Nationwide Tour

With a record class of 25 graduates headed to the PGA TOUR, led by leading money winner Richard Johnson of Wales, the stature of the Nationwide Tour has reached new levels as it enters its 19th season. Every year we hear more players and media say the talent level between the PGA TOUR and the Nationwide Tour is comparable, and clearly the top players are capable of immediate success on the PGA TOUR. With the first of a new-five year agreement with Nationwide Insurance taking effect this year, the foundation and future of the Nationwide Tour have never been better.

As the official proving ground of the PGA TOUR, Nationwide Tour alums now comprise 67 percent of the PGA TOUR's membership, have won 217 TOUR titles through 2007 and 21 last year alone. Additionally, veterans of the Nationwide Tour account for 11 major championships and three PLAYERS Championships. With sixteen of its 22 graduates from 2006 competing in the first PGA TOUR Playoffs for the FedExCup, the Nationwide Tour's impact on the PGA TOUR is undeniable.

Emblematic of the Tour's growth is the 2008 schedule. The Nationwide Tour will play 30 tournaments in 22 states in the U.S. and five other countries for nearly \$19 million. For the first time, players will compete for \$1-million purses, at the Nationwide Tour Players Cup in West Virginia and the Nationwide Tour Championship at TPC Craig Ranch. The average purse is up 12 percent to \$631,000. Both are record figures. GOLF CHANNEL will air 13 domestic tournaments, plus events in New Zealand, Australia and Canada.

New tournaments will be played in Mexico (Mexico Open presented by Corona) and Canada (Ford Wayne Gretzky Classic presented by Samsung), significantly complementing the Tour's existing international presence in Panama, Australia and New Zealand. New venues for the BMW Charity Pro-Am will enhance the popular South Carolina-based event.

The 2008 season kicks off in Panama in January, and the chase to earn one of the coveted 25 PGA TOUR cards for 2009 does not conclude until early November at the Nationwide Tour Championship at TPC Craig Ranch in McKinney, TX, outside Dallas. If 2007 is any barometer, the Nationwide Tour will once again produce exciting finishes week in and week out and will identify a whole new breed of PGA TOUR stars.

The Nationwide Tour continues to point with pride to its tradition of helping its tournaments and the communities in which its plays raise significant dollars for local, regional and national charities. The bar was raised considerably in 2007 when two events exceeded the \$2-million mark, the BMW Charity Pro-Am and Albertsons Boise Open, leaving very strong imprints in their respective communities. The Tour as a whole generated \$7.5 million for charity in 2007.

The Communications team enjoys and appreciates its relationships with the media in every market we play. We thank you for your coverage of the Nationwide Tour and remind you to contact us at any time we can help you develop a story, provide statistics or facilitate an interview. All of us—staff, players and Nationwide—look forward to seeing you and serving you at Nationwide Tour events in 2008.

Sincerely,

Timothy W. Finchem

We Are The PGA TOUR

The name of our organization is the PGA TOUR, a tax-exempt membership group of professional golfers that plays more than 100 official money tournaments on three Tours – the PGA TOUR, Champions Tour and Nationwide Tour. Our headquarters are located in Ponte Vedra Beach, FL, southeast of Jacksonville.

We should be referred to as the PGA TOUR or TOUR (on second reference), but not the PGA, as we are a different organization than the PGA of America.

The PGA is the Professional Golfers' Association of America, a membership organization for the nation's club professionals. The PGA runs the PGA Championship, Senior PGA Championship and Ryder Cup Matches, among other championships. The PGA headquarters are located in Palm Beach Gardens, FL.

The PGA TOUR and PGA of America were affiliated until 1968, when the tournament players, a small subset of the total PGA membership, broke

away to form the Tournament Players Division and gain more control of their finances and tournament schedule. The Tournament Players Division was renamed the PGA TOUR in 1975.

Two other American golf organizations are involved in men's professional tournament play, independent of the TOUR but with their marquee events included on the TOUR schedule as non-TOUR co-sponsored tournaments. The United States Golf Association, with headquarters in Far Hills, NJ, oversees the national championships (U.S. Open, U.S. Senior Open, U.S. Amateur, U.S. Women's Amateur, etc.) and administers the Rules of Golf, among other duties. The Augusta (GA) National Golf Club plays host to the Masters Tournament. The Royal and Ancient Golf Club of St. Andrews, Scotland oversees the British Open and administers the world's golf rules jointly with the USGA.

The PGA TOUR is the world's foremost golf Tour, with 48 official money events from January through November. This year is the second in a new era for the PGA TOUR with the continuation of the FedExCup, a season-long points competition culminating with the PGA TOUR Playoffs for the FedEx Cup.

THE 25

The Nationwide Tour is the official proving ground for the PGA TOUR's next stars. At any given Nationwide Tour event you might see the next Jim Furyk, Zach Johnson, David Toms, Stuart Appleby, John Daly or Ernie Els. With 217 wins on the PGA TOUR and counting, and players representing 67 percent of the TOUR's membership, the Nationwide Tour clearly identifies those players who are ready to compete and win against the world's best. The essence of the Nationwide Tour is the 25 PGA TOUR cards that are at stake. From the very first event of the year to the last, the chase for "The 25" cards creates a focus and drama that is unique within the world of sports. In 2008, the season-long quest will culminate with a pressure-packed week at the Nationwide Tour Championship at TPC Craig Ranch in McKinney, TX, outside Dallas. At the conclusion of play on Nov. 9, 25 players will be awarded their 2009 PGA TOUR cards.

THE GOLD CADDIE BIBS

Also unique to the Nationwide Tour is its gold caddie bib program. Fans at Tour events and those watching at home on GOLF CHANNEL can follow "The 25" action each week as the caddies of players who are inside the top 25 on the money list will wear a gold bib, featuring the number of their player's current position on the money list.

Nationwide Becomes Longest-Running Sponsor in Nationwide Tour History

Nationwide is very excited for another year of great golf on the Nationwide Tour. This year is the company's sixth as umbrella sponsor, making Nationwide the longest running sponsor in Tour history. One reason for Nationwide's long-term commitment to the Tour is common ground.

Both organizations share similar goals—helping people pursue their dreams. The Nationwide Tour is home to up-and-coming golfers with dreams of playing at the next level. Nationwide, a leading provider of insurance and financial services helps customers achieve their dreams too – whether that's retirement on the golf course, or ensuring their financial security isn't derailed by an unexpected challenge.

Nationwide also shares a passion for golf with fans who know that the Nationwide Tour is the official proving ground of future PGA TOUR champions. With more Nationwide Tour graduates than ever earning PGA TOUR cards, the steady drum beat of their success at the next level constantly reinforces the growing significance of the Nationwide Tour.

History of the Nationwide Tour

Even the most optimistic person couldn't have foreseen the success of the Nationwide Tour when it kicked off its inaugural season on Thursday, Feb. 2, 1990 at 7:30 a.m. PST at Bakersfield Country Club in Bakersfield, CA.

The Nationwide Tour began under corporate sponsorship of the Ben Hogan Company as the Ben Hogan Tour. The idea of former PGA TOUR Commissioner Deane R. Beman, the Nationwide Tour was designed as a proving ground for up-and-coming golfers, as well as a place for PGA TOUR veterans to hone their skills as they prepared for the Champions Tour. It has become so much more than that.

For the first two years of the Tour, the top five money winners were awarded PGA TOUR membership. Beginning in 1992, the PGA TOUR Tournament Policy Board voted that, due to the success graduating players had on the PGA TOUR, that number would be increased to 10; and in 1997 the number was increased to 15. In 2003, 20 players earned their 2004 TOUR cards, and that number will increase to 25 in 2007.

That first event in 1990 was won by Mike Springer, who went on to win two more times that year and finish fourth on the money list. He was joined in the first graduating class by Jim McGovern, Dick Mast, Ed Humenik and Jeff Maggert, who was leading money-winner and Player of the Year.

However, the player who made the biggest impact on the PGA TOUR from the 1990 Tour was John Daly, winner of the only Ben Hogan Tour Qualifying Tournament. Daly won the PGA Championship as a rookie and went on to finish 17th on the 1991 PGA TOUR money list. Since then, he has added four more victories, including another major championship, the 1995 British Open.

Tom Lehman first established himself as a top-flight player on the 1991 Tour. After two nondescript years on the PGA TOUR in the early 1980s, Lehman won a tournament on the 1990 Tour. But 1991 was the breakthrough season in his comeback. He won three times that year and was the circuit's leading money-winner.

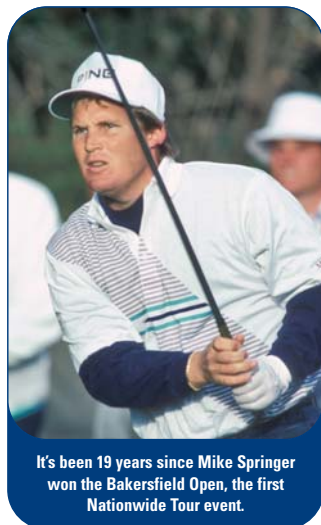

Californian John Flannery was the dominant player on the 1992 Tour, winning three times and leading the Tour in earnings with \$164,114. His successful campaign made him the Tour's third Player of the Year.

On August 26, 1992 Nike Inc., took over sponsorship of the Tour beginning with the 1993 season. Sean Murphy was the star of the 1993 Tour. He set records for wins in a season with four, career victories with five, and single-season earnings with \$166,293. He added a sixth title in 1995.

While Murphy was busy setting records, his fellow Tour alumni were busy making names for themselves on the PGA TOUR. Daly had already collected his second career win in the 1992 B.C. Open, and others were beginning to earn their own hardware. McGovern, Mike Standly and Maggert all collected PGA TOUR titles in 1993, while Springer and Greg Kraft grabbed a pair of unofficial wins.

The Tour Championship also was established in 1993 as a climax to the season. Rookie David Duval won the first Tour Championship, which featured only the top 50 money-winners during the year.

On the 1994 Tour, Chris Perry showed that consistency has its own rewards. Although six players collected multiple victories that year, Perry's lone title in the Utah Classic and his consistent strong play over the course of the season earned him Tour Player of the Year honors. He set a single-season earnings record with

It's been 19 years since Mike Springer won the Bakersfield Open, the first Nationwide Tour event.

\$167,148 and collected 10 top-10 finishes. He made every cut that season.

The 1994 Tour season saw a number of firsts. In June, Tommy Armour III became the first player to win back-to-back tournaments—the Miami Valley Open and Cleveland Open. During the second round of the 1994 Shreveport Open, Omar Uresti set a record with nine consecutive birdies. That not only stands as the Nationwide Tour standard, it surpassed the records on the PGA TOUR, Champions Tour or European Tour.

In May, Vic Wilk became the first left-hander to win an event, the Knoxville Open. Jerry Kelly continued the trend of the leading money-winner setting an earnings record in 1995, when he earned \$188,878 to better Perry's year-old record. Besides winning twice, Kelly posted 15 top-10 finishes.

Stewart Cink was the top story of the 1996 Tour season. The 1995 college Player of the Year became the first player in Nationwide Tour history to earn more than \$200,000 in a single season with \$251,699. He won three times, including the season-ending Tour Championship, and collected 14 top-10 finishes in only 21 events.

The 1997 season began with the announcement that the PGA TOUR Policy Board had increased the number of TOUR exemptions onto the PGA TOUR from 10 to 15, further enhancing the Tour's reputation as a proving ground for the next generation of PGA TOUR champions.

The 1997 season also marked the first year of the three-win promotion, which grants immediate access to the PGA TOUR for any player who wins three Nationwide Tour events in a season. Chris Smith was the first player to earn this promotion. On the Nationwide Tour, Smith had a record-breaking season. He won at the Upstate Classic, and captured the Dakota Dunes Open and Omaha Classic in back-to-back weeks. With the wins at Dakota Dunes and Omaha, he joined Armour and Jerry Haas as the only players to win consecutive tournaments. He also became the first player to win the same tournament twice, having won the Dakota Dunes Open in 1995.

In October, Steve Flesch joined Wilk as the only left-handed champions. Flesch won the season-ending Tour Championship. That victory vaulted him from 24th on the money list to fourth, earning him 1998 PGA TOUR membership.

The 1998 season saw more of the kind of action for which the Nationwide Tour has become known. During a three-week period late in the spring, Notah Begay III and Doug Dunaway caught the attention of the golf world when each recorded a 59 in competition. Begay's 13-under-par 59 came in the second round of the Dominion Open. Amazingly, Dunaway could have had the record on his own, with only a three-putt bogey on his final hole keeping him from posting an incredible 58.

Bob Burns was named 1998 Player of the Year after leading in earnings with \$178,664 and winning at the Dominion Open and Tour Championship.

The 1999 season saw Carl Paulson establish a new record for consecutive starts with 83. The 83rd start was a significant one as Paulson recorded his first-ever Nationwide Tour victory at the Utah Classic. That win, and another two weeks later at the Boise Open, vaulted Paulson to the top of the money list. His efforts were rewarded when his peers selected him as the Player of the Year. Seven players won twice on the Tour in 1999, and a record 22 players earned more than \$100,000.

The season-ending Tour Championship was a thrilling affair played at the Robert Trent Jones Trail Highland Oaks Golf Club in Dothan, AL. Bob Heintz won his second event of the season in a playoff with Dawson to take home the largest first-place prize in Tour history—\$72,000.

In late October, internet superstore Buy.com was announced as the new umbrella sponsor of the Tour. With Buy.com's financial contribution, purses rose to a record \$13.1 million in 2000, with the minimum weekly purses jumping from \$225,000 to \$400,000. On the course, the 2000 season saw Spike McRoy earn Player of the Year honors after winning twice and earning a record \$300,638. He was one of 53 players to earn \$100,000 or more.

History of the Nationwide Tour (cont.)

Along the way, Tim Clark made a little history of his own when he collected the first \$100,000 payday on the Tour by winning the Boise Open. The 2000 season was also notable for the emergence of international players who captured nine titles and claimed four of the top 15 spots on the money list.

The 2001 season was an historic one for the Tour. For only the second time, a player earned a promotion to the PGA TOUR by winning three times in one season. Heath Slocum's third win made him the first player since Smith (1997) to earn an automatic promotion to the TOUR.

Once the field was shown the way, others followed. First, Chad Campbell earned his third win and moved on, and then Pat Bates won back-to-back tournaments to end the year and became the third player in 2001 to jump to the PGA TOUR. Slocum set a Tour record by going 106 consecutive holes without making a bogey, while Todd Barranger tied the scoring mark by winning the Dayton Open with a 26-under-par effort. Along the way, Campbell set a single-season earnings record with \$394,552 to earn Player of the Year honors. He also finished second at the PGA TOUR's season-ending Southern Farm Bureau Classic.

The 2001 season also saw the Tour move to Canada for the first time with the Samsung Canadian PGA Championship in suburban Toronto.

In 2002, the Tour added tournaments in Australia and New Zealand for the first time. In addition, tournaments were allowed to sell individual title sponsorships for the first time.

Patrick Moore won three times and earned Player of the Year honors. A record 12 players earned \$200,000 or more. Alums continued to excel winning a one-season record 21 times in 2002.

The season ended on a high note with the announcement of a new umbrella sponsor, Nationwide. The five-year agreement started with the 2003 season, and the Tour not only sported a new name and logo but it awarded 20 PGA TOUR cards to its graduates.

The 2003 season featured 30 events, with purses in excess of \$14.7 million. New events were staged in Canada (Calgary), Chattanooga, TN, and Miami, FL., with Panama joining in 2004.

Tom Carter became only the sixth player to earn a three-win promotion to the PGA TOUR, but to show the strength of the Tour he wasn't even the Player of the Year. Zach Johnson won that honor after setting a new Tour record for earnings, with \$494,882. He had two wins and nine top-three finishes in his 20 starts while setting a new Tour scoring record, as well. He finished with a 68.97 average.

Jimmy Walker was the 2004 Player of the Year and leading money winner, as well as one of five multiple winners during the season. Alums continued to excel, winning a record 22 PGA TOUR titles, while the Class of 2003 made history with five members winning on TOUR, seven earning at least \$1 million and eight finishing in the top 125 on the money list.

Daniel Chopra set a Tour record with his 30-under performance at the Henrico County Open, while Tyler Williamson and Chris Nallen each fired 60s and narrowly missed joining the slim ranks of players to fire competitive 59s.

Jason Gore was the story of the 2005 season as he captured the hearts of golf fans everywhere with his U.S. Open performance. He followed that with a record-setting three consecutive victories on the Nationwide Tour and fired a 59 in winning the final one. He completed his season with a victory on the PGA TOUR and earned Nationwide Tour Player of the Year honors.

In any other season, Troy Matteson probably would have walked off with that honor. He won twice, finished in the top 10 a dozen times and set a new single-season earnings record of \$495,009.

New events in Rochester, NY, and Cleveland, OH, made their debut.

The 2006 season featured three new events in California, Georgia and South Carolina, and a 31-tournament slate that played for nearly \$17 million. Ken Duke and Johnson Wagner battled throughout the season for top honors, with Duke eventually emerging as the leading money winner and earning Player of the Year honors.

Five players won twice—Wagner, Tripp Isenhour, Craig Kanada, Brandt Snedeker and Kevin Stadler—with a record 10 players earning more than \$300,000 and 22 collecting \$200,000 or more.

The Class of 2005 made its mark on the PGA TOUR, with 12 of the 21 graduates finishing among the top 125 on the money list. Included in that group were Chris Couch, Eric Axley and Troy Matteson—who each won on the TOUR. Those three were among eight 2005 graduates who collected \$1 million or more in 2006.

On-course success was exceeded only by the good news that Nationwide and the PGA TOUR reached a new five-year extension on Nationwide's position as the umbrella sponsor of the Tour through 2012.

In 2007, the Tour played for a record \$18 million in prize money and a record 25 PGA TOUR cards were awarded at season's end. Australia's Nick Flanagan earned a Three-Win Promotion in August to the PGA TOUR and later earned Player of the Year honors. Richard Johnson won the season-ending Nationwide Tour Championship at Barona Creek to capture the money title. Roland Thatcher and Kyle Thompson both won twice in securing their TOUR cards for 2008. Another Aussie, Jason Day, 19, became the youngest winner in Nationwide Tour history in July by winning the Legend Financial Group Classic. Five of the top-seven money winners were international members, and eight players surpassed \$300,000 in earnings, with 24 reaching the \$200,000 plateau. Snedeker, a 2006 graduate, earned PGA TOUR Rookie of the Year honors, while 16 of the 22 members of this class earned spots in the 2007 PGA TOUR Playoffs for the FedExCup. Johnson, the 2003 Player of the Year, won the Masters.

The 2008 schedule features 30 tournaments that offer nearly \$19 million in prize money. New events come on board in Canada and Mexico, and the Tour will play for \$1-million purses at the Nationwide Tour Players Cup in West Virginia and the Nationwide Tour Championship at TPC Craig Ranch.

Nick Flanagan earned a Three-Win Promotion in August to the PGA TOUR and was the 2007 Player of the Year.

In 2007, Nationwide Tour alumni won 21 times on the PGA TOUR. Since 1990, alumni have won 217 TOUR titles, which include a grand slam of the major championships. Twenty-five PGA TOUR cards will once again be awarded in 2008 at the conclusion of the Tour's season. Prize money will be a record of nearly \$19 million. Recognizing the Tour's growing stature and the PGA TOUR's commitment to charity, Nationwide, one of the largest diversified insurance and financial services organizations in the world, has renewed its umbrella sponsorship through 2012. The PGA TOUR, through the efforts of its three Tours and their tournaments, sponsors, players and volunteers, supports more than 2,000 local charities and has surpassed \$1 billion in charitable giving. History

1990 – 2008. The Tour enters its 19th season in 2008.

Charity

The Nationwide Tour and its tournaments are committed to supporting charities in the communities in which events are played. In October 2005, the three Tours of the PGA TOUR and their tournaments reached the \$1-billion milestone in charitable giving, dating to the first recorded donation in 1938. In 2007 the Nationwide Tour donated \$7.5 million to charity. Two Nationwide Tour events, the BMW Charity Pro-Am and the Albertsons Boise Open, made record \$2 million-plus contributions to charity for the year. Annually, the Tour honors its Charity of the Year and Volunteer of the Year.

2008 Schedule

This season there will be 30 events played in 22 states and five countries outside the U.S. (Panama, Mexico, New Zealand, Australia and Canada). The Mexico and Canada events are new to the Nationwide Tour schedule in 2008.

Prize Money

\$18.95 million (30 events); the average purse is \$631,000. Both are record figures. For the first time, the Nationwide Tour will play for \$1 million purses in 2008 (Nationwide Tour Players Cup in West Virginia and Nationwide Tour Championship at TPC Craig Ranch).

"The 25" Program

Introduced in 2007, "The 25" program highlights the season-long chase to finish in the top 25 on the money list and earn a PGA TOUR card for the following season. A cad-die-bib program is one element of a broader marketing campaign that tells the story of "The 25" and spotlights the Nationwide Tour's ongoing connection and contributions to the PGA TOUR. Each week, caddies of the top-25 players wear a gold bib designating their player's current position on the money list.

About the Commissioner

Tim Finchem
PGA TOUR Commissioner

Tim Finchem began his 14th year as commissioner of the PGA TOUR in June 2007. From the time Finchem joined the TOUR management team, he has played a key role in strengthening the PGA TOUR's position as one of the most successful, well respected sports organizations in the world, and his leadership has helped foster the growth of the game, both domestically and internationally.

During his tenure, Finchem has greatly expanded the earnings opportunities for PGA TOUR players. The TOUR, through its tournaments and sponsors, has dramatically escalated tournament purses and grown total revenues at an unprecedented rate, all while donating more than \$1 billion to charity, a milestone reached in late 2005.

One of the most significant accomplishments during this period has been the development and introduction of the FedExCup, a season-long points competition that culminates with the PGA TOUR Playoffs for the FedExCup. In 2007, the inaugural FedExCup brought an unparalleled level of late-season focus to and interest in the TOUR, as indicated by significant increases in television and online audiences, tournament attendance, sponsor activation and media coverage.

Under Finchem's leadership, The Presidents Cup was created in 1994, bringing together the world's best non-European players in team, match-play competition against their American counterparts. After seven stagings, The Presidents Cup has grown to be one of the most highly anticipated events on golf's calendar, and the 2007 event at Royal Montreal Golf Club in Canada was the most successful to date.

Finchem has also been instrumental in the formation of the International Federation of PGA Tours and the World Golf Foundation. His personal dedication

to the success of the World Golf Foundation's The First Tee initiative has meant that in just 10 years, The First Tee has grown to include more than 200 chapters that reach more than 1.5 million young people.

Born in Ottawa, IL, on April 19, 1947, Finchem graduated from Princess Anne High School in Virginia Beach, VA. He attended the University of Richmond on a debate scholarship, receiving his Bachelor of Arts degree in 1969. He graduated from the University of Virginia Law School in 1973. After practicing law in Virginia Beach for three years, Finchem served in the White House as Deputy Advisor to the President in the Office of Economic Affairs in 1978 and 1979. In the early 1980s, Finchem co-founded the National Strategies and Marketing Group in Washington, D.C.

Finchem is the recipient of the Golf Course Superintendents Association of America's Old Tom Morris Award for 2001 and the PGA of America's Distinguished Service Award for 2002. He was awarded the Dick Schaap Lifetime Achievement in Sports Award in 2005.

Finchem is the third commissioner of the PGA TOUR, succeeding Deane Beman. Beman had served for 20 years, replacing the late Joe Dey, who had been the TOUR's commissioner in its first five years, 1969-74.

Prior to becoming commissioner on June 1, 1994, Finchem was deputy commissioner and chief operating officer of the TOUR. He joined the TOUR as vice president of business affairs in 1987.

Finchem and his wife, the former Holly Bachand, have four children and live in Ponte Vedra Beach, FL.

BEST 2007 PGA TOUR FINISH: T7—Canadian Open

PROFESSIONAL CAREER:

Returned to PGA TOUR full-time in 2007 after one year on the Nationwide Tour, thanks to a T29 finish at the 2006 PGA TOUR National Qualifying Tournament. Limited to 18 events in 2007 due to a double hernia diagnosed on Sept. 14 and subsequent surgery on Oct. 5 that kept him out of action most of the fall. Granted Minor Medical Extension and has six events in 2008 to earn \$217,121 (combined with 2007 earnings of \$568,059, would equal 2007's No. 125 earnings of \$785,180) and be elevated to Major Medical Extension status for the remainder of the 2008 campaign. Posted one top-10 in 2007, a T7 at the Canadian Open in fourth start. Held a share of the 36-hole lead with John Mallinger. Trained 54-hole leader Vijay Singh by one after a third-round 70, and finished T7 after closing with a 71. Made the cut in 17 of 25 starts on the 2006 Nationwide Tour, with three top-10s. Finished No. 46 on the money list, with \$125,203. Posted his first top 10 of the season at the Jacob's Creek Open Championship, finishing T8. Nine starts later finished a season-best solo-fifth place at the LaSalle Bank Open where a 1-under-par 283 total was worth \$30,000. Had held the

54-hole lead by a single stroke before being overtaken by Jason Dufner in the final round. Jumped out to a one-stroke lead after the first round at the Xerox Classic before eventually placing T6. Prior to his first full season on the Nationwide Tour in 2006, all five previous career starts on the Nationwide Tour came in 2003, with his best showing at T3 in his first start at the Chitimacha Louisiana Open. Has finished inside the top 125 on the PGA TOUR money list twice—No. 105 in 2003 and No. 121 in 2004. Opened 2004 tying the Waialae CC's course record at the Sony Open in Hawaii with a second-round 8-under-par 62. Had a two-stroke lead heading to the 72nd hole of regulation at the 2004 Reno-Tahoe Open. His third shot, from a greenside bunker, flew 10 yards over the green. He missed a 4-foot putt for bogey and made double bogey, dropping to 10-under and into a four-man playoff. Rookie Vaughn Taylor claimed his first TOUR victory, rolling in an 11-foot birdie putt on the first extra hole. His T2 matched career-best finish on TOUR (2003 Greater Milwaukee Open). Posted back-to-back top-10s for the only time on TOUR with a T2 at the 2003 Greater Milwaukee Open and a T5 at the B.C. Open. Winner of the 2002 Holden Australian Open. Won the 2000 TOUR National Qualifying Tournament and also made his card via Q-School by finishing T19 in 2001. Member of PGA TOUR of Australasia since 1996 and European Tour from 1997-2000. First victory came at the 1998 German Open at Sporting Club in Berlin.

Round (28.53). Fell out of the top 125 on the 2006 PGA TOUR money list, posting one top-10 in 33 starts. Lone top-10 was a T4 at the Buick Invitational. Recorded three eagles over a five-hole stretch on his first nine (Nos. 14, 16 and 18) during the second round. Missed a 7-foot putt for birdie on the 72nd hole that would have put him in a playoff with eventual winner Tiger Woods, Jose Maria Olazabal and Nathan Green. Finished No. 82nd on the 2005 money list in second full season on TOUR. Led TOUR in Putting Average (1.710). Missed just one cut in 17 starts. Earned first top-10 of the season in his third start, which he barely made. Began the week of the BellSouth Classic in Bali, Indonesia, on his honeymoon and as the 23rd alternate for the tournament. Parents warned him of impending storms, so he and his wife, Ritika, headed to the their U.S. residence. First round of the weather-shortened, 54-hole tournament did not begin until Saturday due to inclement weather. Was informed Thursday morning that he was second alternate, and when Chris DiMarco and Steve Flesch withdrew Friday he was next in the field. Opened with a 77 but came back with rounds of 67-64 to make his way into a five-way playoff with winner Phil Mickelson, Rich Beem, Brandt Jobe and Jose Maria Olazabal. Eliminated on first extra hole after second shot found the water on the 18th hole and could not get up and down for par. His T2 finish was the best of his career. Held a share of the 18-hole lead with DiMarco at the Zurich Classic of New Orleans after opening with a 7-under-par 65, tying DiMarco's

course record. Led by one after second-round 68. Finished T5 after rounds of 73-73 on the weekend. Third top-10 of the season was T9 finish at the B.C. Open. Was one stroke back through 54 holes, but a 70 dropped him to T9. Two months later, added a 10th-place finish at the Bell Canadian Open. In rookie campaign in 2004, missed 14 cuts in 15 starts in the middle of the season but ended strong by playing on the weekend eight times in last 10 appearances, including his first career top-10, a solo sixth at the Chrysler Classic of Greensboro, aided by a final-round 66. Was the first native of India to join the PGA TOUR after T7 finish at PGA TOUR National Qualifying Tournament. In February of 2003, claimed a commanding four-shot victory at the Carlsberg Malaysian Open for his second triumph on the European Tour. Held off Retief Goosen to win. Became the first player on the Asian PGA to surpass \$1 million in career earnings after winning the Hero Honda Masters in India. Made the cut in 20 of 29 starts on the 2006 Nationwide Tour, with 10 top-25 finishes—two of which were top 10s. Finished the season No. 30 on the money list, with \$175,189. Failed

to crack the top 10 in any of his first 12 starts of the season but more than made up for it with his second Tour victory at the Knoxville Open. Rounds of 67-66-67-69 led to a 19-under-par 269, five strokes clear of his nearest challenger and tying Andrew Buckle for the largest winning margin on Tour in 2006. Collected \$85,500 for the victory, becoming one of just six players in Tour history to win the same event twice (first victory came at the 2004 Knoxville Open). Came back the following week with a T8 outing at the Chattanooga Classic. For his efforts, was named the Tour's June Player of the Month. Returned for his second stint on the PGA TOUR in 2005 after spending the past three seasons on the Nationwide Tour. Picked up his first top-10 of the season, a T10 at the weather-shortened, 54-hole BellSouth Classic, in his sixth start. It was his career-best finish on TOUR in 43 starts. Opened with a personal-best, bogey-free 9-under 63 to hold the first-round lead at the FUNAI Classic at Walt Disney World Resort. Finished T58. Posted five top-10s and finished 16th on the 2004 Nationwide Tour money list, with \$212,065. Broke through for his first career win at the Knoxville Open. Birdied the first extra hole to defeat Shane Bertsch and Justin Bolli for the \$85,500 first-place check. Also lost a playoff to Bradley Hughes at the Preferred Health Systems Wichita Open. Finished 54th on the Nationwide Tour in 2003, with four top-10s. Was 44th in 2002,

Hunter Haas (Continued)

with two top-10s including a second-place showing at the Lake Erie Charity Classic at Peek 'n Peak Resort, one stroke behind winner Patrick Moore. Posted one of three double eagles on Tour in 2002 when his 3-iron from 234 yards found the bottom of the cup in the final round of the Gila River Golf Classic. Earned his PGA TOUR playing privileges with a T8 at the 2000 PGA TOUR National Qualifying Tournament. Made the cut in eight of 30 TOUR events in 2001, with his only top-25 finish coming in his first event of season and seventh career start, a T15 at the Touchstone Energy Tucson Classic. Best round of the year was a 65 in the second round of the Invensys Classic at Las Vegas.

AMATEUR CAREER:

Summer of 1999, shortly after finishing his college golf eligibility, won the U.S. Public Links and the Porter Cup in back-to-back weeks. The Public Links victory gave him an automatic exemption to the U.S. Amateur at Pebble Beach GL and the 2000 Masters. Was planning on playing professionally in 2000 while finishing his degree but could not pass up a guaranteed spot in the Masters, where he eventually missed the cut. Did manage to make a 35-foot putt on his final hole at the annual Masters Par-3 Contest to advance to four-person playoff. Chris Perry beat Haas, Jay Haas (no relation) and Steve Pate on the first playoff hole. Reached the semifinals at the 1999 U.S. Amateur. Member of the 1999 U.S. Walker Cup team.

PERSONAL:

Has six brothers and sisters who all play competitive golf. Credits his father and sister for giving him his start in golf.

join the playoff. Collected \$90,000 to move to fourth on the money list. His win set a then-Nationwide Tour record for most time elapsed between victories, coming 12 years, 8 months, 27 days since his last win, at the 1994 Carolina Classic. Omar Uresti topped that mark with his win at the Livermore Valley Wine Country Championship the following week, doing so 12 years, 11 months, 8 days after his last win at the 1994 Shreveport Open. Took over the top spot on the money list one week later with a T2 at the Livermore Valley Wine Country Championship, finishing two strokes behind Uresti. Two days before the start of the 2003 Memorial Tournament, lost most of the top of his left index finger above the first knuckle while cutting a bagel for breakfast. He put the finger on ice and rushed to Columbus, OH, hospital and had a two-hour procedure to reattach the finger. Ten days later, was able to resume practice. Three weeks after the accident, returned to the TOUR with a reverse overlap grip at the Buick Open, was tied for third-round lead and finished T4. Has 24 career TOUR top-10s and 23 on the Nationwide Tour, including two victories—in 1994 at the Inland Empire Open and the Carolina Classic. Finish was second top-10 in three starts at the PGA TOUR's event on the Monterey Peninsula. Finished among the top 75 (No. 69) on the PGA TOUR money list for a second straight season. Was a career-best second at the Bay Hill Invitational, one stroke behind Rod Pamplung, in his eighth start of the season. Tied at 14-under after

Pamplung double bogeyed the par-4 13th hole, he birdied Nos. 14 and 16 to take a one-stroke lead into the par-3 17th hole. Although Pamplung bogeyed the hole, Owen missed two putts from within 37 feet to double bogey. The pair headed for the 18th hole tied for the lead. Owen's second shot on No. 18 found the back bunker and he wedged to 13 feet. Pamplung two-putted for par, and when Owen's par putt lipped out he fell one shot short. Wrapped up the season No. 179 on the money list, with \$403,199. Posted one top-10 in 27 starts on the 2006 PGA TOUR in final year of two-year United States Ryder Cup team exemption, fin-

ishing the year No. 150 on the money list. Shared the first-round lead at the PGA Championship with a 6-under 66. Finished T41, T51 after opening round of the Valero Texas Open, but rallied to finish T5 at the Valero Texas Open, his first top-10 finish on the PGA TOUR since a T4 at the 2004 PGA Championship, a span of 50 events without a top-10. Finished out of the top 125 on the 2005 TOUR money list and posted no top-10s for the first time in his seven years on TOUR. Fell out of the top 30 in 2004 for the first time in three years, to No. 56. Three top-10s and six top-25s were lowest since his rookie season of 1999, when he posted the same figures. Finished T2 at the Buick Invitational after being involved in three-man playoff with John Daly and Luke Donald, his third runner-up finish in last seven months (2001 Greater Hartford Open, John Deere Classic). He and Donald were eliminated on first extra hole after Daly made birdie and Riley lipped out a putt from five feet. Playoff record moved to 1-1. Picked up second top-10 in 12 career major appearances, with a T4 at the PGA Championship; the other was a third at the 2002 PGA. A three-putt bogey on the 72nd hole left him one stroke out of the three-man playoff between winner Vijay Singh, Chris DiMarco and Justin Leonard. Finish enabled him to jump from 18th to 10th on the final Ryder Cup team points list and qualify for his first Ryder Cup squad. Collected a career-high six top-10s in 2003, including three top-3s—T3 at the MCI Heritage, solo second at the Greater Hartford Open and T2 at the John Deere Classic. It was his third top-five finish in Moline, IL. Earned first PGA TOUR victory in his 109th career start

Chris Riley (Continued)

Tied for the lead with Kaye and Steve Flesch a after 54 holes, Riley came from two strokes down on the back nine Sunday to tie Kaye in regulation. Used two-putt par to win on the first hole of the playoff. T5 at the Advil Western Open earned a spot in the British Open at Muirfield where he finished T22 with a final-round 66. PGA was his second major championship start of the season. Entered the final day T6. Posted a final-round, 2-under-par 70 good for solo third and his first ticket to the Masters for finishing in the top four and ties. Closed the year making 14 consecutive cuts. Slow start in 2001 after breaking out early in each of his first two seasons on the PGA TOUR. Eclipsed the \$1-million mark in season earning for the first time in his career thanks to four top-10s. Best effort of the year runner-up finish at The INTERNATIONAL. Four top-10s in 2000, including two fourth-place finishes. Earned top-10 in his first start as a member of the PGA TOUR in 1999, a T7 at Sony Open in Hawaii. Ironically, his first shot was out of bounds. Started the 2005 season with 11 missed cuts in his first 12 starts, but ended the year with top-10s in three of his last five TOUR appearances, helping him secure his card for 2006. Best effort of the season was T3 at the Chrysler Championship. Leader after 36 and 54 holes but a closing 3-over 75 dropped him to T3. Collected a season-best \$216,164 to move inside the top-100 on the money list for the 12th time in his 18-year career. Sank an 8-foot putt on the 72nd hole at the 2004 Cialis Western Open to finish solo second, earning one of the last exemptions into the British Open. Shared second-round lead. His \$518,400 payday marked a career best. Held the outright lead through three rounds of the 2003 B.C. Open but a closing 72 and a 9-under-par 63 by Champions Tour player Craig Stadler dropped Lowery into T2. Finished solo third at Las Vegas Invitational, three behind the playoff between Stuart Appleby and Scott McCarron. Thanks to three runner-up finishes in 2002 (Greater Milwaukee Open, The INTERNATIONAL and Air Canada), earned a career-best \$1,885,553 and gained a spot in THE TOUR Championship for the third time in career. Missed 10-foot birdie putt on 18th hole at The INTERNATIONAL which would have given him the win by one over Rich Beem. In his final five holes, Lowery had a birdie on the par-5 14th after getting up and down from a water hazard, a hole-out eagle on the par-4 15th and hole-out double eagle on the par-5 17th (6-iron from 200 yards). Returned to THE TOUR Championship in 2001 for the first time since 1994 by placing 27th in earnings. Finished third at the PGA, three behind winner David Toms. His second career victory at the 2000 Southern Farm Bureau Classic crowned a season that included nine top-10s. In season-ending victory, opened with 64 for share of lead with Frank Lickliter II. Followed with a 67 and 65 for solo lead through 36 and 54 holes. Took three-stroke lead into final round, shot 37 on the front nine and then birdied three of his final six holes to finish tied with Skip Kendall. In playoff, ran in 45-foot birdie putt from the fringe on the first extra hole for the title. Challenged TOUR scoring record in final round at 1997 Buick Challenge where he was 10-under through 13 holes. He needed to birdie three of the final five holes to equal record but parred 14, 15 and 16 before birdies at 17 and 18 gave him a 60 and a third-place finish. 1994: First TOUR victory came at the Sprint International. Tied with Rick Fehr with 35 points through 72 holes and then won playoff on first extra hole when Fehr's ball found water. Victory was worth \$252,000, more than he had earned in any previous season on TOUR. Year also included T2 at Buick Invitational, one stroke behind Craig Stadler, and T3 at NEC World Series of Golf where he held a one-stroke lead through 54 holes at Firestone before closing 72 left him two behind winner Jose Maria Olazabal. Used his play on the 1992 Nationwide Tour to return to the PGA TOUR in 1993. Won Tulsa Open to finish third on the money list. Earned Special Temporary Membership in 1990 and 1991 by earning as much as 150th-place finisher on previous year's money list. Lost card after finishing 157th on money list in 1988. Split time on both Tours in 2002. Missed the cut in 10 of first 11 PGA TOUR starts, but bounced back making seven of last 10, including his only top-10, a T10 at the Michelob Championship at Kingsmill in early October. Two weeks later, posted a 19-under-par total to win the rain-shortened, 54-hole Hibernia Southern Open, the final full-field event on the Nationwide Tour. Victory moved him from No. 199 to No. 54 on the money list and earned him a spot in the season-ending Tour Championship. Finished No. 51 on the Nationwide Tour money list and No. 187 on the PGA TOUR list. Earned a career-best \$279,877 in 2001, finishing 150th on the money list. Lone top-10, a career-best T5, came at the Bell Canadian Open. Second-round 63 was career low in official PGA TOUR event. Finished second at 2000 PGA TOUR National Qualifying Tournament to regain card for 2001. Made a breakthrough in Canada in 1999, winning the Canadian Tour's final event, the McDonald's PEI Challenge. Finished sixth on the Canadian Order of Merit. At end of 1999, finished 16th at the National Qualifying Tournament. Won Canadian Tour Rookie of the Year Award in 1992. Two-time All-American at Kent State. Was the 1991 Mid-American Conference champion and a member of the 1989 Pacific Amateur team. Took medalist honors at the 1987 Western Junior. At the Nationwide Tour Championship in 2003 and 2005, changed into Austin Powers and Elvis Presley costumes on Halloween during last hole of play in the final round. PRIDE, Dicky

FULL NAME: Richard Fletcher Pride III **BIRTHDATE:** July 15, 1969 **BIRTHPLACE:** Tuscaloosa, AL **RESIDENCE:** Orlando, FL **HEIGHT:** 6-0 **WEIGHT:** 175 **FAMILY:** Wife, Kim; Isabelle (10/12/99), Fletcher (10/2/01) **EDUCATION:** University of Alabama **SPECIAL INTERESTS:** Basketball, reading, University of Alabama football **TURNED PROFESSIONAL:** 1992 **OTHER INFORMATION:** Competed in 25 tournaments on the PGA TOUR in 2007 and recorded one top-10 finish, a fourth at the inaugural Ginn sur Mer Classic at Tesoro. It marked his best finish on TOUR since a T3 effort at the 1996 Canon Greater Hartford Open. Failed to retain his card at the TOUR's National Qualifying Tournament in the fall and will play with Past Champion status in 2008. Regained PGA TOUR card for 2007 with a T29 finish at 2006 National Qualifying Tournament, his fifth successful trip to the finals. Split 2006 season

between TOUR (made six of nine cuts) and Nationwide Tour (13 made cuts in 19 starts), earning one top-10, a T9 at the TOUR's U.S. Bank Championship in Milwaukee. Playing with partial status on TOUR in 2005, concentrated primarily on the Nationwide Tour. Made the cut in 13 of 25 starts on that Tour, with four top-10s. Ended the year 37th on the money list, with \$131,757. Notched a career-best finish on the Nationwide Tour with a T3 at the Henrico County Open. Fired a final-round, 10-under 62, which represented his career-low round on either Tour. Finished 184th on 2004 TOUR money list. Only top-10 of the season came in October, a T5 at the Michelin Championship at Las Vegas. It was his best finish on TOUR since a fifth at the 1999 Motorola Western Open. Missed four months of the 2002 season due to an attack of gallstones and pancreatitis. Had to be fed through a tube for 27 months and had his gallbladder removed. After T25 finish at the Touchstone Energy Tucson Open in late February, did not play again until late June at the Canon Greater Hartford Open. Won 1994 Federal Express St. Jude Classic in rookie season. A 20-foot putt on 72nd hole earned spot in playoff with Hal Sutton and Gene Sauers. Holed 25-foot birdie putt on first extra hole to win. Early in 1994, rescheduled his wedding day so it wouldn't conflict with the National Qualifying Tournament. That year's victory at Federal Express St. Jude Classic made qualifying unnecessary. Later that season won a Buick for soon-to-be wife Kim with a hole-in-one at Buick Challenge. Despite not playing golf as a freshman at Alabama, and not seeing any action as a sophomore walk-on, went on to become a two-time All-Southeastern Conference choice at Alabama. Semifinalist at the 1991 U.S. Amateur.

NOTES

Miguel Carballo overcame a five-stroke deficit to capture the 2007 Movistar Panama Championship, becoming the first player from Argentina to win on the Nationwide Tour.

Miguel Carballo's win was the fourth by a Latin American on Tour, joining Paraguay's **Angel Franco** and Mexico's **Keoke Cotner** and **Esteban Toledo**.

The win was especially sweet for **Miguel Carballo** because it came on the same golf course that his hero, **Roberto De Vincenzo**, won the first of his five Panama Opens.

Jim McGovern finished runner-up in 2007 for the second time in three years in Panama. He was also second in 2005.

NOTES

Scott Sterling dropped a half dozen 25-to-40 foot birdie putts over the final two days to capture his first Tour win at the 2007 Jacob's Creek Open Championship. The victory was worth \$108,000, nearly as much as Sterling won in his best season on Tour in 2002 (\$112,357).

David Lutterus, who missed a 6-foot par putt that would have forced a playoff, took the loss in 2007 especially tough since it came on his home course at Kooyonga Golf Club.

All six winners of the Jacob's Creek Open Championship have gone on to graduate later that season to the PGA TOUR.

NOTES

For the second consecutive tournament in 2007, the winner on the Nationwide Tour established a record for most time between victories. **Omar Uresti's** victory at the 2007 Livermore Valley Wine Country Championship came 12 years, 11 months, 27 days since he won the 1994 Shreveport Open.

Omar Uresti's victory snapped a string of 383 starts (277 PGA TOUR and 106 Nationwide Tour starts) since his last foray into the winner's circle in a PGA TOUR-sponsored event, while **Skip Kendall's** win a week earlier snapped a streak of 384 winless starts.

In 2007, The Course at Wente Vineyards played to a stroke average of 3.235-over par for the week, making it the ninth-most difficult course in Tour history. The course has ranked as the toughest on Tour each year of the tournament's existence.

Omar Uresti's final-round 76 equaled the second-highest final-round score by a winner in Tour history. Only a final-round 79 by **Roger Salazar** at the 1991 South Texas Open was higher. Uresti's winning total of even-par in 2007 was the second-highest winning score in Tour history, topped only by Salazar's 3-over total in 1991.

2007	John Kimbell278	Matthew Jones279	Kinderlou Forest GC, Valdosta, GA	72/7,781

NOTES

John Kimbell's 3-under 69 was the only sub-70 score in the final round at the 2007 South Georgia. A 38-year-old rookie from Atlanta, Kimbell didn't take up golf until he was 23 years old.

*The South Georgia Classic is contested on the **Davis Love III**-designed, 7,781-yard Kinderlou Forest Golf Club in Valdosta, GA, the longest course to ever host a PGA TOUR-sponsored event. The previous longest to host a sanctioned tournament was the 7,702-yard Whistle Bear Golf Club, site of **Jon Mills'** three-stroke victory over **Ken Duke** at the 2005 Canadian PGA Championship.*

Kinderlou Forest ended the season ranked as the Tour's sixth-toughest layout, with a 73.549 stroke average.

John Kimbell's victory in 2007 at Kinderlou Forest came on familiar ground. It was where he won his third NGA Hooters Tour title at the 2006 Langdale Ford Championship.

The South Georgia Classic represents the fourth event played in the state of Georgia during the 19-year history of the Tour. The most recent tournament played in the Peach State was the Athens Regional Foundation Classic. The others include the Macon Open and the Nationwide Tour Championship.

Jeff Klauk enjoyed his best finish of the season with a tie for third. He had friend and former University of Florida and NFL placekicker Jeff Chandler serving as his caddie for the week.

NOTES

Martin Laird's victory at the Athens Regional Foundation Classic was the only wire-to-wire win on the Nationwide Tour in 2007. In all, a total of 21 players in Tour history have posted wire-to-wire wins.

Justin Bolli, who had played Jennings Mill Country Club more than 150 times during his stint at the University of Georgia in nearby Athens, had a 12-foot putt on the final hole to tie for the lead. But the putt broke left, leaving him tied for second.

The 2007 Athens Regional Foundation Classic featured 33 players who had won a total of 76 PGA TOUR titles during their careers. Included on that list was former U.S. Open winner **Steve Jones**, who would finish in a tie for 14th. The field also featured three former Ryder Cup team and two Presidents Cup team members.

Martin Laird's win made him the first player from Scotland to win on the Nationwide Tour.

NOTES

Chris Riley's victory at the 2007 Rochester Area Charities Showdown at Somerby, which included a two-putt for birdie from 99 feet on the last hole to earn his spot in a playoff, was his first win in a PGA TOUR-sponsored event since his victory at the 2002 Reno-Tahoe Open.

Jamie Lovemark, the 2007 NCAA champion, received a sponsor exemption into the tournament. He nearly became the first amateur in Tour history to win (something BYU's Daniel Summerhays accomplished later in the year). A final-round, 7-under 65 placed him in a playoff with eventual winner **Chris Riley**. The runner-up effort equaled the runner-up effort by **Charles Howell III** at the 2000 Greensboro Open.

2007 Knoxville Open

Presented by Food City

NOTES

The Knoxville Open is one of four original Nationwide Tour events remaining on the schedule, joining Springfield, MO, Boise, ID, and Wichita, KS.

The inaugural Knoxville Open in 1990 was won in a playoff by **Jeff Maggert** over **Greg Ladehoff**. Maggert is one of six past champions in Knoxville to go on to win on the PGA TOUR, joining **Brian Henninger**, **Tom Scherrer**, **Heath Slocum**, **Vaughn Taylor** and **J.J. Henry**.

Having won the Knoxville Open in 2004 and 2006, **Hunter Haas** is one of seven players on Tour to have won the same event twice.

Australian **Kim Felton**, who claimed the Knoxville Open title in 2005, is the only international winner of the event.

The Nationwide Tour has had just four left-handed winners, with **Vic Wilk** the first to do so when he won the 1994 Knoxville Open.

Three past champions of the Knoxville Open have gone on to represent the United States in the Ryder Cup—**Jeff Maggert** (1990 champion), **J.J. Henry** (2000) and **Vaughn Taylor** (2003).

The Fox Den Country Club has hosted the Knoxville Open for the past nine seasons. Last year, the par-72, 7,110-yard layout played to an average of 72.140, making it the 14th-toughest course on Tour.

NOTES

Jason Day became the youngest winner in Nationwide Tour history with his win at the 2007 Legend Financial Group Classic. Day was 19 years, 7 months, 26 days old. The previous record holder was **James Oh**, who was 21 years, 5 months, 7 days when he won the 2003 Mark Christopher Charity Classic. By comparison, the youngest winner on the PGA TOUR was **Johnny McDermott's** (19 years, 10 months) at the 1911 U.S. Open.

The Legend Financial Group Classic has been kind to Australians the past two seasons. Not only were both winners from Down Under—including **Gavin Coles** in 2006 and **Jason Day** in 2007—but both second-place finishers were too: **Bradley Hughes** (2006) and **Scott Gardiner** (2007).

Jeremy Anderson posted an eventful, 1-under 70 during the final round a year ago. Despite hearing something pop in his ankle on the second hole, he completed his round to finish in a tie for 44th. A visit to the emergency room later revealed torn ligaments. He said, "I bogeyed two out of the last three holes, so I was actually proud of my effort. It was rough out there. I was basically playing on one leg. I had a downhill lie on the 16th hole that brought me to tears after I hit it."

Jason Day became the 51st different international player to win an event in Tour history and the 20th from Down Under.

NOTES

Daniel Summerhays became the first amateur to win on the Tour with his victory at the 2007 Nationwide Children's Hospital Invitational.

Due to his amateur status at the time, **Daniel Summerhays** wasn't able to take home the \$126,000 first-place prize. Runners-up **Chris Nallen** and **Chad Collins** were the beneficiaries, splitting first- and second-place money (\$100,800 each)—more than either won when they stepped into the winner's circle for their previous victories.

Ben Bates became first player in Nationwide Tour history to make 200 cuts when he played on the weekend at the 2007 Nationwide Children's Hospital Invitational.

For only the second time in Nationwide Tour history, three brothers teed it up at the Nationwide Children's Hospital Invitational. The Pappas brothers—**Brenden**, **Craig** and **Deane**—were the first threesome to compete on Tour since **Jack Nicklaus** was joined by his four sons (one of which played as an amateur) at the 2003 BMW Charity Pro-Am at The Cliffs. Brenden got the best of his brothers, tying for fifth.

2007 Price Cutter Charity Championship

Presented by Dr Pepper

NOTES

Tom Scherrer finished 26-under at the 2007 Price Cutter Charity Championship to win by four strokes over **Franklin Langham**. The four shot win was the largest in tournament history and marked the first time since 1991 that the event had been decided by more than two strokes. In all, the tournament has seen six playoffs and seven one-stroke outcomes.

Tom Scherrer's win was his third career Nationwide Tour victory, but his first since the 1998 Upstate Classic. At a tournament known for low scores, Scherrer finished the four rounds with scores of 66-63-66-67 for the lowest four-round total of the season.

Twelve of 18 winners of the Price Cutter Charity Championship have been first-time winners, including most recently **Doug LaBelle II** in 2006.

The par-72 Highland Springs Country Club will host the Price Cutter Charity Championship for the 19th straight season in 2008, joining Hillcrest Country Club (Albertsons Boise Open) as the only courses to host a tournament in each year of the Tour's existence.

The Price Cutter Charity Championship is one of the most successful tournaments on the Nationwide Tour in terms of giving back to the community each year. The tournament contributed \$650,308 to 42 area charities in 2007, bringing its 18-year total to \$6,375,591.

Chris DiMarco, who has won three times on the PGA TOUR, notched his only victory on the Nationwide Tour at the 1997 Price Cutter Charity Championship.

Prior to winning three times on his way to Nationwide Tour Player of the Year honors in 2008,

Nick Flanagan's prior best finish on Tour was a runner-up effort at the 2006 Price Cutter Charity Championship.

NOTES

Not only did **Roland Thatcher** get the best of **Jason Day** with his one-stroke win at the 2007 Cox Classic, but the \$117,000 winner's check he received gave him a commanding \$100,249 lead over the second-ranked

Aussie. That represented the largest margin in the season's first 20 weeks in Tour history. It was a perch Thatcher would retain until the last event of the year, when **Richard Johnson** claimed the top spot.

2007 Preferred Health Systems Wichita Open

Presented by Cox Communications

NOTES

Brad Elder's win at the 2007 Preferred Health Systems Wichita Open made him just the seventh player in Nationwide Tour history to win the same event twice. Elder also won in Wichita back in 1999. The other players include **Hunter Haas**, **Shane Bertsch**, **Peter O'Malley**, **Pat Bates**, **Ryan Howison** and **Chris Smith**.

Tom Lehman won the inaugural Preferred Health Systems Wichita Open in 1990 for his first victory on Tour. Lehman is one of 12 players who posted their first Nationwide Tour win in Wichita. Lehman's 1990 season was a sign of things to come. The following season he racked up three wins on his way to Nationwide Tour Player of the Year honors.

Tom Lehman is one of three players who has won in Wichita and also claimed a major championship. Lehman's career was highlighted by his win at the 1996 British Open. The other players are **David Duval** (1993 Wichita Open) and **David Toms** (1995 Wichita Open).

The tournament has been played at three different courses during its 18-year run in Wichita, including Reflection Ridge Golf Club, Willowbend Golf Club and the current host course at Crestview Country Club.

The 54-hole leader has failed to win the Preferred Health Systems Wichita Open each of the last six years. **Jason Dufner**, in 2001, was the last to carry the third-round lead on to the winner's circle.

Just two international players have won the Preferred Health Systems Wichita Open: New Guinea's **Jeff Woodland** in 1992 and Australia's **Bradley Hughes** in 2004.

NOTES

Nick Flanagan, a 23-year-old Australian, posted a 7-under 63—the round of the week—in the final round to wipe out a seven-stroke deficit at the beginning of the day and go on to a one-stroke win at the 2007 Xerox Classic.

Nick Flanagan became the first international player in Tour history to earn a Three-Win Promotion to the PGA TOUR with his win in Rochester. He became the eighth player overall to earn the Promotion, and the first since **Jason Gore** in 2005.

Close finishes are becoming the norm at the Xerox Classic. Each of the first three winners of the event have won by a single stroke.

The Irondequoit Country Club got its start in 1916 as a nine-hole layout designed by famed golf architect Donald Ross. In 1952, a second nine was added when land was purchased from the neighboring and world-renowned Oak Hill Country Club, abutting its famous East Course. The resulting 18-hole course is considered one of the favorites among the Nationwide Tour membership.

NOTES

When **Jimmy Walker** fired a 5-under 67 to come from seven shots behind in the final round to win the National Mining Association Pete Dye Classic, it marked only the second-best come-from-behind effort in his career. Walker was eight back when he won the 2004 Chitimacha Louisiana Open. It also marked the second consecutive week that the winner came from seven shots back to win after **Nick Flanagan** did it at the Xerox Classic the previous week.

Parker McLachlin's seven-stroke lead after the third round in 2007 tied the Tour record for largest lead entering any round.

In 2007, and for the first time in tournament history, the nines were reversed at the Pete Dye Golf Club—with tournament officials wanting to create a more intimate atmosphere at the new par-4, 497-yard 18th hole. The hole ranked as the fourth-toughest during the 2006 tournament and played even harder in 2007, ranking as the course's second toughest hole.

2007 Albertsons Boise Open

Presented by First Health

NOTES

Jon Mills posted a final-round, 7-under 64, highlighted by an eagle-par-birdie finish, to score a three-shot victory over **D.A. Points** at the 2007 Albertsons Boise Open. It was the second win of Mills' career, with the first coming at the 2005 Canadian PGA Championship.

Jon Mills established a new tournament record with his winning score of 21-under 263. Mills broke the mark of 264 set by **Kevin Stadler** in 2006.

Nationwide Tour history was made at the Albertsons Boise Open a year ago when three holes-in-one were recorded on the same hole in the same round. **Ricky Barnes**, **Tadd Fujikawa** and **David Hearn** all aced the 133-yard 17th hole at Hillcrest Country Club. At age 16 years, 8 months, 11 days, Fujikawa became the youngest player in Tour history to record a hole-in-one.

The Albertsons Boise Open got under way in 2007 with popular past Tour members **Bubba Watson**, **Jason Gore** and **Kevin Stadler**—and long-drive champion Jason Zuback—competing in the \$1 million Kraft Shoot-Out presented by J.A. and Kathryn Albertson Foundation. The team of Stadler-Watson collected \$580,000 for their charities in the competition, while Gore-Zuback earned \$420,000 for their respective charities.

JASON GORE

The par-71 Hillcrest Country Club will host the Albertsons Boise Open for the 19th straight season in 2008, joining Highland Springs Country Club (Price Cutter Charity Championship) as the only courses to host a tournament in each year of the Tour's existence.

2007 Mark Christopher Charity Classic

Presented by The County of San Bernardino

NOTES

In the fourth playoff in tournament history, **Matthew Jones** and **Jeremy Anderson** both found the greenside water hazard in the extra stanza, leaving **Richard Johnson** an easy chip and ensuing two-putt for the victory—his third title to go along with wins at the 1999 Florida Classic and the 2000 Monterey Peninsula Classic.

The runner-up finish was familiar territory for **Matthew Jones**, who finished second four times in 2007, including the South Georgia Classic, the National Mining Association Pete Dye Classic, the Oregon Classic and the Mark Christopher Charity Classic. In 2000, **Chris Smith** set the Tour record with five second-place finishes.

Kevin Na's victory in 2006 was familiar in many ways to **James Oh**'s victory at the 2003 Mark Christopher Charity Classic. In addition to their two-lettered last names, both players were of Korean descent, were raised in Southern California and turned professional as teenagers.

The largest come-from-behind win at the Mark Christopher Charity Classic was **Andy Miller**'s five-shot comeback in 2002.

Saxophonist **Kenny Gorelick**, better known as **Kenny G**, played in the Mark Christopher Charity Classic field as a sponsor's exemption for the second time in his career (2005, 2007). He shot rounds of 78-82 to again miss the cut.

Kenny G played the opening two rounds in 2007 with **Doug Yi** and **Eric Wolf**—perhaps a three-some that took up the least amount of space on a grouping sheet in Tour history.

2007 WNB Golf Classic

NOTES

Brad Adamonis survived an eight-hole playoff last year at the WNB Golf Classic for his first career Nationwide Tour win. Adamonis parred the first hole to get the best of **Tjaart van der Walt, Ron**

Whittaker and **Vance Veazey**—which tied the Tour record for most players in a playoff. It was the second-longest playoff in Tour history—just one shy of the nine-hole affair won by **Eric Booker** at the 1998 Lehig Valley Open.

Brandt Snedeker's victory at the 2006 WNB Golf Classic was the sign of things to come. Playing his rookie season on the PGA TOUR in 2007, Snedeker was named Rookie of the Year based on his 17th-place finish on the money list, with \$2,836,643 in earnings, with the latter being a record for a Nationwide Tour graduate.

In 16 tournaments, **Chad Campbell** (2001) and **Brandt Snedeker** (2006) are the only players to carry the first-round lead on to victory in Midland. Campbell's 24-under winning score that year still stands as the tournament record.

Three-time Nationwide Tour winner **Mark Hensby**, a member of the 2005 Presidents Cup International team, accumulated six second-place finishes during his career on the Nationwide Tour. Three of those came in Midland (2000, 2002-03). **Chris Smith** leads the Tour in runner-up finishes, with nine, including a one-stroke setback to **Hugh Royer III** at the 1995 Permian Basin Charity Golf Classic.

Speaking of runner-up finishes, **Craig Bowden** finished in second place at the WNB Golf Classic two consecutive years from 2005-06.

72-Hole Record:

264, Chad Campbell, 2001

36-Hole Record:

NOTES

Ron Whittaker capped a highly successful two weeks with his one-stroke victory over **David McKenzie**.

Whittaker's first career win came on the heels of a runner-up finish the week before at the WNB Golf Classic.

Close finishes have become a tradition at the Chattanooga Classic. Throughout the five-year history of the event, the outcome has been decided by a playoff twice (2005-06) and one stroke three times (2003-04, 2007).

Roland Thatcher had a new man on the bag at the 2007 Chattanooga Classic—ESPN.com golf editor Jason Sobel. Sobel spent the entire week working for Thatcher, but it was shorter than normal, as Thatcher missed the cut.

NOTES

Marc Turnesa joined his famous relatives in the winner's circle with his one-stroke win over **David Mathis** and **Jon Mills** at the 2007 Miccosukee Championship. Turnesa's grandfather **Mike Turnesa** won six PGA TOUR titles and finished second to **Ben Hogan** at the 1948 PGA Championship. Mike's brothers, **Willie**, **Jim** and **Joe** also won prominent titles in the 1930s, 1940s and 1950s. In all there were seven brothers who competed.

Jason Dufner holds the course record at the Miccosukee Golf and Country Club, firing a 9-under 62 during the second round in 2003.

National Football League fans in attendance at last year's Miccosukee Championship probably recognized the event's tournament director. Don Strock, who directed the event for the first time, is best known for a lengthy stint from 1973-1987 with the NFL's Miami Dolphins.

Keith Nolan's start at the 2007 Miccosukee Championship was his 31st of the season—the only player on Tour to tee it up in every regular season event. Unfortunately it was the end of the line for Nolan, as he finished the season No. 86 on the money list and failed to advance to the Nationwide Tour Championship at Barona Creek the following week.

Glossary of Statistics

Total Driving

Total Driving is computed by totaling a player's rank in driving distance and driving accuracy.

Driving Distance

The average number of yards per measured drive. Driving distance is measured on two holes per round. Care is taken to select holes which face in opposite directions to counteract the effects of wind. Drives are measured to the point they come to rest, regardless of whether they are in the fairway or not.

Driving Accuracy

The percentage of time a player is able to hit the fairway with his tee shot.

Greens in Regulation

The percentage of time a player was able to hit the green in regulation (greens hit in regulation/holes played). Note: A green is considered hit in regulation if any part of the ball is touching the putting surface and the number of strokes taken is two or less than par.

Putting Average

Measures putting performance on greens hit in regulation. For each green hit in regulation, the total number of putts is divided by the number of greens hit in regulation. By using greens hit in regulation, we are able to eliminate the affects of chipping close and one-putting in the computation.

Sand Saves Percentage

The percentage of time a player is able to get up and down once in a greenside sand bunker. Note: This up and down is computed regardless of score on the hole.

Eagles (holes per)

The average number of holes between each eagle.

Birdie Leaders

The average number of birdies made per round played.

All Around

This statistic is computed by totaling a player's rank in each of the following statistics: Scoring Leaders, Putting Leaders, Eagle Leaders, Birdie Leaders, Sand Saves, Greens in Regulation, Driving Distance and Driving Accuracy.

Charity: Giving Back...The Heart of the PGA TOUR

Making a positive impact on the communities where PGA TOUR tournaments are held and players live is a sure sign that the golf organization's charitable mission is a continuing success story all around the world.

This effort was celebrated in late 2005 when the PGA TOUR and its tournaments reached the "Drive to a Billion" milestone. That cumulative effect, since the first donation in 1938, has reached more than \$1.2 billion entering 2008.

The forecast is for the second billion-dollar mark to be reached in the next five to seven years. PGA TOUR, Champions Tour and Nationwide Tour events annually benefit more than 2,000 charities and countless individuals worldwide.

"Thanks to the incredible generosity of the tournaments, players, fans, volunteers and business partners who support the PGA TOUR, our goal of giving back continues to be our main focus," PGA TOUR Commissioner Tim Finchem said. "We are inspired by the continued enthusiasm for giving that ensures more and more assistance is generated for those in need around the world."

Structure

Unlike any other professional sport, the PGA TOUR relies on more than 80,000 volunteers a year to run its events, and nearly all of the 100-plus tournaments are structured as non-profit organizations designed to donate 100 percent of net proceeds to local charities. Beneficiaries include a wide variety of local organizations such as hospitals, youth-development organizations, growth-of-the-game programs and food banks.

The beneficiaries include the 2006 Charities of the Year on each of the Tours—Any Baby Can in San Antonio, TX, (Valero Texas Open on the PGA TOUR), The Corner Table in Newton, NC (Greater Hickory Classic at Rock Barn on the Champions Tour), and Rochester Golf Charities in Rochester, MN (2006 Showdown at Somerby on the Nationwide Tour). The impact is also made by volunteers such as the 2006 Volunteers of the Year on the respective Tours—Marty Sheets of the PGA TOUR's Wyndham Championship in Greensboro, NC, Joe McDonald at the Champions Tour's Turtle Bay Championship in Hawaii and Oran Culberson at the Nationwide Tour's Knoxville Open in Tennessee.

Tournaments

The Valero Texas Open on the PGA TOUR, the Toshiba Classic, 3M Championship and Wal-Mart First Tee Open at Pebble Beach on the Champions Tour and the Albertsons Boise Open and BMW Charity Pro-Am on the Nationwide Tour provided the largest donations to charity in 2007 on each Tour.

The EDS Byron Nelson Championship continued its high level of giving by totaling more than \$100 million cumulatively. The FBR Open in Phoenix raised \$7.8 million in 2007, topped only by the Valero Texas Open's record \$8 million in giving for the year.

In The Presidents Cup, there is no purse, yet revenues are divided into

equal shares that the participating players and Captains designate for charities of their choice, totaling more than \$17 million in the seven playings of the event.

"This heartfelt response year after year is a tribute to the players, tournaments and thousands of volunteers who make PGA TOUR events so successful," said Ollie Nutt, Chairman of the Tournament Advisory Council. "We look forward to continuing the tradition of making a true difference for organizations and in people's lives in cities where we play."

Players

Players also reach out to help considerably through charitable efforts in their home communities and elsewhere.

Support of the United States military was quite evident in 2007. The inaugural AT&T National in Bethesda, MD, over the Fourth of July weekend honored the United States military by offering free admission to all military personnel and holding various events around the tournament. Host Tiger Woods paid tribute to his late father, Earl, a Green Beret veteran, by focusing on those who serve our country through various activities.

"I think that when you're around it, you understand the level of commitment," Woods said. "I know I can't serve with them, but I just want to say thank you in some way. They put their lives on the line so that we are able to enjoy our freedom."

Phil Mickelson, the world's No. 2-ranked player, began a "Birdies for the Brave" program in 2004 that continues to donate \$100 for each birdie and \$500 for each eagle he makes in competition and benefits "Homes for Our Troops" and "Special Operations Warrior Foundation."

Numerous other players are affiliated with organizations that assist wounded veterans and their families.

Players support amateur golf in various capacities also. Australia's Aaron Baddeley, a former Nationwide Tour member, has sponsored the Aaron Baddeley International Junior Championship in China each December for seven years, with the winning boys and girls earning spots in the Australian men's and women's opens. Bubba Watson, who also starred on the Nationwide Tour, sponsors the Bubba Watson Invitational, a women's NCAA Division II golf tournament at his home course in Pace, FL.

Fred Funk, who plays on both the PGA TOUR and Champions Tour, has assisted J.T. Townsend, a young man who was paralyzed in a 2004 Jacksonville, FL, high school football game. Funk has spearheaded fund-raisers, including an annual golf tournament and given a percentage of his earnings to help Townsend's family pay for a wheelchair-accessible home that includes other special amenities. The Townsend family moved into the home in late 2006.

"We've been praying for an angel to come into our lives, and Fred (Funk) appeared," Carmen Townsend, J.T.'s mother, said. "He could have just greeted J.T. and left."

In the communities where tournaments take place, giving back remains at the heart of the PGA TOUR.

The First Tee

The First Tee (thefirsttee.org) is recognized as a preeminent positive youth development organization. It provides young people of all backgrounds an opportunity to develop, through golf and character education, life-enhancing values such as honesty, confidence, perseverance and judgment.

Since its inception in 1997, The First Tee has opened more than 260 golf-learning facilities in 47 states and five international locations (Australia, Canada, Ireland, New Zealand, Singapore), and has introduced the game of golf and its values to more than 1.5 million participants.

In November 2007 The First Tee celebrated its milestone 10th anniversary during a network-wide meeting held in Jacksonville, FL. More than 600 attendees, representing nearly 90 percent of all chapters of The First Tee, participated in educational and best practice sessions. The 10th-anniversary meeting was highlighted by two special announcements. Fred Tattersall, a National Trustee and founder of The First Tee of Richmond & Chesterfield, announced an additional \$2-million gift to fund The First Tee Life Skills and Leadership Academies on college campuses for the next 12 years. And Billy Dettlaff, national director of golf for the TPC network, announced the establishment of the Henry and Helen Dettlaff Endowed Scholarship to the University of Notre Dame for Scholars of The First Tee.

The First Tee Life Skills Experience™ is the unique feature that separates The First Tee from many other junior golf programs and youth initiatives. Through life lessons taught at more than 200 community-based nonprofit chapters, participants learn the importance of maintaining a positive attitude, how to make decisions by thinking about possible consequences, how to define and set goals, and how to transfer the positive values of golf to everyday life. Independent research conducted by the University of Virginia provides data-based evidence of the effectiveness of The First Tee and that the organization is having a strong, positive impact on young people's development of life skills and core values.

The First Tee National School Program introduces The First Tee Nine Core Values to elementary school students and provides teachers with modified equipment and a curriculum to teach basic golf skills and etiquette during regular physical education classes. The NSP is now implemented in over 1,700 elementary schools in 75 school districts, and its presence continues to grow in PGA TOUR tournament markets.

Each Labor Day weekend, The Wal-Mart First Tee Open at Pebble Beach showcases the talent and character of young people who participate at The First Tee facilities worldwide. An official Champions Tour event, the tournament pairs one junior with a Champions Tour player and two amateurs. Seventy-eight junior spots are awarded. The 2007 tournament was televised on GOLF CHANNEL.

Key to The First Tee's success is the support it receives from its Founding Partners, some of the game's most respected and influential organizations; Augusta National Golf Club, LPGA, PGA of America, PGA TOUR and the USGA. Former President George Bush serves as honorary chairman.

GOLF 20/20: Vision For the Future

In November 2000, golf industry leaders gathered at the World Golf Village to participate in a conference called GOLF 20/20: Vision for the Future, a precedent-setting forum aimed at initiating a collaborative effort to grow the game of golf and secure its future. The spirit of unity was so strong and the commitment to make a difference so universal, the decision was made to address some of the most pressing issues impacting the golf industry on an ongoing basis, through the formation of GOLF 20/20.

An initiative of the World Golf Foundation, GOLF 20/20's mission is "To align the golf industry behind a plan that addresses the future of golf in a strategic manner, with an emphasis on accelerating growth and participation and creating new avenues of access into the game." Through ongoing programs created in collaboration with industry partners that promote the growth of game initiative, GOLF 20/20 strives to enhance both participation and interest in golf.

Among GOLF 20/20's many accomplishments during the past six years are the following:

Research – GOLF 20/20 has undertaken a number of unprecedented research projects, including golf's largest-ever segmentation study (2001); a study quantifying golf's annual economy at \$62 billion; and two studies focusing on golf's best customers (2005). In 2006, GOLF 20/20, working with SRI International, developed a template for the calculation of the economic impact of golf at the state level, which provides states with an affordable tool to use in a variety of ways.

Program Development – GOLF 20/20 has successfully piloted numerous programs, beginning with Link Up 2 Golf in 2001. This adult player development program now serves as an integral part of the PGA of America's Play Golf America program. In 2003, GOLF 20/20 created the National School Golf Program, a unique approach to introducing elementary school students to the game through the physical education structure. This program is now under the management of The First Tee. And in 2005, GOLF 20/20 established Women's Golf Week, a

unique collaboration of the golf industry aimed at increasing the participation of women in the game. During its inaugural year, 225 golf facilities nationwide hosted Women's Golf Week activities, impacting nearly 10,000 women. Under the management of four organizations in 2007—the PGA, LPGA, EWGA and NGCOA—more than 1,300 facilities participated in Women's Golf Week.

Economic Impact – In 2006 GOLF 20/20, along with research partner SRI International, developed a template through which states could affordably commission a report on the economic impact of golf within the state, to demonstrate golf's importance to various public and private constituencies. Virginia was the first state to capitalize on the model, and in 2007 reports were completed for Ohio, Iowa, Michigan, Minnesota and Louisiana, and others are underway for Massachusetts, Texas and California. Additionally, in early 2008 GOLF 20/20 will publish an updated report on the Scope of the Golf Industry (last done in 2002) and the first ever report on the total economic impact of golf in the U.S.

PGA TOUR Links

The PGA TOUR Links program is the technological solution that brings together PGA TOUR, Champions Tour, and Nationwide Tour Members, PGA TOUR Staff, Player Managers and Tournament Organizations. The PGA TOUR and its players work together to design a solution that fits their communication needs.

As part of the PGA TOUR Links program, each player receives a laptop computer and access to the players only intranet site from anywhere in the world. Within the site itself, players are able to view vital PGA TOUR announcements, tournament information, tee times, and conduct statistical analysis. Players are also able to commit to tournaments, make hotel reservations, reply to surveys and vote in player elections and end-of-the-year awards.

To date, more than 750 players have participated in the PGA TOUR Links program. The players have cited the program as a most efficient form of communication. As the program enters its tenth year, it continues to evolve to meet changing technological advances and player needs.

Regulations – Media

The following regulations are to be followed by all members of the media:

1. PGA TOUR retains exclusive media rights (including, but not limited to, broadcast, cable, home video, Internet) to all events on the PGA TOUR, Champions Tour and Nationwide Tour.
2. Each credential issued pursuant to PGA TOUR Media Regulations operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefor to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefor may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product; provided, however, this credential restriction does not apply to credentialed media representing established wire and news services whose normal business is to distribute information to other news organizations so that such other news organizations may distribute the information to various print and broadcast media organizations to use the information for editorial product.
3. Each credential authorizes the holder of such credential and the Authorized Outlet therefor to use the trademark of the PGA TOUR, Champions Tour or Nationwide Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.
4. A daily decal is necessary to walk inside the gallery ropes. All members of the media with such decal must remain not more than an arm's length from the ropes, so as to blend into the gallery and appear to be a part of the gallery at all times.
5. Players are not to be distracted during play. Do not interview players or ask them to pose for photographs during their rounds.
6. Do not interview players or ask them to pose for photographs during their practice sessions before a round, except by prior arrangement with the player.
7. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player, up against the ropes and not in the middle of the areas where it could be distracting to other players.
8. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards. Media are not allowed in the scoring tent.

WORKING PRESS REGULATIONS

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day — and others requested — will be interviewed following their rounds in the Press Room interview area.

TAPE RECORDER REGULATIONS

1. All audio recording device and/or video recorder work should be done in the proximity of the press room, media center and/or designated interview area.

2. Video Recorders are not permitted in the locker room. Audio recording devices are permitted in the locker rooms subject to the following regulations:
 - Audio recorded interviews are intended to be one-on-one and not group interviews.
 - Audio recorded interviews are for reference only and the audio cannot be used for any other purpose.
 - The reporter must clearly ask a player, and permission must be granted, in order for the audio recording device to be used.
 - The reporter is responsible for making other players in the vicinity aware that an interview is being recorded.
 - PGA TOUR staff may designate, depending upon need and availability, an area within the locker room for the purpose of conducting interviews that are recorded.
 - Use of audio recorded interviews must be limited to the person being interviewed.
3. Audio recording devices and/or video recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

WEATHER DELAY GUIDELINES

1. During weather-delay situations, no one other than players and essential staff will be permitted in the locker room. This means the media are not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media will be welcome in the locker room at all other times to carry out their assigned duties. (Note: Cameras and, except as outlined above, tape recorders are not permitted in the locker room.)

The credentialed entity and the Authorized Outlet therefor, including each intended end user thereof, shall jointly and severally indemnify, defend and hold the Event, its host organization and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the credentialed entity.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. The holders of the media credential grant permission to PGA TOUR, Inc., to utilize the holders' images or likenesses incidental to any live or recorded television or other transmission or reproduction in whole or in part of any PGA TOUR event they attend.

The credentialed entity acknowledges and agrees that photographic images of PGA TOUR sanctioned tournaments are available for use outside the scope of these regulations (e.g., commercial, promotional, etc.) from the Official Photographic Services Provider of the PGA TOUR, Champions Tour and Nationwide Tour (currently, Getty Images), subject to the applicable rate card and course and player approvals.

PGA TOUR MAY REVOKE CREDENTIALS AT ANY TIME FOR ANY REASON INCLUDING VIOLATIONS OF ANY OF THE FOREGOING REGULATIONS.

Regulations – Radio

PGA TOUR retains exclusive media rights (including, but not limited to, broadcast, cable, home video, Internet) to all events on the PGA TOUR, Champions Tour and Nationwide Tour. No live or tape-delayed broadcast of any portion of any PGA TOUR, Champions Tour or Nationwide Tour event is permitted without the prior written consent of PGA TOUR.

All radio media are permitted to broadcast highlights coverage of such events only under the following conditions, unless otherwise approved in writing by PGA TOUR:

1. Each credential issued pursuant to PGA TOUR Media Regulations operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefor to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized to do by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefor may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product; provided, however, this credential restriction does not apply to credentialed media representing established wire and news services whose normal business is to distribute information to other news organizations so that such other news organizations may distribute the information to various print and broadcast media organizations to use the information for editorial product as though they generated such information directly.
2. Each credential authorizes the holder of such credential and the Authorized Outlet therefor to use the trademark of the PGA TOUR, Champions Tour or Nationwide Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.
3. Coverage shall not be in excess of three minutes of highlights per day and may not purport to be live, play-by-play coverage from the course.
4. All highlights coverage must be part of regularly scheduled news programs and may not be broadcast after 48 hours from the conclusion of the applicable tournament.
5. Live coverage or reporting in excess of three minutes per day from a tournament site, including, without limitation, the course, media center, press room and designated interview area, is prohibited without the prior approval of PGA TOUR.
6. Audio and video coverage shall not be made available until that day's live or tape-delayed coverage by the television network is concluded.
7. As the exclusive rights holder, PGA TOUR may request copies of any coverage of PGA TOUR, Champions Tour and Nationwide Tour events. Such coverage will be provided to PGA TOUR upon request (PGA TOUR will pay industry standard copying and shipping costs).
8. The use of golf carts is prohibited at all times.
9. Only personnel with appropriate credentials will be permitted into the media center and locker room areas.
10. Radio broadcasters are not permitted inside the gallery ropes at any time.

11. Broadcasters are not permitted to talk to players during play or after the round until the player has signed his scorecard.
12. Broadcasters shall not sell, distribute or syndicate any highlights coverage to any third party without PGA TOUR's prior approval.
13. The credentialed entity has rights only with respect to radio broadcast and has no rights with respect to any other media (including, without limitation, audio via the Internet) without obtaining the proper and valid credentials for such media.

TAPE RECORDER REGULATIONS

1. All audio recording device and/or video recorder work should be done in the proximity of the press room, media center and/or designated interview area.
2. Video Recorders are not permitted in the locker room. Audio recording devices are permitted in the locker rooms subject to the following regulations:
 - Audio recorded interviews are intended to be one-on-one and not group interviews.

 - Use of audio recorded interviews must be limited to the person being interviewed.
3. Audio recording devices and/or video recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

The credentialed entity and the Authorized Outlet therefor, including each intended end user thereof, shall jointly and severally indemnify, defend and hold the Event, its host organizations and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the credentialed entity.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. The holders of the media credential grant permission to PGA TOUR, Inc., to utilize the holders' images or likenesses incidental to any live or recorded television or other transmission or reproduction in whole or in part of any PGA TOUR event they attend.

PGA TOUR MAY REVOKE CREDENTIALS AT ANY TIME FOR ANY REASON INCLUDING VIOLATIONS OF ANY OF THE FOREGOING REGULATIONS.

Regulations – On-Line Services

Media credentials will be issued only to personnel on assignment from recognized golf or legitimate news Internet sites or other non-television video media services, as determined by PGA TOUR in its sole discretion. Coverage obtained in accordance with these regulations can only be used on the Authorized Outlet. Individuals representing multiple interests (such as a recognized golf magazine and an Internet site) must agree to be bound by all applicable media regulations.

PGA TOUR retains exclusive media rights (including but not limited to network, cable, Internet, home video, Internet protocol television, mobile) to all events on the PGA TOUR, Champions Tour and Nationwide Tour. No audio or video coverage of the event competition is permitted without the prior written consent of PGA TOUR. All other audio and video coverage must comply with the regulations below. Scores and statistics may be distributed only in accordance with these regulations.

- Each credential issued pursuant to PGA TOUR Media Regulations operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefor to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized to do by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefor may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product; provided, however, this credential restriction does not apply to credentialed media representing established wire and news services whose normal business is to distribute information to other news organizations so that such other news organizations may distribute the information to various print and broadcast media organizations to use the information for editorial product as though they generated such information directly.
- Each credential authorizes the holder of such credential and the Authorized Outlet therefor to use the trademark of the PGA TOUR, Champions Tour or Nationwide Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.
- Coverage must not purport to be live, play-by-play, hole-by-hole or real-time coverage from the course.
- Audio and video coverage shall be limited to the press room, media center and designated interview area (including any flash photography area by the 18th green), all as determined by PGA TOUR in its sole discretion, and shall not contain video footage or audio call of tournament play. Requests for expanded coverage must be submitted in writing to PGA TOUR for PGA TOUR's prior approval.
- Audio or video coverage from PGA TOUR designated areas shall not be in excess of two minutes per day from each Tour (and four minutes total for all three Tours).
- Audio and video coverage shall not be made available on the Authorized Outlet until that day's live or tape-delayed coverage by the television network is concluded and shall not be used for any purpose after 24 hours following the conclusion of the applicable round. Under no circumstances shall live audio or video coverage be made available on the Internet.
- As the exclusive rights holder, PGA TOUR is the absolute owner of all video footage shot and audio recorded at the tournament site (golf action or other footage) during the entire tournament week (i.e., Monday through Sunday or the conclusion of the tournament, if later than Sunday) and may request copies of any footage shot or audio recorded at PGA TOUR, Champions Tour and Nationwide Tour events. Such footage and audio will be provided electronically to PGA TOUR immediately upon request.
- Scoring and statistical information may only appear in the editorial news portion of the Authorized Outlet and may be provided no sooner than 30 minutes after the actual occurrence of the shots, or after the time such information is legally available as public information if sooner than 30 minutes after the actual occurrence of the shots. Scoring and statistical information may not be archived on

the Authorized Outlet and cannot be used for any purpose after 24 hours following the conclusion of the applicable round unless such information is legally available as public information.

- No coverage, including, without limitation, scoring information, statistical information, video coverage and audio coverage may be used by, sold, given, distributed or otherwise transferred to any party other than the Authorized Outlet in any manner whatsoever, without the prior written consent of PGA TOUR.
- Photographic images of PGA TOUR, Champions Tour and Nationwide Tour players may be used on the Authorized Outlet for legitimate news coverage only, and may be used together with news stories during the day's play, so long as such photographs are not used with other real-time or near-real-time information or sequenced to create a "shot-by-shot" or "hole-by-hole" account of the day's play. Commercial exploitation of these images without written consent of the players and PGA TOUR is prohibited. Requests for use of such images to promote the PGA TOUR shall be considered by PGA TOUR on a case by case basis. Where appropriate, the Authorized Outlet shall use reasonable efforts to use photographic likenesses of players and tournament courses containing current sponsors and endorsers. Photo galleries and/or collections may not be used for any purpose after 48 hours from the conclusion of the applicable tournament.
- The Authorized Outlet has rights only with respect to website media and other TOUR approved non-television video media and has no rights with respect to any other media without the prior approval of the PGA TOUR.

 - The reporter must clearly ask a player, and permission must be granted, in order for the audio recording device to be used.
 - The reporter is responsible for making other players in the vicinity aware that an interview is being recorded.
 - PGA TOUR staff may designate, depending upon need and availability, an area within the locker room for the purpose of conducting interviews that are recorded.

The credentialed entity and the Authorized Outlet therefor, including each intended end user thereof, shall jointly and severally indemnify, defend and hold the Event, its host organizations and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the credentialed entity.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. The holders of the media credential grant permission to PGA TOUR, Inc., to utilize the holders' images or likenesses incidental to any live or recorded television or other transmission or reproduction in whole or in part of any PGA TOUR event they attend.

PGA TOUR MAY REVOKE CREDENTIALS AT ANY TIME FOR ANY REASON INCLUDING VIOLATIONS OF ANY OF THE FOREGOING REGULATIONS.

Regulations – Photography

Photo credentials will be issued only to photographers on assignment from recognized and accredited publications, news services and other organizations approved in advance by the PGA TOUR. Requests for photo credentials must be made by the appropriate Authorized Outlet (i.e., publisher, news agency or organization) and not by the photographer. The credentialed entity has rights only with respect to photography and has no rights with respect to any other media without obtaining the proper and valid credentials for such media.

Photographs taken at any PGA TOUR, Champions Tour or Nationwide Tour tournament may not be commercially exploited in any manner without the prior written consent of the PGA TOUR and the applicable course(s) and player(s).

Photographic likenesses of PGA TOUR, Champions Tour and Nationwide Tour players and tournament courses may be used for legitimate news coverage only unless approved by the PGA TOUR. Where appropriate, the credentialed publications and news services shall use reasonable efforts to use photographic likenesses of players and tournament courses containing current sponsors and endorsers. Photo galleries and/or collections may not be used for any purpose after 48 hours from the conclusion of the applicable tournament.

Credentialed photographers will receive one of two types of photo credentials. A limited number of inside the ropes photo credentials will be issued daily by the PGA TOUR Media Official on site and will permit the wearer access inside the ropes. Photographers who do not have an inside the ropes photo credential must stay outside the gallery ropes but are still required to check in with the on site PGA TOUR Media Official to receive the proper outside the ropes photo credential. Photographic assistants will not be issued photo credentials of any type.

Professional grade cameras and lenses must be used and may be used only by accredited media representatives who have been issued photo credentials, and such use is subject to the following conditions:

1. Each credential issued pursuant to PGA TOUR Media Regulations operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefor to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized to do by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefor may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product; provided, however, this credential restriction does not apply to credentialed media representing established wire and news services whose normal business is to distribute information to other news organizations so that such other news organizations may distribute the information to various print and broadcast media organizations to use the information for editorial product as though they generated such information directly.
2. Each credential authorizes the holder of such credential and the Authorized Outlet therefor to use the trademark of the PGA TOUR, Champions Tour or Nationwide Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized

Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.

3. Photographers with inside the ropes photo credentials must stay within one arm's length of the ropes at all times. Photographers without inside the ropes photo credentials are not permitted inside the ropes at any time.
4. Photographers are not permitted on the teeing ground, as determined by PGA TOUR.
5. The use of carts is prohibited at all times.
6. Photographers must not position themselves in the line of play. If requested to move by a player, his caddy or an official, the photographer will do so without delay or discussion.
7. No photograph shall be taken until a player has completed his stroke.
8. Players should not be asked to pose during a round.
9. Noise-free equipment must be used at all times.
10. Cameras are not permitted in the scoring tent or in the locker rooms.
11. Photographic images of PGA TOUR, Champions Tour and Nationwide Tour players may be used for legitimate news coverage only, and may be used together with news stories during the day's play, so long as such photographs are not used with other real-time or near-real-time information or sequenced to create a "shot-by-shot" or "hole-by-hole" account of the day's play. Commercial exploitation of these images without written consent of the players and PGA TOUR is prohibited. Requests for use of such images to promote the PGA TOUR shall be considered by PGA TOUR on a case by case basis.
12. The credentialed entity has rights only with respect to photography and has no rights with respect to any other media without obtaining the proper and valid credentials for such media.

The credentialed entity and the Authorized Outlet therefor including each intended end user thereof, shall jointly and severally indemnify, defend and hold the Event, its host organization and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorneys fees and expenses) incurred by, arising from, or in connection with, any actions of the credentialed entity or the use of any photographs other than as set forth in these Photography Regulations.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. The holders of the media credential grant permission to PGA TOUR, Inc., to utilize the holders' images or likenesses incidental to any live or recorded television or other transmission or reproduction in whole or in part of any PGA TOUR event they attend.

PGA TOUR MAY REVOKE CREDENTIALS AT ANY TIME FOR ANY REASON INCLUDING VIOLATIONS OF ANY OF THE FOREGOING REGULATIONS.

Regulations – Television

All television media are permitted to broadcast highlights coverage of such events only under the following conditions unless otherwise approved in writing by PGA TOUR:

1. Each credential issued pursuant to PGA TOUR Media Regulations operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefor to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefor may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product; provided, however, this credential restriction does not apply to credentialed media representing established wire and news services whose normal business is to distribute information to other news organizations so that such other news organizations may distribute the information to various print and broadcast media organizations to use the information for editorial product.
2. Each credential authorizes the holder of such credential and the Authorized Outlet therefor to use the trademark of the PGA TOUR, Champions Tour or Nationwide Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.
3. Televised coverage shall not be in excess of three minutes of highlights daily from each Tour (and six minutes total for all three Tours) and may not purport to be live, play-by-play coverage from the course. Requests for expanded coverage must be submitted in writing to PGA TOUR.
4. All highlights coverage must be part of regularly scheduled news programs. Highlights may not be sold, distributed, syndicated or provided in any manner to any other entity.
5. Highlights from any day's play may not be broadcast or used for any other purpose after 48 hours from the conclusion of the applicable tournament.
6. No action footage of any day's play may be broadcast until that day's live or tape-delayed coverage by the television network is concluded.
7. Live coverage or reporting in excess of three minutes per day from a tournament site, including, without limitation, the course, media center, press room and designated interview area, is prohibited without the prior approval of PGA TOUR.
8. No footage may be used in any commercial manner or sold, distributed, syndicated or provided to any other entity or agency.
9. As the exclusive rights holder, PGA TOUR is the absolute owner of all footage shot at the tournament site (golf action or other footage) during the entire tournament week (i.e., Monday through Sunday or the conclusion of the tournament, if later than Sunday) and may request copies of any footage shot at PGA TOUR, Champions Tour and Nationwide Tour events. Such footage will be provided to PGA TOUR upon request (PGA TOUR will pay industry standard copying and shipping costs).

10. The use of golf carts is prohibited at all times.
11. Only personnel with appropriate credentials will be permitted into the media center and locker room areas.
12. Only personnel with appropriate credentials will be allowed inside the gallery ropes, and they must stay within one arm's length of the ropes at all times. All support personnel must remain outside the ropes.
13. All uses of footage hereunder shall be made with a courtesy credit to PGA TOUR.

TPC Network

The PGA TOUR's TPC Network has maintained a reputation for operating high-quality clubs since its inception 27 years ago. The TPC network continues to grow, with more than 20 facilities currently open or under construction.

TPCs encompass all forms of golf-related operations—resort facilities, corporate/private membership clubs and daily-fee courses—and, as such, PGA TOUR Golf Course Properties, Inc. is able to match the type of facility with the demands of each market in which a club operates.

The network represents the highest standard in the golf-course industry, commensurate with the members of the organization it represents, the players of the PGA TOUR. Each TPC embodies the trademark of excellence first established with the flagship TPC Sawgrass, which opened its world-famous PLAYERS Stadium Course in the fall of 1980 in Ponte Vedra Beach, FL. This commitment to overall excellence serves as the foundation for the network's overall success.

The TPC Network was born through former PGA TOUR Commissioner Deane Beman's desire to provide TOUR players with quality golf courses that also would offer spectators enhanced viewing areas. Beman also reasoned that development of quality facilities would alleviate the TOUR's dependency on the television dollar, while providing rent-free venues for tournaments. The savings in rent, in turn, would generate both increased purses and greater charitable contributions by the tournaments held at TPCs.

TPC Sawgrass was the first TPC to hold a PGA TOUR event, becoming the permanent home of THE PLAYERS Championship in 1982. In 2007, 16 tournaments were conducted as TPC clubs, bringing the total number of PGA TOUR, Champions Tour and Nationwide Tour events held at TPC facilities to 279.

The TPC Sawgrass PLAYERS Stadium Course was completely refurbished in 2006, with the fairways redone and the greens rebuilt to create a "fast, firm and fair" course in time for the 2007 PLAYERS Championship.

Many of the top golf-course architects are connected with TPC projects, including Pete Dye, Tom Fazio, Arnold Palmer, Jack Nicklaus, Gary Player, Arthur Hills, Jay Morrish, Tom Weiskopf, Greg Norman, Bob Von Hagge and D.A. Weirbring. TPC Boston, which opened in 2002, was the fourth TPC course designed by Palmer Course Design Co. Weiskopf designed his second TPC course for TPC Craig Ranch near Dallas, TX, which opened in the fall of 2004.

Moreover, in recognizing the importance of player input for tournament courses, TOUR members have served as design consultants, working closely with the lead architect. Hal Sutton, for instance, served as the player design consultant on TPC Treviso Bay (Naples, FL), which will open in 2008, while Steve Elkington was the player consultant and Kelly Gibson the associate player consultant working with architect Pete Dye on TPC Louisiana in New Orleans, which opened in April 2004.

TPC San Antonio, scheduled to break ground this year, will be a 36-hole facility. Pete Dye and Greg Norman will be the architects, and Sergio Garcia and Bruce Lietzke will be the player consultants of the course.

ShotLink

ing every tournament round. This data asset creates improved live coverage and more meaningful analysis. The new data creates great potential to enhance entertainment and image of the sport across all platforms.

The development of ShotLink started in 1997 when the TOUR decided to update its current scoring system, which was based on 1987 technology. The TOUR, in conjunction with IBM, conducted an extensive review process to formulate its strategy for the development and implementation of ShotLink. Following an evaluation of more than 30 companies, additional technology and implementation partners were identified: Information and Display Systems (IDS), Palm, Electronic Arts, Daktronics and two mapping vendors: GeoGolf and Geodetic Services. IBM provided overall project management, consulting services and server and networking technologies.

ShotLink was introduced during the 2001 Buick Classic and represents the TOUR's scoring system for the future. The System was enhanced in 2006 with the addition of a radar solution that accurately collects club head speed, ball speed, launch angle and tracks the entire flight of the ball. This solution is being installed on one tee each week. In 2007 a state-of-the-art set of LED scoreboards were introduced at THE PLAYERS Championship. They are powered by ShotLink and leverage the DiamondVision technology of Mitsubishi Electric, the Official Large Outdoor Video Display Provider of the PGA TOUR. This fan enhancement brings new information and insight to the fan in full color, including: leaderboards, leader updates, player bio and highlight videos, player performance metrics and shot location information. Future fan enhancements include broadcast applications, online uses, mobile applications, on-site presentations and new ShotLink statistics.

The accumulation, packaging and presentation of expanded shot and course information provide the basis for numerous fan enhancements.

ShotLink is a revolutionary platform for collecting and disseminating scoring and statistical data on every shot by every player in real-time during every tournament round.

Current uses of ShotLink data include:

- Enhanced graphics and statistics in television broadcasts – over 2,500 incremental broadcast mentions and graphics are aired annually due to the ShotLink system
- Expanded information and statistics for use by media
- Powering on-site and PGATOUR.com tournament leaderboards
- Providing on-site media and hospitality access to live tournament information
- On-site wireless and kiosk applications for tournament patrons through Tournament Tracker
- Powering mobile.pgatour.com, the PGA TOUR's wireless application for use on PDAs and cell phones
- Analysis of how each golf course is played to assist in course setup and in design changes
- Increased data mining to create more interesting entertainment on PGATOUR.com
- Powered the Emmy Award-winning TOURCast application on PGATOUR.com, which launched in 2003, and will relaunch in a different form in 2008. In addition to current uses, ShotLink provides unlimited potential to develop fan enhancements and products over the next several years, including:
 - Enhanced and interactive television
 - Internet, PC and console game enhancements
 - Enhanced live data coverage and distance-related statistics information on PGATOUR.com

Besides fan enhancements, ShotLink creates an ongoing historical archive of statistical information. This information is available to players through the PGA TOUR Links program, built by IBM.

The ShotLink data is collected by volunteers utilizing a combination of handheld devices and laser range finders. Each week a team of approximately 350 volunteers dedicate approximately three man years of effort to perform this data collection. In the course of the entire season, more than 10,000 volunteers contribute to the success of this program.

PGA TOUR Wives Association, Inc.

PGA TOUR Wives Association, Inc. is a Florida not-for-profit corporation organized to render support for and provide assistance to needy children and their families through the means of charitable events. The Association is comprised of the wives of professional golfers on the PGA TOUR and Nationwide Tour, as well as individuals and corporations that support the PGA TOUR Wives Association, Inc.'s many charitable endeavors.

Since its incorporation in 1988, the PGA TOUR Wives Association, Inc. has supported children's charities across the country by raising money and given back much to the game of golf through personal time and monetary contributions. In addition to fundraising, members participate in Volunteer Service Projects, performing a myriad of services ranging from Habitat builds to cooking in soup kitchens to playing with hospitalized children in communities where tournaments are held.

The PGA TOUR Wives Association, Inc. conducts numerous fundraisers to support its charities. These include memorabilia auctions, tasting events, concerts and other activities.

The Association's favorite (and longest-running) fundraiser is the biennial TOUR Wives Golf Classic, a nine-hole tournament where the wives play golf and their husbands caddie. The TOUR Wives Golf Classic, first played in 1987, has been held at different courses around the country.

While its membership varies from year to year, the commitment of the PGA TOUR Wives Association, Inc. to making a difference in the lives of needy children stands strong. The Association's dedicated members, past and present, have reached deep into their resources to balance the demands of family, work and travel and have given generously of themselves to realize their ideals. For information regarding the PGA TOUR Wives Association, please see their website at www.pgatourwives.org or contact Sara Moores at the PGA TOUR.

Weather Guidelines

The PGA TOUR Policy Board has approved these guidelines for use by tournament officials in case of bad weather:

- 1) Every effort should be made to finish each round as scheduled.
- 2) When unplayable conditions occur, play will be suspended. Play will resume when conditions improve, even when that round cannot be completed that day.
 - a) Where daylight permits, play may resume the following day, to include completion of the next scheduled round.
 - b) Where daylight does not permit, the suspended round may be completed the next day. Thus, one round might be completed over a two-day period, depending on how many players had played from the starting tee(s).
- 3) When the first or second or both rounds are canceled or suspended beyond the second scheduled day, with only one day remaining, every reasonable effort will be made to complete the next scheduled round (first round, or in the event it is the completion of the second round and daylight and conditions permit, determine the cut and complete the final round).
- 4) In the event of a suspension during the final round, with the exception of the Nationwide Tour Championship, the round will be canceled if more than half of the field cannot complete the round. If more than half the field completes the round, play should be temporarily suspended and completed

when conditions permit. No completion should extend past Monday. In no situation would play resume in order to have at least half the field complete play on Sunday so that play may be extended to Monday.

- 5) For the Nationwide Tour Championship, play may be extended to Monday at the discretion of the Tournament Director if golf course conditions and weather permit. In the event of a suspension during a final round being played on Monday, when at least half the field has completed play, the final round will be completed when conditions permit, but no later than Tuesday. In no situation would play resume in order to have at least half the field complete play on Monday so that play may be extended to Tuesday.

Suspension of Play Due to Dangerous Situations

Play may be suspended for such dangerous situations as lightning, tornadoes, etc. If the players in a match or group are between two holes, they must not resume play until the Rules Committee so orders. Players who are playing a hole must discontinue immediately and not resume play until the Committee orders. The penalty for breach of this condition is disqualification.

All practice areas shall be closed during a suspension for a dangerous situation until the PGA TOUR Rules Committee has declared them open for use. Players who disregard such closing shall be subject to disciplinary action.

One prolonged siren or horn note signals suspension for a dangerous situation. Several short intermittent horn or siren notes signal all other types of suspension.

World Golf Foundation

WORLD GOLF FOUNDATION

The First Tee. Its Board of Directors includes representatives from the Augusta National Golf Club, LPGA, PGA of America, PGA TOUR, United States Golf Association, The R&A and the European Tour. USGA Executive Director David Fay serves as 2008 Chairman of the Board.

Established in 1994 to unite the golf industry and those who love the game, the World Golf Foundation supports initiatives that promote, enhance the growth of and provide access to the game of golf worldwide, while preserving golf's traditional values and passing them on to others.

In September 2007, the Board of Directors announced that Steve Mona, formerly the CEO of the Golf Course Superintendents Association of America (GCSAA), would take on the newly created position of CEO of the World Golf Foundation. Mona, 50, has been actively involved with the World Golf Foundation and its initiatives over the past decade, serving on the World Golf Hall of Fame Advisory Board and The First Tee Advisory Committee since 1998 and the GOLF 20/20 Executive Board since 1999.

The seven organizations that comprise the Executive Committee of the Foundation Board will be represented by their respective chief executive, as follows: Peter Dawson, Chief Executive of The R&A; George O'Grady, Executive Director of the European Tour; David Fay, Executive Director of the United States Golf Association; Tim Finchem, Commissioner of the PGA TOUR; Joe Steranka, Executive Director of the PGA of America; Carolyn Bivens, Commissioner of the LPGA; and Jim Armstrong, Executive Director of Augusta National Golf Club.

Moving forward, the Chairman of the Board will rotate on an annual basis between the members of the Executive Committee. Additionally, the Board of Directors will increase in size, potentially increasing to up to 25 members, from its current structure of eight members, and becoming more international in its representation. The Board currently consists of the seven mem-

bers of the Executive Committee and Lynn Elsenhans, Executive Vice President of Global Manufacturing for Shell Downstream, Inc. Shell Oil Company is the Founding Sponsor of the World Golf Foundation.

The Board also announced that while reaffirming the Foundation's three primary initiatives (World Golf Hall of Fame, The First Tee, GOLF 20/20), the organization would broaden its scope to initiate strategic dialogue in areas of common interest that impact golf on a global basis. Specifically, the areas of Global Communications, Research and Public Affairs and the development of a unified Anti-Doping Policy have become part of the World Golf Foundation's focus.

The World Golf Hall of Fame (wgv.com) is the ultimate destination for the celebration and recognition of golf's greatest players and contributors, men and women. The institution stands as an inspiration to golfers and fans throughout the world. Its annual induction ceremony honors new members each year on the grounds of the museum.

The First Tee (thefirsttee.org) is now widely recognized as a preeminent positive youth development organization. Its mission is to impact the lives of young people by providing learning facilities and educational programs that promote character development and life-enhancing values through the game of golf. Since its inception in 1997, The First Tee has opened more than 260 golf-learning facilities in 47 states and five international locations – Australia, Canada, Ireland, New Zealand, Singapore – and has introduced the game of golf and its values to more than 1.5 million participants and students. Former President George Bush serves as honorary chairman.

GOLF 20/20 (golf2020.com) is a unique industry collaboration to grow the game of golf and secure its future. The mission, which was initiated in 1999, is to align the golf industry behind a plan that addresses the future of golf in a strategic manner, with an emphasis on accelerating growth and participation, and creating new avenues of access into the game.

PGA TOUR Anti-Doping Program

The PGA TOUR's primary objective is to have a credible Anti-Doping Program that will aggressively deter the use of any prohibited substance. The key elements of the program include extensive player outreach and education; a comprehensive list of prohibited substances and methods; therapeutic-use exemptions; a testing protocol and procedure; and guidelines governing sanctions and program administration. A summary of each of these significant elements follows:

Player Outreach and Education

The TOUR's Anti-Doping Program will be implemented on all three Tours, on a phased-in basis. On the PGA TOUR, player education and outreach began in December 2007 and extends through June 2008, with testing beginning no sooner than July 2008. The education phase will commence on the Nationwide Tour in mid-2008, with testing to begin in late 2008. On the Champions Tour, education will begin in January 2009 and testing will be implemented in mid-2009.

PGA TOUR players received an Anti-Doping Program Manual in early December 2007. The manual contained significant detail about all aspects of the Program. Additionally, players will have 24-hour-a-day confidential access to medical and program advisors who can respond to any questions relating to specific substances, medications or testing procedures.

The player education process will include weekly player education sessions at tournament sites, beginning in January at the Sony Open in Hawaii. Medical experts will also be available on a weekly basis for one-on-one meetings with players, family members and/or support staff (managers, trainers, nutritionists, physicians, etc.) in any of the educational sessions offered. A mandatory player meeting will also be scheduled at the 2008 Buick Invitational, at which time the Program will be covered in comprehensive detail.

Prohibited Substances

The PGA TOUR and the other member organizations of the World Golf Foundation have collaborated to create a Model Prohibited Substances and Methods List that was first announced in September 2007.

The list includes:

- Anabolic Agents (e.g., steroids)
- Hormones and Related Substances (e.g., human growth hormone, testosterone, EPO)
- Agents with Anti-Estrogenic Activity (to artificially increase testosterone level)
- Diuretics and Other Masking Agents
- Stimulants (e.g., Ritalin)
- Narcotics
- Cannabinoids
- Beta Blockers
- Enhancement of Oxygen Transfer (blood doping)
- Chemical and Physical Manipulation (tampering with a sample)

The Anti-Doping Program Manual that was delivered to players in December 2007 contains a comprehensive list of prohibited substances that fall under the categories listed above, as well as a list of those substances that will not be prohibited under the Program.

Therapeutic Use Exemptions

The TOUR's Anti-Doping Program includes a process for players to apply to receive a Therapeutic Use Exemption (TUE) to use a banned substance if there is a legitimate medical need as determined by the TOUR's medical committee.

This TUE medical committee will be created and chaired by the TOUR's anti-doping medical advisor, Tom Hospel, M.D. Dr. Hospel is Board Certified in Sports Medicine, has served as the team physician for The Ohio State University and shares a practice with the Medical Advisor for the NFL Anti-Doping Program. The TUE medical committee will also include a number of other highly-regarded physicians from various medical disciplines.

Testing Protocol

As with the overall Anti-Doping Program, the TOUR's primary objective with its testing protocol is to have a credible process that will aggressively and effectively deter the use of any prohibited substance. Under the terms of the program, the TOUR has the authority to test players at any time or place. All testing will be without prior notice. Testing done at tournament sites may be conducted both on practice/pro-am days and before or after competitive rounds. There is not a stated minimum or maximum number of times a year that an individual player may be tested.

The TOUR is taking significant steps to ensure that the confidentiality, security and integrity of the entire process is preserved for the membership. To implement the testing process, the TOUR has engaged the National Center for Drug Free Sport (Drug Free Sport). Individuals employed by Drug Free Sport are specifically trained to ensure a confidential and secure testing experience for the player and the TOUR.

Drug Free Sport will assist in the player education program in addition to conducting the actual testing. Beyond its new relationship with the TOUR, Drug Free Sport also provides drug testing or education services for the National Football League (NFL), Major League Baseball (MLB), National Basketball Association (NBA), National Collegiate Athletic Association (NCAA) and hundreds of colleges and universities.

Sanctions

Players who have been tested will be notified of the results by the TOUR Program Administrator (see next section). If it is determined that a player committed a violation of the Anti-Doping Program, the player will be notified of the violation and the sanction. Players will have an opportunity to appeal a sanction at a hearing to be held by the Commissioner or his designee.

Under the program, the TOUR has the authority to impose a variety of sanctions, which may include: disqualification; ineligibility for up to one year for a first violation, up to five years for a second violation, and up to a lifetime ban for multiple violations; and fines up to \$500,000.

In addition, for drugs of abuse (marijuana, certain narcotics, cocaine), the Commissioner will have the discretion to require treatment and rehabilitation in lieu of or in addition to other sanctions.

For any player who fails a test and is issued sanctions, the TOUR will disclose that the player violated the TOUR's Anti-Doping Program and will report the penalty.

Program Administration

The Program will be handled through the TOUR's Office of the General Counsel led by Rick Anderson, Executive Vice President and Chief Legal Officer. Allison Keller, Assistant General Counsel—Anti-Doping, will be the Program Administrator.

The TOUR has engaged outside policy and medical experts to assist in the development and implementation of the program, including player education programs and the testing process. In developing the program, the TOUR has worked closely with Richard Young, one of the world's foremost anti-doping experts and the principal draftsman of the World Anti-Doping Agency (WADA) Code. Young has served on the WADA Board since 2004.

World Golf Hall of Fame

Open since 1998, the World Golf Hall of Fame is the ultimate destination for the celebration and recognition of golf's greatest players and contributors and serves as an inspiration to golfers and fans worldwide. Supported by all of the world's leading golf organizations, the Hall of Fame combines historic artifacts and personal memorabilia with interactive exhibits to tell the stories of the Hall of Fame members and the history of the game. The World Golf Hall of Fame is located at World Golf Village in St. Augustine, FL.

The Museum

Guests of the World Golf Hall of Fame will be greeted with the fascinating and comprehensive tale of golf's history and its development from the cradle in Scotland through its growth to the far reaches of the world. An exhibit in this area focuses on the role of The R&A, the history of the British Open, golf's longest-running major, and The Royal & Ancient Golf Club of St. Andrews.

The Hall of Fame members' stories are referenced throughout the museum, though their true home is in the center of the museum, Shell Hall, named for the Hall of Fame's founding partner, Shell Oil Company. An extraordinary "Wall of Fame" donning hand-crafted bronze relief plaques of each member extends an entire wall, representing the current 120 members. And, guests can search for statistics, sound bites, photographs and video clips in a comprehensive database developed by technology partner IBM.

As a fitting tribute to the highest achievement in golf, significant tournament trophies, including men's and women's majors, are artfully displayed in the Hall of Fame Tower. Though perhaps the museum's true treasure trove is the Member Locker Room exhibit, which showcases more than 1,800 artifacts from Hall of Fame members around the world.

Guests have the opportunity to sink a long putt on a modern tournament-style putting green under the lights and cameras of a Shell's Wonderful World of Golf match and video is featured throughout the museum, including the multi-screen experience called "Spirit of the Game" and a theater offering great championship moment highlights.

"Jack Nicklaus: Golf's Golden Champion"

The World Golf Hall of Fame offers temporary exhibitions throughout the year, many featuring its members. The featured exhibit for 2008 is entitled "Jack Nicklaus: Golf's Golden Champion" and celebrates the stories of Nicklaus' benchmark career in golf and his personal life off the course.

The exhibition opened in conjunction with the 2007 World Golf Hall of Fame Induction Ceremony and will remain on display through November 2008.

Inductee Exhibits

Each year the Hall of Fame showcases the stories and supporting memorabilia from the current year's class of inductees. On display from the 2007 Class are exhibitions for Joe Carr, Hubert Green, Charles Blair Macdonald, Kel Nagle, Se Ri Pak and Curtis Strange.

Avenues for Induction

There are five avenues for a player or contributor to enter the World Golf Hall of Fame: PGA TOUR/Champions Tour ballot, International ballot, LPGA Point System, Lifetime Achievement category and Veteran's category.

Various criteria is set up for players to be eligible for the PGA

World Golf Hall of Fame

TOUR/Champions Tour and International ballots, including an age requirement of at least 40 years old and a necessary performance that includes a substantial amount of regular tournament victories and majors.

The LPGA Point System requires a player to be an active member of the LPGA Tour for 10 years and to have won either an LPGA major tournament, Vare Trophy or Rolex Player of the Year honors, plus a number of other tournament victories.

Nominations for the Lifetime Achievement category are made by the international voting body members. The category is designed for any male or female supporter of the sport whose primary role in the game has come outside the playing arena. The World Golf Foundation Board of Directors' Selection Committee decides this category each year.

Any male or female professional or amateur whose playing career concluded at least 30 years ago is eligible for selection through the Veteran's category. The World Golf Foundation Board of Directors' Selection Committee also determines this category each year.

Founding Partner

As sole founding partner of World Golf Hall of Fame, Shell Oil Company provides financial support to the World Golf Foundation and supports its charitable initiatives aimed at introducing golf to young people, thereby promoting scholastic achievement, community service and those values intrinsic to the game of golf.
