## A Message to the Media

**Tim Finchem** Commissioner

On behalf of the players, tournaments, volunteers and our management team, welcome to the 2011 PGA TOUR season. Thank you for your continued coverage and support.

The 2011 PGA TOUR season marks the fifth since the inception of the FedExCup, our season-long points competition that has provided a strong, compelling conclusion to the golf season. Last year, Jim Furyk joined Tiger Woods, a two-time FedExCup winner, and Vijay Singh as players who have ended their seasons holding the FedExCup. Prior to what amounted to Jim's \$10-million putt to win the FedExCup in the rain at THE TOUR Championship presented by Coca-Cola, there was plenty of drama in the Playoffs. Matt Kuchar thrilled everybody with his heroics at The Barclays—and went on to capture his first career PGA TOUR official money title (the Arnold Palmer Award) and adjusted scoring average title (the Byron Nelson Award). Charley Hoffman dominated in winning the Deutsche Bank Championship, and Dustin Johnson was superb at the BMW Championship. Ultimately, Jim prevailed as the Player of the Year, not only because of his FedExCup and TOUR Championship wins but also on the strength of his victories at The Heritage and the Transitions Championship.

The Greenbrier, a first-year event in West Virginia, was also a great success, highlighted by Stuart Appleby's final-round 59 that gave him his first PGA TOUR victory since 2006. And just a few weeks earlier, Paul Goydos was spectacular in the first round of the John Deere Classic, shooting a 59 of his own. After playing the HSBC Champions as a World Golf Championships event for the first time in 2009, we returned to Southeast Asia for that event again in 2010, and the CIMB Asia Pacific Classic, a limited-field event, was a huge success in Malaysia.

This year's official-money schedule features 45 events. We welcome Hyundai, Cadillac and FedEx as new title sponsors in 2011, at our tournaments in Hawaii, Miami and Memphis, respectively. The Hyundai Tournament of Champions will open our season, with a field featuring last year's tournament champions, while the World Golf Championships-Cadillac Championship promises to continue as strong as ever in South Florida. We're delighted that FedEx has returned as title sponsor of the St. Jude Classic, while we warmly welcome Nationwide as the presenting sponsor of the Memorial Tournament in Dublin, OH.

The Nationwide Tour continued to showcase numerous up-and-coming stars. Last year, Jamie Lovemark was the top money-winner, and 24 other players earned their PGA TOUR playing privileges. Jamie and the Nationwide Tour graduates will join an exciting crop of young, emerging stars—like PGA TOUR Rookie of the Year Rickie Fowler—who are poised to challenge the veteran performers of the PGA TOUR

Charity also remains a key component in all we do. Truly, "Together, anything's possible" defines our players and tournaments with all the initiatives they participate in that do so much to help those in need.

Again, thank you for your continued coverage of the PGA TOUR. We look forward to working with you throughout the 2011 season.

Sincerely,

Timothy W. Finchem Commissioner **PGA TOUR**

## **PGA TOUR Overview**

The name of our organization is the PGA TOUR, a tax-exempt membership group of professional golfers that plays approximately 100 official-mey tournaments on three Tours—the PGA TOUR, Champions Tour and Nationwide Tour. Our headquarters are located in Ponte Vedra Beach, FL, southeast of Jacksonville.

We should be referred to as the PGA TOUR or TOUR (on second reference), but not the PGA, as we are a different organization than the PGA of America.

The PGA is the Professional Golfers' Association of America, a membership organization for the nation's club professionals. The PGA runs the PGA Championship, Senior PGA Championship and Ryder Cup Matches, among other championships. The PGA headquarters are located in Palm Beach Gardens, FL.

The PGA TOUR and PGA of America were affiliated until 1968, when the tournament players, a small subset of the total PGA membership, broke

away to form the Tournament Players Division and gain more control of their finances and tournament schedule. The Tournament Players Division was renamed the PGA TOUR in 1975.

Two other American golf organizations are involved in men's professional tournament play, independent of the TOUR but with their marquee events included on the TOUR schedule as non-TOUR co-sponsored tourna-

The United States Golf Association, with headquarters in Far Hills, NJ, oversees the national championships (U.S. Open, U.S. Senior Open, U.S. Amateur, U.S. Women's Amateur, etc.) and administers the Rules of Golf, among other duties. The Augusta (GA) National Golf Club plays host to the Masters Tournament. The Royal and Ancient Golf Club of St. Andrews, Scotland oversees the British Open and administers the world's golf rules jointly with the USGA.

The PGA TOUR is the world's foremost golf Tour, with official money events from January through November. This year is the fifth season of the FedExCup, a season-long points competition culminating with the PGA TOUR Playoffs for the FedExCup.

The Champions Tour continues to combine extremely competitive golf for champions of the game age 50 and older with a fan-friendly platform that promotes "inside the ropes" and game-improvement for its fans. The Charles Schwab Cup, a season-long, points-based competition, enters its 11th season.

The Nationwide Tour is the official proving ground of the PGA TOUR. It celebrated its 20th anniversary in 2009. Through 2010, 288 PGA TOUR titles have been won by former Nationwide Tour players. Two-thirds of the PGA TOUR members in 2011 have Nationwide Tour roots. "The 25" (top-25 money winners) earn PGA TOUR cards for the following season.

## **FedExCup**

### **Overview**

The PGA TOUR entered a new era in 2007 with the introduction of the FedExCup, a season-long points competition offering \$35 million in bonus money and culminating with the PGA TOUR's first-ever Playoff system. In 2011, the four Playoff events will offer \$32 million in prize money, meaning a total of \$67 million is on the line over the final weeks of FedExCup competition.

Over the span of 37 weeks of competition, players vie to become the FedExCup Champion, which distinguishes the one player who not only performs well during the 33-week PGA TOUR Regular Season, but also excels through the pressure of the four-event PGA TOUR Playoffs for the FedExCup. Tiger Woods won the inaugural FedExCup in 2007 and the \$10-million top prize and won for a second time in 2009. Vijay Singh won the title in 2008, while Jim Furyk took home the FedExCup in 2010.

During the Regular Season, TOUR members earn points based on their finish, with a strong emphasis placed on winning and high finishes. Once the Regular Season concludes, the top 125 players advance to the Playoffs, a series of four \$8 million tournaments offering quintuple points relative to Regular Season events.

The Playoffs feature a progressive cut, beginning with The Barclays in New Jersey (125 players), continuing with the Deutsche Bank Championship in Boston (100 players) and the BMW Championship in Chicago (70 players). A reset takes place, seeding the top-30 players for the culminating TOUR Championship presented by Coca-Cola in Atlanta, where the FedExCup Champion is crowned.

The PGA TOUR schedule divides the golf season into two parts:

- 1. FedExCup
  - PGA TOUR Regular Season (33 weeks)
  - PGA TOUR Playoffs for the FedExCup (4 weeks)
- 2. PGA TOUR Fall Series (4 weeks)

### 1. FedExCup **PGA TOUR Regular Season**

The Regular Season consists of 37 events in 33 weeks from the beginning of January at the Hyundai Tournament of Champoions in Hawaii through mid-August at the Wyndham Championship in Greensboro, NC. Points are awarded at four levels:

- Official PGA TOUR events played during the Regular Season each award 500 FedExCup points to the winner.
- The Masters Tournament, THE PLAYERS Championship, U.S. Open, British Open and the PGA Championship award 600 FedExCup points to the winner.
- World Golf Championships events award 550 FedExCup points to the
- Additional events (played the same week as other tournaments) award 250 FedExCup points to the winner.

The Regular Season points standings will carry over to the PGA TOUR Playoffs for the FedExCup.

### PGA TOUR Playoffs for the FedExCup

The PGA TOUR Playoffs consist of four events immediately following the Regular Season—The Barclays, Deutsche Bank Championship, BMW Championship and THE TOUR Championship presented by Coca-Cola. The Regular Season points standings determine the top 125 players who qualify for the first event, The Barclays, in New Jersey. Each playoff event offers 2,500 points (quintuple the Regular Season). The second event, the Deutsche Bank Championship in Boston, will have a 100-player field. The third tournament, the BMW Championship in Chicago, will have 70 players (with no cut). The finale, THE TOUR Championship presented by Coca-Cola in Atlanta, will be comprised of the top-30 qualifiers following the BMW Championship.

Following a points reset, those players will compete for the FedExCup with one to be crowned the FedExCup champion. Each tournament will have a \$8 million purse in addition to the \$35-million FedExCup bonus pool.

Note: In case of ties, reset points will be distributed between the tying positions using the same methods for dealing with ties during events—the total points for each of the tying positions are divided equally among all players in the tying position. In the event that a player who qualifies for a Playoff event chooses not to play in that event, there will be no alternates and the field will be shortened.

### 2. PGA TOUR Fall Series

Following the PGA TOUR Playoffs for the FedExCup will be the Fall Series tournaments that conclude in late October. These events finalize eligibility for the following season as players vie for positions through No. 125 on the money list. All events will be "official" victories and award official money and Official World Golf Ranking points.

### A Brief History of the PGA TOUR

It is not easy to pinpoint the exact beginning of the PGA TOUR. Certainly, professionals have competed against each other from the earliest days of the game in the United States.

In 1895, 10 professional golfers and one amateur played in the first U.S. Open in Newport, RI. Shortly thereafter, tournaments began to pop up across the country, including the Western Open in 1899. But this was not "tour" golf. The events lacked continuity.

Interest in the game, however, continued to grow. American professionals were rapidly improving. When John McDermott became the first American-born player to win the U.S. Open in 1911, interest in the game blossomed. That interest became enthusiasm in 1913 when Englishmen Harry Vardon and Ted Ray came to the United States to play an exhibition tour and compete in the U.S. Open. When 20-year-old amateur Francis Ouimet defeated the pair in a playoff for the Open at Brookline, MA, golf became front-page news and a game for everyone.

In the early 1920s, a series of tournaments was held on the West Coast, in Texas and Florida. These events were held in the winter, and the golfers played their way east and up to Pinehurst, NC, in the spring. By the middle of the decade, the tour was doing relatively well—offering \$77,000 in total prize money.

The first "playing pros" organization was formed in 1932. Two years earlier, Bob Harlow had been named manager of the PGA Tournament Bureau. The tour became more structured following World War II and exploded in the late 1950s and early '60s. When Arnold Palmer, televised golf and President Dwight D. Eisenhower arrived on the scene in the late 1950s, the eyes of the world were on golf. This exposure inspired millions to try the game.

Most golf historians trace the "formal" beginning of the PGA TOUR to late 1968, when the "Tournament Players Division" split from the PGA of America and hired Joe Dey as its first commissioner. That organization became the modern-day PGA TOUR. Dev served from early 1969 through February 28, 1974, and was succeeded by Deane R. Beman on March 1, 1974.

During Beman's administration, the value of tournament purses escalated at an unprecedented rate. PGA TOUR assets grew from \$730,000 in 1974 to more than \$200 million, and total revenues increased from \$3.9 million to \$229 million in 1993.

Tim Finchem, previously the TOUR's Deputy Commissioner and Chief Operating Officer, became the TOUR's third commissioner on June 1, 1994. In 1995, Finchem undertook a restructuring program designed to strengthen the PGA TOUR's core business, which is its competitions, to expand the TOUR's international scope and prepare it to enter the 21st century. In 1996, Finchem helped spearhead formation of the International Federation of PGA Tours, as golf's five world-governing bodies laid the groundwork for taking competition into the next millennium. In 1997, the Federation announced the World Golf Championships, which made their debut in 1999 with three events—today called the Accenture Match Play Championship, Bridgestone Invitational and CA Championship. The HSBC Champions in China was added in 2009. In 2007, the TOUR debuted the FedExCup.

Since 1938, PGA TOUR events have donated more than \$1.6 billion to charity, reaching the \$1-billion milestone late in the 2005 season.

The competitive scope of the PGA TOUR also is much broader today. The Champions Tour, in its 32nd season, has been labeled the most successful senior sports venture in history. Fans and television viewers are able to get closer to the game on this Tour, both on site and with instructional platforms. The Charles Schwab Cup will be contested for the 12th time in 2011.

The Nationwide Tour, under that sponsorship umbrella for the eighth year, has been recognized as the "official proving ground" for the PGA TOUR with its excellent level of play that has two out of three players on the 2011 PGA TOUR with Nationwide Tour roots. The Tour celebrated its 20th season in 2009. The top-25 money winners earn their PGA TOUR cards for the following season. Among the former players on this Tour who have gone on to star on the PGA TOUR are David Duval, Tom Lehman, Jeff Maggert, Stuart Appleby, 2009 British Open champion Stewart Cink, David Toms, 2003 U.S. Open and 2010 FedExCup champion winner Jim Furyk, 2007 Masters champion Zach Johnson and 2009 U.S. Open champion Lucas Glover.

When the PGA TOUR opened the TPC Sawgrass in 1980, it introduced the era of stadium golf and record-breaking attendance. Owned and/or operated by the TOUR, the TPC Network courses are the only major-league sports venues owned by the players themselves. The reworked PLAYERS Stadium Course at TPC Sawgrass, with refurbished fairways and rebuilt greens and a new, enlarged clubhouse, debuted in May 2007 for THE PLAYERS Championship.

The successful debut of the FedExCup in 2007 was concluded by the PGA TOUR Playoffs for the FedExCup, with Tiger Woods taking the title in 2007. Vijay Singh won in 2008, Woods repeated in 2009 and Jim Furyk was the 2010 champion.

### **About the Commissioner**

**Tim Finchem PGA TOUR Commissioner** 

Tim Finchem began his 17th year as commissioner of the PGA TOUR in June 2010. From the time Finchem joined the TOUR management team, he has played a key role in strengthening the PGA TOUR's position as one of the most successful, well-respected sports organizations in the world, and his leadership has helped foster the growth of the game, both domestically and internationally.

During his tenure, Finchem has greatly expanded the earnings opportunities for PGA TOUR players. The TOUR, through its tournaments and sponsors, has dramatically escalated tournament purses and grown total revenues at an unprecedented rate. Since Finchem became commissioner in 1994, the PGA TOUR and its tournaments have raised more than \$1 billion for charitable organizations.

Under Finchem's leadership, The Presidents Cup was created in 1994, bringing together the world's best non-European players in team match-play competition against their American counterparts. After eight stagings, The Presidents Cup has grown to be one of the most highly anticipated events on golf's calendar, and the 2011 event is scheduled for Royal Melbourne in Australia

Finchem has also been instrumental in the formation of the International Federation of PGA Tours and the World Golf Foundation. His personal dedication to the success of the World Golf Foundation's The First Tee initiative has meant that, in just more than 10 years, The First Tee has grown to include more than 200 chapters that reach more than 2.2 million young people.

An additional accomplishment during Finchem's tenure has been the development and introduction of the FedExCup, a season-long points competition that culminates with the PGA TOUR Playoffs for the FedExCup. From 2007-2010, the FedExCup brought an unparalleled level of late-season focus to and interest in the TOUR, as indicated by significant increases in television and online audiences, tournament attendance, sponsor activation and media coverage.

Born in Ottawa, IL, on April 19, 1947, Finchem graduated from Princess Anne High School in Virginia Beach, VA. He attended the University of Richmond on a debate scholarship, receiving his Bachelor of Arts degree in 1969. He graduated from the University of Virginia Law School in 1973. After practicing law in Virginia Beach for three years, Finchem served in the White House as Deputy Advisor to the President in the Office of Economic Affairs in 1978 and 1979. In the early 1980s, Finchem co-founded the National Strategies and Marketing Group in Washington, D.C.

Finchem is the recipient of the Golf Course Superintendents Association of America's Old Tom Morris Award for 2001 and the PGA of America's Distinguished Service Award for 2002. He was awarded the Dick Schaap Lifetime Achievement in Sports Award in 2005.

Finchem is the third commissioner of the PGA TOUR, succeeding Deane Beman. Beman served for 20 years, replacing the late Joe Dey, who had been the TOUR's commissioner in its first five years, 1969-74.

Prior to becoming commissioner on June 1, 1994, Finchem was deputy commissioner and chief operating officer of the TOUR. He joined the TOUR as vice president of business affairs in 1987.

Finchem and his wife, the former Holly Bachand, have four children and live in Ponte Vedra Beach, FL.

#### **BEST 2010 PGA TOUR FINISHES:**

T2—HP Byron Nelson Championship; T10—AT&T Pebble Beach National Pro-Am.

#### **2010 SEASON:**

Solid rookie season, with two top-10 finishes and a 95th place finish in the FedExCup standings...One of four players making first career start on TOUR at the Sony Open in Hawaii. Finished T25...Improved on that in February in his first start at the AT&T Pebble Beach National Pro-Am, where he finished T10 with five others... After a first-round, 6-over 77 at the Verizon Heritage, turned in a 14-stroke turnaround on Friday with a career-low 8-under 63, just two strokes shy of the best second-round score at the Verizon Heritage (61, David Frost, 1994). Tied a TOUR record with just 18 putts during the round, just the ninth player to perform the feat and the first since Ken Duke during the third round of the 2009 World Golf Championships-CA Championship. Had only eight putts on the front nine... Finished T2 at the HP Byron Nelson Championship after holding a share of the first- and second-round leads. The T2 was a career-best finish. Trailed Jason Day by two entering the final round and by one going to the 72nd hole. However, after Day hit his second shot in a greenside hazard, also hit his second shot in the water from the right trees. Made double bogey on the final hole to fall into the tie with Brian Gay and Jeff Overton.

### CAREER HIGHLIGHTS:

2009: Finished No. 3 on the Nationwide Tour money list to earn his PGA TOUR card for 2010. Set a Tour record for

most money earned in a single season without a victory (\$399,749), breaking the mark of \$324,627 set by Darron Stiles in 2008. Had eight top-10 finishes and 12 top-25s. Finished No. 1 in total driving, No. 2 in driving distance, No. 3 in scoring average and No. 4 in birdie average. Earned his first top-10 of the year with a T3 at the BMW Charity Pro-Am. Collected his second top-10 with a T3 at the Knoxville Open, missing a playoff by a stroke. Continued his excellent play with a solo second at the Ford Wayne Gretzky Classic, making a 40-foot birdie putt on 72nd hole to move into second. Was one of seven players to post four rounds in the 60s at the Cox Classic in Omaha, where he finished solo eighth. Third straight top-10, a T6, came the following week at the Nationwide Children's Hospital Invitational. Money was enough to push him to No. 6 on the money list and lock up a spot on the PGA TOUR in 2010. Earned fourth consecutive top-10, at the Preferred Health Systems Wichita Open. Final-round 73 at the Price Cutter Charity Classic ended a streak of 22 consecutive rounds at par or better. Added a solo fourth at the Christmas In October Classic. Finished at 15-under par, five shots back of winner Michael Sim. Held the outright lead after the first, second and third rounds of the Albertsons Boise Open but finished second when playing partner Fran Quinn birdied the 72nd hole to win by one. It was his sixth top-10 in his previous eight starts. Earned \$78,800 and moved to No. 2 on the money list. 2008: Made seven Nationwide Tour cuts in 11 starts, including four top-20 finishes. Posted his first top-10 in his 18th career start on the Nationwide Tour with a T6 at the South Georgia Classic. Shot 24 sub-par rounds in 36 rounds played in 2008. 2007: Played his rookie season on the Nationwide Tour, making five cuts in 16 starts, having had no prior experience on either the PGA TOUR or Nationwide Tour. Played the Hooters Tour beginning in 2002 and the Gateway Tour in 2005. Had one victory on each Tour during that stretch.

Got his start in golf at age 5 when he would go to the golf course with his dad. Lists his parents as his heroes. Cites playing Augusta National and making it to the final stage of the PGA TOUR Qualifying Tournament as his biggest thrills in golf. Was a two-time, first-team all-state basketball player in high school. Wears black on Sundays in memory of his father, who passed away on Easter Sunday in 2004.

Won a Nissan Altima Coupe with a hole-in-one at the 2007 Nissan Open on the par-3 14th hole during the third round. Immediately after the ace with a 7-iron from 176 yards, dove onto the car on display next to the tee box and eventually found his way onto a Nissan television commercial with the antic. Beem had watched Peter Jacobsen dive into

a car after his ace in the Nissan Open 13 years ago. "I wish I could take full credit for making a fool of myself, but I stole that (from Peter Jacobsen). Jake had a convertible and hopped into it. I will never forget that. Today, I just saw the car and thought, might as well. I'll tell you the top of that hood was pretty warm, and the back is a little scratched up from my shoes."...Quit the game temporarily in 1995 and sold cellular phones and car stereo systems in Seattle. Watched fellow El Paso, TX, resident J.P. Hayes win 1998 Buick Classic and gained renewed interest...Worked in pro shop at El Paso CC prior to joining TOUR...Father, Larry, retired as golf coach at New Mexico State in 2004.

#### **2010 SEASON:**

A career-best 62nd-place finish on the FedExCup points list was set up by his second-career win, capturing top honors at the Zurich Classic of New Orleans...Posted a 6-under 65 on Sunday of Northern Trust Open, a round that included five consecutive birdies to jump from T34 to T10. It was his first top-10 since a T2 at 2009 Wyndham Championship... Won the Zurich Classic of New Orleans for his second PGA TOUR title, birdieing three of the final four holes at TPC Louisiana for a 5-under 67 and a two-stroke victory over Jeff Overton. Completed a third-round 71 on Sunday morning in the weather-plagued tournament and then finished at 18-under 270 to win wire to wire. Heavy rain and lightning Friday and again Saturday morning delayed the early rounds. Played 24 holes Saturday and 30 Sunday. He had seven birdies and one bogey in his 30 holes Sunday, finishing with a tap-in birdie on the par-5 18th after nearly holing his third shot.

#### CAREER HIGHLIGHTS:

It was Bohn's first playoff experience on the PGA TOUR. Final-round 62 helped him come from seven strokes back after the third round. When asked by media if he was disappointed at the playoff loss, said, "I couldn't be happier to have just gotten myself into the playoff. The way I'm playing, I have no regrets whatsoever." It was his best finish since a runner-up in Greensboro, NC, in 2006. 2008: Injury-riddled season limited to just 15 starts, but eight made cuts and five top-25 finishes were enough for a No. 123 finish on the money list. Also finished No. 123 in FedExCup standings...Playing on a Major Medical Exemption, guaranteed his PGA TOUR status for the remainder of the 2008 campaign thanks to a T20 at the Zurich Classic of New Orleans...Followed that three weeks later with a sixth-place finish at the Verizon Heritage, his best result since placing second at the 2006 Chrysler Classic of Greensboro...Held the 36-hole lead at the Wachovia Championship before carding weekend rounds of 72-71 en route to a third-place finish...Had been sidelined after requiring three surgeries to fix problems associated with his back. 2007: Limited to 17 events due to a rib injury suffered at the Memorial Tournament in June, where he was forced to withdraw. He set a Stadium Course record with the largest 36-hole comeback and won it with an 8-foot par putt on the final hole for a 5-under 67. He finished at 16-under 272 to beat Robert Allenby by one stroke. Made four birdies around the turn to surge past third-round leader Lee Westwood and Allenby, steadied himself on the 17th for a par, then finished off his weekend with a demonstrative fist pump when his par putt fell on the final green. Westwood fell away when he hit in the water on 17 and made double bogey. Allenby had the best chance to tie but narrowly missed an 18-foot eagle putt on the 16th hole, his 12-foot birdie putt on 17 was just short righ and couldn't make birdie on 18. Clark won with a 66-67 weekend in which he

made only one bogey-the 10th hole Saturday. It was the best weekend on the Stadium Course since Fred Couples shot 132 to win in 1996. The 36-hole comeback topped the record of six that Tiger Woods set when he won in 2001... Had a final-round 65 to finish T2 at the Bob Hope Classic. Came to the final hole tied with Matt Kuchar and Bill Haas. Opted to lay up on the par-5 and played his third shot to 8 feet but missed the birdie putt. He finished at 9-under, a distant eight strokes behind Lee Westwood.

Missed 7-foot birdie putt to win at first extra hole. Stricker won on second extra hole with birdie-3 after Clark's second shot struck the pin and caromed 20 feet away. It was his seventh career runner-up finish. Final round was the only round in the 70s all tournament by any player finishing in the top 10...On the heels of his third Presidents Cup performance in which he contributed two-and-a-half points to his International Team, took advantage of a home game in Scottsdale at the Frys.com Open in the Fall Series. #### 2010 SFASON:

Season highlighted by two runner-up performances and career-best 53rd-place finish in the FedExCup standings... Lost in a playoff to Jim Furyk at the Verizon Heritage after finishing regulation tied at 13-under, giving him runner-up finishes on TOUR in each of the last four years. Birdied the

Posted just four bogeys during the week, but two came on Nos. 15 and 16 during the final round...At 16-under 194, shared the 54-hole lead with Bryce Molder at the Crowne Plaza Invitational at Colonial, shattering his previous 54-hole total on TOUR (199). #### **2010 SEASON:**

Finished the season No. 8 in the FedExCup standings, high-lighted by first PGA TOUR victory at the HP Byron Nelson Championship and first trip to THE TOUR Championship... Survived a ball in water hazard on the final hole to win his first PGA TOUR title at the HP Byron Nelson Championship.

At 22 years, 6 months and 11, youngest winner at TPC Las Colinas since Tiger Woods' victory in 1997 at the age of 21. Nearly withdrew Thursday morning because he felt ill due to medication for a lingering sinus infection but finished with a final-round 72 to win at age 22. Held a two-stroke lead over Blake Adams entering the final round. But thought he might have blown it when, holding a one-stroke lead, his approach to the final hole went into the water (for the third time on the week on that hole). But he got a reprieve when playing partner Adams—who said he didn't see where Day's ball went—knocked his ball into the water, too. Day salvaged a bogey to finish at 10-under 270, while Adams took a double bogey and dropped into a tie for second at 8-under with Brian Gay and Jeff Overton...Shared the first-round lead at the ÁT&T National after a 4-under 66. One behind after 36 holes, but weekend rounds of 72-71 led to a T9 finish...In just his second career major cham-

pionship start, earned T10 honors with Matt Kuchar at the PGA Championship in August...Held the 36-hole lead at The Barclays by one stroke at 8-under-par 135 and finished T5 for fourth top 10 of the year...Held at least a share of the lead during the first three rounds of the Deutsche Bank Championship, including a tournment-tying 54-hole total of 17-under 196. Went on to card a final-round even-par 71 for a T2 finish, a distant five strokes behind Charley Hoffman. One of only three players to record top-10 finishes in the first two Playoff events, but failed to crack the top-15 in his final two events to finish No. 8 in the FedExCup standings.

**CAREER HIGHLIGHTS: 2009:** Finished T2 at the Puerto Rico Open, one stroke behind winner Michael Bradley. Had a chance to birdie the final hole and force a playoff but missed a 7-foot putt to finish at 13-under along with Brett Quigley. Bradley sank

#### 2010 SEASON

Elected to the 2011 class of the World Golf Hall of Fame, announced by TOUR commissioner Tim Finchem at THE TOUR Championship. Finished the season ranked No. 9 in the FedExCup standings, with two wins and 15th trip to THE TOUR Championship... After a T12 at the Sony Open in Hawaii to start his season, he posted a T5 at the Farmers Insurance Open, one of seven players to shoot all four rounds under par at Torrey Pines. It was his second top-10 in two starts at the Farmers Insurance Open (T6 in 2005)... Second consecutive top-10 finish came with T10 at Northern Trust Open, shooting all four rounds under par...Ended a twoyear victory drought, the longest of his career, with a win at the World Golf Championships-CA Championship. Played the final 23 holes without a bogey on TPC Blue Monster at Doral and closed with a 6-under 66 for a four-shot victory over countryman Charl Schwartzel. It was his 17th career PGA TOUR win and the 71st worldwide. He also became only the fifth player to win multiple times in the World Golf Championships, joining Tiger Woods, Darren Clarke, Geoff

Ogilvy and Phil Mickelson. He was clinging to a one-shot lead when he sank a 25-foot par putt on the 14th hole and then birdied the 17th hole after Schwartzel, a 25-year-old who took part in Els' junior program in South Africa and was staying at Els' home during the week, made bogeys on 15 and 17...Posted a 1-under 71 on Monday to finish 11-under 277, capturing the 2010 Arnold Palmer Invitational by two strokes over Kevin Na and Edoardo Molinari The win was the 18th of his career and the second of 2010 (World Golf Championships-CA Championship). It was his 16th appearance at the Arnold Palmer Invitational. During those starts, he has posted 12 made cuts and three top-10 finishes (won in 1998, T9 in 2002, won in 2010). Became the first player to win back-to-back starts on TOUR since Tiger Woods in 2009 (Buick Open and World Golf Championships-Bridgestone Invitational). He has won back-to-back starts three times in his PGA TOUR career (also at the 2003 SBS Championship and Sony Open in Hawaii and the 1997 U.S. Open and Buick Classic). Became one of only five players to win two events in the same year on the "Florida Swing" (Woods, Tom Kite, Raymond Floyd and Steve Elkington)...Following a 36-hole marathon Sunday of the Valero Texas Open, where he shot 69-68, finished T3 with Aaron Baddeley. The top-10 was his fifth of the year...Pulled into a tie for the lead in the final round of the U.S. Open before a bogey-double bogey-bogey stretch on Nos. 9-11 hindered his title hopes. Went on to card a 2-over 73 to finish third, his best major championship performance since finishing in the same position at the 2007 PGA Championship...Entered the PGA TOUR Playoffs for the FedExCup ranked in the top spot, but fell to No. 9 in the final standings with a T7 at THE TOUR Championship (his 300th PGA TOUR start) his only top-10 finish in the four Playoff starts...Added a victory at the PGA Grand Slam of Golf late in the year in Bermuda. Entered the final nine holes of the 36-hole event three strokes behind but made three consecu-

Finished at 13-under 271 and won for the 14th time in his career, moving to No. 6 in the Official World Golf Ranking. Had gone 58 starts on the PGA TOUR without winning. Parred the first playoff hole to beat Brian Davis at the Verizon Heritage for his second victory of the season and the 15th of his career. Davis' second shot found the hazard left of the green and Furyk hit the back of the green. For his efforts, collected \$1.35 million for the tournament win and \$10 million for winning the FedExCup...Made his seventh-career appearance in the Ryder Cup in a slim one-point loss to the European team. Hit a pitching wedge to 4 feet on the 18th hole and then watched as foursomes partner Rickie Fowler made the birdie putt to halve the match against Martin Kaymer and Lee Westwood. The half point was all he would earn, going on to a 0-2-1 record.

Ended the season with seven made cuts in 13 starts, with a T28 at the Mayakoba Golf Classic his best showing... Had back surgery in early summer after a magnetic resonance imaging test revealed his L5-S1 disk in his lower back was bone on bone, in the same area where he suffered a herniated disk nine years earlier. Surgery fused the L5 and S1 disks together and removed problematic bone spurs, leading doctors to believe the successful procedure would lead to a minimum of 15 additional years of competitive golf...Received a Major Medical Extension for 2010. **2008**: Voted PGA TOUR Comeback Player of the Year. Started the season on a Major Medical Extension (family crisis), but ended the year with a career-best season earnings total of \$2,218,817 and six top-10s, including a runner-up finish to Camilo Villegas at the BMW Championship. Finished No. 12

in the FedExCup point standings...First top-10 of the season came at the AT&T Pebble Beach National Pro-Am, where opening rounds of 69-70-68 left him tied for first with Vijay Singh at 9-under. An even-par 72 on Sunday left him in a tie for third place and one stroke shy of the playoff with Singh and eventual champion Steve Lowery...Next top-10 came at the EDS Byron Nelson Championship, finishing T7... He made the biggest jump up the FedExCup standings from 67th to 14th, earning a spot in the TOUR Championship for the first time in his career. During the week he recorded three of the 19 total bogey-free rounds at Bellerive CC... Ended the PGA TOUR Playoffs for the FedExCup with a T10 at THE TOUR Championship to finish 12th in the FedExCup points standings. **2007**: Veteran limited to 12 starts due to illness of wife, Suzanne, who was diagnosed with a tumor in her lungs (non-smoking related) in May and subsequently had two-thirds of one of her lungs removed. Did not play after the Wachovia Championship, taking care of Suzanne and triplets, then age 6. Granted Major Medical Extension (family crisis) for 2008 and had 15 events to earn \$485,931 (combined with 2007 earnings of \$299,249, would equal 2007's No. 125 earnings of \$785,180) and receive Major Medical Extension status for the remainder of the 2008 campaign...Lone top-10 was T8 at the Bob Hope Chrysler Classic, four shots out of a Charley Hoffman-John Rollins

playoff. 2006: Despite back problems that forced the withdrawal from four events, notched three top-10s to finish in the top 125 on the money list. 2005: Made 18 cuts in 29 starts and collected over \$1 million for the fifth time in his 15-year career...Best finish was a solo fifth at the Buick Open, aided by a final-round 6-under-par 66 that included seven birdies in eight holes...Collected his second top-10 in a major championship with a T10 at the PGA Championship at Baltusrol. Earned 85 percent of his season earnings during a three-week stretch in April and May...In sixth start, finished T4 at the Shell Houston Open the last week of April, to earn \$220,000 to get out of the Major Medical Extension category for the remainder of the season...Two weeks later a final-round 67 at the EDS Byron Nelson Championship put him in first career sudden-death playoff; lost to Sergio Garcia on the first playoff hole. His T2 finish was his best since finishing T2 at the 2002 Compaq Classic of New Orleans. 2003: Limited to 22 starts due to herniated disc in his back. Didn't play after British Open. -AT&T Pebble Beach National Pro-Am, Championship; T3—Northern Trust Open; T5—PGA Championship; T7—HP Byron Nelson Championship; T8—U.S. Open; T9—The Barclays.

In his strongest year on the PGA TOUR, claimed his third and fourth PGA TOUR wins, with near misses at the U.S. Open and PGA Championship. His fourth career win at the BMW Championship during the PGA TOUR Playoffs for the FedExCup gave him the distinction of being the winningest player in his 20s on TOUR...Posted a T3 at Northern Trust Open, where he held first- and second-round leads after

64-67. Scored second career ace with hole-in-one at No. 6 during second round, the 34th ace at Northern Trust since 1979 (when record keeping began)...One week later, first win of the season was a successful title defense at the AT&T Pebble Beach National Pro-Am title. Birdied the par-5 18th hole at Pebble Beach to gain a one-stroke victory over David Duval and J.B. Holmes, making him the first player in 20 years to win back-to-back in the AT&T Pebble Beach National Pro-Am. Closed with a 2-over 74, the highest final round by a Pebble Beach champion since Johnny Miller (74) in 1994. Became the first player since Tiger Woods to

go straight from college and win in each of his first three years on the PGA TOUR. Hit a 3-iron second shot into the front-right bunker on No. 18 and blasted out to 3 feet for the winning putt. In earlier groups, Duval and Holmes failed to birdie the finishing hole. Finished at 16-under-par 270 on a day in which four players had a share of the lead at some point...Finished T7 at the HP Byron Nelson Championship for his first top 10 since winning at Pebble Beach... Returned to Pebble Beach in June for the U.S. Open. Carded a 5-under 66 in the third round to enter the final round with a three-stroke lead. After a par on the first hole, posted a triple bogey, double bogey and bogey on Nos. 2-4 to see his championship hopes derailed. Finished with an 11-over 82 to T8, the highest score by a 54-hole leader in the tournament since Fred McLeod's 83 in 1911...Second near-miss in a major came at the PGA Championship in Wisconsin, posting rounds of 69-70-69-70—278. Playing around the lead all day Sunday posted a birdie on the par-5 16th and another birdie on the par-3 17th to take the lead at 12-under-par, one better than Martin Kaymer and Bubba Watson. On the 72nd hole, inadvertently grounded his club in a bunker prior to his approach shot. After converting an up-and-down bogey to apparently join the Kaymer-Watson playoff, was informed of rules infraction, assessed a two-stroke penalty and was forced to settle for a share of fifth place...In the first event of the PGA TOUR Playoffs for the FedExCup, finished T9 at The Barclays on the strength of a 7-under-par 64 in the third round in first start since PGA Championship disappointment. Played in the last group during the final round alongside Martin Laird but struggled to a closing 72. Collected his seventh top 10 of the season and first in a PGA TOUR Playoffs event (five career starts)...A steady, 2-under 69 in the final round was all he needed for the one-stroke win over Paul Casey at the BMW Championship, helping him jump to No. 2 in the FedExCup standings entering THE TOUR Championship... Entered the week as one of five players who could win the FedExCup with a victory at THE TOUR Championship, but was T22 to place No. 5 in the final FedExCup standings... Finished with a 1-3 record in his first Ryder Cup. Dropped his first three matches, before defeating Martin Kaymer, 6 and 4, in singles matches as the U.S. nearly came back to win from a three-point deficit on the final day...Late in the year, teamed with Ian Poulter to win the Shark Shootout in Naples, FL. The duo shot a final-round 59 in the scramble format to defeat the team of Darren Clarke-Graeme McDowell by two strokes.

#### CAREER HIGHLIGHTS:

2009: Won for the second time in his career and finished 14th in the FedExCup standings a year after placing 134th... Picked up his second career victory at the AT&T Pebble

Beach National Pro-Am. Joined six other Americans under age 30 at the time with multiple PGA TOUR victories (J.B. Holmes, D.J. Trahan, Sean O'Hair, Anthony Kim, Nick Watney, Charles Howell III). Some 40 hours after hitting his last shot, won at Pebble Beach on Monday when rain created a small river through one fairway and flooded greens, forcing officials to cancel the final round. Built a four-shot lead Saturday with a 67 at Poppy Hills, holing a 7-foot birdie putt on the 18th hole that figured to give him a cushion going into the final round. But the final round was never played. Rain and wind strong enough to topple a 40-foot tree suspended the final round Sunday, and nearly 1.4 inches of rain and a forecast for more gloom along the Monterey Peninsula left the PGA TOUR no choice but to declare Johnson the winner after 54 holes. At age 24 years, 7 months, the youngest player to win the AT&T Pebble Beach National Pro-Am since Tiger Woods (24 years, 1 month) in 2000...The next week, opened with a 5-under 66 at the Northern Trust Open and went on to finish T10...Four rounds in the 60s earned a T4 at HP Byron Nelson Championship. Also secured a spot in the British Open, moving from 48rd to 43rd on the Official World Golf Ranking that week...Shot a final-round 70 at the PGA Championship to finish T10, his first career top-10 in a major...Shot a final-round, course-record 7-under 64 at Liberty National to improve from T51 after 54 holes to T15 at The Barclays. Much of Johnson's score was attributed to the two birdies and an eagle he made on the short par-4 16th hole. On Thursday, he made birdie, on Friday he chipped in for eagle and on Sunday he chipped in again for eagle from off the back of the green...Finished T4, two shots behind winner Steve Stricker, the following week at Deutsche Bank Championship, jumping to No. 10 on the FedExCup standings. Ranked No. 1 in both Putts Per Round (25.2) and Driving Distance (317-yard average) for the week...Ranked No. 11 in the FedExCup standings after the BMW Championship to earn his first trip to THE TOUR Championship presented by Coca-Cola...Finished 27th in his first appearance at THE TOUR Championship, after opening with a first-round 69. 2008: Rookie made the cut in 17 of 30 starts, finishing No. 42 on the money list, and won for the first time...Posted two of his three top-10 finishes in his first four starts of the season. In just his second start on the PGA TOUR, fired three rounds in the 60s to claim a T10 at the Sony Open in Hawaii, the best finish among the 11 rookies in the field that week...Fired a career-low 63 in the fourth round of the Bob Hope Chrysler Classic on the way to a T12 finish. Six of first eight rounds on TOUR were in the 60s...Made his fourth cut in four starts with a then career-best T7 at the AT&T Pebble Beach National Pro-Am...Birdied the last two holes to capture his first PGA TOUR victory at the Turning Stone Resort Championship.

Made an 8-foot birdie putt on the par-5 18th hole to beat Australian Robert Allenby by one stroke. His second shot on the hole cleared the green but he got up and down for the win. Allenby, seeking his fifth victory and first since 2001, had a chance to tie at 18, but his 12-foot putt for birdie stopped inches short of the hole. Second-youngest winner on TOUR in 2008, at age 24, behind Anthony Kim. 2007: Finished T14 at the PGA TOUR Qualifying Tournament. Went through all three stages of Q-School, winning the first stage by eight strokes at Auburn University Club...After playing in his first Walker Cup in September, turned professional on September 28 and made his PGA TOUR debut at the 2007 Valero Texas Open. Missed the cut in San Antonio. Amateur: Made the cut at the Nationwide Tour's Nationwide Children's Hospital Invitational, finishing T50 as an amateur...Was a member of the winning 2007 U.S Walker Cup and the U.S. Palmer Cup teams...A first-team All-American at Coastal Carolina University (Conway, SC) for two season (2006 and 2007) where he won seven times during his career...Three-time Big South Conference Player of the Year...All-time scoring leader at Coastal Carolina (72.26) and holds the lowest season scoring average in school history (70.40)...Won the 2007 Northeast Amateur and the 2007 Monroe Invitational.

at age 45, lost in a playoff to Tiger Woods at Torrey Pines GC in La Jolla, CA. Finished regulation at 1-under-par 283 and held the clubhouse lead as Woods and Lee Westwood, both one stroke back, played the par-5 18th hole. Woods made birdie to force an 18-hole playoff. In the Monday playoff, made three consecutive back-nine birdies to take a one-stroke lead to the last hole. Woods made birdie to tie and force sudden death as both players shot evenpar 71s. Woods parred the par-4 seventh hole, the first sudden-death hole, as Mediate made bogey after driving into a fairway bunker and missing a 20-foot par putt. 2007: Had best season since 2003, with a runner-up finish, three top-10s and more than \$1 million in earnings while playing on a Minor Medical Extension. Spent early part of season as a walking commentator for Golf Channel. Led by three strokes through 36 holes of the Arnold Palmer Invitational after opening 66-65. Rebounded from third-round 76 with a 67 to finish solo second, his best finish since he was runner-up at the 2003 Deutsche Bank Championship-a span of 74 events. **2006**: Was limited to 18 events as he battled long-time back injury. In contention at the Masters Tournament, as he sat T4 through 54 holes. Back problem flared up in final round, when he posted an 8-over-par 80 to finish T36. Not able to play for one month. 2005: Playing on one-time exemption as top-50 all-time money winner, rebounded from subpar 2004 season to finish in the top

125. Rallied down the stretch, with 12 made cuts in final 14 starts. Recorded lone top-10 of the season at the U.S. Open (T6). 2004: Finished outside the 125 on the TOUR money list for the fourth time in his 19-year career and for the first time since he finished No. 155 in 1995. 2003: Finished 31st on money list and was bounced from the field for season-ending TOUR Championship after missing cut in final full-field event, the Chrysler Championship. Began season with two top-fives in first three events, highlighted by a T2 at Mercedes Championships and a solo second at the inaugural Deutsche Bank Championship. 2002: Earned more than \$2 million for the first time in his career and had best finish on the money list (22nd) since finishing 16th in 1993. Picked up first victory since the 2000 Buick Open with win at the Greater Greensboro Chrysler Classic. Had two-stroke lead over Mark Calcavecchia through 54 holes. Final-round 71 gained a three-stroke win over Calcavecchia and earned a career-high \$684,000 paycheck. 2000: earned his fourth career victory the way he won his first TOUR title—with a birdie on the final hole at the Buick Open. It was the first time he had led the Buick Open all week. Birdied two of final three holes for one-stroke victory over 54-hole leader Chris Perry. Victory lifted him over \$1-million mark in a single season for first time in his career. 1999: Made clear comeback from 1994 back surgery with victory at the Phoenix Open in only his second start of the season.

Held season-best 54-hole lead of six strokes. Final-round 71 earned him two-stroke victory over Justin Leonard. 1997: Made eight consecutive cuts near end of the year to retain full exempt status. 1996: Returned to the TOUR under Special Medical Extension and T6 at Phoenix Open to earn full playing privileges. 1994: Missed most of season with ruptured disc, for which he underwent surgery in July. 1993: Second TOUR win came in playoff at Kmart Greater Greensboro Open, where he birdied fourth playoff hole to defeat Steve Elkington. 1991: Earned first TOUR title in sixth season, at Doral-Ryder Open. Sank 10-foot birdie putts on 71st and 72nd holes, forcing playoff with Curtis Strange. In Monday playoff, birdied first extra hole from 5 feet. Amateur: Gained interest in golf in high school after years of playing baseball. With help from Champions Tour member Jim Ferree during college, began to construct his swing. At Florida Southern, coach Charlie Matlock became large influence on his game.

#### PERSONAL:

Started using long putter to save his back and became the first player to win on TOUR using a long putter when he won the 1991 Doral-Ryder Open. Finished 600th out of 5,619 players in his first appearance at the 2005 World Series of Poker's Main Event. Began playing poker in 2004.

#### **2010 SEASON:**

Had perhaps the most dramatic final week of anyone on TOUR, securing the 125th and final TOUR card for 2011 and capturing the \$1 million Kodak Challenge...The winner of 2009 PGA TOUR Qualifying Tournament was one of four players making a first career start on the PGA TOUR at the Sony Open in Hawaii. Opened with a 5-under 65 to share the lead with five other players. Finished T20... Following seven straight missed cuts after a T15 at the Farmers Insurance Open, snapped that stretch with a thirdplace finish at Zurich Classic of New Orleans. Matched the best birdie-eagle streak of the season with a 6-under stretch in five holes (Nos. 7-11) during a final-round 67... Hovering around No. 125 entering the Fall Series, made final four cuts of the season to secure card for sophomore season...Bogey-free, final-round 67 for T30 finish at the Children's Miracle Network Classic was just enough to make the No. 125 position on the money list after Johnson Wagner double-bogeyed the 16th hole. Immediately following the tournament, won the \$1-million first prize in the Kodak Challenge in a playoff with Rickie Fowler and Aaron Baddeley with an 18-inch birdie putt on No. 17 at the Magnolia Course. Players had to post the lowest score relative to par on 18 of the 30 Kodak Challenge holes to win. When asked what he would do with the \$1 million prize from Kodak, he said "The first thing I'm going to do is buy my wife a brand-new car.

### **CAREER HIGHLIGHTS:**

**2009:** Despite a double bogey on the final hole, took home medalist honors at the PGA TOUR Qualifying Tournament

by one stroke over Jeff Maggert. Became one of just three players since 1992 to hold at least a share of the lead after each round of the six-round event, joining wire-to-wire winner Scott Verplank (1997) and Frank Lickliter II (2007) Had not played in a PGA TOUR event prior to 2010. Made the cut in 10 of his final 11 starts and ended his rookie season No. 39 on the 2009 Nationwide Tour money list. Managed to make only two cuts in his first six starts and started heating up as the summer progressed. Earned his first career win with a playoff victory at the Mexico Open. Rolled in a 20-foot birdie putt on the first extra hole to defeat Australian Adam Bland, who established the course record with an 8-under 64. Shared the 54-hole lead with Garth Mulroy and fired a 3-under 69 to tie Bland at 15-under 273. Had a chance to win in regulation but missed a 10-foot birdie putt. Winner's check of \$117,000 moved him from No. 146 to No. 27 on the money list at the time. Closed the season with six consecutive cuts made after the win but struggled on the weekends and could do no better than a T39 at the Nationwide Tour Championship at Daniel Island to end the season. 2008: Missed the cut in his only previous Nationwide Tour start, at the Albertsons Boise Open. Amateur: Won 21 collegiate tournaments while at Boise State, including seven during his senior year, and at his previous school, Winona State. Won an NCAA-record five tournaments in a row at Boise. In 2002, two top-10s nearly matched the three he had in his first 111 events on TOUR and one of those, a T3 at the B.C. Open, was the best finish of his career to date. 2001: Was T13 at Qualifying School to retain TOUR card for following season. Enjoyed his best season on TOUR to date in 2000, thanks to a then-career-high three top-10s.

Won his third Masters title and 38th career PGA TOUR title at Augusta National GC in April. The 38th win tied him with Gene Sarazen for 11th on the all-time PGA TOUR wins list...In third start of the season, finished T5 at the AT&T Pebble Beach National Pro-Am for his first top-10 finish of

the season. A three-time winner of the event, it was his sixth top-10 finish at Pebble in 15 starts...On March 22, in a practice round at The Plantation GC in Indio, CA, shot a 14-under 58. Made 12 birdies and an eagle in the Monday round before playing in the Arnold Palmer Invitational later in the week. It marked his second sub-60 round (both unofficial), the first a 59 in the final round of the 2004 PGA Grand Slam of Golf at Poipu Bay in Hawaii. At the Arnold Palmer Invitational, was one stroke out of the lead through 36 holes but shot 75-77 on the weekend to finish T30... Finished T35 at the Shell Houston Open. Final-round 71 included three double bogeys in the first 10 holes, followed by six consecutive birdies to match the best streak on TOUR to date. During his birdie streak on the back nine, pulled a new caddie out of the gallery for three holes, Dr. Tom Buchholz, a radiation oncologist at the MD Anderson Cancer Center in Houston, where wife and mother are being treated for breast cancer...At the Masters Tournament, posted a final-round, 5-under 67 to pull away for a three-stroke win over England's Lee Westwood. Was joined behind the 18th green Sunday by his wife, Amy, who had not been at a tournament since being diagnosed with breast cancer 11 months earlier. In Saturday's third round, made consecutive eagles on the par-5 13th and par-4 14th holes. The last time he recorded two eagles in a round was the final round of the 2006 BellSouth Classic, which he also won. It was his first career eagle at No. 14 at Augusta National. Trailed Westwood by one through 54 holes, but seized control on Sunday with a 15-foot birdie putt on the par-3 12th hole and then hit a historic 6-iron from 209 yards from the right trees on the par-5 13th hole to set up an easy birdie. He finished with rounds of 67-71-67-67-272, the lowest total by a Masters champion since Tiger Woods in 2001. Became the eighth player with at least three Masters titles, and it was the fourth major of his career, breaking out of a pack that had included South Africa's Ernie Els, Padraig Harrington of Ireland and Fiji's Vijay Singh from his generation...Finished second at the Quail Hollow Championship for his 23rd career runner-up finish, four behind Rory McIlroy. Stomach virus forced him to pull out of the pro-am Wednesday but came back to contend, finishing with a 68 but couldn't keep pace with McIlroy's final-round 62...Made a late-round push Sunday at the Memorial Tournament but saw his chances end when he double-bogeyed the par-5 15th. Settled for a T5...Finished T4 at the U.S. Open for his 31st top-10 finish in a major championship (13 at the Masters, nine at the U.S. Open, one at the British Open and eight at the PGA Championship). It was his seventh top-four finish at the U.S. Open in 18 professional starts (20 total)... Did not crack the top 10 again until six starts later when a final-round, 4-under 67 led to a T8 finish at the BMW Championship. It marked the 25th time he and Tiger Woods (70) played together in an official PGA TOUR event... Finished T22 in his title defense at THE TOUR Championship presented by Coca-Cola, his first finish outside the top 20 in Atlanta since 1998... Finished with a 1-3 record in his eighth Ryder Cup appearance. Scored a 4-and-2 victory over Peter Hanson in his singles match as the U.S. nearly completed an improbable final-day comeback.

#### CAREER HIGHLIGHTS:

2009: Won four times, including a comeback win at THE TOUR Championship presented by Coca-Cola, and increased official career win total to 37 (12th on the PGA TOUR career wins list). Took time off during the season after breast cancer diagnosis for his wife and mother...Defending his 2008 victory at the Northern Trust Open, posted an 8-under 63 to take a one-stroke lead after the first round. Topped that with a 9-under 62 on Saturday on his way to a fourstroke cushion entering the final 18 holes. After opening with an eagle on the first hole on Sunday, reeled off five bogeys in his next 15 holes to lose the lead. Birdies on the 16th and 17th holes regained the lead and he two-putted from the fringe on the finishing hole to beat Steve Stricker by one. The win was the 35th of his career. Became the first player since Ben Hogan (1946-48) to follow up a runner-up finish (2007) with consecutive victories at the Northern Trust Open (2008-09). He became the seventh player to win in back-to-back seasons at the event, and in the process successfully defended a title for the fifth time in his career...Finished T9 when he lost, 1-down, to Stewart Cink in the third round of the Accenture Match Play Championship...Weakened and dehydrated by a stomach virus that sent him to the hospital on the eve of the final round, closed with seven straight pars for a 3-under 69 to win the World Golf Championships-CA Championship by one stroke over Nick Watney, whose 30-foot birdie try on the final green barely missed. His second victory in his last three starts moved him to No. 2 in the FedExCup standings and to No. 2 in the world. The victory was also the 36th of his career, tied with Lloyd Mangrum for 12th all time...Tied the tournament record with a 30 on the front nine in the final round to jump into contention at the Masters Tournament. However, was derailed by a double bogey on the par-3 12th and a bogey on the 18th to finish fifth after a final-round 67...Wife Amy was diagnosed with breast cancer on May 20 and he put his schedule on hold... Returned to action at the St. Jude Classic presented by FedEx in early June, where he finished T59. Also played in the following week's U.S. Open at Bethpage Black, where he T2, two strokes behind Lucas Glover. Was tied for the lead at 4-under par after an eagle on No. 13 in the final round, but bogeys on 15 and 17 pushed him back to second. Fifth runner-up finish at the U.S. Open was a record... Missed next six weeks to be with wife and mother, who also had breast cancer surgery. Missed the British Open, the first time he didn't play in a major championship since

1994. Returned to action in early August at the World Golf Championships-Bridgestone Invitational where he T58, the first of a five-tournament stretch where he failed to record a top-25 finish...Capped a tumultuous summer at home with a spectacular rally at East Lake, closing with 66-65. The 5-under 65 moved him from four strokes behind to a three-shot victory at THE TOUR Championship presented by Coca-Cola, his first since his wife and mother were diagnosed with breast cancer in the spring. Beat Tiger Woods, the FedExCup champion, who finished second alone. Finished at 9-under 271 and placed second in the FedExCup. It was his third victory of the year, the 37th of his career, and it pushed him back to No. 2 in the Official World Golf Ranking. Credited much of his success putting to two days of instruction with Dave Stockton in San Diego the week before THE TOUR Championship. Led the field in Putting and made nine putts of 15 feet or more. Won despite making a quadruple-bogey 8 on the 13th hole in the first round... Only American player to participate in every Presidents Cup (8 events)...Won the World Golf Championships-HSBC Champions in China in early November. Made an 18-footer to save par on the 16th after whiffing on a flop shot, then holed a 10-foot birdie putt on the 17th to close with a 3-under 69 and overcome a late charge by Ernie Els, who was in the lead until hitting into the water and making bogey on the final hole. Finished at 17-under 271 and earned \$1.2 million in winning his second World Golf Championship of the year. The win was his fourth of the year, tying a career best, even though the HSBC was an unofficial PGA TOUR victory. Els was 10-under for his round and had a one-shot lead playing the 538-yard 18th. From the middle of the fairway, he went at the green with a fairway metal and landed in the middle of the lake to give Mickelson an opening. 2008: Moved his career-win total to 34 with victories at the Northern Trust Open and the Crowne Plaza Invitational at Colonial, helping him finish seventh in the FedExCup standings. Ended the season with eight top-10 finishes...Rallied from four strokes behind J.B. Holmes entering the final round of the FBR Open to force a playoff with Holmes. Lost on first extra hole to a Holmes birdie. The runner-up finish was the 21st of his career. Earlier in the final round, gave two tickets to the Super Bowl, which was being played that night in the Phoenix area, to a father and his young son in the gallery...Made up for a 2007 playoff loss at Riviera CC by defeating Jeff Quinney by two strokes at the Northern Trust Open. Took lead for good on the short par-4 10th when, trailing by one, he drove over the green and got up and down for birdie while Quinney made bogey. First played the event as an amateur 20 years earlier, missing the cut...Hit a wedge from the left trees to within 9 feet and sank the birdie putt on the final hole to win the Crowne Plaza Invitational at Colonial. Tied with Rod Pampling and Tim Clark at 13-under par, Mickelson drove left into the trees on the 433-yard, par-4 finishing hole and faced a difficult second shot from 140 yards with one tree to navigate under and a second to go over. His approach cleared the left-front bunker and settled just right of the hole where he sealed his second victory of the season and the 34th of his PGA TOUR career, 13th on the all-time winners list. Mickelson birdied the finishing hole in every round...Capped off the year as a member of the victorious U.S. Ryder Cup team, followed by a T3 finish at THE TOUR Championship presented by Coca-Cola. 2007: Competed in three of the four PGA TOUR Playoffs for the FedExCup events and finished third in season-long points. Earned a spot on the victorious United States Presidents Cup team...Earned 30th career TOUR victory at the AT&T Pebble Beach National Pro-Am. #### **BEST 2010 PGA TOUR FINISHES:**

T4—SBS Championship; 5—World Golf Championships-Bridgestone Invitational; T7—British Open.

#### **2010 SEASON:**

Recorded his second consecutive fourth-place finish at the SBS Championship, four strokes behind champion Geoff Ogilvy. Entered the final hole at 20-under and one shot behind tournament leader Ogilvy at the time, before hitting his second shot on No. 18 into a hazard and carding a double-bogey...Next top-10 finish came 16 starts later, a T7 at the British Open. During that span, recorded eight top-25 finishes without cracking the top 10. Has missed the cut just twice in 19 major championship appearances, with two top-10 finishes (the other came at the 2009 Masters, T10). He has never missed a cut in six starts at the British Open, with a T14 in 2006 his previous best outing before 2010... Shared the 54-hole lead at the World Golf Championships-Bridgestone Invitational at 9-under-par and finished fifth, his first top-10 in a World Golf Championships stroke-play event, after a final-round 71. Held the lead outright on during the final round after birdies at Nos. 2 and 4, but unable to rebound from bogeys at Nos. 8, 11 and 14.

#### **CAREER HIGHLIGHTS:**

2009: Won the third tournament of his career en route to a career-best nine top-10 finishes and a fifth-place finish in the FedExCup...A final-round, 8-under 65, the best round of the day, led to a fourth-place finish at the season-opening Mercedes-Benz Championship...Lost 4 and 3 to eventual finalist Paul Casey in the quarterfinals of the World Golf Championships-Accenture Match Play Championship, finishing T5...Recorded a par on the final hole at the Arnold Palmer Invitational presented by MasterCard to finish second to Tiger Woods, who made birdie on the last hole soon after O'Hair's par. Led by five entering the final round...Had three rounds in the 60s on the way to a T10 finish at the Masters Tournament, his first top-10 in a major championship...Five weeks after losing a lead to Woods at the Arnold Palmer Invitational, surged down the stretch in winning the

Quail Hollow Championship by one stroke over Lucas Glover and Bubba Watson. Closed with a 3-under 69—the only player from the last nine groups to break 70 at Charlotte's Quail Hollow Club-and made enough key birdies that finishing with consecutive bogeys on the two toughest holes at Quail Hollow didn't cost him. Took the outright lead with a two-putt birdie from 70 feet on the 15th, then seized control with an 8-iron to 8 feet for birdie on the 16th hole. Glover, who bogeyed the par-3 17th, had a chance to force a playoff on 18 until his approach bounded over the firm green and his birdie chip turned away to the left. Became the only current American player in his 20s with three PGA TOUR victories. International players Sergio Garcia and Adam Scott are the only others in the under-30 set to achieve that feat. Born the day after a golf course opened next door (Real GC de San Sebastian) where grandfather was greenskeeper. Mother and father also worked there. When grandfather died, Jose's father, Gaspar, took his place as greenskeeper. Father received a club to cut down and Jose, at age 2, used it to hit balls. Mother would take him out on golf course late in the afternoon starting at age 6... Sometimes called "Chemma," a short way to say Jose Maria in Spanish.

#### **2010 SEASON:**

Claimed his third career PGA TOUR win in his first start of the season, the Sony Open in Hawaii, and competed at THE TOUR Championship for the first time...Birdied the par-5 18th hole to edge Robert Allenby and win the Sony Open in Hawaii. Chip from 50 feet short of the 18th green struck the pin squarely, and instead of running well past the hole, settled a few inches away. He tapped in for a birdie and a 4-under 66, giving him a one-shot victory when Allenby missed a 10-foot birdie putt. Was inspired to "stay in the moment" earlier in the week after reading an article about defending Sony Open in Hawaii champion Zach Johnson. The victory, the third of his career, came by leading or sharing the lead after every round. Tied the AT&T Oaks Course at TPC San Antonio record with an 8-under-par 64 Sunday to improve 39 positions from T48 to T9 at the Valero

Texas Open...Posted a season-best 7-under-par 63 in the third round of the World Golf Championships-Bridgestone Invitational to share the 54-hole lead with Sean O'Hair at 9-under-par 201. Carded a 69 in the final round to second, his best result in a World Golf Championships event (three career starts), two shots off Hunter Mahan's winning score...Birdied his first five holes and seven of his first eight during the opening round of The Barclays to card a 7-under-par 28 on the front nine en route to a 5-under-par 66. Finished T5, his fourth top 10 of the year and first in a PGA TOUR Playoffs event...Played in TOUR Championship for the first time and finished 23rd in final FedExCup standings...In his first start since THE TOUR Championship, finished T8 at the Justin Timberlake Shriners Hospitals for Children Open, notching his career-best fifth top-10 finish of the season.

#### **CAREER HIGHLIGHTS:**

2009: After arthroscopic shoulder surgery in the off-season, he had four top-25s and one top-10 finish...Entered final round of the Legends Reno-Tahoe Open in second place and four strokes back of leader and eventual winner John Rollins, who is his neighbor in Colleyville, TX. Shot a 1-over 73 to finish T5. During third-round 66 he said he "kind of got smart for a change" and used the rules of golf to his advantage when he borrowed his caddie's sneakers to play a shot while standing on a cart path at hole No. 15 instead of standing in his own spiked golf shoes...Shot second-

round 63 at the Crowne Plaza Invitational at Colonial for a season-low score that was one shy of his career best... Finished season No. 150 on the money list. **2008:** Claimed second career PGA TOUR win at the Ginn sur Mer Classic in the PGA TOUR Fall Series. Posted two additional top-10 finishes en route to 68th place on money list...Sank a 10-foot birdie on the 18th hole to break out of a six-way tie for the lead and win the Ginn sur Mer Classic. Ranked No. 143 on the money list with two tournaments remaining. Had to call

On the first playoff hole, the par-5 18th, his second shot wound up in the water after it struck a pine tree behind the green about 10 feet up the trunk and ricocheted back across the green into the water. He made bogey and Imada two-putted for par and the win...Two weeks later, collected his 10th TOUR title and third at the Memorial Tournament with a two-stroke victory over four players at Muirfield Village GC. He became the oldest winner of the Memorial Tournament and on TOUR at the time in 2008 at 47 years, 3 months and 29 days. Joined Tiger Woods as the only players to collect three titles at Muirfield Village. The winner's check of \$1,080,000 also made Perry the all-time earnings leader for the Memorial Tournament with \$3,092,542, moving him past Woods...Cited his past success at the Buick Open as one reason for not playing in the 2008 U.S. Open and took full advantage by capturing his 11th PGA TOUR title and second at Warwick Hills G&CC. Won by one stroke over Woody Austin and Bubba Watson. Listened for the crowd's reaction from the driving range as Austin three-putted the 72nd hole and Watson missed a 15-foot birdie attempt to tie. Became the oldest champion in the tournament's 50-year history at age 47 years, 10 months and 19 days. Finish virtually assured him of a spot on the United States Ryder Cup team at Valhalla GC...Collected his 12th PGA TOUR title and third in the past seven weeks in a one-hole playoff over Jay Williamson and Brad Adamonis at the John Deere Classic. It was his ninth start at TPC John Deere. Held a one-stroke lead at 17-under through 17 holes on Sunday only to lose it after making bogey from the fringe of the green. In the playoff, Adamonis and Williamson both hit approach shots into the pond on No. 18, Perry tapped in for par and the victory after his 24-footer for birdie stopped just short. Third victory in a season tied 2003 for most wins during a season. Win was his ninth in his 40s. Became the oldest player (47 years, 11 months and 3 days) in TOUR history to win three events in the same season. Round was the lowest final-round score in Memorial history. 2006: Did not have a top-10 in 22 starts for the first time in his TOUR career...Had arthroscopic surgery on his right knee on March 13 and was unable to defend his title that week at the Bay Hill Invitational...Best finish was a T11 at the Buick Open, for the past champion (2001). **2005**: Finished sixth on TOUR money list. Recorded multiple victories (2) and finished with more than \$3 million in earnings for second time in his career...Won for the first time since his three-win season of 2003 with a victory at the Bay Hill Invitational. After Singh hit his second shot on No. 18 in the water short of the green, Perry played to the middle of the green and two-putted for par and the win...Captured ninth career TOUR title by seven

strokes over Billy Mayfair at the Bank of America Colonial. Tenth multiple winner in tournament history, with rounds of 65-63-64-69—261. Seven-stroke win was second-largest margin of victory in tournament history (eight strokes, Chandler Harper, 1955), and the largest on TOUR since Tommy Armour III won by seven strokes at the 2003 Valero Texas Open. Entered final round with a seven-stroke lead over Mayfair and Steve Stricker. Set tournament 36- and 54-hole records with totals of 12-under 128 and 18-under 192, respectively. Jumped from No. 11 to No. 5 on the Official World Golf Ranking, his highest career ranking. Steven Duff, commander of U.S. Army Special Forces Command (Airborne) at

Fort Bragg, N.C. "It's special. With my dad's situation, it's brought to my heart that the military is much more important than what we do for a living. So I needed to do something for the Green Berets and bring light to the Pensacola area."...Uses a pink shaft in his driver...Attended the same high school—Milton (FL) High School a few years after current PGA TOUR players Heath Slocum and Boo Weekley...Self-taught player who learned the game by hitting wiffle balls around his house. "The house was probably an acre and a half yard with big trees, downtown Bagdad (FL). The house is sitting here, and I drew in the dirt driveway. I'd draw a big circle, and that would be my hole, a 5-foot circle. I'd go around it to the left and then I'd go around it to the right. So I learned to cut it. If you know about wiffle balls or plastic balls, it's hard to cut. Then I learned to hook it the other way, hit it high over limbs, hit it low under limbs. I'd say non-stop every day from 6 to 12 years old. Instead of playing with trucks out in the yard, I'd play with a ball and a club."...Wife Angie is 6-foot-4 and a former University of Georgia, WNBA and European professional basketball player...Sponsors the Bubba Watson Invitational at the University of West Florida, a women's NCAA Division II golf tournament at Stonebrook Village GC, Watson's home course in Pace, FL...Affiliated with The First Tee of Northwest Florida and the Ronald McDonald House of Pensacola, FL...Without letting family and friends know, completed requirements toward a degree at the University of Georgia in the summer of 2008, thereby validating his push for kids to stay in school.

the Honda victory...Rallied past Tiger Woods to win the PGA Championship with a series of spectacular shots on the back nine. Woods was 14-0 when he was atop the leaderboard going into the final round of a major. "It's not like you're in an octagon where you're fighting against Tiger and he's going to bite you or swing at you with his 9-iron," Yang said through an interpreter. "The worst that I could do was just lose to Tiger. So I really had nothing much at stake." Trailed Woods by two entering the final round, then chipped in from 60 feet for eagle on the short par-4 14th to take the lead by one. Clinging to a one-shot lead on the final hole, with a tree slightly block-ing his view of the flag and Woods in the fairway, hit the shot of his life. #### **PERSONAL**:

Fourth of eight children and the son of vegetable farmers... Once aspired to be a bodybuilder and own his own gym. A knee injury in his late teens ended that dream...Never knew there was a sport called golf until the age of 19, when he started going to a small, local driving range in South Korea on a friend's advice and learned the swing by watching instructional videos. Worked picking up practice balls and would work on his game before the facility opened and late at night after visitors went home. The range had facilities where you could sleep and eat... As required, spent almost two years in the South Korean military, stationed at his home at Jeju Island, south of South Korea, beginning at age 21. Guarded naval port...Traveled to New Zealand after his military duty to pursue a golf career. Practiced and played intensely there over a three-month period.

marily on the Champions Tour...Finished second to Fred Couples in his Champions Tour debut at The ACE Group Classic in mid-February. Fired an 11-under-par 61 in the final round, matching the Champions Tour record for lowest score in relation to par. Trailed Couples by seven strokes after five holes before playing the next dozen holes at 10-under to grab a share of the lead with a birdie at No. 17. However, Couples answered with a birdie at the same hole moments later to earn a one-stroke win. His 61 set a course record and was just one stroke shy of a career-best 60 he shot at the 1999 Las Vegas Invitational. Final round included nine birdies and an eagle...Also finished second at the Mississippi Gulf Resort Classic, one stroke back of David Eger. Was one shot ahead of Eger after four consecutive birdies (Nos. 11-14) on the back nine but missed a short birdie putt on the par-5 15th and then three-putted for bogey at the par-3 17th to fall back...Registered a third runner-up finish, at The Principal Charity Classic. Was tied for the 36-hole lead with Nick Price, but final-round 71 at Glen Oaks left him four strokes back at the end...Rebounded

from an opening-round, 3-over-par 74 at the Senior British Open with a pair of sub-par rounds on the weekend to finish T8 at Carnoustie...Was the 18-hole leader following a 9-under-par 63 at the 3M Championship in August near Minneapolis. Remained on the leaderboard throughout the weekend before finishing T3 with three others at the TPC Twin Cities...In his next start at the JELD-WEN Tradition, posted four straight sub-par rounds to finish T6 in Oregon... Was T8 at the Boeing Classic the following week...Was among the final-round leaders at the Ensure Classic at Rock Barn before eventually finishing T7. Earned \$59,500 and went over the \$1-million mark in season earnings... Along with Tim Simpson, held a share of the 36-hole lead at the Allianz Championship. A final-round 72 dropped him back into a T9 in Boca Raton. Second-round 64 included a run of five consecutive birdies...Became the ninth player in Champions Tour history, and first since Brad Bryant in 2007 (The Ginn Championship at Hammock Beach), to record four eagles in an event when he did so at The Cap Cana Championship (T13).

Finished the year 17th on the money list to earn a return trip to the PGA TOUR...Earned his second career title, at the Soboba Golf Classic in California in early October. Moved into the lead with an 8-under 63 in the third round. Birdied the first hole and eagled the sixth hole Sunday to move into a comfortable lead and was never seriously challenged the rest of the day. Posted a 3-under 68 to finish at 19-under par, three strokes better than Daniel Summerhays and five in front of Keegan Bradley and B.J. Staten. A first-place check for \$180,000 moved him from No. 76 to No. 11 on the money list. Finished the week with only 96 putts, one shy of the all-time Tour mark of 95 set by Grant Waite at the 2003 Miccosukee Championship. Dating to the end of the 2005 season, had earned only \$173,970 in his previous 76 starts on Tour...Began the final round of the Preferred Health Systems Wichita Open in second place, a stroke behind Roberto Castro. An up-anddown round left him one stroke behind clubhouse leader Jhonattan Vegas as he stepped to the 18th tee Sunday. Needed a birdie to force a playoff, he hit his tee shot out of bounds. Ended up making a double bogey but still finished T4—his best Tour finish since a T2 at the 2005 Price Cutter Charity Championship... Notched his sixth top-10 finish six

starts later, at the WNB Golf Classic. Had missed four cuts in a row heading into Midland. A final-round 66 moved him from T23 to T8. He would go on to victory a week later in California.

### **CAREER HIGHLIGHTS:**

2009: Made the cut in seven of 20 starts on the Nationwide Tour. Earned his first top 10 in more than two years with a solo sixth at the Mexico Open. Following week, lost in a playoff to Peter O'Malley. Charged up the leaderboard Sunday with a course-record-tying 63 to finish at 14-under par, nearly two hours in front of the final group. Waited in the clubhouse as O'Malley missed a short putt on the 72nd hole, forcing a playoff. Named Player of the Month for January/February. An 8-under-par 64 in the final round of the Price Cutter Charity Championship led to a runner-up finish to Roger Tambellini. Led Tour in Birdie Average (4.39).
