Stadium Course was completely refurbished in 2006, with the fairways redone and the greens rebuilt to create a "fast, firm and fair" course in time for the 2007 PLAYERS. A new, larger clubhouse will open in April 2007.

Many of the top golf-course architects are connected with TPC projects, including Pete Dye, Tom Fazio, Arnold Palmer, Jack Nicklaus, Gary Player, Arthur Hills, Jay Morrish, Tom Weiskopf, Greg Norman, Bob Von Hagge and D.A. Weibring. The TPC Boston, which opened in 2002, was the fourth TPC course designed by Palmer Course Design Co. Weiskopf has designed his second TPC course for the TPC Craig Ranch near Dallas, TX, which opened in the fall of 2004.

Moreover, in recognizing the importance of player input for tournament courses, TOUR members have served as design consultants, working closely with the lead architect. Hal Sutton, for instance, served as the player design consultant on the TPC Treviso Bay (Naples, FL), which will open in 2007, while Steve Elkington was the player consultant and Kelly Gibson the associate player consultant working with architect Pete Dye on the TPC Louisiana in New Orleans, which opened in April 2004.

The TPC San Antonio, scheduled to break ground this year, will be a 36-hole facility. Pete Dye and Greg Norman will be the architects, and Sergio Garcia and Bruce Lietzke will be the player consultants of the course.

## ShotLink

The PGA TOUR has collaborated with IBM, the TOUR's Official Worldwide Information Technology Partner, on the PGA TOUR ShotLink System. The ShotLink System is a revolutionary platform for collecting and disseminating scoring and statistical data on every shot by every player in real-time during every tournament round. This data asset creates improved live coverage and more meaningful analysis. The new data creates great potential to enhance entertainment and image of the sport across all platforms.

The development of ShotLink started in 1997 when the TOUR decided to update its current scoring system, which was based on 1987 technology. The TOUR, in conjunction with IBM, conducted an extensive review process to formulate its strategy for the development and implementation of ShotLink. Following an evaluation of more than 30 companies, additional technology and implementation partners were identified: Information and Display Systems (IDS), Palm, Electronic Arts, Daktronics and two mapping vendors: GeoGolf and Geodetic Services. IBM provided overall project management, consulting services and server and networking technologies. ShotLink was introduced during the 2001 Buick Classic and represents the TOUR's scoring system for the future. The System was enhanced in 2006 with the addition of a radar solution that accurately collects club head speed, ball speed, launch angle and tracks the entire flight of the ball. This solution is being installed on one tee each week. Future fan enhancements include broadcast applications, on-site presentations and new ShotLink statistics.

The accumulation, packaging and presentation of expanded shot and course information provides the basis for numerous fan enhancements. Current uses of ShotLink data include:

- Enhanced graphics and statistics in television broadcasts
  - Expanded information and statistics for use by media
  - Powering on-site and PGATOUR.com tournament leaderboards
  - Providing on-site media and hospitality access to live tournament information through Tournament Tracker, developed by IBM
  - Powering the Emmy Award-winning TOURCast application on PGATOUR.com, which launched in 2003
  - Powering PGA TOUR Mobile Link and TOURCast Mobile, the PGA TOUR's wireless application for use on PDAs and cell phones
  - Analysis of how each golf course is played to assist in course setup and in design changes
  - Increased data mining to create more interesting entertainment and insights on how the game is played across all platforms on PGATOUR.com today
- In addition to current uses, ShotLink provides unlimited potential to develop fan enhancements and products over the next several years, including:

- Enhanced and interactive television
- On-site wireless and kiosk applications for tournament patrons
- Internet, PC and console games

Besides fan enhancements, ShotLink creates an ongoing historical archive of statistical information. This information is available to players through the PGA TOUR Links program, also built by IBM.

The ShotLink data is collected by volunteers utilizing a combination of Palm handheld devices and laser range finders.

## PGA TOUR Wives Association, Inc.

PGA TOUR Wives Association, Inc. is a Florida not-for-profit corporation organized to render support for and provide assistance to needy children and their families through the means of charitable events. The Association is comprised of the wives of professional golfers on the PGA TOUR and Nationwide Tour, as well as individuals and corporations that support the PGA TOUR Wives

Association, Inc.'s many charitable endeavors.

Since its incorporation in 1988, the PGA TOUR Wives Association, Inc. has supported children's charities across the country by raising money and given back much to the game of golf through personal time and monetary contributions. In addition to fundraising, members participate in Volunteer Service Projects, performing a myriad of services ranging from Habitat builds to cooking in soup kitchens to playing with hospitalized children in communities where tournaments are held.

The PGA TOUR Wives Association, Inc. conducts numerous fundraisers to support its charities. These include memorabilia auctions, tasting events, concerts and other activities.

The Association's favorite (and longest-running) fundraiser is the biennial TOUR Wives Golf Classic, a nine-hole tournament where the wives play golf and their husbands caddie. The TOUR Wives Golf Classic, first played in 1987, has been held at different courses around the country.

While its membership varies from year to year, the commitment of the PGA TOUR Wives Association, Inc. to making a difference in the lives of needy children stands strong. The Association's dedicated members, past and present, have reached deep into their resources to balance the demands of family, work and travel and have given generously of themselves to realize their ideals. For information regarding the PGA TOUR Wives Association, please see their website at [pgatourwives.org](http://pgatourwives.org) or contact Sara Moores at the PGA TOUR.

## Weather Guidelines

The PGA TOUR Policy Board has approved these guidelines for use by tournament officials in case of bad weather:

- 1) Every effort should be made to finish each round as scheduled.
- 2) When unplayable conditions occur, play will be suspended. Play will resume when conditions improve, even when that round cannot be completed that day.
  - a) Where daylight permits, play may resume the following day, to include completion of the next scheduled round.
  - b) Where daylight does not permit, the suspended round may be completed the next day. Thus, one round might be completed over a two-day period, depending on how many players had played from the starting tee(s).
- 3) When the first or second or both rounds are canceled or suspended beyond the second scheduled day, with only one day remaining, every reasonable effort will be made to complete the next scheduled round (first round, or in the event it is the completion of the second round and daylight and conditions permit, determine the cut and complete the final round).
- 4) In the event of a suspension during the final round, with the exception of the Nationwide Tour Championship, the round will be canceled if more than half of the field cannot complete the round. If more than half the field completes the round, play should be temporarily suspended

and completed when conditions permit. No completion should extend past Monday. In no situation would play resume in order to have at least half the field complete play on Sunday so that play may be extended to Monday.

- 5) For the Nationwide Tour Championship, play may be extended to Monday at the discretion of the Tournament Director if golf course conditions and weather permit. In the event of a suspension during a final round being played on Monday, when at least half the field has completed play, the final round will be completed when conditions permit, but no later than Tuesday. In no situation would play resume in order to have at least half the field complete play on Monday so that play may be extended to Tuesday.

### Suspension of Play Due to Dangerous Situations

Play may be suspended for such dangerous situations as lightning, tornadoes, etc. If the players in a match or group are between two holes, they must not resume play until the Rules Committee so orders. Players who are playing a hole must discontinue immediately and not resume play until the Committee orders. The penalty for breach of this condition is disqualification.

All practice areas shall be closed during a suspension for a dangerous situation until the PGA TOUR Rules Committee has declared them open for use. Players who disregard such closing shall be subject to disciplinary action.

One prolonged siren or horn note signals suspension for a dangerous situation. Several short intermittent horn or siren notes signal all other types of suspension.

## World Golf Foundation

### WORLD GOLF FOUNDATION

World Golf Foundation, a not-for-profit, 501(c) 3 organization, was created in 1994 to unite the golf industry and those who love the game. The board supports initiatives that promote, enhance the growth of, and provide access to the game of golf, while preserving golf's traditional values and passing them on to others.

There are three initiatives under the umbrella of the World Golf Foundation: the World Golf Hall of Fame, The First Tee and GOLF 20/20: Vision for the Future. Each initiative has its own mission to enhance the game of golf's history, present and future.

**World Golf Hall of Fame**—The World Golf Hall of Fame ([wgv.com](http://wgv.com)) was conceptualized in the late 1980s and open since 1998. Its mission is to recognize and celebrate the game's greatest players and contributors and serve as an inspiration to golfers and fans worldwide. The Hall of Fame administers a process by which new inductees are named and brought into the membership each year. Hall of Fame members are honored in the 75,000 square-foot permanent exhibit plan in the museum located at the World Golf Village in St. Augustine, FL, and a variety of special exhibits are opened throughout the year.

**The First Tee**—The First Tee ([thefirsttee.org](http://thefirsttee.org)) is recognized as one of the premier youth development programs in the country. It provides young people of all backgrounds an opportunity to develop, through golf and character education, life-enhancing values such as honesty, confidence, perseverance and judgment. Since its inception in 1997, The First Tee has opened more than 250 golf learning facilities in 46 states and five international locations (Australia, Canada, Ireland, New Zealand, Singapore), and has introduced the game of golf and its values to more than 675,000 participants. The First Tee National School Program ([thefirstteensp.org](http://thefirstteensp.org)) introduces The First Tee Nine Core Values to elementary school students and provides teachers with modified equipment and a curriculum to teach basic golf skills and etiquette during regular physical-education classes. The NSP has reached more than 400,000 students in over 900 elementary schools, and its presence continues to grow in PGA TOUR tournament markets.

**GOLF 20/20: Vision for the Future**—Initiated in 1999, GOLF 20/20 ([golf2020.com](http://golf2020.com)) is devoted to aligning the golf industry behind a plan that addresses the future of golf in a strategic manner, with an emphasis on accelerating growth and participation and creating new avenues of access into the game.

## World Golf Hall of Fame

Open since 1998, the World Golf Hall of Fame is the ultimate destination for the celebration and recognition of golf's greatest players and contributors and serves as an inspiration to golfers and fans worldwide. Supported by all of the world's leading golf organizations, the Hall of Fame combines historic artifacts and personal memorabilia with interactive exhibits to tell the stories of the Hall of Fame members and the history of the game. The World Golf Hall of Fame is located at World Golf Village in St. Augustine, FL.

### The Museum

Guests of the World Golf Hall of Fame will be greeted with the fascinating and comprehensive tale of golf's history and its development from the cradle in Scotland through its growth to the far reaches of the world. An exhibit in this area focuses on the role of The Royal & Ancient, the history of the British Open, golf's longest-running major, and the Royal & Ancient Golf Club of St. Andrews.

The Hall of Fame members' stories are referenced throughout the museum, though their true home is in the center of the museum, Shell Hall, named for the Hall of Fame's founding partner, Shell Oil Company. An extraordinary "Wall of Fame" donning hand-crafted bronze relief plaques of each member extends an entire wall, representing the current 109 members. And, guests can search for statistics, sound bites, photographs and video clips in a comprehensive database developed by our technology partner, IBM.

As a fitting tribute to the highest achievement in golf, significant tournament trophies, including men's and women's majors, are artfully displayed in the Hall of Fame Tower. A locker room showcases memorabilia from many of the members, and guests have the opportunity to sink a long putt on a modern tournament-style putting green under the lights and cameras of a Shell's Wonderful World of Golf match. Video is featured throughout the museum, including the multi-screen experience called "Spirit of the Game" and a theater offering great championship moment highlights.

World Golf Hall of Fame

### Special Exhibits

The World Golf Hall of Fame opens various temporary exhibits throughout the year, many featuring its members. A major exhibit opens each spring, during THE PLAYERS Championship, and at each year's Fall Induction Ceremony, when special displays highlighting the current year's class is unveiled.

### Avenues for Induction

There are five avenues for a player or contributor to enter the World Golf Hall of Fame: PGA TOUR/Champions Tour ballot, International ballot, LPGA Point System, Lifetime Achievement category and Veteran's category.

Various criteria is set up for players to be eligible for the PGA TOUR/Champions Tour and International ballots, including an age requirement of at least 40 years old and a necessary performance that includes a substantial amount of regular tournament majors and victories.

The LPGA Point System requires a player to be an active member of the LPGA Tour for 10 years and to have won either an LPGA major tournament, Vare Trophy or Rolex Player of the Year honors, plus a number of other tournament victories.

Nominations for the Lifetime Achievement category are made by the international voting body members. The category is designed for any male or female supporter of the sport whose primary role in the game has come outside the playing arena. The World Golf Foundation Board of Directors' Selection Committee decides this category each year.

Any male or female professional or amateur whose career concluded at least 30 years ago is eligible for selection through the Veteran's category. The World Golf Foundation Board of Directors' Selection Committee also determines this category each year.

### Founding Partner

As sole founding partner of World Golf Hall of Fame, Shell Oil Company provides financial support to the World Golf Foundation and supports its charitable initiatives aimed at introducing golf to young people, thereby promoting scholastic achievement, community service and those values intrinsic to the game of golf.

## World Golf Village

The World Golf Hall of Fame is located at World Golf Village, a 6,300-acre golf resort and residential community located 10 minutes northwest of historic St. Augustine, FL, and 30 minutes south of Jacksonville. Named one of the "Top 75 Golf Resorts" in the United States by *Golf Digest*, World Golf Village draws guests from all over the United States and from around the world, offering a wide variety of recreational, entertainment, corporate meeting and residential options.

As the centerpiece of the Village, the World Golf Hall of Fame celebrates and recognizes the game's greatest players and contributors and serves as an inspiration to fans worldwide. The Hall of Fame features personal memorabilia and special exhibits highlighting its members, as well as historical and interactive displays that enable visitors to see and experience some of golf's most exciting aspects. Part of the Hall of Fame experience includes a round on the 18-hole natural grass putting course and a film at the adjacent IMAX® Theater, which offers a variety of films that are both educational and entertaining on an 80-foot-wide by 6-story-high screen.

World Golf Village championship golf courses include King & Bear, the only course co-designed by World Golf Hall of Fame members Arnold Palmer and Jack Nicklaus, and the Slammer & Squire, built by Bobby Weed with design consultants Sam Snead and Gene Sarazen, also World Golf Hall of Fame members. Both courses, which have hosted 10 nationally televised broadcasts, combine challenging obstacles with playability for all levels of golfers.

The PGA TOUR Golf Academy offers private lessons, clinics and golf schools by top-rated instructors, including Director of Instruction Scott Sackett, a *Golf Magazine* Top 100 Teacher, who incorporates three teaching and video analysis systems into the lessons.

PGA TOUR Spa Laterra—the first such facility to bear the PGA TOUR name—is located at the King & Bear, at World Golf Village and offers golf-enhancement services and fitness programs comparable to those used on TOUR. The full-service spa, part of the Laterra resort community, offers signature treatments and full, half and multi-day packages.

Dining options along the Walk of Champions include Murray Bros. Caddyshack, the flagship restaurant of actor-golfer Bill Murray and his five brothers, and Augustinos, an Italian steakhouse. PGA TOUR STOP, one of the largest golf stores in the country, anchors the retail area of World Golf Village. Also along the Walk of Champions, which is a half-mile track featuring engraved Hall of Fame member signatures in granite, guests can attempt to hit a ball 132 yards to the Challenge Hole's island green.

Accommodations at World Golf Village include the flagship Renaissance Resort at World Golf Village, a 10-story resort that features 301 guest rooms and the adjacent St. Johns County Convention Center. Grande Villas at World Golf Village, a Bluegreen Vacation Club resort, offers country club vacation homes that overlook the 17th and 18th holes of Slammer & Squire golf course. Laterra Resort & Spa offers 72 well-appointed condominiums with immediate access to the adjacent PGA TOUR Spa.

The Neighborhoods of World Golf Village offer distinctive residential communities that blend world-class amenities with the convenience of shopping, healthcare, entertainment, first-rate schools and incredible golf. Each neighborhood offers individual amenities such as pools and recreational facilities.
