## A Message to the Media

**Tim Finchem**  
Commissioner

**Henry Hughes**  
Executive Vice President and  
Chief of Operations

On behalf of the players, tournaments, volunteers and our management staff, welcome to another exciting season of PGA TOUR competition. We appreciate your dedicated and professional coverage of the PGA TOUR and your help in bringing the stories of these talented athletes to life for millions of fans around the globe.

Last year began a landmark era for the PGA TOUR with the debut of the FedExCup. The sport's new season-long competition accomplished everything we envisioned, providing a strong, compelling conclusion to the golf season with our first-ever PGA TOUR Playoffs for the FedExCup.

Now that we've established a solid foundation, we will continue our efforts to build upon the enthusiasm our players and fans have demonstrated for the FedExCup. While there have been no fundamental changes to the overall structure of the competition for 2008, the PGA TOUR's Policy Board will continue to assess the point structure for the seeding and Playoffs, with a focus on creating more volatility and keeping more players in contention for the FedExCup at the finale, THE TOUR Championship presented by Coca-Cola. Changes are possible prior to this year's Playoffs.

This year's PGA TOUR schedule features 48 official events that offer an all-time high of \$278 million in official prize money. We have new title sponsors with the Northern Trust Open (in Los Angeles), RBC Canadian Open, Legends Reno-Tahoe Open and Justin Timberlake joining the elite roster of celebrities to host PGA TOUR events with the Justin Timberlake Shriners Hospitals for Children Open. Also, the Puerto Rico Open presented by Banco Popular is a new addition to the TOUR schedule. We welcome these new sponsors and events to the PGA TOUR family.

Inside the ropes, the 2007 PGA TOUR season provided compelling competition, particularly during the Playoffs. From the feel-good story of Steve Stricker capturing the first of the four Playoff events, The Barclays, to Phil Mickelson dueling Tiger Woods down the stretch to capture the Deutsche Bank Championship, to Woods' victories at the BMW Championship and THE TOUR Championship to claim the inaugural FedExCup, there was excitement at every event.

Additionally, fans who attended the 2007 PLAYERS Championship were treated to the upgrades to The PLAYERS Stadium Course, a new state-of-the-art clubhouse and numerous fan enhancements, while Mickelson captured this coveted title for the first time. The Presidents Cup in Canada was one of best in the event's history, and the inaugural Fall Series re-energized the careers of several players with world-class resumes, including Justin Leonard (Valero Texas Open), Chad Campbell (Viking Classic), Steve Flesch (Turning Stone Resort Championship) and Mike Weir (Fry's Electronics Open).

On the Champions Tour, the marquee names continued to win and entertain record crowds, from World Golf Hall of Fame member Hale Irwin earning his 45th Champions Tour victory at the first event of the season, to Jim Thorpe successfully defending his title at the season-ending Charles Schwab Cup Championship. Loren Roberts avenged his 20-point loss of the 2006 Charles Schwab Cup by capturing the season-long points title in 2007, nipping Player of the Year Jay Haas. The season included an impressive list of first-time and multiple winners, recognizable rookies and culminated with the induction of Curtis Strange and Hubert Green into the World Golf Hall of Fame.

The Nationwide Tour continued to elevate its stature. Richard Johnson of Wales captured the money title with his win in the season finale. Australian Nick Flanagan, the Player of the Year, became the eighth player and first international member to earn a three-win promotion to the PGA TOUR, while Daniel Summerhays became the first amateur to capture a Nationwide Tour title. Jason Day, at 19, became the youngest winner in Tour history. "The 25" graduates transitioning to the PGA TOUR in 2008 promise to have an impact, similar to many of the Nationwide Tour alumni who preceded them. Through 2007, Nationwide Tour alumni have won 217 PGA TOUR titles, including 21 last year.

The PGA TOUR is on track to reach our second billion in charitable donations within the next five to seven years. Our appreciation and congratulations go out to the tournaments, players, sponsors and thousands of volunteers who are helping to make this goal a reality.

Thank you again for your coverage of the PGA TOUR. If you have questions or concerns, our communications team on site at tournament media centers or at our headquarters in Ponte Vedra Beach, Florida, will be happy to assist.

Sincerely,

Timothy W. Finchem

# We Are The PGA TOUR

The name of our organization is the PGA TOUR, a tax-exempt membership group of professional golfers that plays more than 100 official money tournaments on three Tours – the PGA TOUR, Champions Tour and Nationwide Tour. Our headquarters are located in Ponte Vedra Beach, FL, southeast of Jacksonville.

We should be referred to as the PGA TOUR or TOUR (on second reference), but not the PGA, as we are a different organization than the PGA of America.

The PGA is the Professional Golfers' Association of America, a membership organization for the nation's club professionals. The PGA runs the PGA Championship, Senior PGA Championship and Ryder Cup Matches, among other championships. The PGA headquarters are located in Palm Beach Gardens, FL.

The PGA TOUR and PGA of America were affiliated until 1968, when the tournament players, a small subset of the total PGA membership, broke

away to form the Tournament Players Division and gain more control of their finances and tournament schedule. The Tournament Players Division was renamed the PGA TOUR in 1975.

Two other American golf organizations are involved in men's professional tournament play, independent of the TOUR but with their marquee events included on the TOUR schedule as non-TOUR co-sponsored tournaments. The United States Golf Association, with headquarters in Far Hills, NJ, oversees the national championships (U.S. Open, U.S. Senior Open, U.S. Amateur, U.S. Women's Amateur, etc.) and administers the Rules of Golf, among other duties. The Augusta (GA) National Golf Club plays host to the Masters Tournament. The Royal and Ancient Golf Club of St. Andrews, Scotland oversees the British Open and administers the world's golf rules jointly with the USGA.

*The PGA TOUR is the world's foremost golf Tour, with 48 official money events from January through November. This year is the second in a new era for the PGA TOUR with the continuation of the FedExCup, a season-long points competition culminating with the PGA TOUR Playoffs for the FedEx Cup.*

# Fact Sheet

**Name:**

PGA TOUR

**Web site:**

PGATOUR.com

**Commissioner:**

Tim Finchem (since June 1, 1994)

**Headquarters:**

112 PGA TOUR Boulevard, Ponte Vedra Beach, FL 32082

Phone: 904-285-3700

**Overview:**

The PGA TOUR is a tax-exempt membership organization of professional golfers. The inaugural season-long FedExCup competition began last year at Kapalua and culminated with Tiger Woods winning the FedExCup Trophy at East Lake Golf Club in Atlanta. The four-week PGA TOUR Playoffs for the FedExCup not only offered compelling golf, but also many great story lines – from Steve Stricker's emotional return to the winner's circle to Tiger Woods and Phil Mickelson battling down the stretch.

The mission of the PGA TOUR is to expand domestically and internationally so as to substantially increase player financial benefits while maintaining its commitment to growth in charity and the integrity of the game. In addition to providing competitive opportunities for its membership, PGA TOUR events also generate revenue for charitable causes in their communities.

**2008 Schedule (48 official events):**

1. FedExCup Regular Season – 37 events
2. PGA TOUR Playoffs – 4 events
3. Fall Series – 7 events

The TOUR plays in 22 states plus Canada, Mexico, England and Puerto Rico.

**Major Championships (4):**

Masters Tournament, British Open, U.S. Open, PGA Championship

**Prize Money:**

Approximately \$278 million – Official (48 events)

**Bonus Money for the FedExCup:**

\$10 million for first place, \$3 million for second, \$2 million for third, \$1.5 million for fourth and \$1 million for fifth.

**Charity:**

PGA TOUR, Champions Tour and Nationwide Tour events have donated more than \$1.2 billion to charity since 1938. The PGA TOUR reached the \$1-billion milestone at the 2005 Chrysler Championship. Whereas the first billion was reached after 67 years, the second billion is expected to be achieved within the next five to seven years.

**Eligibility:**

Each PGA TOUR player has earned a position on the priority ranking system that will be used to select full-field open tournaments. The complete priority ranking system, in order of priority, can be found on pages 2-2 and 2-3.

**Membership:**

PGA TOUR members hail from around the globe. In 2008, there are 78 international players with full or partial TOUR exemptions from 19 countries.

**Television:**

Network	Early Round	Third and/ or Final Round	Four-Day Coverage
CBS	—	19	—
NBC	—	11	—
GOLF	30	—	14
<b>TOTALS</b>	<b>30</b>	<b>30</b>	<b>14</b>

In addition to the United States, the majority of TOUR events are seen in the United Kingdom and continental Europe, Latin America, Canada, the Middle East, Africa, Japan, Australia and Pan-Asia. The events are aired live, tape-delayed or in a highlights-package format. The exact amount of coverage for any given event varies from country to country and coverage area to coverage area.

**Awards:**

The PGA TOUR presents the following awards annually:

- FedExCup Champion
- PGA TOUR Player of the Year/Jack Nicklaus Trophy
- Arnold Palmer Award (leading money-winner)
- Byron Nelson Trophy (adjusted scoring average)

## Overview

The PGA TOUR entered a new era in golf in 2007 with the introduction of the FedExCup, a season-long points competition culminating with the first-ever PGA TOUR Playoffs for the FedExCup.

Tiger Woods, the world's top-ranked player, led through the Regular Season and then won the final two events in the Playoffs – the BMW Championship and THE TOUR Championship presented by Coca-Cola – to capture the first FedExCup. Steve Stricker, who won the first Playoff event, The Barclays, placed second. Phil Mickelson, who won the second Playoff event, the Deutsche Bank Championship, finished third.

Stricker led the standings after his victory in New York. Mickelson moved to the top the following week in Boston when he outdueled Woods in the final round to win by two strokes over Arron Oberholser, Brett Wetterich and Woods. Woods climbed back to first in Chicago the next week when he defeated Aaron Baddeley by two strokes. Woods sealed the FedExCup title the following week by shooting a TOUR Championship-record 23-under-par total. His 257 total was the third-best 72-hole total in TOUR history.

The 2008 FedExCup, to be played over 37 weeks, will again offer fans a competition to follow on a weekly basis. Players are rewarded for their season-long performance and ability to rise to the occasion in the Playoffs.

"The FedExCup absolutely accomplished what we envisioned it would by 'connecting' the season and providing a strong, compelling conclusion with our first-ever PGA TOUR Playoffs for the FedExCup," TOUR Commissioner Tim Finchem said. "It delivered significant value to our players, sponsors and television partners and added something new and attractive to our fans.

"Moreover, the four Playoff events delivered record television viewership at a time when sports fans historically have watched the start of the NCAA football season and NFL pre-season and opening games. We certainly saw a change in the tone of coverage as media and fan interest grew through the season and Playoffs, keeping the focus on our sport through mid-September, and ultimately delivering a fitting conclusion."

The new PGA TOUR schedule divides the golf season into two parts:

- 1 FedExCup
  - PGA TOUR Regular Season (33 weeks)
  - PGA TOUR Playoffs for the FedExCup (4 weeks)
- 2 PGA TOUR Fall Series

## 2008 Changes

**Schedule:** No changes were made to the first three weeks of the Playoffs. In deference to the 2008 Ryder Cup, THE TOUR Championship presented by Coca-Cola – the fourth and final Playoff event – was moved back two weeks so that it will be played immediately following the Ryder Cup this year (September 22-28). This move provides a one-week gap between the third Playoff event (the BMW Championship) and the Ryder Cup, so as not to adversely affect either the Ryder Cup or THE TOUR Championship. This gives those members of both the U.S. and European teams who will be competing in the Playoffs the ability to prepare for the Ryder Cup while also focusing on THE TOUR Championship the following week.

As a consequence of the move, all Fall Series events will be moved back one week. This situation is unique to this year's schedule and it is not anticipated that there will be a need to alter the Playoffs schedule beyond 2008. The tentative schedules for 2009-2012 have built-in gaps between THE TOUR Championship and the corresponding team event, either The Presidents Cup or Ryder Cup.

In evaluating the first year of the FedExCup, the PGA TOUR Policy Board did not feel the need to make fundamental changes to the overall structure of the competition. Accordingly, no changes have been made in the points distribution in the PGA TOUR Regular Season.

The Policy Board will continue to assess the point structure as it relates to the reseeding and points distribution throughout the Playoffs, in order to consider ways we might create more volatility and keep more players in contention for the FedExCup at THE TOUR Championship. We will be seeking more feedback from the PGA TOUR membership between now and making a final determination on these matters at a February 2008 meeting.

**Compensation:** The distribution of the \$35-million FedExCup bonus pool will no longer be 100 percent deferred. Beginning in 2008, \$16.5 million in cash will be paid to the top-10 finishers and the remaining \$18.5 million will be paid on a tax-deferred basis into the Retirement Plans of the top 150 players. The maximum tax-deferred-payment amount will be \$1 million to the winner of the FedExCup, who will also receive \$9 million in cash, for a total first-place payout of \$10 million.

This decision, reached by the PGA TOUR Policy Board in November 2007, was part of a comprehensive evaluation that was conducted in regard to the payout structure of the FedExCup. This new formula is consistent with the earning projections previously provided to PGA TOUR members under the Retirement Plan.

## 1 FedExCup PGA TOUR Regular Season

The Regular Season will consist of 37 events in 33 weeks from the beginning of January at the Mercedes-Benz Championship in Hawaii through mid-August at the Wyndham Championship in Greensboro, NC. Points are awarded at four levels:

- Official PGA TOUR events played during the Regular Season each award 25,000 FedExCup points.
- The Masters Tournament, THE PLAYERS Championship, U.S. Open, British Open and the PGA Championship award 27,500 FedExCup points (10 percent more).
- World Golf Championships events award 26,250 FedExCup points (5 percent more).
- Additional events (played opposite other tournaments) award 12,500 FedExCup points. The Puerto Rico Open presented by Banco Popular is a new event in 2008 at this level.

Limited-field events played during the Regular Season will not redistribute the points for places that do not play. Those points are not awarded to the field and the total points distributed will be slightly less than the total points as defined above. For example, if the 2008 Mercedes-Benz Championship has a field of 30 players, the points awarded will be based on the points that would be awarded to each individual position in a full-field event from positions 1 to 30.

The Regular Season events will decide the seeding for the PGA TOUR Playoffs for the FedExCup.

## PGA TOUR Playoffs for the FedExCup

The PGA TOUR Playoffs consist of four events immediately following the Regular Season. Seeding will be determined by a points reset based on the players' final Regular Season points standings. Each Playoff event offers 50,000 points, double that of the Regular Season events. The field for the first event, The Barclays, will include the top 144 players. The second event, the Deutsche Bank Championship in Boston, will have a 120-player field. The third tournament, the BMW Championship in St. Louis, will have 70 players (with no cut). The finale, THE TOUR Championship presented by Coca-Cola in Atlanta, will be comprised of the top-30 qualifiers who will compete for the FedExCup with one to be crowned the FedExCup champion. Each tournament will have a \$7-million purse in addition to the \$35-million FedExCup bonus pool.

Each player's point total will include both reset points and points earned during the Playoff events.

Note: Subject to change.

Ties: Reset points will be distributed between the tying positions using the same methods for dealing with ties during events – the total points for each of the tying positions are divided equally among all players in the tying position.

In the event that a player from the Season cannot or chooses not to play in the PGA TOUR Playoffs for the FedExCup, there will be no alternates and the field will be shortened.

Other notes:

- In all Regular Season events, points are distributed to all players earning official money with the exception of those who are not regular PGA TOUR members. Only players who are regular members as defined by PGA TOUR tournament regulations will be eligible to earn points. Special temporary members and amateurs will not be eligible to earn FedExCup points.
- All players who are not regular PGA TOUR members but choose to join during the season will be eligible to earn points on a prospective basis. Points ARE NOT awarded retroactively. For example, if a non-member wins a Regular Season event and then chooses to join the membership, he will earn points for all events going forward in the season, but not for the event he just won.
- Points will be awarded at official PGA TOUR FedExCup events. For example, the 2005 Nissan Open, which was shortened to 36 holes, is listed as an unofficial victory but awarded official money. This event would award FedExCup points.

## Broadcasting

The PGA TOUR entered new television agreements in 2007 under a term of six-year network deals. CBS and NBC provide weekend coverage of the PGA TOUR FedExCup competition for the 2007 through 2012 seasons. Also beginning in 2007, GOLF CHANNEL became the TOUR's exclusive cable partner. The new agreements also provided for the move of THE PLAYERS Championship to a new May date and a new broadcast format with limited commercial interruptions.

All CBS and NBC weekend broadcasts were in high definition for the first time in 2007.

Some of the highlights of televised golf in 2008 and other areas where you can stay tuned to PGA TOUR golf:

### CBS

CBS, entering its 58th year of broadcasting golf in 2008, expanded its role as the dominant carrier of PGA TOUR golf in 2007, increasing its annual event coverage from 16 to 19. It broadcasts the majority of West Coast events, including the Buick Invitational in San Diego and the Northern Trust Open in the Los Angeles market. CBS will also have a strong run through the spring and summer months of the FedExCup competition, including the Masters, the AT&T National, the World Golf Championships-Bridgestone Invitational, the PGA Championship and The Barclays, the first of the four-event PGA TOUR Playoffs for the FedExCup.

CBS's coverage of PGA TOUR golf is led by on-air host Jim Nantz (in his 23rd year) and second-year analyst Nick Faldo, a World Golf Hall of Fame member. Gary McCord, David Feherty, Peter Kostis, Ian Baker-Finch, Peter Oosterhuis, Bobby Clampett, Bill Macatee and Verne Lundquist round out the on-air golf team.

Lance Barrow is CBS's coordinating producer for golf.

### NBC

NBC added five new PGA TOUR events in 2007, doubling its previous line-up. In addition to continuing its weekend telecasts of THE PLAYERS Championship, which moved to early May, NBC is the network home of the final three weeks of the PGA TOUR Playoffs for the FedExCup, beginning with the Deutsche Bank Championship in Boston, the BMW Championship in St. Louis and the concluding TOUR Championship presented by Coca-Cola in Atlanta. NBC also broadcasts two World Golf Championships events, including the World Golf Championships-Accenture Match Play Championship in late February as a prelude to its traditional five-event March run that includes the World Golf Championships-CA Championship at Doral Golf Resort and Spa. NBC also continues to broadcast The Presidents Cup through the 2011 event. NBC also broadcasts the U.S. Open and Ryder Cup.

THE PLAYERS is televised by NBC under a limited commercial format with commercial messages restricted to the event's three Proud Partners, JELD-WEN, UBS and PricewaterhouseCoopers. GOLF CHANNEL will televise six hours of early round coverage each day, followed by later air times on the weekend during the NBC broadcast.

NBC Sports' Emmy Award-winning golf production team is led by on-air hosts Dan Hicks and Johnny Miller, who are in their ninth year together. Hicks and Miller are joined by tower reporters Gary Koch and Bob Murphy, on-course reporters Roger Maltbie, Mark Roling and Dottie Pepper and interviewer/essayist Jimmy Roberts.

NBC's golf coverage is produced by Tommy Roy.

# THE PLAYERS Championship and TPC Sawgrass

## OVERVIEW

More than 25 years after its conception, the crown jewel of the TPC Network, THE PLAYERS Stadium Course at TPC Sawgrass, has been reborn. The work, completed in early 2007, was designed to enhance THE PLAYERS Championship as one of the world's elite tournaments while elevating the TPC Sawgrass' reputation as a world-class resort. The project included substantial improvements to THE PLAYERS Stadium and Dye's Valley Courses as well as a new clubhouse and upgraded practice facilities.

THE PLAYERS moved to May from its previous March date in 2007 to improve the FedExCup schedule's overall spacing of marquee tournaments that bring all the world's best players together.

### Time line for renovations/dates

March 20-26, 2006	2006 PLAYERS Championship
March 29, 2006	Main Clubhouse closed; temporary clubhouse opened with limited services
April 3, 2006	THE PLAYERS Stadium Course and practice facilities closed

Late April 2007	Reopening of the new clubhouse
May 7-13, 2007	2007 PLAYERS Championship
May 5-11, 2008	2008 PLAYERS Championship

## THE PLAYERS CHAMPIONSHIP

THE PLAYERS' date will be the second week in May going forward (ending on Mother's Day). THE PLAYERS is televised by NBC under a limited-commercial format with messages restricted to three Proud Partners, JELD-WEN, UBS and PricewaterhouseCoopers. Air times include six hours of early-round coverage each day on GOLF CHANNEL, followed by new later air times on the weekend during the NBC broadcast and in high definition.

Also, an improved on-site fan experience includes a continuous, elevated walkway along holes 16, 17 and 18 instead of the previous path below, providing more fans with better sight lines; an enhanced tournament arrival corridor with a Walk of Fame, interactive exhibits by the Proud Partners and merchandise; a tented tournament village; fan hospitality at Nos. 5, 7, 9, 10 and 15; and additional kiosks, video screens and LED scoreboards.

## THE PLAYERS STADIUM COURSE

The home course of THE PLAYERS is played under firm and fast conditions for the best players in the world as well as resort guests because of recent changes. New grasses on the fairways and greens and a state-of-the-art drainage system completed in late 2006 created premium conditions that will be present year-round. There is no ryegrass overseeding during the winter months. In addition, minor competitive enhancements as well as extensive landscaping improvements make our world-class golf course even better.

Input on alterations was received from architect Pete Dye; current and past champions; local players; design, rules, agronomic and executive staff; broadcast partners; and a cross-section of golf-industry experts. Approximately 30 players were interviewed for the project.

Renovations included removing fairway topsoil and replacing it with fresh sand and extensive irrigation; rebuilding the greens using MiniVerde bermudagrass and installing a SubAir subsurface mechanical drainage system that vacuums water in wet conditions and injects air, if necessary; reducing some green slopes, renovating seven greenside bunkers and creating three fairway bunkers on No. 7; extending tees approximately 15-25 yards on Nos. 1, 8, 11, 14, 16 and 18, enabling tournament officials the flexibility of lengthening the course by approximately 100 yards for the tournament, to just more than 7,100 yards; adding spectator seating at Nos. 17 and 18; planting of large live oaks and other "impact" trees in key locations and 100 large trees removed and later replanted throughout the property; and the practice facility's range length was increased to 340 yards, a short-game area was created and a TOUR Golf Academy, with two covered hitting bays, was added on the far right side of the teeing area.

## STRUCTURES

The new 77,000-square foot, Mediterranean Revival-style clubhouse was completed in time for the 2007 tournament. The old clubhouse was torn down after the 2006 PLAYERS and a new facility built in 13 months on the same site. The new clubhouse accommodates at least twice as many special events, houses historical artifacts about the PGA TOUR and THE PLAYERS and is fronted by an 11,000 square-foot lawn where fans can gather. There are premium views of the ninth and 18th holes and a view down the first fairway.

The adjacent Sawgrass Marriott Resort and Spa also underwent a multi-million-dollar refurbishment in late 2006/early 2007. The new ownership group, Ireland-based Redquartz Boundary, Ltd., and its investment partners purchased the facility with plans to make it a world-class resort destination.

## A Brief History of the PGA TOUR

It is not easy to pinpoint the exact beginning of the PGA TOUR. Certainly, professionals have competed against each other from the earliest days of the game in the United States.

In 1895, 10 professional golfers and one amateur played in the first U.S. Open in Newport, RI. Shortly thereafter, tournaments began to pop up across the country, including the Western Open in 1899. But this was not “tour” golf. The events lacked continuity.

Interest in the game, however, continued to grow. American professionals were rapidly improving. When John McDermott became the first American-born player to win the U.S. Open in 1911, interest in the game blossomed. That interest became enthusiasm in 1913 when Englishmen Harry Vardon and Ted Ray came to the United States to play an exhibition tour and compete in the U.S. Open. When 20-year-old amateur Francis Ouimet defeated the pair in a playoff for the Open at Brookline, MA, golf became front-page news and a game for everyone.

In the early 1920s, a series of tournaments was held on the West Coast, in Texas and Florida. These events were held in the winter, and the golfers played their way east and up to Pinehurst, NC, in the spring. By the middle of the decade, the tour was doing relatively well—offering \$77,000 in total prize money.

The first “playing pros” organization was formed in 1932. Two years earlier, Bob Harlow had been named manager of the PGA Tournament Bureau. The tour became more structured following World War II and exploded in the late 1950s and early ‘60s. When Arnold Palmer, televised golf and President Dwight D. Eisenhower arrived on the scene in the late 1950s, the eyes of the world were on golf. This exposure inspired millions to try the game.

Most golf historians trace the “formal” beginning of the PGA TOUR to late 1968, when the “Tournament Players Division” split from the PGA of America and hired Joe Dey as its first commissioner. That organization became the modern-day PGA TOUR. Dey served from early 1969 through February 28, 1974, and was succeeded by Deane R. Beman on March 1, 1974.

During Beman’s administration, the value of tournament purses escalated at an unprecedented rate. PGA TOUR assets grew from \$730,000 in 1974 to more than \$200 million, and total revenues increased from \$3.9 million to \$229 million in 1993.

Tim Finchem, previously the TOUR’s Deputy Commissioner and Chief Operating Officer, became the TOUR’s third commissioner on June 1, 1994. In 1995, Finchem undertook a restructuring program designed to strengthen the PGA TOUR’s core business, which is its competitions, to expand the TOUR’s international scope and prepare it to enter the 21st century. In 1996, Finchem helped spearhead formation of the International Federation of PGA Tours, as golf’s five world-governing bodies laid the groundwork for taking competition into the next millennium. In 1997, the Federation announced the World Golf Championships, which made their debut in 1999 with three events—today called the Accenture Match Play Championship, Bridgestone Invitational and CA Championship. In 2007, the TOUR debuted the FedExCup.

Since 1938, PGA TOUR events have donated more than \$1.2 billion to charity, reaching the \$1 billion milestone late in the 2005 season.

The competitive scope of the PGA TOUR also is much broader today. The Champions Tour, entering its 28th season, has been labeled the most successful senior sports venture in history. Fans and television viewers are able to get closer to the game on this Tour, both on site and with instructional platforms. The Charles Schwab Cup will be contested for the eighth time in 2007.

The Nationwide Tour, under that sponsorship umbrella for the sixth year, has been recognized as the “official proving ground” for the PGA TOUR with its excellent level of play that saw 65 percent of its alumni making up the 2008 PGA TOUR. The top 25 money winners earn their PGA TOUR cards for the following season. Among the former players on this Tour who have gone on to star on the PGA TOUR are David Duval, Tom Lehman, Jeff Maggert, Stuart Appleby, Stewart Cink, David Toms, 2003 U.S. Open winner Jim Furyk and 2007 Masters champions Zach Johnson. Through 2007, 217 PGA TOUR events have been won by former Nationwide Tour players.

When the PGA TOUR opened the TPC Sawgrass in 1980, it introduced the era of stadium golf and record-breaking attendance. Owned and/or operated by the TOUR, the TPC Network courses are the only major-league sports venues owned by the players themselves. The reworked PLAYERS Stadium Course at TPC Sawgrass, with refurbished fairways and rebuilt greens and a new, enlarged clubhouse, debuted in May 2007 for THE PLAYERS Championship.

The successful debut of the FedExCup in 2007 was concluded by the PGA TOUR Playoffs for the FedExCup, with Tiger Woods taking the title.

## About the Commissioner

**Tim Finchem**  
**PGA TOUR Commissioner**

Tim Finchem began his 14th year as commissioner of the PGA TOUR in June 2007. From the time Finchem joined the TOUR management team, he has played a key role in strengthening the PGA TOUR's position as one of the most successful, well respected sports organizations in the world, and his leadership has helped foster the growth of the game, both domestically and internationally.

During his tenure, Finchem has greatly expanded the earnings opportunities for PGA TOUR players. The TOUR, through its tournaments and sponsors, has dramatically escalated tournament purses and grown total revenues at an unprecedented rate, all while donating more than \$1 billion to charity, a milestone reached in late 2005.

One of the most significant accomplishments during this period has been the development and introduction of the FedExCup, a season-long points competition that culminates with the PGA TOUR Playoffs for the FedExCup. In 2007, the inaugural FedExCup brought an unparalleled level of late-season focus to and interest in the TOUR, as indicated by significant increases in television and online audiences, tournament attendance, sponsor activation and media coverage.

Under Finchem's leadership, The Presidents Cup was created in 1994, bringing together the world's best non-European players in team, match-play competition against their American counterparts. After seven stagings, The Presidents Cup has grown to be one of the most highly anticipated events on golf's calendar, and the 2007 event at Royal Montreal Golf Club in Canada was the most successful to date.

Finchem has also been instrumental in the formation of the International Federation of PGA Tours and the World Golf Foundation. His personal dedication

to the success of the World Golf Foundation's The First Tee initiative has meant that in just 10 years, The First Tee has grown to include more than 200 chapters that reach more than 1.5 million young people.

Born in Ottawa, IL, on April 19, 1947, Finchem graduated from Princess Anne High School in Virginia Beach, VA. He attended the University of Richmond on a debate scholarship, receiving his Bachelor of Arts degree in 1969. He graduated from the University of Virginia Law School in 1973. After practicing law in Virginia Beach for three years, Finchem served in the White House as Deputy Advisor to the President in the Office of Economic Affairs in 1978 and 1979. In the early 1980s, Finchem co-founded the National Strategies and Marketing Group in Washington, D.C.

Finchem is the recipient of the Golf Course Superintendents Association of America's Old Tom Morris Award for 2001 and the PGA of America's Distinguished Service Award for 2002. He was awarded the Dick Schaap Lifetime Achievement in Sports Award in 2005.

Finchem is the third commissioner of the PGA TOUR, succeeding Deane Beman. Beman had served for 20 years, replacing the late Joe Dey, who had been the TOUR's commissioner in its first five years, 1969-74.

Prior to becoming commissioner on June 1, 1994, Finchem was deputy commissioner and chief operating officer of the TOUR. He joined the TOUR as vice president of business affairs in 1987.

Finchem and his wife, the former Holly Bachand, have four children and live in Ponte Vedra Beach, FL.

It was his first top-10 since his T6 finish at the 2005 B.C. Open...Finished second at the Turning Stone Resort Championship, two strokes behind winner Steve Flesch. ## BEST 2007 PGA TOUR FINISHES:

T2—Shell Houston Open; T3—AT&T National; T7—Masters Tournament.

## 2007 SEASON:

Several near-misses marked the 2007 season and made the International Team at The Presidents Cup for the fifth time. In attempt to win a fourth consecutive Mercedes-Benz Championship, finished T13. In defense of Shell Houston Open title, held a share of the 18- and 36-hole leads before finishing T2 behind countryman Adam Scott. One shot behind Scott on the 72nd hole, posted a double-bogey six after approach shot found a water hazard. Scott made a miraculous par to finish three shots clear. Held the 54-hole lead at the Masters Tournament before a final-round 75 dropped him to T7, his fourth career top-10 in a major championship. Shared the lead after the first two rounds and was the third-round leader at the inaugural AT&T National at 9-under, two strokes ahead of eventual winner K.J. Choi, but finished T3 after dropping six strokes

in his first seven holes on the final day. Closed with 6-over 76. Earned 10th and final automatic spot for The Presidents Cup International Team with T12 finish at the PGA Championship.

## CAREER HIGHLIGHTS:

**2006:** Won twice and finished in the top 10 (No. 8) on the money list, both firsts in his 11-year TOUR career. Joined Gene Littler (1955-57) as the only players to win three consecutive Mercedes Championships. Trained Olin Browne by two strokes after first round, then held second- and third-round leads prior to defeating Vijay Singh with a birdie on the first playoff hole. One of two players in 28-man field to post four sub-par rounds as he finished the event at 8-under 284, the highest 72-hole winning total since the tournament moved to Kapalua in 1999 and the highest in tournament history since Gary Player won with a 4-under 284 in 1969 at La Costa CC. A T7 the following week at the Sony Open in Hawaii gave him back-to-back top-10s for the first time since the end of the 2003 season. Three months later, became a two-time winner by taking the Shell Houston Open in wire-to-wire fashion, the first player in the 59-year history of the tournament to lead outright in all four rounds. The ninth multiple winner of the Shell Houston Open (1999) was the only player in the field to post four rounds in the 60s. Finished six strokes ahead of Bob Estes, matching the largest victory margin at the tournament (Vijay Singh in 2002 and Jack Burke, Jr. in 1952). In previous seven TOUR wins, won by a total of five strokes. **2005:** Won for the third consecutive season and was first player during the year to successfully defend a title with his victory at the Mercedes Championships. Became the first back-to-back winner in 22 years at the TOUR's season-opening event. Came from four strokes back on final day to pass 54-hole leader Vijay Singh.

Almost did not return to defend title due to a nerve problem in his left hip and upper thigh causing severe pain and expectant due date of pregnant wife Ashley. Made fourth International Presidents Cup Team. **2004:** Finished in the top 20 (No. 13) on the money list for the third time in his career and second consecutive season. Earned fifth career victory at the Mercedes Championships, topping Vijay Singh by one stroke. Held first- and third-round leads. Held four-stroke lead through 54 holes at the Bay Hill Invitational but a final-round 76 left him six strokes behind winner Chad Campbell. **2003:** Season punctuated by fourth career victory at the Las Vegas Invitational, his first win since 1999. Finished 12th on the money list and represented the International team at The Presidents Cup in South Africa. Surpassed the \$10-million mark in career TOUR earnings with Vegas victory. Defeated Scott McCarron in playoff after the two set a tournament record with scores of 31-under 328, including career-low 62 in first round. Prior to win, had finished T2 three times earlier in the year, Shell Houston Open, 84 LUMBER Classic of Pennsylvania and the American Express Championship. **2002:** Moved back into top 50 in earnings, highlighted by near miss at British Open. Best career finish in a major, T2, at the 131st British Open at Muirfield. After posting final-round 65 to join Ernie Els, Thomas Levet and Steve Elkington in playoff, bogeyed the fourth and final hole of the aggregate playoff to be eliminated. Second runner-up finish came at the Invensys Classic at Las Vegas, one stroke shy of Phil Taturangi, who posted a final-round 62. **2001:** Despite four top-10s, fell out of the top 30, at 55th, for the first time since 1998. **2000:** Although winless for first time in four seasons, stood 24th on the money list with earnings of \$1,642,221 in 24 starts. Best of five top-10s came in his second start, as runner-up to Paul Azinger at Sony Open in Hawaii. Four sub-par rounds at PGA

### PERSONAL:

Won a Nissan Altima Coupe with a hole-in-one at the 2007 Nissan Open on the par-3 14th hole during the third round. Immediately after the ace with a 7-iron from 176 yards, dove onto the car on display next to the tee box and eventually found his way onto a Nissan television commercial with the antic. Beem had watched Peter Jacobsen dive into a car after his ace in the Nissan Open 13 years ago. "I wish I could take full credit for making a fool of myself, but I stole that (from Peter Jacobsen). Jake had a convertible and hopped into it. I will never forget that. Today, I just saw the car and thought, might as well. I'll tell you the top of that hood was pretty warm, and the back is a little scratched up from my shoes."...Quit the game temporarily in 1995 and sold cellular phones and car stereo systems in Seattle. Watched fellow El Paso, TX, resident J.P. Hayes win 1998 Buick Classic and gained renewed interest...Worked in pro shop at El Paso CC prior to joining TOUR...Father, Larry, retired as golf coach at New Mexico State in 2004.

## BEST 2007 PGA TOUR FINISHES:

T30—Masters Tournament.

## 2007 SEASON:

Tied Masters Tournament record (23, with Gary Player) for consecutive Masters cuts made. Finished T30 in only 72-hole tournament finish of the year. Sidelined most of the year with back issues. Didn't play again in an official event after the Masters.

## CAREER HIGHLIGHTS:

**2006:** Highlight of 26th full season on TOUR was battle with Phil Mickelson at the Masters, where he dropped to a T3 finish on Sunday... Struggled after the U.S. Open, and eventually diagnosed with blood clot in right arm in September after withdrawing from Bridgestone Invitational. Spent three days in a Columbus, GA, hospital... Posted the first top-10 of the season and his 13th in 25 starts at the Nissan Open with a fourth-place finish. Tied with three others with three holes to play but bogeyed two of last three to finish three strokes behind winner Rory Sabbatini... Recorded a PLAYERS Championship tournament-record fourth hole-in-one of the week on the 159-yard 13th hole with a 9-iron. The ace was his second at the TPC Sawgrass. He aced the par-3 17th hole in 1997 during the final round. Also holed out third shot from the 17th tee during the first round of the 1999 tournament after splashing his tee shot into water hazard... Vying to become the oldest Masters champion at the age of 46 years, six months and six days, was paired with 54-hole leader Phil Mickelson in final twosome on Sunday after opening 71-70-72. Hit 16 of 18 greens in final

round but took 34 putts en route to a final-round 71 and a T3 finish. Extended Masters cut streak to 22 straight (dating to 1983 debut). **2005:** With back issues largely under control, posted four top-10s and played a crucial role on the victorious United States Presidents Cup squad... Finished runner-up at the Memorial Tournament for the second straight year, one stroke back of Bart Bryant... Finished T3 at the British Open, his ninth top-10 at the event... Tabbed by Jack Nicklaus as Captain's Selection for The Presidents Cup. Posted a 1-2-1 record but defeated World No. 2 Vijay Singh in Sunday singles match, 1-up, by draining a 20-foot putt on No. 18. **2004:** Continued to play limited schedule due to back problems, but posted three top-10s in 16 starts... Finished T6 at Masters for ninth career top-10 in 20 starts for 1992 champion... Past champion unable to catch Ernie Els on the weekend at the Memorial Tournament. Finished solo second thanks to four rounds in the 60s. **2003:** Candidate for Comeback Player of the Year won for the first time since 1998 at the Shell Houston Open. Missed just one cut in 18 starts... Began season at No. 147 in the Official World Golf Ranking and was No. 36 by season's end... Discouraged with his game, hooked up with Butch Harmon during the AT&T Pebble Beach National Pro-Am. The two worked for six hours one day, with Couples shortening his swing to take some pressure off his tender back... Held first- and third-round leads at Houston before defeating runners-up Mark Calcavecchia, Stuart Appleby and Hank Kuehne by four. Win was the first victory in 87 events, dating back to the 1998 Memorial Tournament. Became the first player from the University of Houston and the sixth player over age 40 to win the Shell Houston Open.

### PERSONAL:

Was age 5 when his grandfather taught him how to play golf...Doesn't like to know who he will be paired with, saying, "I looked up to a lot of these guys who I'm now playing with. So, I didn't want to have to go to sleep thinking about it. And so that's kind of been my routine. I never want to know who I'm playing with. Just tell me the time. In 2002, at the Byron Nelson I played with Ernie Els in the final round, it worked good, because I watched Ernie play a lot of golf on TV. So we just kind of kept that routine going. I just never look and find out on the first tee."

Finished T5 at the U.S. Bank Championship in Milwaukee, his fourth top-five finish since his last victory on TOUR, the 1999 Doral-Ryder Open... Contended for his second PGA Championship title, but fell one stroke short of Phil Mickelson. Finished T2 at Baltusrol, moving him into the top 50 in the Official World Golf Ranking which earned him a spot in the NEC Invitational the next week. It was his ninth top-10 out of 50 career major championship appearances. **2004:** Started the year making the cut in all five starts during the eight-week stretch of the West Coast Swing... Best finish of the season was T18 at the Reno-Tahoe Open. **2003:** His 14 appearances were least of his career. Finished 187th on money list, lowest since joining the TOUR full-time in 1987... Was 117th on the money list... Played well late in the season. Had back-to-back T6s in the Marconi Pennsylvania Classic and Texas Open. **2000:** Year riddled with injuries and ailments. Made only 17 appearances... Injured wrist in first round of Greater Greensboro Chrysler Classic, where he missed cut, then withdrew from the next week's Shell Houston Open. ## 2007 SEASON:

Captured his first major championship at the British Open and finished 29th in the FedExCup. Opened with an 8-under 63 at the Nissan Open to lead the field by three. Shared the 36-hole lead with Phil Mickelson and was one back of Mickelson through 54 holes. Closed with a 2-over 73 to finish seventh. Shot a third-round 68, which tied the low round for the event, en route to a T7 finish at the Masters Tournament. Beat Bradley Dredge on the first hole of a playoff to capture the Irish Open on the European Tour, becoming the first Irish winner of the event since John O'Leary in 1982. Earned first major championship victory at the British Open at Carnoustie Golf Links in 37th major start at age 35 years, 10 months and nine days, overcoming a double bogey at the 72nd hole and Sergio Garcia in a four-hole aggregate playoff. Posted rounds of 69-73-68 through 54 holes and entered the final round six off Garcia's lead. Was 6-under through 17 holes, but hit into the Barry Burn twice on 18 en route to a double bogey and a 67. After a bogey by Garcia on No. 18 to force a playoff, Harrington took command with a birdie on the first hole and was even par for the four holes, one ahead of Garcia. First European player to win a major championship since Paul Lawrie captured the British Open at same venue in 1999. First Irishman to win the British Open since Fred Daly won at Hoylake in 1947. Earned a record \$1,542,527 and jumped from 80th to 19th in the FedExCup standings. First-round 63 resulted in a T11 at the TOUR Championship presented by Coca-Cola.

## CAREER HIGHLIGHTS:

**2006:** Posted three top-10s in 15 starts on TOUR, including a runner-up at the Booz Allen Classic. Won the European Tour Order of Merit for the first time in his 11 years on that tour. Finished fifth at the U.S. Open at Winged Foot, his fourth top-10 in nine starts at the U.S. Open. It was his seventh top-10 in a major championship, with a previous-best finish of T5. Posted 0-4-1 record at the Ryder Cup. A win at the Alfred Dunhill Links Championship and a T2 at the season-ending Volvo Masters enabled him to edge Paul Casey for top honors on the European Tour. Birdied second playoff hole to beat Tiger Woods at the Dunlop Phoenix on the Japan Golf Tour in mid-November. **2005:** In first year as a fully-exempt player on TOUR, picked up his first two TOUR wins and earned more than \$2.6 million. Initial victory came in his 63rd career event at The Honda Classic. Came from seven strokes back of Brett Wetterich and Geoff Ogilvy to tie Vijay Singh and Joe Ogilvie at 14-under 274. After Ogilvie was eliminated on first extra hole, improved his playoff record to 1-1 when Singh missed a 3-footer for par. Earned second victory of the season in June at the Barclays Classic, draining a 66-foot eagle putt on the 72nd hole to defeat Jim Furyk by one stroke. Duo entered 72nd hole tied. Harrington reached the green in two with a 3-iron from 219 yards and drained the long eagle putt for final-round 70 and a one-stroke victory. **2004:** Irishman split time between the PGA TOUR (12 events) and the European Tour (13). Finished No. 1 on the non-member list on the TOUR and No. 3 on the European Tour's Volvo Order of Merit. Earned second consecutive runner-up finish at THE PLAYERS Championship, one stroke behind champion Adam Scott. Shot a final-round, 6-under-par 66 that included a back-nine 30, the first 30 posted on the back nine since Taylor Smith did so in the first round in 1997. Posted an ace on the par-3 16th hole on Sunday at the Masters en route to a T13 finish. Also captured the annual Par-3 Contest on Wednesday. In late May, became a Special Temporary Member of the TOUR for the remainder of season. Won the Linde German Masters on the European Tour in September and a week later was a member of the winning European Ryder Cup Team. As non-member had enough earnings to be included in the season-ending TOUR Championship presented by Coca-Cola as a 31st player, where he finished 14th. **2003:** Solo 36-hole leader at THE PLAYERS by two strokes over eventual champion Davis Love III and defending champion Craig Perks. Third-round 70 gave him share of lead with Jay Haas. Final-round 72 good for T2 finish. Joined the TOUR as a Special

Temporary Member. **2002:** Finished in the top-10 in three of the four majors — T5 at the Masters, T8 at the U.S. Open and T5 at British Open. Earned two points for the victorious European Team at the Ryder Cup, including a singles victory over Mark Calcavecchia. **2001:** Won the season-ending Volvo Masters and placed second six other times to finish second on the European Tour Order of Merit behind Retief Goosen. **2000:** Will remember season for two victories and one that might have been. Disqualified from Benson and Hedges International Open, while holding five-stroke lead through 54 holes, after failing to sign first-round scorecard. ## 2007 SEASON:

Had most consistent season with career highs in top-25s (14) and top-10s (5) and nearly \$2 million in earnings...Recorded his first top-10 of the year, a T7, at the Verizon Heritage. Second-round 66 matched his low round of the season. T7 was his best finish on TOUR since a solo third at the 2006 Canadian Open...Was the 54-hole leader by two strokes over Phil Mickelson at THE PLAYERS Championship after opening 72-69-66. Playing with Mickelson in the last group on Sunday, saw victory hopes evaporate with a quadruple-bogey on the par-3 17th hole (two balls in the water hazard). Finished 11th after a final-round 76. About his 71st hole, O'Hair said: "I went dead after the pin, and it was right on line with the pin, maybe a yard right of the pin, and went in the water. You've got to make something happen. I didn't bust it for four days to get second place. So obviously I paid for it."...First-round 65 gave him a share of the lead at the Memorial Tournament. Finished T5...Closed with a 3-under 68 at TPC Boston to finish T9 at the Deutsche Bank Championship, the second event in the PGA TOUR Playoffs for the FedExCup...Finished T4 at the inaugural Fry's Electronics Open after briefly vaulting into the lead Sunday. Double bogey-bogey finish left him five behind winner Mike Weir. T5 at Ginn sur Mer Classic.

Entered 30 events, made 20 cuts and finished in the top-25 seven times...Played well in the major championships, making the cut in three of the four. Finished T14 at the British Open and T12 at the PGA Championship, his best finish in six career major championship starts...Finished third at the Canadian Open, his best finish since capturing the 2005 John Deere Classic, two behind champion Jim Furyk. **2005:** Stellar first season on TOUR, which included his first victory and a runner-up finish...First TOUR win came at John Deere Classic just one day shy of his 23rd birthday in his 18th career TOUR start. Posted four rounds in the 60s, including a final-round 6-under-par 65 that overcame a five-stroke J.L. Lewis lead. Finished the tournament with one bogey over his last 60 holes. Earned a career-high \$720,000 and a spot in the British Open field the following week, jumping to 16th on the TOUR money list. Moved to World No. 53 from No. 93 and from No. 1155 at the end of 2004. The Wednesday evening prior to the first round after struggling with his swing. "I was so desperate, I went to a Borders (bookstore) down the road from my hotel to get a couple Jack Nicklaus books. Thursday morning I woke up and was trying it in the hotel room. I tried it on the range before I went and played on Thursday and just hit the ball probably the best I've ever hit it"...Obtained a last-minute passport for British Open trip to St. Andrews. After arriving on Wednesday, finished T15, his first career start in a major championship...In just his 12th start of his rookie campaign finished solo second at the EDS Byron Nelson Championship. Held the lead after 36 and 54 holes, but could not catch Ted Purdy who closed with a 5-under 65.

Born the day after a golf course opened next door (Real Golf Club de San Sebastian) where grandfather was greenskeeper. Mother and father also worked there. When grandfather died, Jose's father, Gaspar, took his place as greenskeeper. Father received a club to cut down and Jose, at age 2, used it to hit balls. Mother would take him out on golf course late in the afternoon starting at age 6...Sometimes called "Chemma," a short way to say Jose Maria in Spanish.

## CAREER HIGHLIGHTS:

2006: Lone top-10 of the season was his third career win. Finished 111th on the money list...Did not play after August, due to complications with his surgically-repaired right elbow...Picked up his third career win at the Chrysler Classic of Tucson, closing with rounds of 64-63. Final 36-hole total of 127 was one off tournament record set by Johnny Palmer in 1948. Final-round 9-under 63 brought him

from six strokes behind to defeat Jerry Kelly by one. Opened round with five straight birdies and closed with four birdies over last five holes. The 63 was the lowest final round posted by a winner in Tucson since Johnny Miller won with a final-round 61 in 1975 and the comeback matched the tournament record set by Gene Littler in 1959. The 63 also matched Tiger Woods at the Deutsche Bank Championship for low finish by a winner on TOUR that year. Win came two and one-half years since his last victory at the 2003 Reno-Tahoe Open, where he also fired a final-round 9-under 63 to win on the final day. 2005: Limited to 18 events due to elbow injury. Underwent right elbow surgery on damaged tendons on July 21 and didn't return until October at the FUNAI Classic at Walt Disney World Resort. Finished out of the top 125 for the first time since joining the TOUR in 1990. Received a Minor Medical Extension...In fifth start of 2005, upset No. 2 seed Mike Weir in the first round of the World Golf Championships-Accenture Match Play Championship, 1-up en route to T9 finish, his only top-10 of season. 2004: Made 19 cuts in 24 starts and collected six top-10s...Best finish was a T6 at Masters, tying a career-best in six starts at Augusta. University of Nevada-Reno graduate tied the 72-hole tournament record of 17-under-par 271 thanks to a final-round 63...Earned a

spot in the TOUR Championship for only the third time in his career, finished T21. 2002: First top-10 was T6 at the Bob Hope Chrysler Classic...Shared second-round lead at Greater Milwaukee Open, finished T8...Earned third top-five finish in last four years at the John Deere Classic with his third-place finish (T3-1999, second-2000). 2001: Finished in the top-10 in three of the four majors. Did not play in British Open. Best finish in a major before this season included T13 at the PGA in 1995 and 1997...Began the defense of Nissan Open title with first-round 66, good for four-way share of lead. Skied to an 81 in second round and missed cut. First player to lead after the first round and miss cut since Rodney Pamplung at 1999 British Open...First top-10 of season came at Masters Tournament, a T6...Recorded a T7 in season's second major, U.S. Open at Southern Hills...Playing in his 10th PGA Championship, placed T10...Four rounds in the 60s produced Michelob Championship runner-up finish. 2000: Earned first victory in 266th TOUR start, a one-stroke win over Jesper Parnevik in Nissan Open. A clutch four-foot par putt on final hole at Riviera CC brought victory after watching Parnevik drain a birdie putt. Trained 54-hole leader David Sutherland by one stroke before closing with 67...Almost won again at John Deere Classic, where he lost on fourth playoff hole to Michael Clark II, the 2000 Rookie of the Year. ## PERSONAL:

Uses a pink shaft in his driver...Father started him in golf...Attended the same high school (Milton, FL) as current PGA TOUR players Heath Slocum and Boo Weekley...Self-taught player who learned the game by hitting wiffle balls around his house. "The house was probably an acre and a

half yard with big trees, downtown Bagdad (FL). The house is sitting here, and I drew in the dirt driveway. I'd draw a big circle, and that would be my hole, a 5-foot circle. I'd go around it to the left and then I'd go around it to the right. So I learned to cut it. If you know about wiffle balls or plastic balls, it's hard to cut. Then I learned to hook it the other way, hit it high over limbs, hit it low under limbs. I'd say non-stop every day from 6 to 12 years old. Instead of playing with trucks out in the yard, I'd play with a ball and a club..."...Is using the same putter he has had since he first took up the game...Wife Angie is 6-foot-4 and a former University of Georgia, WNBA and European professional basketball player. She also serves as his agent...Has his own line of clothing, Bubbagolf, featuring shirts, pants and windbreakers, available through retailer Steve and Barry's...Sponsors the Bubba Watson Invitational at the University of West Florida, a women's NCAA Division II golf tournament at Stonebrook Village Golf Course, Watson's home course in Pace, FL.

## BEST 2007 CHAMPIONS TOUR FINISHES:

1—Outback Steakhouse Pro-Am, Senior British Open; 2—Constellation Energy Senior Players Championship; 3—Wal-Mart First Tee Open at Pebble Beach; 4—U.S. Senior Open; T5—Bank of America Championship; T6—JELD-WEN Tradition; T9—MasterCard Championship at Hualalai

## 2007 SEASON:

In first start of 2007, finished T19 at the AT&T Pebble Beach National Pro-Am. Paired with son Michael for the event. It was his first top-25 since the 2003 British Open. Extended streak to 36 consecutive seasons with at least one made cut on the PGA TOUR. Also played in his 34th Masters Tournament and just barely missed the 36-hole cut after making a triple bogey-7 on the last hole Friday. Continued his run of success at the Senior British Open when he prevailed in adverse conditions to win by one stroke over Mark O'Meara and Stewart Ginn at Muirfield in July. Despite a double bogey at the 72nd hole, claimed the event for the third time, duplicating victories in 2003 and 2005. Victory gave him eight official wins in the British Isles (five British Open titles and three Senior British Open titles), including seven in Scotland and 13 major championships overall. The win also made him the second three-time champion, joining Gary Player. Triumph at the Senior British was his 10th career win on the Champions Tour and was his 49th official title on both the PGA TOUR/Champions Tour combined. First Champions Tour victory of 2007 season came in February. Braved chilly and windy conditions near Tampa to win the Outback Steakhouse Pro-Am, holding off both Jay Haas and Andy Bean by a stroke at TPC Tampa Bay. The win ended an 0-93 victory drought in Florida (0-77 on the PGA TOUR and 0-16 on the Champions Tour). Played his last nine holes in 3-under and made key par saves on two of his last four holes to preserve the win, his first since the end of the 2005 season. Also teamed with good friend Andy North to win a third straight Raphael Division title at the Liberty Mutual Legends of Golf. Duo edged Gary Koch and Roger Maltbie by one stroke in the 36-hole better-ball competition in Savannah.

## CAREER HIGHLIGHTS:

**2006:** Spent most of the season on the Champions Tour, playing only two events on the PGA TOUR. Had a near miss at the U.S. Senior Open in July at Prairie Dunes CC. Held a two-stroke margin over eventual winner Allen Doyle after 54 holes but started Sunday's final round with bogeys on three of the first six holes and then could not hold off a Sunday charge from Doyle. Competed in his 30th British Open and made his 22nd cut in the event, finishing T48. Made his 33rd Masters appearance but did not make the cut. **2005:** Spent most of the season on the Champions Tour, playing only two events on the PGA TOUR. Along with Luke Donald, played the first two rounds of the British Open at St. Andrews with Jack Nicklaus, who was making his last appearance in a major championship. Went on to make his second consecutive cut in the event and posted a 1-over 289 total to finish T41. Ended almost a two-year official victory drought when he triumphed for the second

time at the Senior British Open, this time at Royal Aberdeen, his sixth overall title in Scotland. Won the season-ending Schwab Cup Championship and the season-long Charles Schwab Cup and its \$1-million first prize. Came from six strokes back to defeat Jay Haas, thanks to a closing 8-under 64. **2004:** Finished T66 at the Bay Hill Invitational and earned \$10,350. It was his first made cut in a PGA TOUR event since the 2002 Bank of America Colonial. Played in 12 Champions Tour events and collected five top-10s. Won his first Wendy's Champions Skins Game on the third extra playoff hole. Had surgery on his right shoulder in October. **2003:** Played in just four events for the fourth straight year on PGA TOUR but participated in all nine majors between the PGA TOUR and Champions Tour, a record for majors participation. Thanks to two major victories, named Champions Tour Player of the Year. Playing on a special exemption, the 53-year old shared the first-round lead at the U.S. Open with Brett Quigley at 5-under 65. Finished T28. Finished in top 10 in 10 of 14 events on the Champions Tour including two wins and five runner-ups. Wins came in two of the Champions Tour majors: Senior British Open and JELD-WEN Tradition. Finished first in Charles Schwab Cup points and donated entire \$1-million bonus to ALS research, the disease his caddie Bruce Edwards died from. Also the recipient of the Card Walker Award and the Payne Stewart Award. **2002:** Made his 23rd cut in 29 appearances at the Masters and finished T40. Picked up a win for third consecutive year on Champions Tour at Senior PGA Championship. **2000:** Made cut in three of four majors with a best finish of T9 in the PGA (missed Masters cut). Went over \$1-million mark in season earnings for first time in his career. **1998:** Earned 34th PGA TOUR title with victory at MasterCard Colonial. At 48, was oldest player to win event (previous oldest: 46-year-old Ben Hogan when he captured his last of five Colonial titles). Best finish at Augusta National since 1991. **1996:** After nine-year absence, returned to the PGA TOUR winner's circle with victory at Memorial Tournament. Finished 25th on the money list, highest ranking since 1987, and made first trip to THE TOUR Championship since winning that event in 1987. **1993:** Captain of victorious Ryder Cup team. **1987:** Won season-ending Nabisco Championship (now THE TOUR Championship) and finished in top five on money list (No. 5) for last time in his career. **1984:** Finished in top-3 six times including three victories. First on final money list for fifth time in career. Won PGA of America Player of the Year Award for sixth time in career (1977, '78, '79, '80, '82, '84). **1983:** Won the last of his eight major championship crowns at the British Open. Also captured British Open titles in 1975, '77, '80, '82, Masters titles in 1977 and 1981 and the 1982 U.S. Open. **1982:** Won only U.S. Open title, chipping in on the 17th hole at Pebble Beach to nip Jack Nicklaus. For sixth consecutive year, captured at least

three victories in a season. During that time (1977-82) posted 26 wins, 13 runners-up finishes and 10 thirds along with being the PGA TOUR's leading money-winner four years in a row (1977-80). Became one of six players to win U.S. and British Opens in same year (Bobby Jones, Gene Sarazen, Ben Hogan, Lee Trevino and Tiger Woods). **1980:** Became first player to earn \$500,000 in a season when he captured six TOUR events to go along with third British Open. Was last player to win same event three consecutive years (1978-79-80 GTE Byron Nelson Classics) before Tiger Woods accomplished the feat twice in 2001. **1979:** Earned third consecutive Vardon Trophy (1977-79). **1974:** First victory came at Western Open, where he defeated Tom Weiskopf and J.C. Snead by two strokes.

## 2007 SEASON:

Returned to winner's circle at the Fry's Electronics Open and defeated World No. 1 Tiger Woods in Canadian homeland at The Presidents Cup. Recorded his first top-10 of the season with a T8 at the AT&T National. It was his first top-10 since a solo sixth at the 2006 PGA Championship. Finished T8 at the British Open to record back-to-back top-10s for the first time since 2004 when he had consecutive top-10s at the FBR Open (T5), AT&T Pebble Beach National Pro-Am (T4) and Nissan Open (1), the last of his seven TOUR titles. Was a Captain's Pick by International Team Captain Gary Player for The Presidents Cup in his native country, Canada. Shared the 36-hole lead at the Deutsche Bank Championship, but closing rounds of 74-73 dropped him to

T30. Ended the week 87th in the PGA TOUR Playoffs for the FedExCup standings, and failed to advance to the top-70 player field the next week at the BMW Championship. Representing the International Team in home country of Canada, posted a 3-1-1 record including a 1-up victory over World No. 1 Tiger Woods in the Singles matches. Two weeks later, continued strong play with a T10 at the Frys.com Open benefiting Shriners Hospitals for Children. One week later, captured eighth career TOUR title at the inaugural Fry's Electronics Open, his first win since 2004. Carded rounds of 69-64-65-68--266 to edge runner-up Mark Hensby by one stroke, thanks in part to a 2-under-par effort over the last five holes. Victory tied him with George Knudson (8 wins, 1961-72) as the winningest Canadian in TOUR history.

## CAREER HIGHLIGHTS:

**2006:** Finished in the top 40 (No. 33) on the money list for the sixth time in the last eight seasons. Twelve top-25s were the most since he had 16 in 2003. Best finish was a T3 at the AT&T Pebble Beach National Pro-Am. Held the solo 36-hole and shared 54-hole leads (with Arron Oberholser) before a closing 6-over 78 dropped him to T3. Finished T6 at the U.S. Open at Winged Foot and sixth at the PGA Championship. Posted at least two top-10s in the majors for the third time in his nine-year TOUR career (2003: 1st-Masters, T3 U.S. Open, T7 PGA, and 2004: T4-U.S. Open, T9-British Open). **2005:** Fell to No. 56 on the money list with only two top-10s in 23 starts. Lingering neck injury suffered at 2004 Bell Canadian Open affected play. Finished in the top-10 for the fifth time in his last six appearances at the AT&T Pebble Beach National Pro-Am. Collected his sixth career runner-up finish, four strokes

behind Phil Mickelson and fired the only round in the 60s (5-under 67) during Sunday's final round. 2003 Masters champion rebounded from missed cut in 2004 with T5 finish in Augusta. Compiled a 2-2-0 record at The Presidents Cup, including a 3-and-2 singles victory over Scott Verplank. **2004:** Maintained top-10 Official World Golf Ranking status on the strength of a victory at Nissan Open and top-10s in two majors. Started the final round with a five-stroke lead and survived a rainy final round at Riviera to successfully defend his Nissan Open title. Won his previous six PGA TOUR events from behind and was 0-for-5 with a 54-hole lead. Closed with an even-par 71 and became the first back-to-back winner at Riviera since Corey Pavin in 1994-95. Posted back-to-back top-10s at the U.S. Open with his T4 finish (T3 in 2003). Then posted back-to-back top-10s in a major with a T9 at the British Open in Scotland. Finished as runner-up at the Bell Canadian Open after a bogey on the 72nd hole pushed him into a playoff with Vijay Singh. Missed a 5-footer for birdie on the second extra hole to win and was defeated by Singh on the following hole after Weir's approach found the hazard just right of the green. Held the second- and third-round leads, including a three-stroke lead heading into Sunday's final round. His best finish and just the second top-10 in 14 starts in his national Open. **2003:** Had breakthrough season on TOUR with three wins, matching his career total entering the season, including his first major title at the Masters. Daly won playoff by four strokes, thanks largely to Rocca's 7 at par-4 17th. Became youngest active player on TOUR with two major championship titles and fourth American at the time since World War II to win two majors before his 30th birthday, joining Jack Nicklaus, Tom Watson and Johnny Miller. In 1994, after serving suspension early in season, earned third TOUR victory at BellSouth Classic. Grabbed lead with second-round 64, then withstood challenges of Nolan Henke and Brian Henninger. ### DAY, Jason

**FULL NAME:** Jason Anthony Day **BIRTHDATE:** November 12, 1987 **BIRTHPLACE:** Beaudesert, Queensland, Australia **RESIDENCE:** Forest Lake, Queensland, Australia **HEIGHT:** 6-0 **WEIGHT:** 165 **FAMILY:** Single **SPECIAL INTERESTS:** Surfing, dirt biking **TURNED PROFESSIONAL:** 2006 **OTHER INFORMATION:** 2008 PGA TOUR rookie made the cut in 14 of 19 starts on the Nationwide Tour in 2007, with 10 top-25 finishes. Finished the season No. 5 on the money list, with \$331,542. In just his second career start on the Nationwide Tour, finished T6 at the HSBC New Zealand PGA Championship. Played in the final pairing at the Livermore Valley Wine Country Championship, but an 8-over 80 in the final round left him well behind winner Omar Uresti. Posted a then-career-best T4 at the Fort Smith Classic, posting a career-best, 8-under 62 to wind up two shots back of winner Jay Williamson. Shared the lead after the first and third rounds at the LaSalle Bank Open, but a 73 in the final round led to a T9 - his third top-10 showing of the year. Breakthrough performance came at the Legend Financial Group Classic, where a final-round 67 and a tournament-record 16-under-par 268 made him the youngest player to win a PGA TOUR-sanctioned event. At 19 years, 7 months, 26 days, he surpassed the previous youngest players to win on the two Tours, including Johnny McDermott's (19 years, 10 months) win at the 1911 U.S. Open and James Oh's (21 years, 5 months, 27 days) victory at the 2003 Mark Christopher Charity Classic. The win made Day the Tour's 20th different winner from Australia and his victory was the 30th overall by that group, also a Tour record. The win began a five-tournament stretch where he posted four top-five finishes, including a T5 at the Nationwide Children's Hospital Invitational, a runner-up effort at the Cox Classic and a third-place finish at the Xerox Classic. Of particular note was a weekend duel in Omaha with eventual winner Roland Thatcher. Shot scores of 62-63 (17-under par) but still finished one stroke behind Thatcher. His 125 total over the final two rounds equaled the lowest 36-hole score in Nationwide Tour history. It had been posted on three previous occasions. Played the front nine Saturday (28) and Sunday (29) at 13-under par. Was named the Tour's Player of the Month in July. Suffered a right wrist injury late in the 2007 season which forced him to sit out from early October till the end of the year. Made all seven career starts on the PGA TOUR in 2006, with strong showings at the Reno-Tahoe Open (T11) and the U.S. Bank Championship in Milwaukee (T13). Finished with five made cuts and \$174,508 in earnings. Played on the PGA Tour of Australasia from 2004-05. Enjoyed plenty of success at the amateur level, highlighted by his win at the 2006 Australian Amateur Stroke-Play Championship. Decorated amateur career also includes titles at the Australian Junior Championship, World Junior Championship, Queensland Amateur Championship and the Queensland Medal Championship. Got his start in golf from his dad, who died from cancer when Jason was 12.

In 21st year on TOUR, limited to 19 events in 2006 due to cancer surgery and subsequent recovery. Underwent successful surgery to remove a cancerous tumor from his left kidney at the Cleveland (Ohio) Clinic Feb. 18. "It looked like a hole-in-one and sounded like a hole-in-one. But I still wasn't sure it was one," Magee said. Byrum was squatting down looking over a putt when the ball deflected off his putter and rolled about 8 feet directly into the hole for a rare double-eagle ace. Regained PGA TOUR card for 2007 with a T29 finish at 2006 Qualifying Tournament, his fifth successful trip to the finals. Has split time between the PGA TOUR and Nationwide Tour the last few years. # Bob Hope Chrysler Classic

## NOTES

In 2007, Sunday's final-round scoring average of 74.763 was the most difficult final day in the 48-year history of the Bob Hope Chrysler Classic. The previous high of 74.202 came at the 1964 Palm Springs Golf Classic at Eldorado Country Club, where **Tommy Jacobs** fired a final-round 70 and beat **Jimmy Demaret** in a playoff. The final round of the 1961 Palm Springs Golf Classic had a scoring average of 74.08. More recently, the 1987 Bob Hope Chrysler Classic final day at the Stadium Course at PGA West had a scoring average of 73.971.

**Charley Hoffman** became the first player to win the Bob Hope Chrysler Classic in his initial try since **Arnold Palmer** in 1960. Hoffman and Palmer are the only two players to accomplish that feat in the 48 years of the tournament.

**Charley Hoffman** is only the fourth player to earn his first PGA TOUR victory at the Bob Hope Chrysler Classic, joining **Bill Rogers** (1978), **Craig Stadler** (1980) and **Donnie Hammond** (1986).

The youngest winner in Bob Hope Chrysler Classic history was **Jack Nicklaus** in 1963 at age 23 years, 13 days.

The 2007 playoff between **Charley Hoffman** and **John Rollins** was the 17th in the 48-year history of the Bob Hope Chrysler Classic and the first since 2004 when **Phil Mickelson** defeated **Skip Kendall**.

# Buick Invitational

Buick® Invitational

## NOTES

With his victory in 2007, **Tiger Woods** won the Buick Invitational for the third consecutive year. Woods has won four other events three or more consecutive times: 4, Arnold Palmer Invitational; 3, the Memorial Tournament, World Golf Championships-Bridgestone Invitational (twice) and World Golf Championships-American Express Invitational/CA Championship.

**Tiger Woods'** 2007 Buick Invitational victory marked his seventh consecutive victory on the PGA TOUR (2006 British Open, Buick Open, PGA Championship, World Golf Championships-Bridgestone Invitational, Deutsche Bank Championship, World Golf Championships-American Express Championship/CA Championship and 2007 Buick Invitational). That streak of victories, which ended with a T9 at the World Golf Championships-Accenture Match Play Championship, was the second longest in PGA TOUR history, behind **Byron Nelson's** 11. Woods won six consecutive starts in 1999-2000.

Torrey Pines' South Course will be the site of two PGA TOUR events in 2008 – the Buick Invitational in January and the U.S. Open in June. Only Pebble Beach (CA) Golf Links, Riviera Country Club in Los Angeles and Harbour Town Golf Links in Hilton Head, SC, have played host to two events in one year. The lineup:

### Harbour Town

1989 MCI Heritage/THE TOUR Championship

### Pebble Beach

1972 AT&T Pebble Beach National Pro-Am/U.S. Open

1977 AT&T Pebble Beach National Pro-Am/

## NOTES

**Phil Mickelson** has history at all three golf courses that make up the rotation at the AT&T Pebble Beach National Pro-Am:

- 1998, 2005 and 2007 AT&T Pebble Beach National Pro-Am champion.
- Poppy Hills Golf Course was the only NCAA Championship site where the three-time former NCAA champion at Arizona State failed to win the NCAA individual title in 1991 as a junior.
- Holds a share of the course record (with **Luke Donald**) at Spyglass Hill Golf Course (2005) with a 10-under-par 62.
- Played in his first PGA TOUR event as a professional (1992) at the U.S. Open at Pebble Beach Golf Links won by **Tom Kite**.

**Phil Mickelson** is the leader among active players with victories at multiple-course events:

- **Phil Mickelson** 12—3-AT&T Pebble Beach National Pro-Am, 3-Chrysler Classic of Tucson, 3-Buick Invitational, 2-Bob Hope Chrysler Classic, 1-EDS Byron Nelson Championship
- **Tiger Woods** 10—5-Buick Invitational, 2-FUNAI Classic, 1-AT&T Pebble Beach National Pro-Am, EDS Byron Nelson, Las Vegas Invitational
- **Mark O'Meara** 7—5-AT&T Pebble Beach National Pro-Am, 1-Buick Invitational, FUNAI Classic

**Tom Watson** finished T19 in 2007, his first top-25 finish on the PGA TOUR since a T18 at the 2003 British Open. Watson is a two-time winner of the AT&T Pebble Beach National Pro-Am and also captured the 1982 U.S. Open at Pebble Beach. Watson extended his streak of making at least one cut every year since he turned professional in 1971 (36 seasons).

# AT&T Pebble Beach National Pro-Am

## NOTES

2007 champion **Phil Mickelson** equaled the tournament record of 20-under-par 268 set by **Mark O'Meara** in 1997.

**Ryan Moore** (T19) posted a 7-under 29 in 2007 on the front nine at Pebble Beach in the final round en route to a final-round 6-under-par 66. It was just one shy of the tournament-record 28 recorded by **Brent Schwarzrock** in 2002 and **Davis Love III** and **Spike McRoy** in 2001.

The AT&T Pebble Beach National Pro-Am became the fourth TOUR event of **Phil Mickelson's** career that he has won three or more times. The list includes the AT&T Classic in suburban Atlanta (2000, 2005-06), Buick Invitational (1993, 2000-01), Chrysler Classic of Tucson (1991, 1995-96) and the AT&T Pebble Beach National Pro-Am (1998, 2005, 2007). The win placed him in select company at the Pebble Beach tournament, joining **Mark O'Meara** (5), **Jack Nicklaus** (3) and **Johnny Miller** (3) as the only players with three or more wins.

**Phil Mickelson's** win in 2007 was his 10th in his home state of California.

**Phil Mickelson's** five-stroke victory margin equaled a tournament record, matching **Lloyd Mangrum** (1948), **Cary Middlecoff** (1956), **Jack Nicklaus** (1967), **Fuzzy Zoeller** (1986) and **Arron Oberholser** (2006).

**Phil Mickelson's** victory with amateur partner **Harry You** in the pro-am portion of the 2007 AT&T Pebble Beach National Pro-Am represented the seventh time in tournament history that the professional winner has also won at least a share of the pro-am title. The others were **Arron Oberholser** (2006), **Fuzzy Zoeller** (1986), **Johnny Miller** (1974), **Johnny Pott** (1968), **Art Wall** (1959) and **Sam Snead** (1937).

In just his fourth PGA TOUR event, **John Mallinger** went bogey free over the first 50 holes of the 2007 AT&T Pebble Beach National Pro-Am en route to a third-place finish. He finished with just four bogeys on the week.

# Northern Trust Open

Northern Trust  
Open

## NOTES

The three-hole playoff in 2007 was the longest at the Nissan Open since **Tom Watson** defeated **Johnny Miller** in the same number of holes in 1982. Howell made a par 3 on the third playoff hole to beat **Phil Mickelson**.

There have been 16 playoffs at the Nissan Open, including four in the last seven years:

- 2001 - **Robert Allenby** won a six-man playoff
- 2003 - **Mike Weir** defeated **Charles Howell III**, surging back from seven shots down
- 2005 - **Adam Scott** defeated **Chad Campbell** in the 36-hole, weather-shortened event
- 2007 - **Charles Howell III** defeated **Phil Mickelson** with a par 3 on the third extra hole

Prior to the 2007 tournament, there had been only five players able to record four rounds in the 60s at Riviera Country Club during the last 11 years. That number was doubled last year, with five players posting four sub-70 rounds.

Year	Player	Scores	Finish
1999	Ernie Els	68-66-68-68	1
2002	Len Mattiace	69-65-67-68	1
	Rory Sabbatini	69-68-65-68	T2
	Brad Faxon	67-67-68-68	T2
	Fred Funk	69-68-69-68	T9
2007	Charles Howell III	69-65-69-65	1
	Phil Mickelson	66-65-69-68	2
	Robert Allenby	69-66-68-68	T3
	Ernie Els	69-68-67-67	T3
	Sergio Garcia	67-68-69-69	6

**Charles Howell III** became the first non-international winner of the Nissan Open since **Len Mattiace** won in 2002. He was just the fourth American to win the event in the past 11 years, joining Mattiace, **Kirk Triplett** (2000) and **Billy Mayfair** (1998).

**Tiger Woods** has made 11 starts at the Nissan Open without a victory. It is the most starts at any tournament without a victory for him. Woods finished T13 in 2005 and withdrew after two rounds in 2006 because of the flu. The next closest is **The Barclays**, which he has played four times without a win.

## NOTES

**Vijay Singh** earned his 31st career victory at the 2007 Arnold Palmer Invitational. The win came in his 363rd event on the PGA TOUR at age 44 years and 24 days. The win came in his 15th start at the Bay Hill Club. Singh has made all 15 cuts with six top-10s. His previous best finish was a T2 in 1992, 1994 and 2005.

**Vijay Singh** has captured 23 different PGA TOUR events, with four of those coming in Florida – Chrysler Championship, The Honda Classic, FUNAI Classic at Walt Disney World Resort and Arnold Palmer Invitational.

**Vijay Singh** has 19 wins since turning 40, the most by any player in PGA TOUR history. **Sam Snead** had 17.

Five players among the final top-10 were over age 40 in 2007: **Vijay Singh** (44/1st), **Rocco Mediate** (44/2nd), **Tom Lehman** (48/T5), **Stephen Ames** (42/T9) and **Jerry Kelly** (40/T9). Prior to Singh, there had been only four previous winners over age 40 in tournament history: **Ben Crenshaw** (1993/41), **Arnold Palmer** (1971/41), **Kenny Perry** (2005/44) and **Julius Boros** (1967/47). Singh was the third-oldest winner in tournament history behind Boros and Perry.

**Rocco Mediate's** second-place finish in 2007 was his best on the PGA TOUR since he was runner-up at the 2003 Deutsche Bank Championship – a span of 74 events. Mediate collected \$594,000 for the second-place finish in Orlando. Playing the year on a Minor Medical Extension, he had 10 events to earn \$514,999, equaling No. 125 on the 2006 money list. With his \$750,650 in total earnings in just six tournaments, Mediate was elevated to the Major Medical Extension category for the rest of the 2007 season.

Runner-up **Rocco Mediate** (53/72, 73.6 percent) and champion **Vijay Singh** (52/72, 72.2 percent) finished 1-2 in Greens in Regulation in the 2007 tournament.

# Masters Tournament

## NOTES

**Zach Johnson's** winning score of 289 matched the highest in Masters history, the last time coming 51 years before when **Jack Burke, Jr.** won in 1956. **Sam Snead** also won the 1954 tournament with a 1-over 289 total.

**Zach Johnson** became the first Nationwide Tour graduate to win the Masters Tournament. His win was the 11th major championship title by a former Nationwide Tour player and the first since **Shaun Micheel** won the 2003 PGA Championship. Nationwide Tour alums have won each of the four major championships at least once.

SHAUN MICHEEL

**Zach Johnson** became the first Masters winner since 1990 to not play in the final group on Sunday. **Nick Faldo** was in the next-to-last group when he won the tournament in 1990.

**Zach Johnson** won the Masters with his performance on the par-5 holes. He was 11-under par on the 16 par 5s and never went for one in two. His performance on the three-shot holes was the best of anyone in the field.

**Gary Player** made his 50th career start in the Masters in 2007, tying **Arnold Palmer's** record. Palmer made 50 consecutive starts from 1955-2004. ## NOTES

**Boo Weekley** chipped in for par on the 17th and 18th holes to hold on in windy conditions and capture his first PGA TOUR title at the 2007 Verizon Heritage. Winds in excess of 40 mph at Harbour Town Golf Links forced the final round to be postponed on Sunday, with the field returning on Monday morning to complete play with high winds still existent. The previous tournament suspended due to wind was the 2005 FBR Open.

**Boo Weekley** won the 2007 Verizon Heritage in his first start at the event. He became the 10th player to earn his first PGA TOUR victory at the Verizon Heritage, joining 1971 winner **Hale Irwin**, 1977 winner **Graham Marsh**, 1987 winner **Doug Tewell**, 1984 winner **Nick Faldo**, 1987 winner **Davis Love III**, 1999 winner **Glen Day**, 2001 winner **Jose Coceres**, 2005 winner **Peter Lonard** and 2006 winner **Aaron Baddeley**.

With his 2007 victory, **Boo Weekley** earned an invitation to the 2008 Masters Tournament. Weekley was the first player eligible for the newly reinstated rule that grants all PGA TOUR winners during the Regular Season of the FedExCup an invite to the next Masters Tournament.

Last year, **Boo Weekley** was the only player in the field to post all four rounds in the 60s. He joined **Billy Mayfair** (2006) as the only player to have pulled off this feat at the Verizon Heritage since 2003, when a record six players did so. The previous winner to post four rounds in the 60s was **Davis Love III** in 2003.

# EDS Byron Nelson Championship

## NOTES

After sharing the tournament with the Cottonwood Valley Course on Thursday and Friday since 1994, the newly-renovated TPC Four Seasons Las Colinas will be the sole tournament course beginning in 2008. **D.A. Weibring's** company, D.A. Weibring/Golf Resources Group, handled renovations of the course with assistance from **J.J. Henry** and **Harrison Frazer**, who served as player consultants.

At the 2007 EDS Byron Nelson Championship, **Scott Verplank** earned his fifth PGA TOUR victory in his 497th career start on the PGA TOUR at age 42 years, 9 months and 20 days. Verplank was the fourth player over age 40 to win over the past 40 years and the first since **Vijay Singh** in 2003.

VIJAY SINGH

The 2007 win for Dallas resident **Scott Verplank** came in his 21st appearance in the event, the most starts by a winner claiming his first EDS Byron Nelson Championship. **Loren Roberts** won in his 17th start in 1999. (Those with more starts but without a win include: 23 starts – **Mark Brooks**; 22 starts – **Tom Byrum**, **Tom Kite**, **Hal Sutton**, **D.A. Weibring**; 21 starts – **Dave Stockton, Jr.**, **Bobby Wadkins**.) Verplank was friends with tournament namesake **Byron Nelson** and was also a standard bearer at the tournament in his youth.

### Tournament Record:

# THE PLAYERS Championship

## NOTES

**Phil Mickelson**, the 2007 champion, is No. 1 on the all-time PLAYERS Championship money list with \$2,497,526.

In the final round in 2007, **Phil Mickelson** hit all but four fairways, 16 of 18 Greens in Regulation and fired a 3-under-par 69. The 36-year-old lefthander overtook third-round leader **Sean O'Hair** early on the back nine and was able to enjoy the walk home when O'Hair found water on the 17th hole.

SEAN O'HAIR

The PGA TOUR statistic for Greens in Regulation has long been an accurate measurement for players who play well at THE PLAYERS Championship. Nine of the past 24 winners have finished either first or T1 for the week in Greens in Regulation, including three of the last four (2006, **Stephen Ames** – T1; 2005, **Fred Funk** – 1st; 2004, **Adam Scott** – 1st). **Phil Mickelson** finished T24 in GIR in 2007 by hitting 64.79 percent of his greens. Mickelson also finished T65 in Driving Accuracy (53.6 percent) and 23rd in Putting Average (1.717).

**Phil Mickelson's** 2007 PLAYERS win in his 14th start was one short of the record for most starts before the first PLAYERS win, shared with **Tom Kite** (1989) and **Fred Funk** (2005).

## NOTES

**Zach Johnson** has three career wins on the PGA TOUR and all have come in the state of Georgia. Johnson won the 2004 AT&T Classic and added a pair of wins last year – the Masters Tournament in Augusta and the AT&T Classic. In addition, he finished tied for second at THE TOUR Championship presented by Coca-Cola in Atlanta, where he shot a course-record 60 in the third round.

**Zach Johnson** became the third player to win the Masters and the AT&T Classic in the same year.

**Tom Watson** did it first in 1981 and **Phil Mickelson** in 2006.

Last year's playoff was the 11th in tournament history but only the third since the event moved to TPC Sugarloaf in 1997.

**Stewart Cink** recorded the first double eagle at TPC Sugarloaf since the tournament arrived in 1997. Cink holed a hybrid from 241 yards for his double eagle-2 at the 566-yard, sixth hole during the final round.

**Ryuji Imada's** runner-up finish in 2007 was his career best, bettering a fifth-place showing at the 2005 Booz-Allen Classic.

At age 37 years and 15 days, **K.J. **K.J. Choi's** victory at the 2007 Memorial Tournament gave him a win in each of his past three seasons on the PGA TOUR (2006/Chrysler Championship, 2005/Chrysler Classic of Greensboro).

**K.J. Choi's** final-round 65 tied the tournament's low final-round score by a winner. **Jim Furyk** carded a 65 on Sunday to claim the 2002 Memorial Tournament title.

# Stanford St. Jude Championship

## NOTES

**Woody Austin** had found little success in Memphis prior to 2007. In nine starts at the Stanford St. Jude Championship, Austin had made just four cuts with a best finish of T44 in 2005.

**Woody Austin's** 8-under-par 62 was the low finish on TOUR in 2007 for a winner, and the lowest final round for a champion since **Brad Faxon** posted a 9-under-par 61 to win the 2006 Buick Championship.

**Woody Austin's** 8-under-par 62 in 2007 also was a career low on TOUR, as he carded rounds of 63 on six different occasions.

The five-stroke win for **Woody Austin** tied the fourth-largest margin of victory in tournament history: **John Cook's** seven-stroke win in 1996 remains the biggest winning margin. **Raymond Floyd** (1982) and **David Toms** (2004) won their respective events by six shots.

**Woody Austin**, at 43 years, four months and 13 days, is the second-oldest winner of the Stanford St. Jude Championship. **Gene Littler** (44 years, 10 months, 4 days) is the oldest champion in tournament history, having won the Danny Thomas Memphis Classic in 1975.

Two-time champion **David Toms** (2003-04) posted his sixth consecutive top-10 at the Stanford St. Jude Championship, finishing third, six strokes behind champion **Woody Austin**. Toms has finished 4th, 1st, 1st, 2nd, T10 and 3rd starting in 2002.

# U.S. Open

## NOTES

Sweden's **Niclas Fasth** finished alone in fourth place just two shots behind winner **Angel Cabrera**. Fasth's fourth-place finish is the best by a golfer from Sweden in the U.S. Open. The previous best finish in a U.S. Open by a golfer from Sweden was **Fredrik Jacobson** at Olympia Fields in 2003, where he tied for fifth.

**Angel Cabrera** became just the second Argentine to win a major championship. **Roberto De Vicenzo** won the British Open in 1967.

There are 25 international players who have won the U.S. Open on 31 different occasions.

Torrey Pines' South Course is the site of two PGA TOUR events in 2008 – the Buick Invitational in January and the U.S. Open in June. Only Pebble Beach (CA) Golf Links, Riviera Country Club in Los Angeles and Harbour Town Golf Links in Hilton Head, SC, have played host to two events in one year. Pebble Beach will be the site for two events in a year again in 2010. The two-tournament lineup:

# Travelers Championship

**TRAVELERS**  
CHAMPIONSHIP

## NOTES

**Hunter Mahan** became the 13th player to win his first PGA TOUR title at the Travelers Championship.

Mahan joins other recent champions **Stewart Cink** (1997), **Brent Geiberger** (1999) and **J. J. Henry** (2006) in the first-time winner's category.

**Hunter Mahan** moved to the top of the tournament's all-time money list with his win last year. Mahan has made only six career starts at TPC River Highlands and missed the cut in his first two tries. Mahan tied for second in 2006 and his win last year increased his money to just over \$1.5 million.

**Hunter Mahan's** first-round 62 was one stroke off the course record of 61 set by **Kirk Triplett** in the third round in 2000. His 62 matched the lowest first-round score in tournament history.

**Michael Sim** tied the tournament record for the lowest front-nine score with a 29 in the first round.

**Mike Brisky** set the front nine record of 6-under in 1995. **Vijay Singh** holds the record for lowest back-nine score with a 7-under 29 in 1998.

**VIJAY SINGH**

Non-PGA TOUR member **Jay Williamson** was given a sponsor's exemption into the field last year and made the most of his opportunity. Williamson, who played baseball and hockey but not golf at Trinity University in Hartford, CT, shared the second-round lead and held the third-round lead before eventually losing in a playoff to **Hunter Mahan**. The second-place effort was a career-best for Williamson, who previously finished tied for third at the 2003 AT&T Classic.

### Tournament Record:

259, Tim Norris, 1982 (Wethersfield CC)

### Current Course Record:

61, Kirk Triplett, 2000; Phil Mickelson, Scott Verplank, 2001; Brad Faxon, 2005

### Other Course Record:

60, Tommy Bolt, 1954 (Wethersfield CC)

Buick® Open

## NOTES

**Brian Bateman** became the first Buick Open champion not to play in the final group Sunday since 1999 when **Tom Pernice, Jr.** came from the sixth-to-last group to win. Pernice was the last player to win his first PGA TOUR title at the Buick Open before Bateman won in 2007.

**Brian Bateman** was the first Buick Open champion to win on the final hole with a birdie since **Rocco Mediate** did the same in 2000.

**Jim Furyk's** T5 finish was the eighth top-10 of his career at the Buick Open, which in turn gave him the most top-10 finishes in Buick Open history. Furyk broke the mark of seven which he shared with **Julius Boros** and **Tiger Woods**.

**Jim Furyk's** rounds of 66-68-71-70—275 extended his streak to 37 consecutive below-par rounds at the Buick Open. The only time that Furyk carded an above-par score at the Buick Open was a third-round 75 in 1997. Furyk has recorded par-or-better scores in 51 of 52 rounds at Warwick Hills G&CC.

JIM FURYK

The par-5 13th hole (544 yards) yielded 18 eagles during the 2007 Buick Open, marking the most eagles recorded on that hole since 1991 (19), when it was 490 yards.

The par-4 15th at Warwick Hills played as the most difficult on the course with a stroke average of 4.248. Since 1990, the 15th has played as the most difficult hole during the tournament week every year with the exception of 2003 and 1998, where it played as fourth most difficult and fifth most difficult, respectively.

## NOTES

**Jonathan Byrd** earned a spot in the following week's British Open via his position as low top-10 finisher not already exempt. This marked the first time that the three-time PGA TOUR winner had competed in the British Open.

**Jonathan Byrd's** first-place check of \$738,000 moved him into first place on the all-time John Deere Classic money list with \$1,096,772. 2002 John Deere Classic champion **J.P. Hayes** moved from first to second with \$1,091,199.

Putting was the key for playing well at the John Deere Classic. **Carl Pettersson**, **Nathan Green** and **Tim Clark** finished in the top five in the tournament and Putting Average.

NATHAN GREEN

**J.P. Hayes** finished T15, the highest finish by a past champion at the John Deere Classic. It was the first year since 2001 that a past champion did not finish in the top-10.

Runner-up **Tim Clark** needed to win in order to secure a spot in the British Open. By not doing so, Clark ended his streak of consecutive major championships played at 15.

Since the tournament moved to TPC Deere Run in 2000, five of the eight winners have come from behind after 54 holes to claim the title.

### Tournament Record:

259, David Frost, 1993 (Oakwood CC)

### Current Course Record:

61, J.P. Hayes, 2002

### Other Course Record:

61, Mike Smith, 1987 (Oakwood CC)

## NOTES

**Padraig Harrington** claimed his first major championship title in his 35th major start. It was his 11th British Open appearance. In his British Open history, Harrington has made eight cuts and claimed three top-10 finishes.

**Padraig Harrington** double-bogeyed just two holes all week; the par-4 18th hole in the second and final rounds. The 487-yard hole ranked second-most difficult on the PGA TOUR in 2007.

**Padraig Harrington's** six-shot come-from-behind win was the British Open's largest since **Paul Lawrie's** victory in 1999 when he started the final round 10 strokes back, also at Carnoustie. Lawrie beat **Jean Van de Velde** and **Justin Leonard** in a playoff at Carnoustie.

This year's British Open site, Royal Birkdale Golf Club, will host its ninth British Open. St. Andrews has hosted the British Open 27 times, more often than any course. Previous winners at Birkdale include **Peter Thomson** (1954, 1965), **Arnold Palmer** (1961), **Lee Trevino** (1971), **Johnny Miller** (1976), **Tom Watson** (1983), **Ian Baker-Finch** (1991) and **Mark O'Meara** (1998).

# U.S. Bank Championship in Milwaukee

## NOTES

**Joe Ogilvie** became the ninth player to make the U.S. Bank Championship his first PGA TOUR win.

Ogilvie joined **Dave Eichelberger** (1971), **Calvin Peete** (1979), **Mark O'Meara** (1984), **Jim Thorpe** (1985), **Jim Gallagher, Jr.** (1990), **Richard Zokol** (1992), **Billy Mayfair** (1993) and **Shigeki Maruyama** (2001) as first-time winners in Milwaukee.

**Joe Ogilvie** became the 10th consecutive U.S. Bank Championship winner to post four scores in the 60s. Ogilvie posted rounds of 67-63-69-67 to finish at 14-under-par 266. The last winner with a round in the 70s was **Scott Hoch** in 1997.

In 2007, **Heath Slocum** (69-69-69-69) became only the fifth player in tournament history to card four identical scores. His four 69s and 4-under total netted a T22 finish. Others to shoot identical scores over the years include: **Fred Marti** (73s in 1977), **Jay Haas** (70s in 1978), **Mike Nicolette** (70s in 1988) and **Mark Weibe** (68s in 1999).

**Jeff Brehaut** set a record with four eagles last year, the most in tournament history since the event moved to Brown Deer Park GC in 1994. Brehaut's eagles were even more impressive since they came on four different holes, including a par 4. Four players had made three eagles in a tournament year – **Mark Calcavecchia** (1996), **Tiger Woods** (1996), **Steve Lowery** (1999) and **Dicky Pride** (2006).

**Richard S. Johnson** was the first person off the tee in Sunday's final round and played as a single. Johnson needed only 81 minutes to shoot an even-par 70. No official PGA TOUR records are kept as to the shortest time needed to complete 18 holes.

### Tournament Record:

260, Loren Roberts, 2000; Ben Crane, 2005

## NOTES

The 2008 Canadian Open returns to Glen Abbey Golf Club, which has hosted the tournament 23 times over the years. Glen Abbey first played host to the event in 1977, when **Lee Trevino** captured the title. The course was the site of 22 Canadian Opens in the 24-year period between 1977 and 2000. The last time it was played at Glen Abbey was in 2004 when **Vijay Singh** won the tournament.

**Jim Furyk** had a hole-in-one on the fourth hole during the final round in 2007. Furyk became only the second player since 1978 to make an ace in the final round and go on to win that event. **Joey Sindelar** had a hole-in-one on the 14th hole at En-Joie GC en route to the title at the 1985 B. C. Open. Furyk also had an ace (third round) at the 2002 Memorial Tournament and went on to win that event.

With his 13th career win at the 2007 Canadian Open, **Jim Furyk** tied **David Duval** for the second-most titles among Nationwide Tour alumni. **Ernie Els** tops the list with 15 career victories.

**Jim Furyk** played the par-3 fourth hole 5-under par in 2007. Furyk made three birdies at the 205-yard hole during the first three days and added an ace on Sunday. Runner-up **Vijay Singh** played the same hole 3-over for the four days.

**Jim Furyk, Vijay Singh, Bob Heintz and Tom Pernice, Jr.** were the only players in the field to post four rounds in the 60s in 2007. They brought the all-time total to 38 players that have accomplished that feat in Canadian Open history, 12 of them in the past two years.

HUNTER MAHAN

**Hunter Mahan** tied the tournament record with a 9-under 62 on the first day in 2007 and set a course record at Angus Glen North. **Greg Norman** (1986) was the last player to shoot a 62 in the Canadian Open, which came in the third round at Glen Abbey GC. Mahan's 62 was also the lowest opening-round score in Canadian Open history.

**Hunter Mahan** had three eagles en route to his first-round 62, including a pair of eagles on par 4s. Mahan holed a 6-iron and a sand wedge for his eagles on the par 4s. **Tommy Tolles** (1995 – Glen Abbey GC) was the last player to make three eagles in a round at the Canadian Open.

**Jim Furyk's** win marked the 12th time in the past 13 years that an American has won the Canadian Open. **Vijay Singh** of Fiji (2004) is the only non-American to win since South Africa's **Nick Price** won in 1994.

## Wyndham Championship

## NOTES

The Wyndham Championship was the final tournament of 36 Regular Season events on the 2007 PGA TOUR schedule and the last chance for players to get into the top 144 and earn a berth in the inaugural PGA TOUR Playoffs for the FedExCup.

**Jeff Overton** (T2), **Shigeki Maruyama** (T7) and **Anders Hansen** (T11) used strong finishes to move into the top 144 and qualify for The Barclays, the first playoff event.

**Brandt Snedeker** became the first rookie to win on the 2007 PGA TOUR when he captured the 2007 Wyndham Championship and the first since **Troy Matteson** won the 2006 Frys.com Open in Las Vegas. The former Vanderbilt University All-America also became the first come-from-behind winner in Greensboro since 1998 when **Trevor Dodds** rallied in the final round and beat **Scott Verplank** in a playoff.

The win for **Brandt Snedeker** moved him from No. 26 to No. 9 on the FedExCup points list at the time. Snedeker eventually finished No. 20 on the final FedExCup points list.

Since 1976, only three first-round leaders have gone on to win in Greensboro – **Danny Edwards** (1982), **Mike Springer** (1984) and **Jesper Parnevik** (1999).

The first-round scoring average of 69.718 was the lowest single-round scoring average at Forest Oaks Country Club. The previous low was 69.961 in the third round in 2005.

## NOTES

With his win at the 2007 Barclays in the first-ever PGA TOUR Playoffs for the FedExCup event, **Steve Stricker** collected 9,000 FedExCup points to move into first on the FedExCup points list with 104,950 points. **Tiger Woods**, who did not play, fell from first to fourth with 100,000 points, setting up a grouping of Woods, **Phil Mickelson** (5th) and **Vijay Singh** (6th) for the first two rounds of the following week's Deutsche Bank Championship.

**Steve Stricker's** fourth career victory at the 2007 Barclays came in his 312th career start on the PGA TOUR at age 40 years, six months and three days. Stricker's victory came in his 148th start since his last victory at the 2001 World Golf Championships-Accenture Match Play Championship.

Westchester Country Club will be the host site again this year, followed by the new Liberty National Golf Club, which overlooks Manhattan and the Statue of Liberty, in 2009.

Only two players (**Doug LaBelle II** and **Rich Beem**) from outside the top 120 were able to advance to the Deutsche Bank Championship. LaBelle, a rookie, advanced thanks to a birdie on the 72nd hole and finished T41 to move from No. 121 to No. 120. He edged **Steve Allan** by 25 points. Beem made a large jump from No. 134 to No. 113 with a T7 finish.

The cumulative 72-hole scoring average of 70.900 in 2007 was the lowest average at Westchester Country Club since 1983, when the PGA TOUR began tracking course scoring averages. The previous low was 71.351 in 2004.

The par-4 12th maintained its reputation in 2007 with a scoring average of 4.251, making it the most difficult hole at Westchester Country Club for the 10th straight year.

## NOTES

Bellerive Country Club in St. Louis, the site of the 1965 U.S. Open (won by **Gary Player**) and 1992 PGA Championship (won by **Nick Price**), is the site for the 2008 BMW Championship. Bellerive was also scheduled to be the site of the 2001 World Golf Championships-American Express Championship (now the CA Championship) but was canceled because of the Sept. 11 attacks. Cog Hill in Chicago, currently undergoing a renovation by Rees Jones, will be the host course again from 2009-2011. Crooked Stick Golf Club in Carmel, IN, where the 1991 PGA Championship was played, will be the site in 2012.

NICK PRICE

## NOTES

Top-10 finishes by a trio of players in Chicago moved them into the top-30 on the FedExCup points list and into THE TOUR Championship in Atlanta, the fourth and final event in the PGA TOUR Playoffs for the FedExCup. **Stewart Cink** (T7) jumped from No. 32 to No. 23, **Tim Clark** (T5) moved from No. 33 to No. 27 and **Camilo Villegas** (T7) moved from No. 34 to No. 28. The three displaced **Jerry Kelly**, **Luke Donald** and **Arron Oberholser** from the top-30 list.

STEWART CINK

The 2007 final-round scoring average of 69.138 was the lowest final-round average in tournament history. Prior to 2007, no single-round scoring average had ever dipped into the 60s. Last year produced three of the four lowest all-time scoring averages, including a 69.292 average in the third round.

**Tiger Woods** continued his dominance at Cog Hill last year with his fourth title, tying him with **Billy Casper** and **Willie Anderson** on the tournament's all-time list. **Walter Hagen** won five times between 1916 and 1932. In his 10 professional starts at the BMW Championship, Woods has made 10 cuts, with four victories and eight top-10 finishes.

**Tiger Woods'** 63 on Sunday last year matched the best final-round score of his career. Woods has posted 63s on the last day five times in his career, but his late heroics only propelled him to victory twice – 2006 Deutsche Bank Championship and the 2007 BMW Championship.

# Valero Texas Open

## NOTES

**Justin Leonard's** earnings at the Valero Texas Open are \$2,222,328, making him the first player to earn more than \$2 million at the event.

**Justin Leonard** defeated **Jesper Parnevik** on the third hole of a sudden-death playoff in 2007. It was the first playoff since 1999 when **Duffy Waldorf** defeated **Ted Tryba**. It was the 11th playoff in the history of the event and the first playoff that was extended to three holes in San Antonio.

**Justin Leonard** won in come-from-behind fashion in 2007 for the sixth time in his 11 career TOUR victories. That included coming from five strokes behind third-round leader **Jesper Parnevik** to win his first major championship, the 1997 British Open. Leonard has also come from five strokes back in the final round to win three of those five come-from-behind titles. The largest come-from-behind victory in San Antonio came when **Bruce Crampton** came from six strokes back to defeat **Bob Charles** and **Chi Chi Rodriguez** in the 1964 event.

**Justin Leonard** made two bogeys for the week last year when he won for the third time at LaCantera. Both bogeys came at the par-4 10th hole. The first bogey came on his first hole of the week in the first round and the second came in the final round.

## NOTES

The United States team of **Boo Weekley** and **Heath Slocum** needed a birdie-3 on the 72nd hole in 2007 to force a playoff with Scotland's **Colin Montgomerie** and **Marc Warren**, who had completed play at 25-under 263 after a final-round 66. In the alternate shot format, Weekley hit an 8-iron from 173 yards to within 6 feet and Slocum made the putt, forcing extra holes. The United States' best chance in the playoff came on the first extra hole when Scotland needed a 12-foot, par-saving putt by Warren to keep its hopes alive. Warren made his putt and watched as Slocum's 10-foot birdie putt to win stopped within an inch of the cup.

The format for the 2007 event called for Four-ball (better ball) in the first and third rounds and Foursomes (alternate shot) in the second and final rounds.

The lowest Four-ball score in tournament history is 15-under 57 set by Argentina's **Angel Cabrera** and **Eduardo Romero** and New Zealand's **Frank Nobilo** and **Greg Turner** in the opening round of 2000. The United States team of **Phil Mickelson** and **David Toms** also posted a 57 in the third round in 2002.

**John Jay Hopkins**, a noted Canadian industrialist and scholar, had a dream that the game of golf could promote goodwill between nations all over the world, and thus founded the International Golf Association and with it a tournament called the Canada Cup in 1953. The tournament toured the world and in 1967, to reflect its international image, it became the World Cup.

## NOTES

Along with the Willie Park belts and the \$200,000 check that goes to the winning team, another benefit to winning the Del Webb Father/Son Challenge is an invitation to return the following year. That means barring injury or other unforeseen happenings, **Team Nelson** will be back as defending champions in 2008, albeit with a different look.

**Drew Nelson**, who teamed with his dad to win the 2004 title, will return.

Team Nelson's winning score of 60-60—120 (24-under) marks the third consecutive year that score earned its bearers the Willie Park Trophy. The margin of victory is the largest since Larry and Drew Nelson won by three and it makes Larry Nelson the second father to win with two different sons, joining **Raymond Floyd**, who won three consecutive with **Ray Jr.** and two consecutive with **Robert**.

After blowing through ChampionsGate the last two years with back-to-back 59-61—120s, **Team Langer** (Bernhard and son Stefan) finally ran out of gas in their quest for the second three-peat in event history. The Langers followed Saturday's 64 with a 63 (17-under), winding up 10th and ending their chances of joining Raymond and Ray Floyd Jr. (1995-97).

At the 1996 Presidents Cup, golf's five world governing bodies—the European Tour, Japan Golf Tour Organization, PGA TOUR, PGA Tour of Australasia and Sunshine Tour—reached agreement on several key elements of professional golf designed to create new international events, beginning in 1999.

Three major initiatives were outlined at the Robert Trent Jones Golf Club, site of the second Presidents Cup:

- Formation of the International Federation of PGA Tours;
- A structure for a generally accepted worldwide ranking system;
- Joint sanctioning by the members of the International Federation of PGA Tours of significant competitions, including some at the world championship level for the game's top players.

Those "significant competitions" were announced in October 1997 when the Federation introduced the World Golf Championships. The World Golf Championships were developed to enhance the competitive structure of professional golf worldwide while preserving the traditions and strengths of the individual Tours and their events.

The first three jointly sanctioned championships—the Accenture Match Play Championship, the NEC Invitational (now Bridgestone Invitational) and the American Express Championship (now CA Championship)—were launched in 1999 with Jeff Maggert winning the first event and Tiger Woods the latter two. The addition of the World Cup was announced in December 1999 and was played as a World Golf Championships event from 2000-06.

The 2008 World Golf Championships will begin in February with the Accenture Match Play Championship at The Gallery Golf Club at Dove Mountain in Marana, Arizona. In March, the CA Championship will be held at Doral Golf Resort & Spa's Blue Course in Doral, Florida. In July, the Bridgestone Invitational returns to the South Course at Firestone Country Club in Akron, Ohio.

The World Golf Championships' events feature players from around the world competing against one another in varied formats.

World Golf Championships' events have been contested on five continents and in nine countries and feature some of the largest purses in professional golf.

The Asian Tour joined the International Federation of PGA Tours as a full-fledged member in November 1999, while the Canadian Tour was named an associate member in March 2000. The Tour de las Americas joined the Federation as an associate member in 2007.

Accenture, Bridgestone and CA are the umbrella sponsors of the World Golf Championships. Kohler and Rolex are official sponsors.

Fields for the World Golf Championships are filled primarily through the Official World Golf Ranking, which is endorsed by all the sport's major professional organizations and governing bodies, and individual Tours' Official Money Lists/Orders of Merit.

# The Presidents Cup

The eighth Presidents Cup will be contested at Harding Park Golf Course in San Francisco in 2009. Royal Melbourne Golf Club in Australia will host the event in 2011, becoming the first golf course outside the United States to host The Presidents Cup more than once.

## History

The Presidents Cup was developed to give the world's best non-European players an opportunity to compete in international team match-play competition.

A biennial event played in non-Ryder Cup years, the first Presidents Cup was played Sept. 16-18, 1994, at Robert Trent Jones Golf Club. The U.S. Team, captained by Hale Irwin, defeated Captain David Graham's International side, 20-12. The U.S. Team retained The Cup in 1996, but the Internationals scored their only outright win in The Presidents Cup during the following staging, in 1998 in Australia. In 2000, the U.S. Team avenged the loss with an impressive 11-point victory over the Internationals, taking their record to 3-1-0.

The 2003 Presidents Cup was originally scheduled for November 2002, but was postponed one year in the wake of the September 11, 2001, terrorist attacks on the United States. Played at The Links at Fancourt Hotel and Country Club Estate in George, South Africa, the competition ended in a tie. After both teams completed regulation tied at 17 points, Ernie Els of the International Team and Tiger Woods of the U.S. were designated to represent their teams in a sudden-death playoff. After three playoff holes, and as darkness was descending, Captains Gary Player and Jack Nicklaus, in the spirit of the competition, decided that the two teams would share the Cup.

The 2005 Presidents Cup, played for a fourth time at the Robert Trent Jones Golf Club in Prince William County, VA, came down to the final hole. When American Chris DiMarco birdied the 18th hole in Sunday's singles to defeat Stuart Appleby, 1-up, he gave the Americans an 18½-15½ victory.

The U.S. wrapped up its fifth Presidents Cup in seven tries at Royal Montreal Golf club in 2007 with a 19½-14½ victory, the U.S. Team's first at an international venue in 14 years of team competition. David Toms earned the most points for the U.S. Team, while Woody Austin earned several new nicknames after falling into the lake on hole 14 while attempting a shot. And while his team did not win, Canadian golf hero Mike Weir thrilled the crowds with a 1-up victory over World No. 1 Tiger Woods in Sunday's Singles competition.

Former U.S. President Gerald Ford presided over the first Presidents Cup as Honorary Chairman. Former President George H.W. Bush, like Ford an avid golfer, served as Honorary Chairman for the 1996 Presidents Cup. Australian Prime Minister John Howard was Honorary Chairman for the 1998 event. In 2000, President Bill Clinton made history when he became the first sitting

president to serve as Honorary Chairman. In 2003, Thabo Mbeki, President of the Republic of South Africa, was Honorary Chairman. Current President George W. Bush served as the Honorary Chairman of the 2005 Presidents Cup, and Canadian Prime Minister Stephen Harper was the 2007 Honorary Chairman.

The Presidents Cup follows the PGA TOUR creed of giving back. There is no purse for the players. Net revenues are divided into equal shares that the players and captains designate for charities or golf-related projects of their choice. Contributions in their names are made through PGA TOUR Charities, Inc. The first seven Presidents Cups generated more than \$17 million for charities worldwide.

## Eligibility

Members of the 2009 U.S. Team will be selected based on official earnings from the start of the 2008 season through the 2009 PGA Championship. International Team players for the 2009 Presidents Cup will be chosen on the basis of the Official World Golf Ranking, and does not include players eligible for the European Ryder Cup Team.

The eligibility rankings are used to select 10 members for both squads. The 12-man teams are rounded out by two Captain's Choices per team.

## Structure and Scoring

The Presidents Cup competition consists of 34 matches—11 Foursomes (alternate shot) and 11 Four-ball (better ball) matches. There are 12 Singles matches involving all players on the final Sunday. All matches are worth one point each, for a total of 34 points. There are no playoffs for Foursomes or Four-ball, with each side receiving ½ point if the match finishes all-square after 18 holes. Singles matches all square after 18 holes will go to extra holes until a team winner is determined. In a change inspired by the events of the 2003 Presidents Cup, if the match is deadlocked at the end of Singles play, the competition will be deemed a tie and the teams will share The Presidents Cup.

Mike Weir of the International Team and Tiger Woods of the U.S. Team pose with The Presidents Cup trophy in 2007.

## Paul Azinger and Nick Faldo Ryder Cup Captains

- Paul Azinger, the 1993 PGA Championship winner and a 12-time PGA TOUR winner, will captain the 2008 United States Ryder Cup Team at Valhalla Golf Club in Louisville, KY. Azinger, who turned 47 on Jan. 6, 2007, was named captain in late 2006.
- Nick Faldo, 50, a World Golf Hall of Fame member and current GOLF CHANNEL and CBS analyst, will captain the 2008 European Team.

## U.S. Qualifying Process Changes

The PGA of America revised its points system in late 2006 that will determine the top eight players for the 2008 United States Ryder Cup Team. The number of Captain's selections to complete the team increased from two to four players.

The new points system began with golf's four major championships in 2007 and resumes Jan. 1 through Aug. 11, 2008.

The points will be based upon the following:

- Prize money earned in the 2007 major championships (Masters, U.S. Open, British Open and PGA Championship – one point for every \$1,000 earned).
- Prize money earned in official events in 2008 from Jan. 1 through Aug. 11 (one point for every \$1,000 earned, excluding the major championships and events played opposite major championships and opposite World Golf Championships).
- Prize money earned in the 2008 major championships (Masters, U.S. Open, British Open, PGA Championship (two points for every \$1,000 earned).

- Prize money earned in 2008 events played opposite the major championships and opposite World Golf Championships events between Jan. 1 and Aug. 11 (one-half point for every \$1,000 earned).
- With the 2006 points system having been in effect prior to the 2008 points system being announced, it was determined that all U.S. players who finished in the top 10 in all official events from Aug. 27-Nov. 5, 2006 will be awarded one-quarter point for every \$1,000 earned.
- The Captain's announcement by Paul Azinger of his four selections will be made after the 2008 PGA Championship.
- The European Team qualifying system will remain the same as in 2004 and 2006. Five players will again qualify through The Ryder Cup World Points List, based on Official World Golf Ranking points accumulated from all world-ranked tournaments over a 12-month period, with a further five earning places on the European Team through The Ryder Cup European Points List, based on money won in European Tour Order of Merit tournaments. European Team Captain Nick Faldo will select two Captain's Picks.

# Official World Golf Ranking

The Official World Golf Ranking, which is endorsed by the four major championships and six professional Tours that make up the International Federation of PGA Tours, is issued every Monday following the completion of the previous week's tournaments from around the world.

Results from events on the world's leading professional tours—the Asian Tour, PGA Tour of Australasia, European Tour, Japan Golf Tour, PGA TOUR, Nationwide Tour, Sunshine Tour, Canadian Tour and European Challenge Tour—are evaluated, and points are awarded according to the players' finishing positions. Tournaments are "rated" according to the strength of field based on the number and ranking of the world's top 200 players in respective tournament fields (event "ratings").

In addition, some strength-of-field weighting is given to the inclusion in each field of a significant percentage of the top 30 on the host Tour's prior year Official Money Lists. The four major championships and THE PLAYERS Championship are rated separately to reflect the higher field quality of the events. In addition, the BMW Championship in Europe and the Australian, Japanese and South African Open Championships, the Nationwide Tour Championship and Volvo Masters of Asia are allocated higher minimum point levels to reflect their status as each Tour's flagship event.

The Official World Golf Ranking points for each player are accumulated over a two-year "rolling" period. Each player then is ranked according to his average points per tournament, which is determined by dividing his total number of points by the tournaments he has played over that two-year period. There is a minimum requirement of 40 tournaments for the two-year period.

The winners of the Masters Tournament, U.S. Open, British Open and PGA Championship are awarded 100 points (60 points for second place, 40 for third, 30 for fourth, down to 1.5 points for a player completing the final round), and the winner of THE PLAYERS Championship is awarded 80 points (points are awarded down to 60th place).

The BMW Championship has a minimum of 64 points for the winner (points down to 56th place). In addition, the Open Championships of Australia, Japan and South Africa have a minimum of 32 points for the winner (points awarded down to 37th place). The Nationwide Tour Championship and Volvo Masters of Asia winners receive 20 points (points awarded down to 22nd place).

Minimum points levels for winners of all the other official Tour events have been set at six points for the Canadian Tour; 12 points for the European Challenge (points to 14th place); 14 points for the Nationwide Tour, Sunshine Tour, and Asian Tour (points to 17th place); 16 points for Australasia and Japan (points to 19th place); and 24 points for Europe and the United States (points to 27th place).

In January 2007, a new feature was added to the ranking system. Points entered by a player in a particular tournament maintain their full value for 13 weeks then are devalued by 1.1% each of the next 91 weeks before dropping completely off a player's 2-year record, thereby cutting the sudden and sometimes dramatic impact of the reduction of points that previously occurred at the 13-week anniversaries of events in which players earn points. Full Ranking points are awarded for tournaments reduced to 54 holes because of inclement weather or other reasons. For events completing only 36 holes, Ranking points are reduced by 25 percent.

The Official World Golf Ranking is available each week at PGA TOUR sites or by going to [officialworldgolfranking.com](http://officialworldgolfranking.com) or [owgr.com](http://owgr.com). The top 75 as of Nov. 5, 2007 (the last ranking of official 2007 PGA TOUR season) follows:

## Glossary of Statistics

### Driving Distance

The average number of yards per measured drive. Driving distance is measured on two holes per round. Care is taken to select holes which face in opposite directions to counteract the effects of wind. Drives are measured to the point they come to rest, regardless of whether they are in the fairway or not.

### Driving Accuracy

The percentage of time a player is able to hit the fairway with his tee shot.

### Greens in Regulation

The percentage of time a player was able to hit the green in regulation (greens hit in regulation/holes played). Note: A green is considered hit in regulation if any part of the ball is touching the putting surface and the number of strokes taken is two less than par or fewer.

### Putting Average

Measures putting performance on greens hit in regulation. For each green hit in regulation, the total number of putts is divided by the number of greens hit in regulation. By using greens hit in regulation, we are able to eliminate the effects of chipping close and one-putting in the computation.

### Total Driving

Total Driving is computed by totaling a player's rank in driving distance and driving accuracy.

### Eagles (holes per)

The average number of holes between each eagle.

### Birdie Leaders

### PGA Player of the Year

The PGA Player of the Year Award is given by the PGA of America to the top PGA TOUR player based on a mathematical formula that weighs tournament wins, official money standing and scoring average.

The point system for selecting the Player of the Year was amended in 1982, as follows: 30 points for winning the PGA Championship, U.S. Open, British Open or Masters Tournament; 20 points for winning THE PLAYERS Championship; 10 points for winning all other designated PGA TOUR events. In addition, there is a 50-point bonus for winning two majors, 75-point bonus for winning three, 100-point bonus for winning four.

For top-10 finishes on the PGA TOUR's official money list and scoring average list, the point value is: first, 20 points, then 18, 16, 14, 12, 10, 8, 6, 4, 2. Any incomplete rounds in the scoring average list will result in a .10 penalty per incomplete round.

The Vardon Trophy, named in honor of famed British golfer Harry Vardon, is awarded annually by the PGA of America.

From 1947 to 1987, the Vardon Trophy was awarded to the professional golfer with the lowest-scoring average. In 1988, the criteria were adjusted to award the Vardon Trophy to the touring professional with the lowest adjusted scoring average based on a minimum of 60 official rounds in events cosponsored or approved by the PGA TOUR.

Any player with an incomplete round is ineligible to win the Vardon Trophy.

## PGA TOUR Awards

### Payne Stewart Award

The award is named for Payne Stewart, an 11-time winner on the PGA TOUR, including three major championships. Stewart died the week of THE TOUR Championship in 1999. The award was created by the PGA TOUR Policy Board to perpetuate Stewart's memory. It is presented annually at THE TOUR Championship presented by Coca-Cola to a player sharing Stewart's respect for the traditions of the game, his commitment to uphold the game's heritage of charitable support and his professional and meticulous presentation of himself and the sport through his dress and conduct.

In addition to a sculpture presented to the recipient, the Payne Stewart Award is accompanied by an annual Payne Stewart Award Grant presented by Southern Company. The \$300,000 grant will support several initiatives in Stewart's name and be distributed as follows: \$100,000 to Payne and

Tracey Stewart's primary charity, The Stewart Family Foundation; \$100,000 in Stewart's honor to The First Tee facility in Missouri, located at Camp Kanakuk, which is affiliated with the "Kids Across America" program; and \$100,000 to a charity designated by the recipient.

## PGA TOUR Retail Licensing

PGA TOUR Retail Licensing continues to expand its business base and the scope of the TOUR's brand presence in the consumer marketplace throughout the world with over 70 domestic (U.S.) and over 20 international licensees. PGA TOUR Retail Licensing manages its licensee relationships with the assistance of licensing agents for the U.S. and the rest of the world (except Japan), and has a master licensee in Japan.

Domestic highlights include the opening of two additional PGA TOUR Superstores, bringing the total to 10. This licensee is revolutionizing the golf retail industry through its network of 65,000-75,000 square foot TOUR-branded stores it plans to build across the U.S. with a focus on service, education and good value. There are two stores in Myrtle Beach, SC, four in suburban Atlanta, two in Dallas and two new stores in the Phoenix, AZ, area.

Our apparel licensee, Perry Ellis International, continues to expand the presence of TOUR-branded apparel in JC Penney and other fine stores. In February of 2007, PEI launched the Champions Tour line of apparel in over 200 Macy's stores and will expand distribution in 2008.

The Paradies Shops, licensee for the PGA TOUR Airport Shops throughout the U.S., continues the TOUR's retail presence in this well-targeted environment. Each year, over 200 million travelers pass by these 43 shops in 38 airports.

The PGA TOUR Grill, a restaurant appealing to the "upper casual" market, opened in suburban Washington, D.C. in March 2006. Based on a successful completion of a year-long market test, there is the possibility of additional locations in 2008. In late 2006, the TOUR announced two new exciting licenses: PGA TOUR Ticket-to-Golf! (prepaid gift tickets for a round of golf at over 2,000 courses throughout the U.S.) and PGA TOUR Experiences (all-inclusive vacations).

Internationally, TOUR-branded merchandise continues to grow as consumer products of choice in golf retail, and our licensee base throughout the U.K., Europe and Asia continues to progress. We welcome the addition of Global Brands Group, our new international licensing agency. GBG will handle all international licensing except for Japan. The TOUR's Japanese master licensee, Bonmax (Pro Tour, Inc.), has successfully expanded the TOUR's brand presence at retail and has well over 500 PGA TOUR "shop in shops" at this time.

## Charity: Giving Back...The Heart of the PGA TOUR

Making a positive impact on the communities where PGA TOUR tournaments are held and players live is a sure sign that the golf organization's charitable mission is a continuing success story all around the world.

This effort was celebrated in late 2005 when the PGA TOUR and its tournaments reached the "Drive to a Billion" milestone. That cumulative effect, since the first donation in 1938, has reached more than \$1.2 billion entering 2008.

The forecast is for the second billion-dollar mark to be reached in the next five to seven years. PGA TOUR, Champions Tour and Nationwide Tour events annually benefit more than 2,000 charities and countless individuals worldwide.

"Thanks to the incredible generosity of the tournaments, players, fans, volunteers and business partners who support the PGA TOUR, our goal of giving back continues to be our main focus," PGA TOUR Commissioner Tim Finchem said. "We are inspired by the continued enthusiasm for giving that ensures more and more assistance is generated for those in need around the world."

### Structure

Unlike any other professional sport, the PGA TOUR relies on more than 80,000 volunteers a year to run its events, and nearly all of the 100-plus tournaments are structured as non-profit organizations designed to donate 100 percent of net proceeds to local charities. Beneficiaries include a wide variety of local organizations such as hospitals, youth-development organizations, growth-of-the-game programs and food banks.

The beneficiaries include the 2006 Charities of the Year on each of the Tours – Any Baby Can in San Antonio, TX (Valero Texas Open on the PGA TOUR), The Corner Table in Newton, NC (Greater Hickory Classic at Rock Barn on the Champions Tour) and Rochester Golf Charities in Rochester, MN, (2006 Showdown at Somerby on the Nationwide Tour). The impact is also made by volunteers such as the 2006 Volunteers of the Year on the respective Tours – Marty Sheets of the PGA TOUR's Wyndham Championship in Greensboro, NC, Joe McDonald at the Champions Tour's Turtle Bay Championship in Hawaii and Oran Culberson at the Nationwide Tour's Knoxville Open (Tennessee).

### Tournaments

Tournaments provide the leadership. The Valero Texas Open on the PGA TOUR, the Toshiba Classic, 3M Championship and Wal-Mart First Tee Open at Pebble Beach on the Champions Tour and the Albertsons Boise Open and BMW Charity Pro-Am on the Nationwide Tour provided the largest donations to charity in 2007 on each Tour.

The EDS Byron Nelson Championship continued its high level of giving by totaling more than \$100 million cumulatively. The FBR Open in Phoenix raised \$7.8 million in 2007, topped only by the Valero Texas Open's record \$8 million in giving for the year.

In The Presidents Cup, there is no purse, yet revenues are divided into equal shares that the participating players and Captains designate for charities of their choice, totaling more than \$17 million in the seven playings of the event.

"This heartfelt response year after year is a tribute to the players, tournaments and thousands of volunteers who make PGA TOUR events so successful," said Ollie Nutt, Chairman of the Tournament Advisory Council. "We look forward to continuing the tradition of making a true difference for organizations and in peoples' lives in cities where we play."

### Players

Players also reach out to help considerably through charitable efforts in their home communities and elsewhere.

Support of the United States military was quite evident in 2007. The inaugural AT&T National in Bethesda, MD, over the Fourth of July weekend honored the United States military by offering free admission to all military personnel and holding various events around the tournament. Host Tiger Woods paid tribute to his late father, Earl, a Green Beret veteran, by focusing on those who serve our country through various activities.

"I think that when you're around it, you understand the level of commitment," Woods said. "I know I can't serve with them, but I just want to say thank you in some way. They put their lives on the line so that we are able to enjoy our freedom."

Phil Mickelson, the world's No. 2-ranked player, began a "Birdies for the Brave" program in 2004 that continues to donate \$100 for each birdie and \$500 for each eagle he makes in competition and benefits "Homes for Our Troops" and "Special Operations Warrior Foundation."

Numerous other players are affiliated with organizations that assist wounded veterans and their families.

Players support amateur golf in various capacities also. Australia's Aaron Baddeley has sponsored the Aaron Baddeley International Junior Championship in China each December for seven years, with the winning boys and girls earning spots in the Australian men's and women's opens. Bubba Watson sponsors the Bubba Watson Invitational, a women's NCAA Division II golf tournament at his home course in Pace, FL.

Fred Funk, who plays on both the PGA TOUR and Champions Tour, has assisted J.T. Townsend, a young man who was paralyzed in a 2004 Jacksonville, FL, high school football game. Funk has spearheaded fund-raisers, including an annual golf tournament, and given a percentage of his earnings to help Townsend's family pay for a wheelchair-accessible home that includes other special amenities. The Townsend family moved into the home in late 2006.

"We've been praying for an angel to come into our lives, and Fred (Funk) appeared," Carmen Townsend, J.T.'s mother, said. "He could have just greeted J.T. and left."

In the communities where tournaments take place, giving back remains at the heart of the PGA TOUR.

## GOLF 20/20: Vision For the Future

In November 2000, golf industry leaders gathered at the World Golf Village to participate in a conference called GOLF 20/20: Vision for the Future, a precedent-setting forum aimed at initiating a collaborative effort to grow the game of golf and secure its future. The spirit of unity was so strong and the commitment to make a difference so universal, the decision was made to address some of the most pressing issues impacting the golf industry on an ongoing basis, through the formation of GOLF 20/20.

An initiative of the World Golf Foundation, GOLF 20/20's mission is "To align the golf industry behind a plan that addresses the future of golf in a strategic manner, with an emphasis on accelerating growth and participation and creating new avenues of access into the game." Through ongoing programs created in collaboration with industry partners that promote the growth of game initiative, GOLF 20/20 strives to enhance both participation and interest in golf.

Among GOLF 20/20's many accomplishments during the past six years are the following:

**Research** — GOLF 20/20 has undertaken a number of unprecedented research projects, including golf's largest-ever segmentation study (2001); a study quantifying golf's annual economy at \$62 billion; and two studies focusing on golf's best customers (2005). In 2006, GOLF 20/20, working with SRI International, developed a template for the calculation of the economic impact of golf at the state level, which provides states with an affordable tool to use in a variety of ways.

**Program Development** — GOLF 20/20 has successfully piloted numerous programs, beginning with Link Up 2 Golf in 2001. This adult player development program now serves as an integral part of the PGA of America's Play Golf America program. In 2003, GOLF 20/20 created the National School Golf Program, a unique approach to introducing elementary school students to the game through the physical education structure. This program is now under the management of The First Tee. And in 2005, GOLF 20/20 established Women's Golf Week, a

unique collaboration of the golf industry aimed at increasing the participation of women in the game. During its inaugural year, 225 golf facilities nationwide hosted Women's Golf Week activities, impacting nearly 10,000 women. Under the management of four organizations in 2007—the PGA, LPGA, EWGA and NGCOA—more than 1,300 facilities participated in Women's Golf Week.

**Economic Impact** — In 2006 GOLF 20/20, along with research partner SRI International, developed a template through which states could affordably commission a report on the economic impact of golf within the state, to demonstrate golf's importance to various public and private constituencies. Virginia was the first state to capitalize on the model, and in 2007 reports were completed for Ohio, Iowa, Michigan, Minnesota and Louisiana, and others are underway for Massachusetts, Texas and California. Additionally, in early 2008 GOLF 20/20 will publish an updated report on the Scope of the Golf Industry (last done in 2002) and the first ever report on the total economic impact of golf in the U.S.

## The First Tee

The First Tee (thefirsttee.org) is recognized as a preeminent positive youth development organization. It provides young people of all backgrounds an opportunity to develop, through golf and character education, life-enhancing values such as honesty, confidence, perseverance and judgment.

Since its inception in 1997, The First Tee has opened more than 260 golf-learning facilities in 47 states and five international locations (Australia, Canada, Ireland, New Zealand, Singapore), and has introduced the game of golf and its values to more than 1.5 million participants.

In November 2007 The First Tee celebrated its milestone 10th anniversary during a network-wide meeting held in Jacksonville, FL. More than 600 attendees, representing nearly 90 percent of all chapters of The First Tee, participated in educational and best practice sessions. The 10th-anniversary meeting was highlighted by two special announcements. Fred Tattersall, a National Trustee and founder of The First Tee of Richmond & Chesterfield, announced an additional \$2-million gift to fund The First Tee Life Skills and Leadership Academies on college campuses for the next 12 years. And Billy Dettlaff, national director of golf for the TPC network, announced the establishment of the Henry and Helen Dettlaff Endowed Scholarship to the University of Notre Dame for Scholars of The First Tee.

The First Tee Life Skills Experience™ is the unique feature that separates The First Tee from many other junior golf programs and youth initiatives. Through life lessons taught at more than 200 community-based nonprofit chapters, participants learn the importance of maintaining a positive attitude, how to make decisions by thinking about possible consequences, how to define and set goals, and how to transfer the positive values of golf to everyday life. Independent research conducted by the University of Virginia provides data-based evidence of the effectiveness of The First Tee and that the organization is having a strong, positive impact on young people's development of life skills and core values.

The First Tee National School Program introduces The First Tee Nine Core Values to elementary school students and provides teachers with modified equipment and a curriculum to teach basic golf skills and etiquette during regular physical education classes. The NSP is now implemented in over 1,700 elementary schools in 75 school districts, and its presence continues to grow in PGA TOUR tournament markets.

Each Labor Day weekend, The Wal-Mart First Tee Open at Pebble Beach showcases the talent and character of young people who participate at The First Tee facilities worldwide. An official Champions Tour event, the tournament pairs one junior with a Champions Tour player and two amateurs. Seventy-eight junior spots are awarded. The 2007 tournament was televised on GOLF CHANNEL.

Key to The First Tee's success is the support it receives from its Founding Partners, some of the game's most respected and influential organizations; Augusta National Golf Club, LPGA, PGA of America, PGA TOUR and the USGA. Former President George Bush serves as honorary chairman.

## PGA TOUR Links

The PGA TOUR Links program is the technological solution that brings together PGA TOUR, Champions Tour, and Nationwide Tour Members, PGA TOUR Staff, Player Managers and Tournament Organizations. The PGA TOUR and its players work together to design a solution that fits their communication needs.

As part of the PGA TOUR Links program, each player receives a laptop computer and access to the players only intranet site from anywhere in the world. Within the site itself, players are able to view vital PGA TOUR announcements, tournament information, tee times, and conduct statistical analysis. Players are also able to commit to tournaments, make hotel reservations, reply to surveys and vote in player elections and end-of-the-year awards.

To date, more than 750 players have participated in the PGA TOUR Links program. The players have cited the program as a most efficient form of communication. As the program enters its tenth year, it continues to evolve to meet changing technological advances and player needs.

## Regulations – Media

The following regulations are to be followed by all members of the media:

1. PGA TOUR retains exclusive media rights (including, but not limited to, broadcast, cable, home video, Internet) to all events on the PGA TOUR, Champions Tour and Nationwide Tour.
2. Each credential issued pursuant to PGA TOUR Media Regulations operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefor to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefor may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product; provided, however, this credential restriction does not apply to credentialed media representing established wire and news services whose normal business is to distribute information to other news organizations so that such other news organizations may distribute the information to various print and broadcast media organizations to use the information for editorial product.
3. Each credential authorizes the holder of such credential and the Authorized Outlet therefor to use the trademark of the PGA TOUR, Champions Tour or Nationwide Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.
4. A daily decal is necessary to walk inside the gallery ropes. All members of the media with such decal must remain not more than an arm's length from the ropes, so as to blend into the gallery and appear to be a part of the gallery at all times.
5. Players are not to be distracted during play. Do not interview players or ask them to pose for photographs during their rounds.
6. Do not interview players or ask them to pose for photographs during their practice sessions before a round, except by prior arrangement with the player.
7. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player, up against the ropes and not in the middle of the areas where it could be distracting to other players.
8. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards. Media are not allowed in the scoring tent.

### WORKING PRESS REGULATIONS

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day — and others requested — will be interviewed following their rounds in the Press Room interview area.

### TAPE RECORDER REGULATIONS

1. All audio recording device and/or video recorder work should be done in the proximity of the press room, media center and/or designated interview area.

2. Video Recorders are not permitted in the locker room. Audio recording devices are permitted in the locker rooms subject to the following regulations:
  - Audio recorded interviews are intended to be one-on-one and not group interviews.
  - Audio recorded interviews are for reference only and the audio cannot be used for any other purpose.
  - The reporter must clearly ask a player, and permission must be granted, in order for the audio recording device to be used.
  - The reporter is responsible for making other players in the vicinity aware that an interview is being recorded.
  - PGA TOUR staff may designate, depending upon need and availability, an area within the locker room for the purpose of conducting interviews that are recorded.
  - Use of audio recorded interviews must be limited to the person being interviewed.
3. Audio recording devices and/or video recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

### WEATHER DELAY GUIDELINES

1. During weather-delay situations, no one other than players and essential staff will be permitted in the locker room. This means the media are not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media will be welcome in the locker room at all other times to carry out their assigned duties. (Note: Cameras and, except as outlined above, tape recorders are not permitted in the locker room.)

The credentialed entity and the Authorized Outlet therefor, including each intended end user thereof, shall jointly and severally indemnify, defend and hold the Event, its host organization and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the credentialed entity.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. The holders of the media credential grant permission to PGA TOUR, Inc., to utilize the holders' images or likenesses incidental to any live or recorded television or other transmission or reproduction in whole or in part of any PGA TOUR event they attend.

The credentialed entity acknowledges and agrees that photographic images of PGA TOUR sanctioned tournaments are available for use outside the scope of these regulations (e.g., commercial, promotional, etc.) from the Official Photographic Services Provider of the PGA TOUR, Champions Tour and Nationwide Tour (currently, Getty Images), subject to the applicable rate card and course and player approvals.

### PGA TOUR MAY REVOKE CREDENTIALS AT ANY TIME FOR ANY REASON INCLUDING VIOLATIONS OF ANY OF THE FOREGOING REGULATIONS.

## Regulations – Radio

PGA TOUR retains exclusive media rights (including, but not limited to, broadcast, cable, home video, Internet) to all events on the PGA TOUR, Champions Tour and Nationwide Tour. No live or tape-delayed broadcast of any portion of any PGA TOUR, Champions Tour or Nationwide Tour event is permitted without the prior written consent of PGA TOUR.

All radio media are permitted to broadcast highlights coverage of such events only under the following conditions, unless otherwise approved in writing by PGA TOUR:

1. Each credential issued pursuant to PGA TOUR Media Regulations operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefor to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized to do by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefor may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product; provided, however, this credential restriction does not apply to credentialed media representing established wire and news services whose normal business is to distribute information to other news organizations so that such other news organizations may distribute the information to various print and broadcast media organizations to use the information for editorial product as though they generated such information directly.
2. Each credential authorizes the holder of such credential and the Authorized Outlet therefor to use the trademark of the PGA TOUR, Champions Tour or Nationwide Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.
3. Coverage shall not be in excess of three minutes of highlights per day and may not purport to be live, play-by-play coverage from the course.
4. All highlights coverage must be part of regularly scheduled news programs and may not be broadcast after 48 hours from the conclusion of the applicable tournament.
5. Live coverage or reporting in excess of three minutes per day from a tournament site, including, without limitation, the course, media center, press room and designated interview area, is prohibited without the prior approval of PGA TOUR.
6. Audio and video coverage shall not be made available until that day's live or tape-delayed coverage by the television network is concluded.
7. As the exclusive rights holder, PGA TOUR may request copies of any coverage of PGA TOUR, Champions Tour and Nationwide Tour events. Such coverage will be provided to PGA TOUR upon request (PGA TOUR will pay industry standard copying and shipping costs).
8. The use of golf carts is prohibited at all times.
9. Only personnel with appropriate credentials will be permitted into the media center and locker room areas.
10. Radio broadcasters are not permitted inside the gallery ropes at any time.

11. Broadcasters are not permitted to talk to players during play or after the round until the player has signed his scorecard.
12. Broadcasters shall not sell, distribute or syndicate any highlights coverage to any third party without PGA TOUR's prior approval.
13. The credentialed entity has rights only with respect to radio broadcast and has no rights with respect to any other media (including, without limitation, audio via the Internet) without obtaining the proper and valid credentials for such media.

It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.
- Coverage must not purport to be live, play-by-play, hole-by-hole or real-time coverage from the course.

- As the exclusive rights holder, PGA TOUR is the absolute owner of all video footage shot and audio recorded at the tournament site (golf action or other footage) during the entire tournament week (i.e., Monday through Sunday or the conclusion of the tournament, if later than Sunday) and may request copies of any footage shot or audio recorded at PGA TOUR, Champions Tour and Nationwide Tour events. Such footage and audio will be provided electronically to PGA TOUR immediately upon request.
- Scoring and statistical information may only appear in the editorial news portion of the Authorized Outlet and may be provided no sooner than 30 minutes after the actual occurrence of the shots, or after the time such information is legally available as public information if sooner than 30 minutes after the actual occurrence of the shots. - No coverage, including, without limitation, scoring information, statistical information, video coverage and audio coverage may be used by, sold, given, distributed or otherwise transferred to any party other than the Authorized Outlet in any manner whatsoever, without the prior written consent of PGA TOUR.
- Photographic images of PGA TOUR, Champions Tour and Nationwide Tour players may be used on the Authorized Outlet for legitimate news coverage only, and may be used together with news stories during the day's play, so long as such photographs are not used with other real-time or near-real-time information or sequenced to create a "shot-by-shot" or "hole-by-hole" account of the day's play. Commercial exploitation of these images without written consent of the players and PGA TOUR is prohibited. The credentialed entity has rights only with respect to photography and has no rights with respect to any other media without obtaining the proper and valid credentials for such media.

Photographs taken at any PGA TOUR, Champions Tour or Nationwide Tour tournament may not be commercially exploited in any manner without the prior written consent of the PGA TOUR and the applicable course(s) and player(s).

Photographic likenesses of PGA TOUR, Champions Tour and Nationwide Tour players and tournament courses may be used for legitimate news coverage only unless approved by the PGA TOUR. Where appropriate, the credentialed publications and news services shall use reasonable efforts to use photographic likenesses of players and tournament courses containing current sponsors and endorsers. Photo galleries and/or collections may not be used for any purpose after 48 hours from the conclusion of the applicable tournament.

Credentialed photographers will receive one of two types of photo credentials. A limited number of inside the ropes photo credentials will be issued daily by the PGA TOUR Media Official on site and will permit the wearer access inside the ropes. Photographic assistants will not be issued photo credentials of any type.

Professional grade cameras and lenses must be used and may be used only by accredited media representatives who have been issued photo credentials, and such use is subject to the following conditions:

1. Each credential issued pursuant to PGA TOUR Media Regulations operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefor to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized to do by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefor may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product; provided, however, this credential restriction does not apply to credentialed media representing established wire and news services whose normal business is to distribute information to other news organizations so that such other news organizations may distribute the information to various print and broadcast media organizations to use the information for editorial product as though they generated such information directly.
2. Each credential authorizes the holder of such credential and the Authorized Outlet therefor to use the trademark of the PGA TOUR, Champions Tour or Nationwide Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized

Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.

3. Photographers with inside the ropes photo credentials must stay within one arm's length of the ropes at all times. Photographers without inside the ropes photo credentials are not permitted inside the ropes at any time.

8. Players should not be asked to pose during a round.
9. Noise-free equipment must be used at all times.

Commercial exploitation of these images without written consent of the players and PGA TOUR is prohibited. Requests for use of such images to promote the PGA TOUR shall be considered by PGA TOUR on a case by case basis.
12. The credentialed entity has rights only with respect to photography and has no rights with respect to any other media without obtaining the proper and valid credentials for such media.

The credentialed entity and the Authorized Outlet therefor including each intended end user thereof, shall jointly and severally indemnify, defend and hold the Event, its host organization and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorneys fees and expenses) incurred by, arising from, or in connection with, any actions of the credentialed entity or the use of any photographs other than as set forth in these Photography Regulations.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc., sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. The holders of the media credential grant permission to PGA TOUR, Inc., to utilize the holders' images or likenesses incidental to any live or recorded television or other transmission or reproduction in whole or in part of any PGA TOUR event they attend.

### **PGA TOUR MAY REVOKE CREDENTIALS AT ANY TIME FOR ANY REASON INCLUDING VIOLATIONS OF ANY OF THE FOREGOING REGULATIONS.**

## Regulations – Television

All television media are permitted to broadcast highlights coverage of such events only under the following conditions unless otherwise approved in writing by PGA TOUR:

1. Each credential issued pursuant to PGA TOUR Media Regulations operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefor to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefor may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product; provided, however, this credential restriction does not apply to credentialed media representing established wire and news services whose normal business is to distribute information to other news organizations so that such other news organizations may distribute the information to various print and broadcast media organizations to use the information for editorial product.
2. Each credential authorizes the holder of such credential and the Authorized Outlet therefor to use the trademark of the PGA TOUR, Champions Tour or Nationwide Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.
3. Televised coverage shall not be in excess of three minutes of highlights daily from each Tour (and six minutes total for all three Tours) and may not purport to be live, play-by-play coverage from the course. Requests for expanded coverage must be submitted in writing to PGA TOUR.
4. All highlights coverage must be part of regularly scheduled news programs. Highlights may not be sold, distributed, syndicated or provided in any manner to any other entity.
5. Highlights from any day's play may not be broadcast or used for any other purpose after 48 hours from the conclusion of the applicable tournament.
6. No action footage of any day's play may be broadcast until that day's live or tape-delayed coverage by the television network is concluded.
7. Live coverage or reporting in excess of three minutes per day from a tournament site, including, without limitation, the course, media center, press room and designated interview area, is prohibited without the prior approval of PGA TOUR.
8. No footage may be used in any commercial manner or sold, distributed, syndicated or provided to any other entity or agency.
9. As the exclusive rights holder, PGA TOUR is the absolute owner of all footage shot at the tournament site (golf action or other footage) during the entire tournament week (i.e., Monday through Sunday or the conclusion of the tournament, if later than Sunday) and may request copies of any footage shot at PGA TOUR, Champions Tour and Nationwide Tour events. Such footage will be provided to PGA TOUR upon request (PGA TOUR will pay industry standard copying and shipping costs).

10. The use of golf carts is prohibited at all times.
11. Only personnel with appropriate credentials will be permitted into the media center and locker room areas.
12. Only personnel with appropriate credentials will be allowed inside the gallery ropes, and they must stay within one arm's length of the ropes at all times. All support personnel must remain outside the ropes.
13. All uses of footage hereunder shall be made with a courtesy credit to PGA TOUR.

### **TAPE RECORDER REGULATIONS**

1. All audio recording device and/or video recorder work should be done in the proximity of the press room, media center and/or designated interview area.
2. Video Recorders are not permitted in the locker room. Audio recording devices are permitted in the locker rooms subject to the following regulations:
  - Audio recorded interviews are intended to be one-on-one and not group interviews.
  - Audio recorded interviews are for reference only and the audio cannot be used for any other purpose.
  - The reporter must clearly ask a player, and permission must be granted, in order for the audio recording device to be used.
  - The reporter is responsible for making other players in the vicinity aware that an interview is being recorded.
  - PGA TOUR staff may designate, depending upon need and availability, an area within the locker room for the purpose of conducting interviews that are recorded.
  - Use of audio recorded interviews must be limited to the person being interviewed.
3. Audio recording devices and/or video recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

The credentialed entity and the Authorized Outlet therefor, including each intended end user thereof, shall jointly and severally indemnify, defend and hold the Event, its host organizations and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the credentialed entity.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc., sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. The holders of the media credential grant permission to PGA TOUR, Inc., to utilize the holders' images or likenesses incidental to any live or recorded television or other transmission or reproduction in whole or in part of any PGA TOUR event they attend.

## TPC Network

The PGA TOUR's TPC Network has maintained a reputation for operating high-quality clubs since its inception 27 years ago. The TPC network continues to grow, with more than 20 facilities currently open or under construction.

TPCs encompass all forms of golf-related operations—resort facilities, corporate/private membership clubs and daily-fee courses—and, as such, PGA TOUR Golf Course Properties, Inc. is able to match the type of facility with the demands of each market in which a club operates.

The network represents the highest standard in the golf-course industry, commensurate with the members of the organization it represents, the players of the PGA TOUR. Each TPC embodies the trademark of excellence first established with the flagship TPC Sawgrass, which opened its world-famous PLAYERS Stadium Course in the fall of 1980 in Ponte Vedra Beach, FL. This commitment to overall excellence serves as the foundation for the network's overall success.

The TPC Network was born through former PGA TOUR Commissioner Deane Beman's desire to provide TOUR players with quality golf courses that also would offer spectators enhanced viewing areas. Beman also reasoned that development of quality facilities would alleviate the TOUR's dependency on the television dollar, while providing rent-free venues for tournaments. The savings in rent, in turn, would generate both increased purses and greater charitable contributions by the tournaments held at TPCs.

TPC Sawgrass was the first TPC to hold a PGA TOUR event, becoming the permanent home of THE PLAYERS Championship in 1982. In 2007, 16 tournaments were conducted as TPC clubs, bringing the total number of PGA TOUR, Champions Tour and Nationwide Tour events held at TPC facilities to 279.

The TPC Sawgrass PLAYERS Stadium Course was completely refurbished in 2006, with the fairways redone and the greens rebuilt to create a "fast, firm and fair" course in time for the 2007 PLAYERS Championship.

Many of the top golf-course architects are connected with TPC projects, including Pete Dye, Tom Fazio, Arnold Palmer, Jack Nicklaus, Gary Player, Arthur Hills, Jay Morrish, Tom Weiskopf, Greg Norman, Bob Von Hagge and D.A. Weirbring. TPC Boston, which opened in 2002, was the fourth TPC course designed by Palmer Course Design Co. Weiskopf designed his second TPC course for TPC Craig Ranch near Dallas, TX, which opened in the fall of 2004.

Moreover, in recognizing the importance of player input for tournament courses, TOUR members have served as design consultants, working closely with the lead architect. Hal Sutton, for instance, served as the player design consultant on TPC Treviso Bay (Naples, FL), which will open in 2008, while Steve Elkington was the player consultant and Kelly Gibson the associate player consultant working with architect Pete Dye on TPC Louisiana in New Orleans, which opened in April 2004.

TPC San Antonio, scheduled to break ground this year, will be a 36-hole facility. Pete Dye and Greg Norman will be the architects, and Sergio Garcia and Bruce Lietzke will be the player consultants of the course.

## ShotLink

ing every tournament round. This data asset creates improved live coverage and more meaningful analysis. The new data creates great potential to enhance entertainment and image of the sport across all platforms.

The development of ShotLink started in 1997 when the TOUR decided to update its current scoring system, which was based on 1987 technology. The TOUR, in conjunction with IBM, conducted an extensive review process to formulate its strategy for the development and implementation of ShotLink. Following an evaluation of more than 30 companies, additional technology and implementation partners were identified: Information and Display Systems (IDS), Palm, Electronic Arts, Daktronics and two mapping vendors: GeoGolf and Geodetic Services. IBM provided overall project management, consulting services and server and networking technologies.

ShotLink was introduced during the 2001 Buick Classic and represents the TOUR's scoring system for the future. The System was enhanced in 2006 with the addition of a radar solution that accurately collects club head speed, ball speed, launch angle and tracks the entire flight of the ball. This solution is being installed on one tee each week. In 2007 a state-of-the-art set of LED scoreboards were introduced at THE PLAYERS Championship. They are powered by ShotLink and leverage the DiamondVision technology of Mitsubishi Electric, the Official Large Outdoor Video Display Provider of the PGA TOUR. This fan enhancement brings new information and insight to the fan in full color, including: leaderboards, leader updates, player bio and highlight videos, player performance metrics and shot location information. Future fan enhancements include broadcast applications, online uses, mobile applications, on-site presentations and new ShotLink statistics.

The accumulation, packaging and presentation of expanded shot and course information provide the basis for numerous fan enhancements.

Current uses of ShotLink data include:

- Enhanced graphics and statistics in television broadcasts – over 2,500 incremental broadcast mentions and graphics are aired annually due to the ShotLink system
- Expanded information and statistics for use by media
- Powering on-site and PGATOUR.com tournament leaderboards
- Providing on-site media and hospitality access to live tournament information
- On-site wireless and kiosk applications for tournament patrons through Tournament Tracker
- Powering mobile.pgatour.com, the PGA TOUR's wireless application for use on PDAs and cell phones
- Analysis of how each golf course is played to assist in course setup and in design changes
- Increased data mining to create more interesting entertainment on PGA-TOUR.com

ShotLink is a revolutionary platform for collecting and disseminating scoring and statistical data on every shot by every player in real-time during every tournament round.

- Powered the Emmy Award-winning TOURCast application on PGATOUR.com, which launched in 2003, and will relaunch in a different form in 2008. In addition to current uses, ShotLink provides unlimited potential to develop fan enhancements and products over the next several years, including:

- Enhanced and interactive television
- Internet, PC and console game enhancements
- Enhanced live data coverage and distance-related statistics information on PGATOUR.com

Besides fan enhancements, ShotLink creates an ongoing historical archive of statistical information. This information is available to players through the PGA TOUR Links program, built by IBM.

The ShotLink data is collected by volunteers utilizing a combination of handheld devices and laser range finders. Each week a team of approximately 350 volunteers dedicate approximately three man years of effort to perform this data collection. In the course of the entire season, more than 10,000 volunteers contribute to the success of this program.

## PGA TOUR Wives Association, Inc.

PGA TOUR Wives Association, Inc. is a Florida not-for-profit corporation organized to render support for and provide assistance to needy children and their families through the means of charitable events. The Association is comprised of the wives of professional golfers on the PGA TOUR and Nationwide Tour, as well as individuals and corporations that support the PGA TOUR Wives Association, Inc.'s many charitable endeavors.

Since its incorporation in 1988, the PGA TOUR Wives Association, Inc. has supported children's charities across the country by raising money and given back much to the game of golf through personal time and monetary contributions. In addition to fundraising, members participate in Volunteer Service Projects, performing a myriad of services ranging from Habitat builds to cooking in soup kitchens to playing with hospitalized children in communities where tournaments are held.

The PGA TOUR Wives Association, Inc. conducts numerous fundraisers to support its charities. These include memorabilia auctions, tasting events, concerts and other activities.

The Association's favorite (and longest-running) fundraiser is the biennial TOUR Wives Golf Classic, a nine-hole tournament where the wives play golf and their husbands caddie. The TOUR Wives Golf Classic, first played in 1987, has been held at different courses around the country.

While its membership varies from year to year, the commitment of the PGA TOUR Wives Association, Inc. to making a difference in the lives of needy children stands strong. The Association's dedicated members, past and present, have reached deep into their resources to balance the demands of family, work and travel and have given generously of themselves to realize their ideals. For information regarding the PGA TOUR Wives Association, please see their website at [www.pgatourwives.org](http://www.pgatourwives.org) or contact Sara Moores at the PGA TOUR.

## Weather Guidelines

Every effort will be made to finish each round as scheduled by Sunday. The first priority is always the competition and completion of 72 holes.

In an effort to achieve this objective by Sunday, 36 holes may be played on Sunday following a reduction of the field to the score which has the closest number of professionals to 60. If an equal number of professionals are at scores above and below the 60th position, the higher score will be used.

If conditions exist which prevent 72 holes from being completed by Sunday, play will always be extended to Monday if golf-course conditions and the weather forecast permit. Play on Monday could include 36 holes.

If conditions exist which make the completion of 72 holes impossible, the next priority is to complete 54 holes; thereby the winner is credited with an official victory. Again, play in this situation will always be extended to Monday if conditions and weather permit.

If conditions exist which make the completion of 54 holes impossible, the next priority is to complete 36 holes; thereby players receive official money, although the winner is credited with an unofficial victory. Again, play in this situation may be extended to Monday.

In making decisions to extend play beyond Sunday or to reduce the tournament to fewer than 72 holes due to inclement weather, the on-site Tournament Director discusses the situation and conditions with a number of parties, including the host organization, title sponsor, host site (general manager and/or golf-course superintendent), on-site weather forecaster, television representatives and the other members of the Rules Committee. Players typically have not been included in these discussions as the TOUR believes it is inappropriate for the Rules Committee to discuss matters directly affecting the competition with contestants.

## World Golf Foundation

### WORLD GOLF FOUNDATION

The World Golf Foundation is a 501(c)(3) nonprofit organization based in St. Augustine, FL at World Golf Village, home of the World Golf Hall of Fame and the national headquarters of

The First Tee. Its Board of Directors includes representatives from the Augusta National Golf Club, PGA, PGA of America, PGA TOUR, United States Golf Association, The R&A and the European Tour. USGA Executive Director David Fay serves as 2008 Chairman of the Board.

Established in 1994 to unite the golf industry and those who love the game, the World Golf Foundation supports initiatives that promote, enhance the growth of and provide access to the game of golf worldwide, while preserving golf's traditional values and passing them on to others.

In September 2007, the Board of Directors announced that Steve Mona, formerly the CEO of the Golf Course Superintendents Association of America (GCSAA), would take on the newly created position of CEO of the World Golf Foundation. Mona, 50, has been actively involved with the World Golf Foundation and its initiatives over the past decade, serving on the World Golf Hall of Fame Advisory Board and The First Tee Advisory Committee since 1998 and the GOLF 20/20 Executive Board since 1999.

The seven organizations that comprise the Executive Committee of the Foundation Board will be represented by their respective chief executive, as follows: Peter Dawson, Chief Executive of The R&A; George O'Grady, Executive Director of the European Tour; David Fay, Executive Director of the United States Golf Association; Tim Finchem, Commissioner of the PGA TOUR; Joe Steranka, Executive Director of the PGA of America; Carolyn Bivens, Commissioner of the PGA; and Jim Armstrong, Executive Director of Augusta National Golf Club.

Moving forward, the Chairman of the Board will rotate on an annual basis between the members of the Executive Committee. Additionally, the Board of Directors will increase in size, potentially increasing to up to 25 members, from its current structure of eight members, and becoming more international in its representation. The Board currently consists of the seven mem-

bers of the Executive Committee and Lynn Elsenhans, Executive Vice President of Global Manufacturing for Shell Downstream, Inc. Shell Oil Company is the Founding Sponsor of the World Golf Foundation.

The Board also announced that while reaffirming the Foundation's three primary initiatives (World Golf Hall of Fame, The First Tee, GOLF 20/20), the organization would broaden its scope to initiate strategic dialogue in areas of common interest that impact golf on a global basis. Specifically, the areas of Global Communications, Research and Public Affairs and the development of a unified Anti-Doping Policy have become part of the World Golf Foundation's focus.

**The World Golf Hall of Fame** ([wgvf.com](http://wgvf.com)) is the ultimate destination for the celebration and recognition of golf's greatest players and contributors, men and women. The institution stands as an inspiration to golfers and fans throughout the world. Its annual induction ceremony honors new members each year on the grounds of the museum.

**The First Tee** ([thefirsttee.org](http://thefirsttee.org)) is now widely recognized as a preeminent positive youth development organization. # PGA TOUR Anti-Doping Program

The PGA TOUR's primary objective is to have a credible Anti-Doping Program that will aggressively deter the use of any prohibited substance. The key elements of the program include extensive player outreach and education; a comprehensive list of prohibited substances and methods; therapeutic-use exemptions; a testing protocol and procedure; and guidelines governing sanctions and program administration. A summary of each of these significant elements follows:

## Player Outreach and Education

The TOUR's Anti-Doping Program will be implemented on all three Tours, on a phased-in basis. On the PGA TOUR, player education and outreach began in December 2007 and extends through June 2008, with testing beginning no sooner than July 2008. The education phase will commence on the Nationwide Tour in mid-2008, with testing to begin in late 2008. On the Champions Tour, education will begin in January 2009 and testing will be implemented in mid-2009.

PGA TOUR players received an Anti-Doping Program Manual in early December 2007. The manual contained significant detail about all aspects of the Program. Additionally, players will have 24-hour-a-day confidential access to medical and program advisors who can respond to any questions relating to specific substances, medications or testing procedures.

The player education process will include weekly player education sessions at tournament sites, beginning in January at the Sony Open in Hawaii. Medical experts will also be available on a weekly basis for one-on-one meetings with players, family members and/or support staff (managers, trainers, nutritionists, physicians, etc.) in any of the educational sessions offered. A mandatory player meeting will also be scheduled at the 2008 Buick Invitational, at which time the Program will be covered in comprehensive detail.

## Prohibited Substances

The PGA TOUR and the other member organizations of the World Golf Foundation have collaborated to create a Model Prohibited Substances and Methods List that was first announced in September 2007.

The list includes:

- Anabolic Agents (e.g., steroids)
- Hormones and Related Substances (e.g., human growth hormone, testosterone, EPO)
- Agents with Anti-Estrogenic Activity (to artificially increase testosterone level)
- Diuretics and Other Masking Agents
- Stimulants (e.g., Ritalin)
- Narcotics
- Cannabinoids
- Beta Blockers
- Enhancement of Oxygen Transfer (blood doping)
- Chemical and Physical Manipulation (tampering with a sample)

The Anti-Doping Program Manual that was delivered to players in December 2007 contains a comprehensive list of prohibited substances that fall under the categories listed above, as well as a list of those substances that will not be prohibited under the Program.

## Therapeutic Use Exemptions

The TOUR's Anti-Doping Program includes a process for players to apply to receive a Therapeutic Use Exemption (TUE) to use a banned substance if there is a legitimate medical need as determined by the TOUR's medical committee.

This TUE medical committee will be created and chaired by the TOUR's anti-doping medical advisor, Tom Hospel, M.D. Dr. Hospel is Board Certified in Sports Medicine, has served as the team physician for The Ohio State University and shares a practice with the Medical Advisor for the NFL Anti-Doping Program. The TUE medical committee will also include a number of other highly-regarded physicians from various medical disciplines.

## Testing Protocol

As with the overall Anti-Doping Program, the TOUR's primary objective with its testing protocol is to have a credible process that will aggressively and effectively deter the use of any prohibited substance. Under the terms of the program, the TOUR has the authority to test players at any time or place. All testing will be without prior notice. Testing done at tournament sites may be conducted both on practice/pro-am days and before or after competitive rounds. There is not a stated minimum or maximum number of times a year that an individual player may be tested.

The TOUR is taking significant steps to ensure that the confidentiality, security and integrity of the entire process is preserved for the membership. To implement the testing process, the TOUR has engaged the National Center for Drug Free Sport (Drug Free Sport). Individuals employed by Drug Free Sport are specifically trained to ensure a confidential and secure testing experience for the player and the TOUR.

Drug Free Sport will assist in the player education program in addition to conducting the actual testing. Beyond its new relationship with the TOUR, Drug Free Sport also provides drug testing or education services for the National Football League (NFL), Major League Baseball (MLB), National Basketball Association (NBA), National Collegiate Athletic Association (NCAA) and hundreds of colleges and universities.

## Sanctions

Players who have been tested will be notified of the results by the TOUR Program Administrator (see next section). If it is determined that a player committed a violation of the Anti-Doping Program, the player will be notified of the violation and the sanction. Players will have an opportunity to appeal a sanction at a hearing to be held by the Commissioner or his designee.

Under the program, the TOUR has the authority to impose a variety of sanctions, which may include: disqualification; ineligibility for up to one year for a first violation, up to five years for a second violation, and up to a lifetime ban for multiple violations; and fines up to \$500,000.

In addition, for drugs of abuse (marijuana, certain narcotics, cocaine), the Commissioner will have the discretion to require treatment and rehabilitation in lieu of or in addition to other sanctions.

For any player who fails a test and is issued sanctions, the TOUR will disclose that the player violated the TOUR's Anti-Doping Program and will report the penalty.

## Program Administration

The Program will be handled through the TOUR's Office of the General Counsel led by Rick Anderson, Executive Vice President and Chief Legal Officer. Allison Keller, Assistant General Counsel—Anti-Doping, will be the Program Administrator.

The TOUR has engaged outside policy and medical experts to assist in the development and implementation of the program, including player education programs and the testing process. In developing the program, the TOUR has worked closely with Richard Young, one of the world's foremost anti-doping experts and the principal draftsman of the World Anti-Doping Agency (WADA) Code. Young has served on the WADA Board since 2004.

# World Golf Hall of Fame

Open since 1998, the World Golf Hall of Fame is the ultimate destination for the celebration and recognition of golf's greatest players and contributors and serves as an inspiration to golfers and fans worldwide. Supported by all of the world's leading golf organizations, the Hall of Fame combines historic artifacts and personal memorabilia with interactive exhibits to tell the stories of the Hall of Fame members and the history of the game. The World Golf Hall of Fame is located at World Golf Village in St. Augustine, FL.

## The Museum

Guests of the World Golf Hall of Fame will be greeted with the fascinating and comprehensive tale of golf's history and its development from the cradle in Scotland through its growth to the far reaches of the world. An exhibit in this area focuses on the role of The R&A, the history of the British Open, golf's longest-running major, and The Royal & Ancient Golf Club of St. Andrews.

The Hall of Fame members' stories are referenced throughout the museum, though their true home is in the center of the museum, Shell Hall, named for the Hall of Fame's founding partner, Shell Oil Company. An extraordinary "Wall of Fame" donning hand-crafted bronze relief plaques of each member extends an entire wall, representing the current 120 members. And, guests can search for statistics, sound bites, photographs and video clips in a comprehensive database developed by technology partner IBM.

As a fitting tribute to the highest achievement in golf, significant tournament trophies, including men's and women's majors, are artfully displayed in the Hall of Fame Tower. Though perhaps the museum's true treasure trove is the Member Locker Room exhibit, which showcases more than 1,800 artifacts from Hall of Fame members around the world.

Guests have the opportunity to sink a long putt on a modern tournament-style putting green under the lights and cameras of a Shell's Wonderful World of Golf match and video is featured throughout the museum, including the multi-screen experience called "Spirit of the Game" and a theater offering great championship moment highlights.

## "Jack Nicklaus: Golf's Golden Champion"

The World Golf Hall of Fame offers temporary exhibitions throughout the year, many featuring its members. The featured exhibit for 2008, "Jack Nicklaus: Golf's Golden Champion," celebrates the stories of Nicklaus' benchmark career in golf and his personal life off the course.

The exhibition opened in conjunction with the 2007 World Golf Hall of Fame Induction Ceremony and will remain on display through November 2008.

## Inductee Exhibits

Each year the Hall of Fame showcases the stories and supporting memorabilia from the current year's class of inductees. On display from the 2007 Class are exhibitions for Joe Carr, Hubert Green, Charles Blair Macdonald, Kel Nagle, Se Ri Pak and Curtis Strange.

## Avenues for Induction

There are five avenues for a player or contributor to enter the World Golf Hall of Fame: PGA TOUR/Champions Tour ballot, International ballot, PGA Point System, Lifetime Achievement category and Veteran's category.

Various criteria is set up for players to be eligible for the PGA TOUR/Champions Tour and International ballots, including an age requirement of at least 40 years old and a necessary performance that includes a substantial amount of regular tournament victories and majors.

World Golf Hall of Fame

The PGA Point System requires a player to be an active member of the PGA Tour for 10 years and to have won either an PGA major tournament, Vare Trophy or Rolex Player of the Year honors, plus a number of other tournament victories.

Nominations for the Lifetime Achievement category are made by the international voting body members. The category is designed for any male or female supporter of the sport whose primary role in the game has come outside the playing arena. The World Golf Foundation Board of Directors' Selection Committee decides this category each year.

Any male or female professional or amateur whose playing career concluded at least 30 years ago is eligible for selection through the Veteran's category. The World Golf Foundation Board of Directors' Selection Committee also determines this category each year.

## Founding Partner

As sole founding partner of World Golf Hall of Fame, Shell Oil Company provides financial support to the World Golf Foundation and supports its charitable initiatives aimed at introducing golf to young people, thereby promoting scholastic achievement, community service and those values intrinsic to the game of golf.
